

DOONALD DUCK

**SUPER
DUCK**

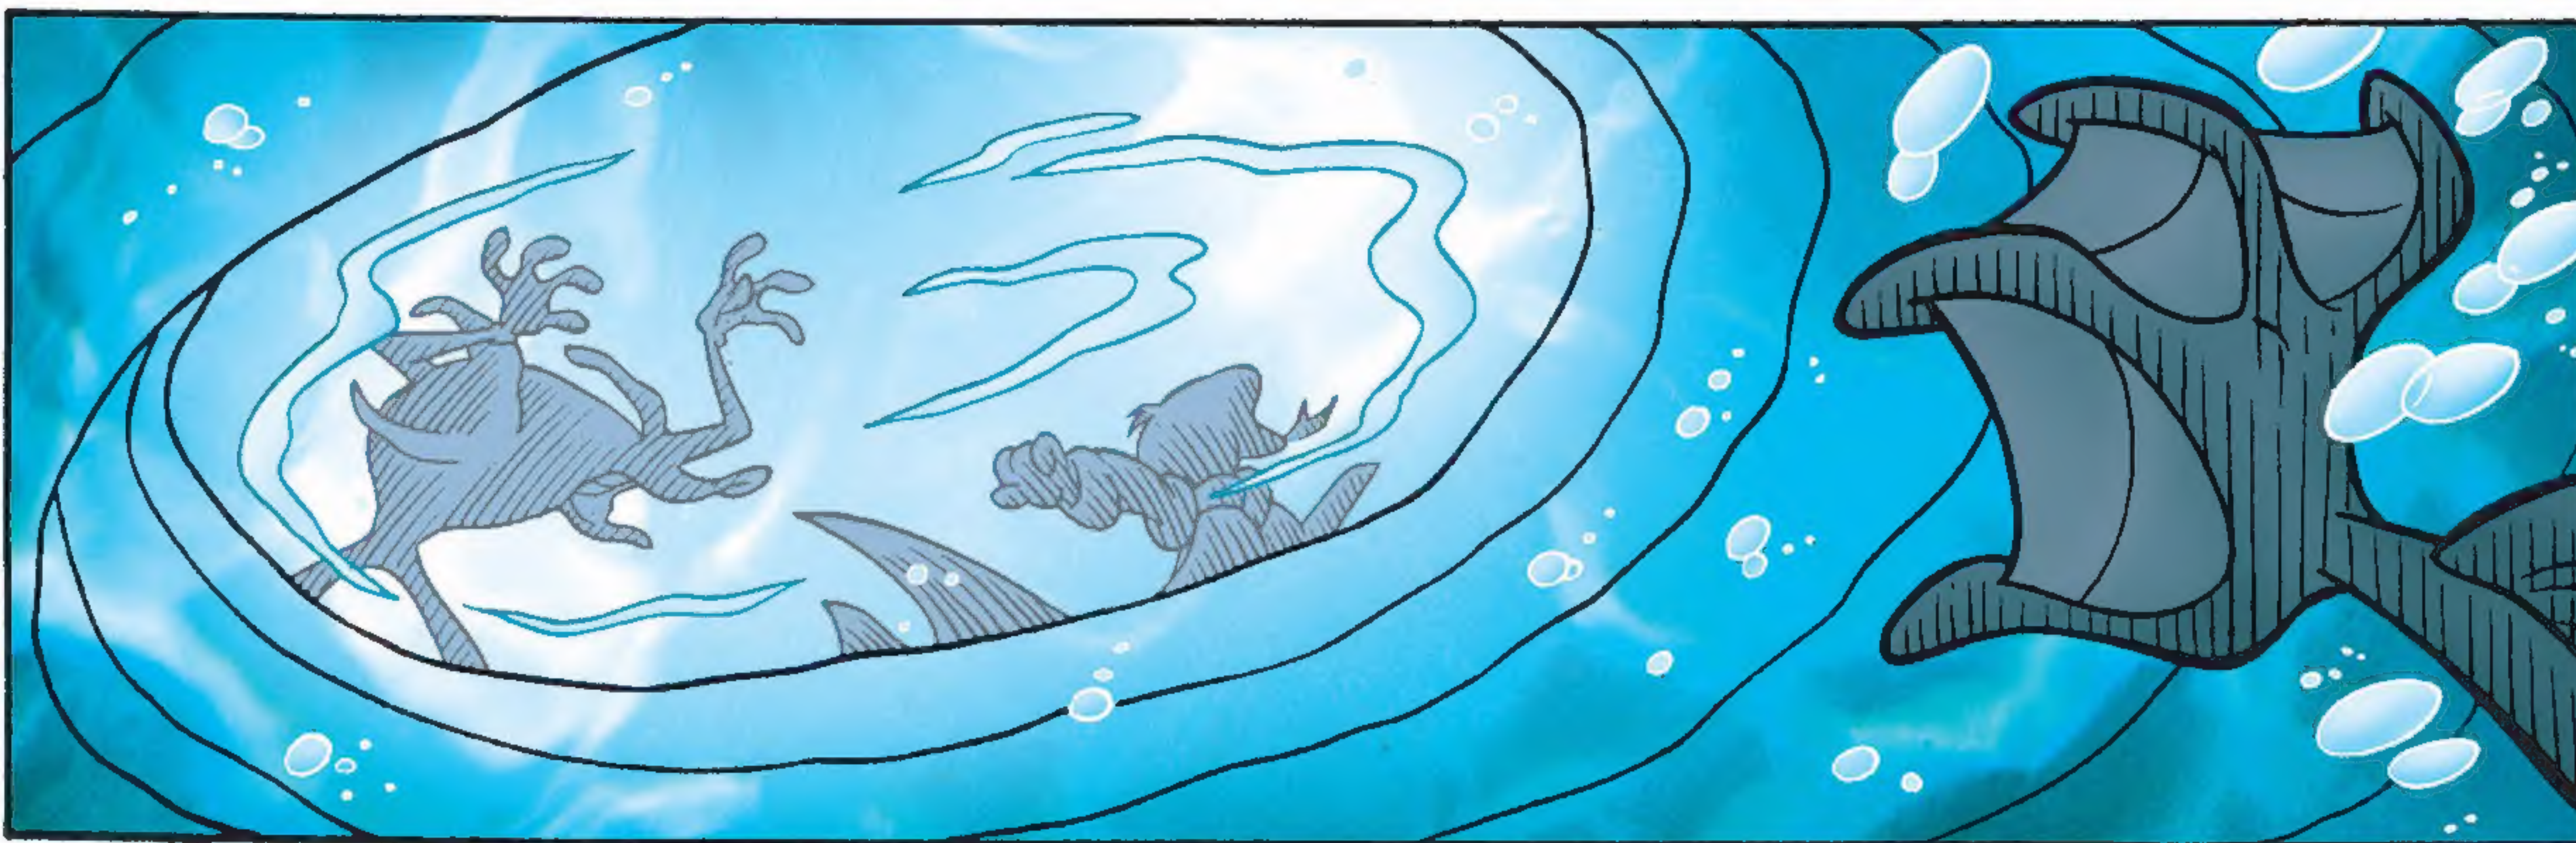

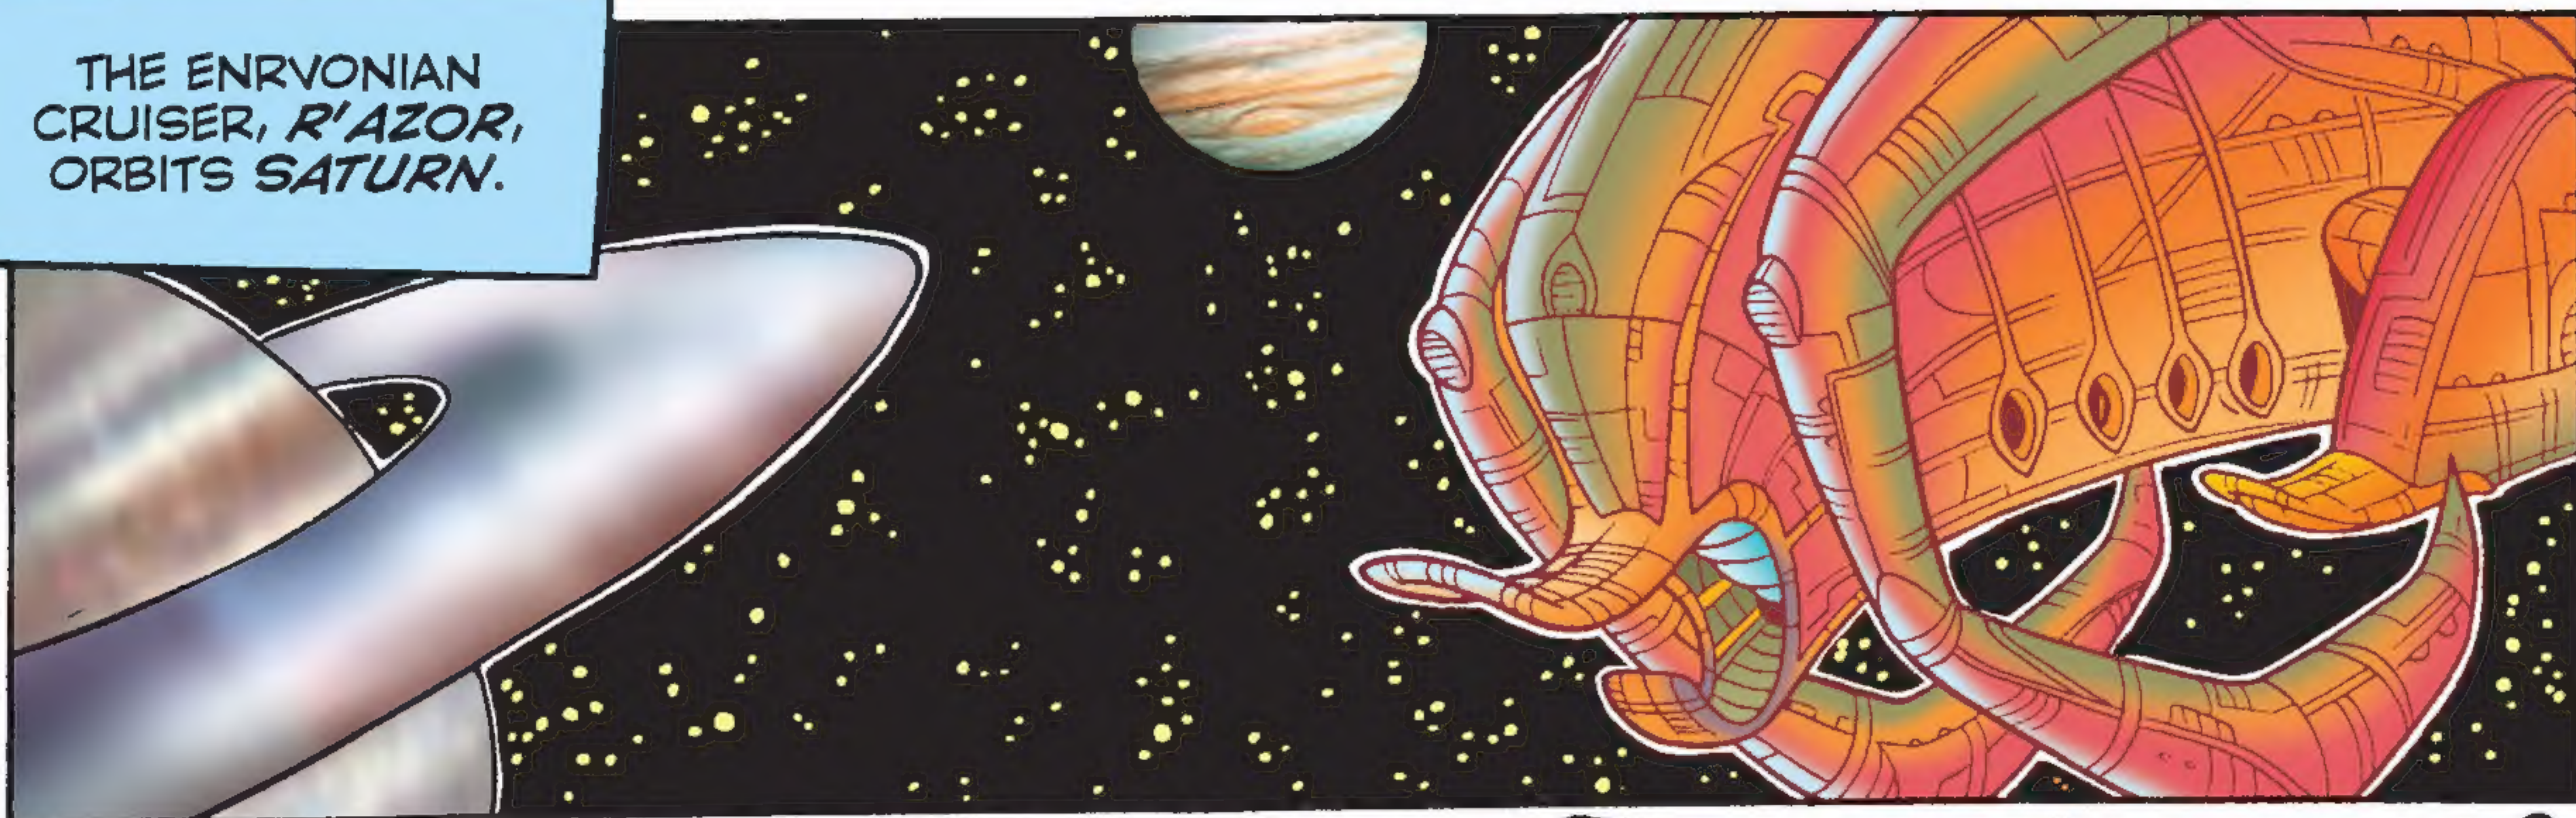

**IN A GALAXY
FAR AWAY**

ISSUE **06**

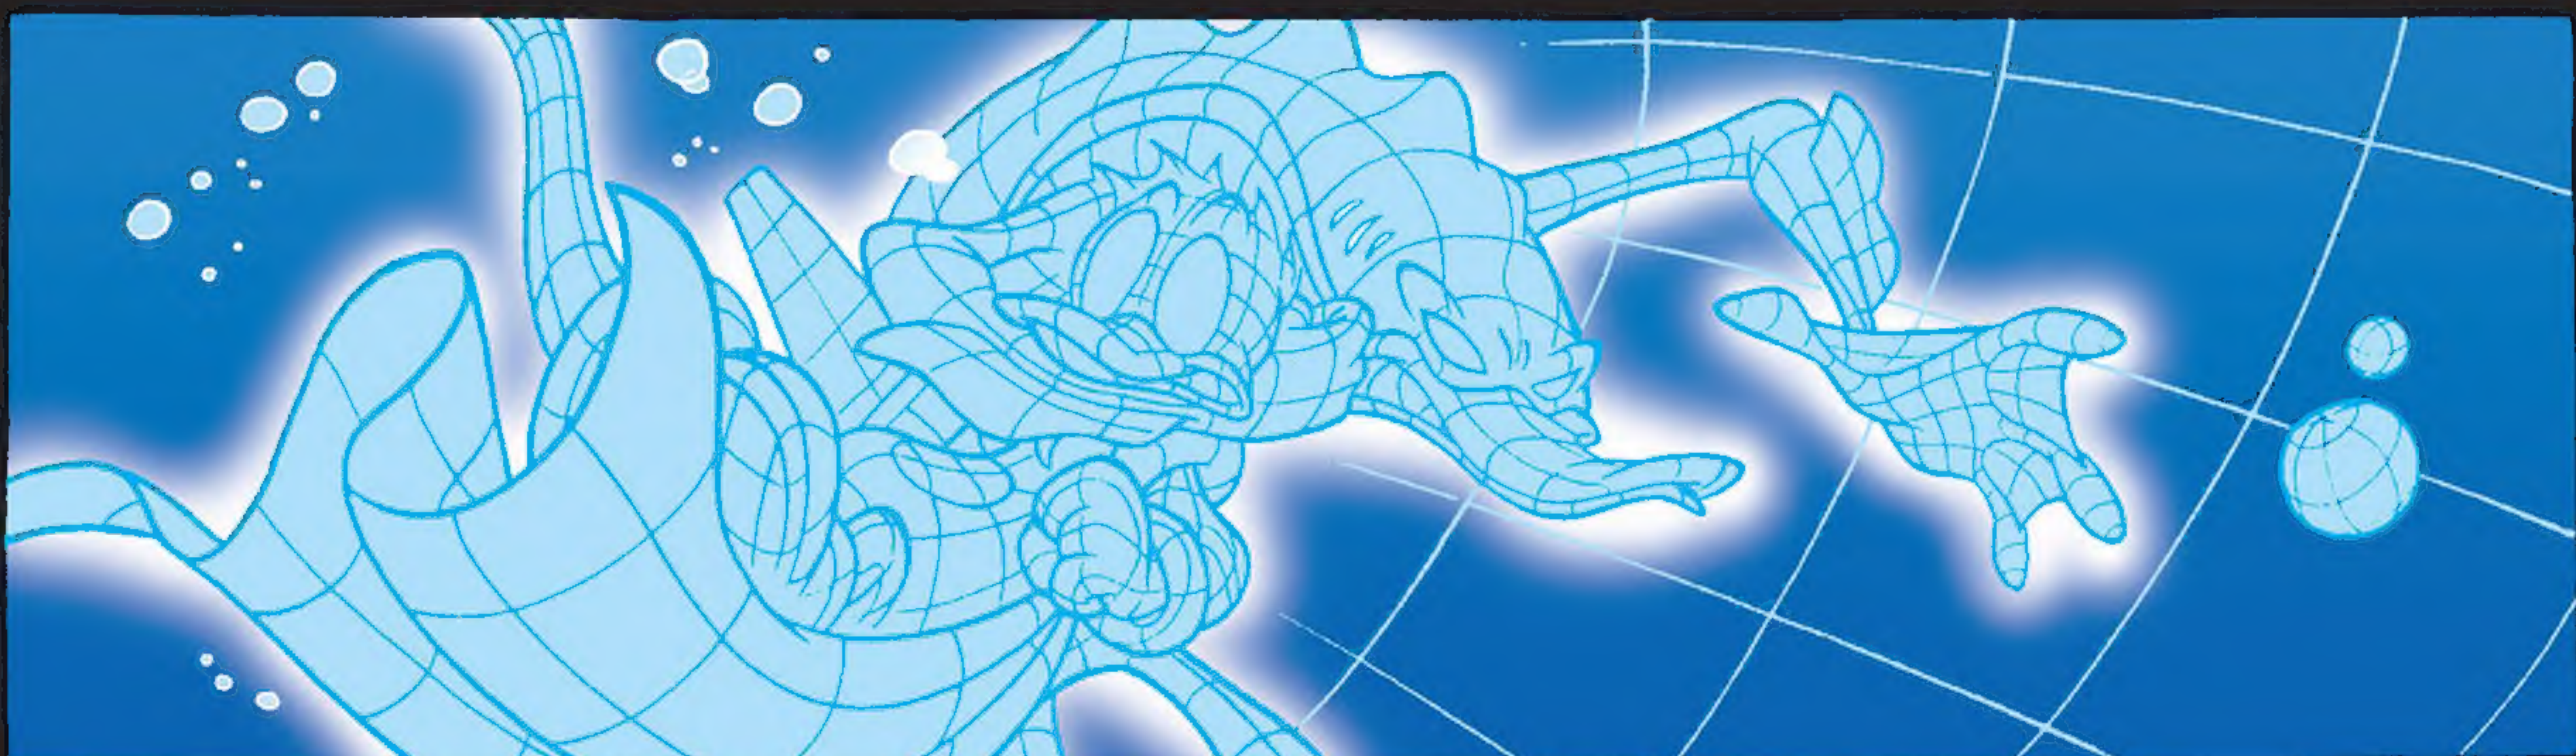

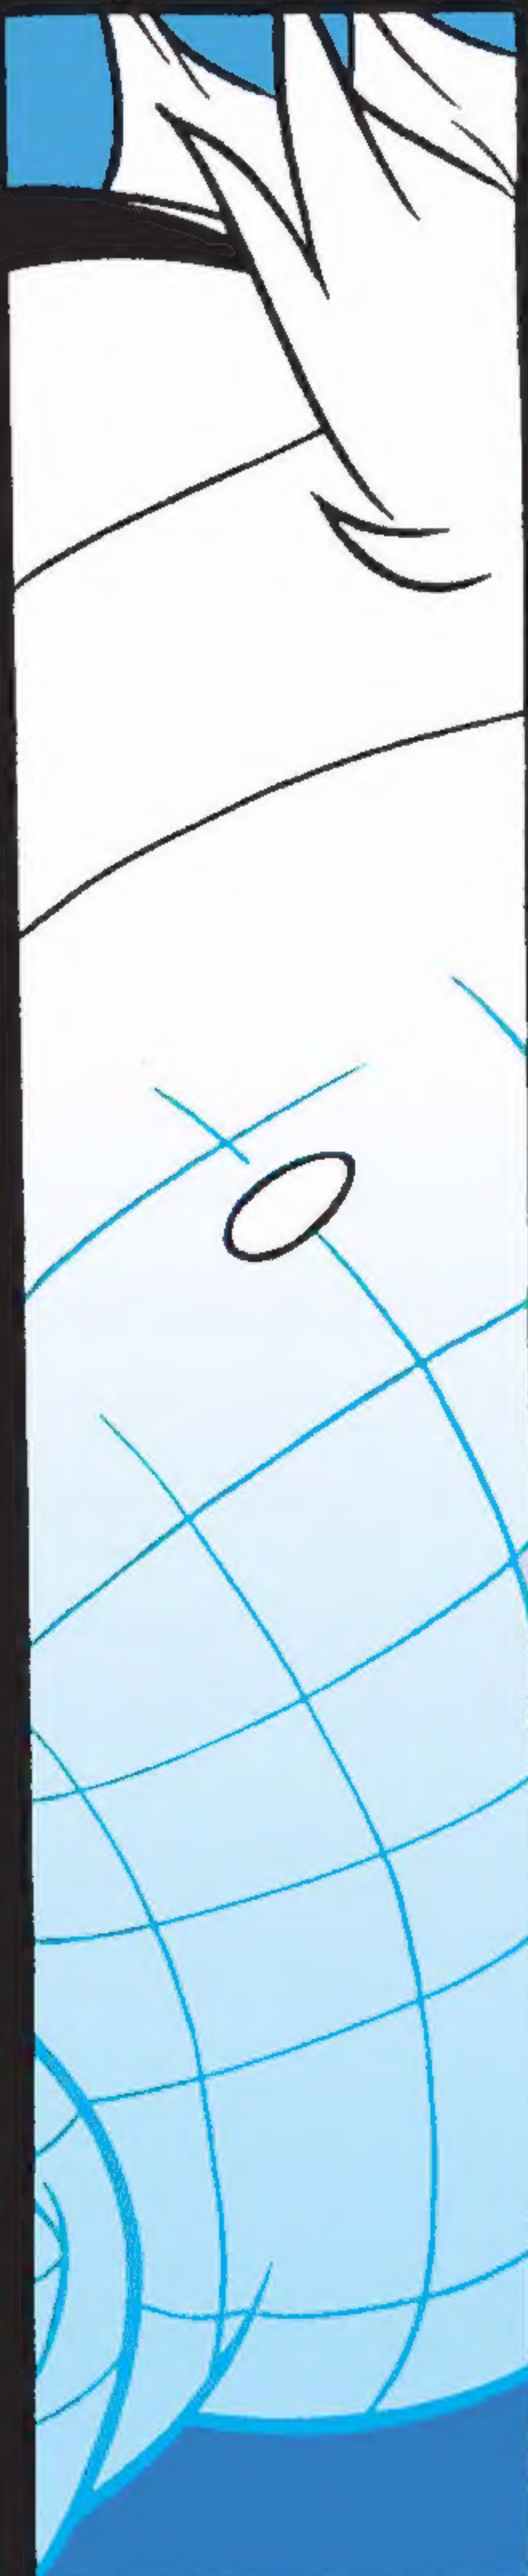

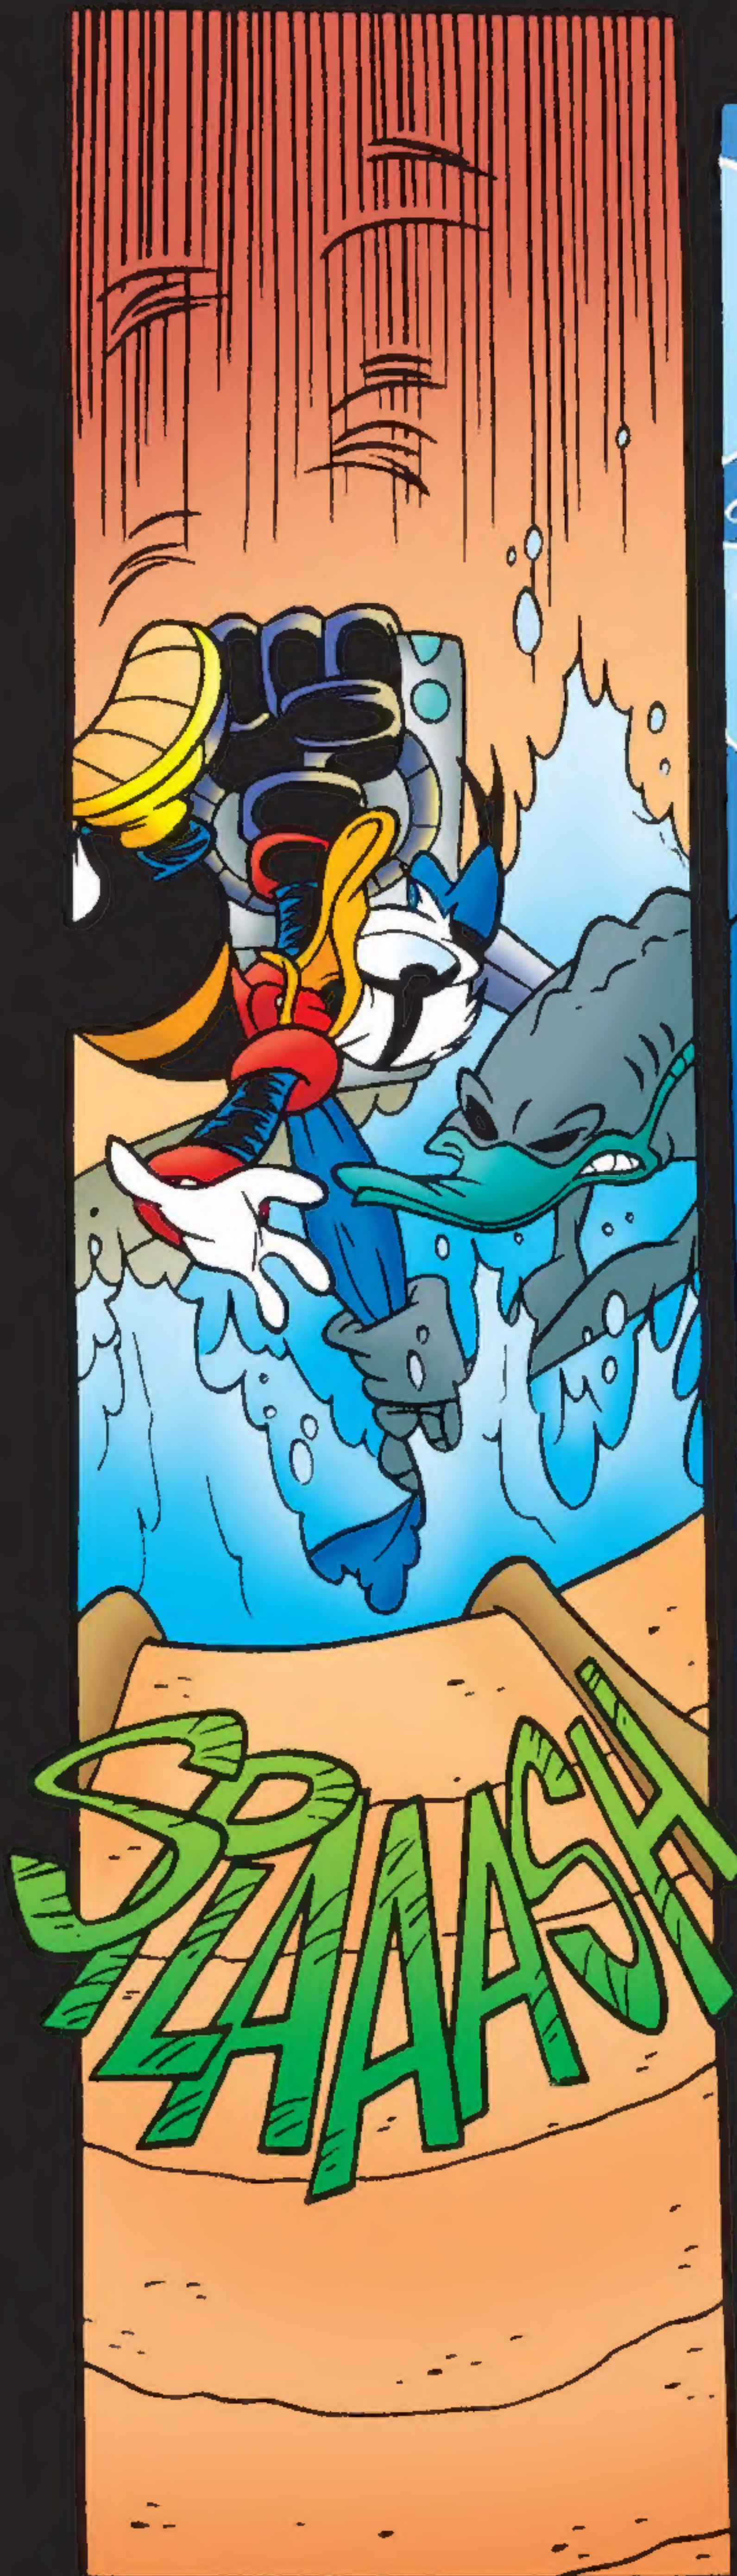

THE ENRVONIAN
CRUISER, R'AZOR,
ORBITS SATURN.

IN A GALAXY FAR AWAY

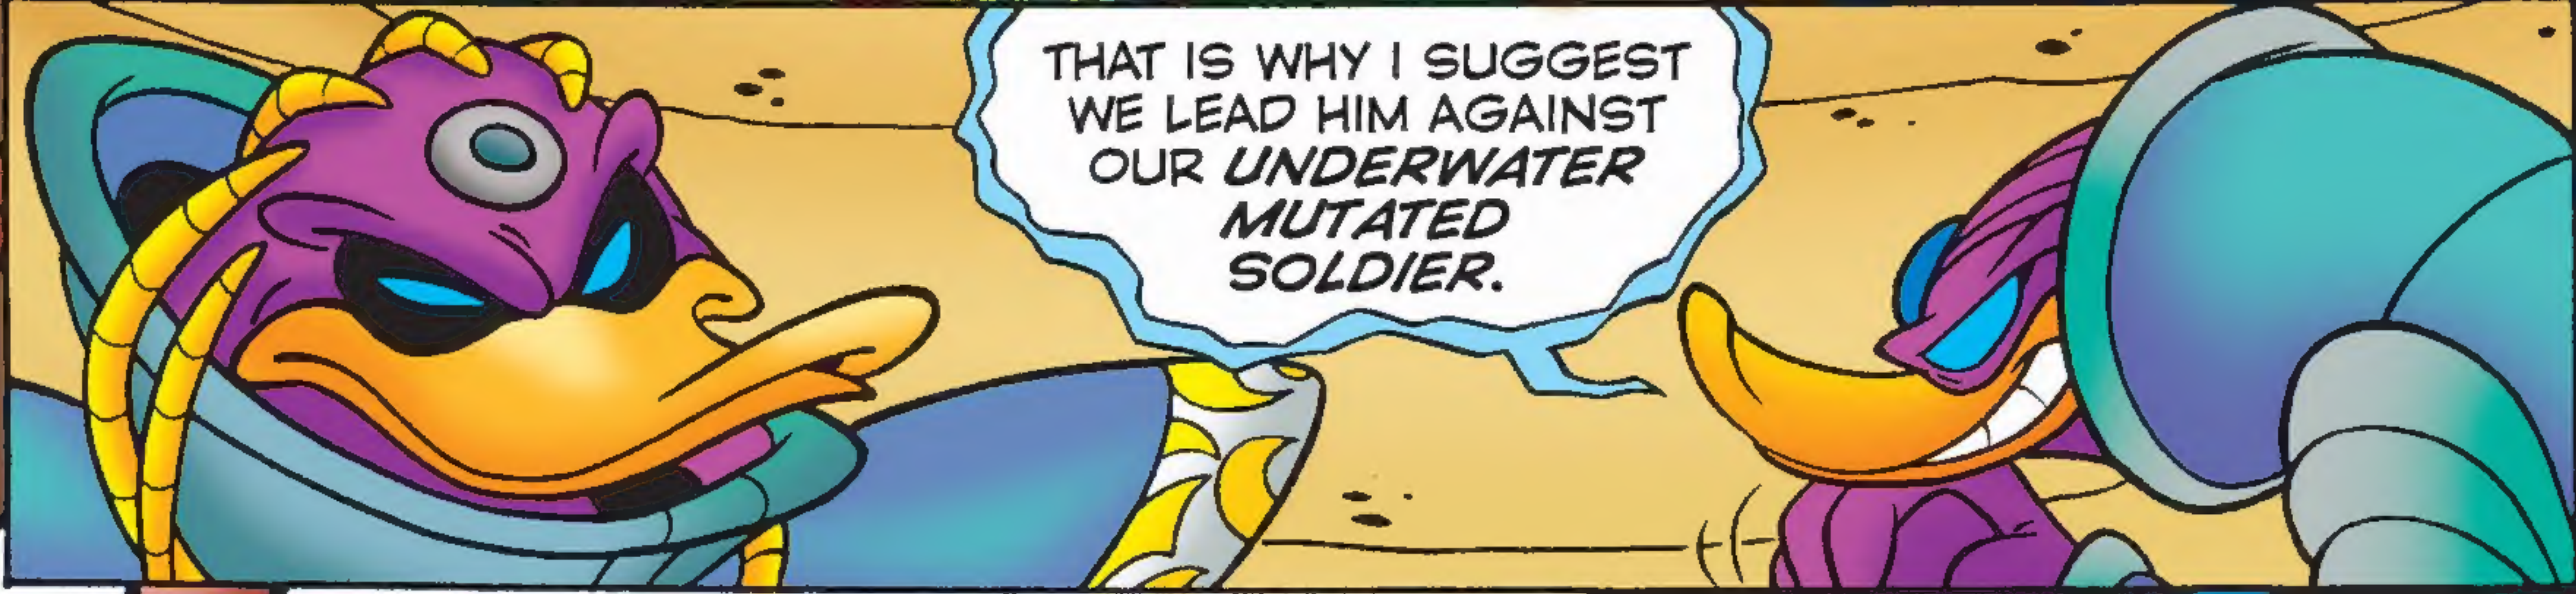

PERFECT. THE *SIMULATION* HAS DEMONSTRATED MY THEORY, COUNSELOR GHORTAN.

RIGHT. IT LOOKS LIKE THE *GALAXY GUARDIAN*, SUPER-DUCK, DOESN'T HAVE THE EQUIPMENT TO FIGHT UNDERWATER.

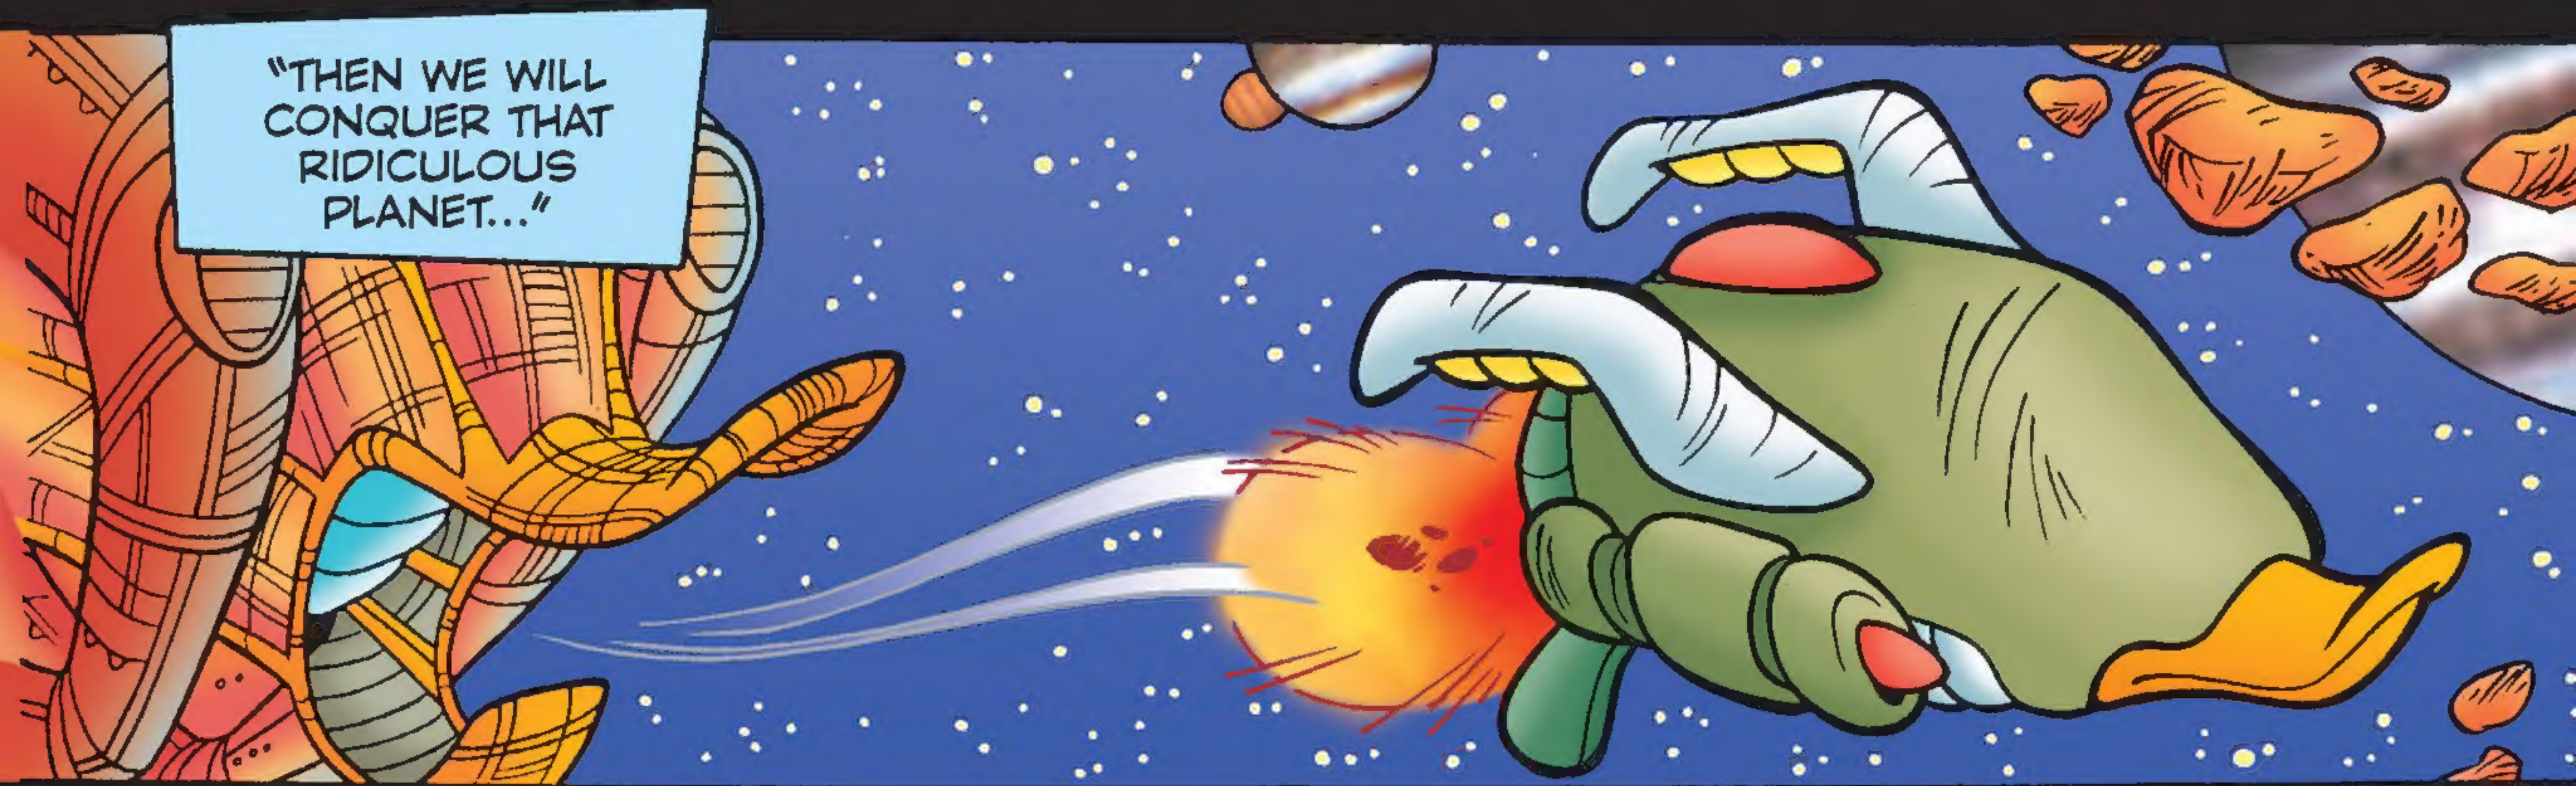

THAT IS WHY I SUGGEST WE LEAD HIM AGAINST OUR *UNDERWATER MUTATED SOLDIER*.

WE COULD THROW HIM INTO THE DUNDAIN COLUMN. IT'S JUST A HYPER-SPACIAL JUMP FROM HERE.

ALRIGHT, ZONDAG, BUT GO QUICKLY. I WANT TO *CRUSH* THAT ANNOYING EARTHLING SUPERHERO AS SOON AS POSSIBLE...

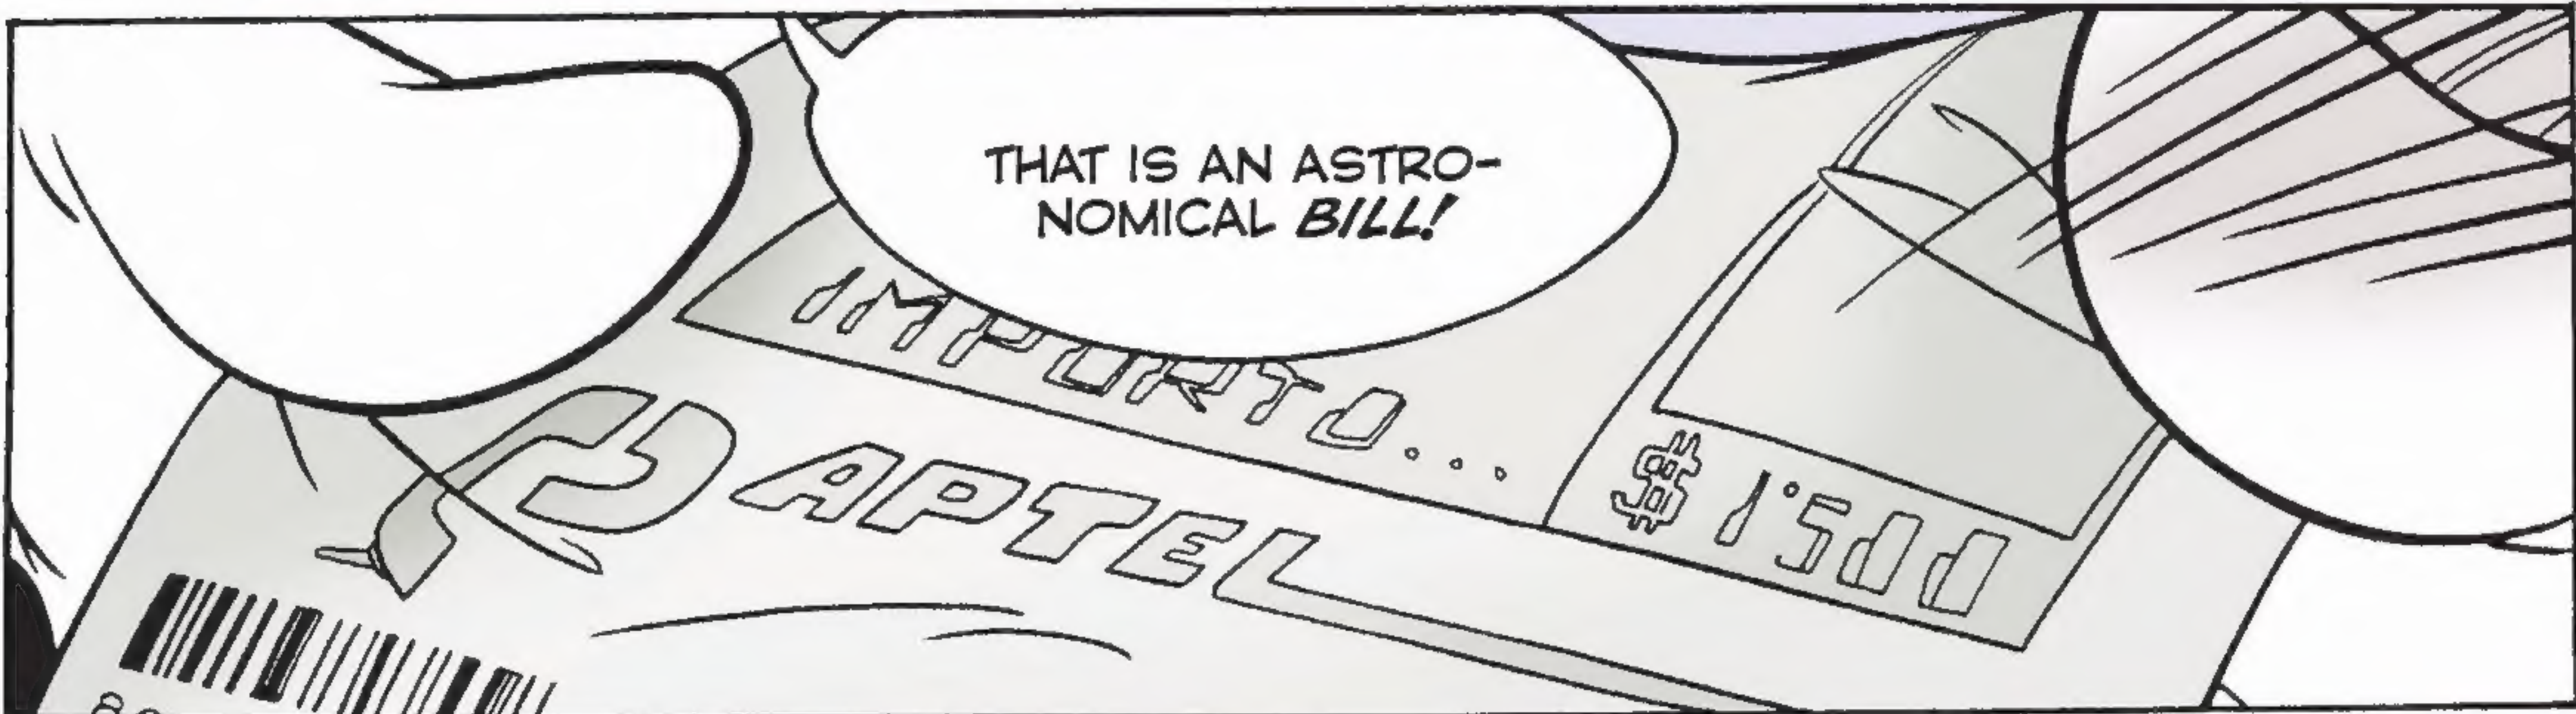

"THEN WE WILL CONQUER THAT RIDICULOUS PLANET..."

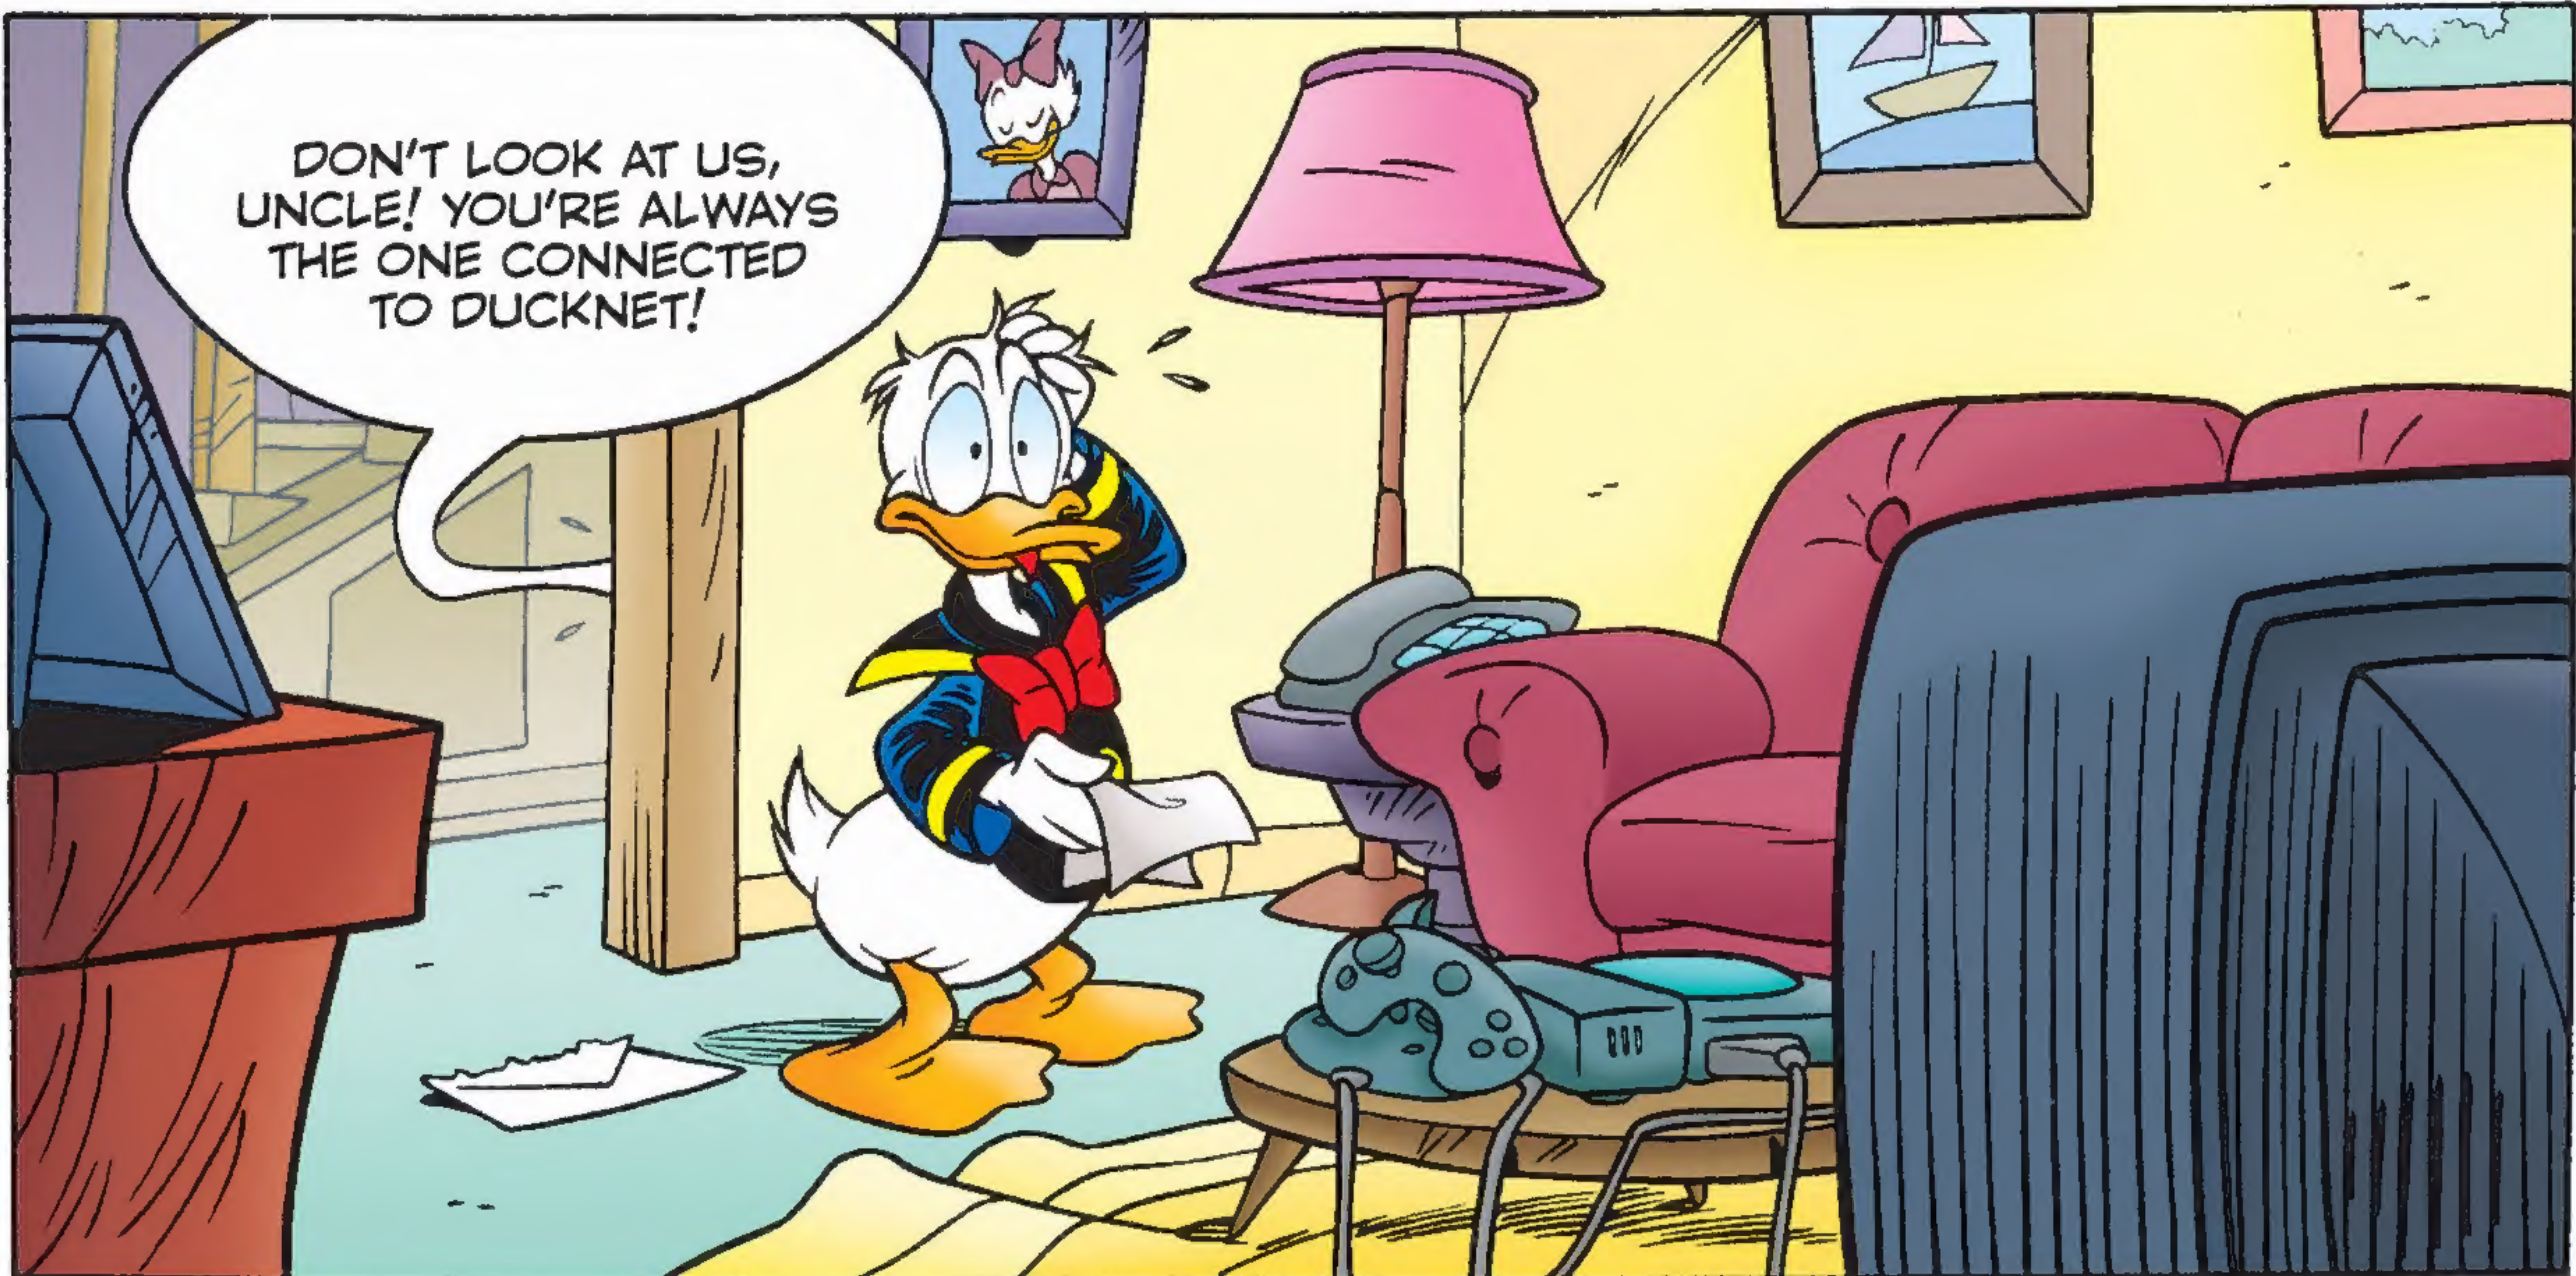

"... AND IT WILL BE SUCH FUN TO LISTEN TO THE CRIES OF TERROR FROM EARTH'S INHABITANTS!"

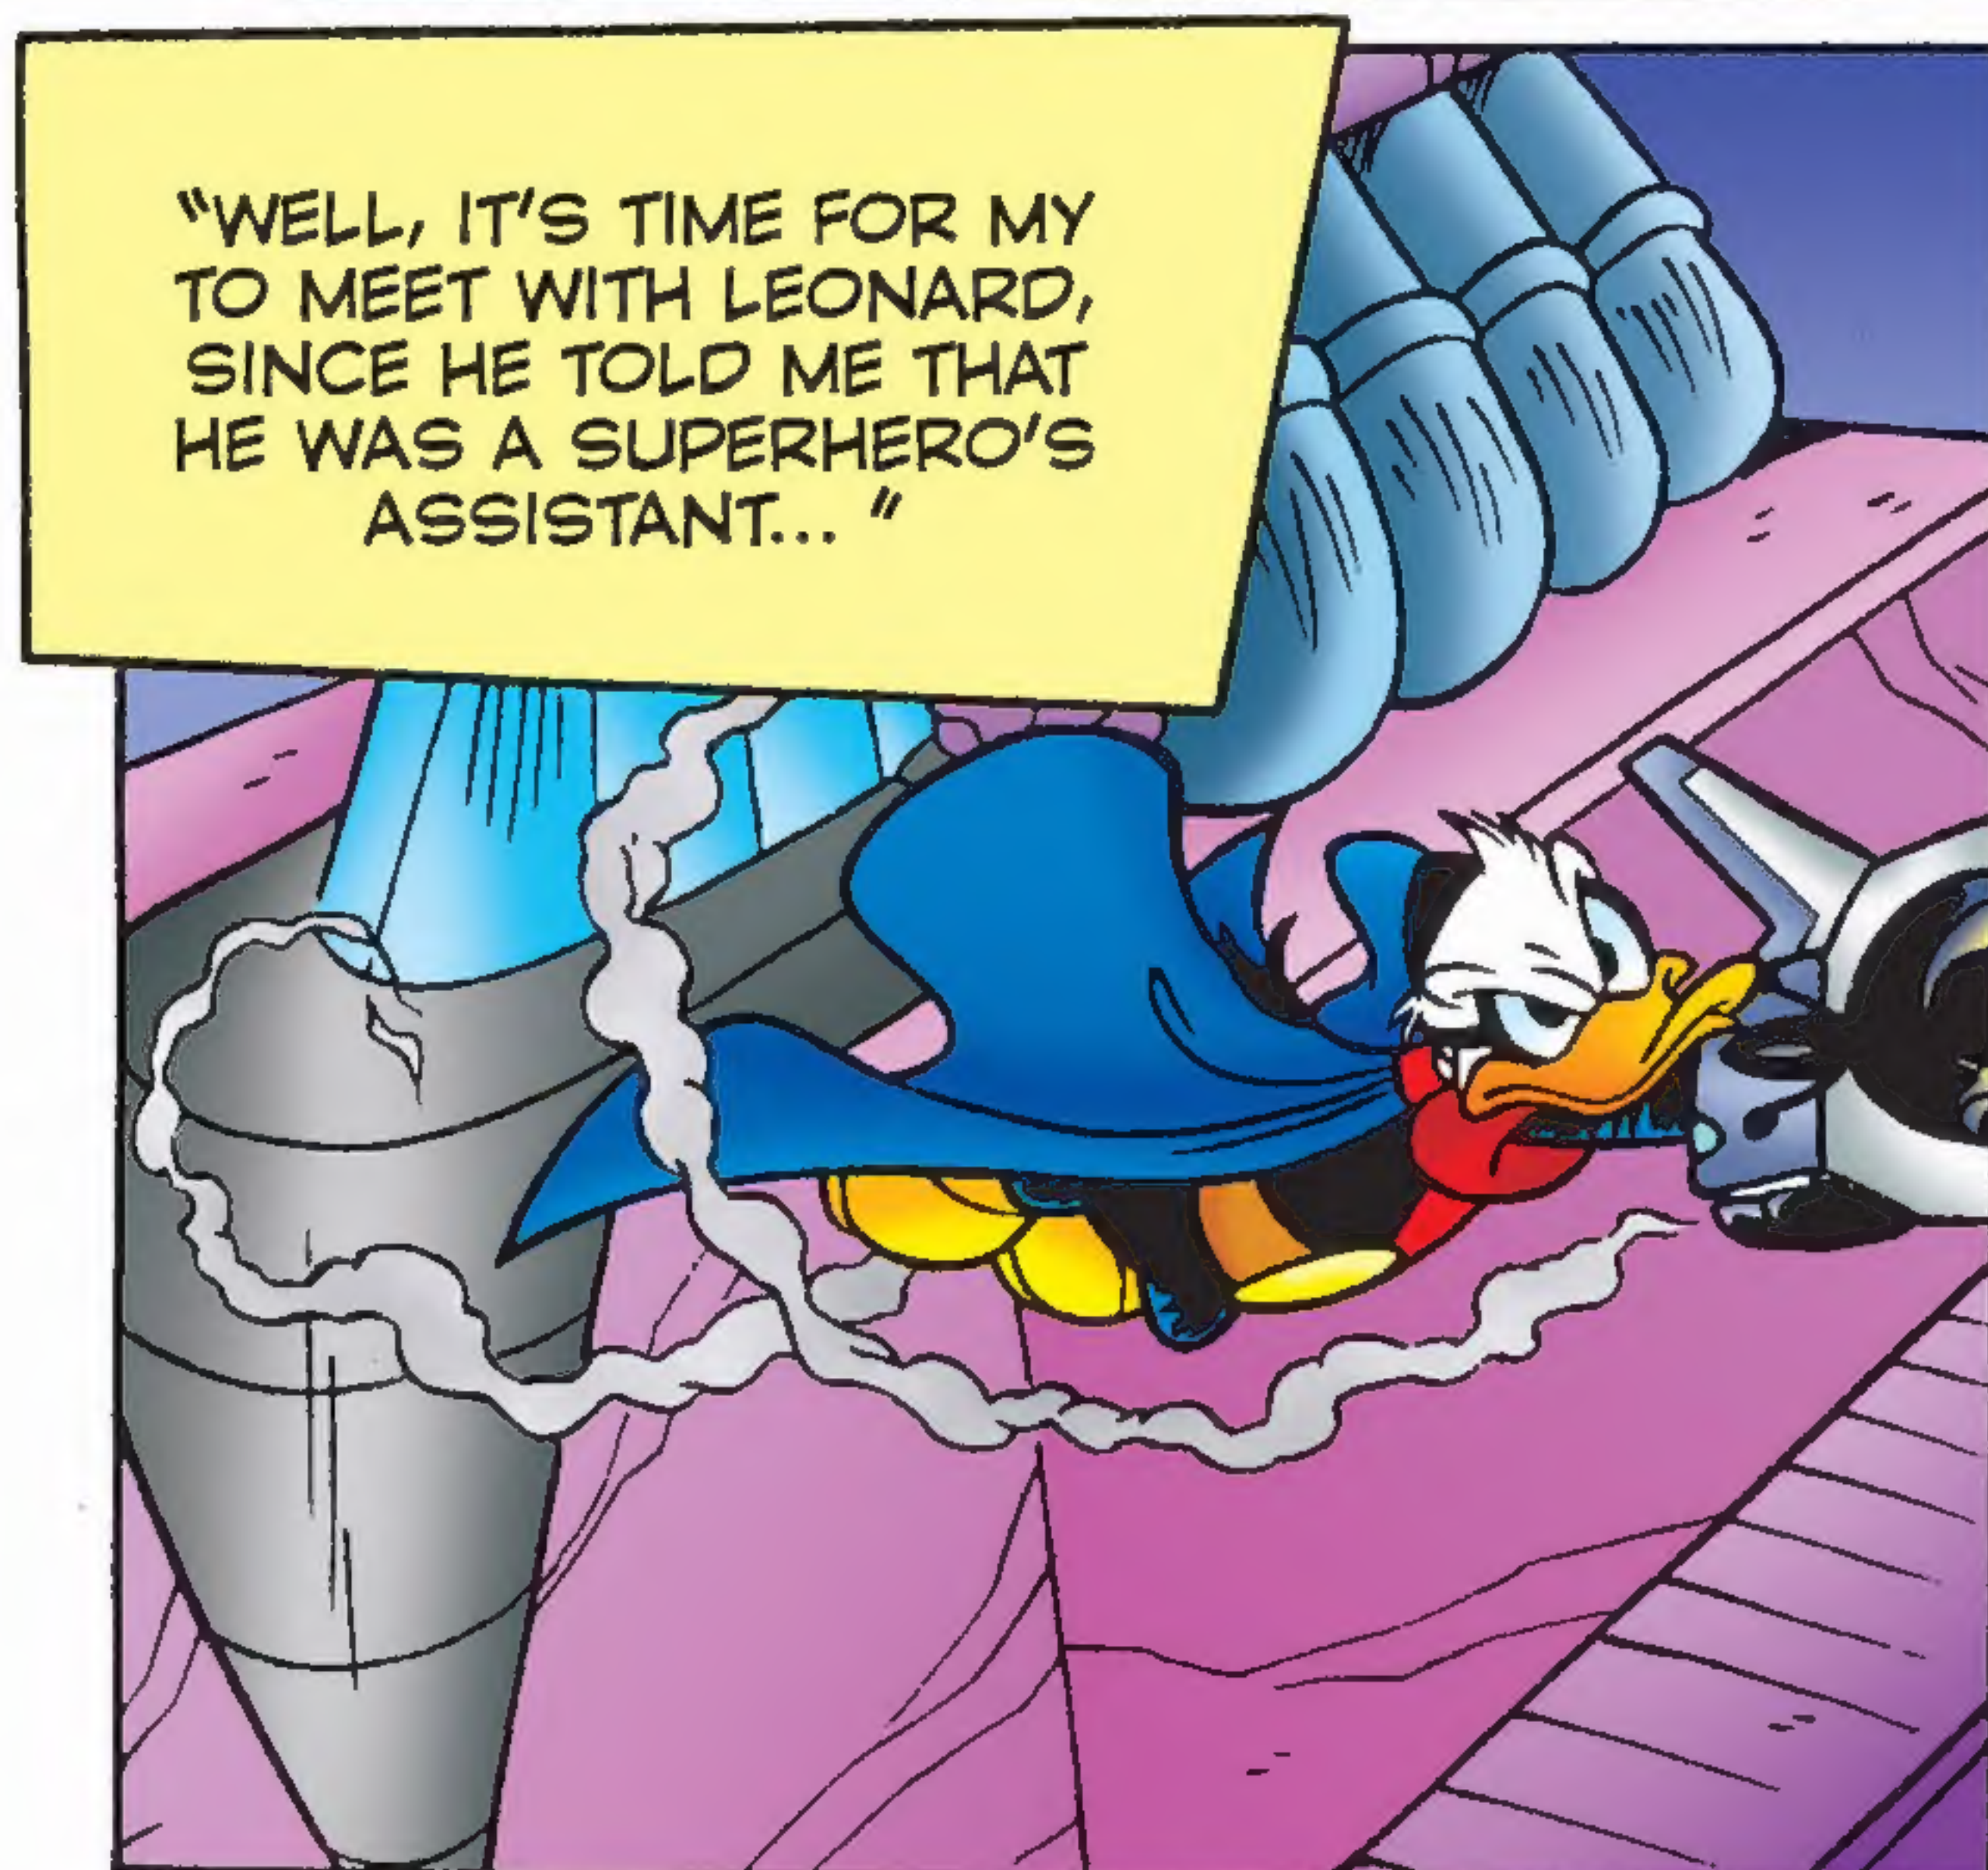

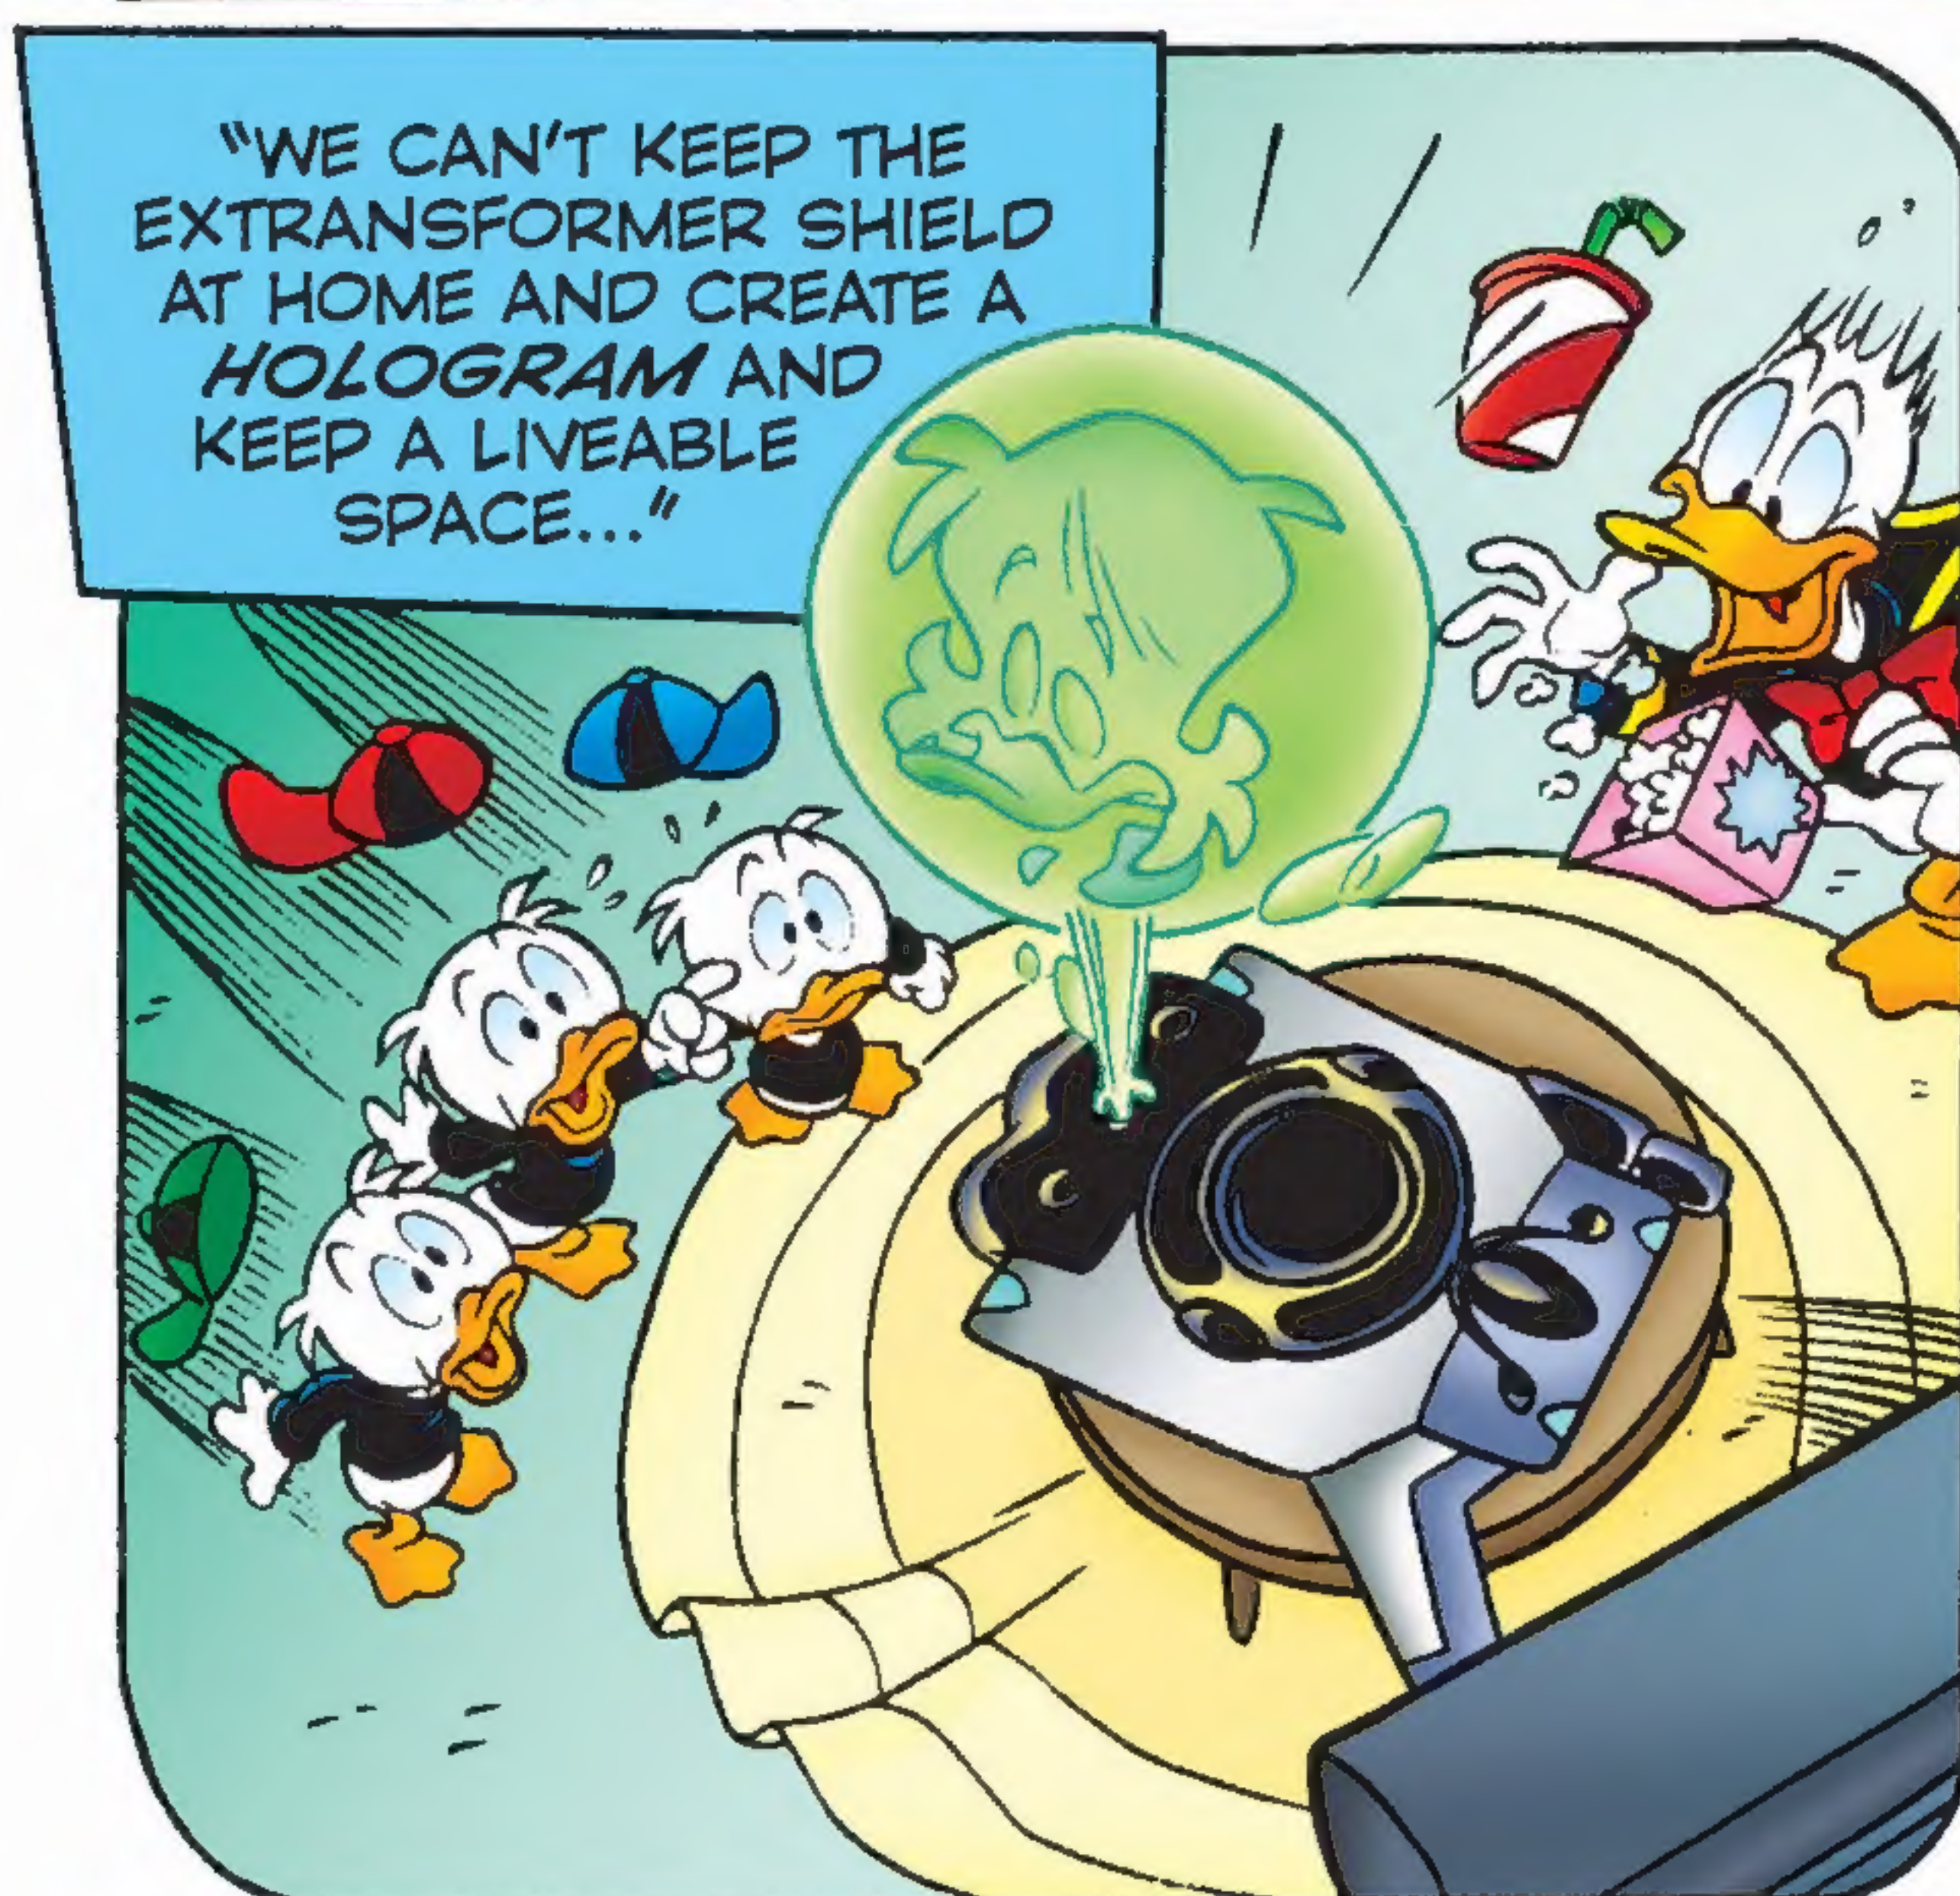

AAAAH!

THAT IS AN ASTRO-NOMICAL BILL!

DON'T LOOK AT US, UNCLE! YOU'RE ALWAYS THE ONE CONNECTED TO DUCKNET!

"WHO KNOWS HE
DOESN'T HAVE SOME-
THING TO RESOLVE
MY PROBLEM!"

LEONARD?

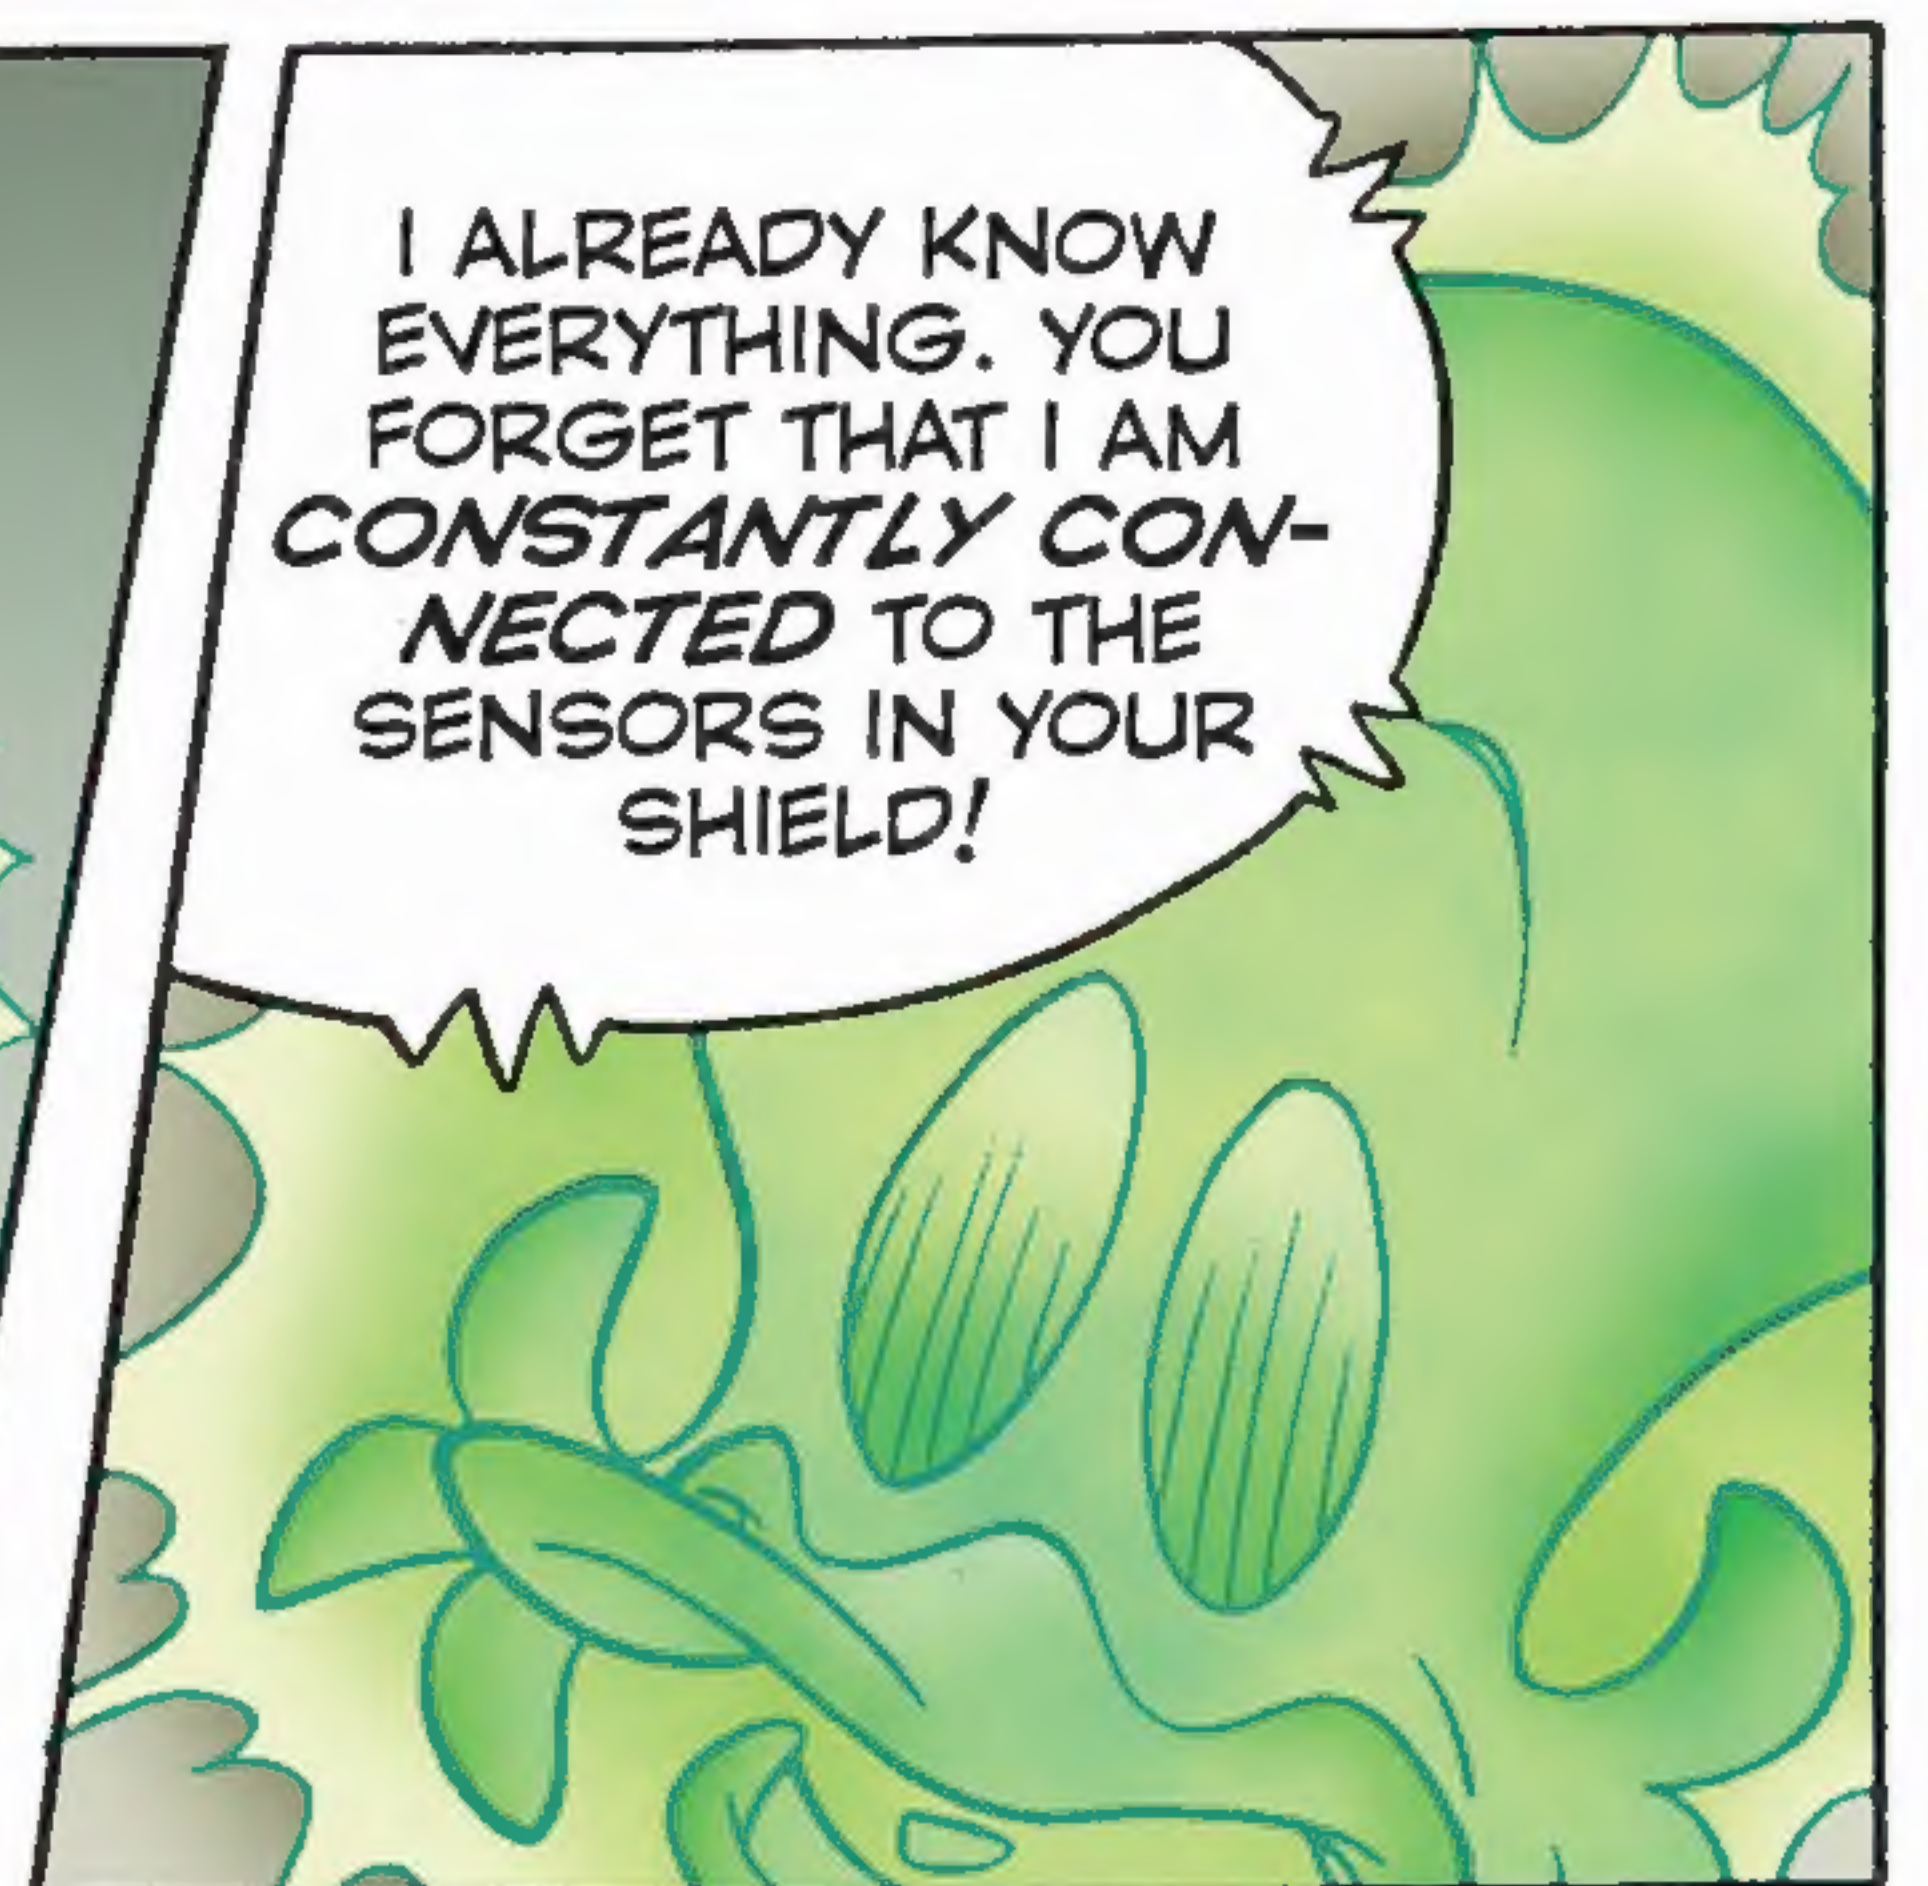

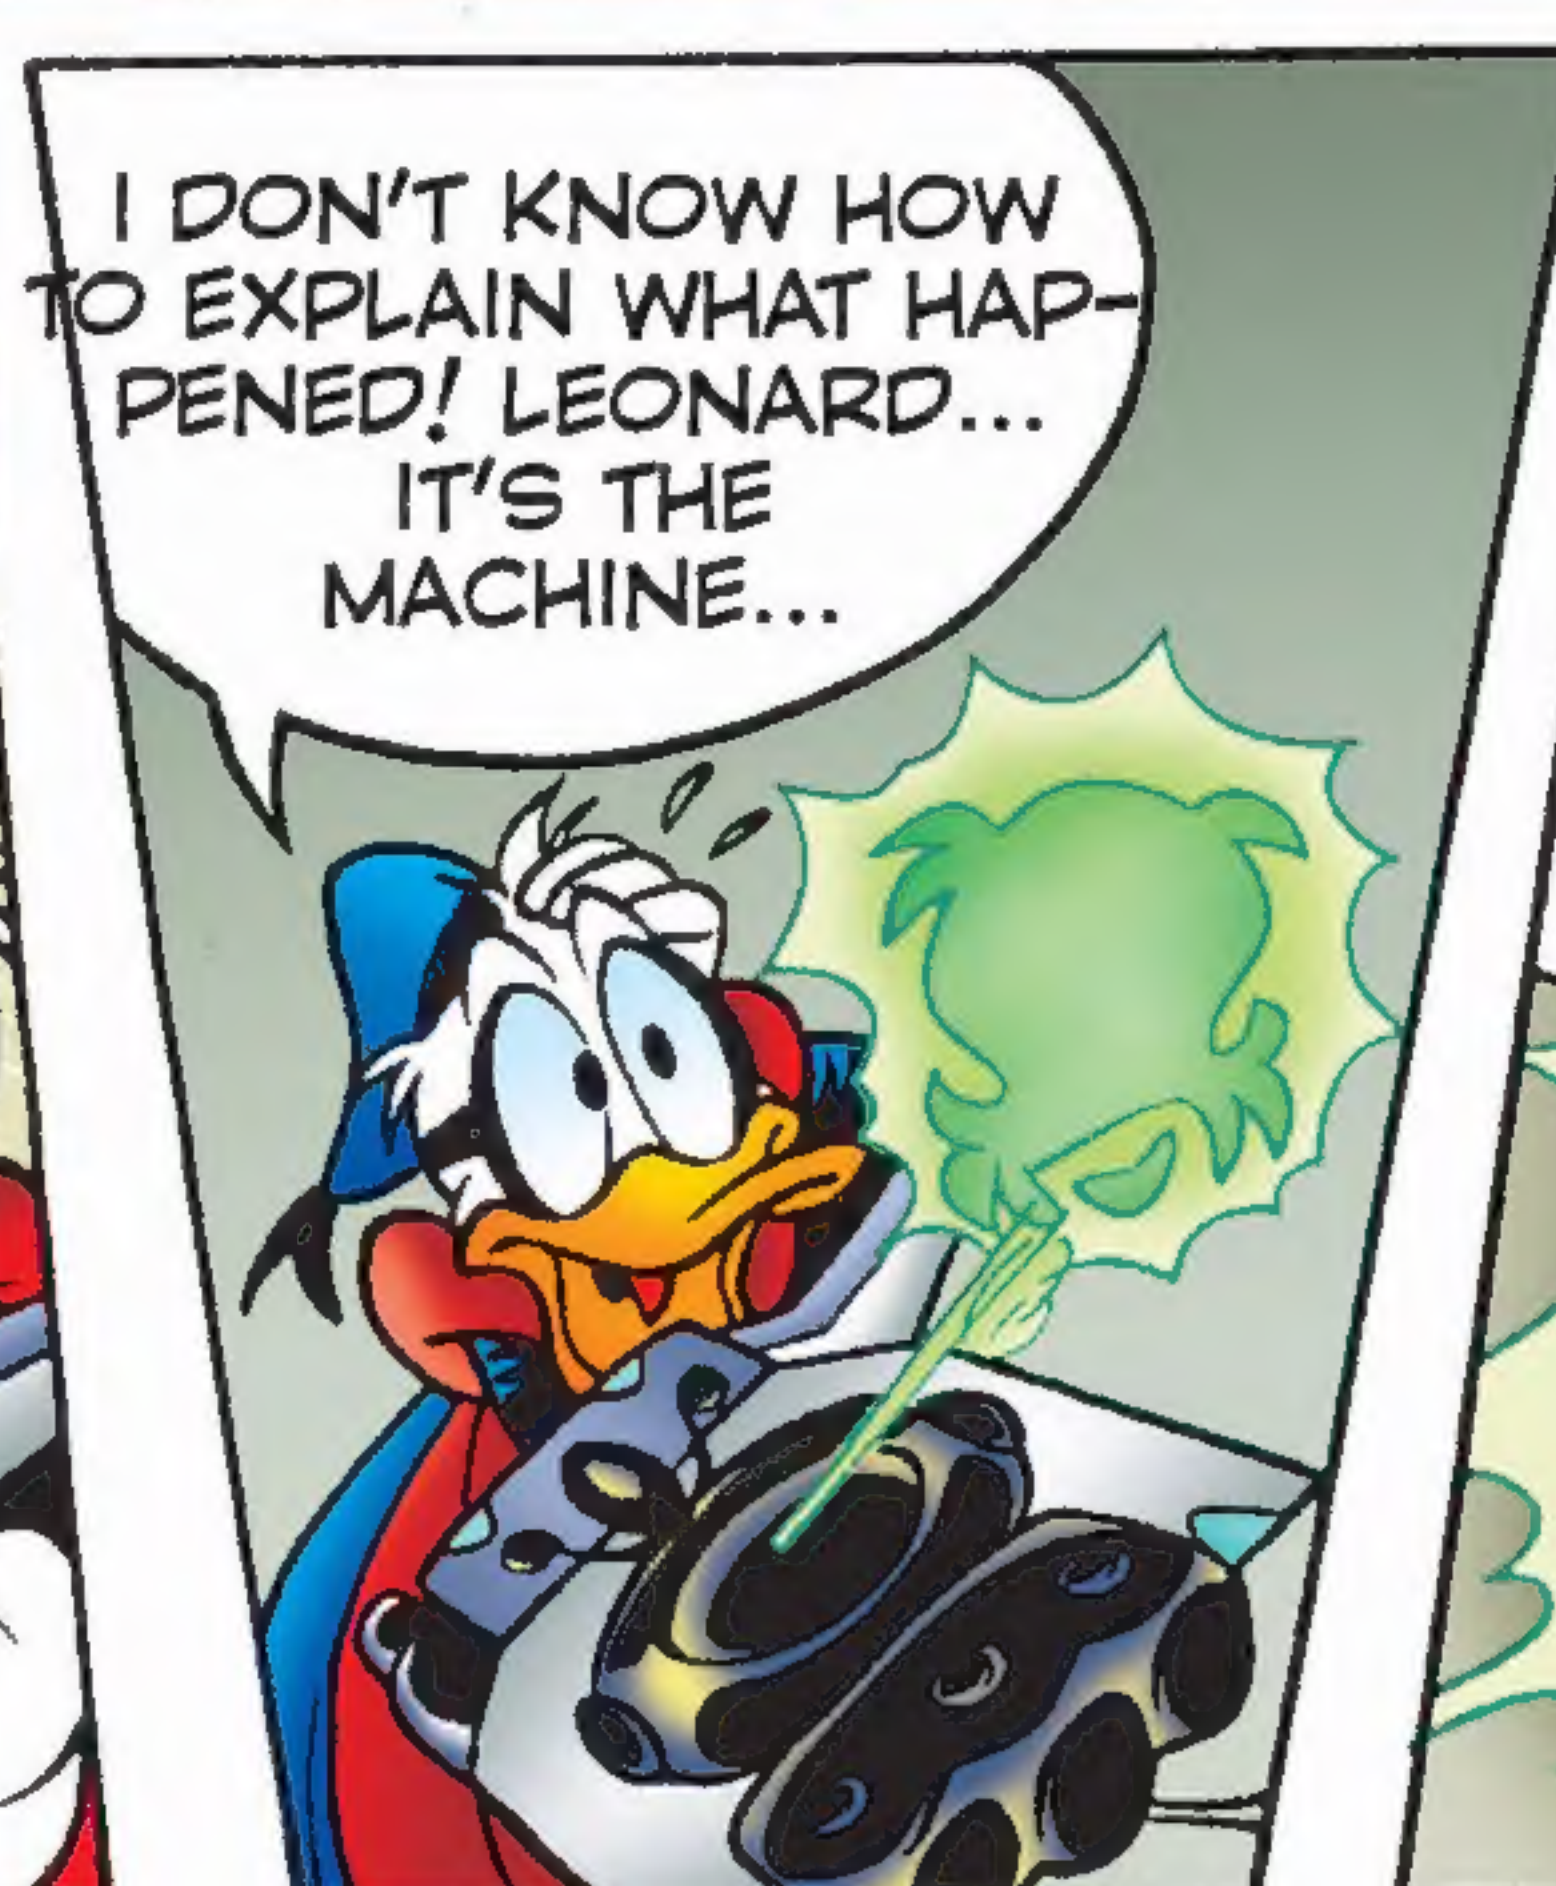

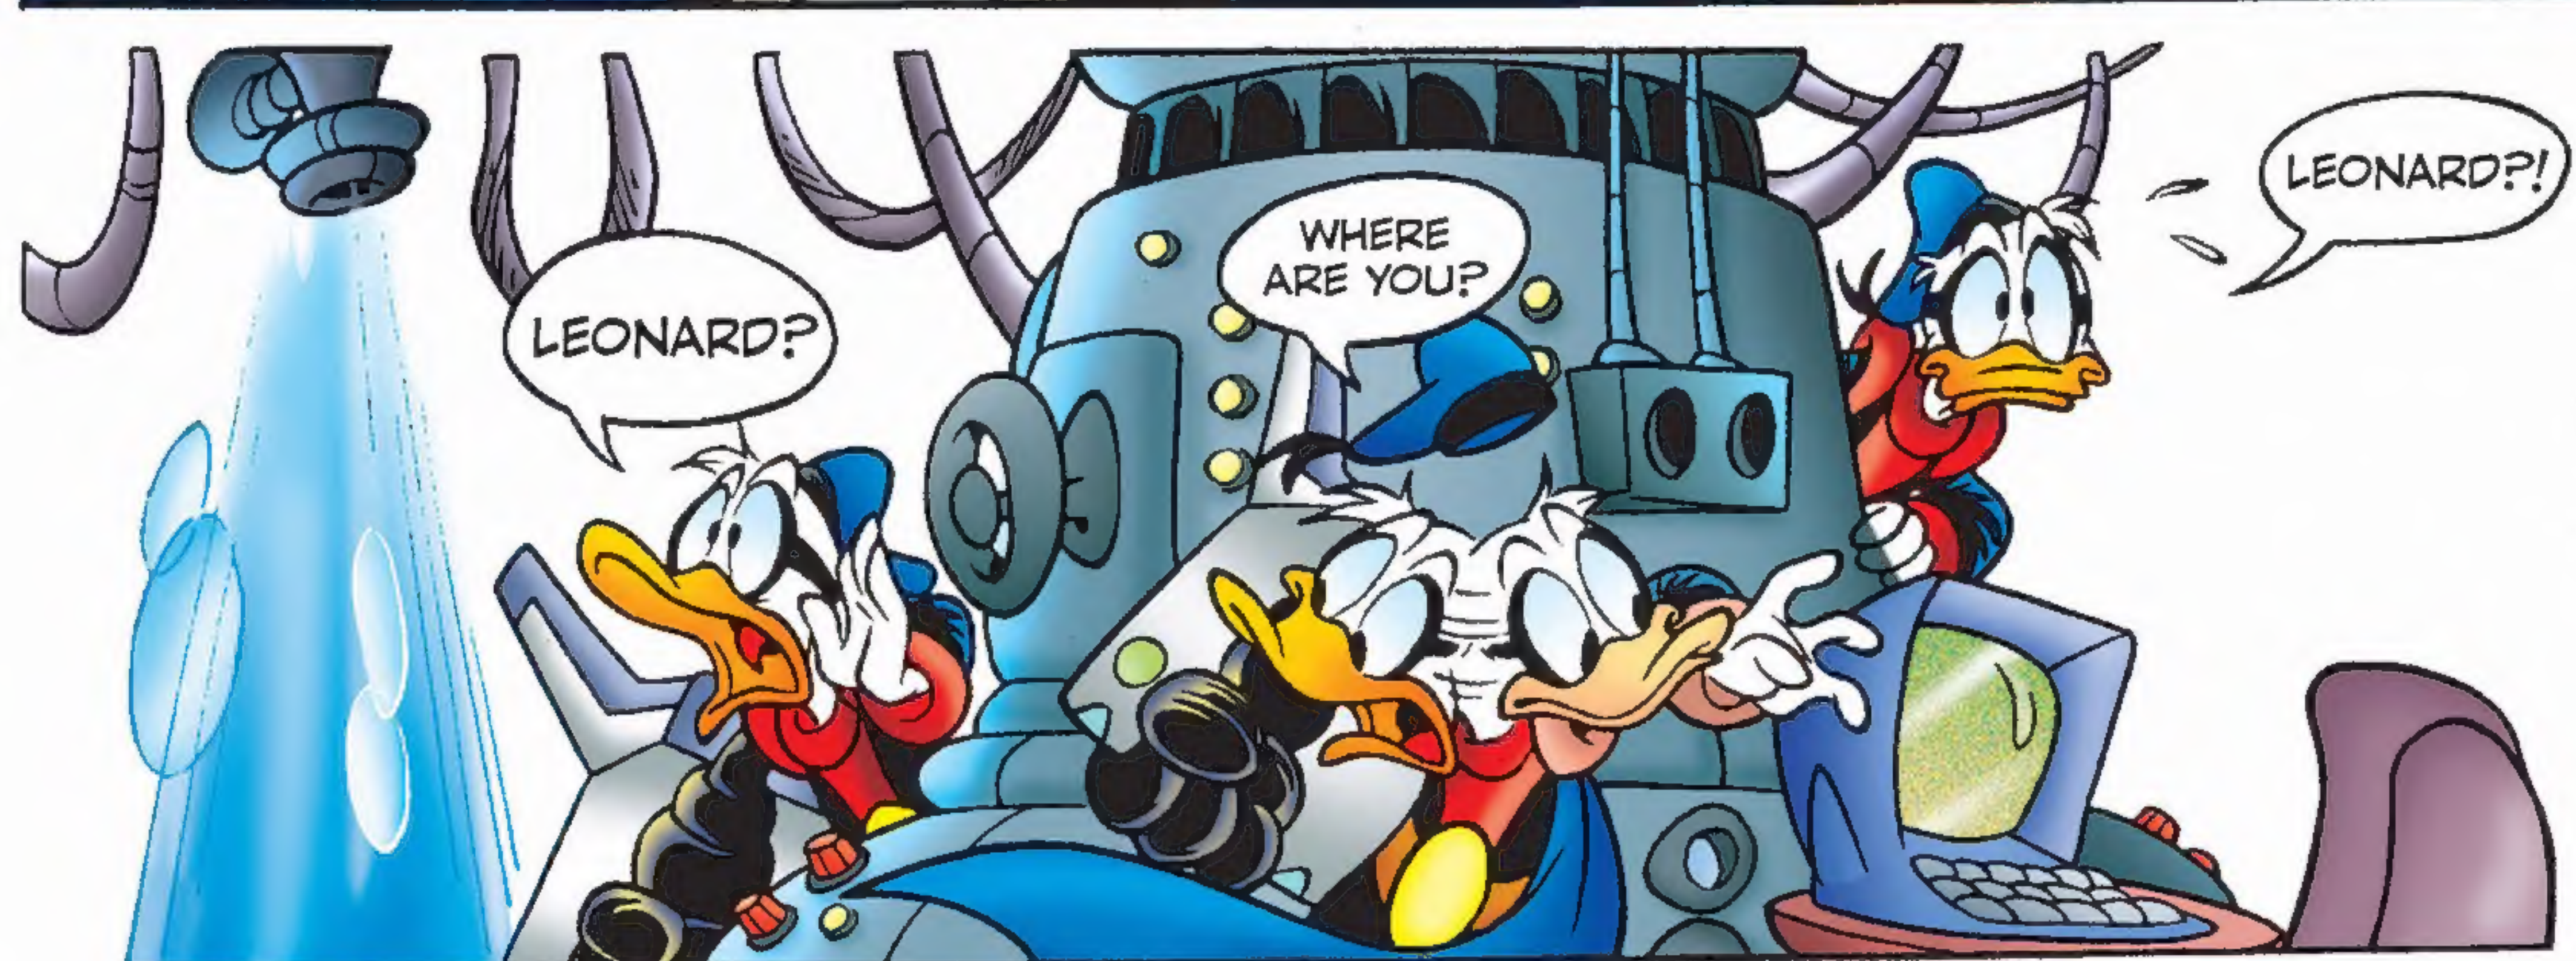

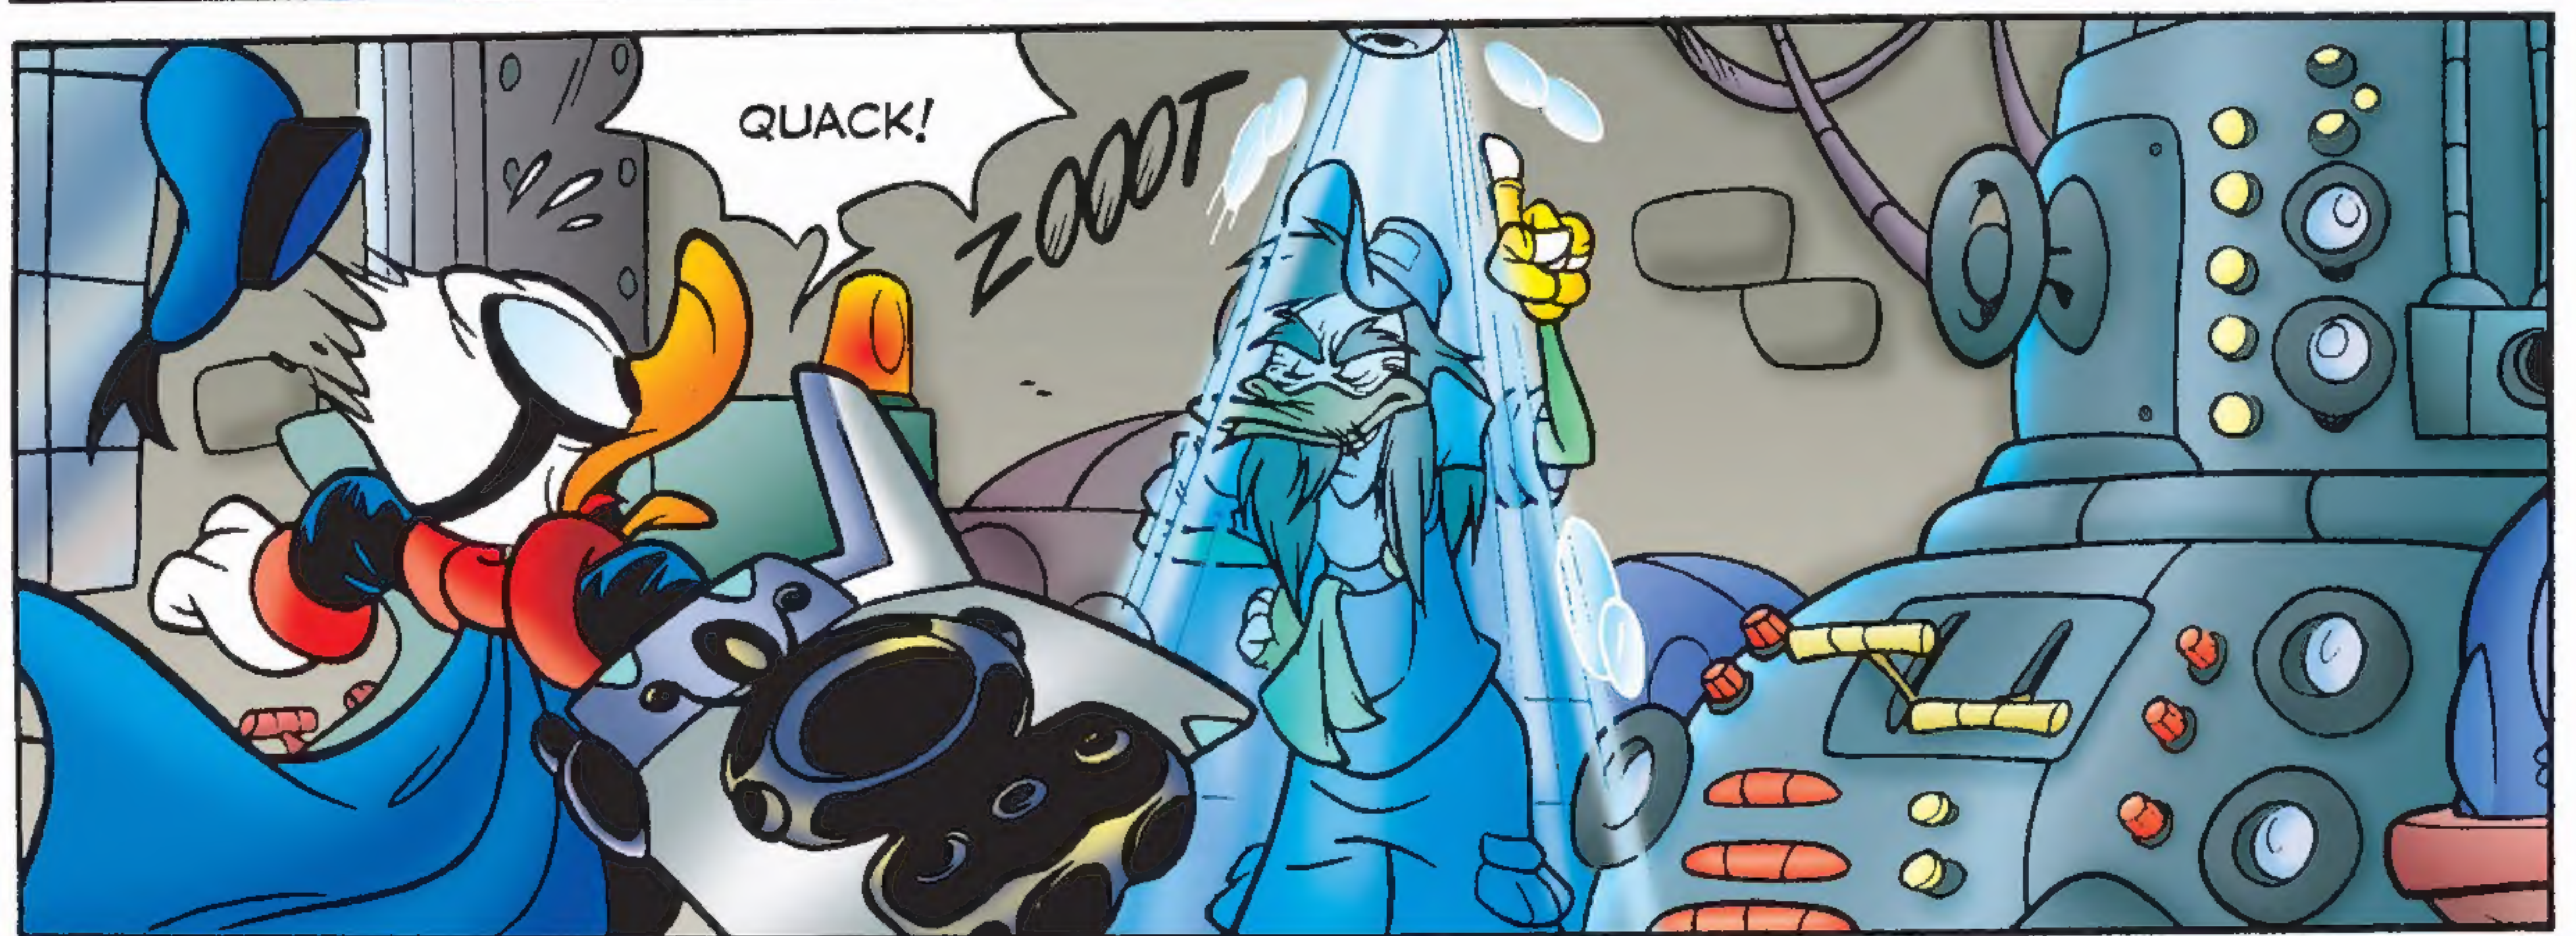

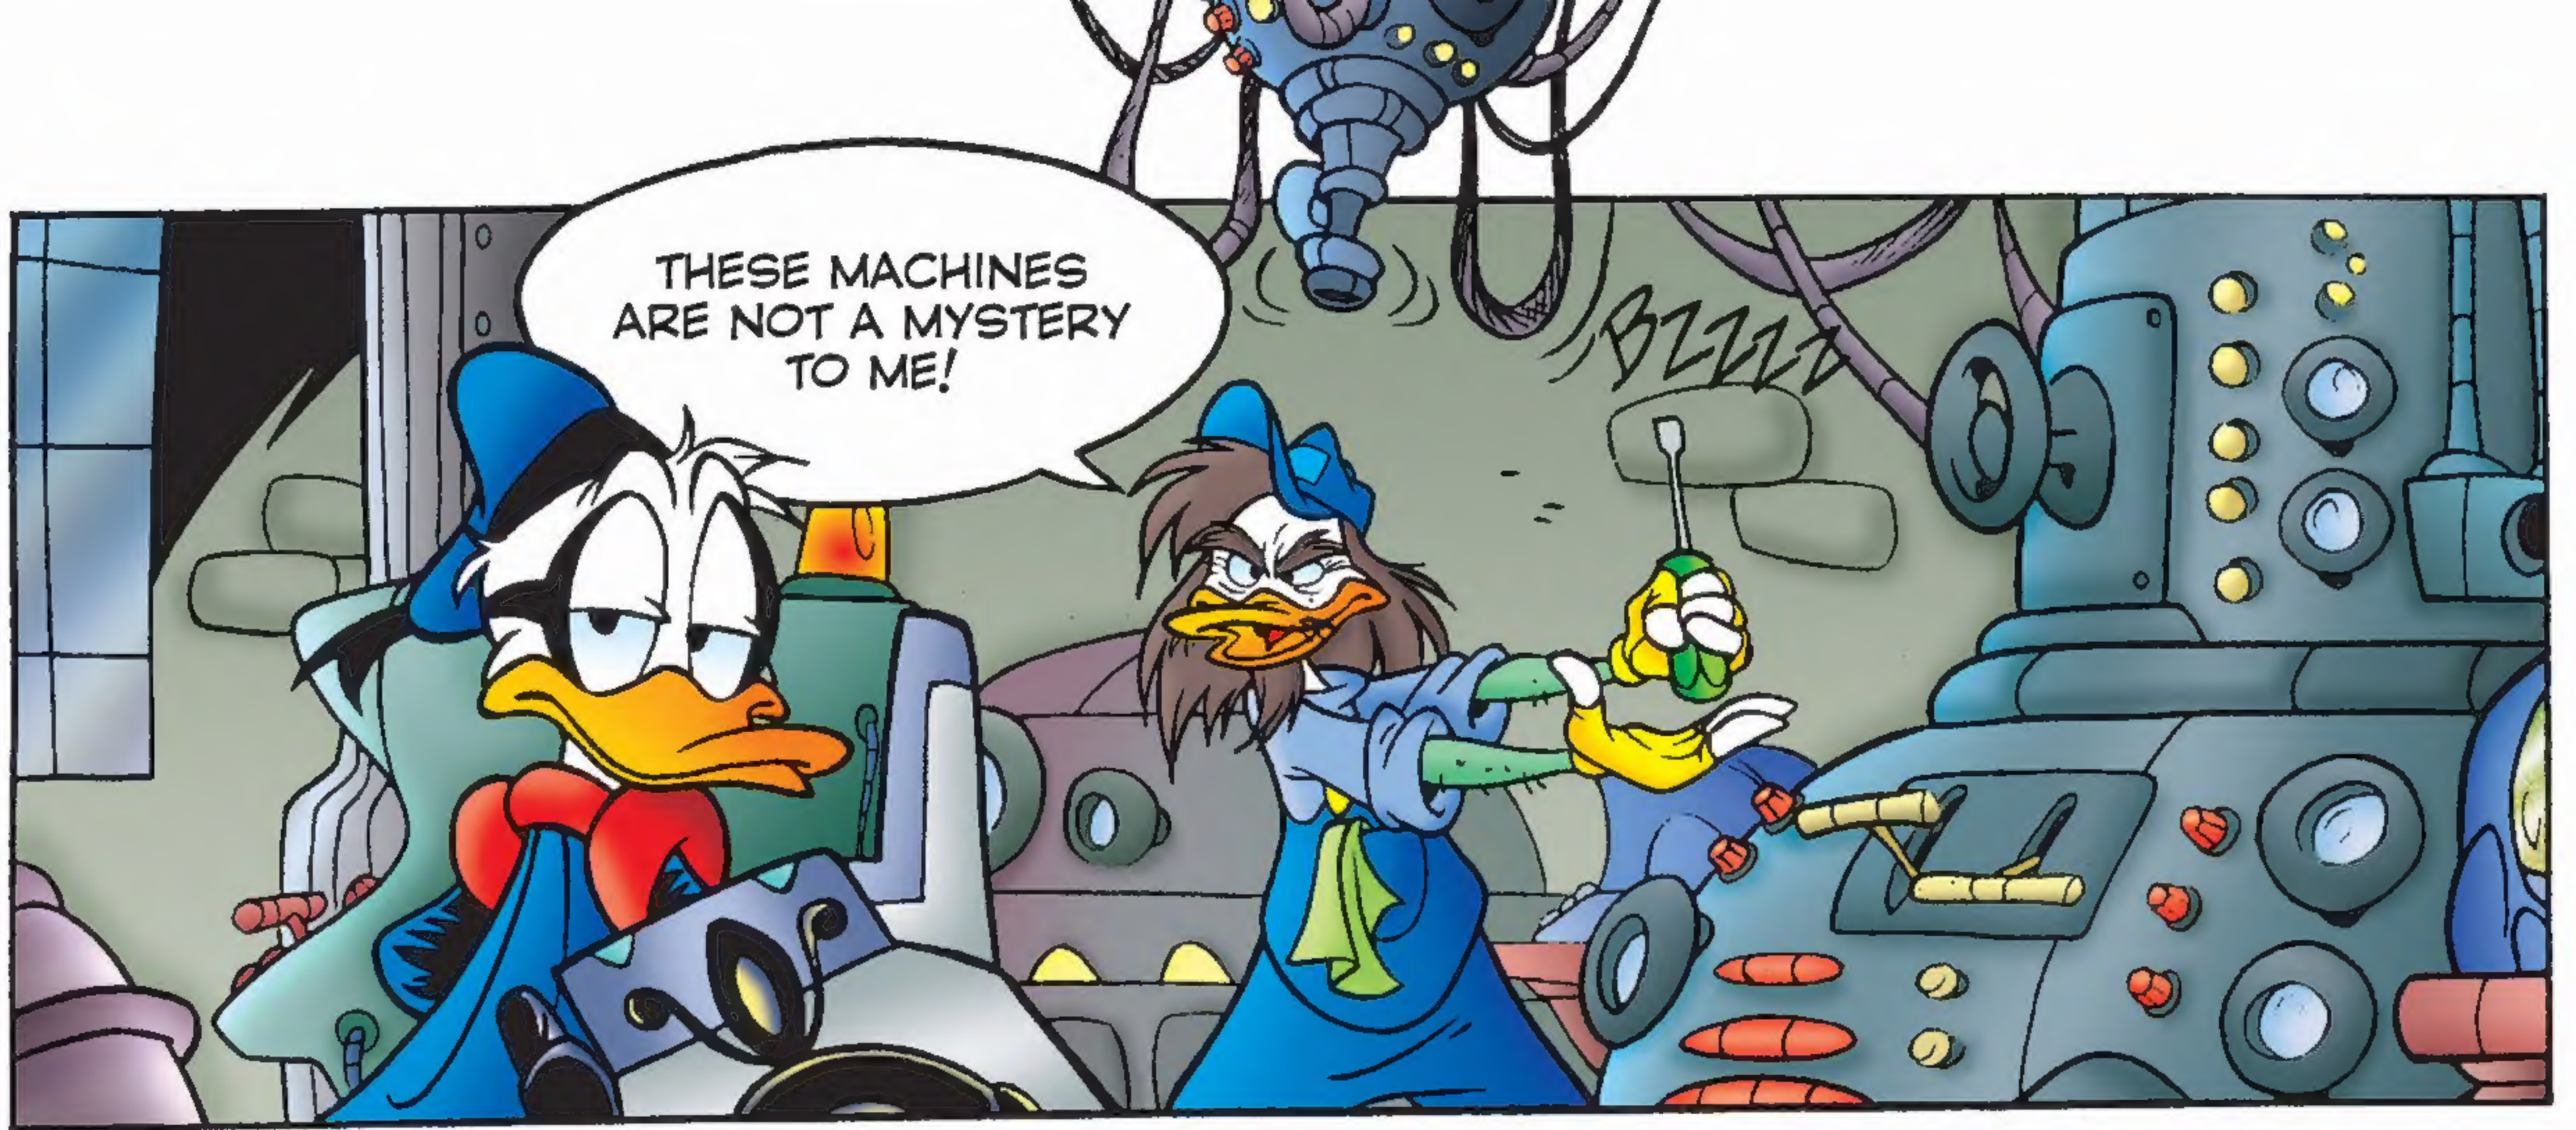

COME IN,
SUPERDUCK! LOOK
HOW WONDERFUL!

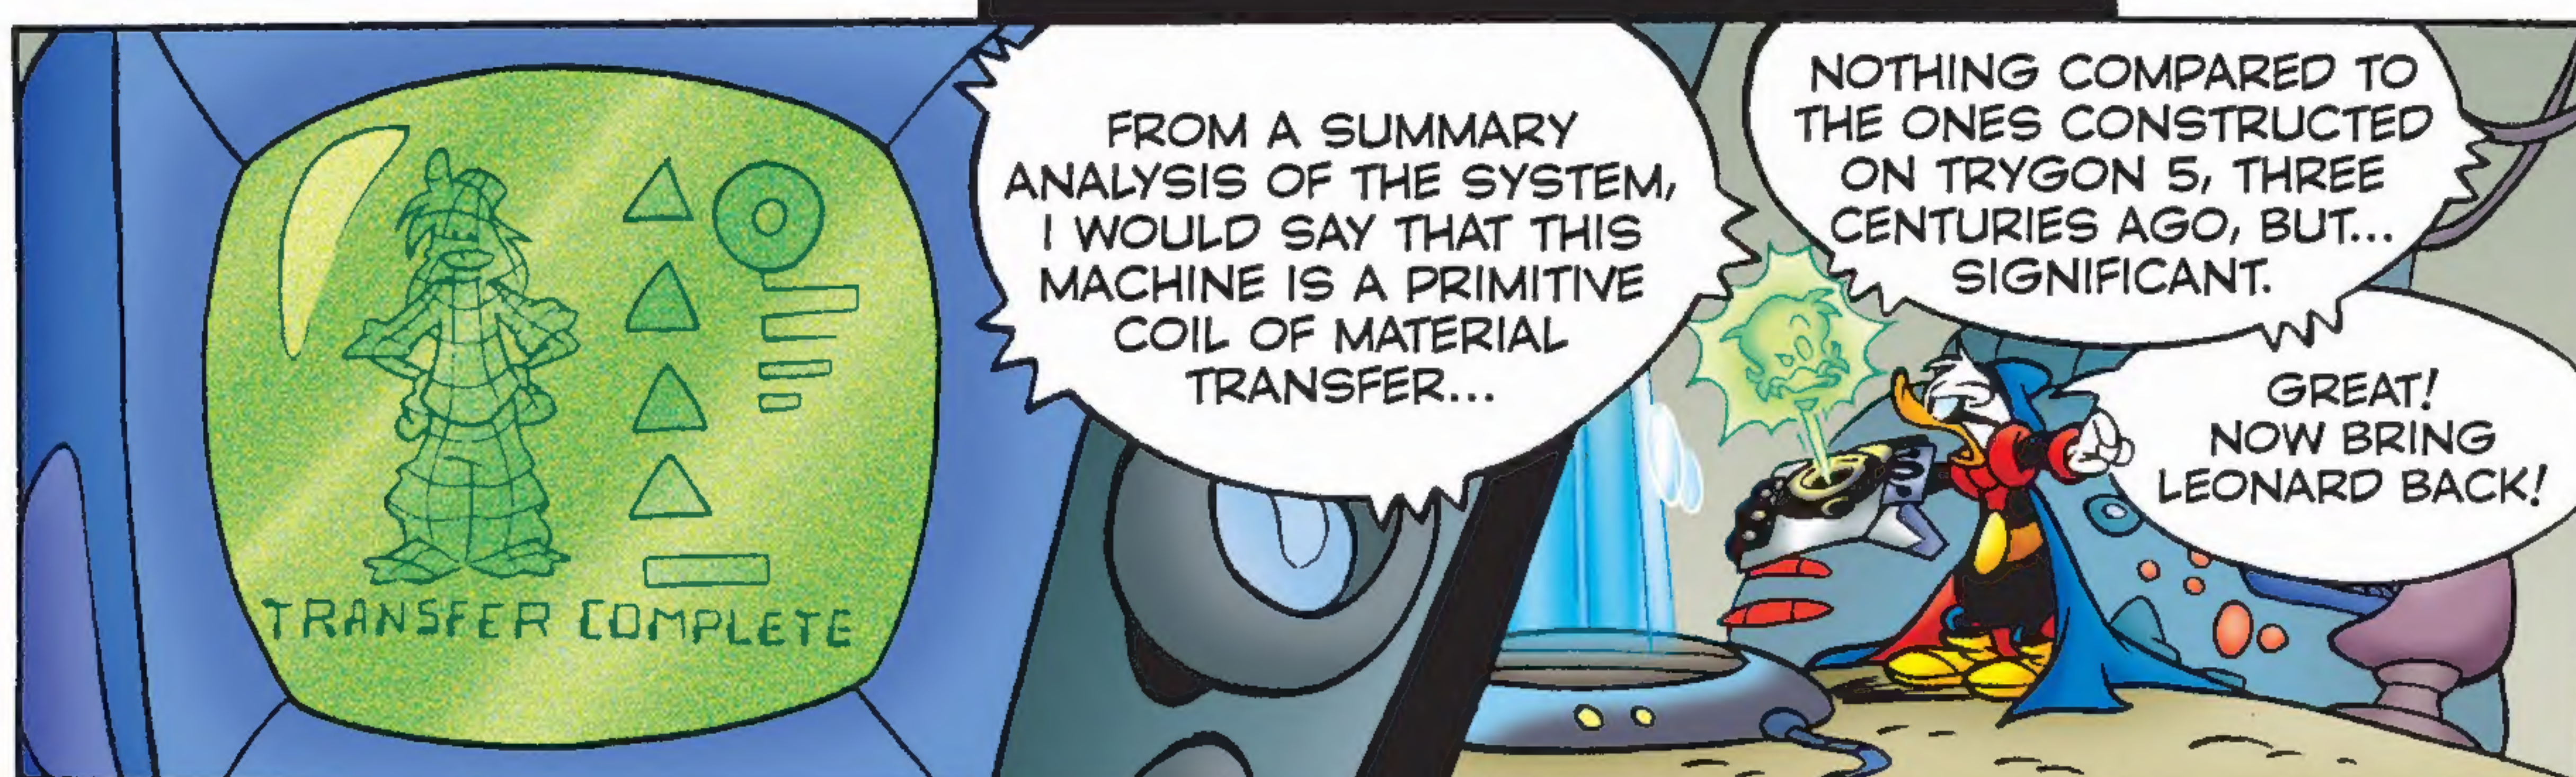

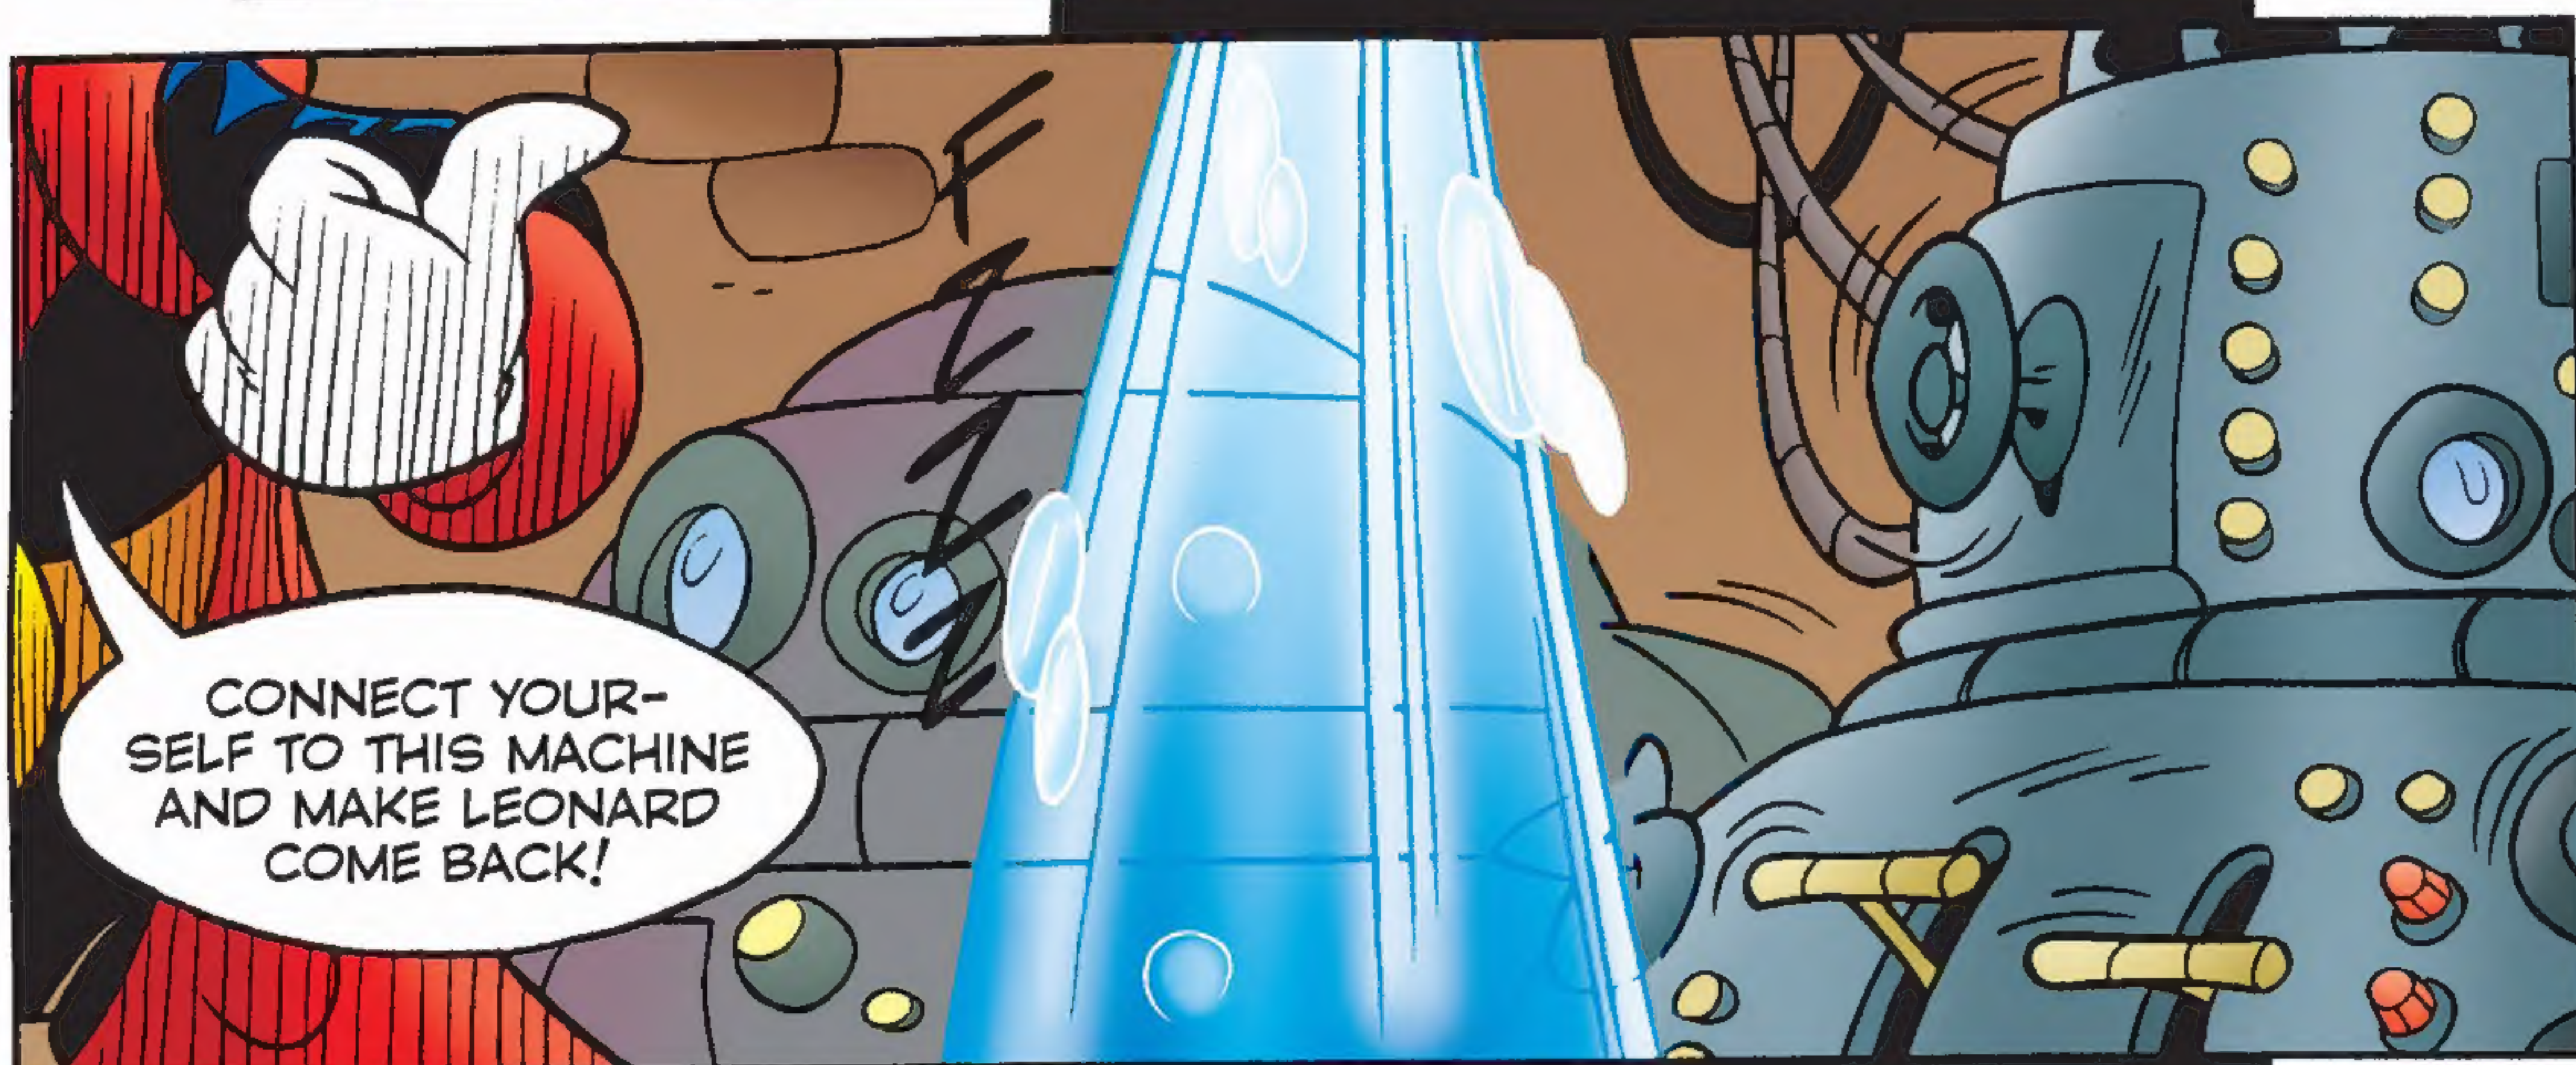

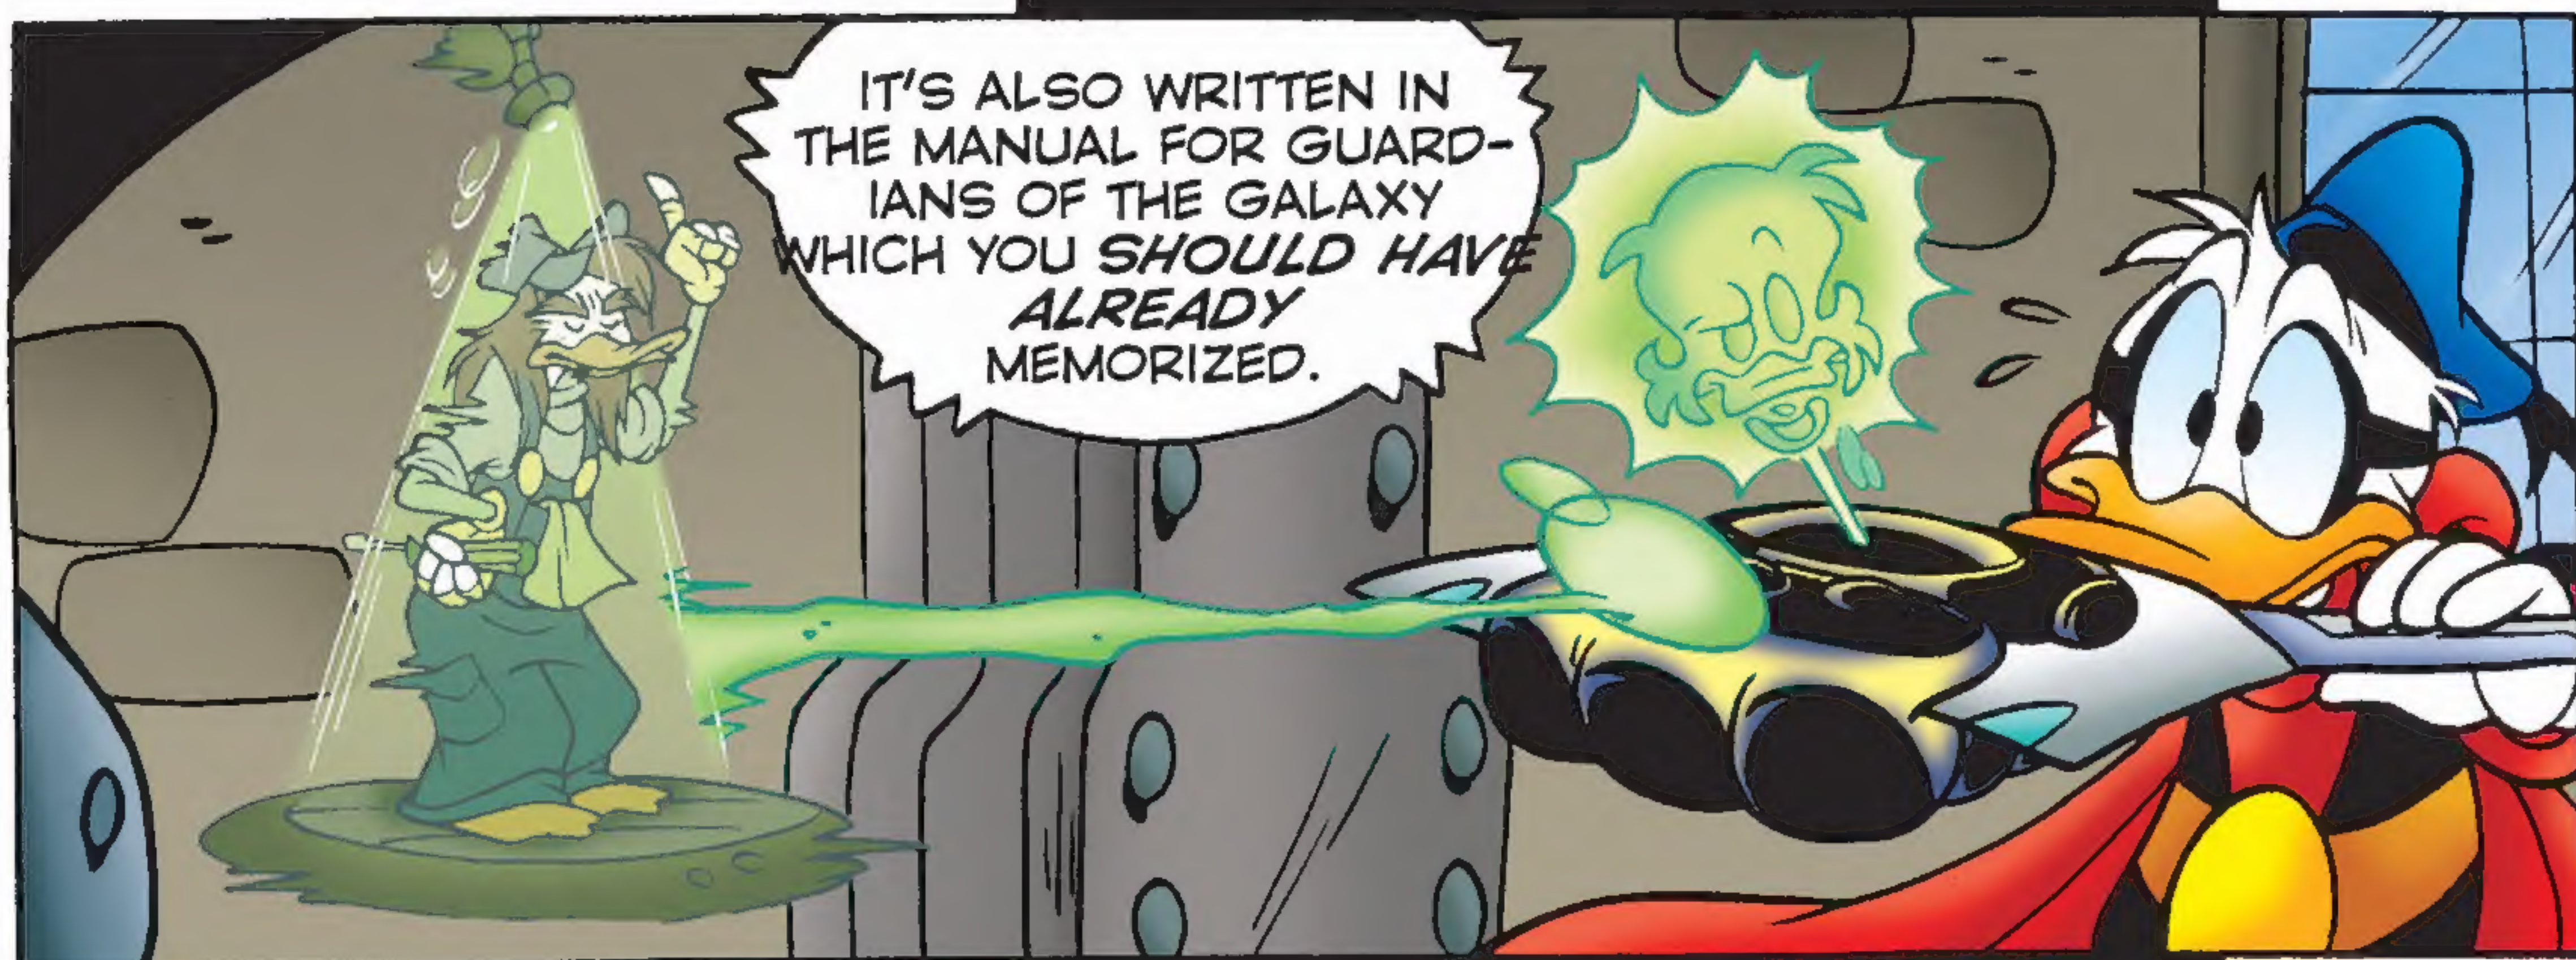

GRIND
GRIND

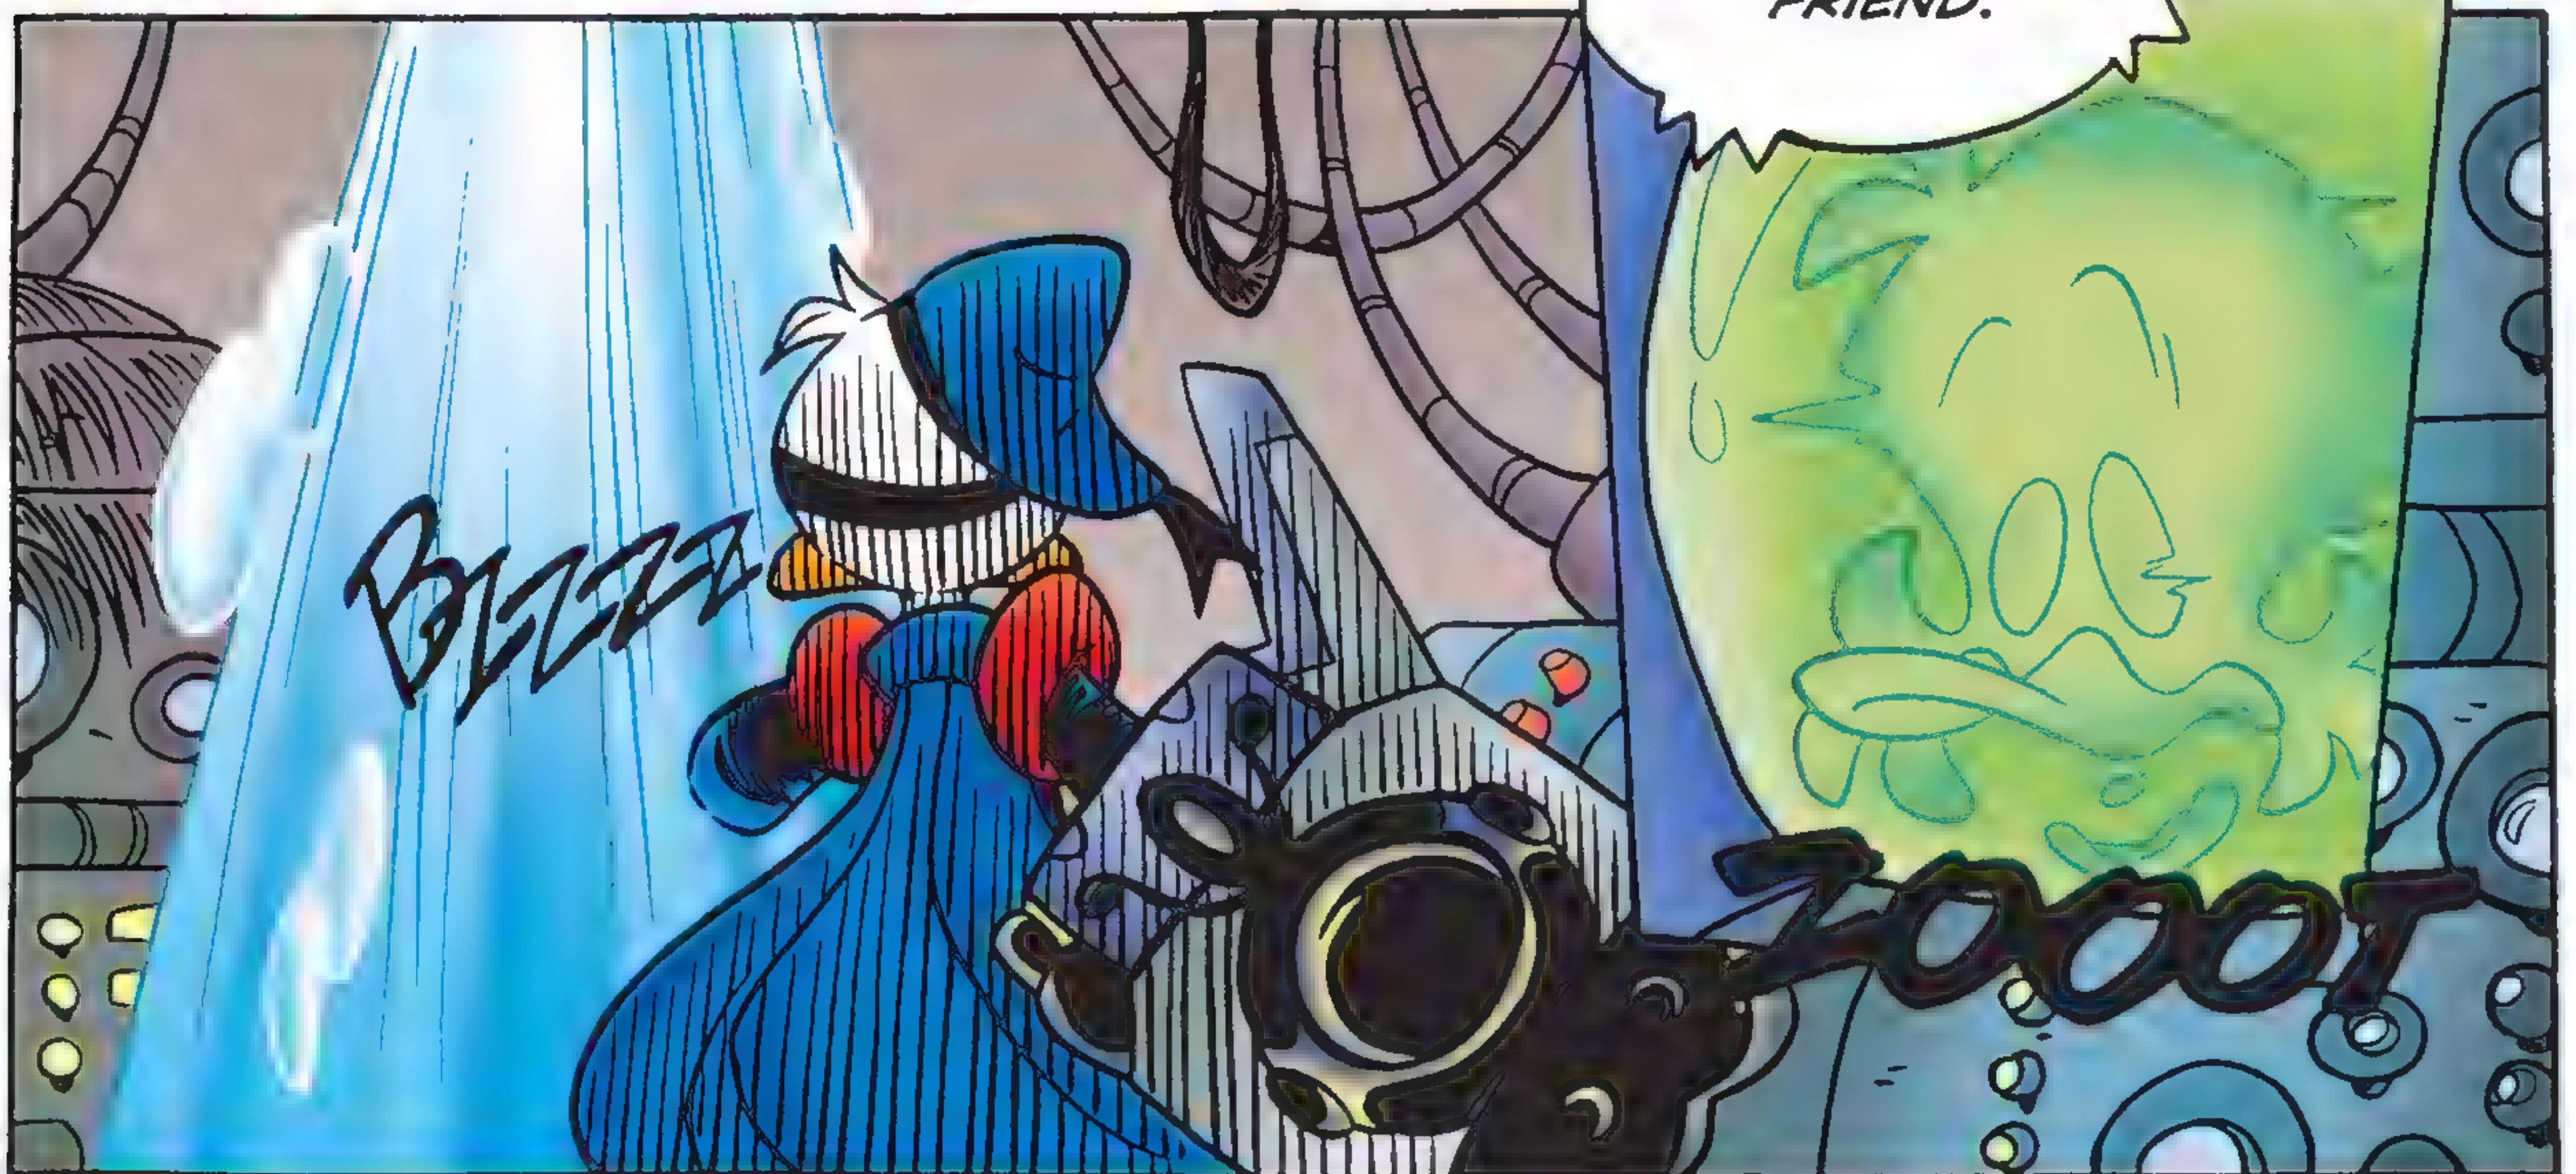

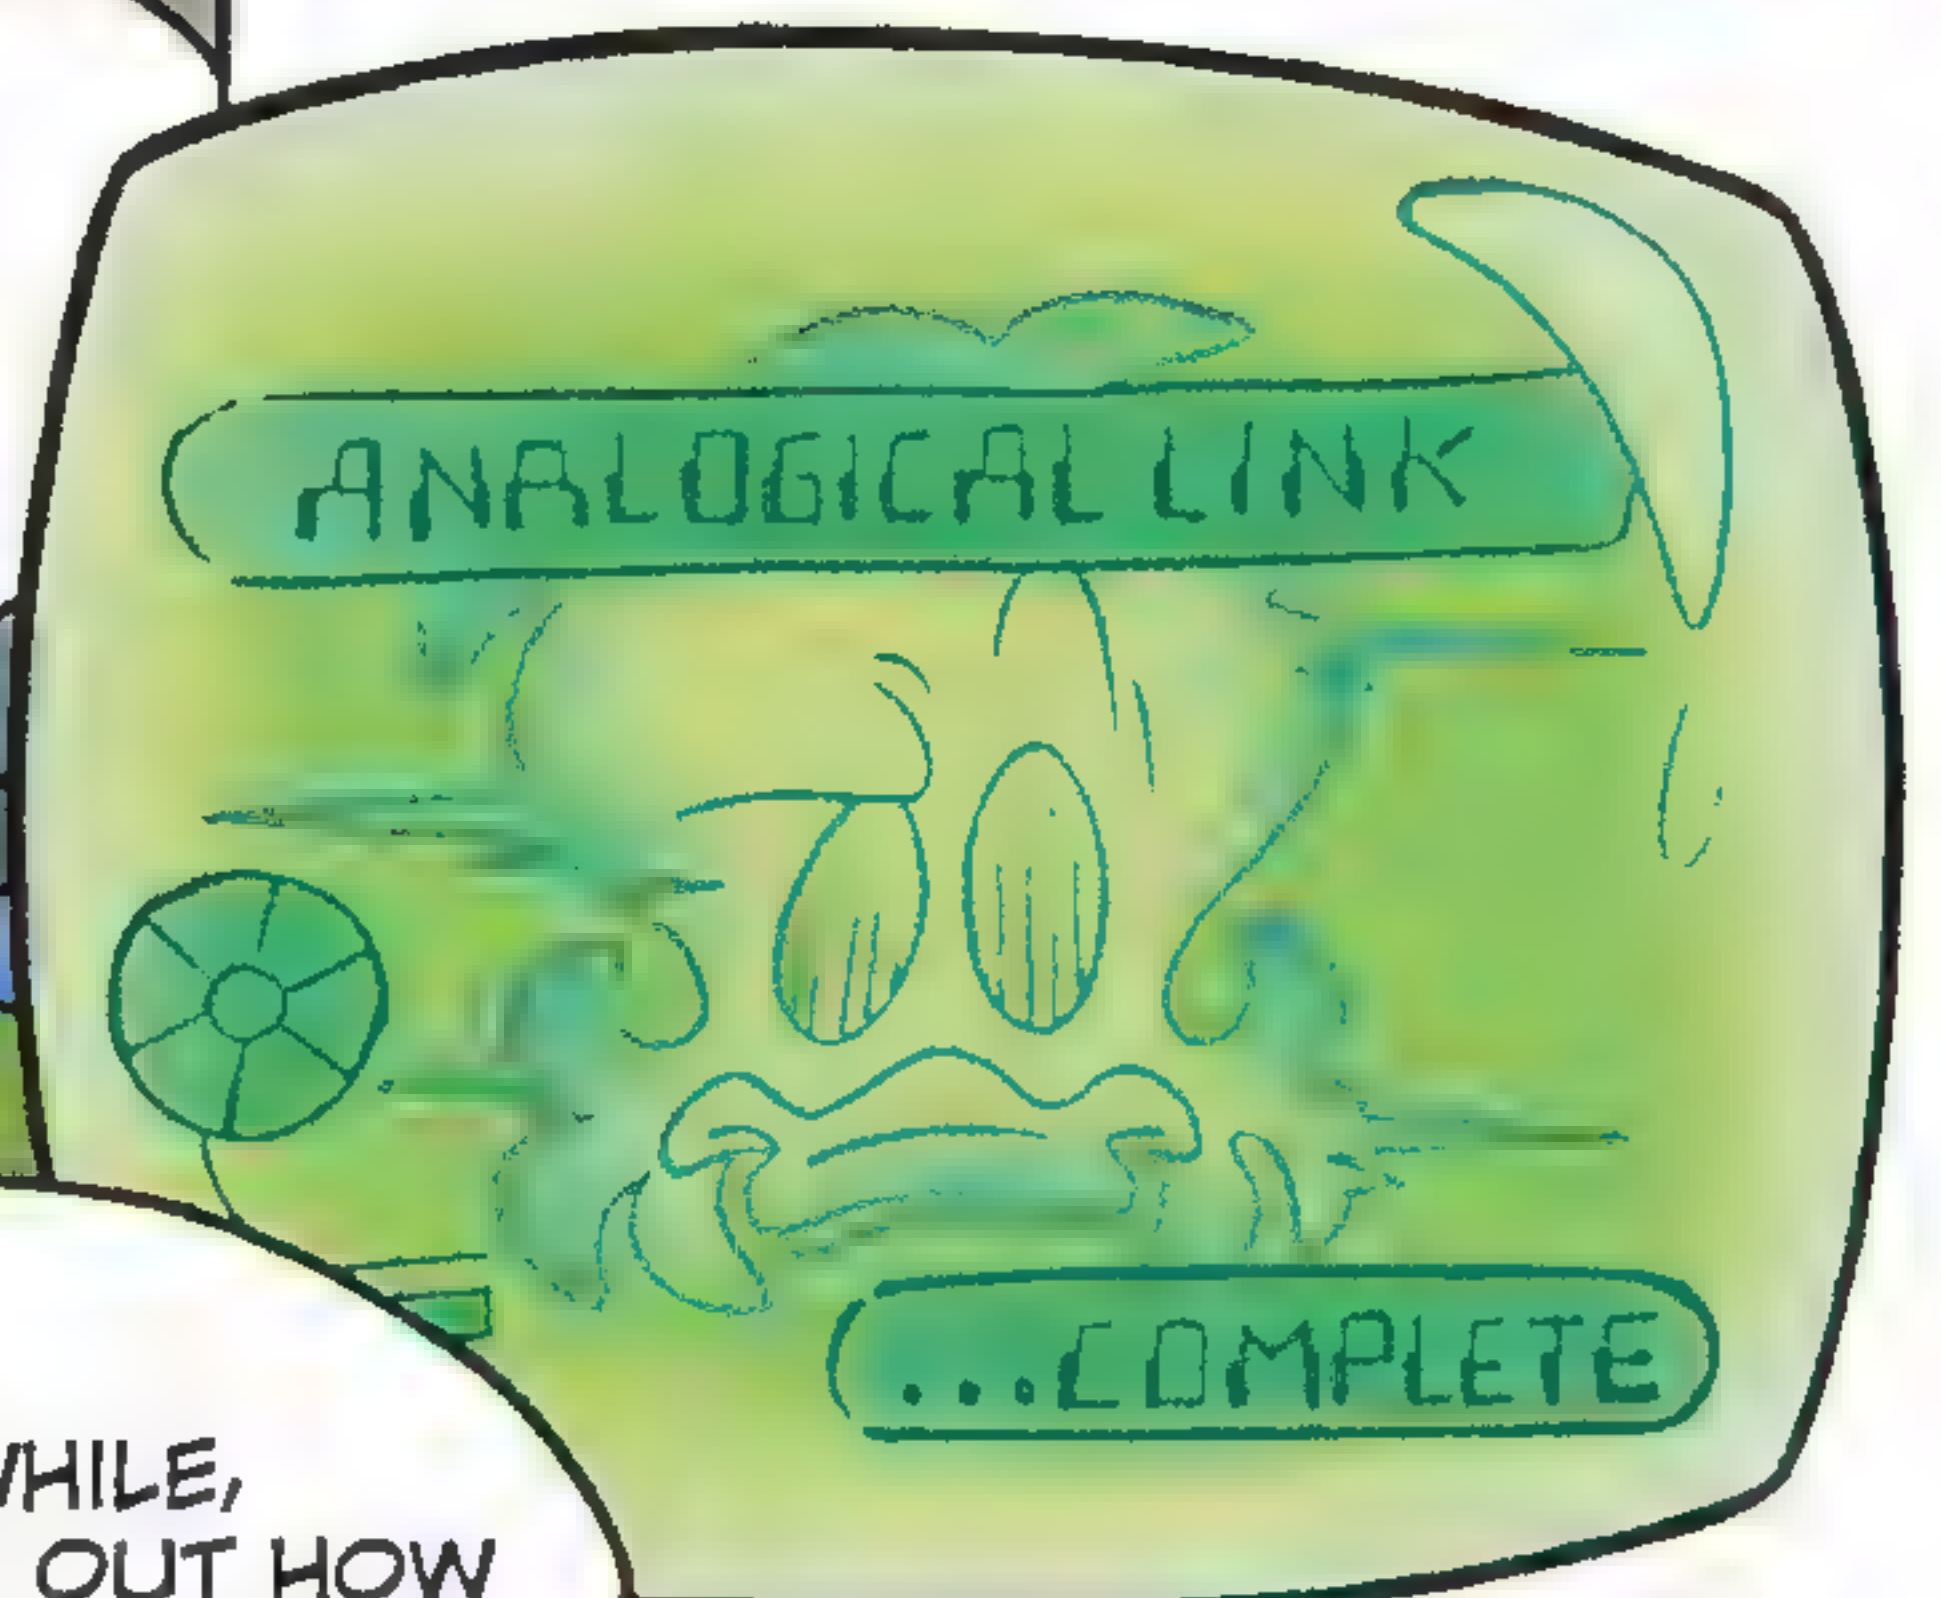

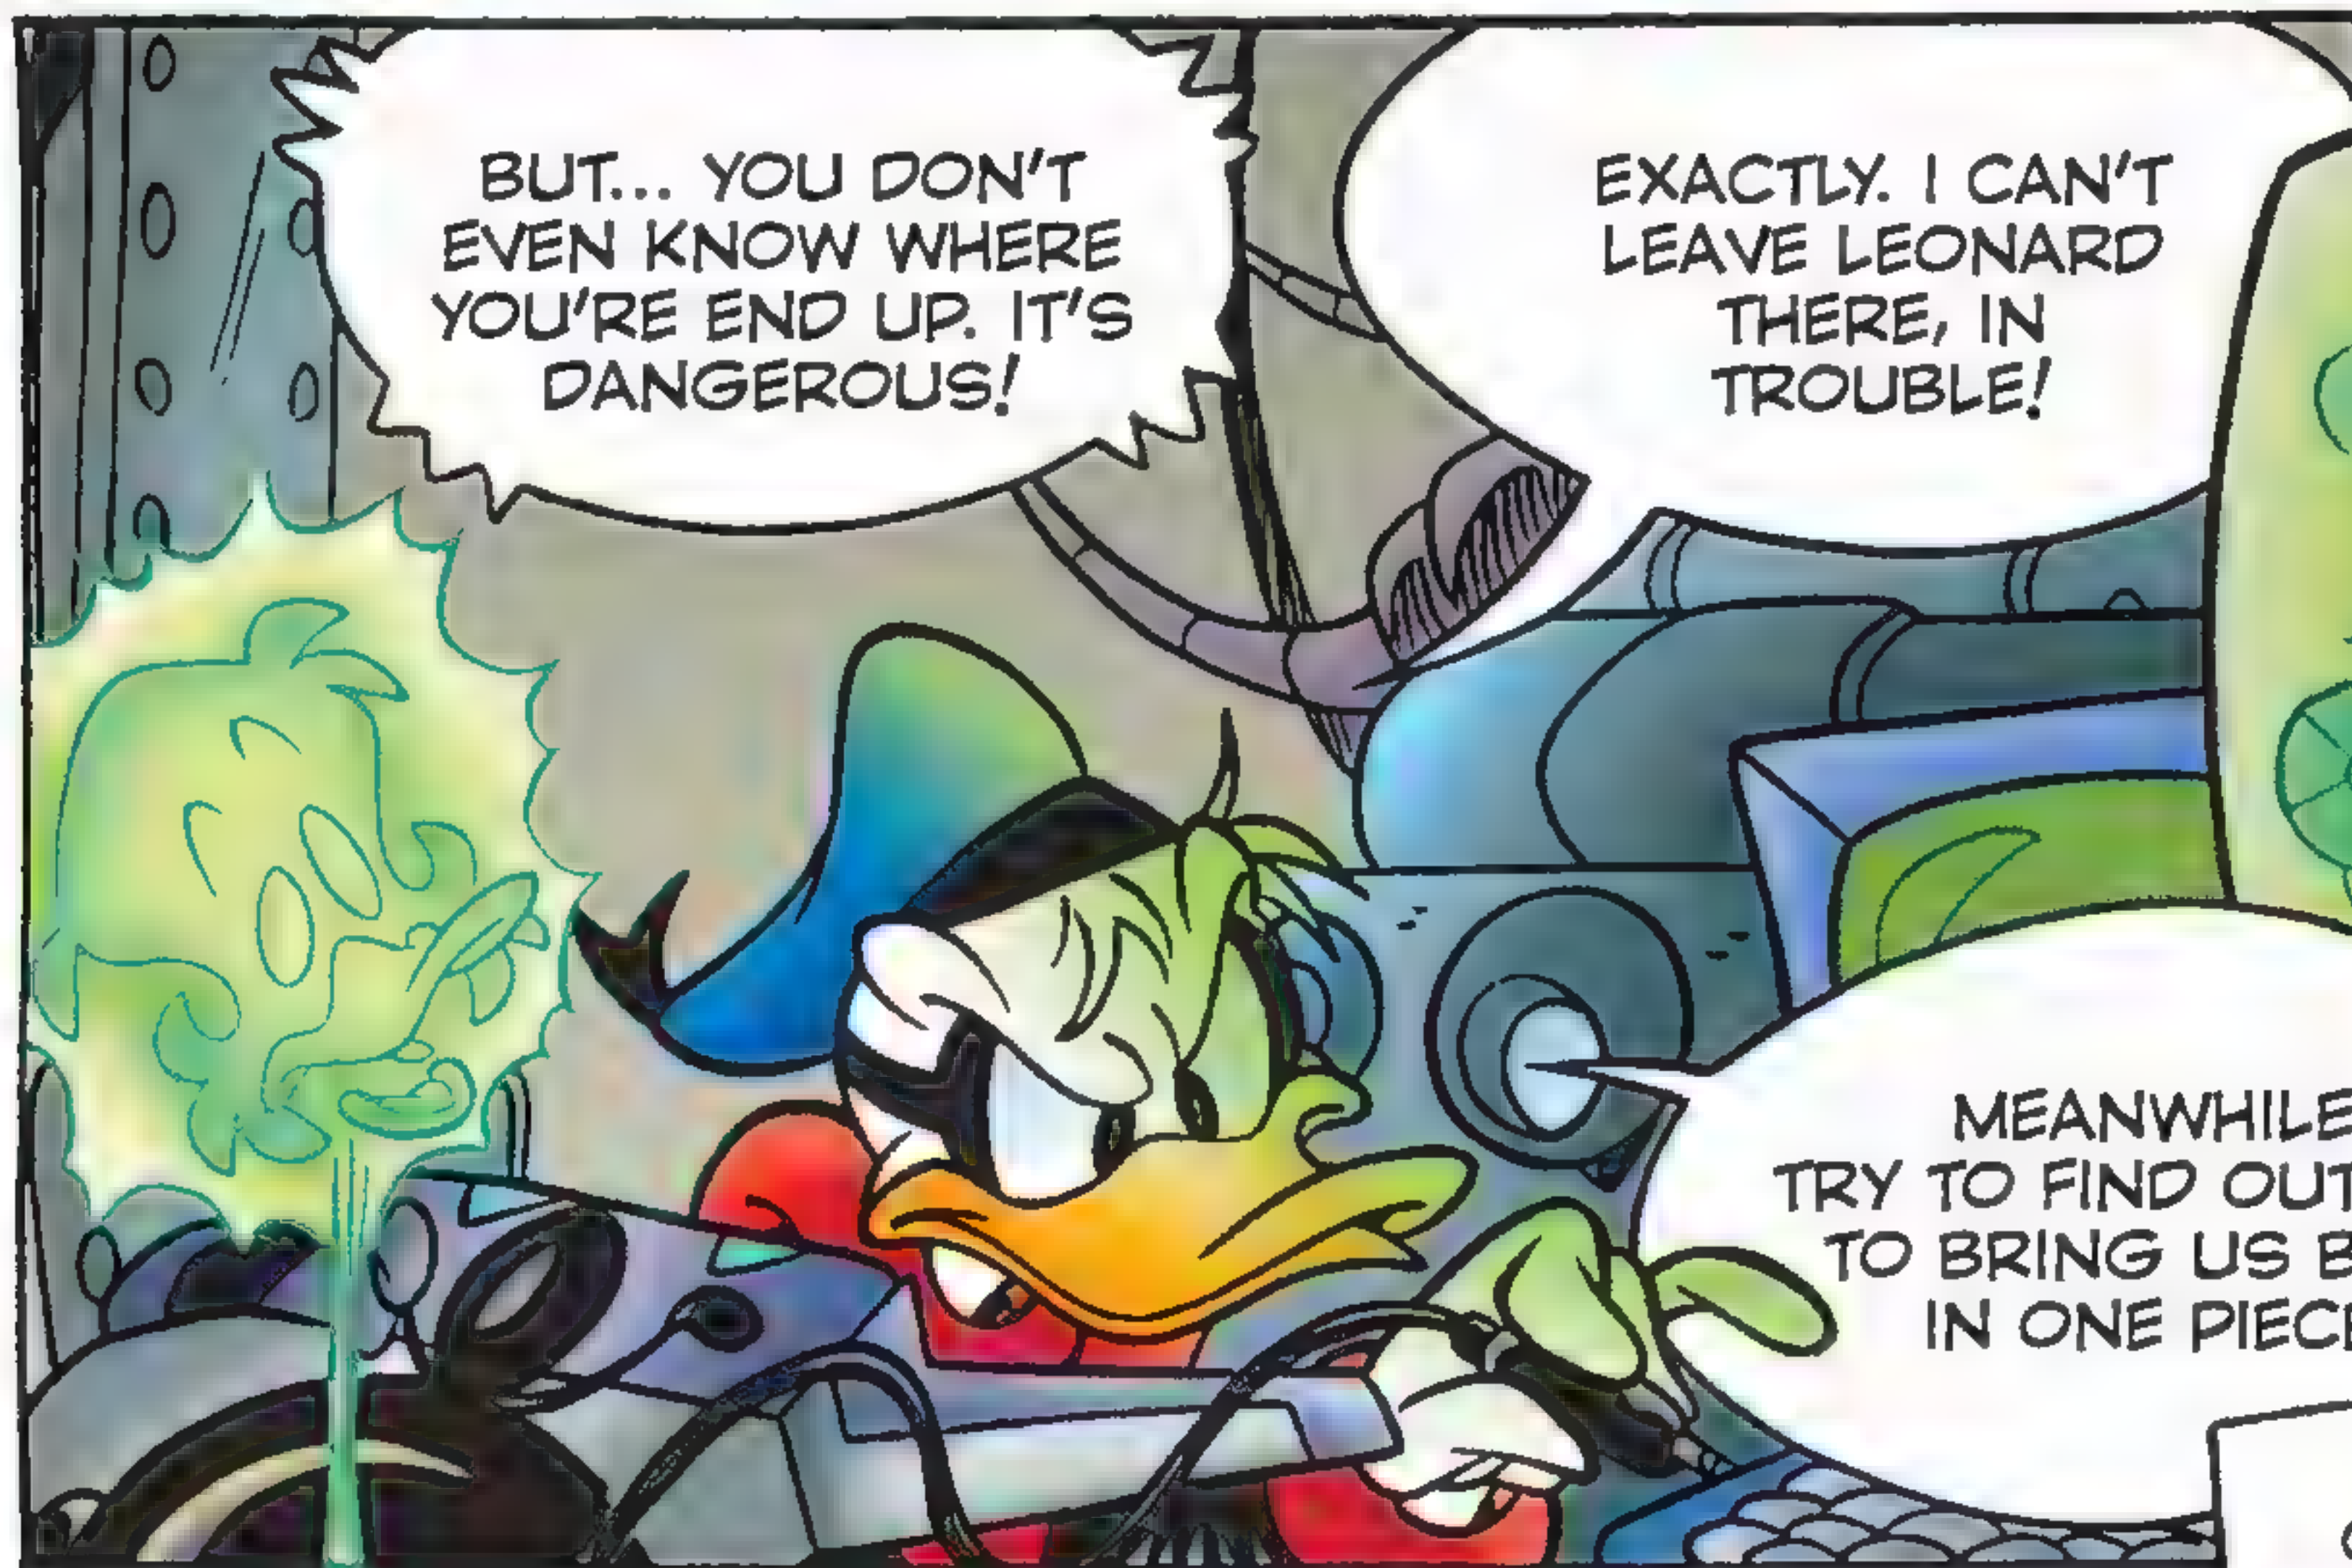

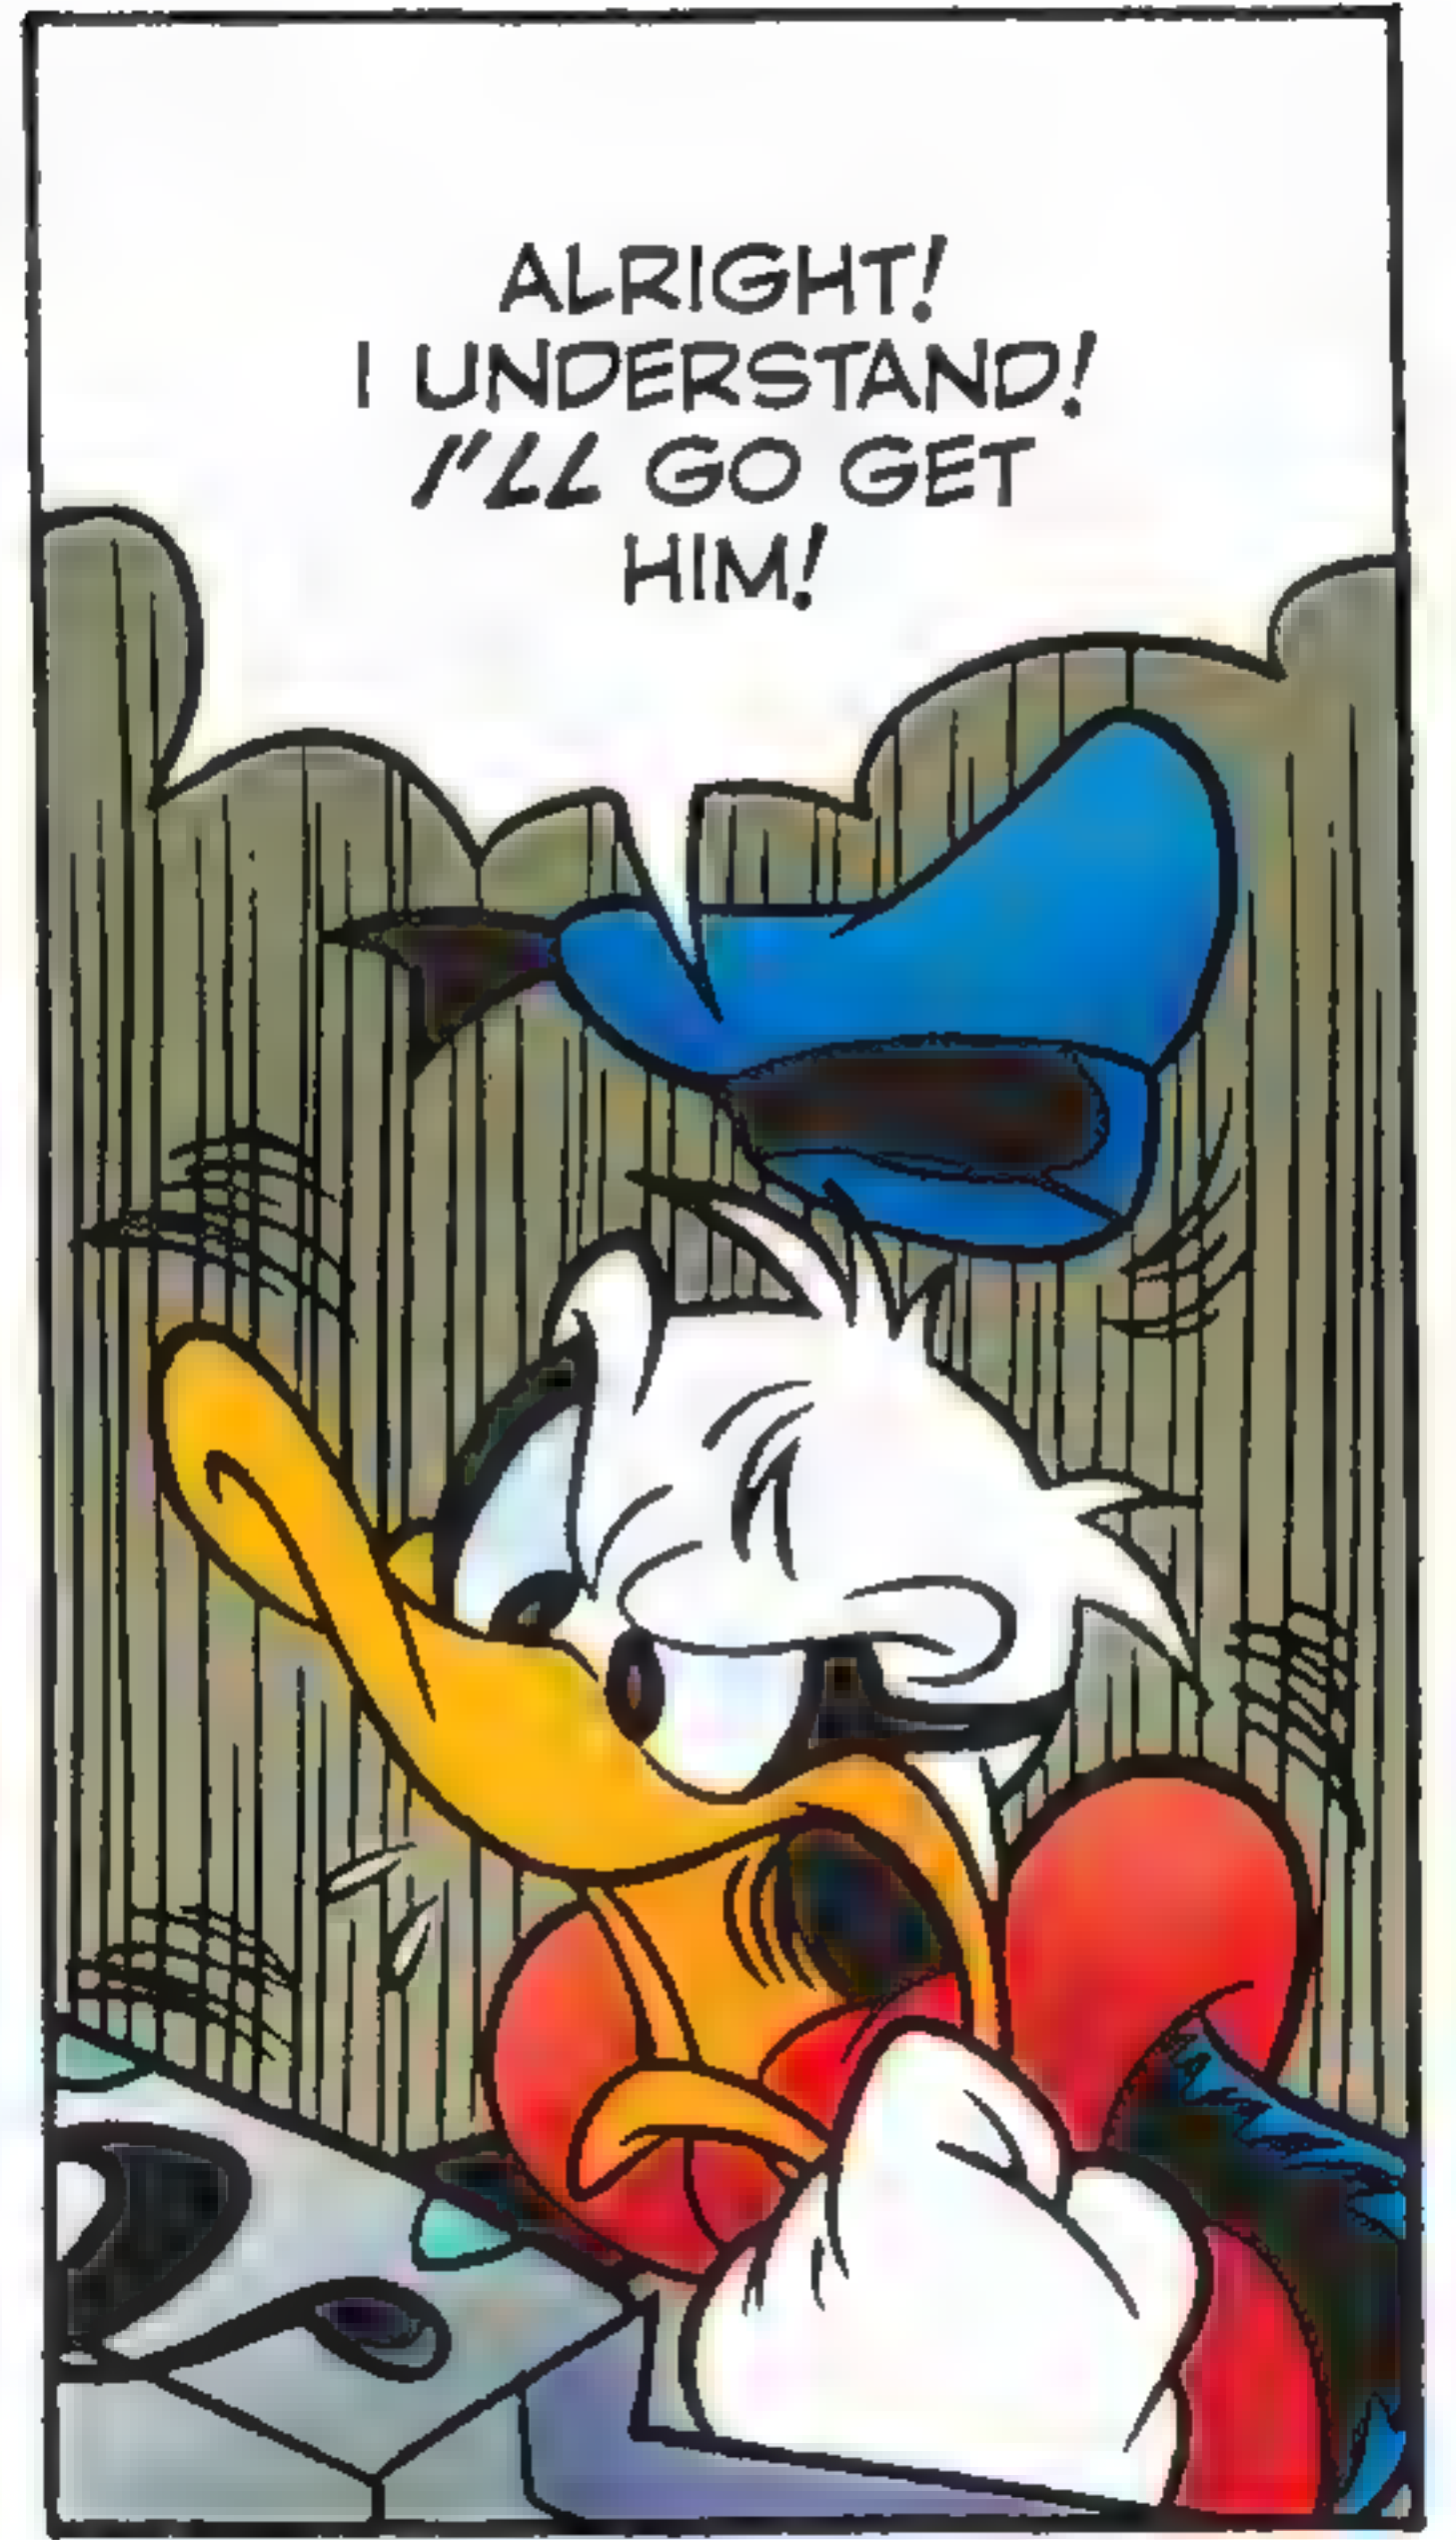

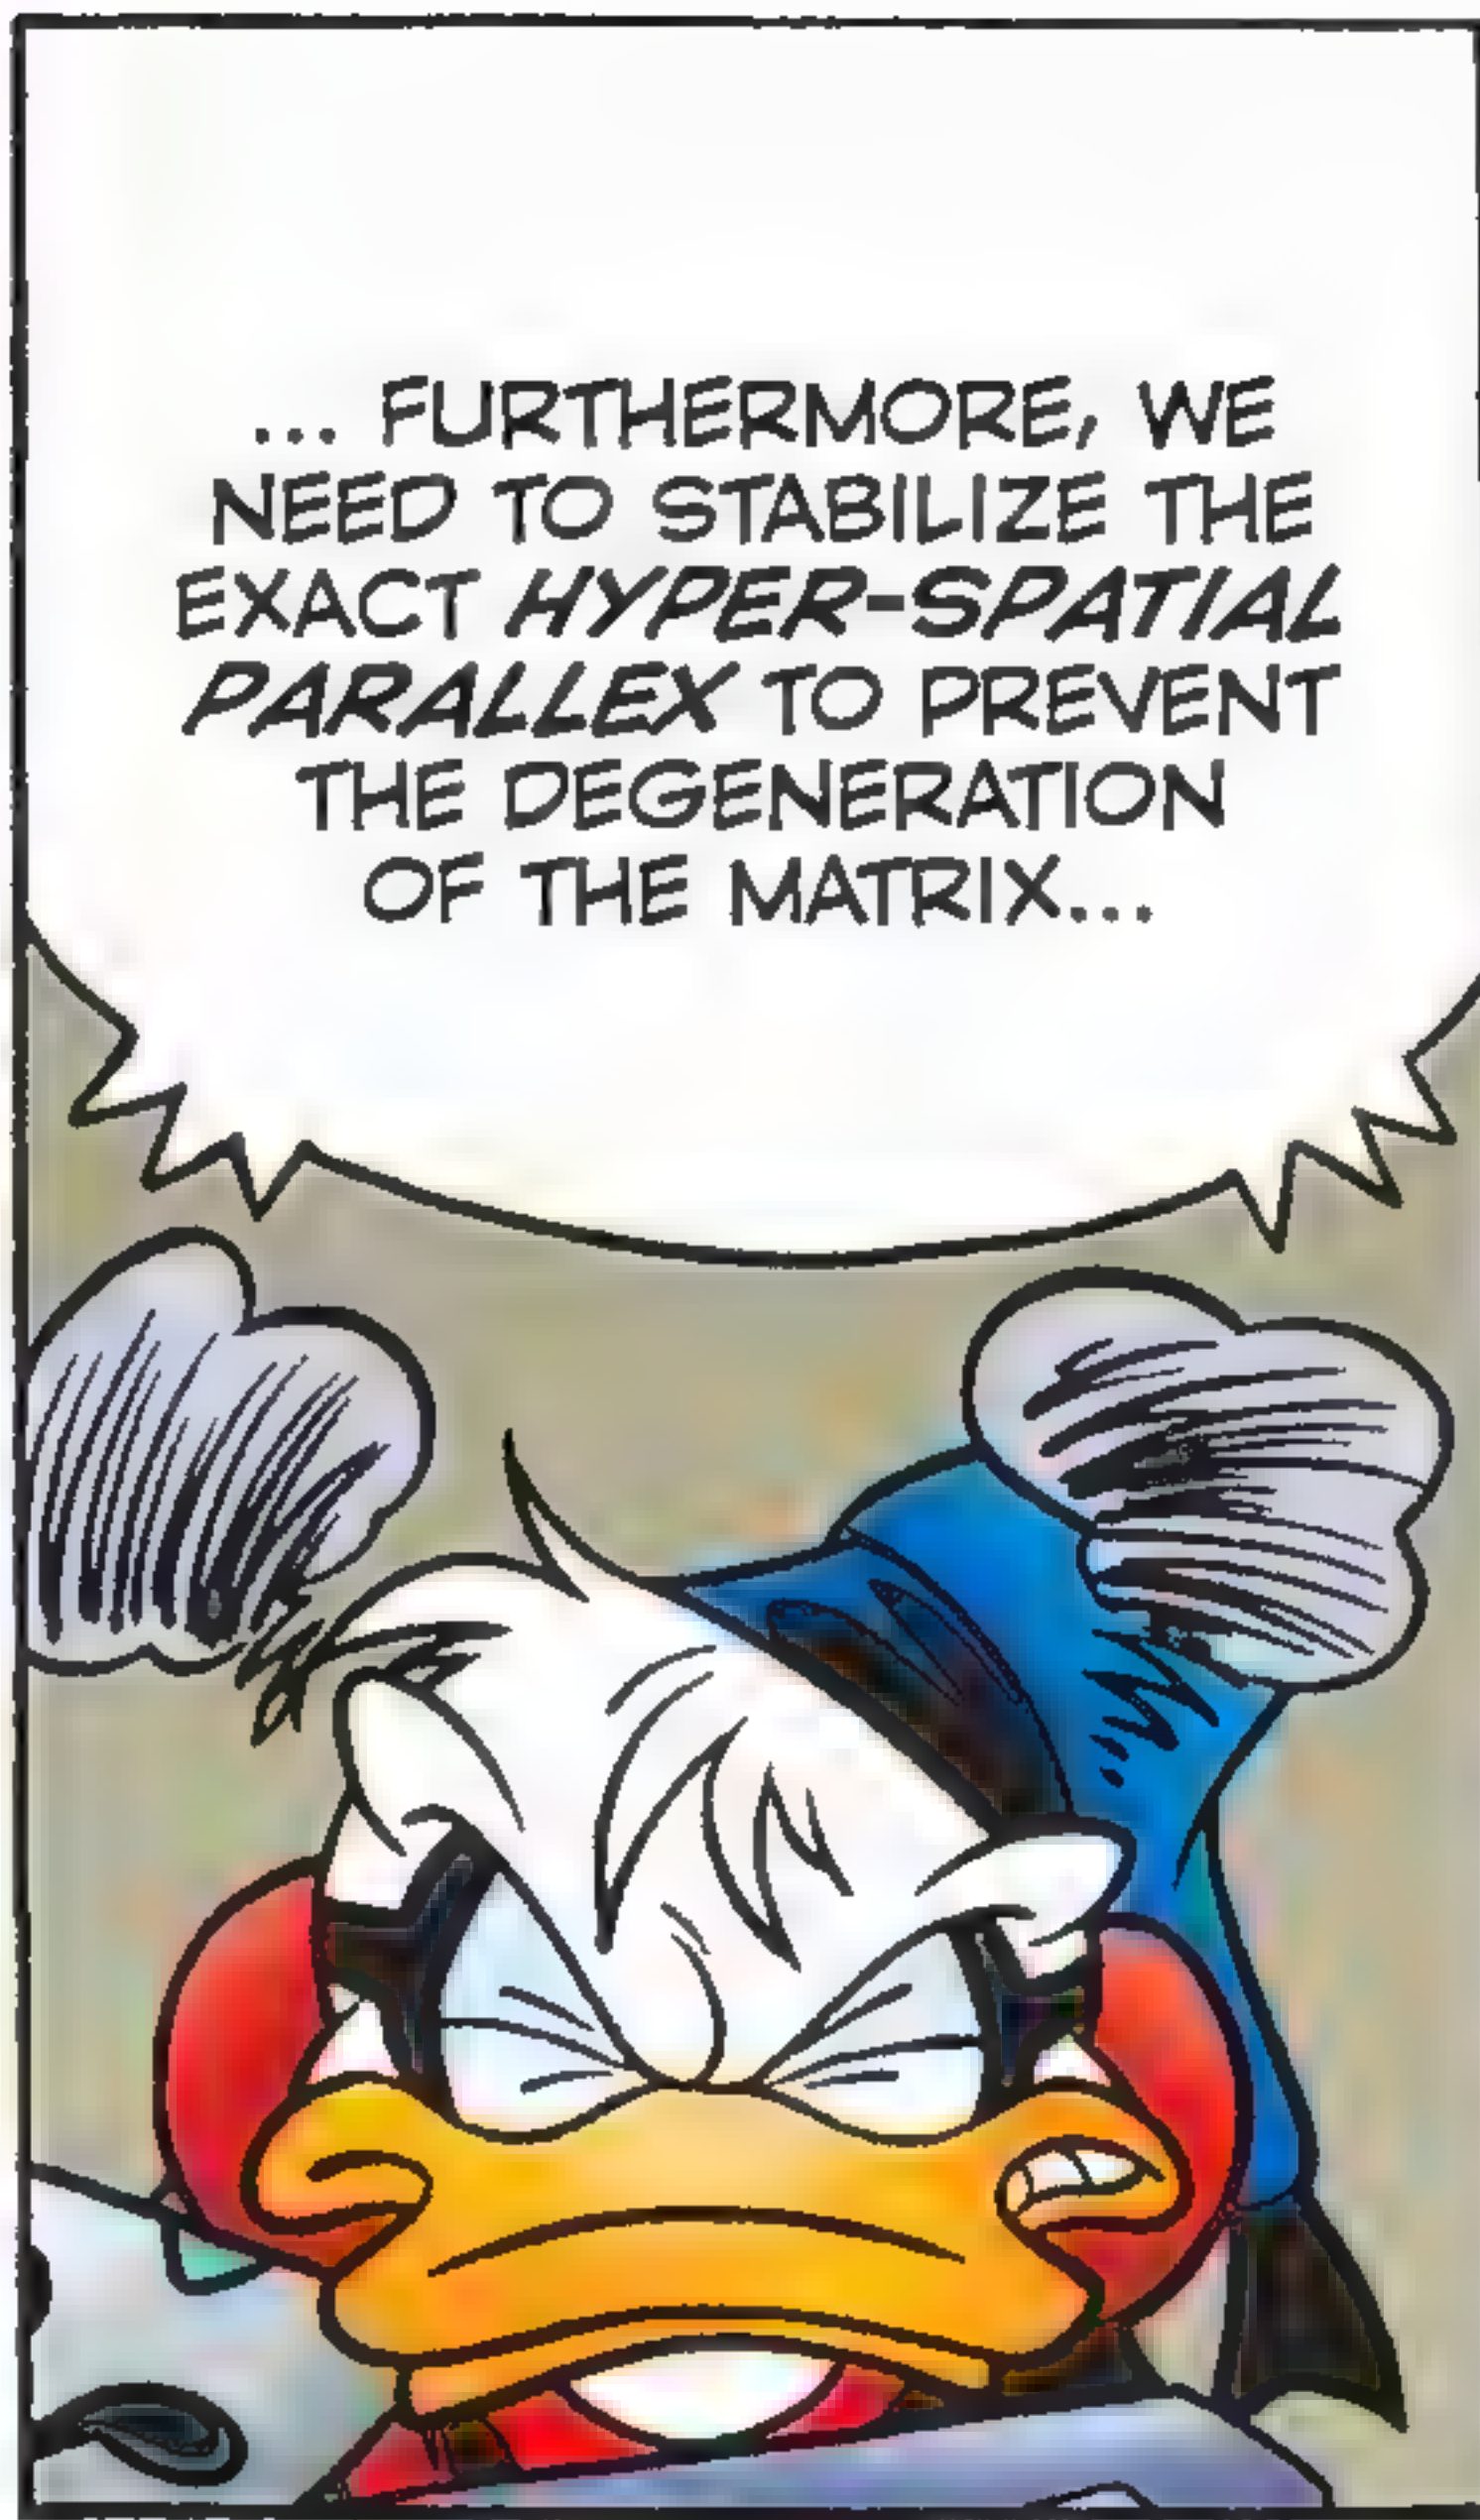

DIDN'T WE AGREE THAT
YOU WOULDN'T TURN
ANYTHING ON UNTIL
I GOT HERE?

HUMPF! DO YOU THINK
THAT I DON'T KNOW HOW
TO WORK THESE
MACHINES?

DO YOU KNOW THAT WHEN I
USED TO HELP DUCK DESTROYER,
I WAS THE ONE WHO MAIN-
TAINED HIS TOOLS?

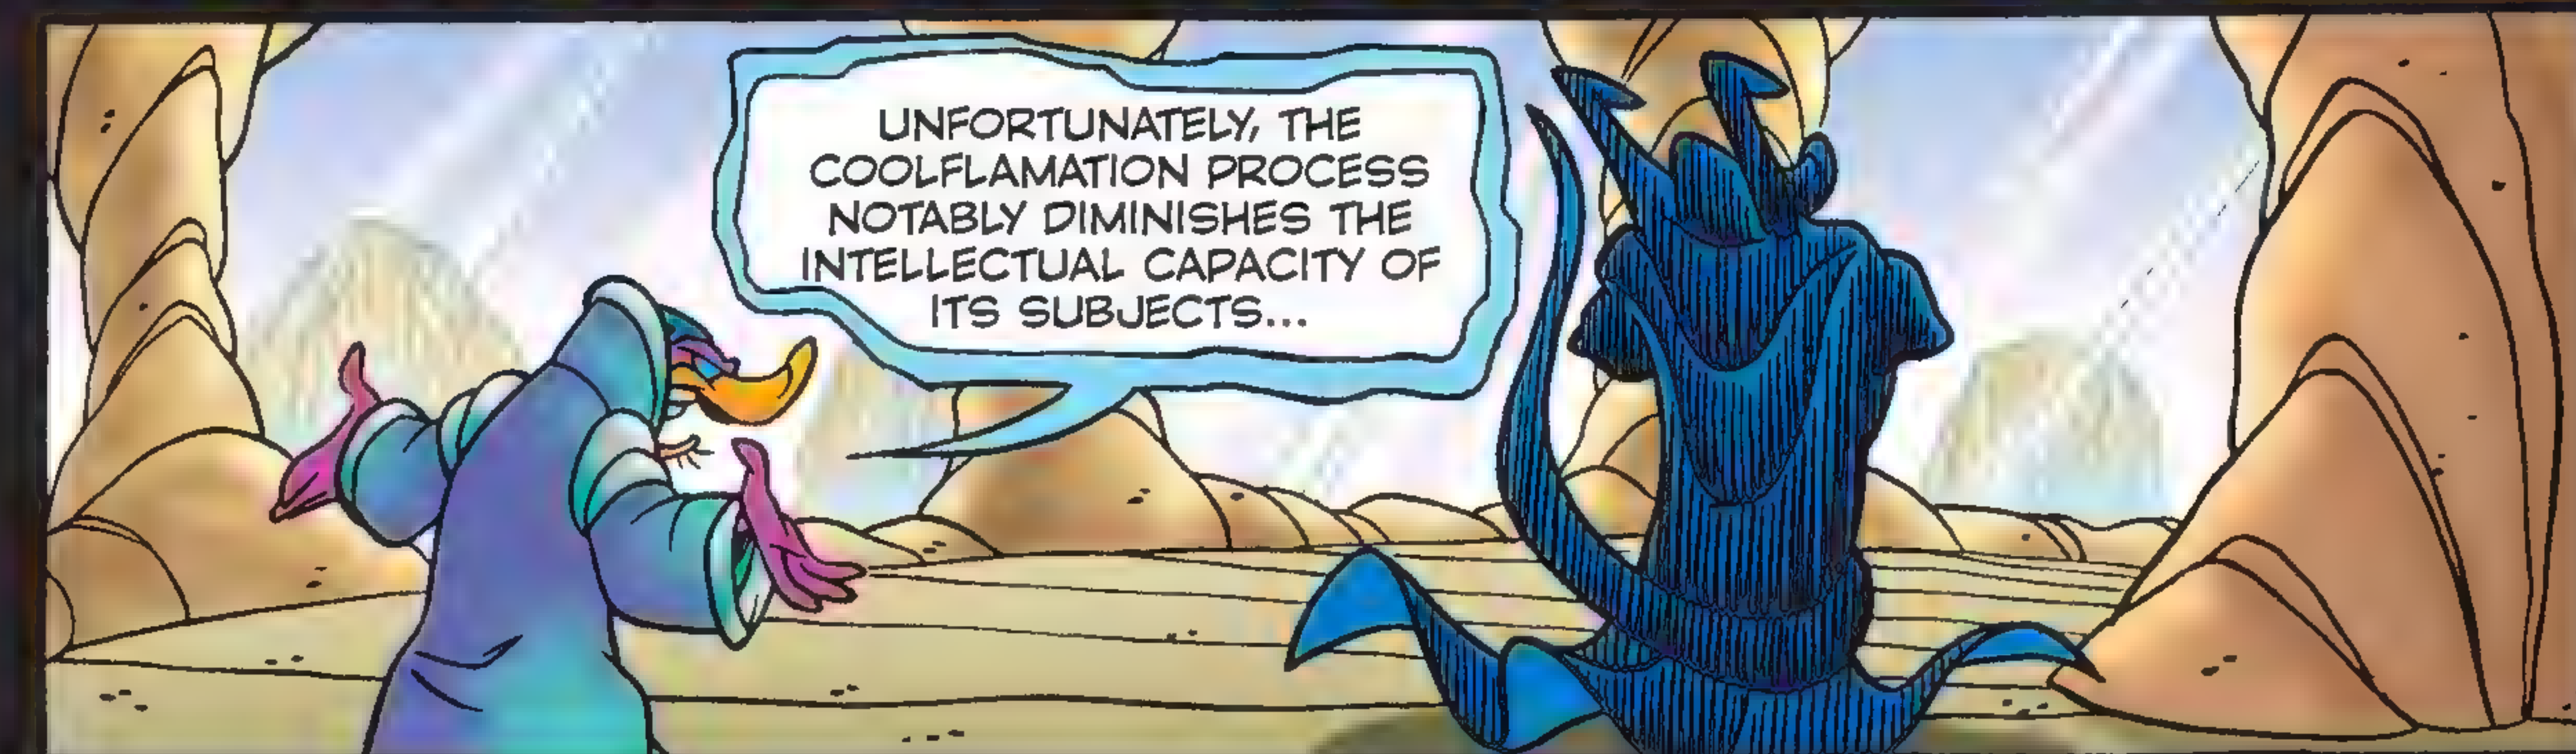

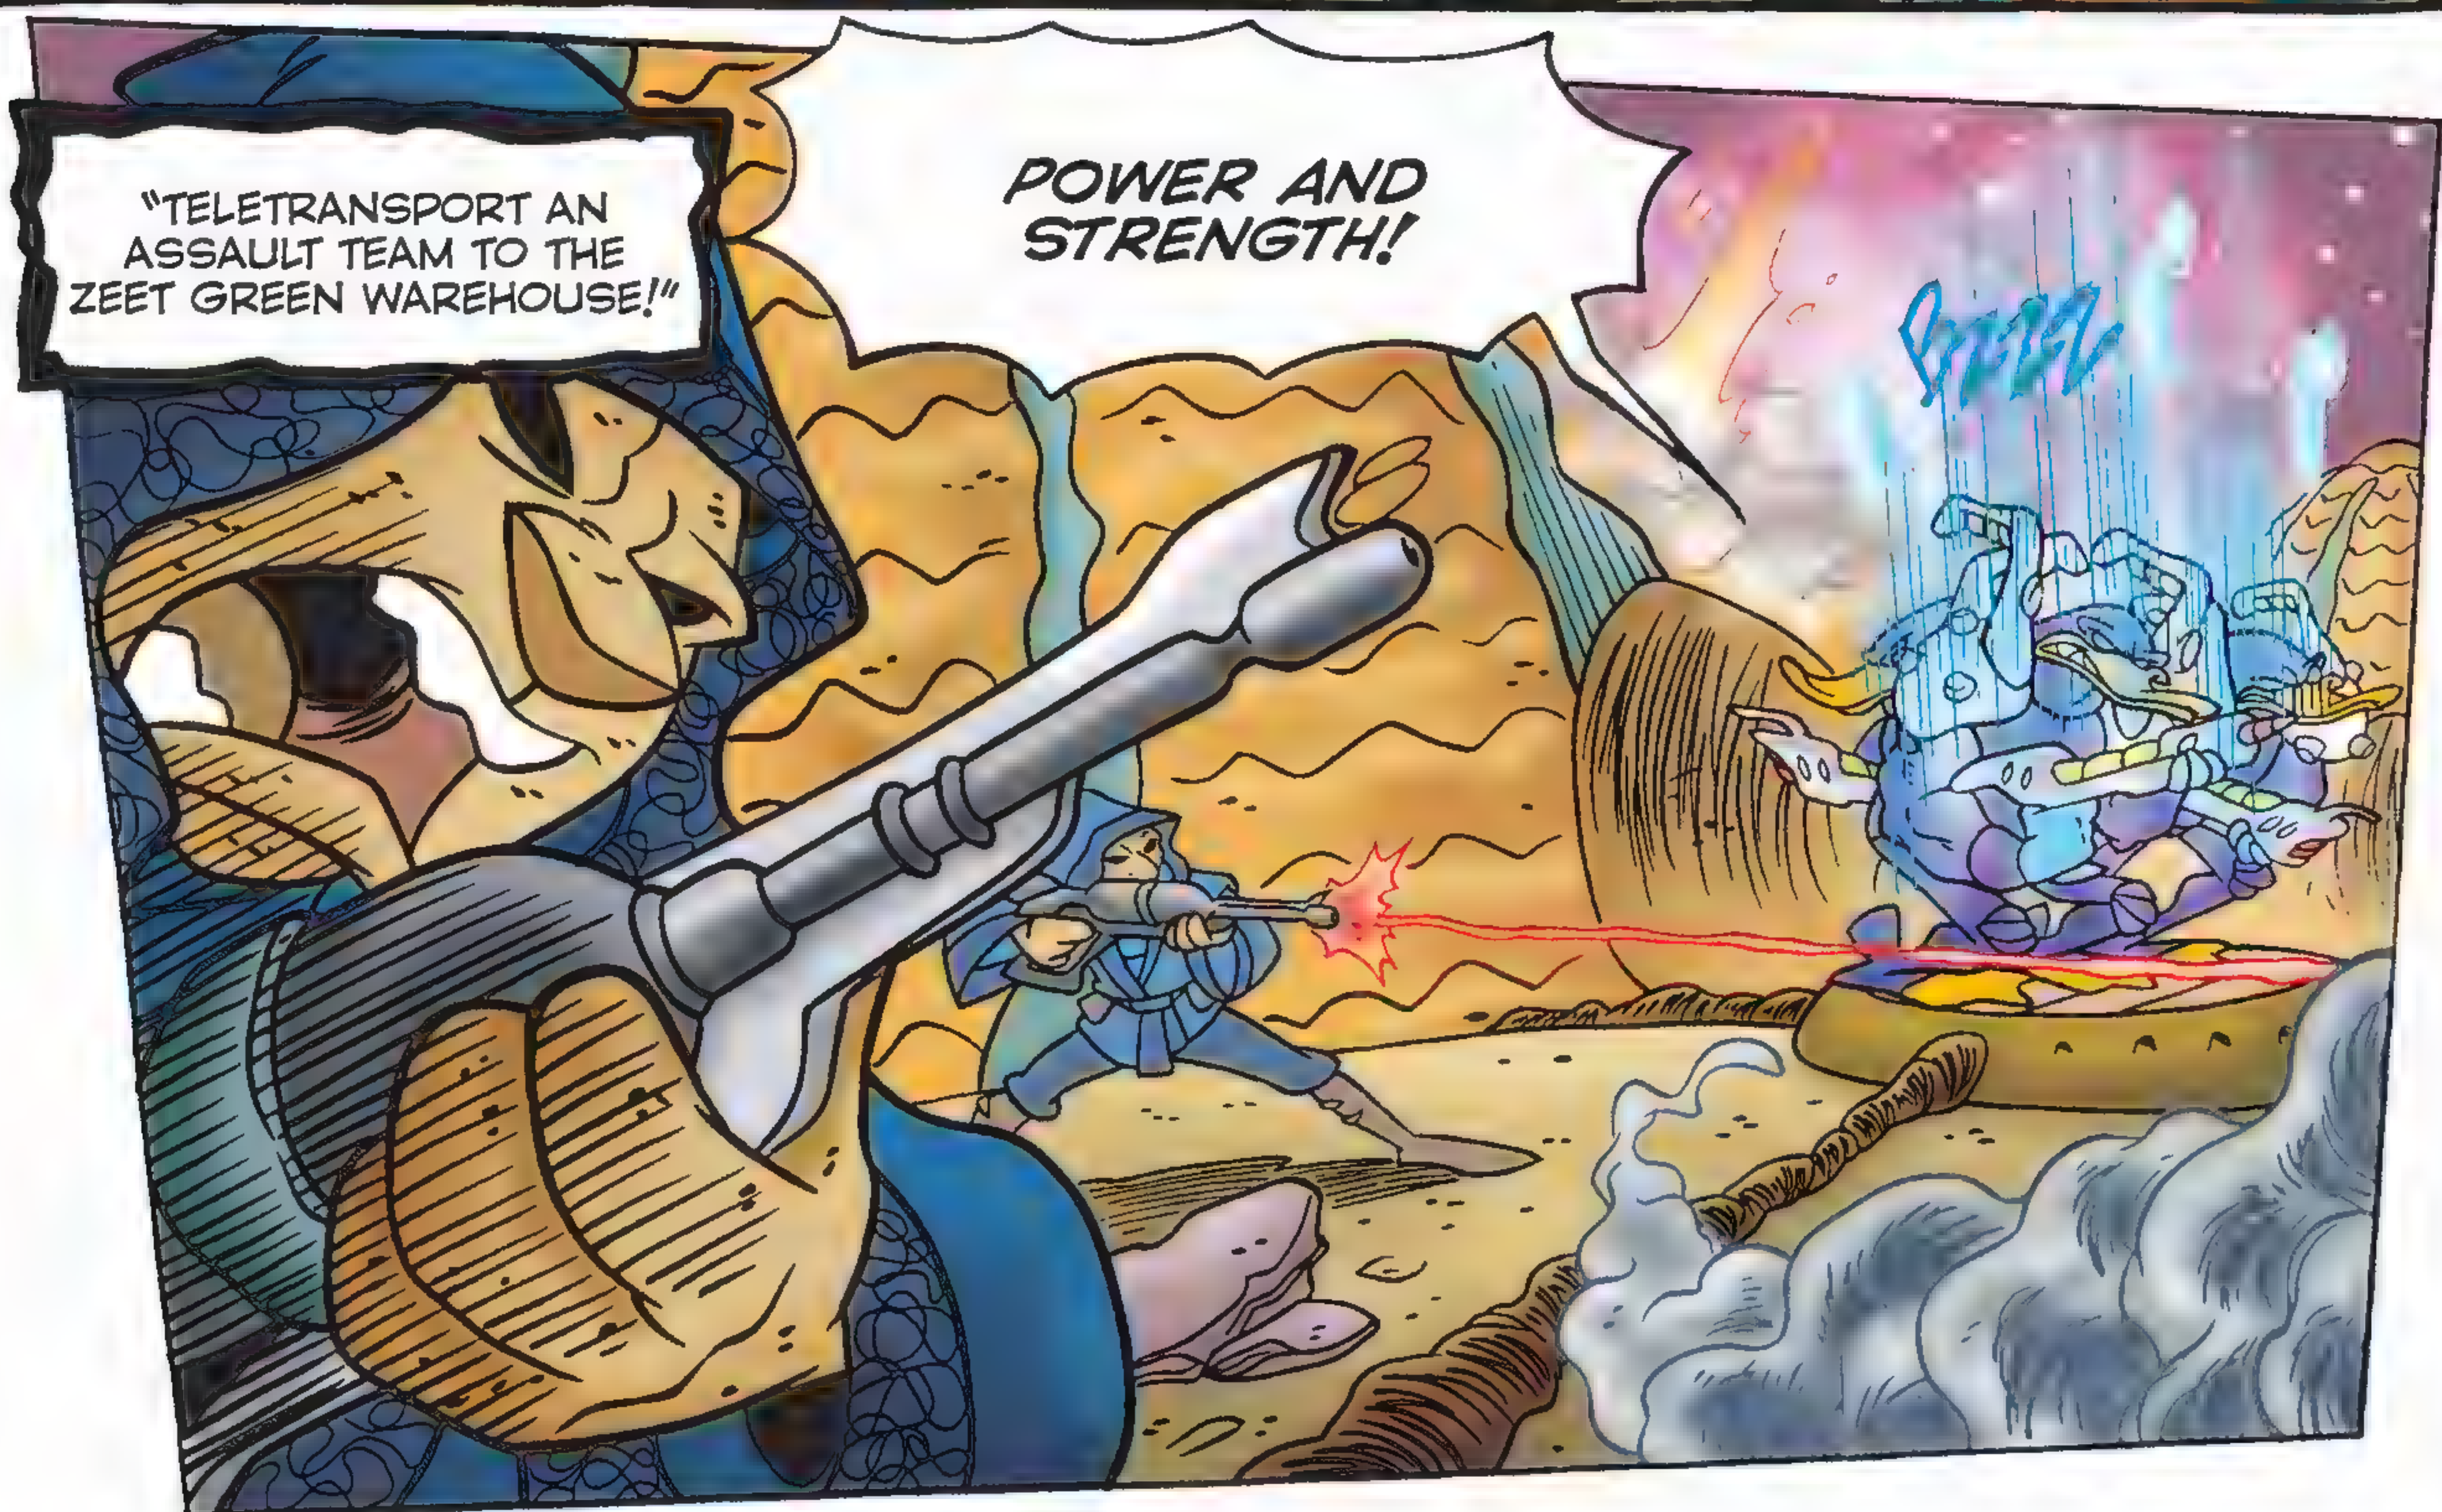

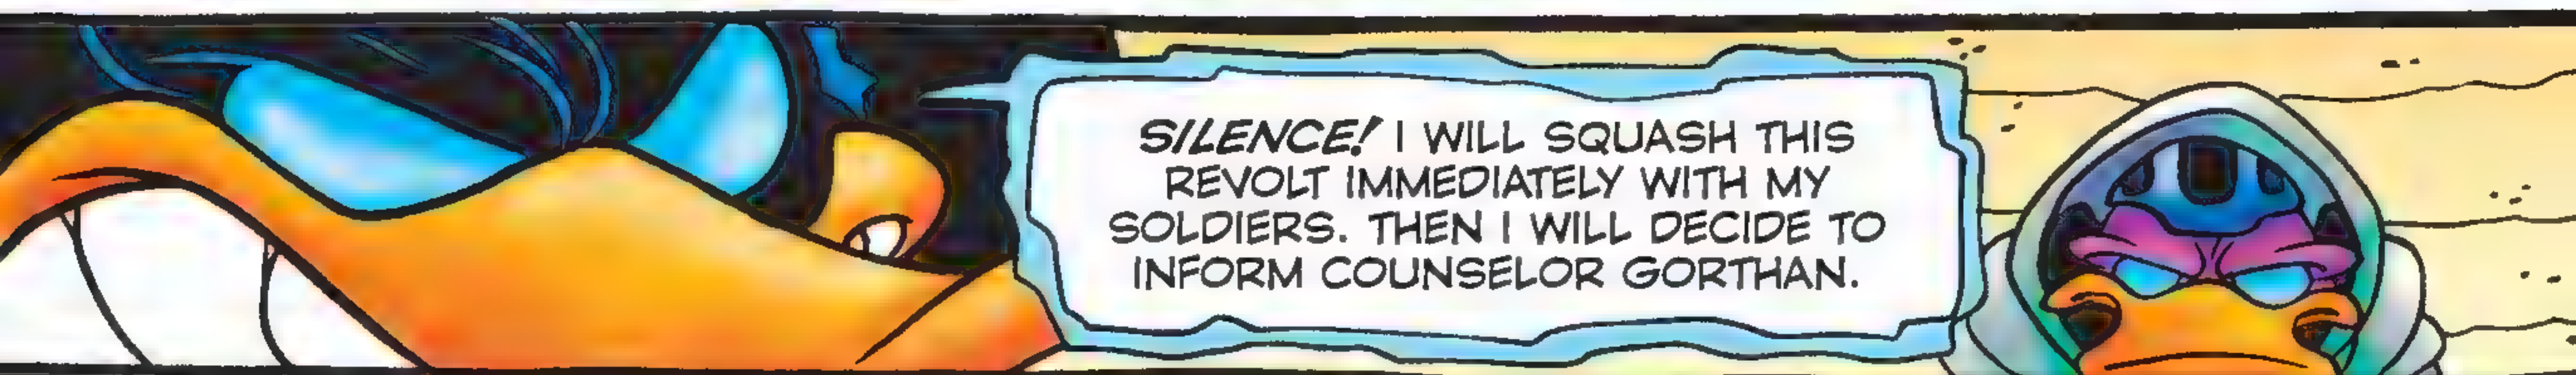

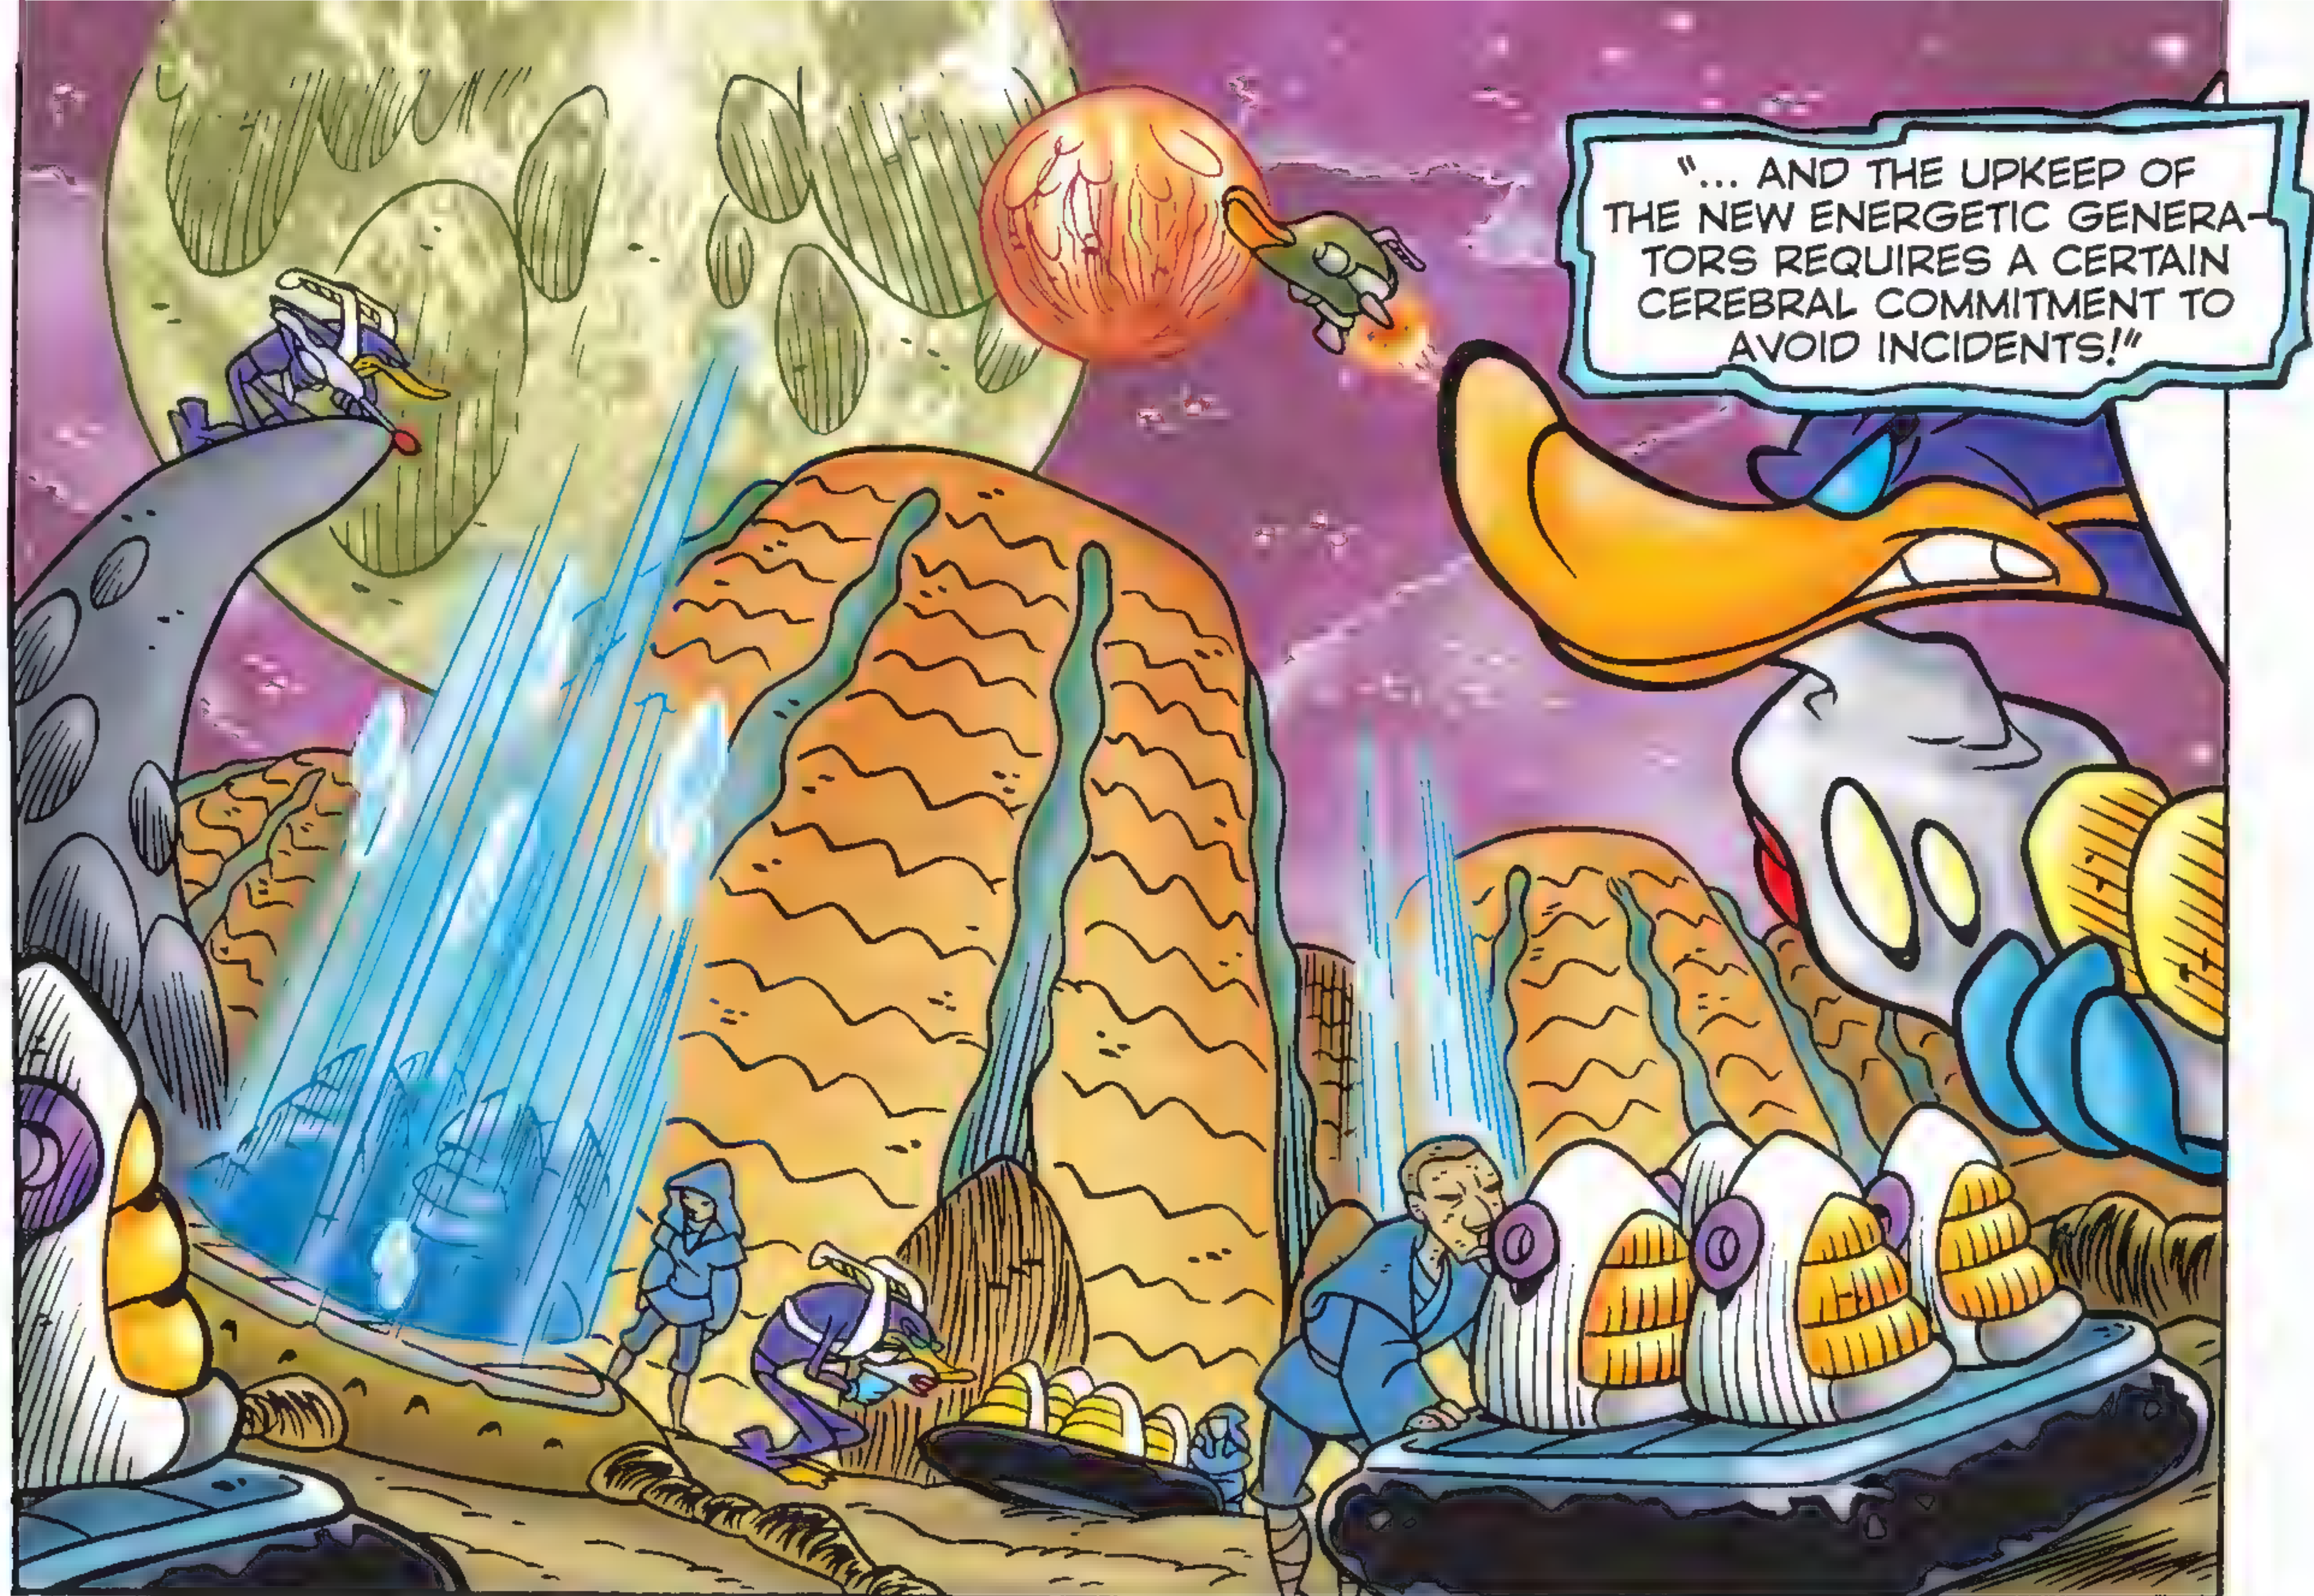

PLANET DUNDAIN.
EVRONIAN COLONY.

KRYTON SHUTTLE
LEAVING HYPER-SPACE.
PERMISSION TO
LAND.

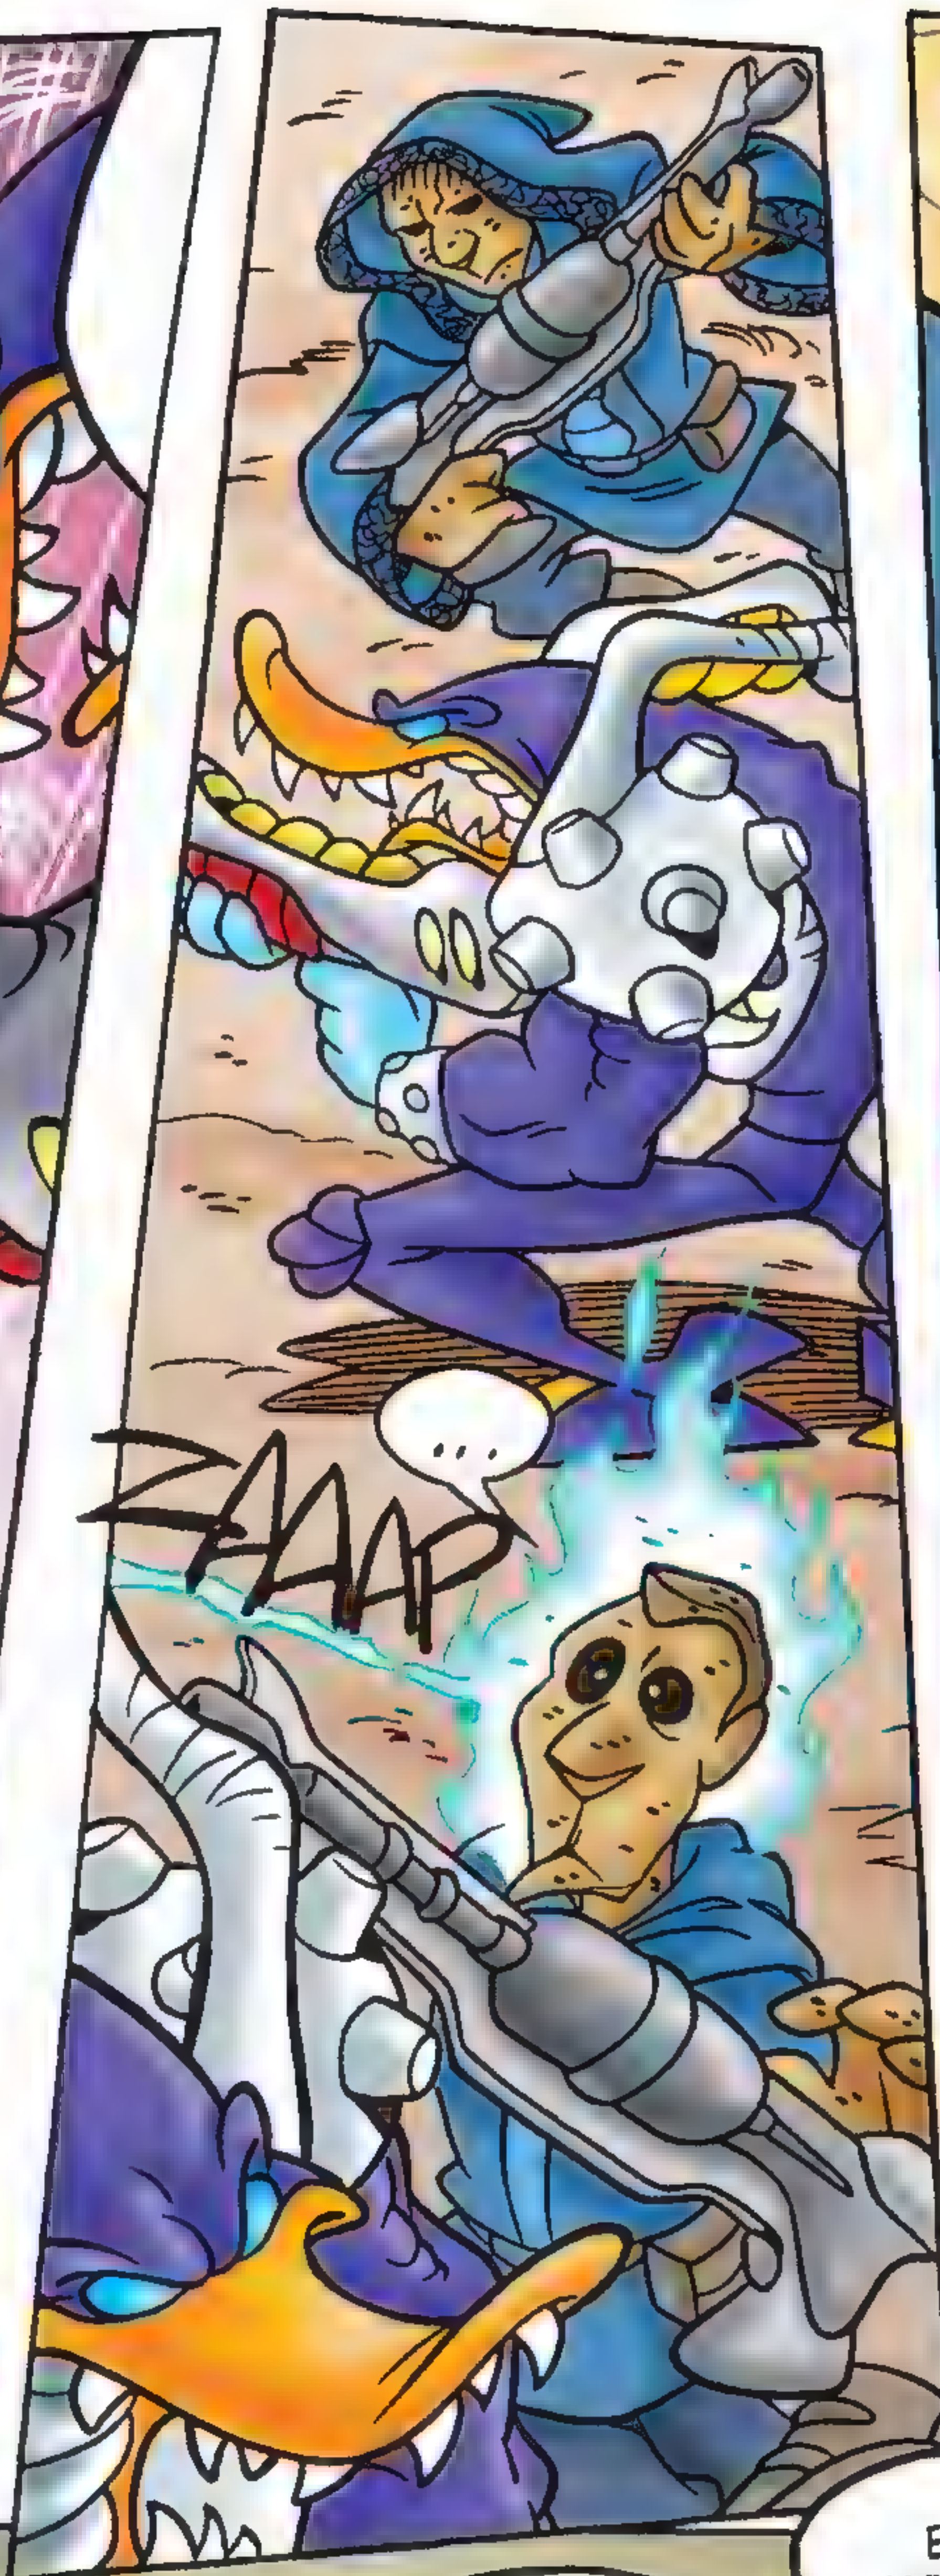

RECEIVED. KRYTON
SHUTTLE. DIRECT YOUR-
SELVES TO THE HANGER
OF THE RED ZYON SECTOR WITH-
OUT PASSING OVER
THE HYDROGEN
WAREHOUSES...

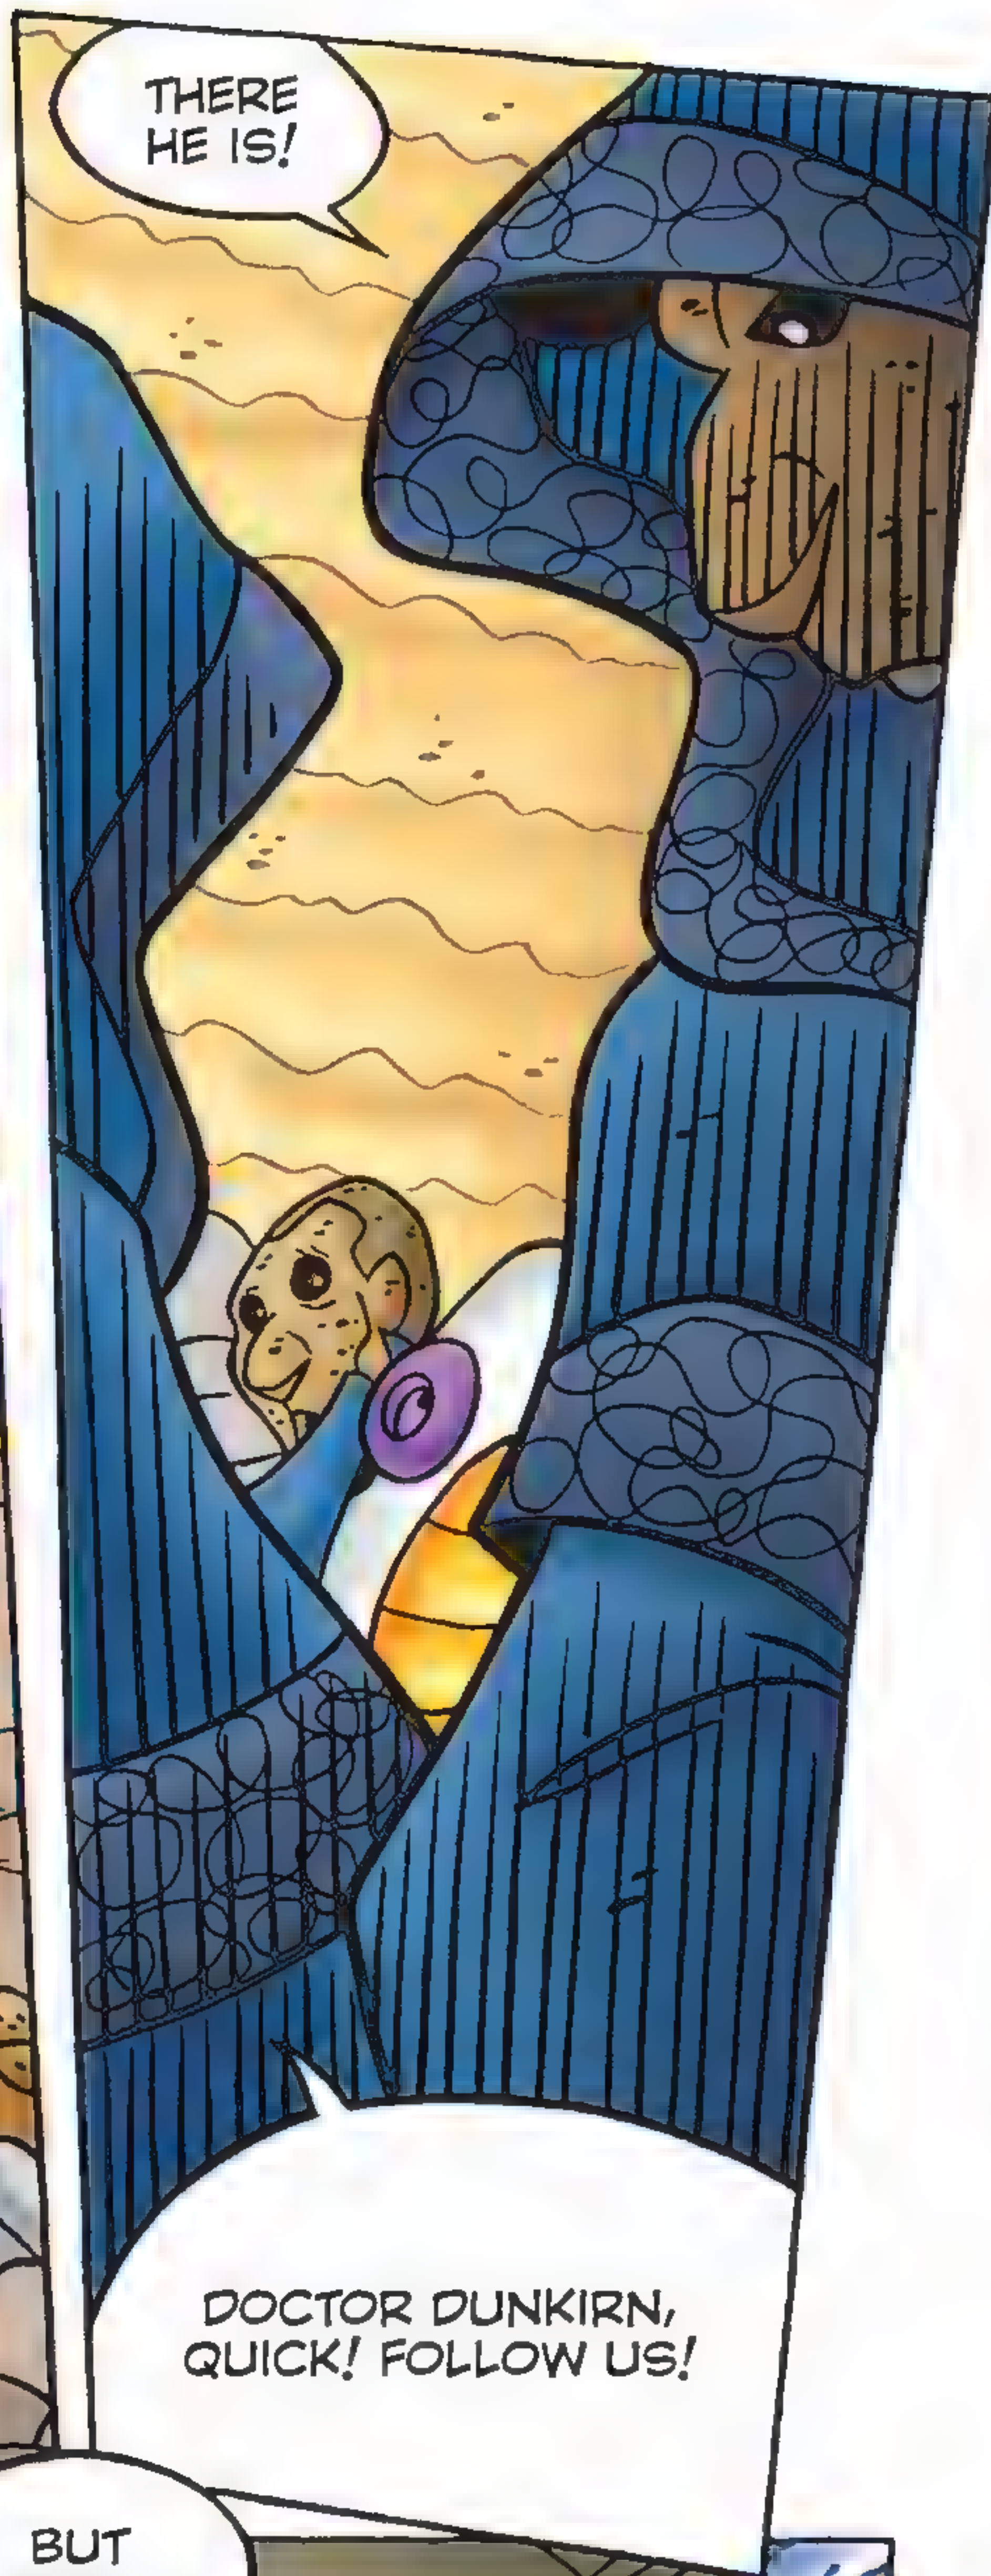

QUICK! FIND
DUNKIRN! HIS
LIBERTY IS THE
PRIORITY!

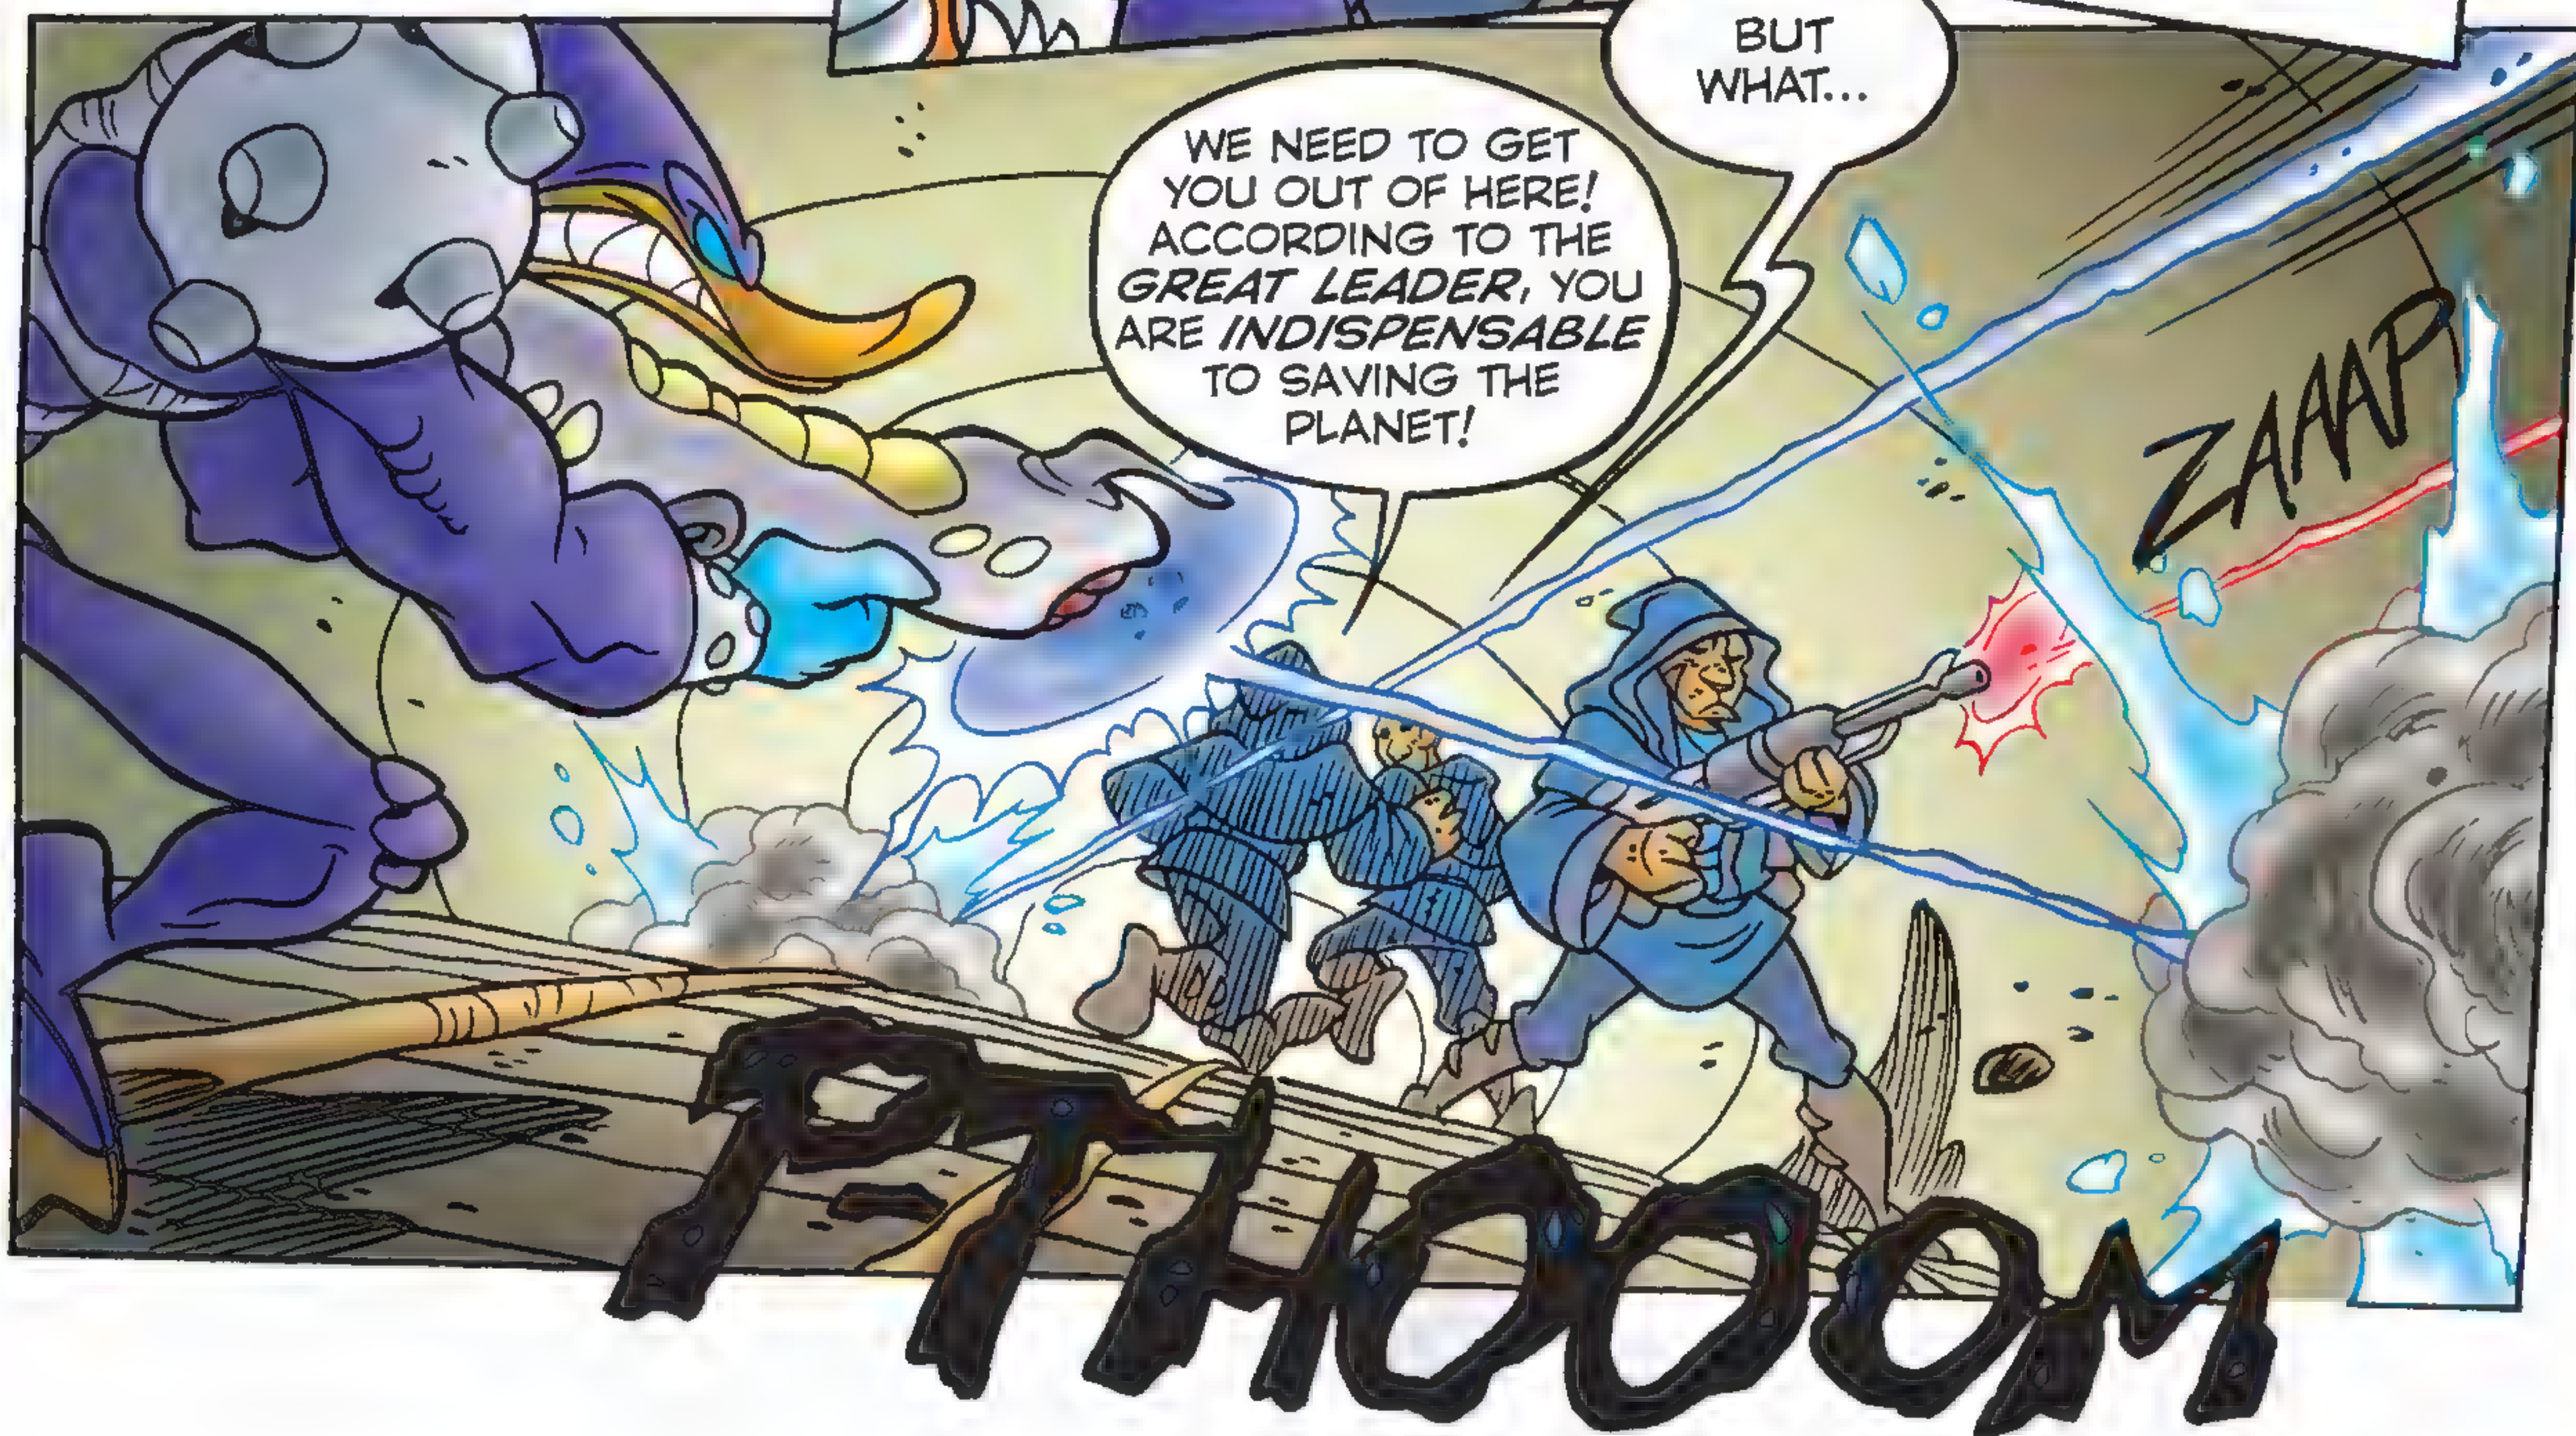

ZAAAP

THERE
HE IS!

DOCTOR DUNKIRN,
QUICK! FOLLOW US!

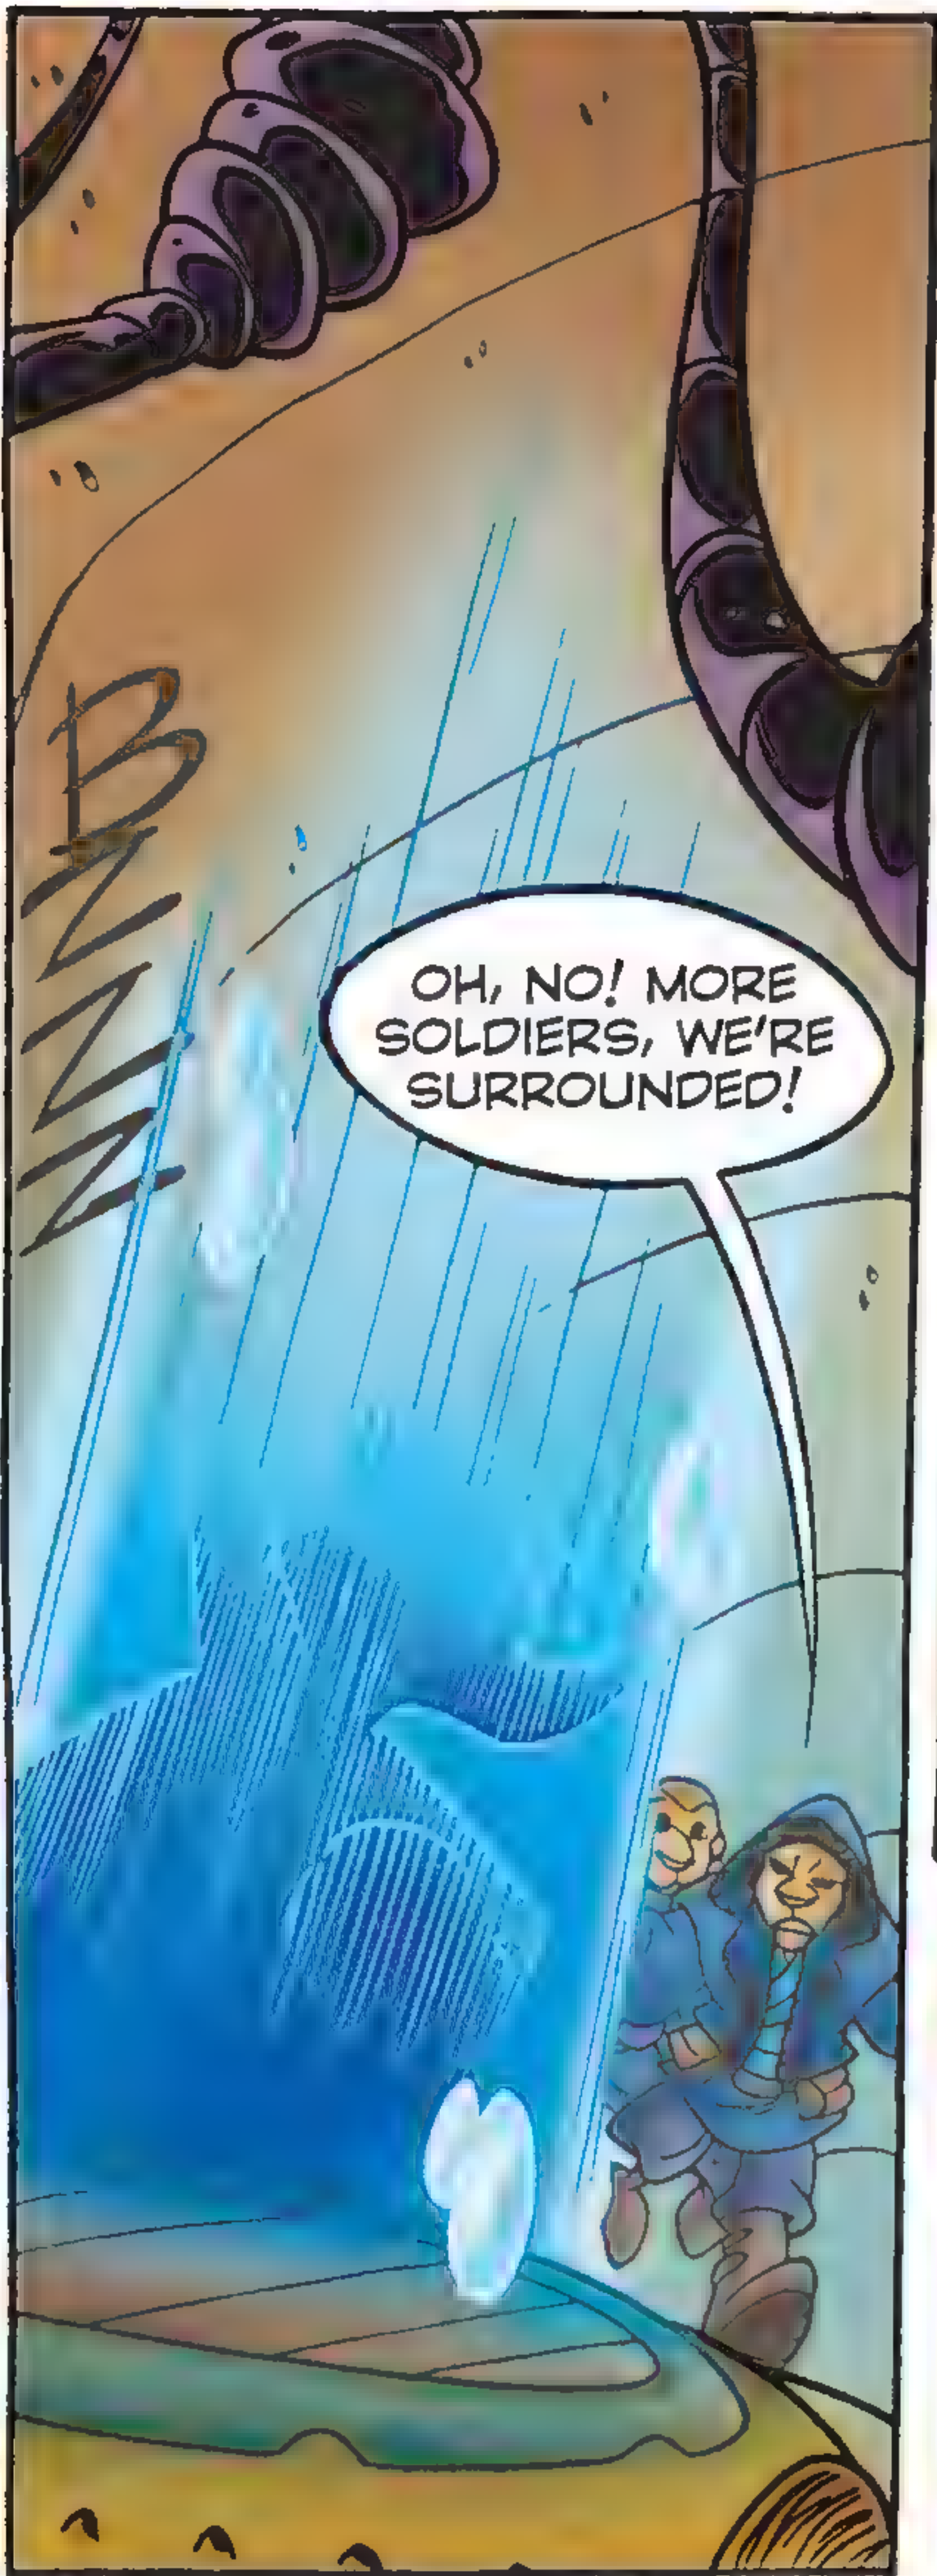

WE NEED TO GET
YOU OUT OF HERE!
ACCORDING TO THE
GREAT LEADER, YOU
ARE **INDISPENSABLE**
TO SAVING THE
PLANET!

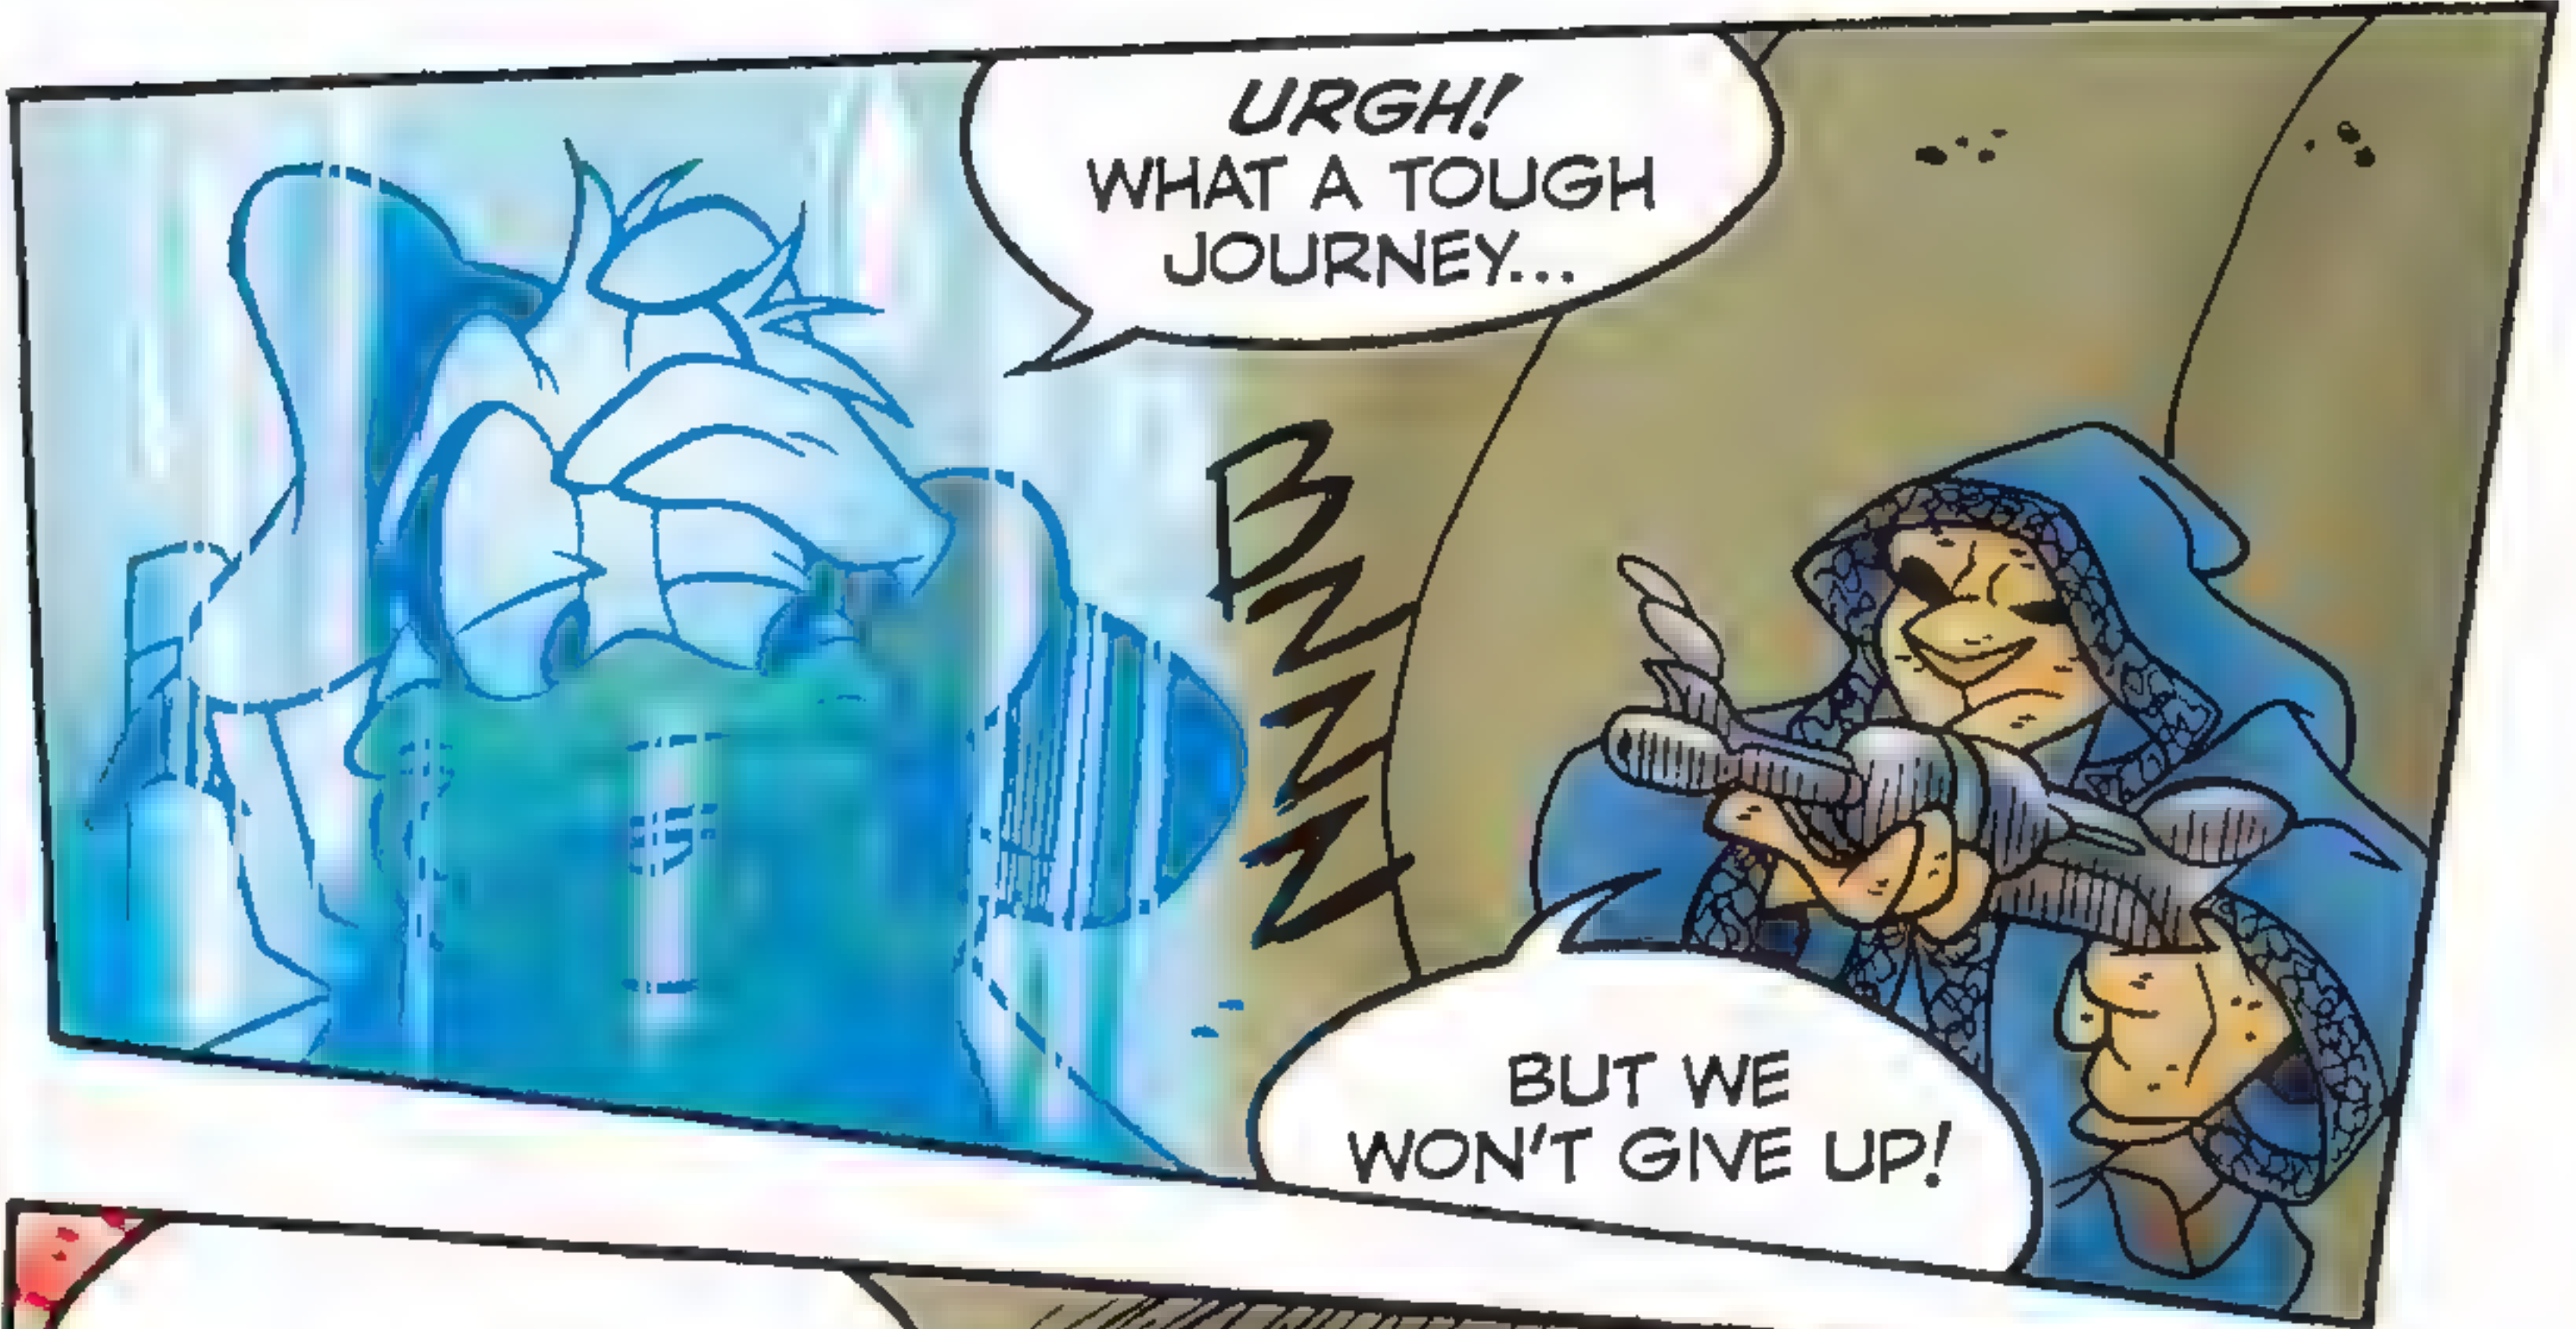

BUT
WHAT...

ZAAAP

BOOM

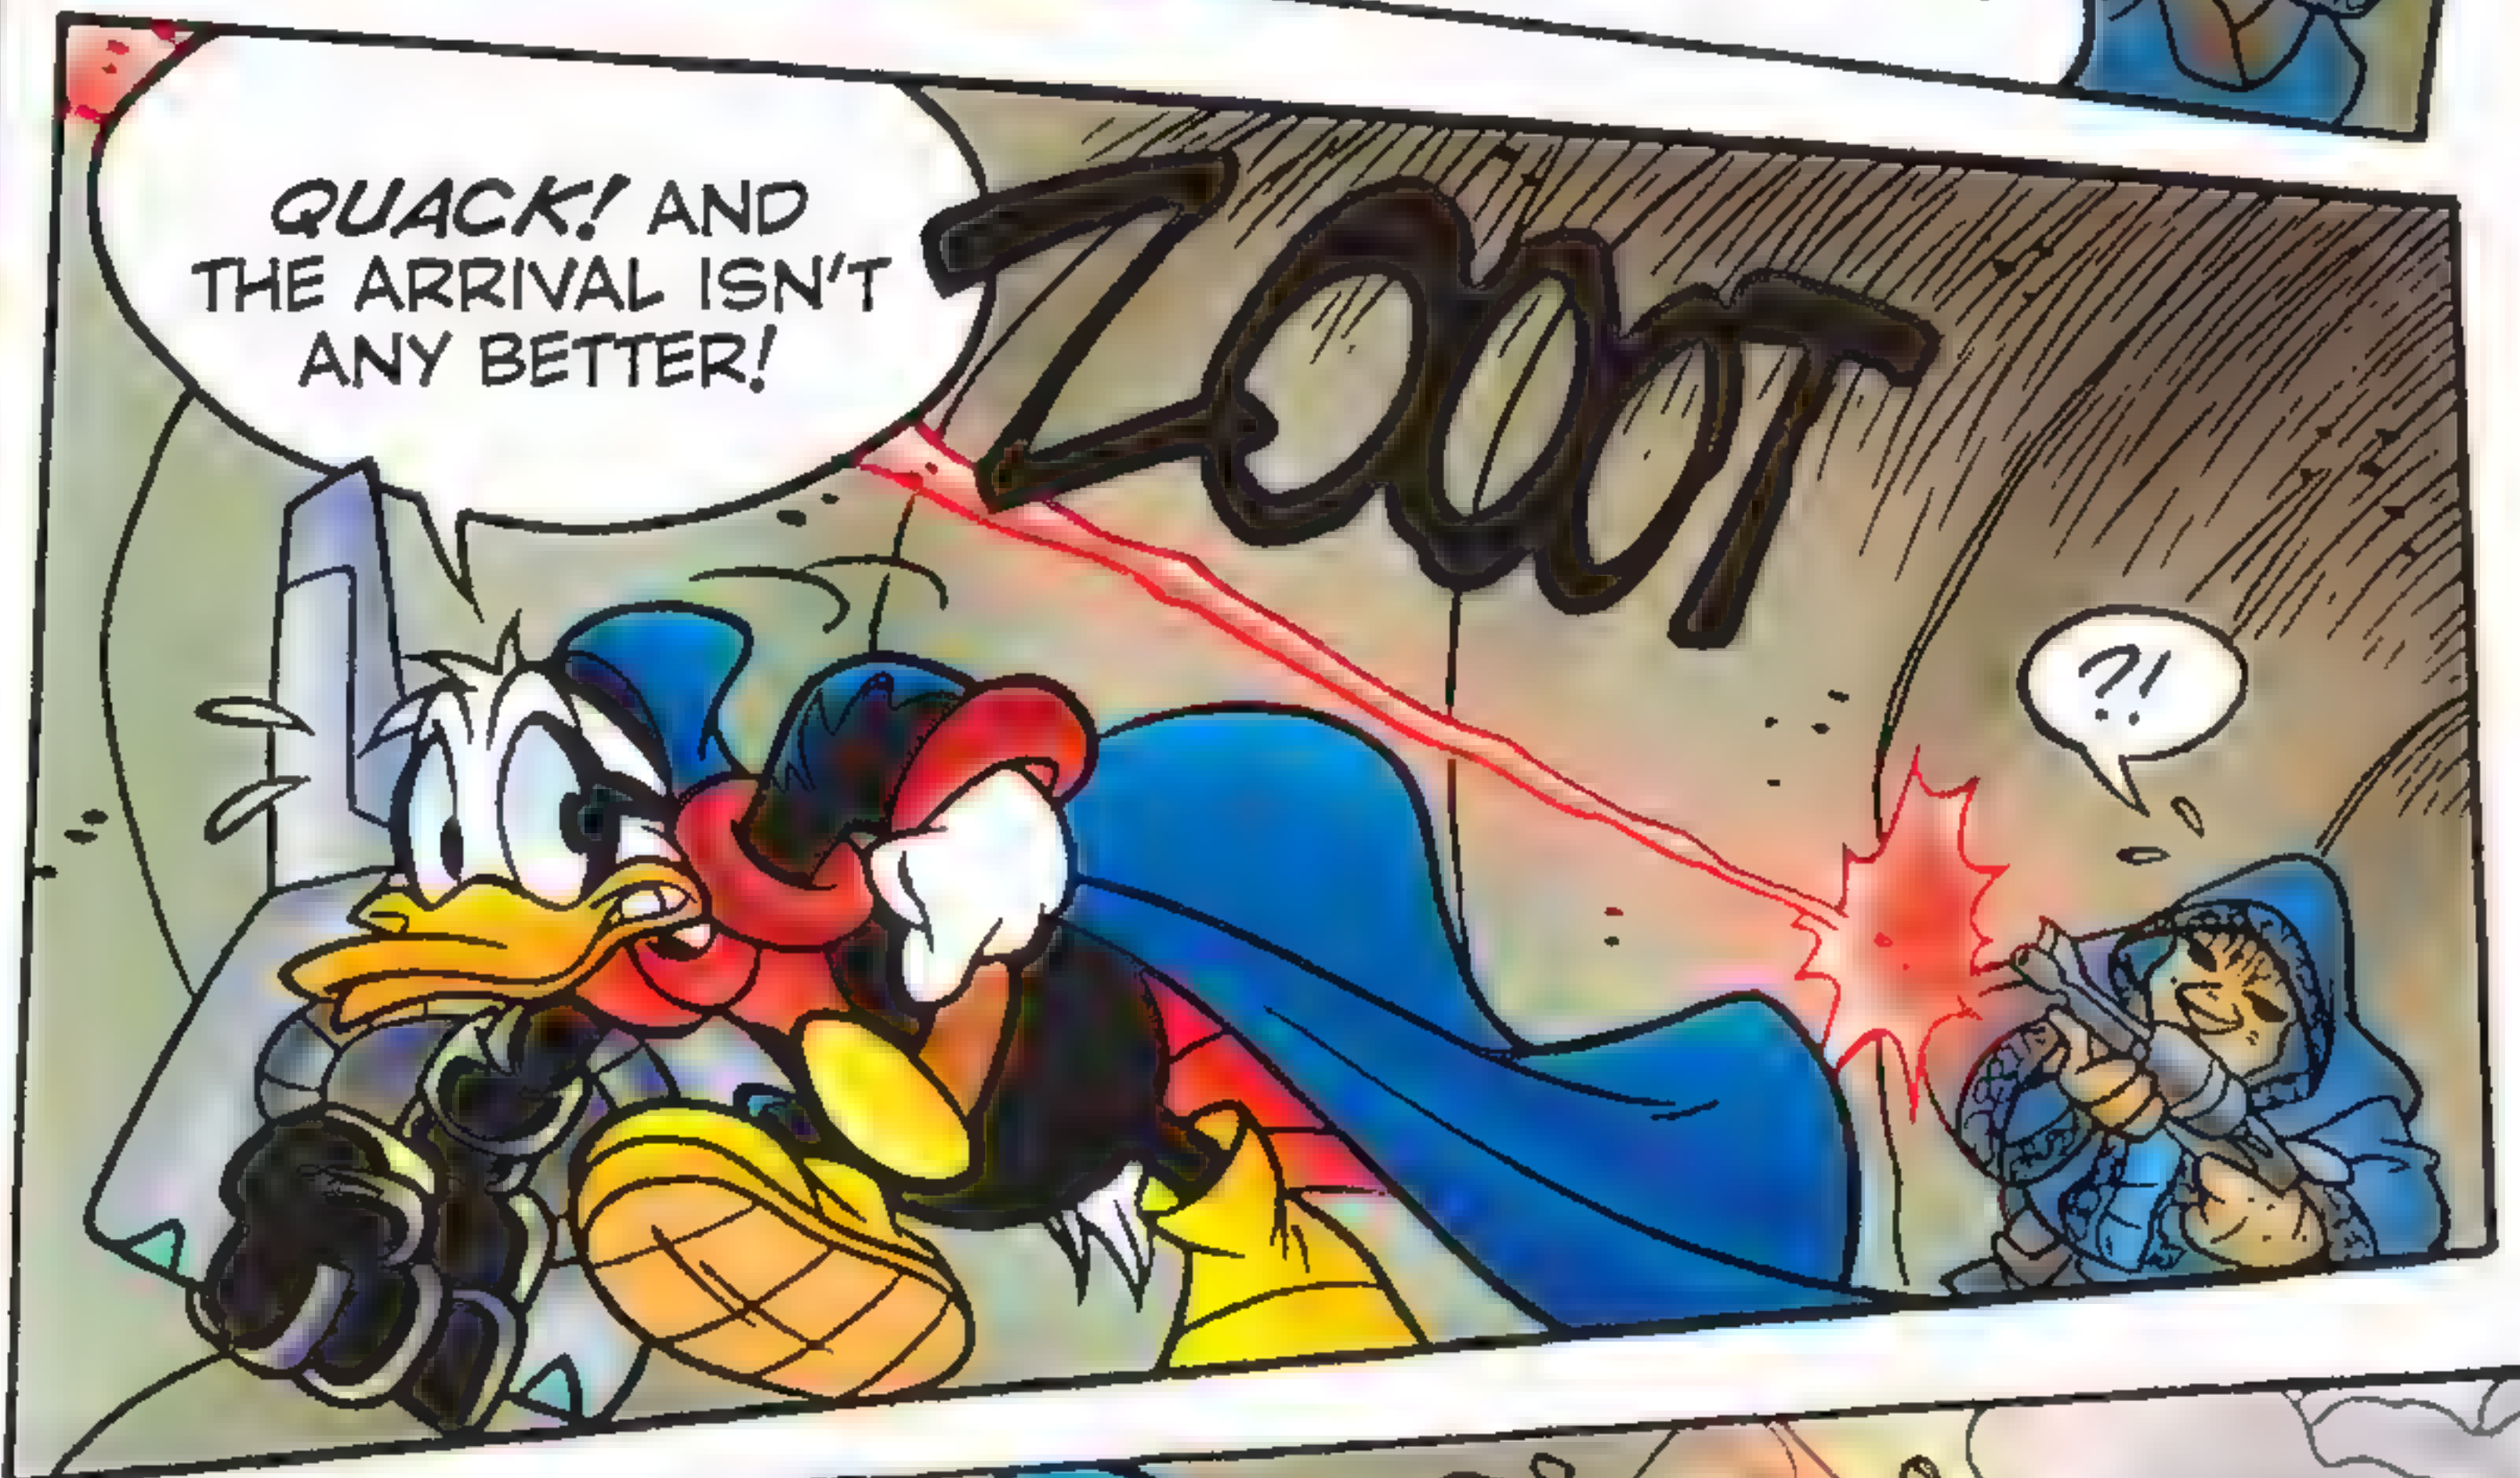

OH, NO! MORE SOLDIERS, WE'RE SURROUNDED!

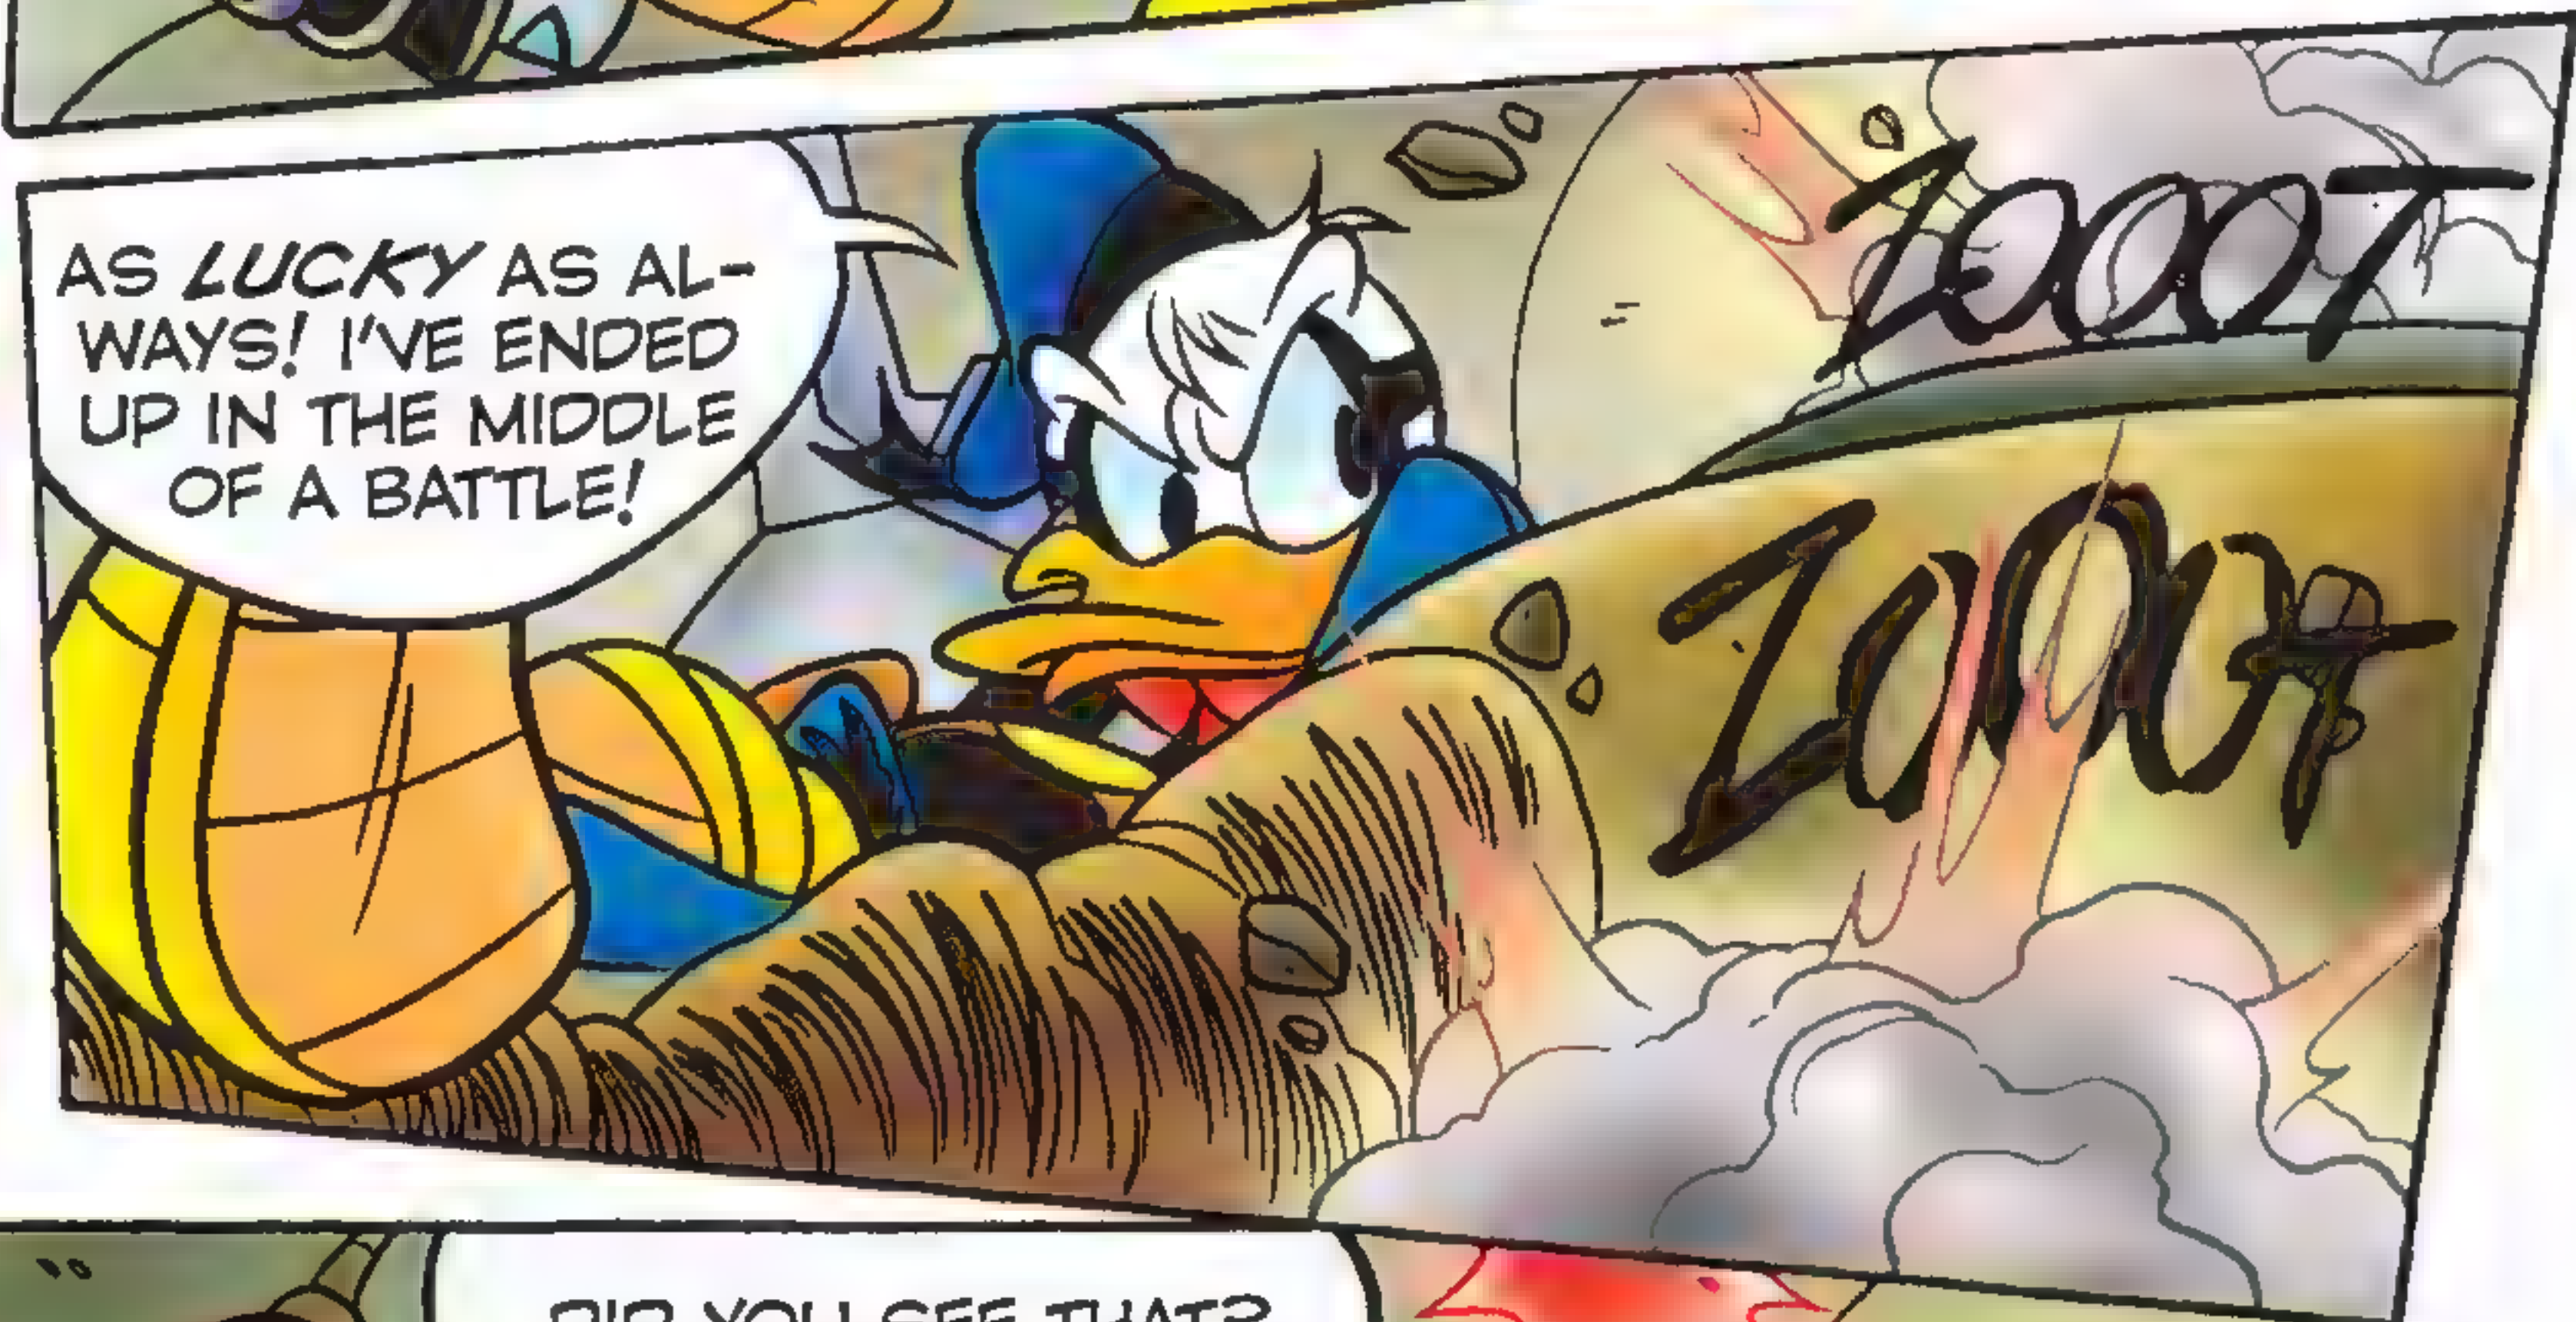

URGH!
WHAT A TOUGH JOURNEY...

BUT WE WON'T GIVE UP!

QUACK! AND THE ARRIVAL ISN'T ANY BETTER!

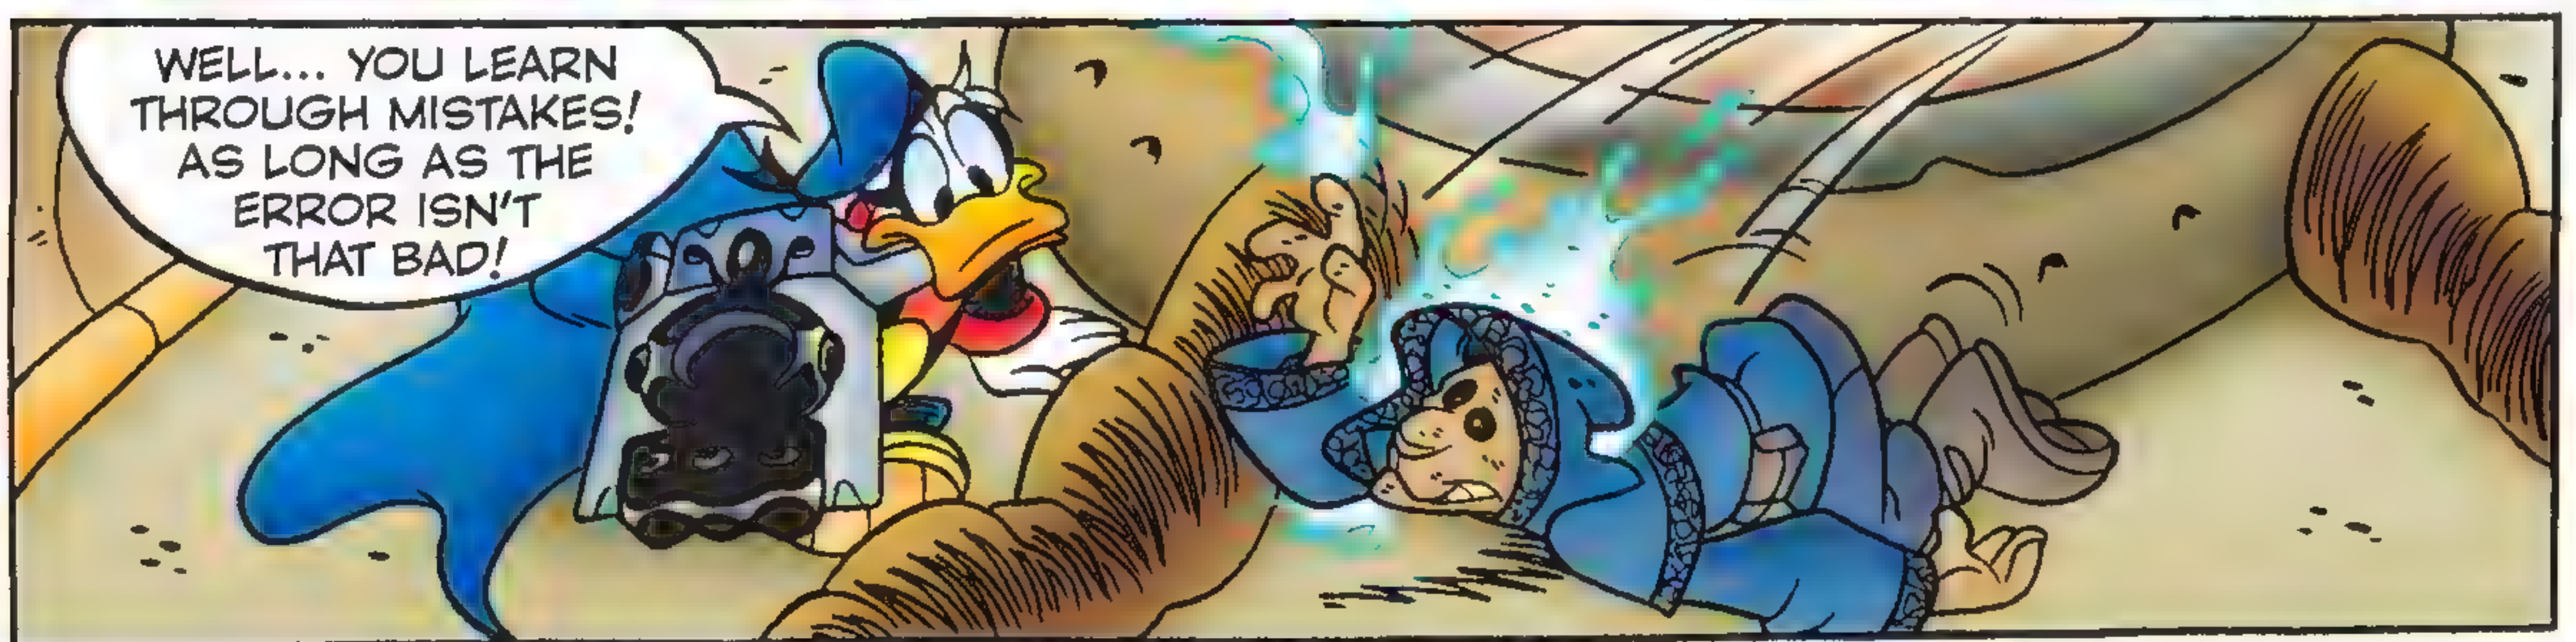

?!

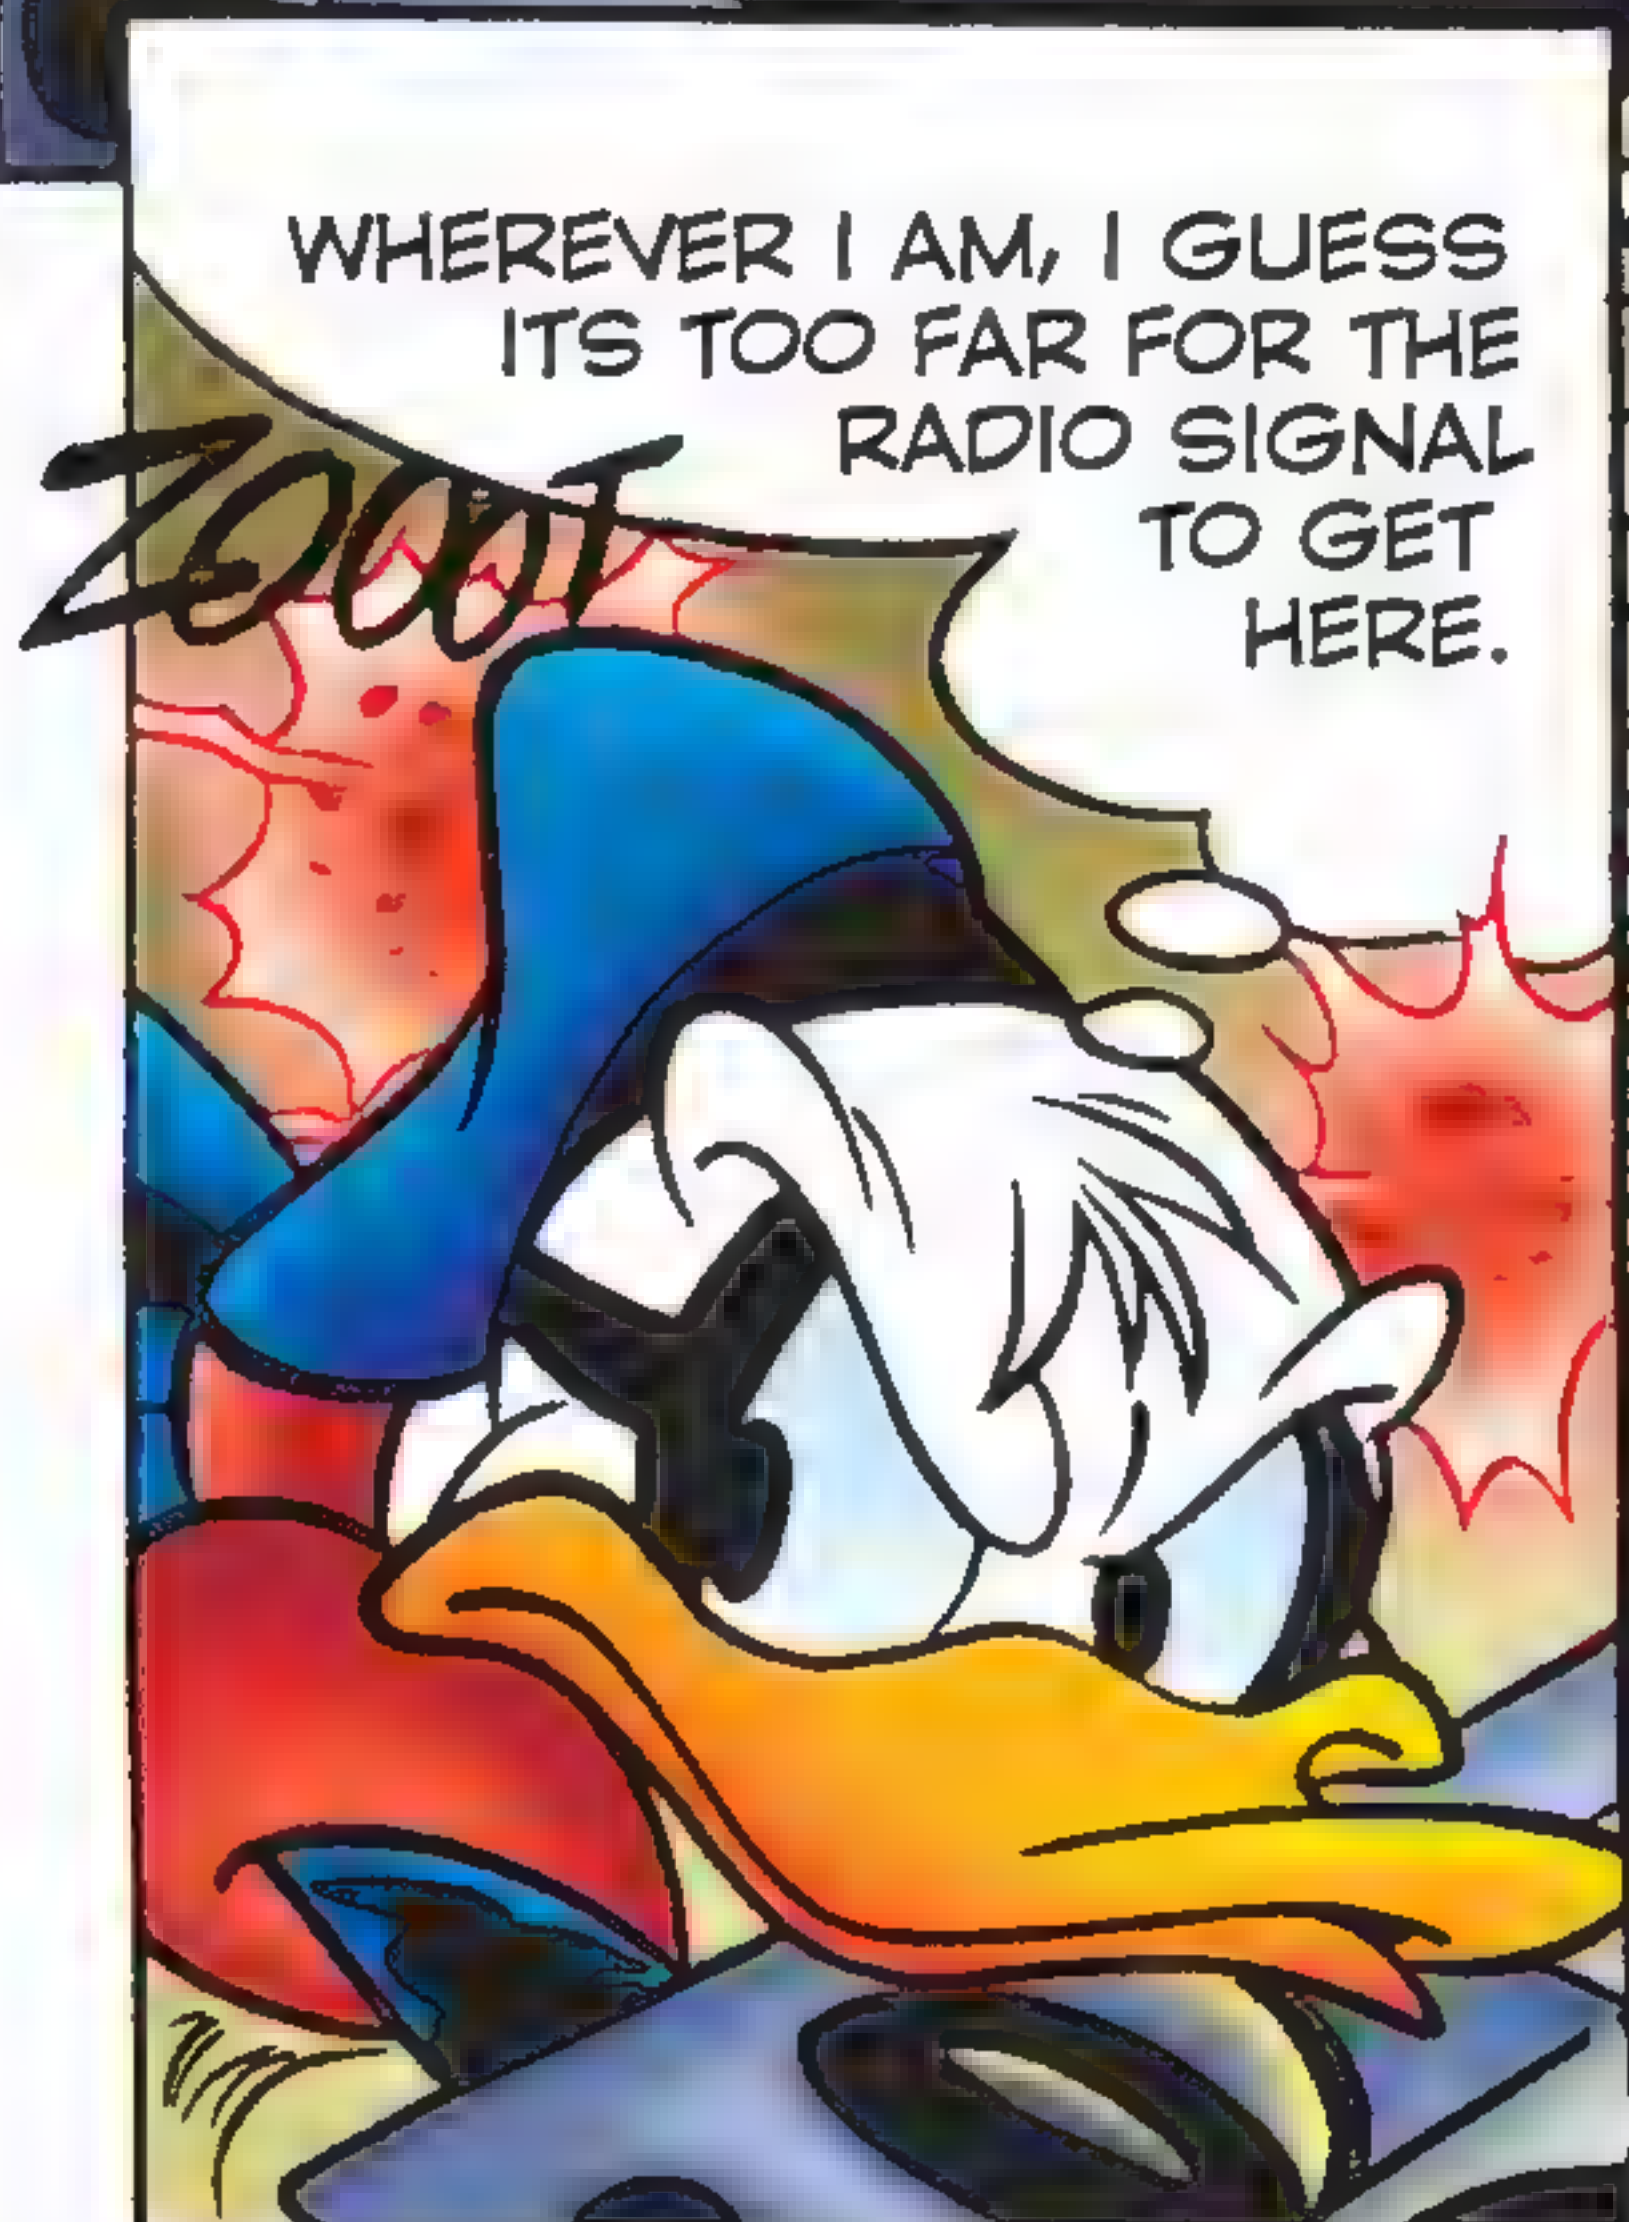

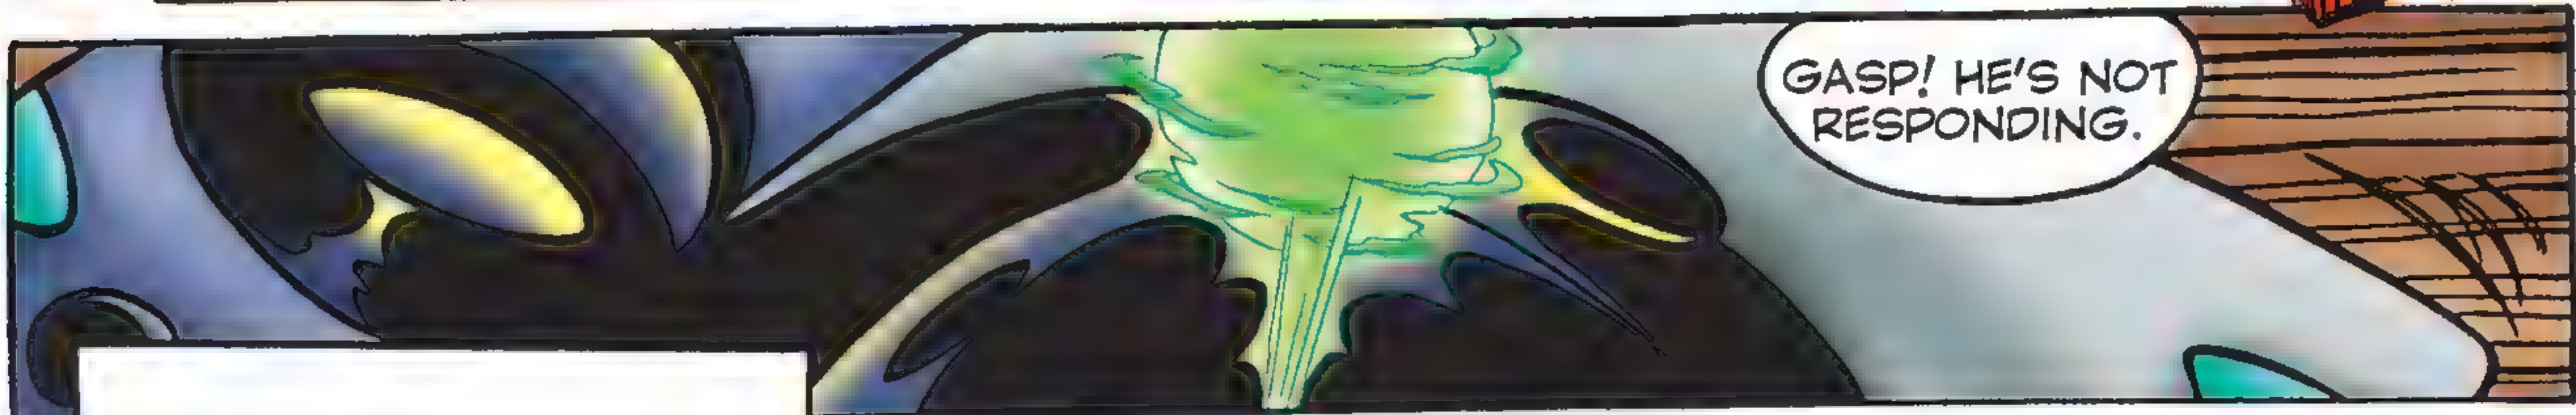

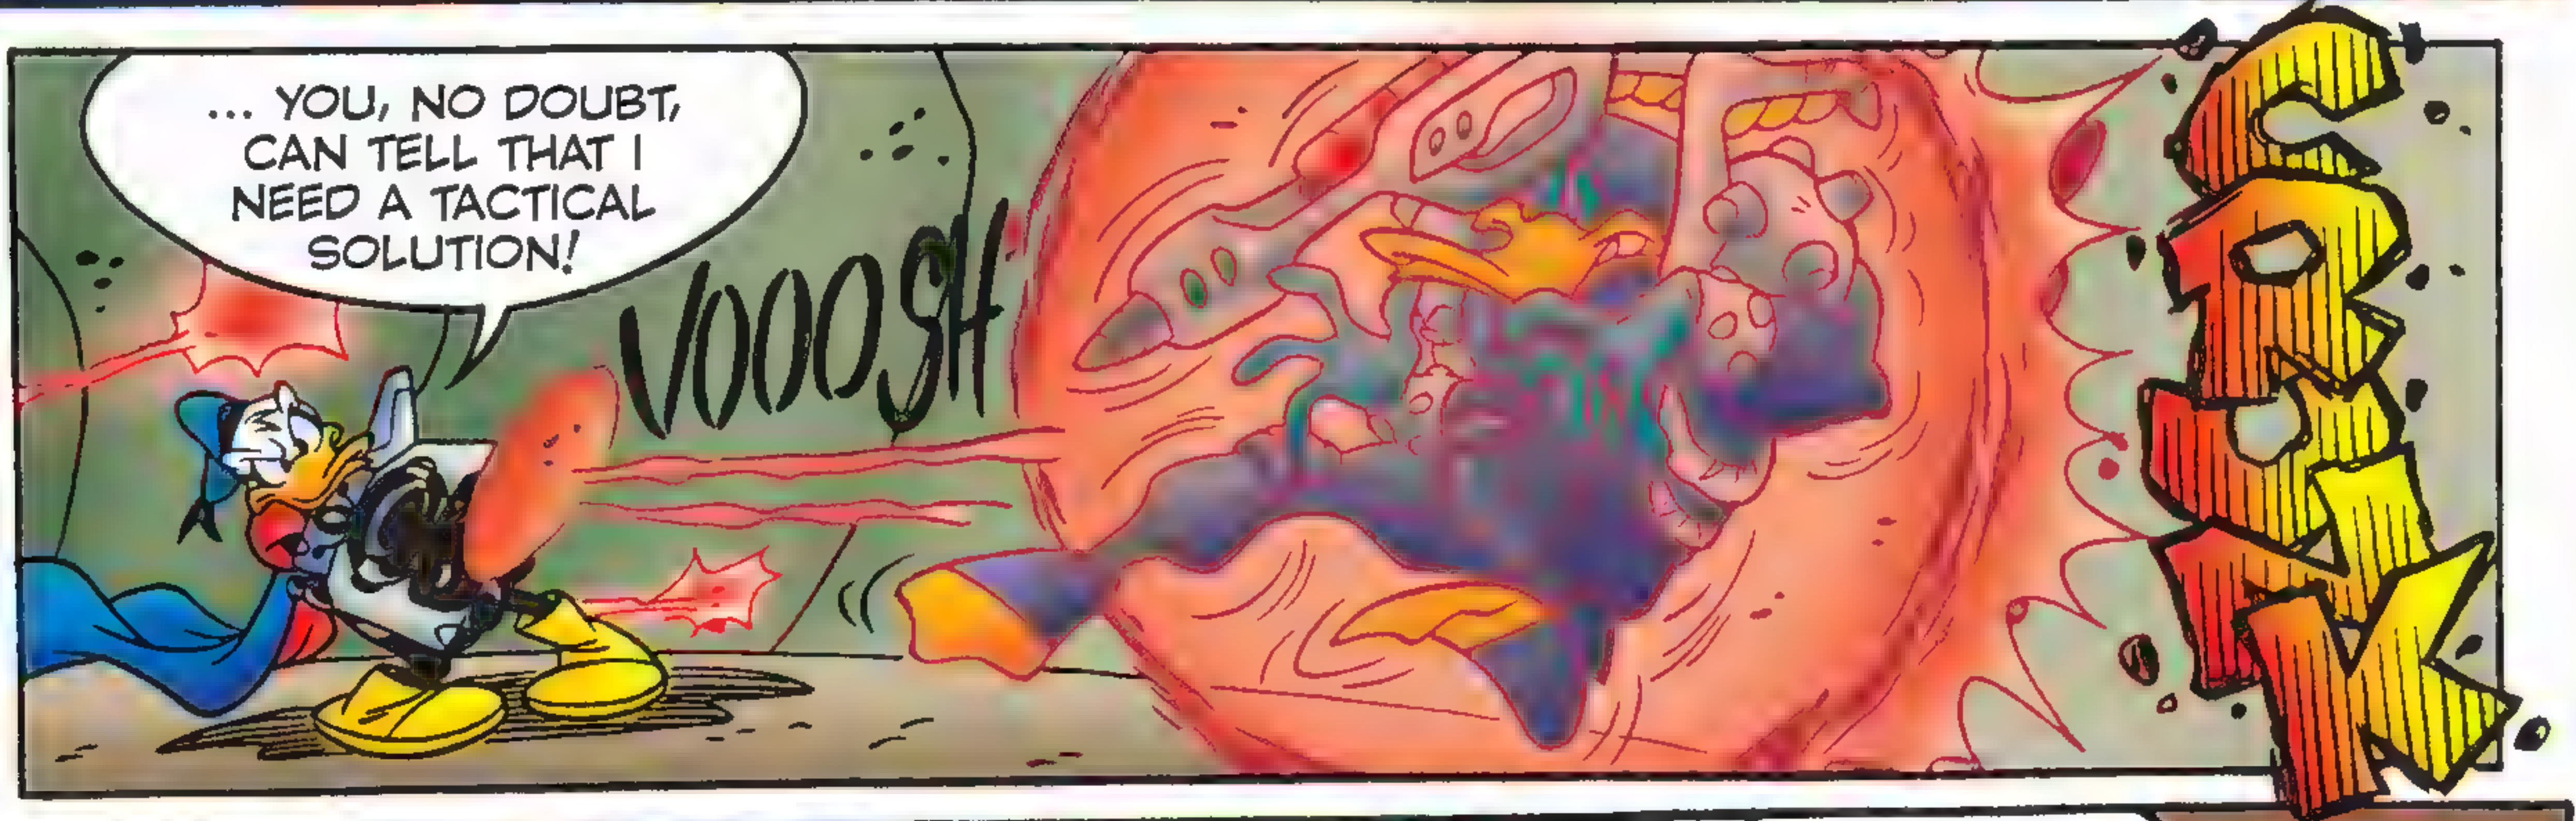

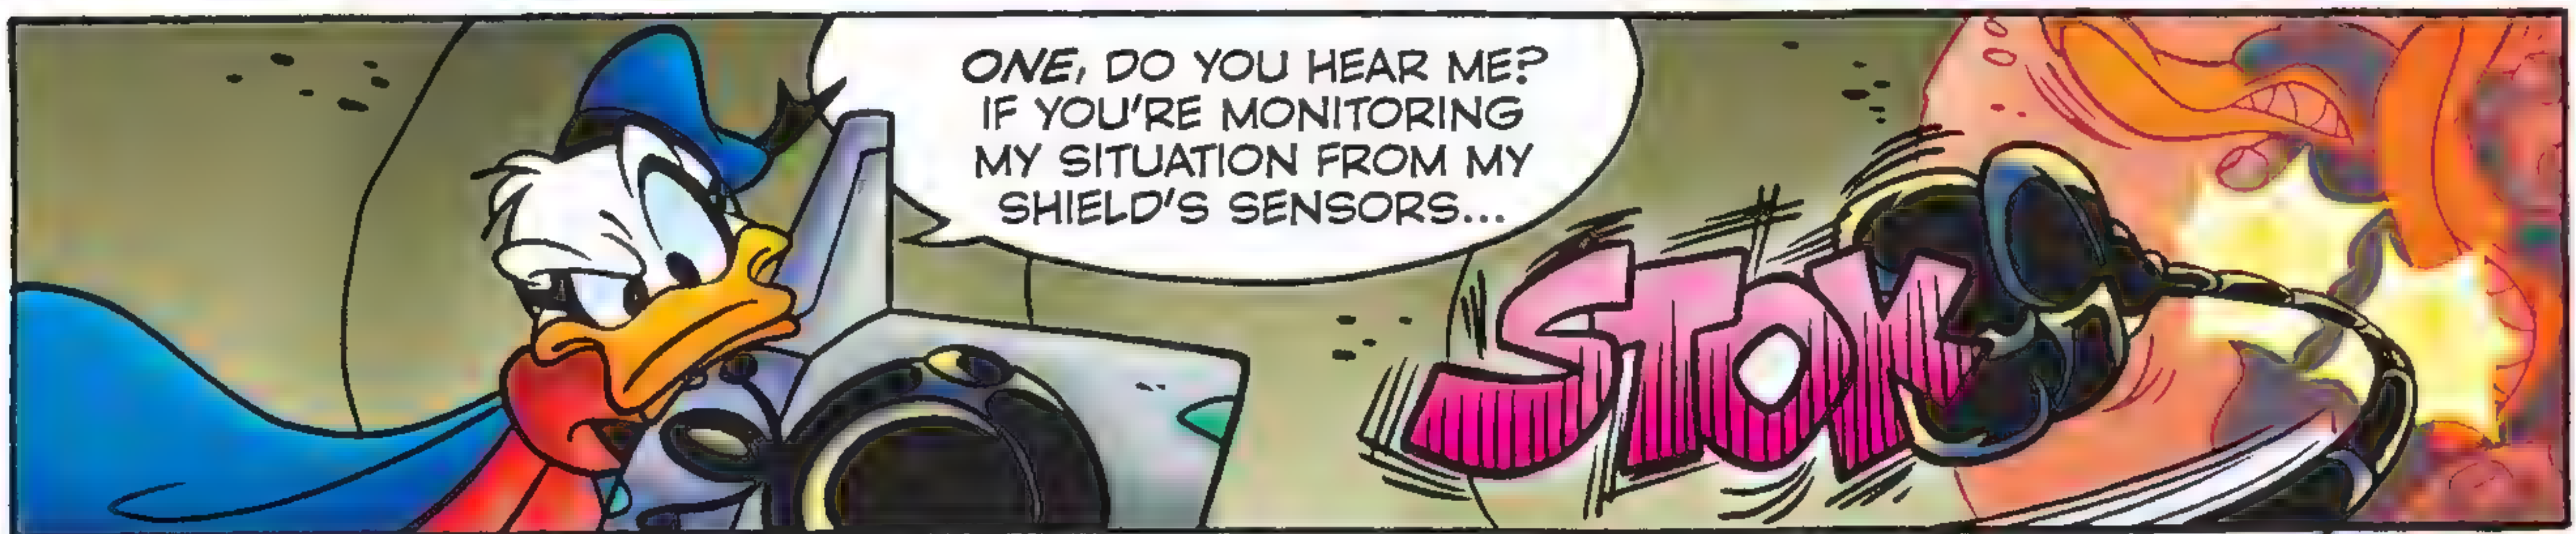

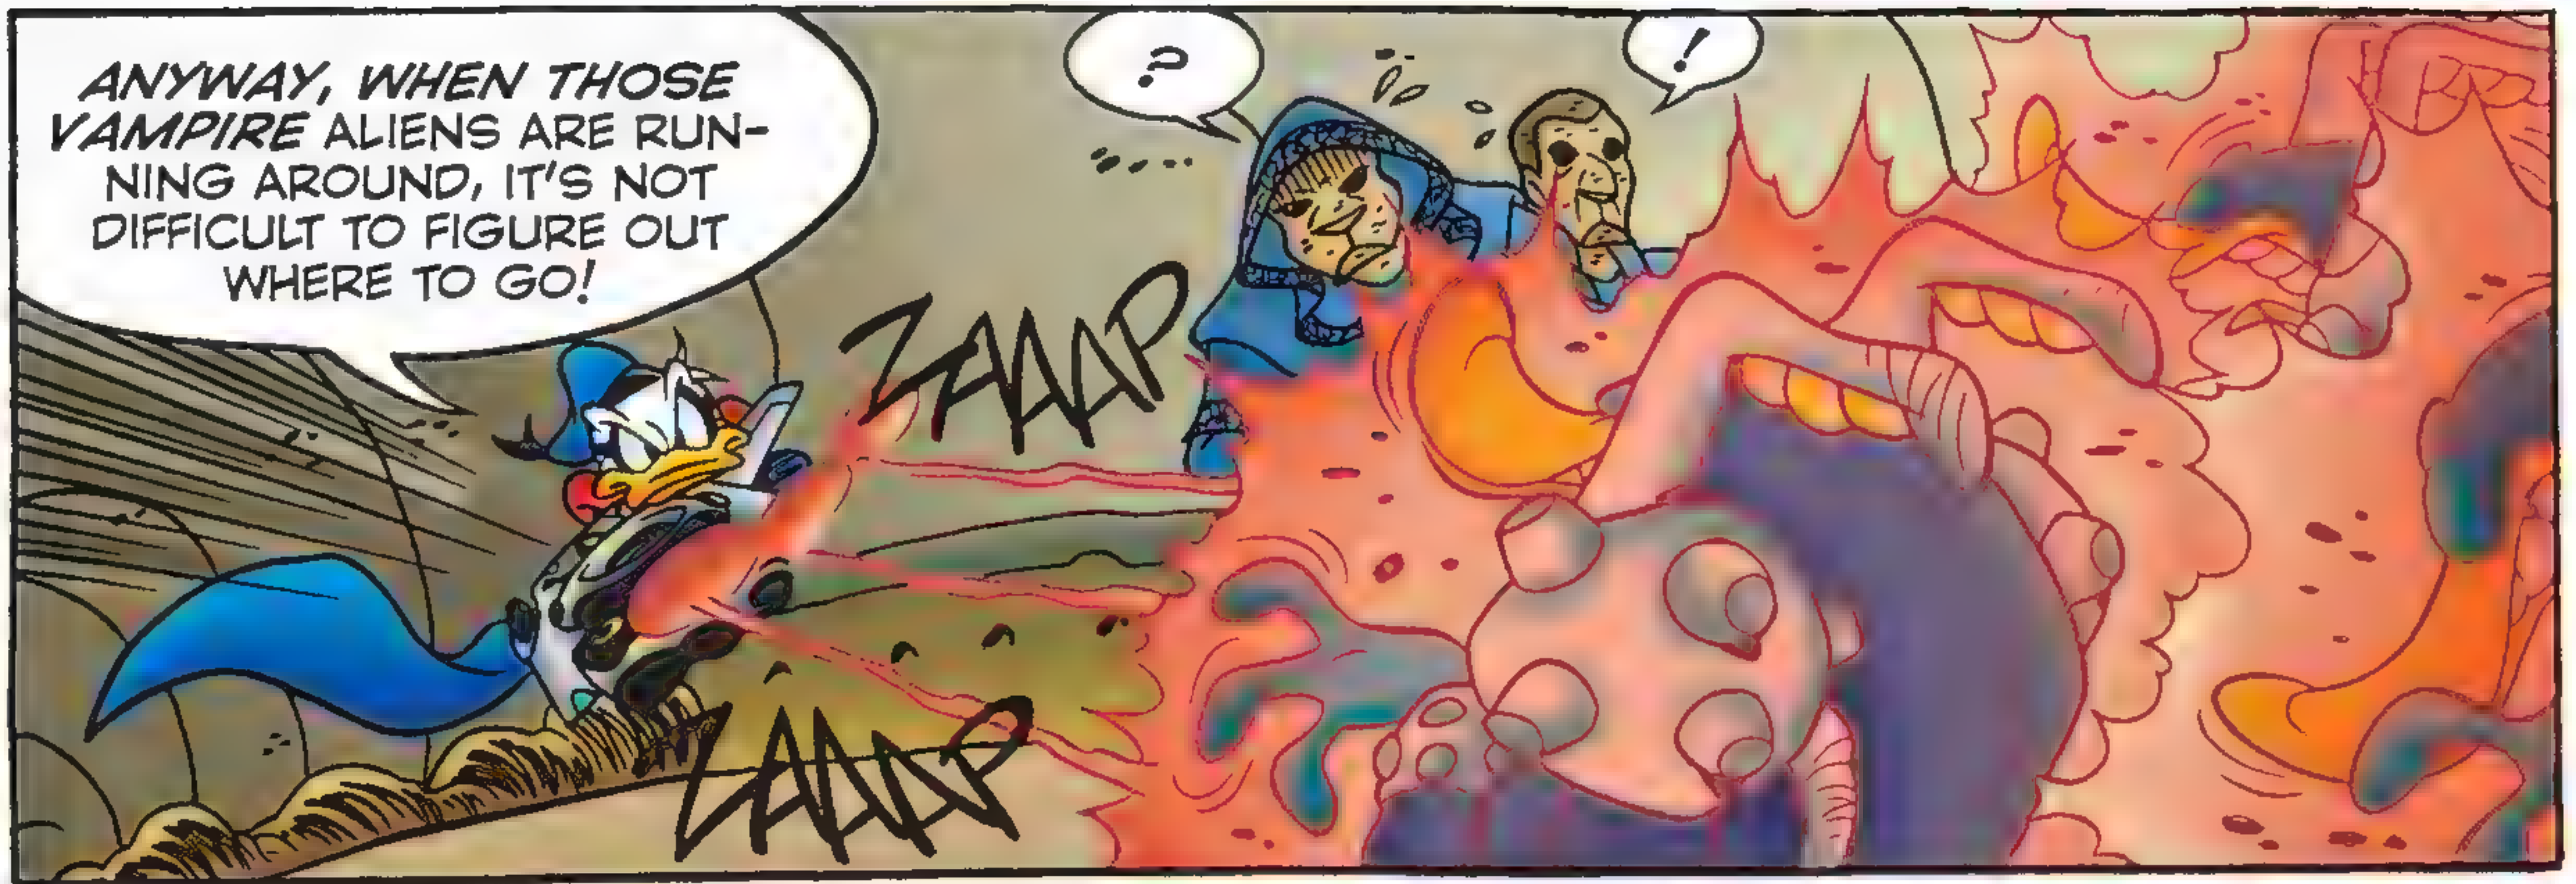

AS LUCKY AS ALWAYS! I'VE ENDED UP IN THE MIDDLE OF A BATTLE!

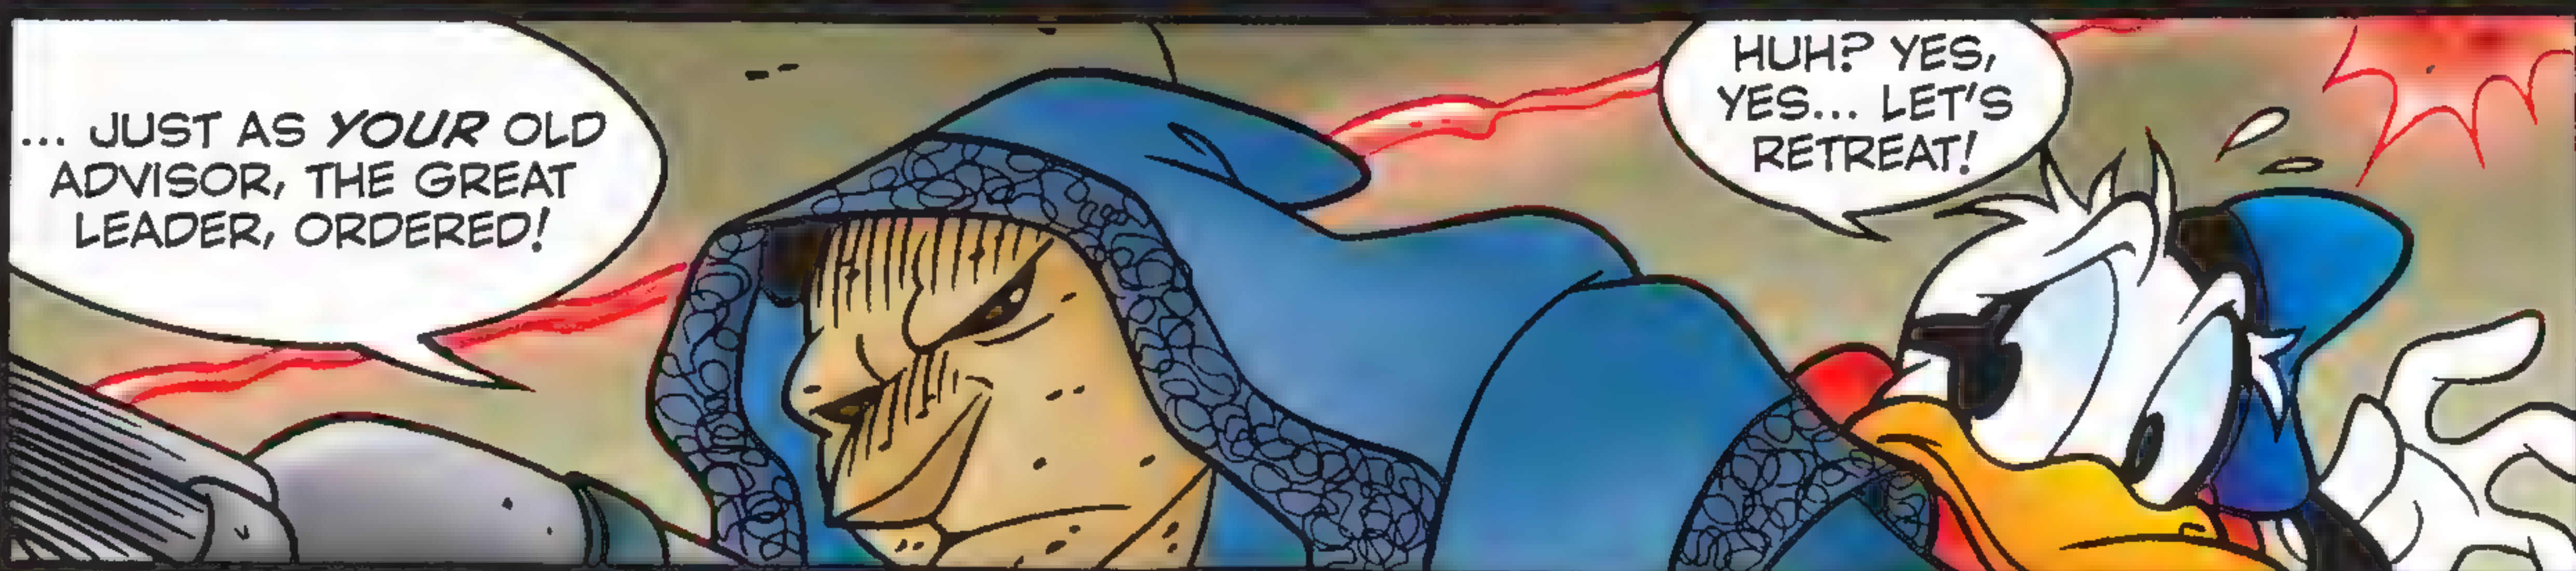

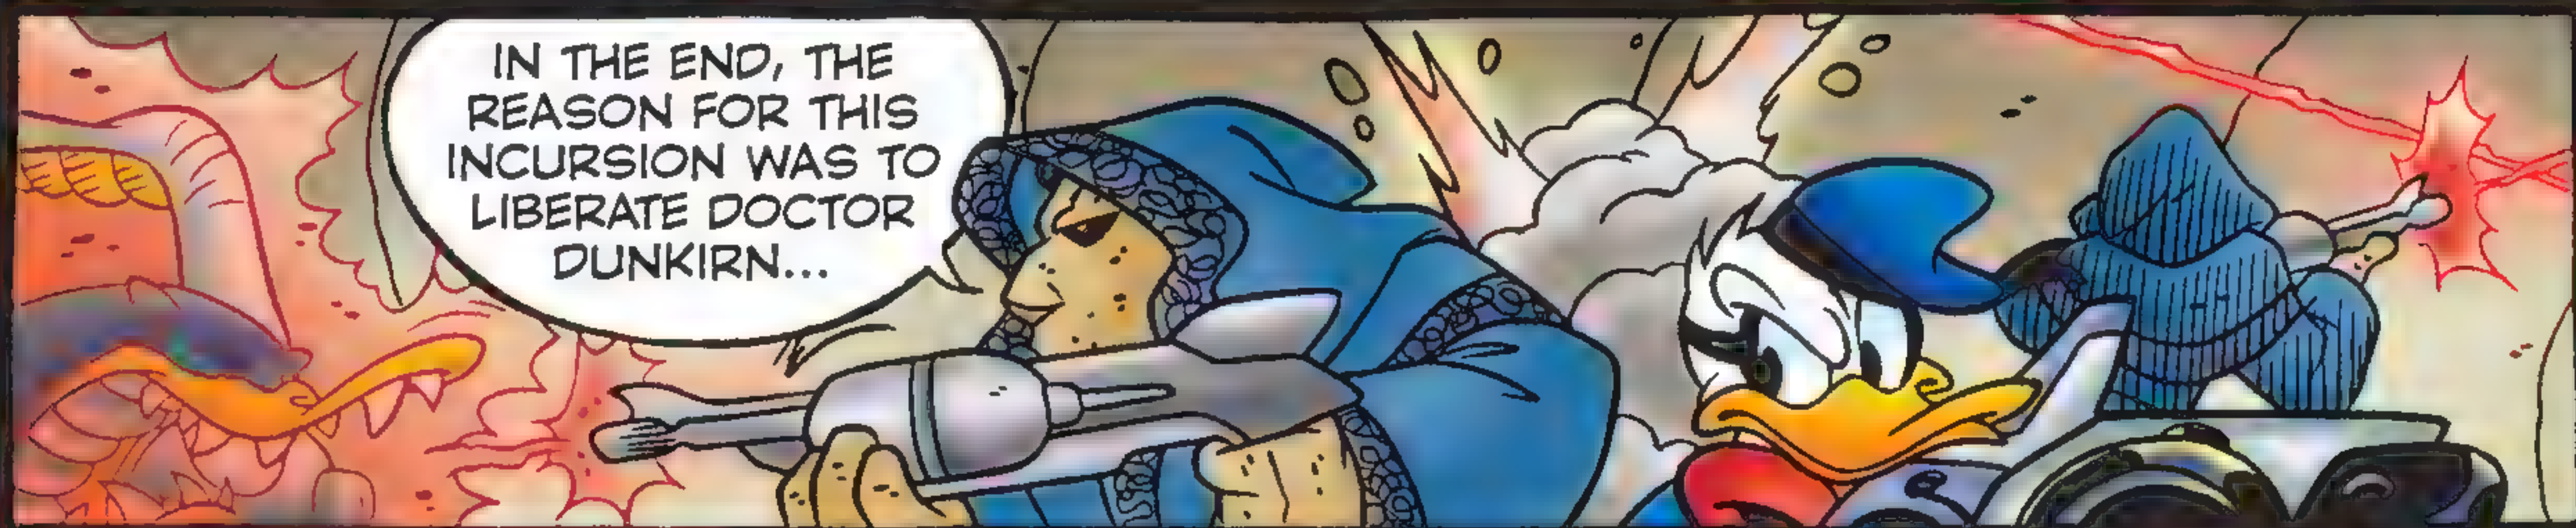

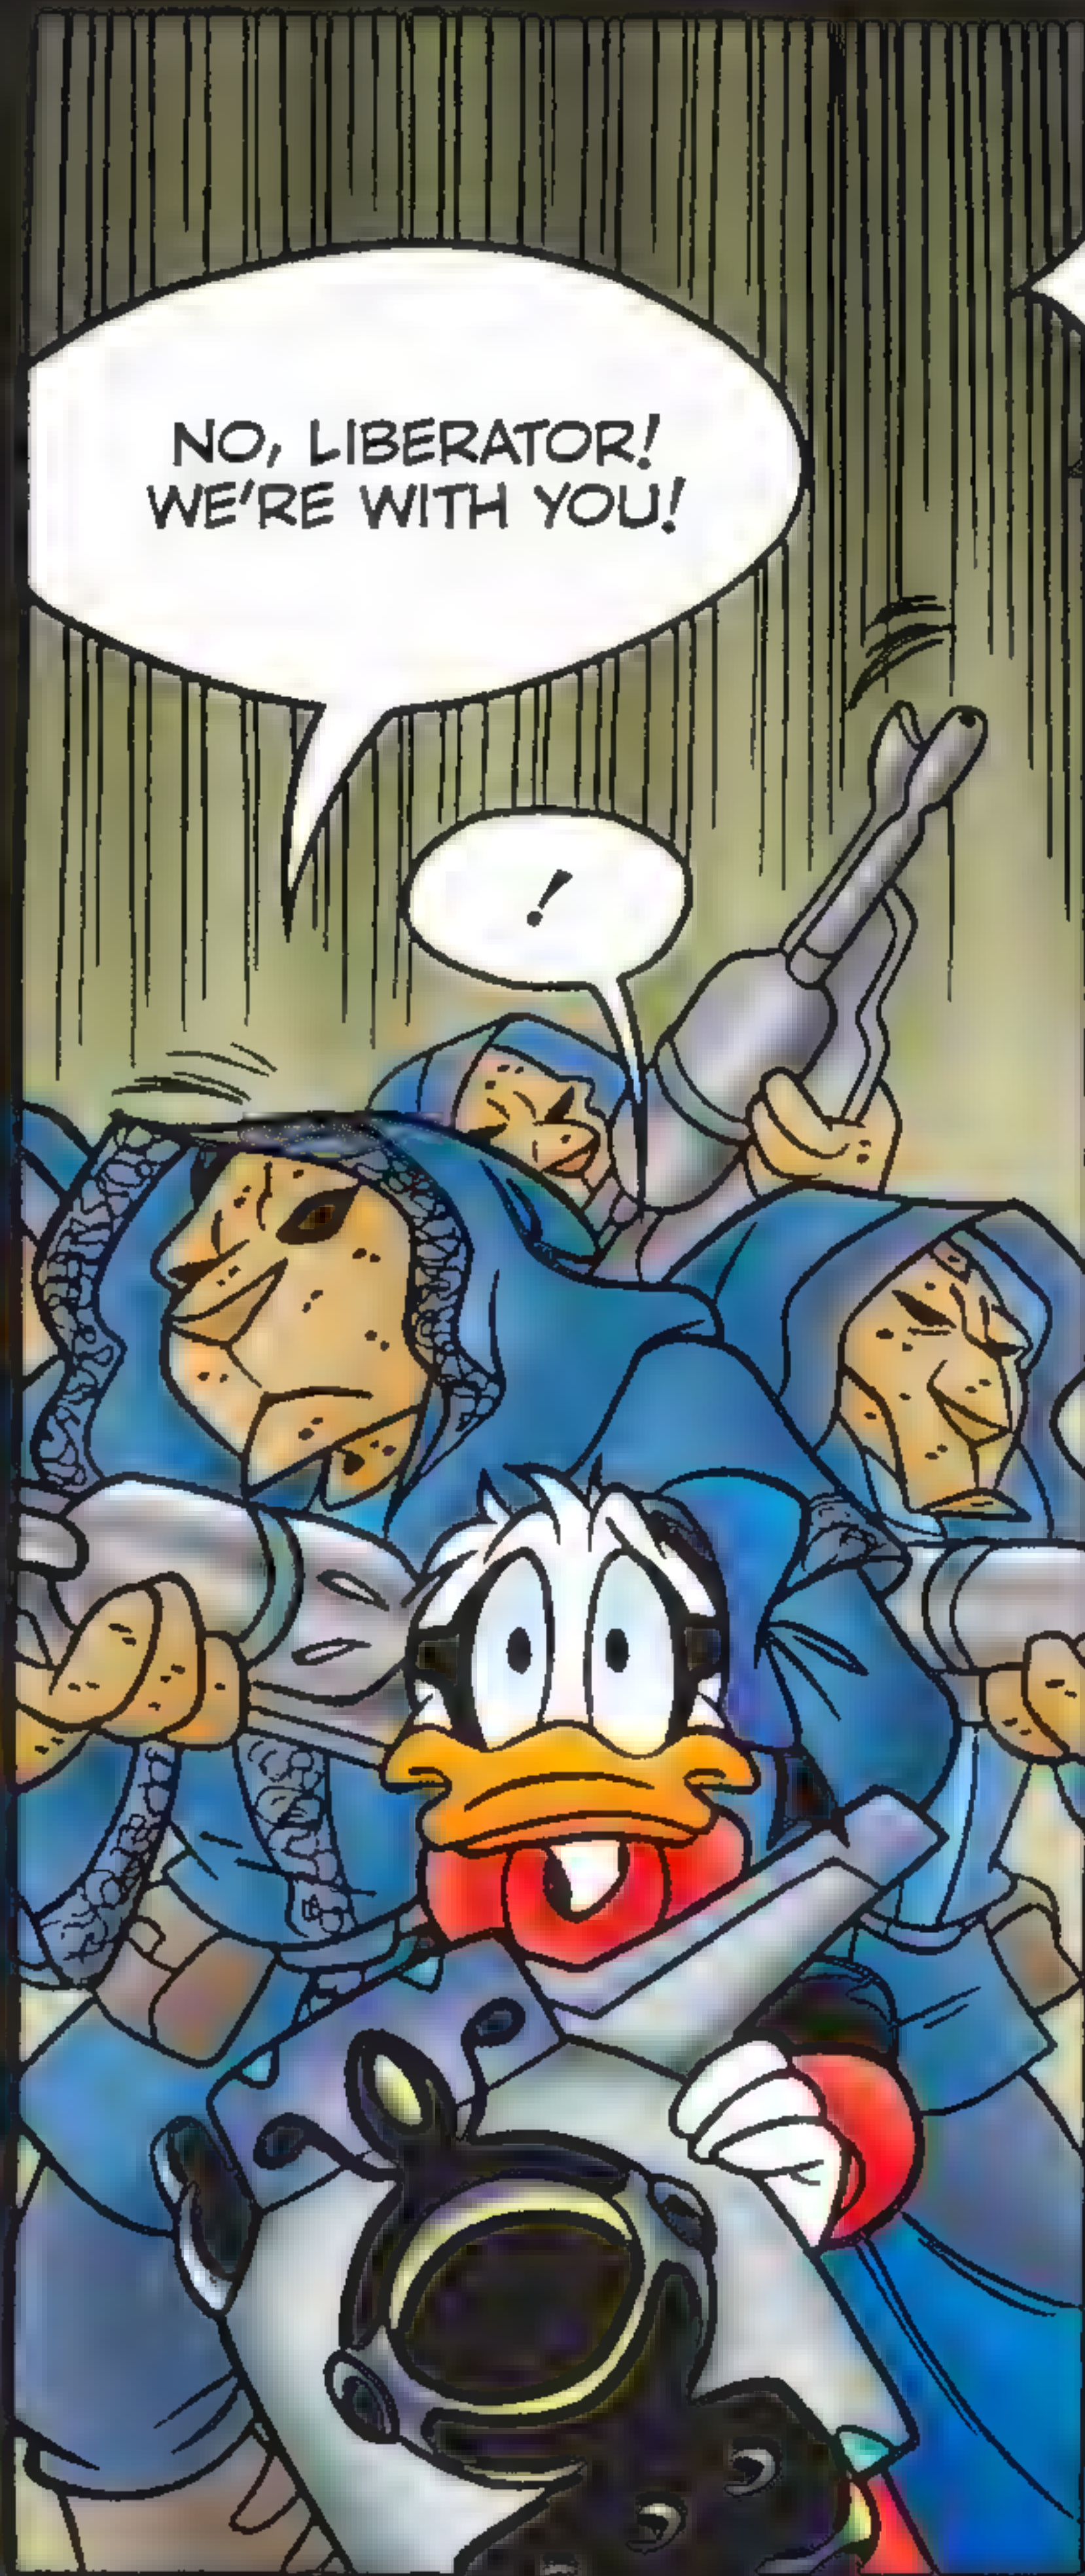

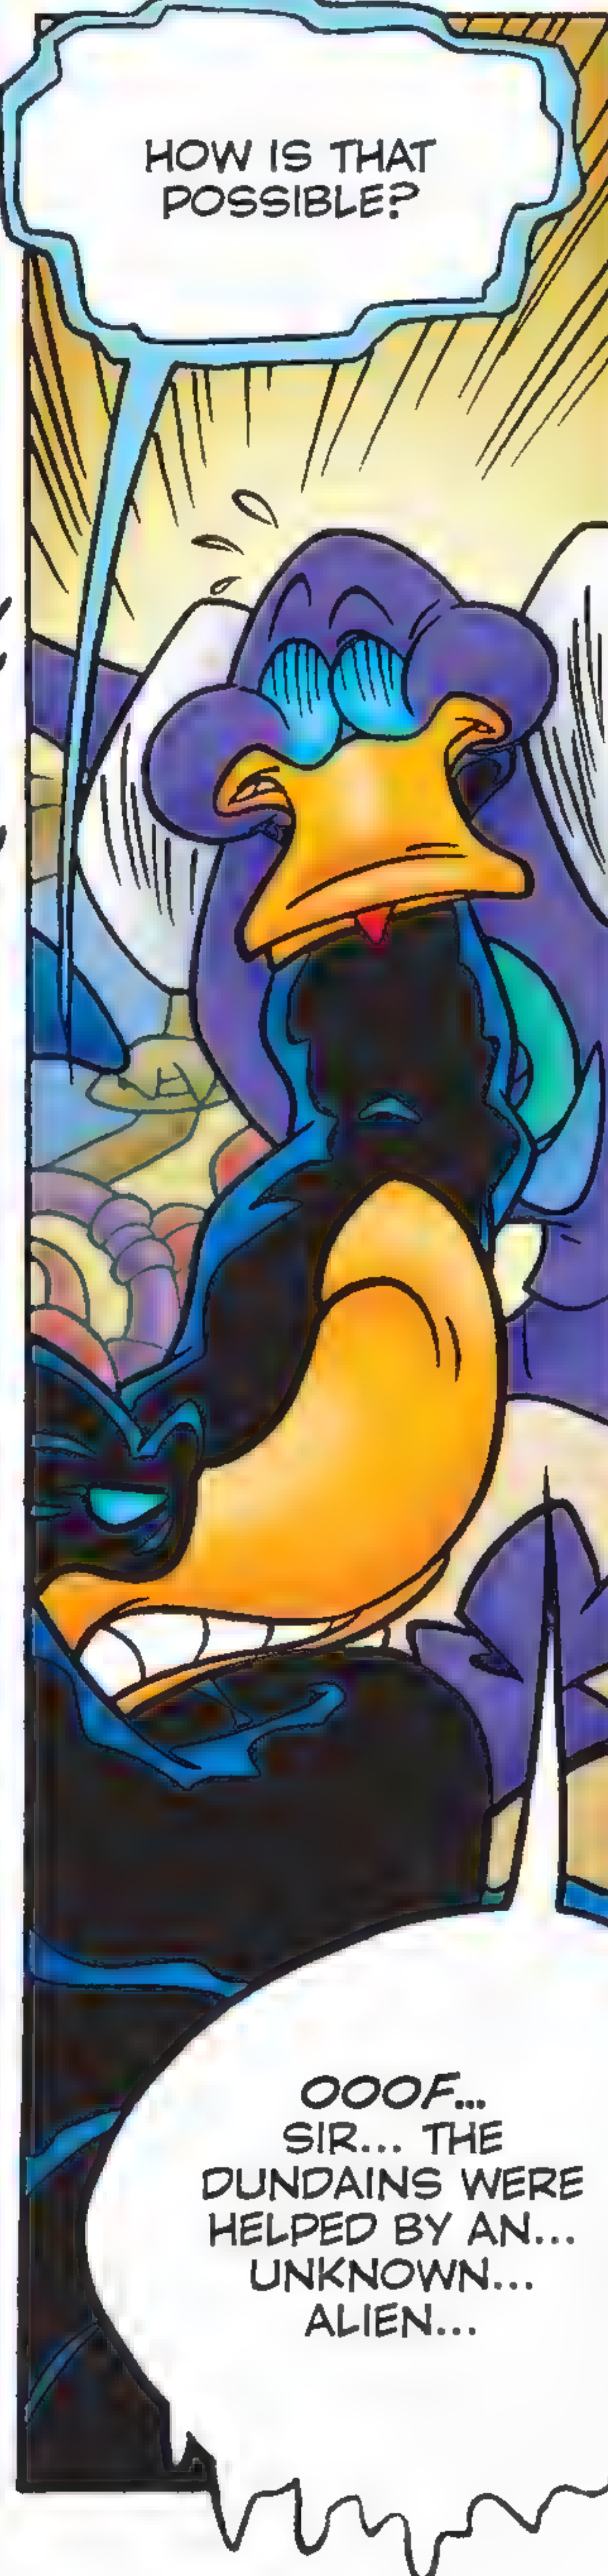

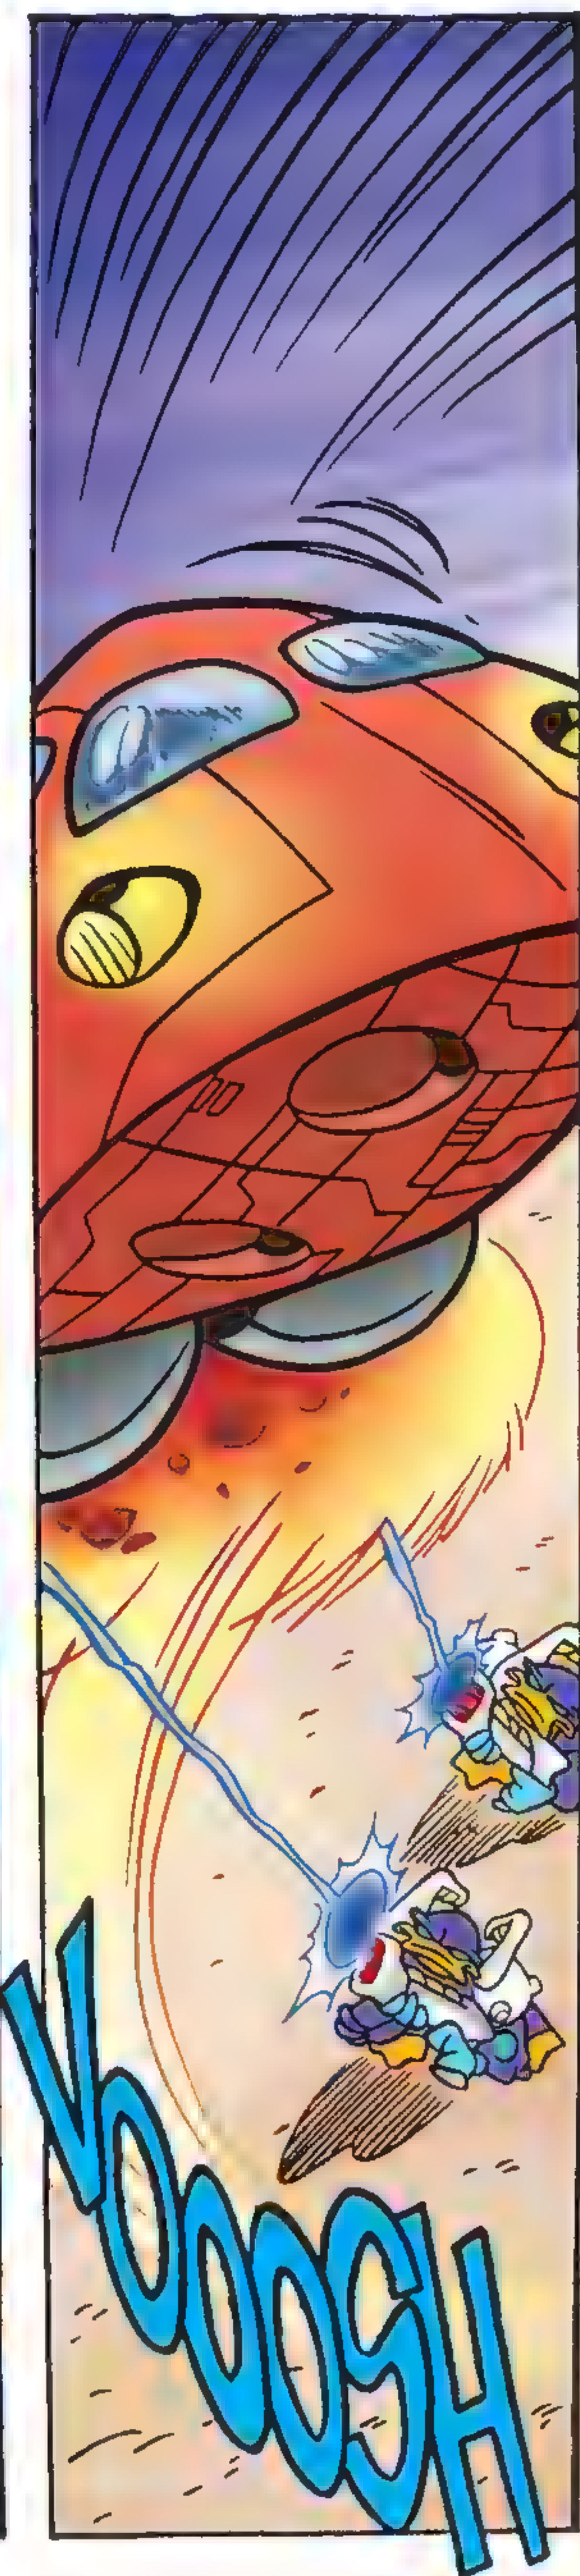

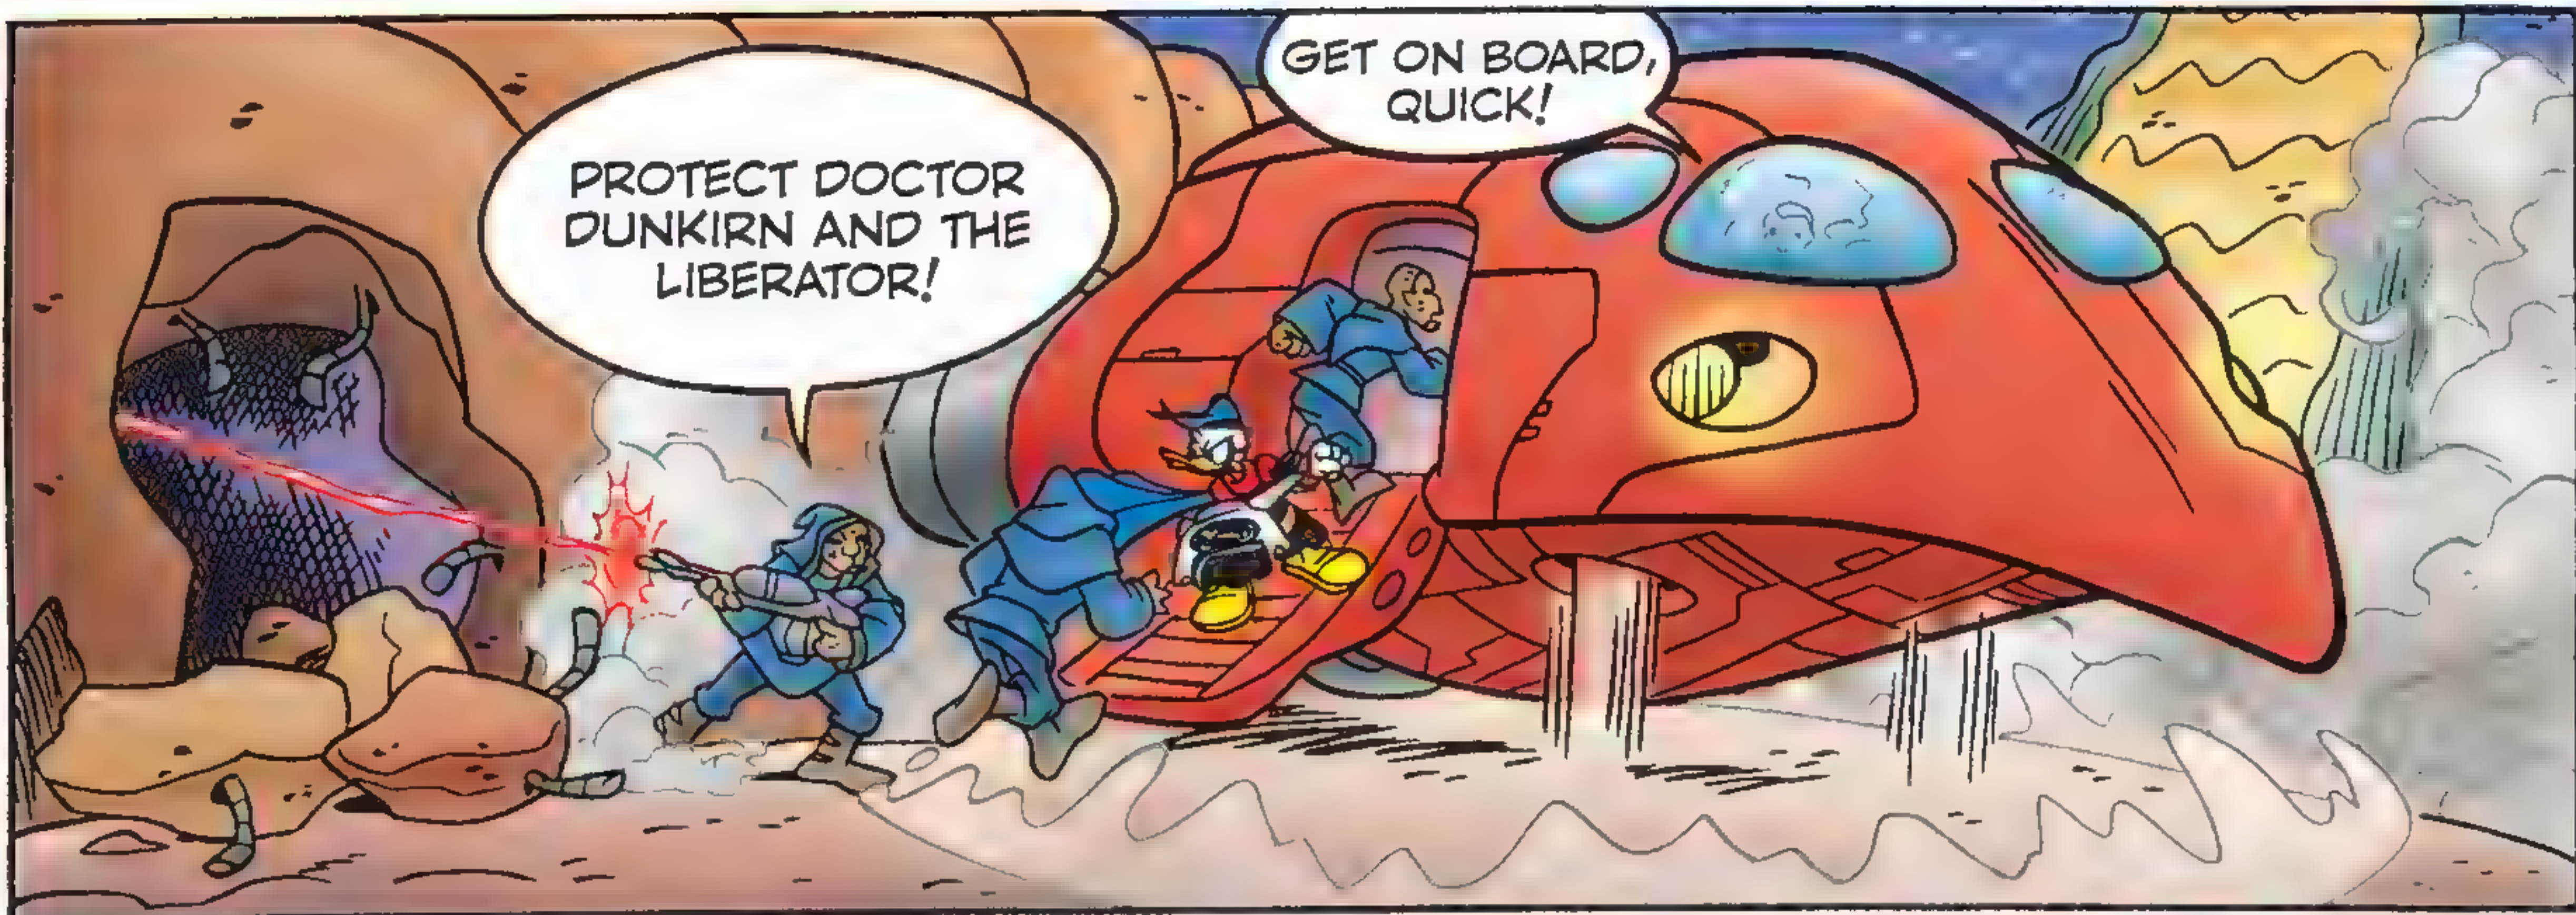

DID YOU SEE THAT? THAT WASN'T AN EVRON ON THE PLATFORM!

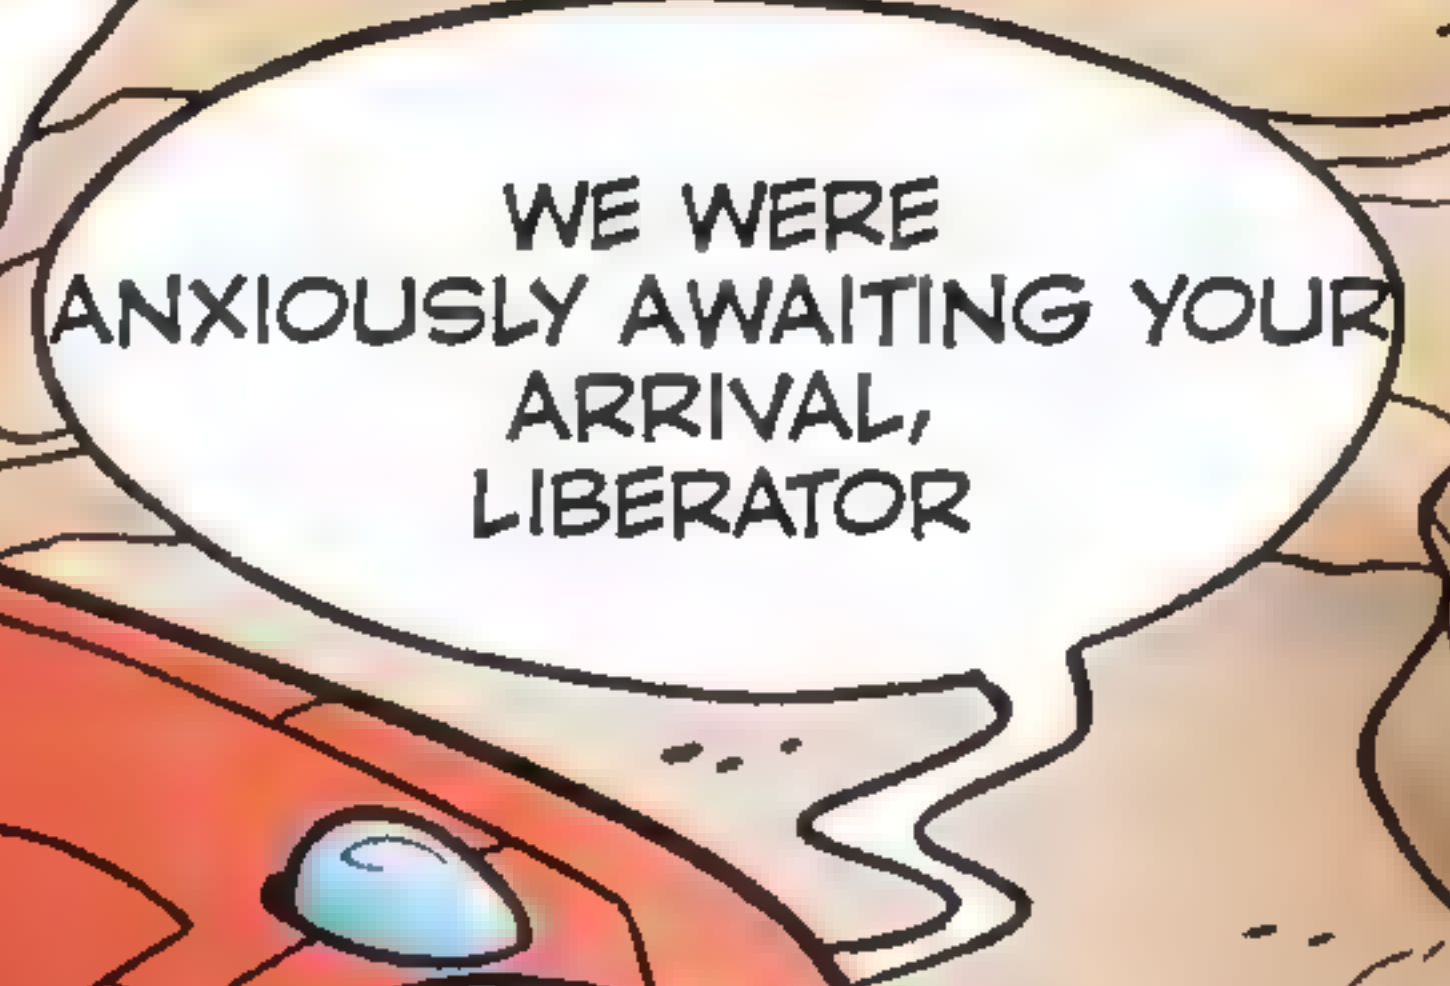

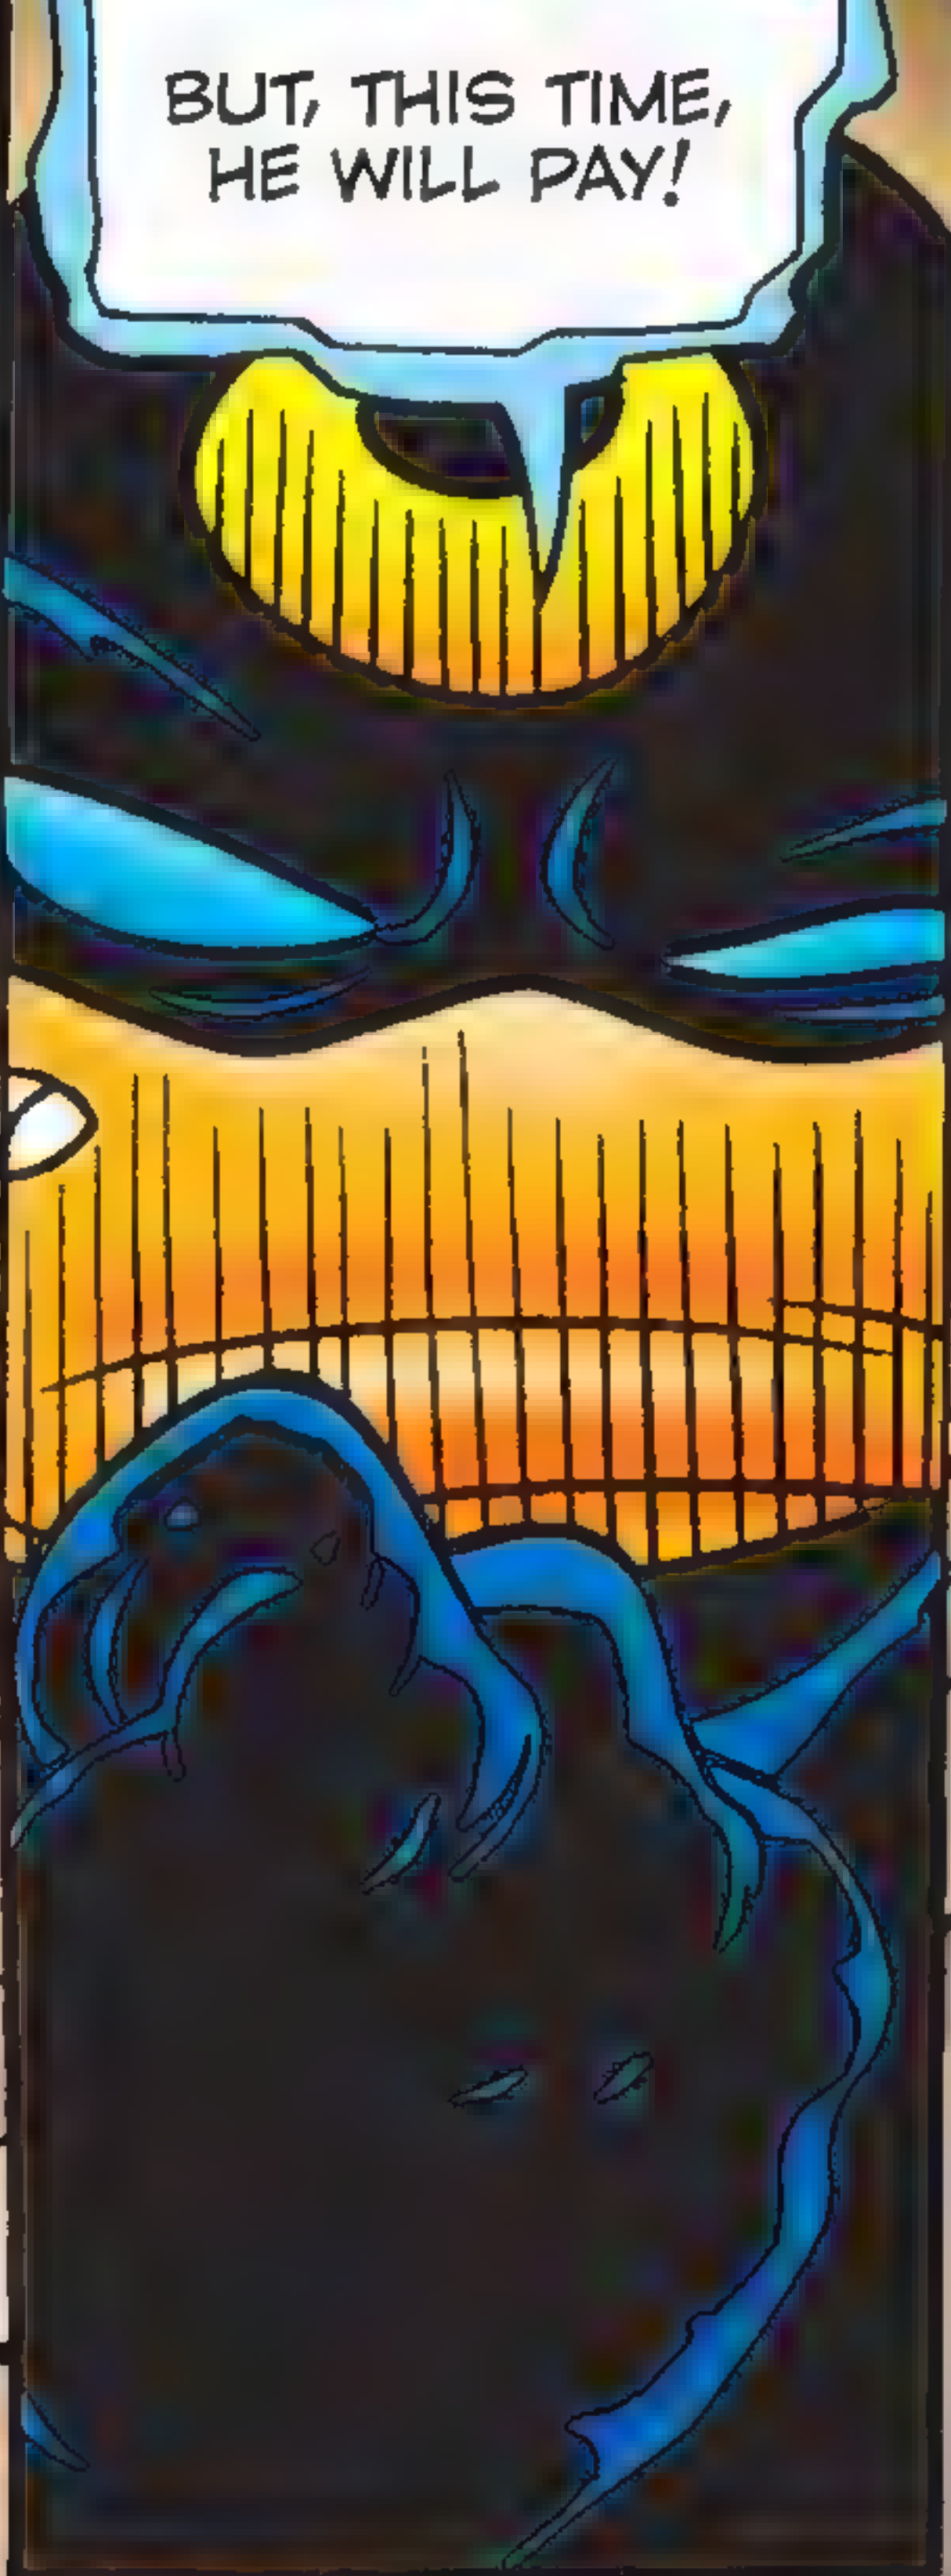

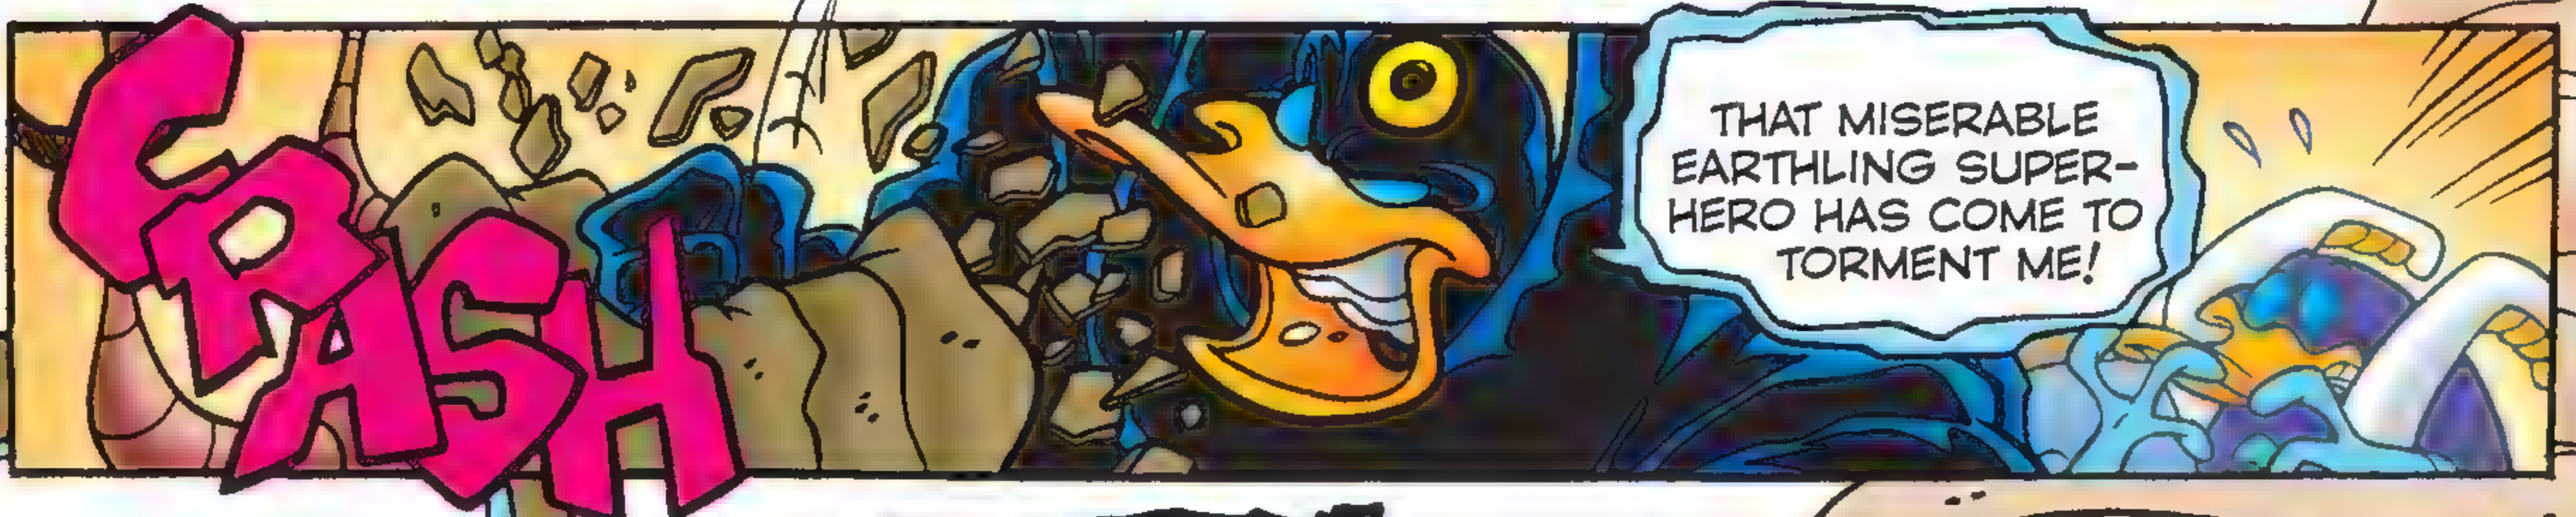

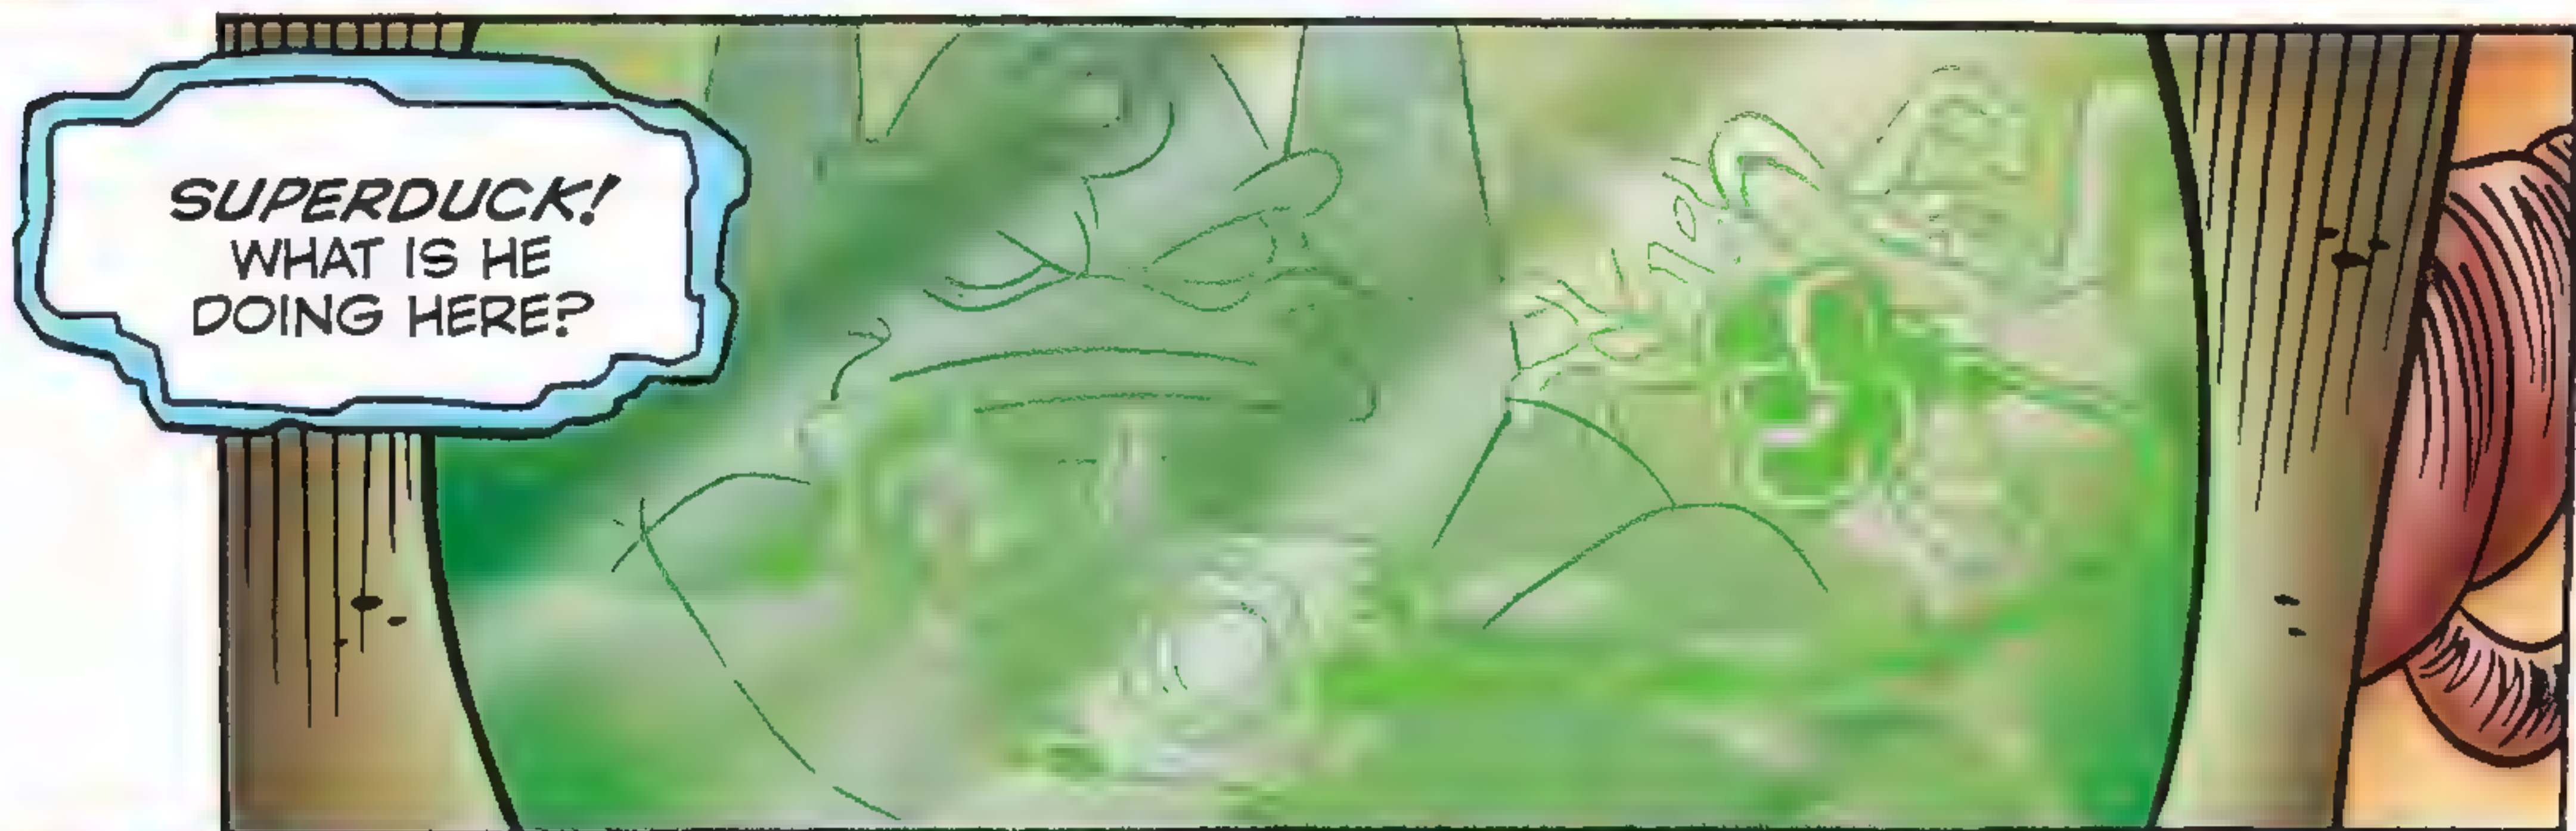

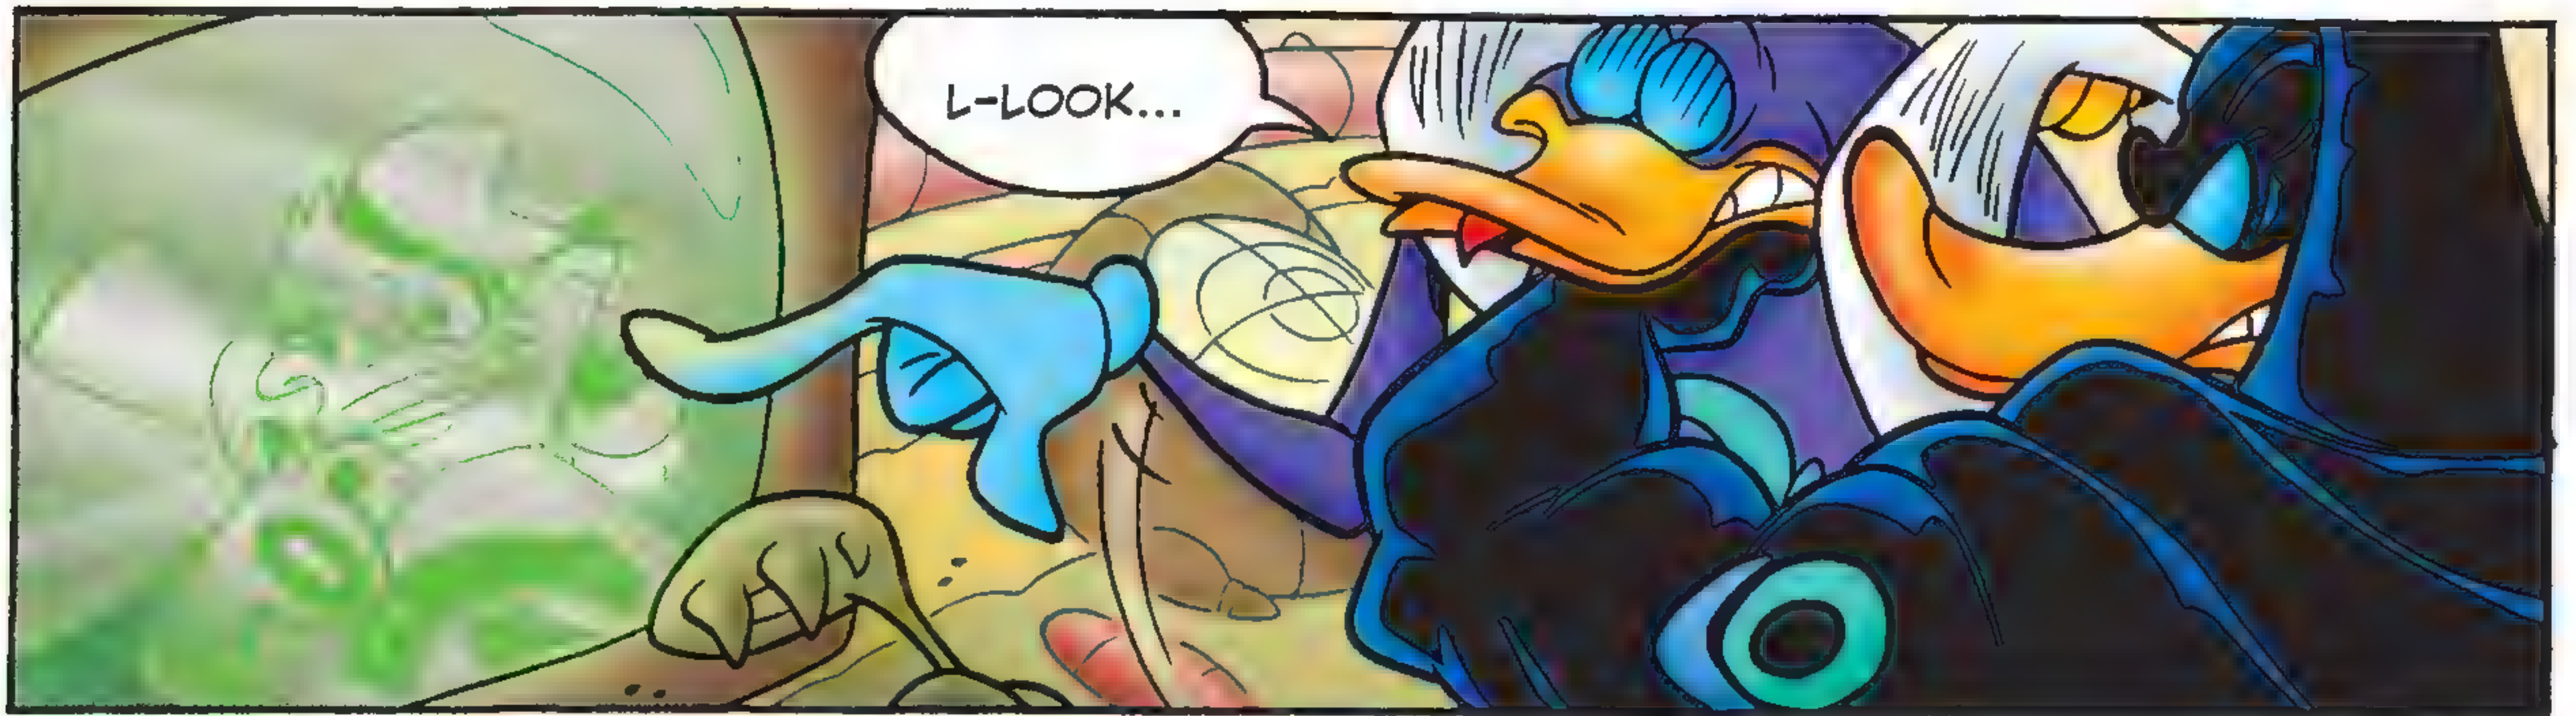

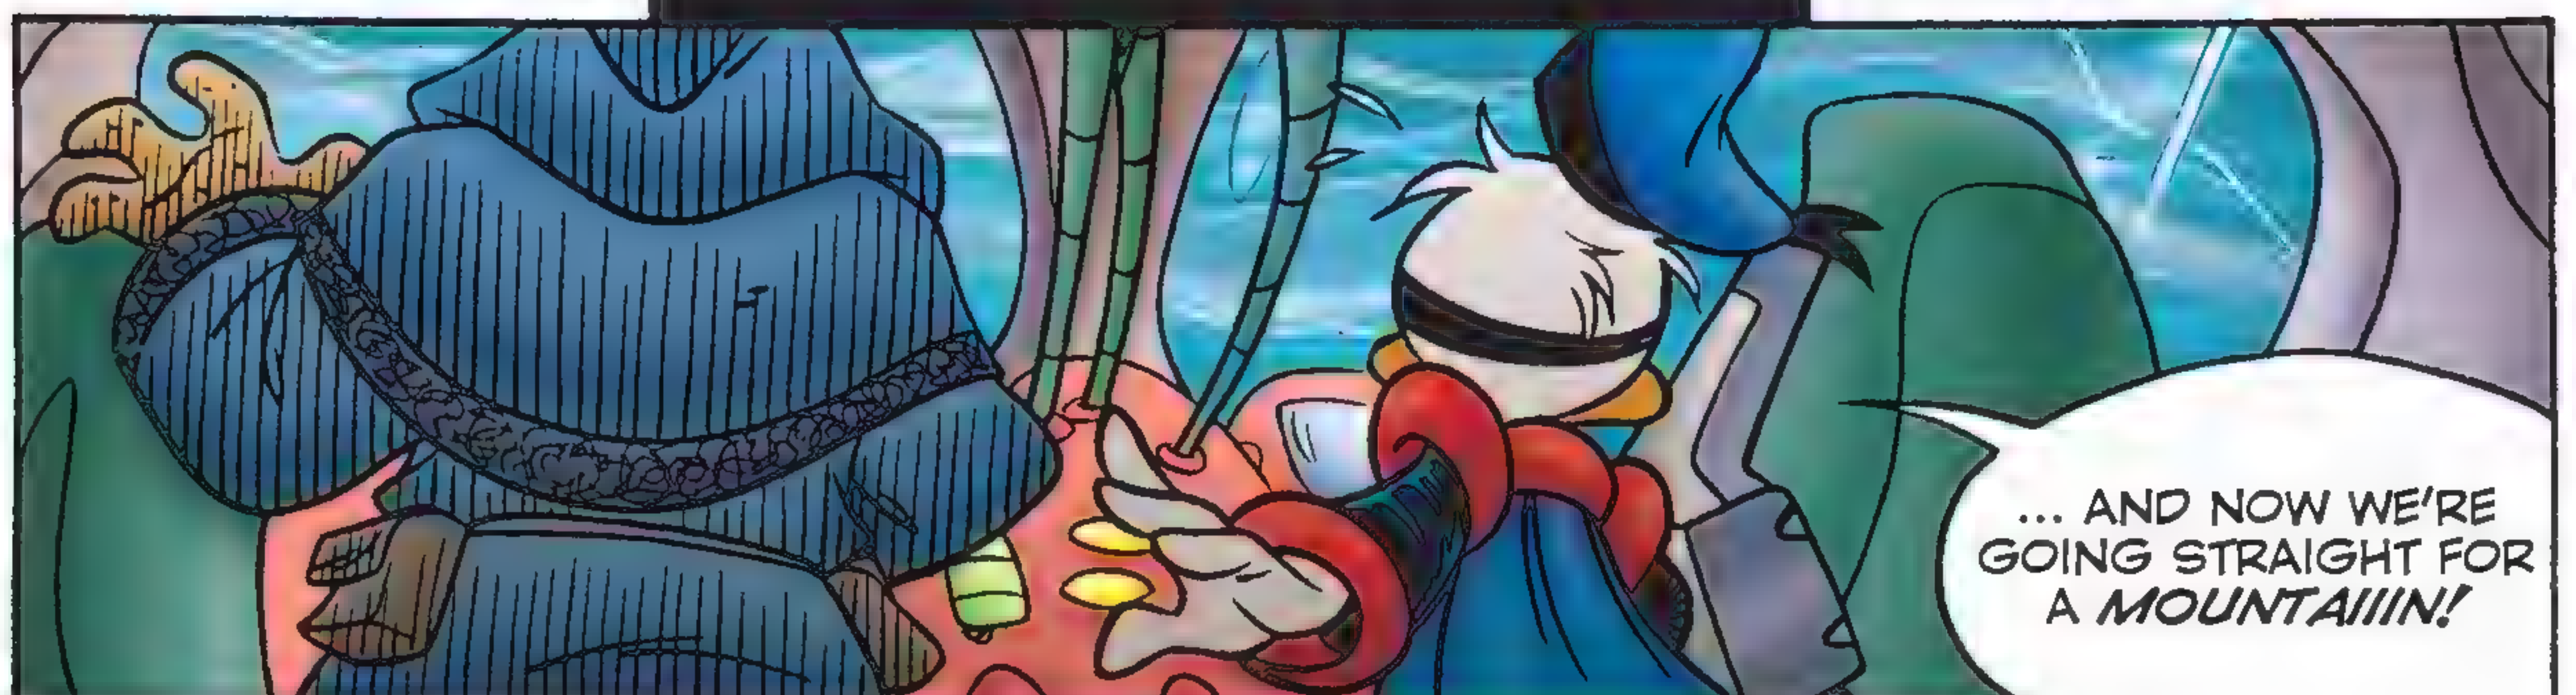

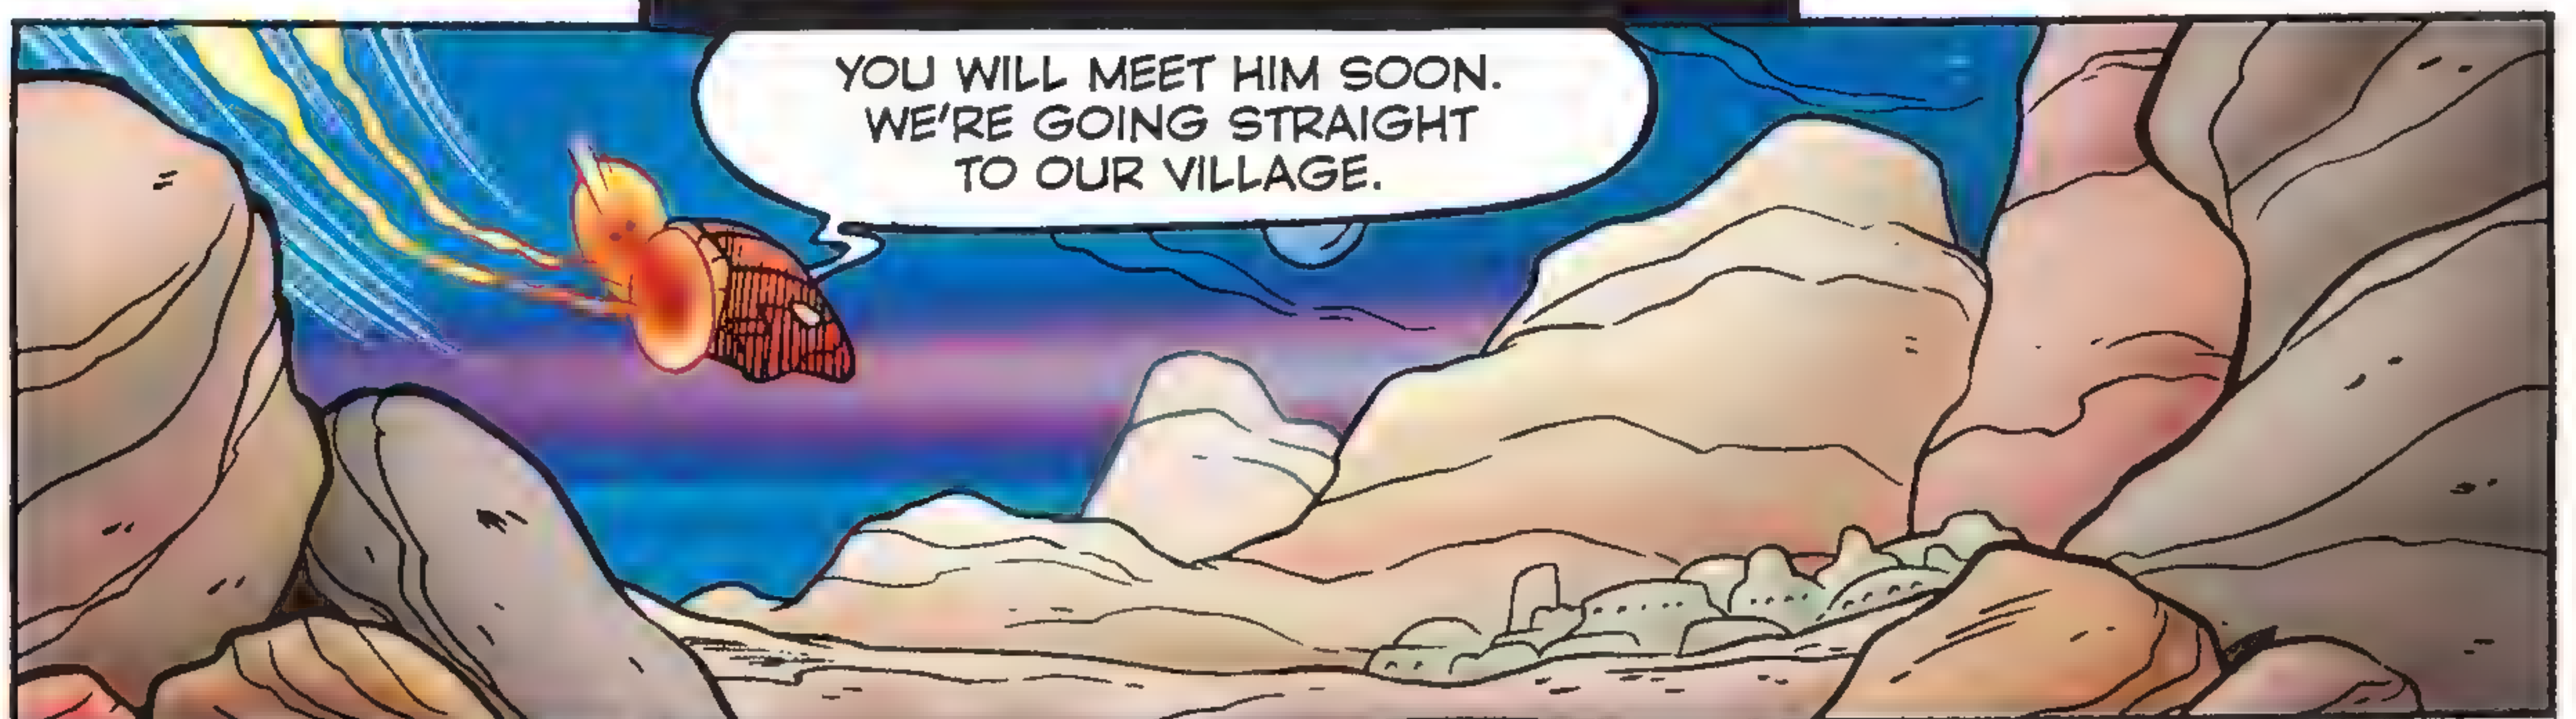

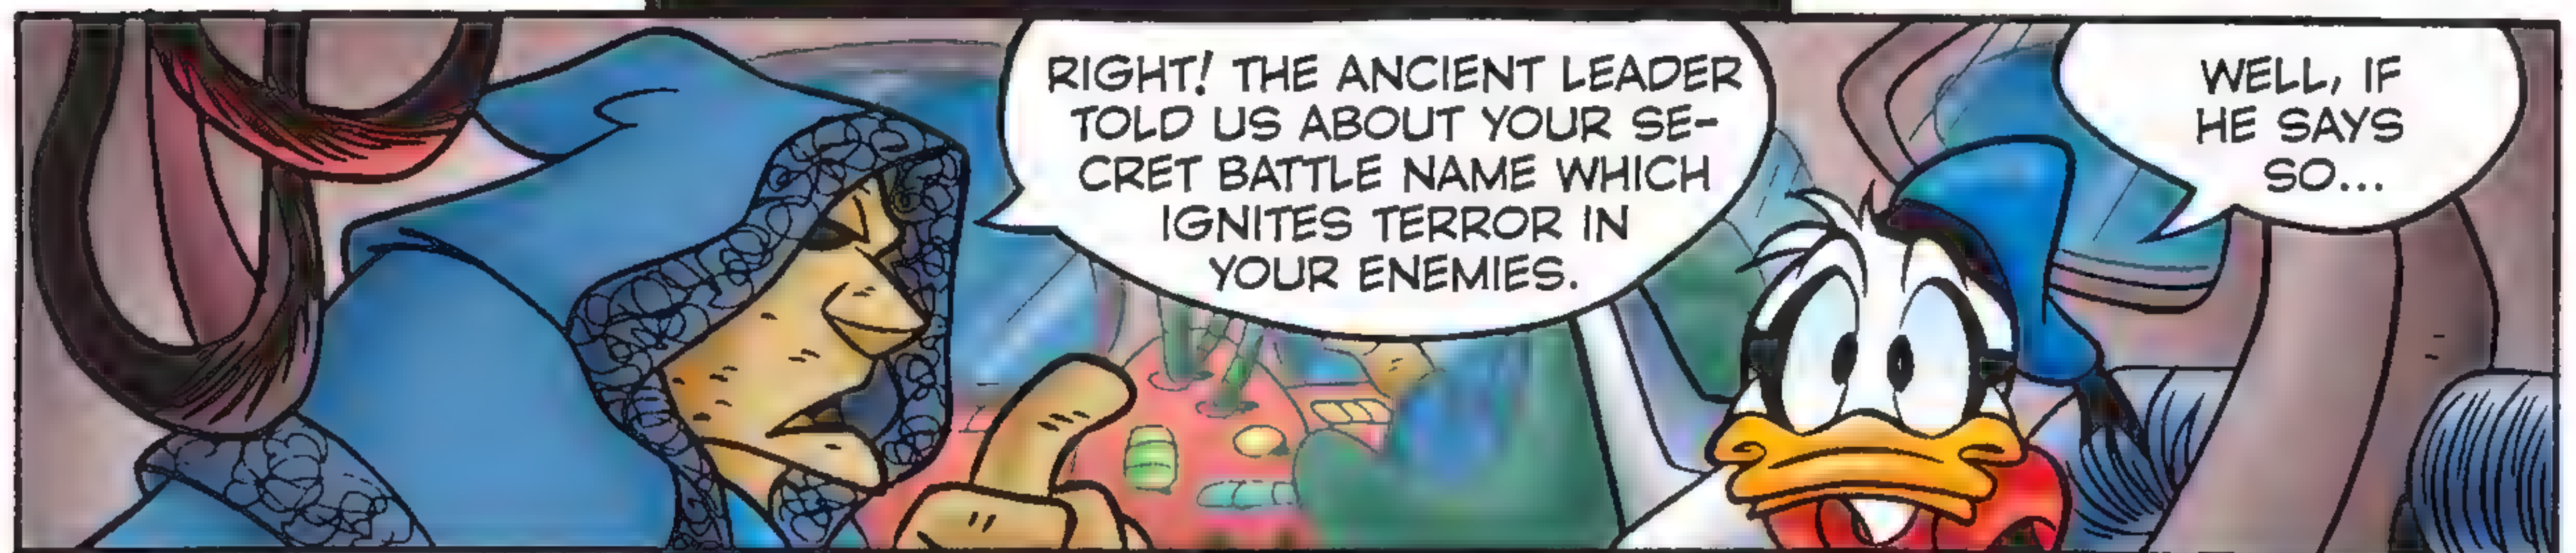

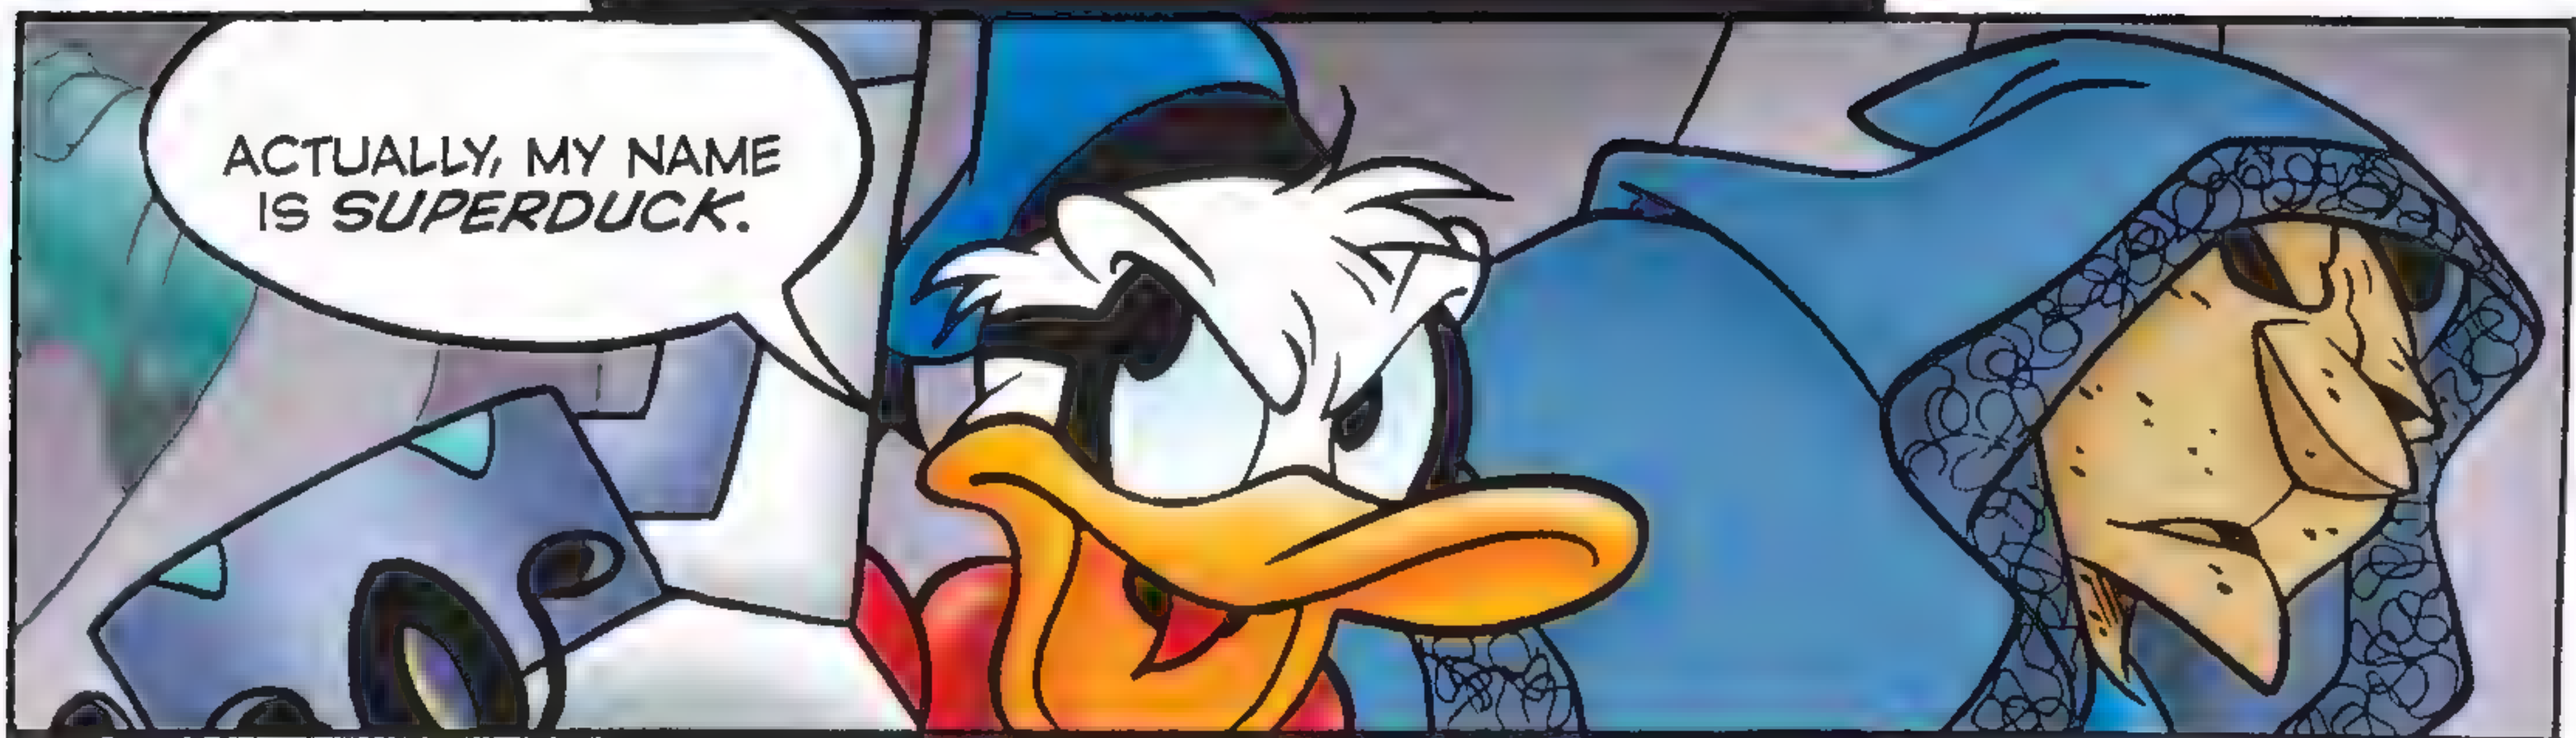

WELL... YOU LEARN THROUGH MISTAKES! AS LONG AS THE ERROR ISN'T THAT BAD!

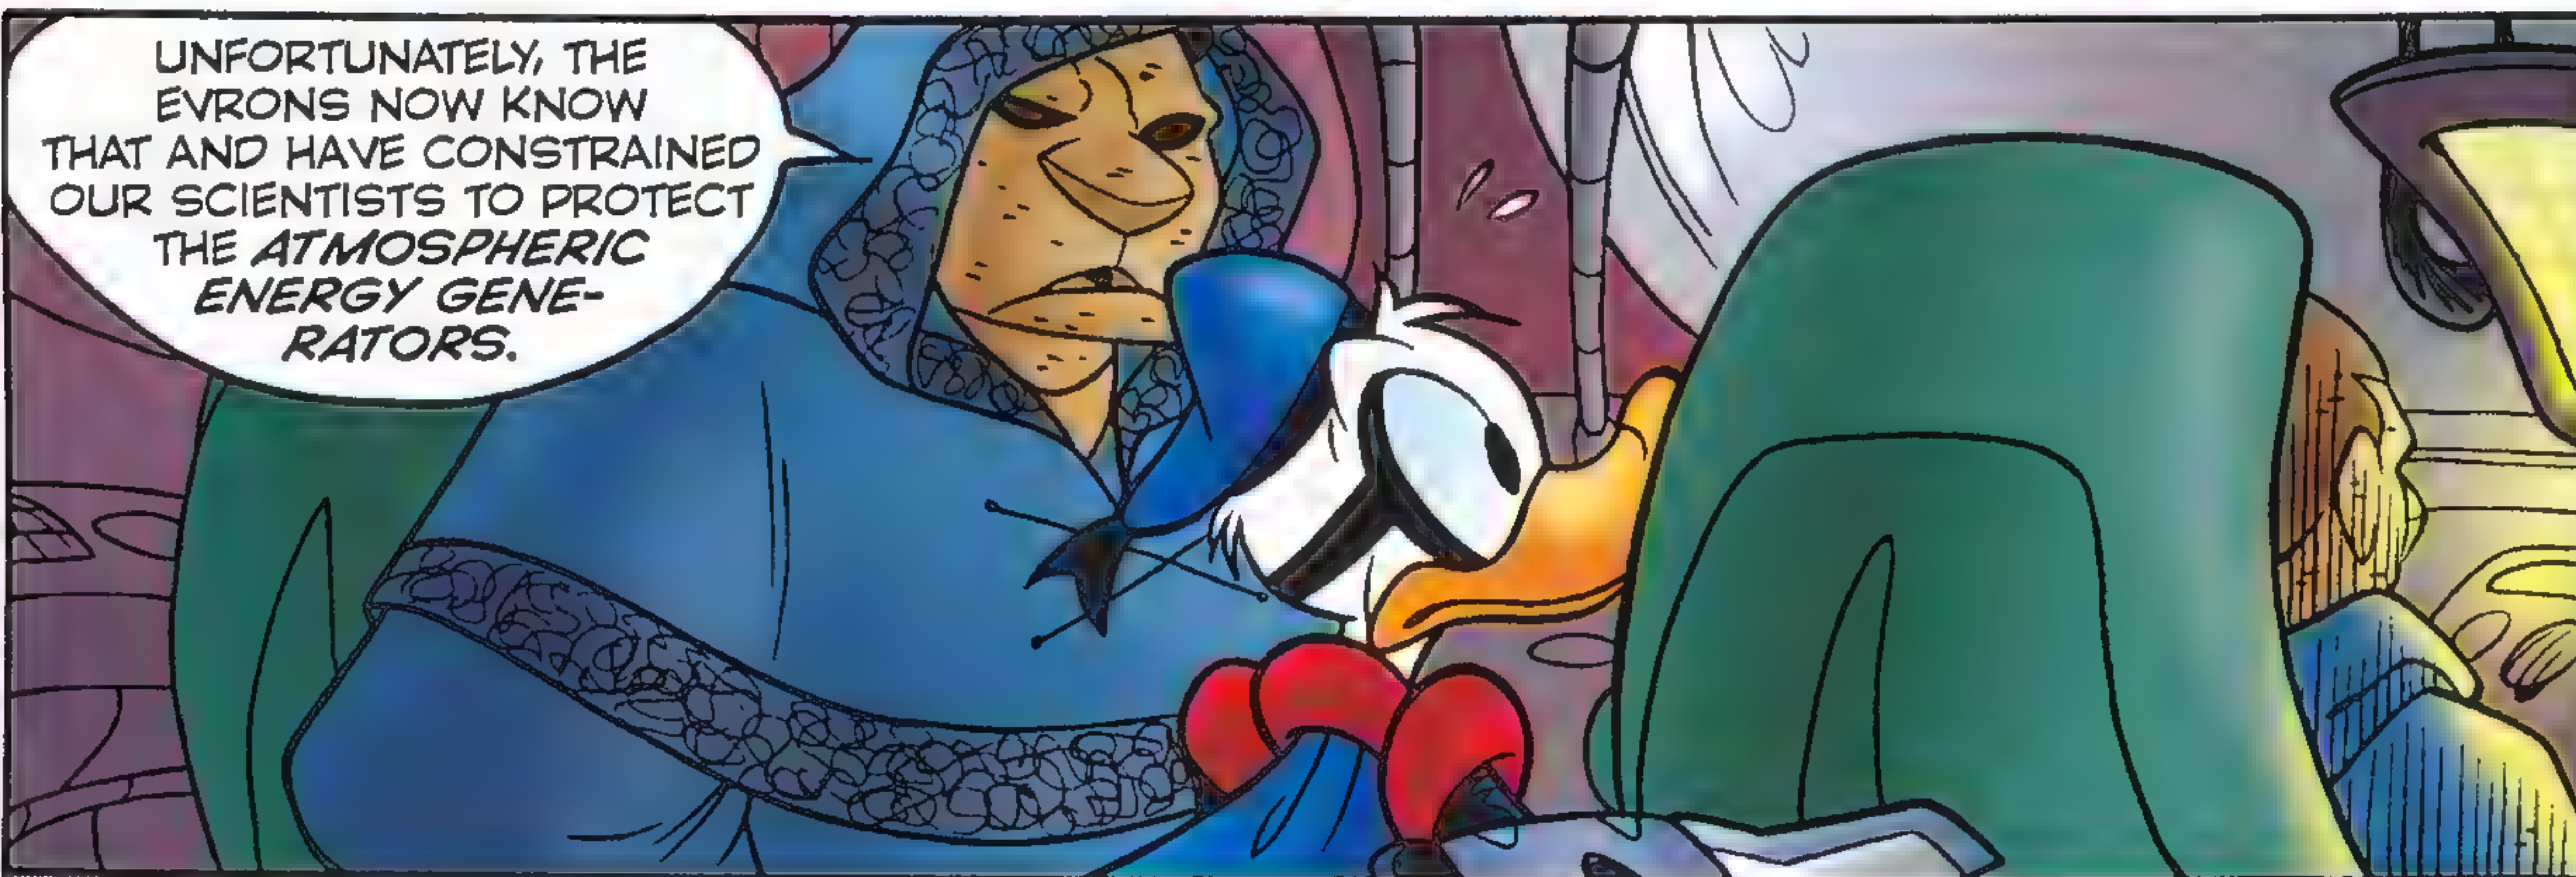

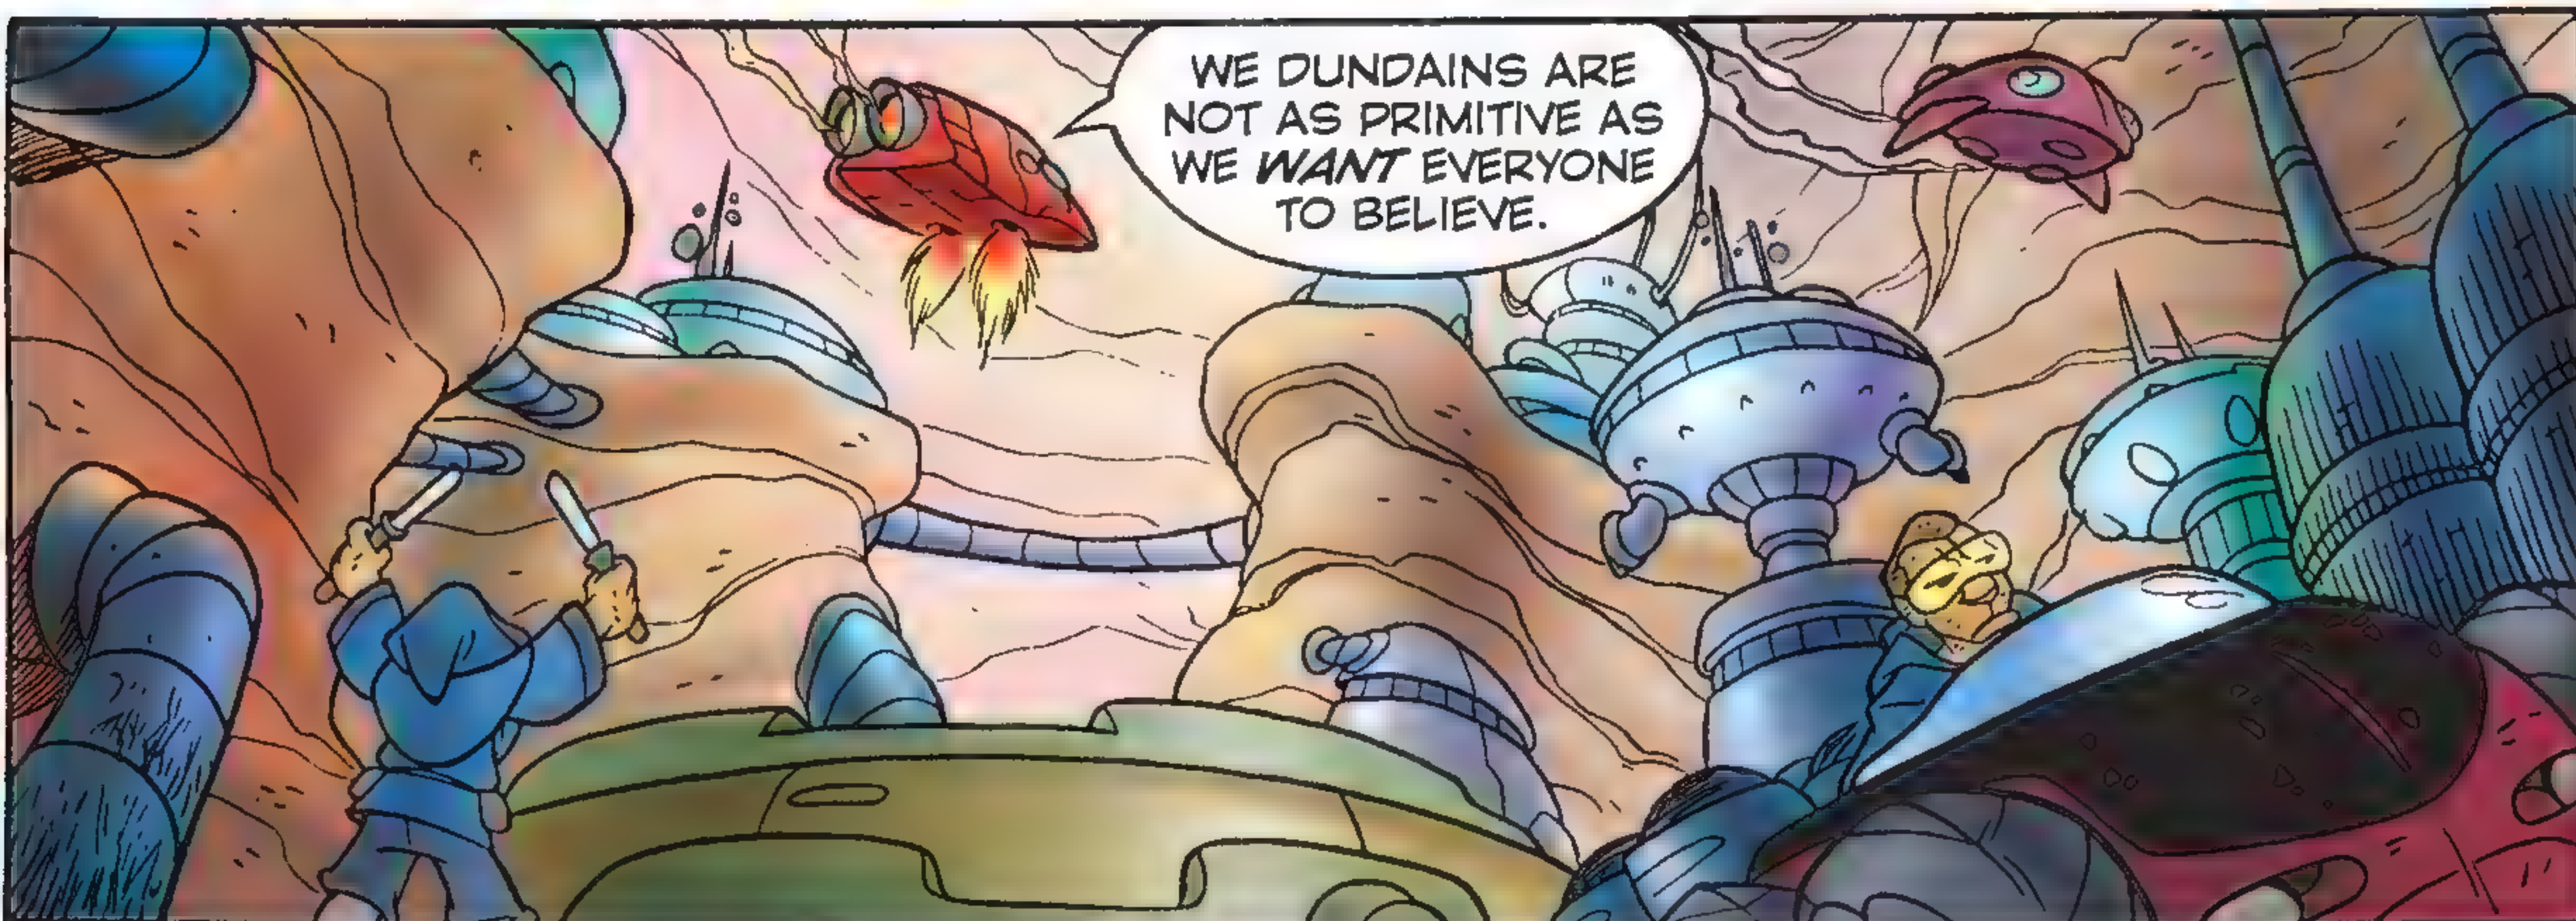

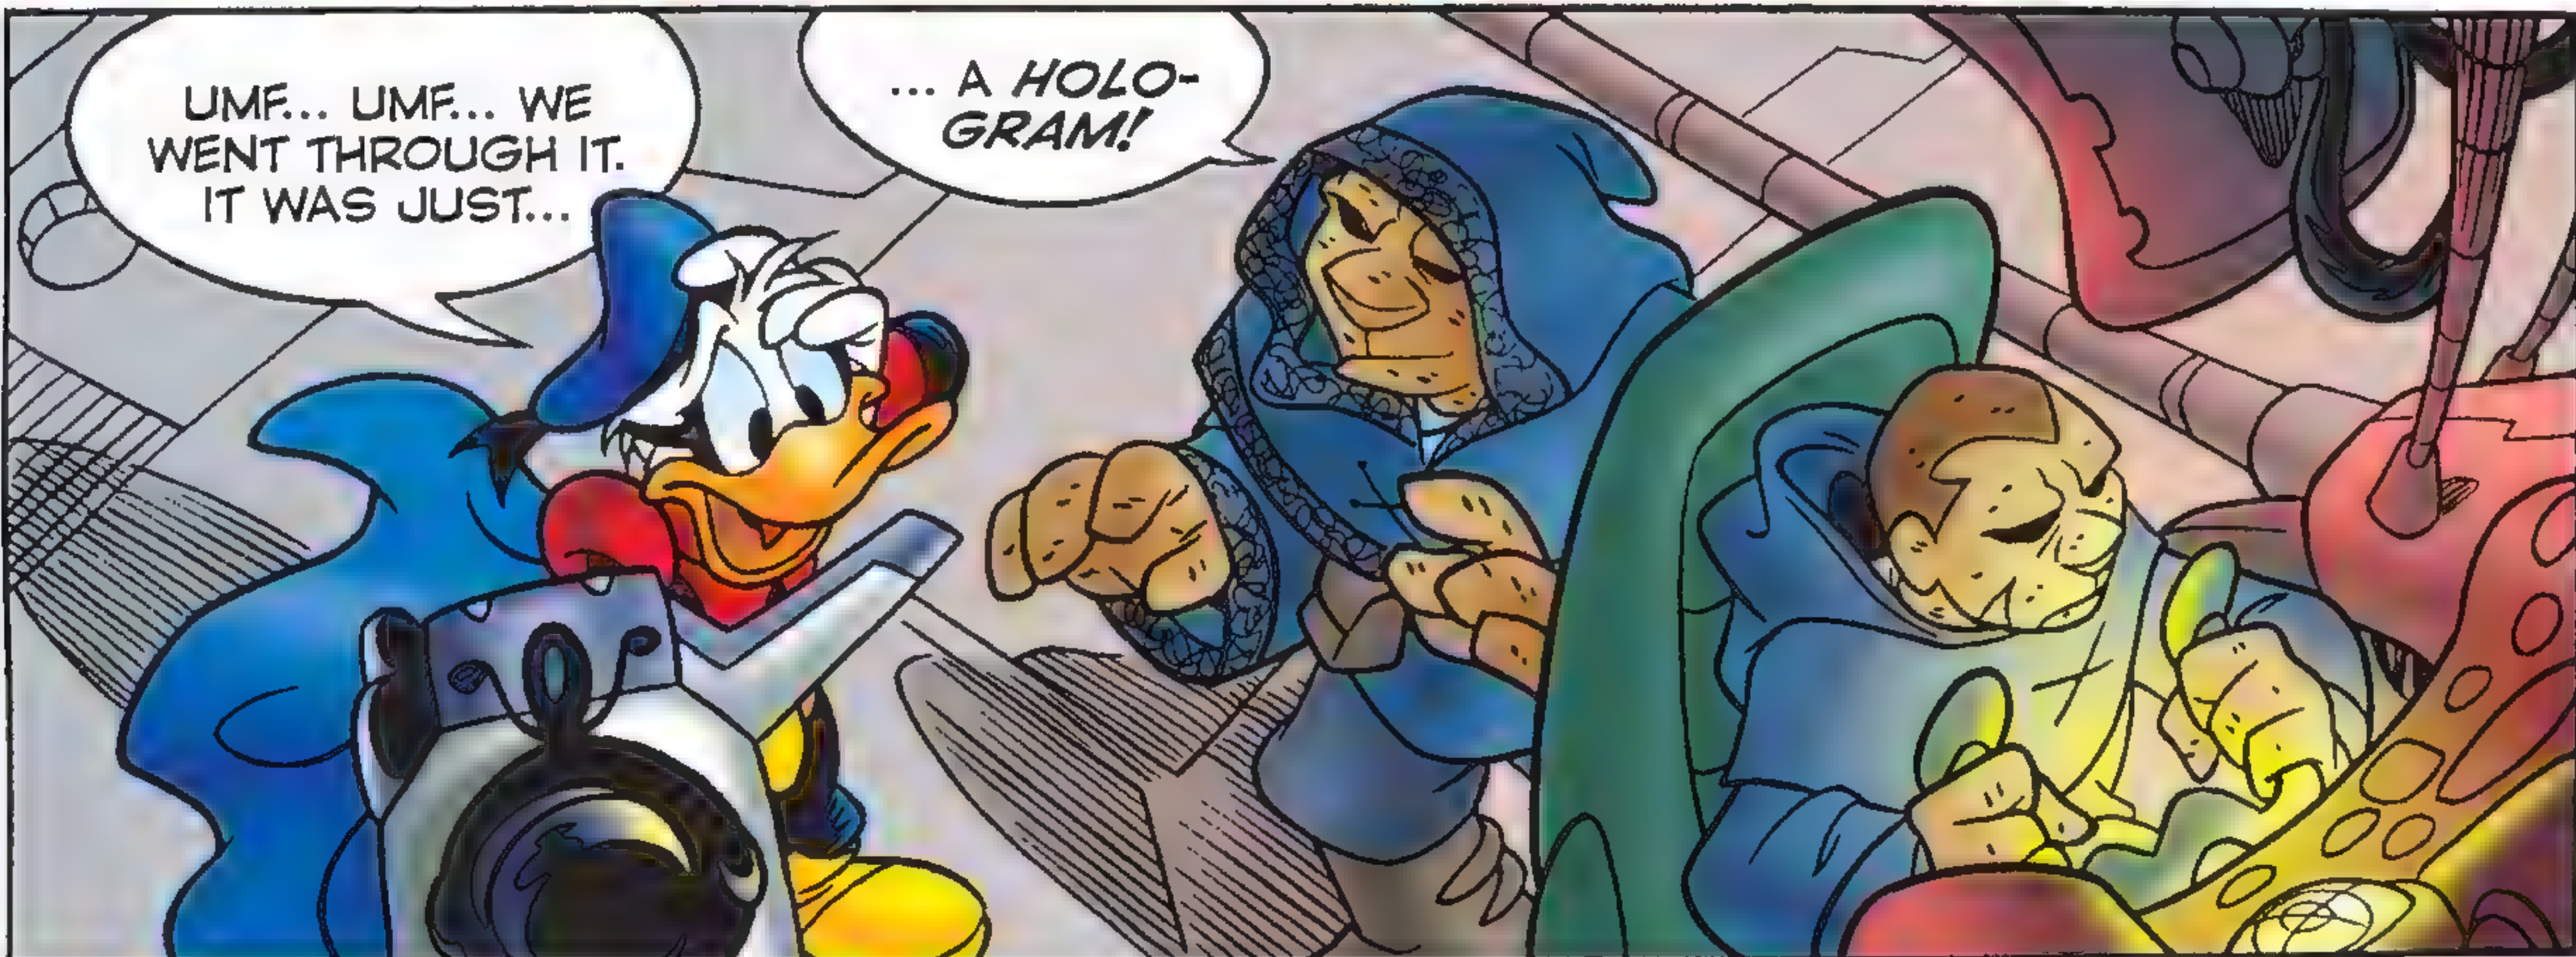

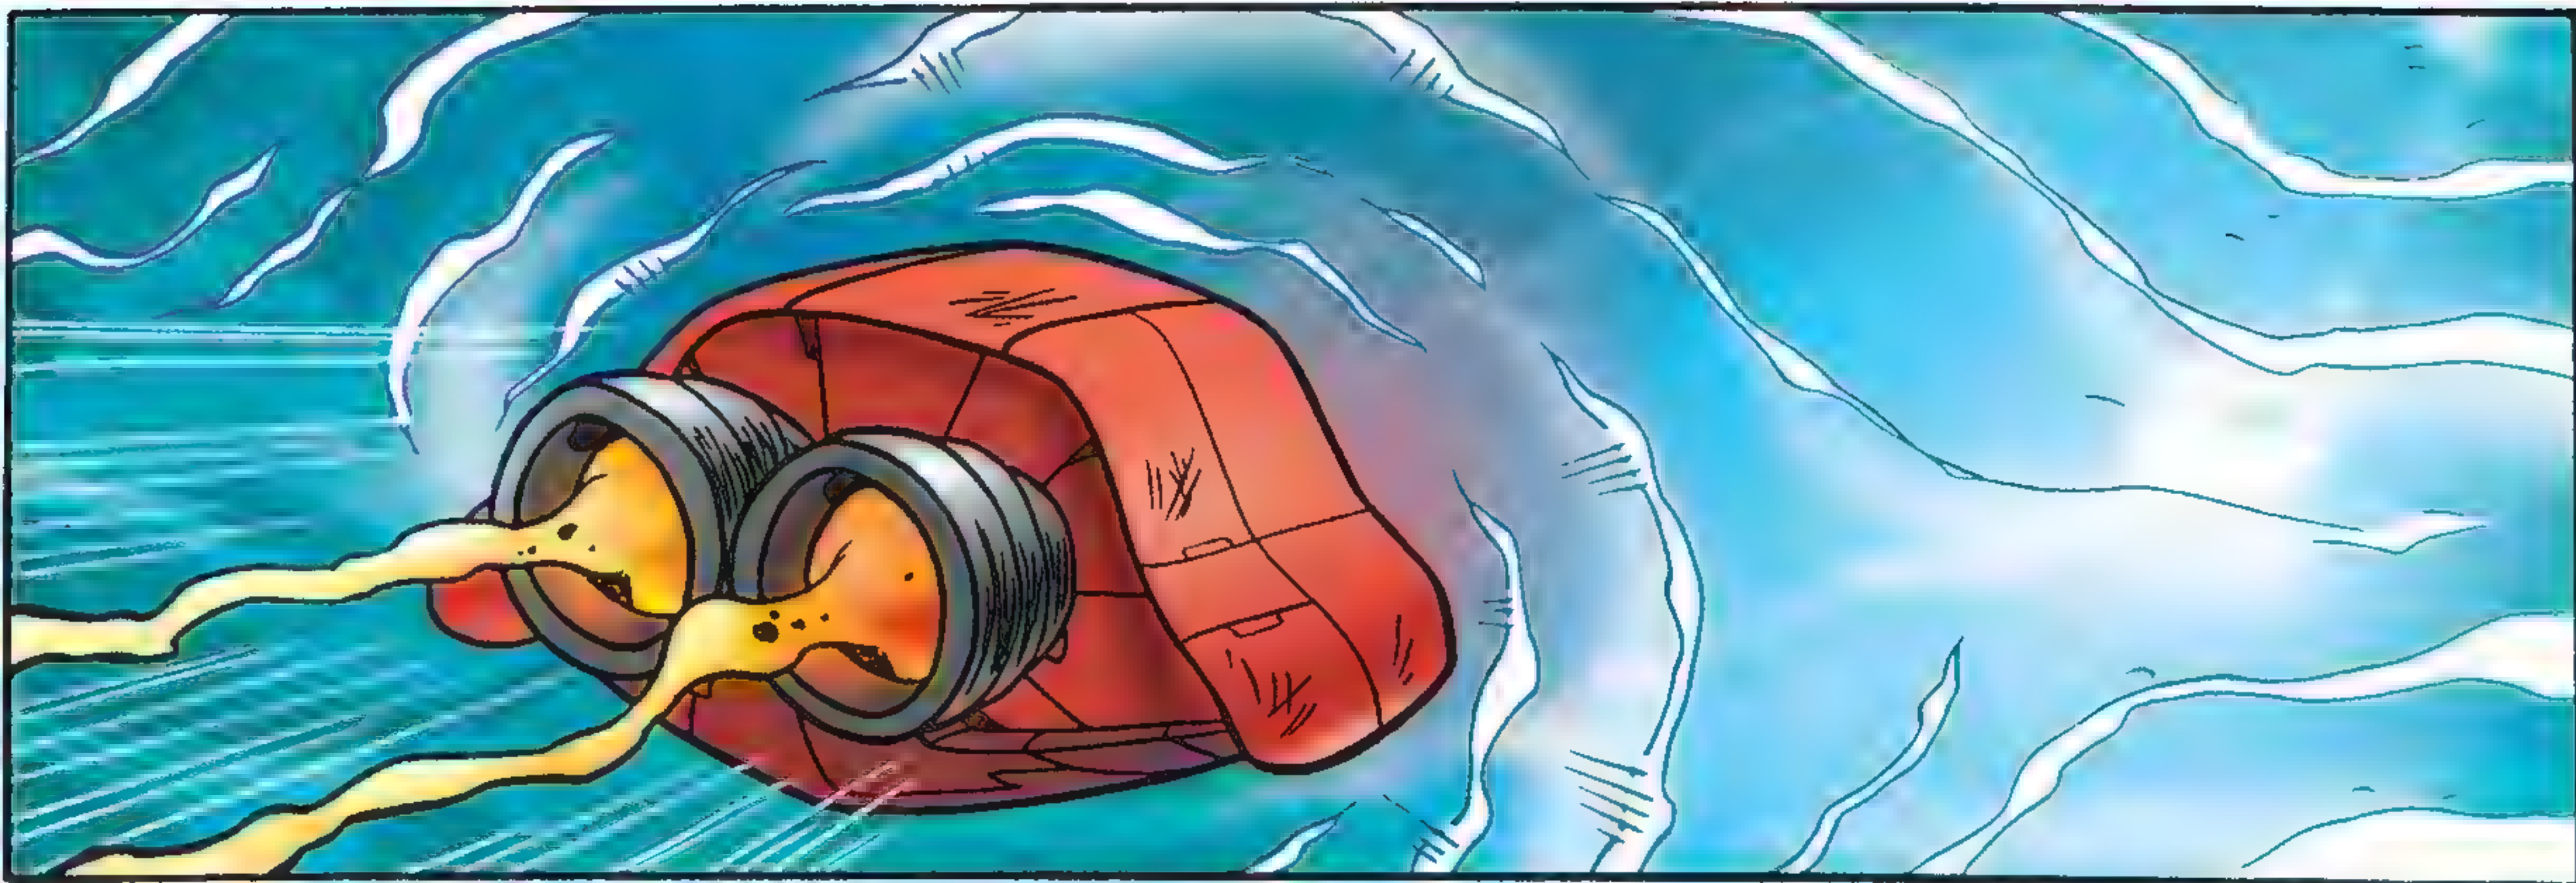

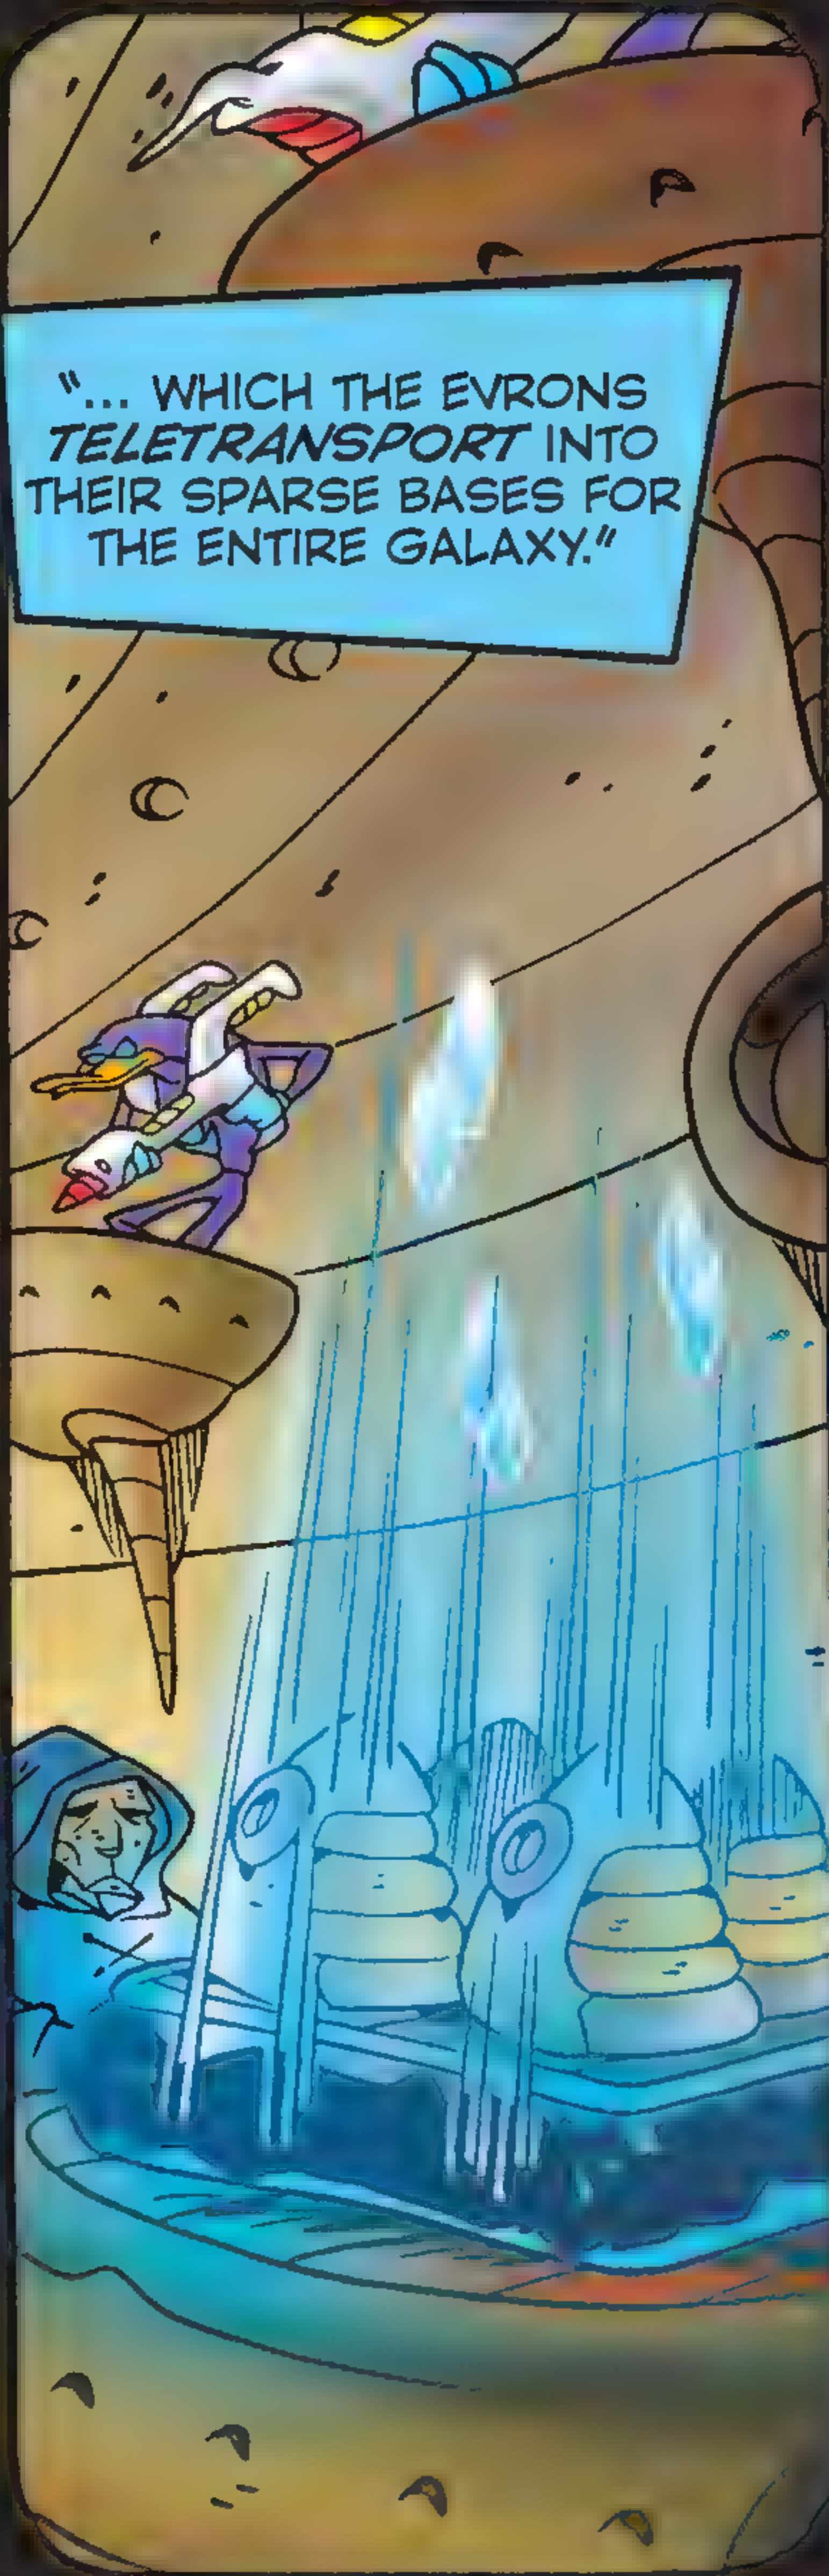

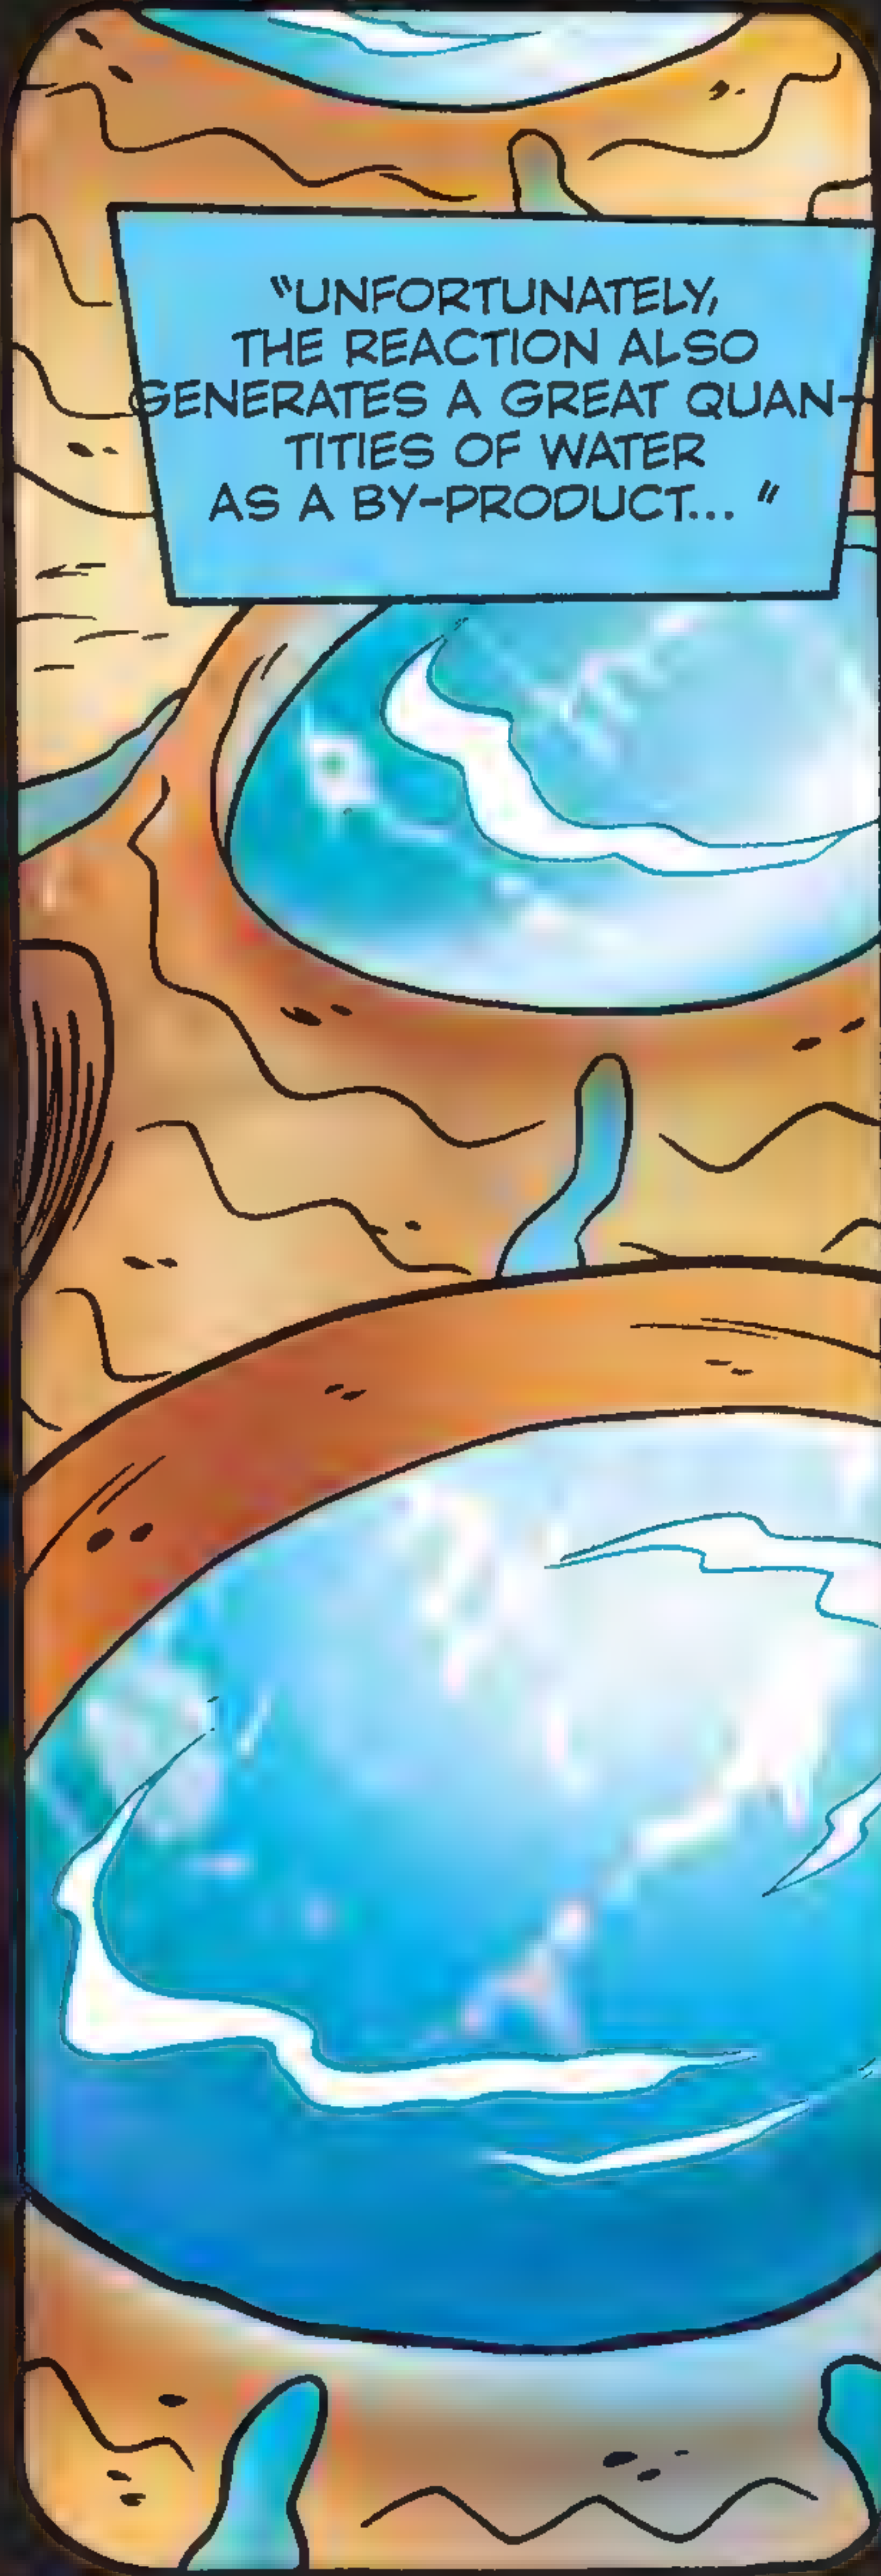

"THANKS TO THE
SOME RARE GASES IN THE
PLANET'S ATMOSPHERE,
THE GENERATORS
PRODUCE GREAT
AMOUNT OF ENERGY..."

"... WHICH THE EVRONS
TELETRANSPORT INTO
THEIR SPARSE BASES FOR
THE ENTIRE GALAXY."

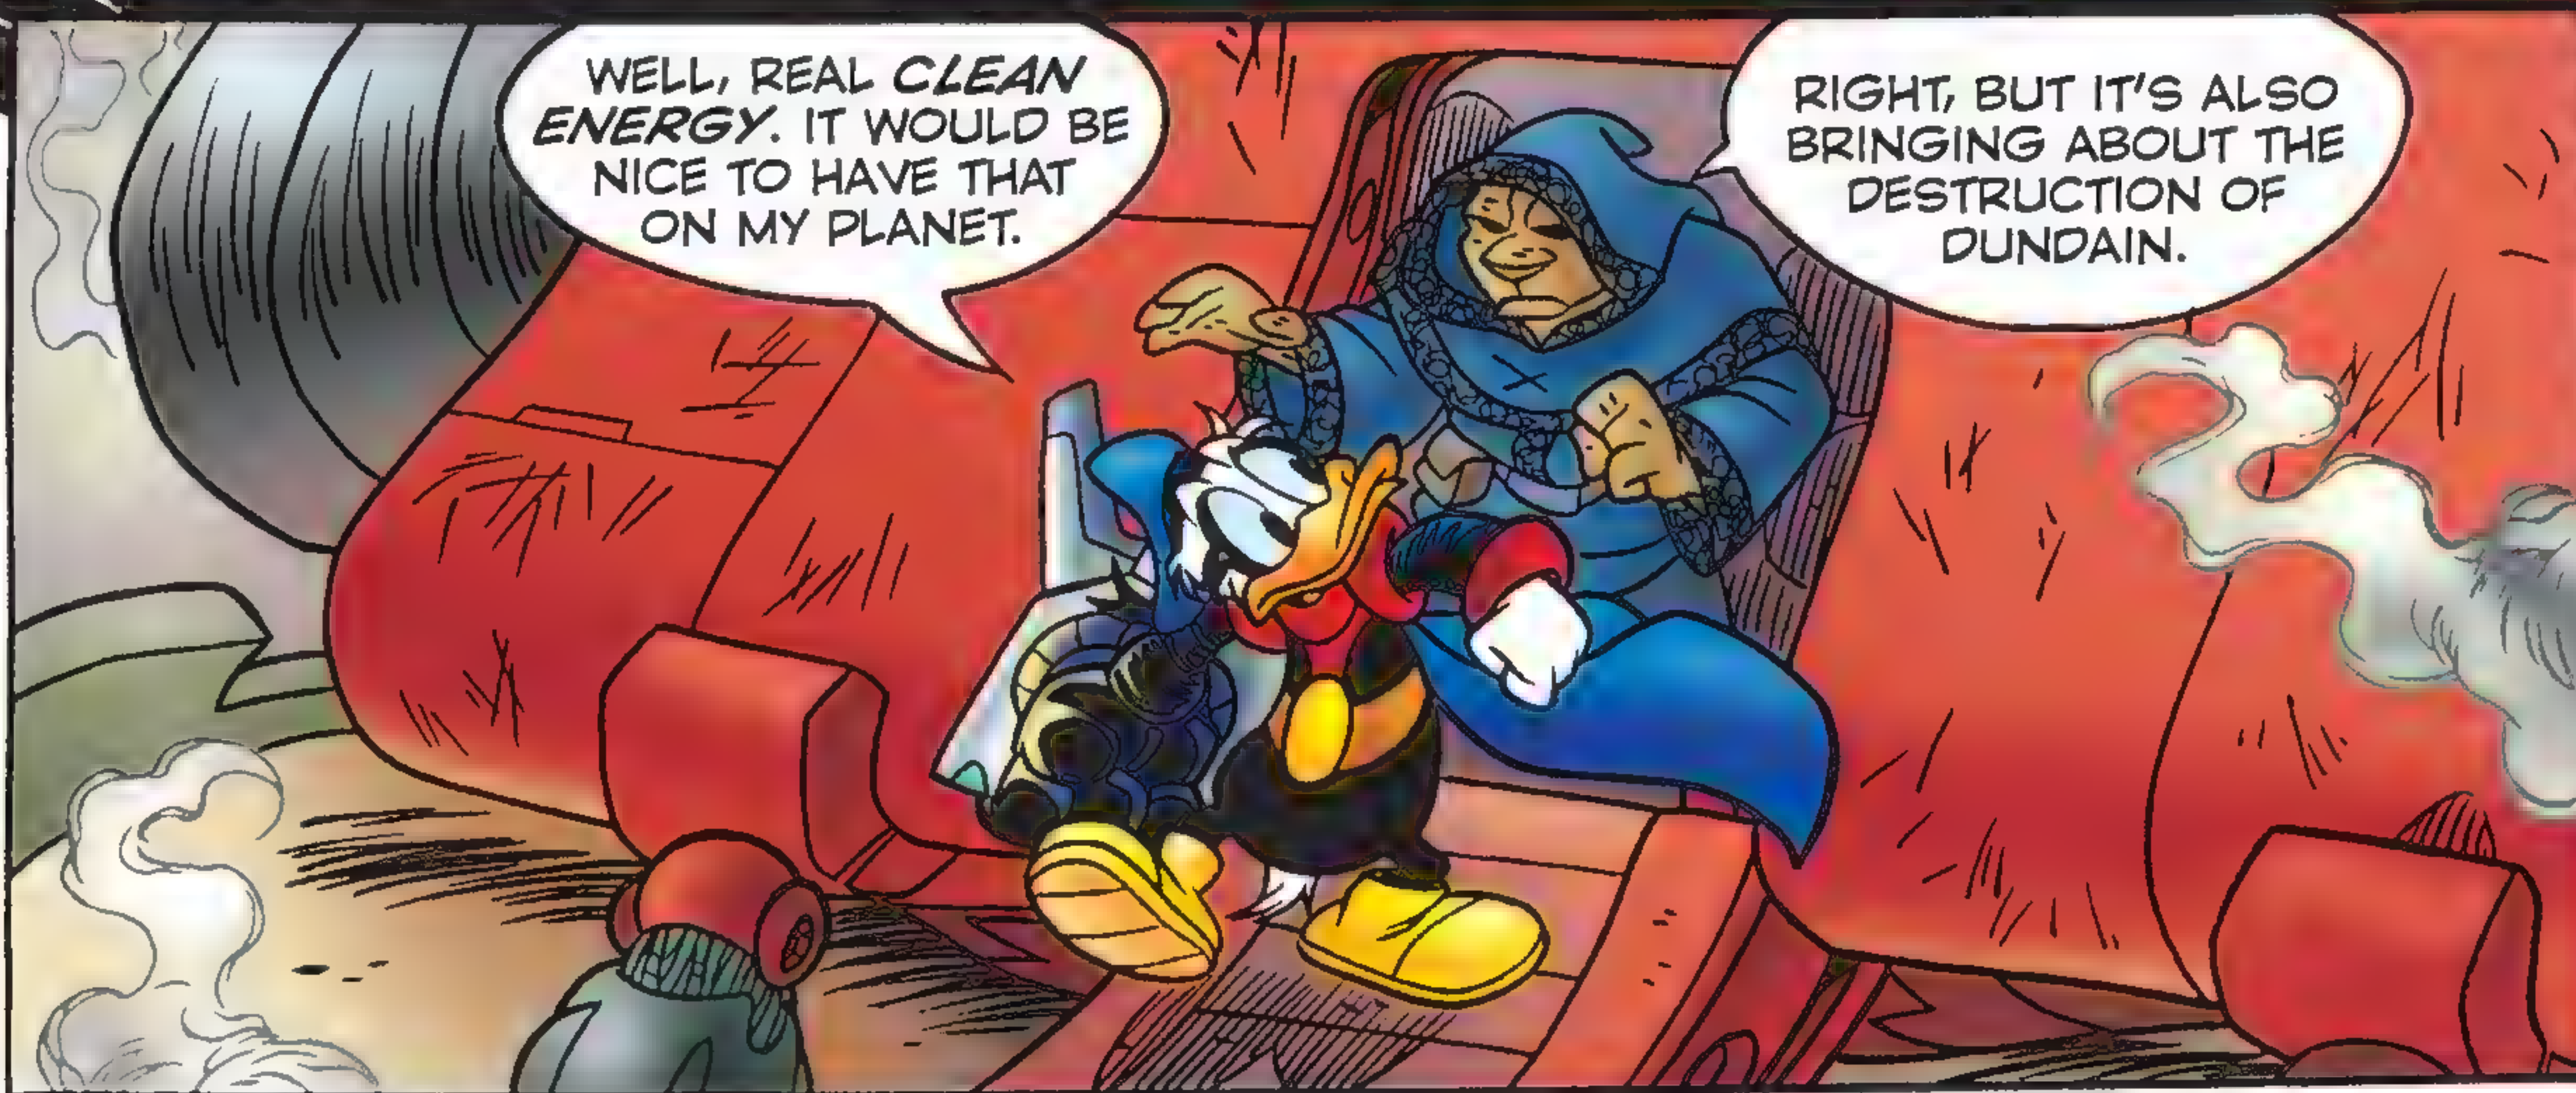

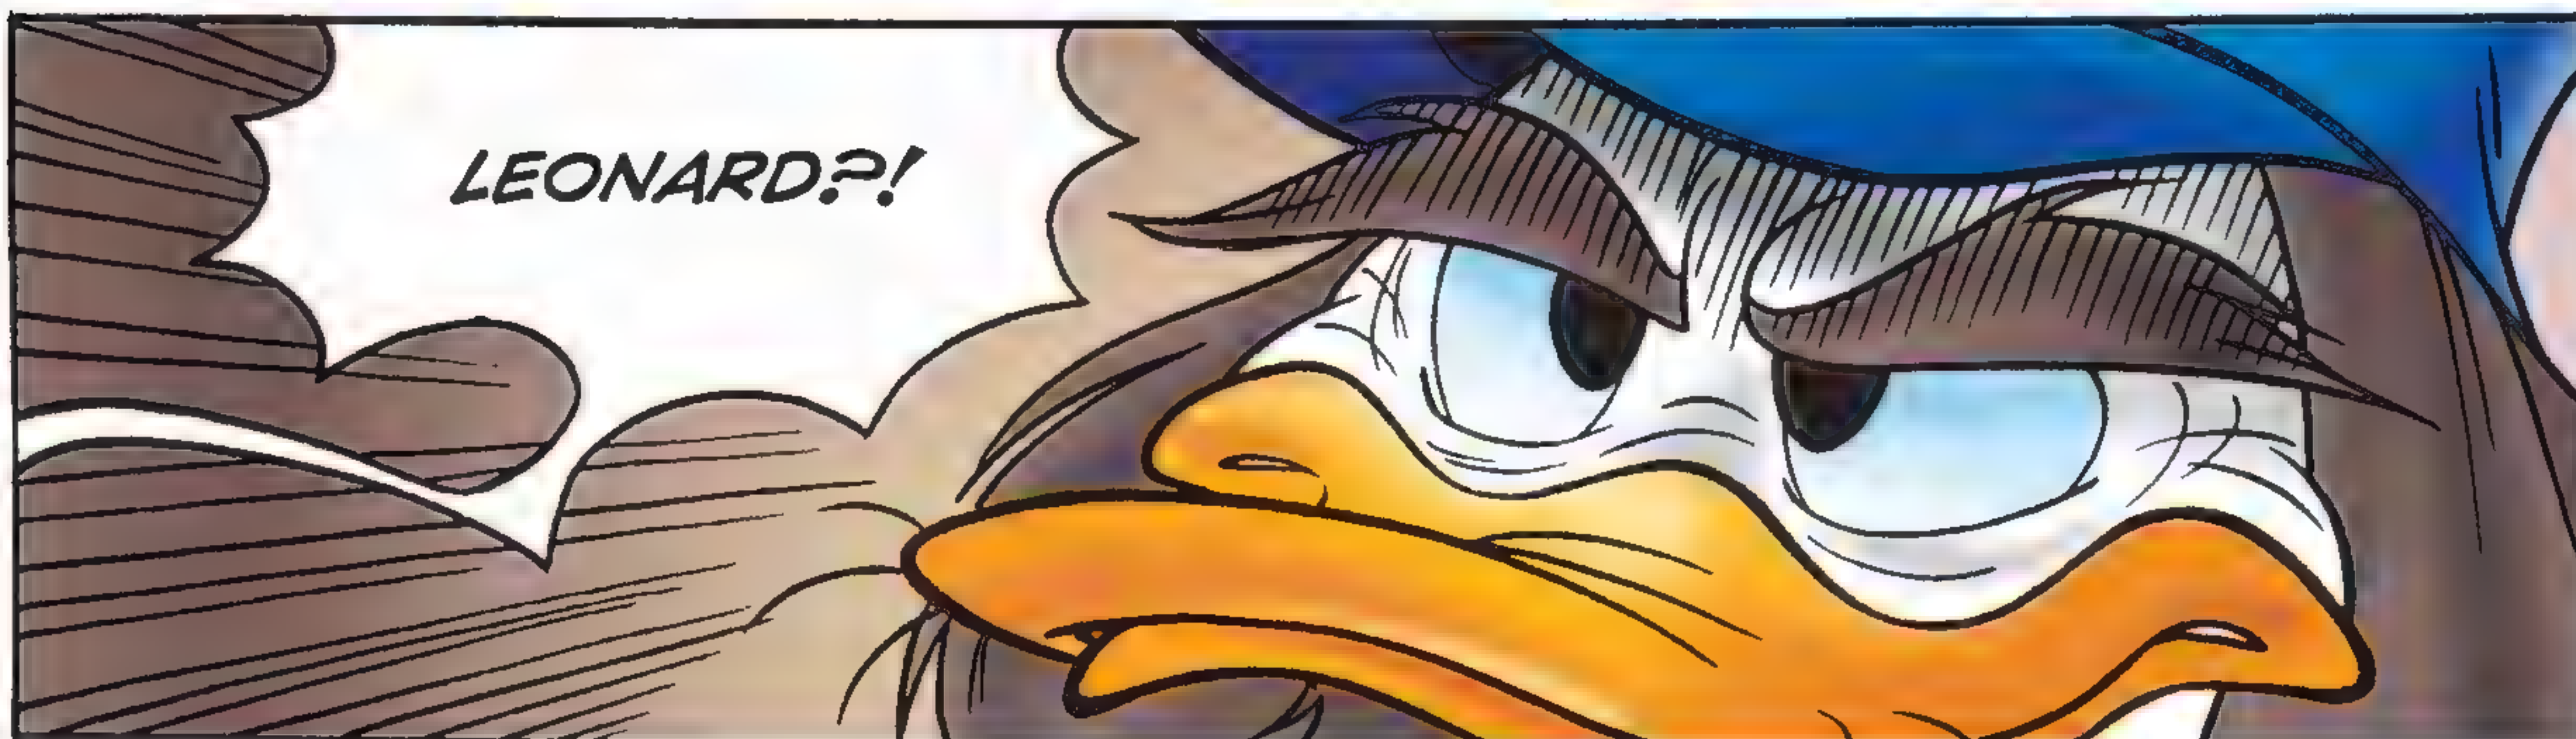

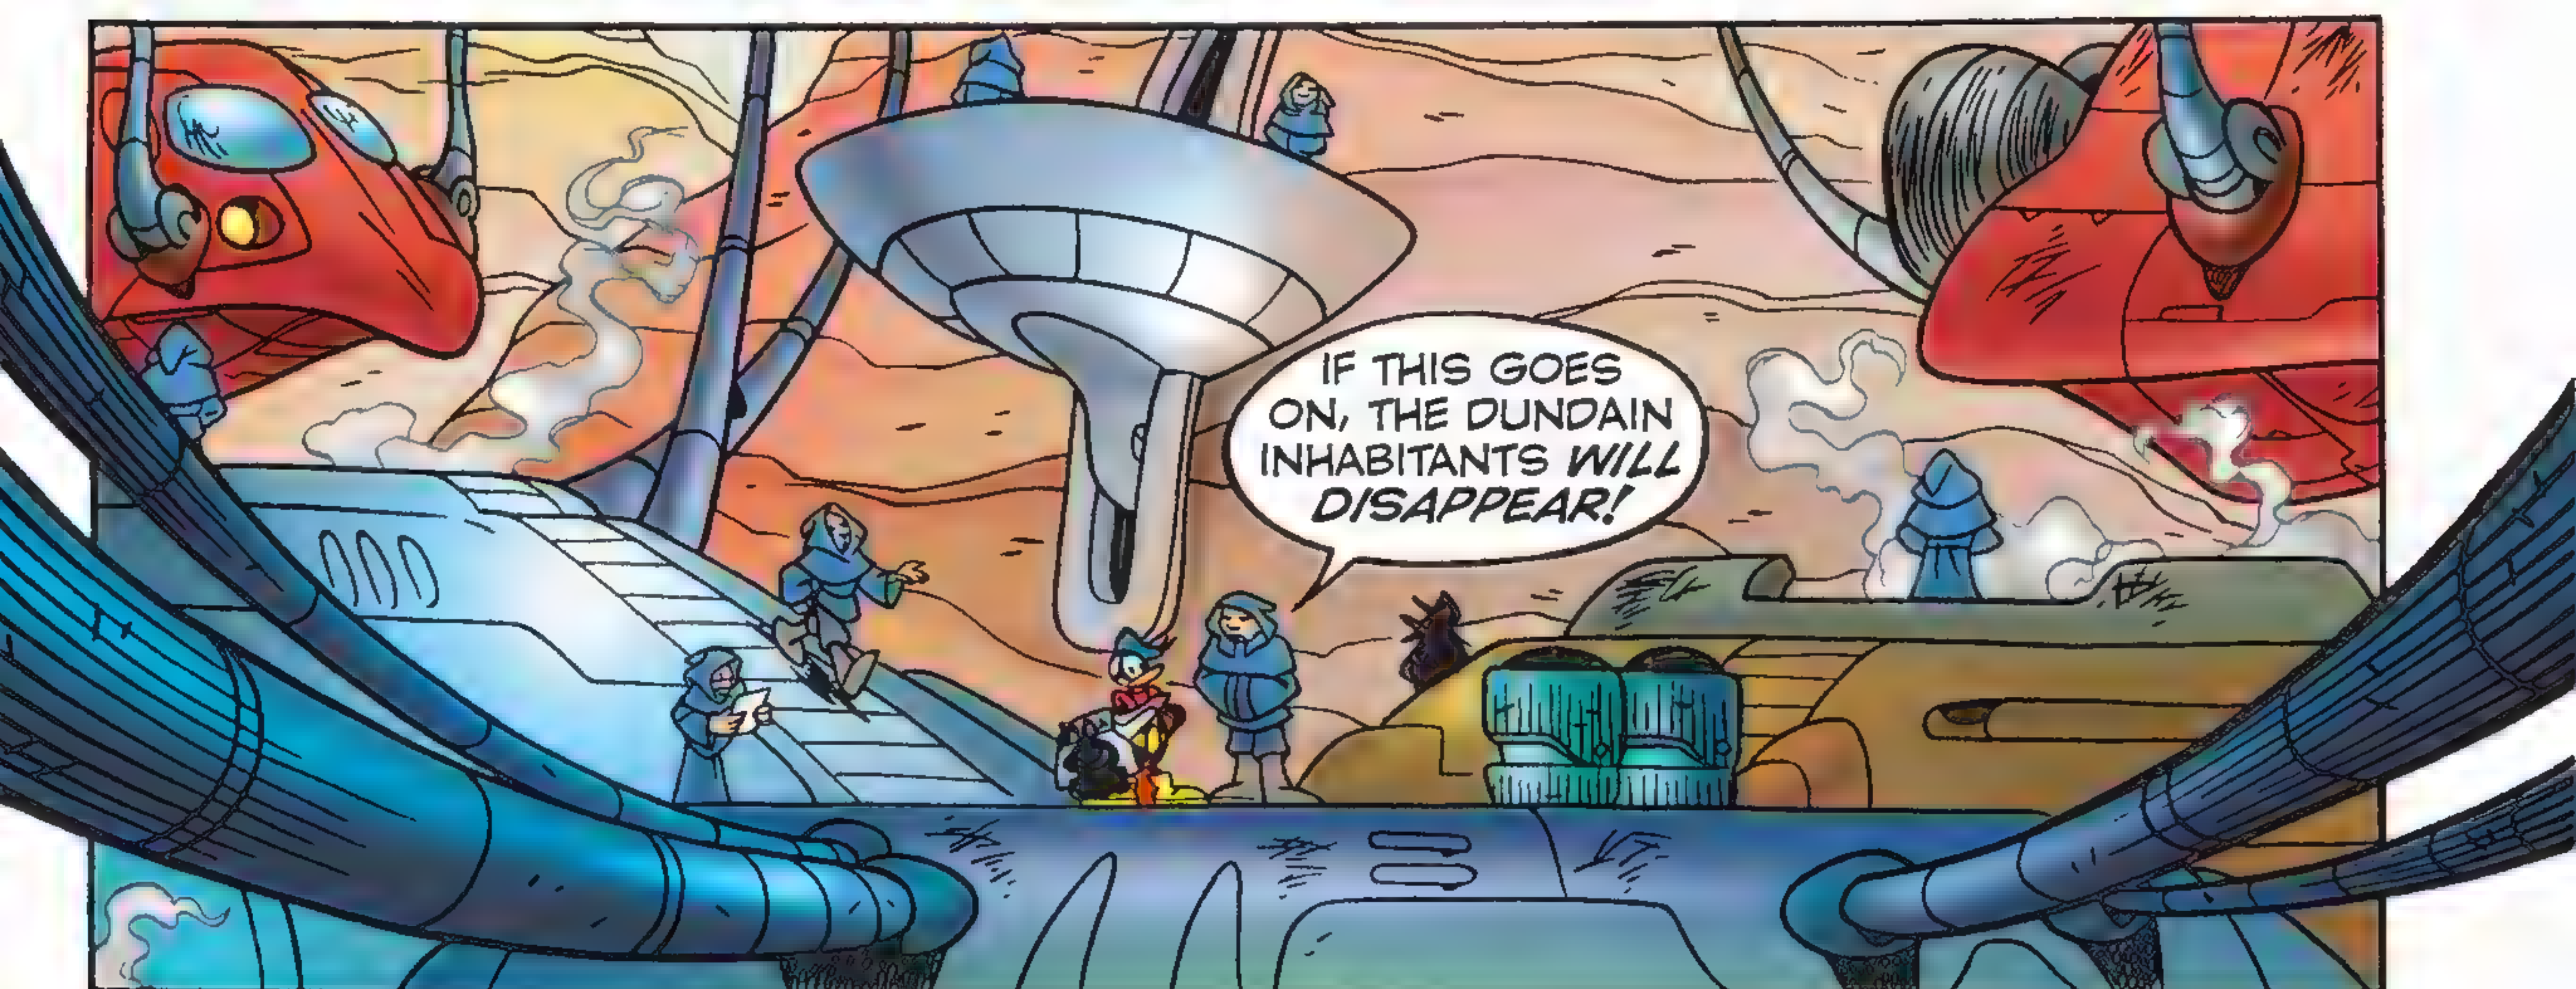

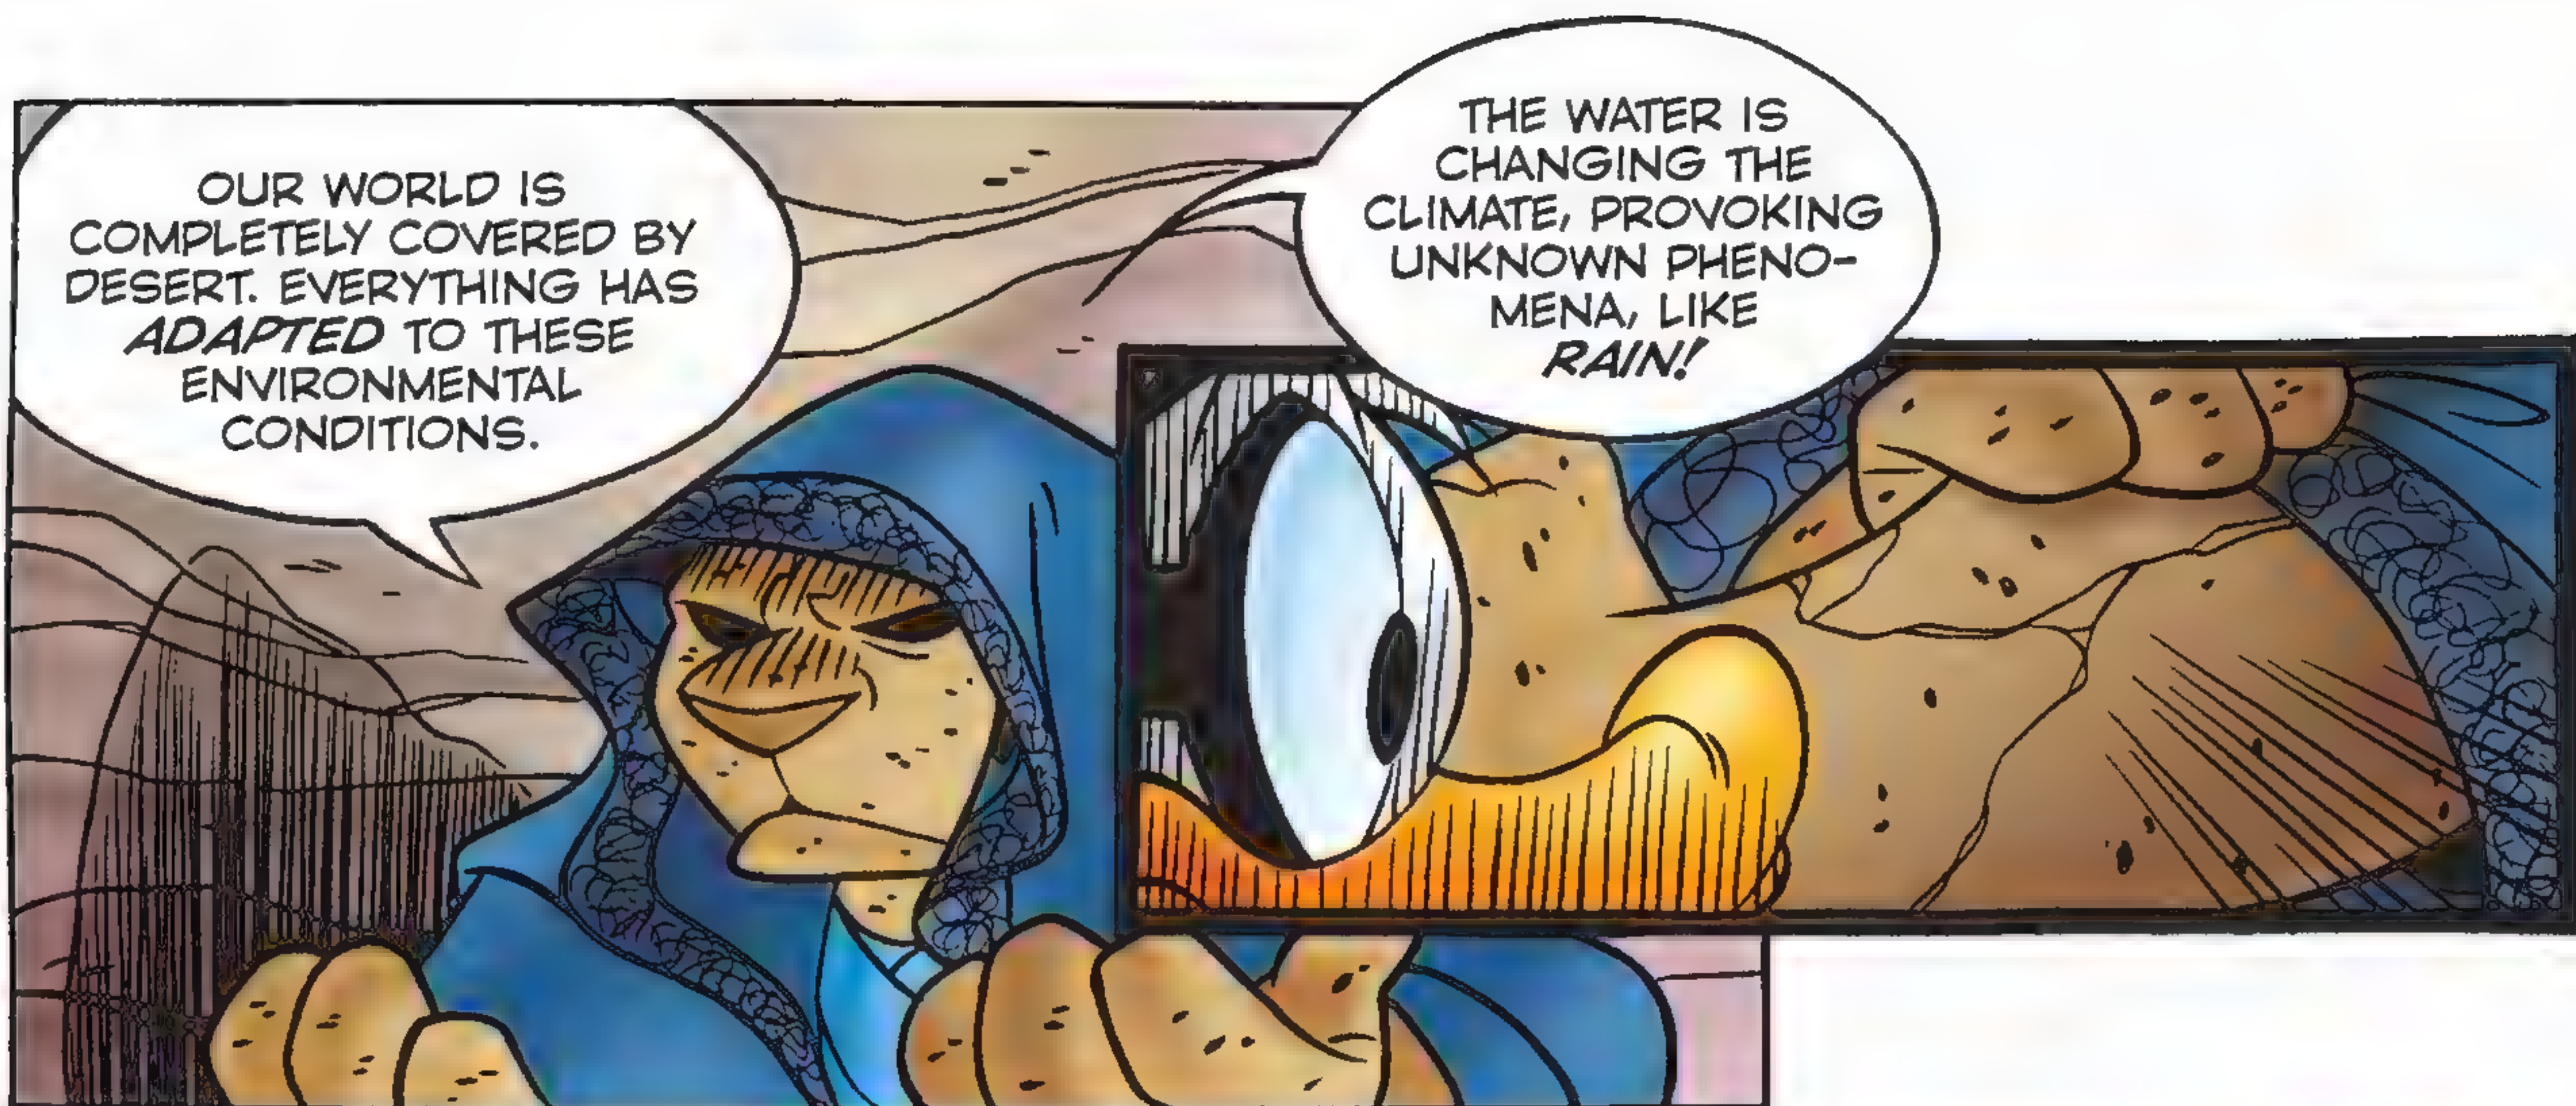

"UNFORTUNATELY,
THE REACTION ALSO
GENERATES A GREAT QUAN-
TITIES OF WATER
AS A BY-PRODUCT..."

WELL, REAL *CLEAN*
ENERGY. IT WOULD BE
NICE TO HAVE THAT
ON MY PLANET.

RIGHT, BUT IT'S ALSO
BRINGING ABOUT THE
DESTRUCTION OF
DUNDAIN.

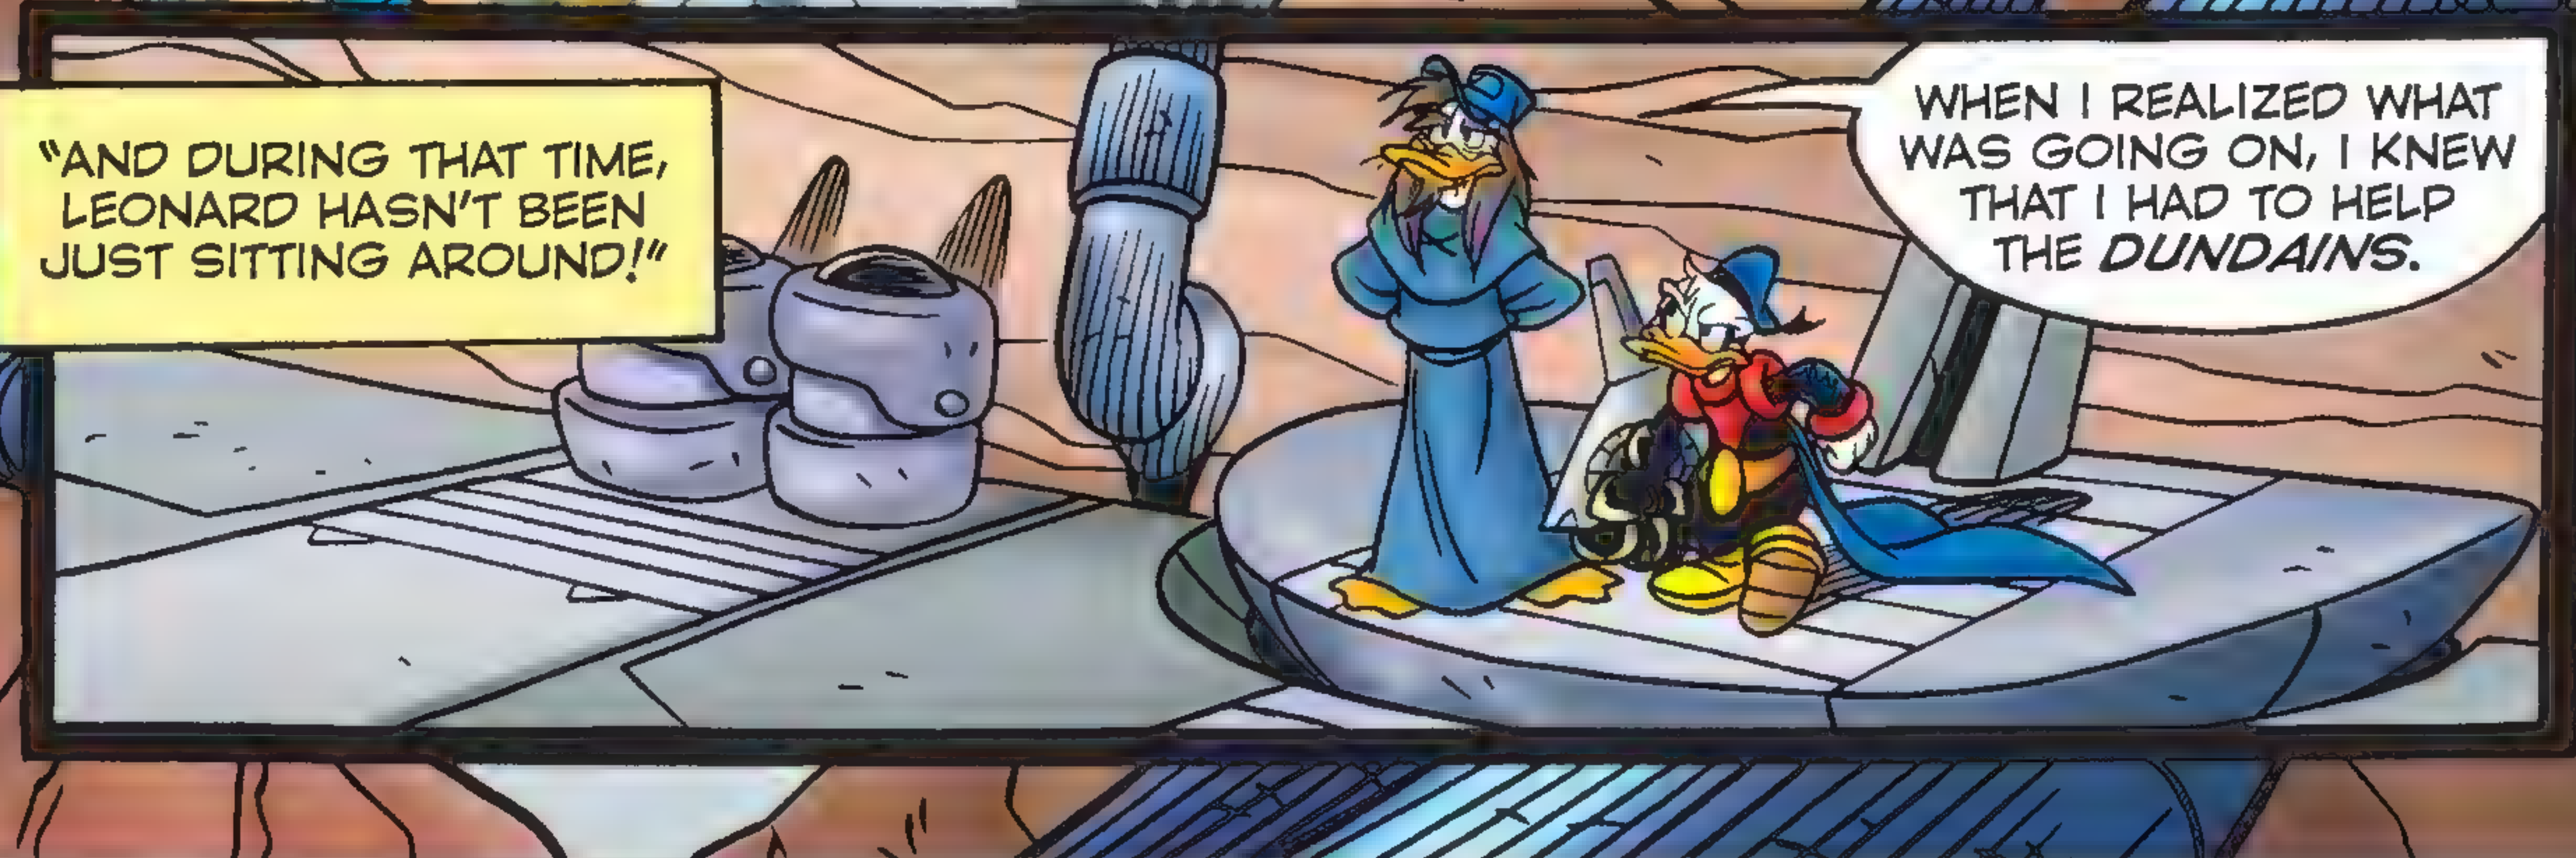

"MYSTERY OF INTER-
STELLAR TRAVEL!"

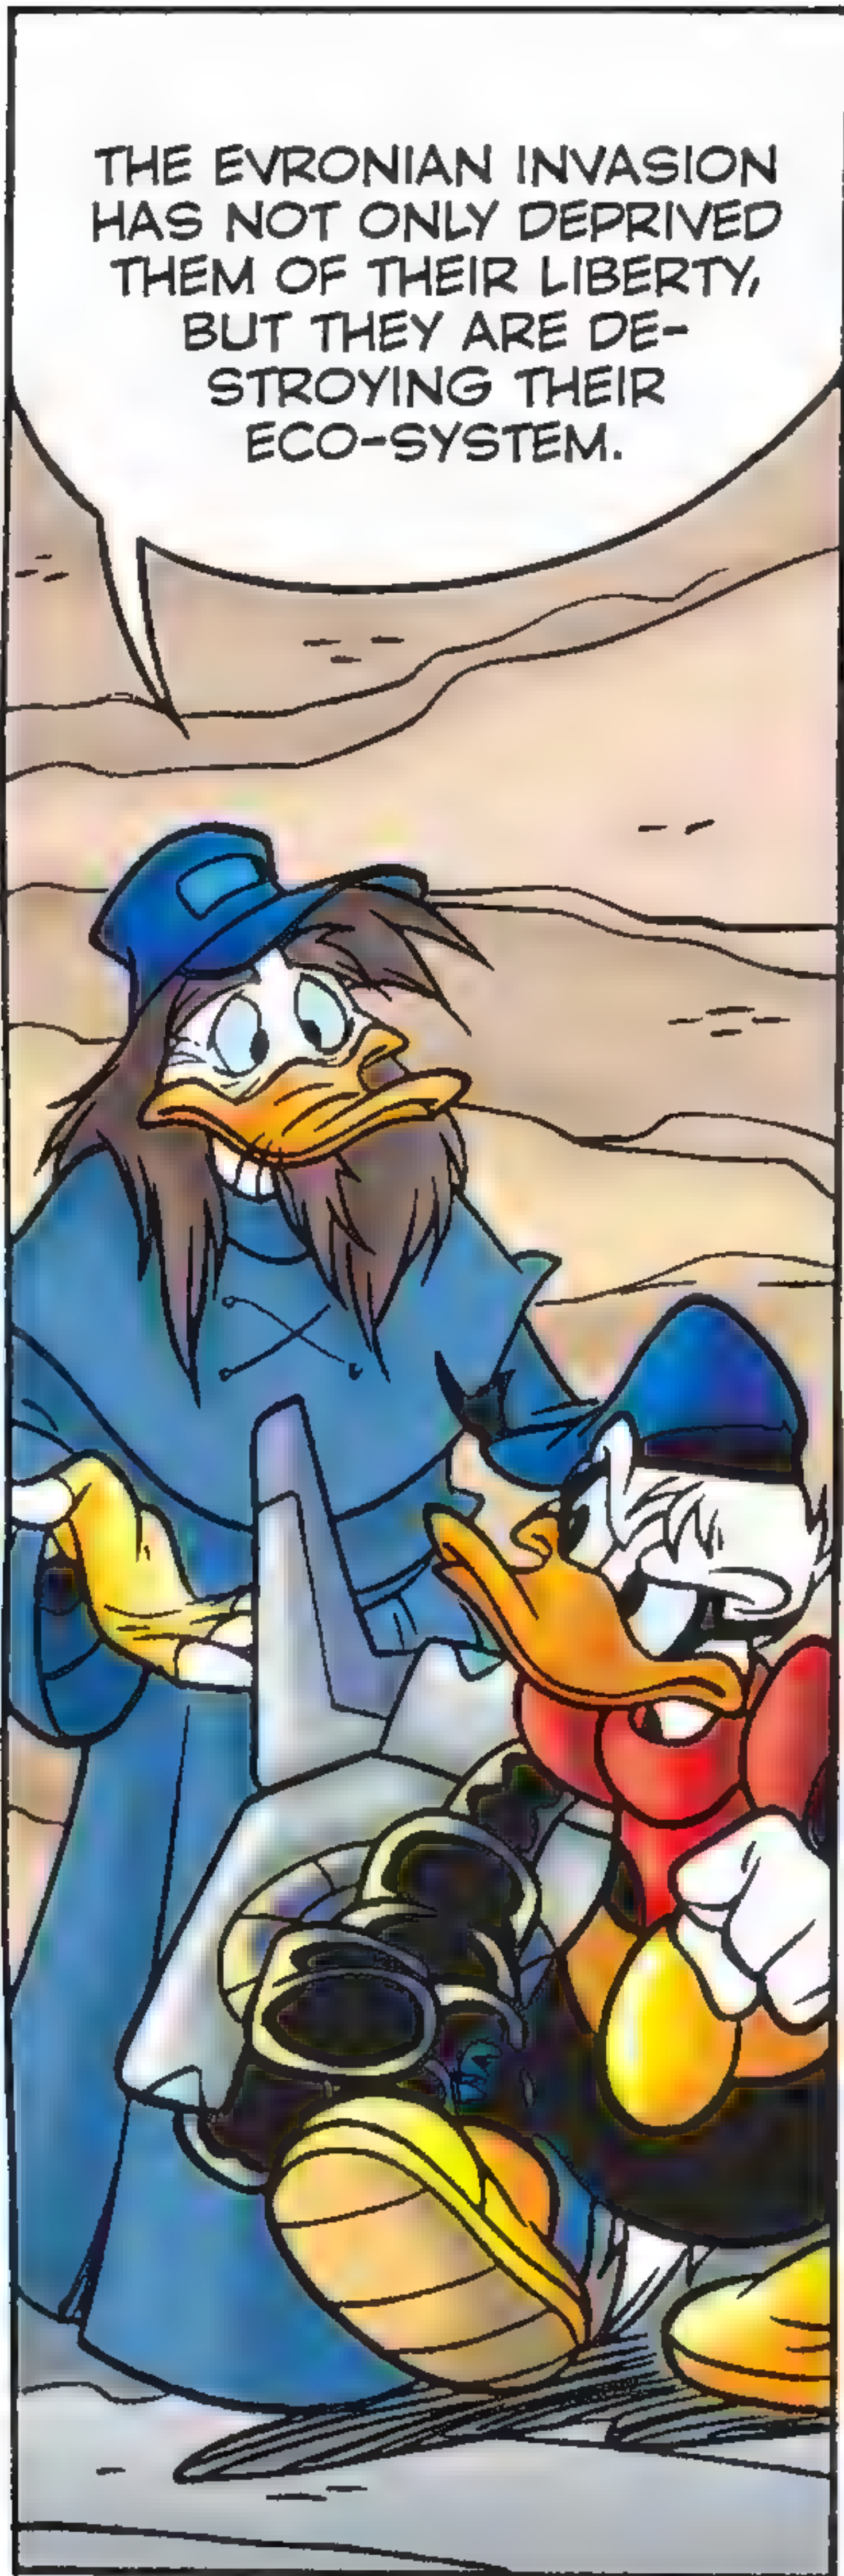

"ON EARTH, FROM THE
DISAPPEARANCE OF
LEONARD TO WHEN I WAS
TRANSPORTED HERE TO TRY
AND SAVE HIM, ONLY A FEW
MINUTES HAVE GONE BY..."

"... AND YET ON THIS FAR-
AWAY PLANET, IT'S BEEN
ALMOST A WEEK."

"AND DURING THAT TIME,
LEONARD HASN'T BEEN
JUST SITTING AROUND!"

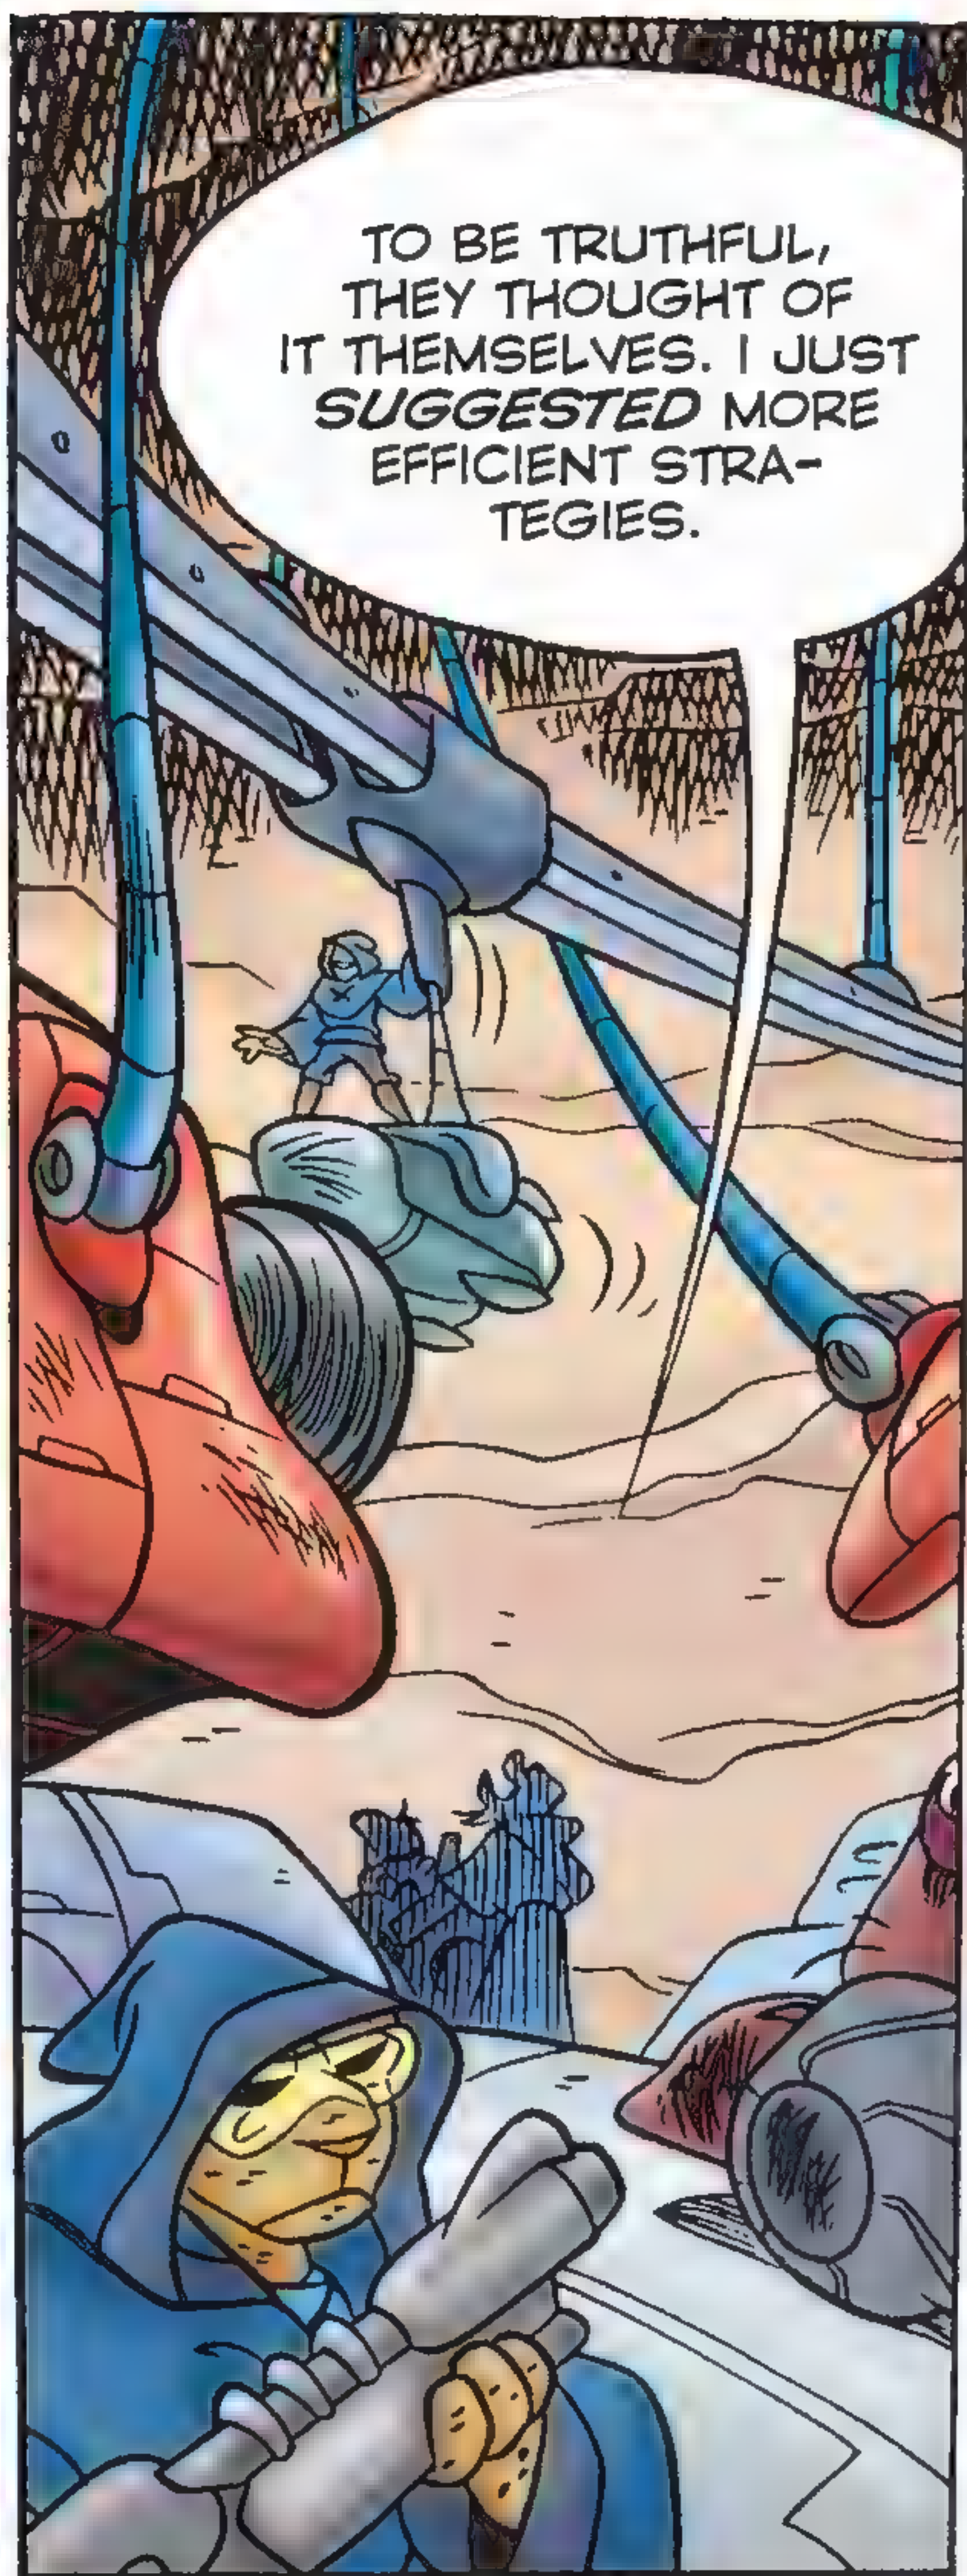

WHEN I REALIZED WHAT
WAS GOING ON, I KNEW
THAT I HAD TO HELP
THE *DUNDAINS*.

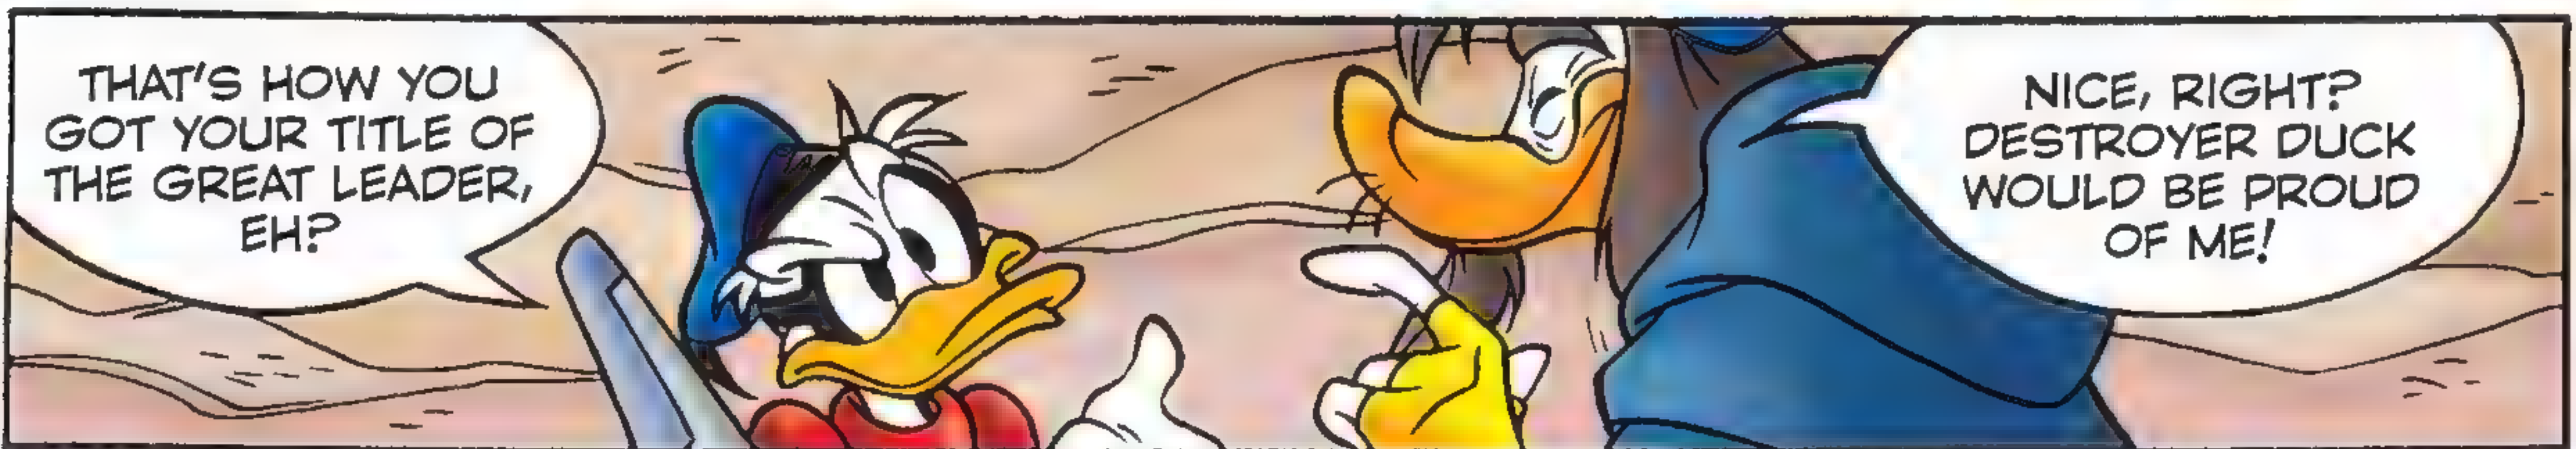

THE EVRONIAN INVASION HAS NOT ONLY DEPRIVED THEM OF THEIR LIBERTY, BUT THEY ARE DESTROYING THEIR ECO-SYSTEM.

SO YOU HAD THE *GREAT IDEA* TO ORGANIZE A GROUP OF REBELS?

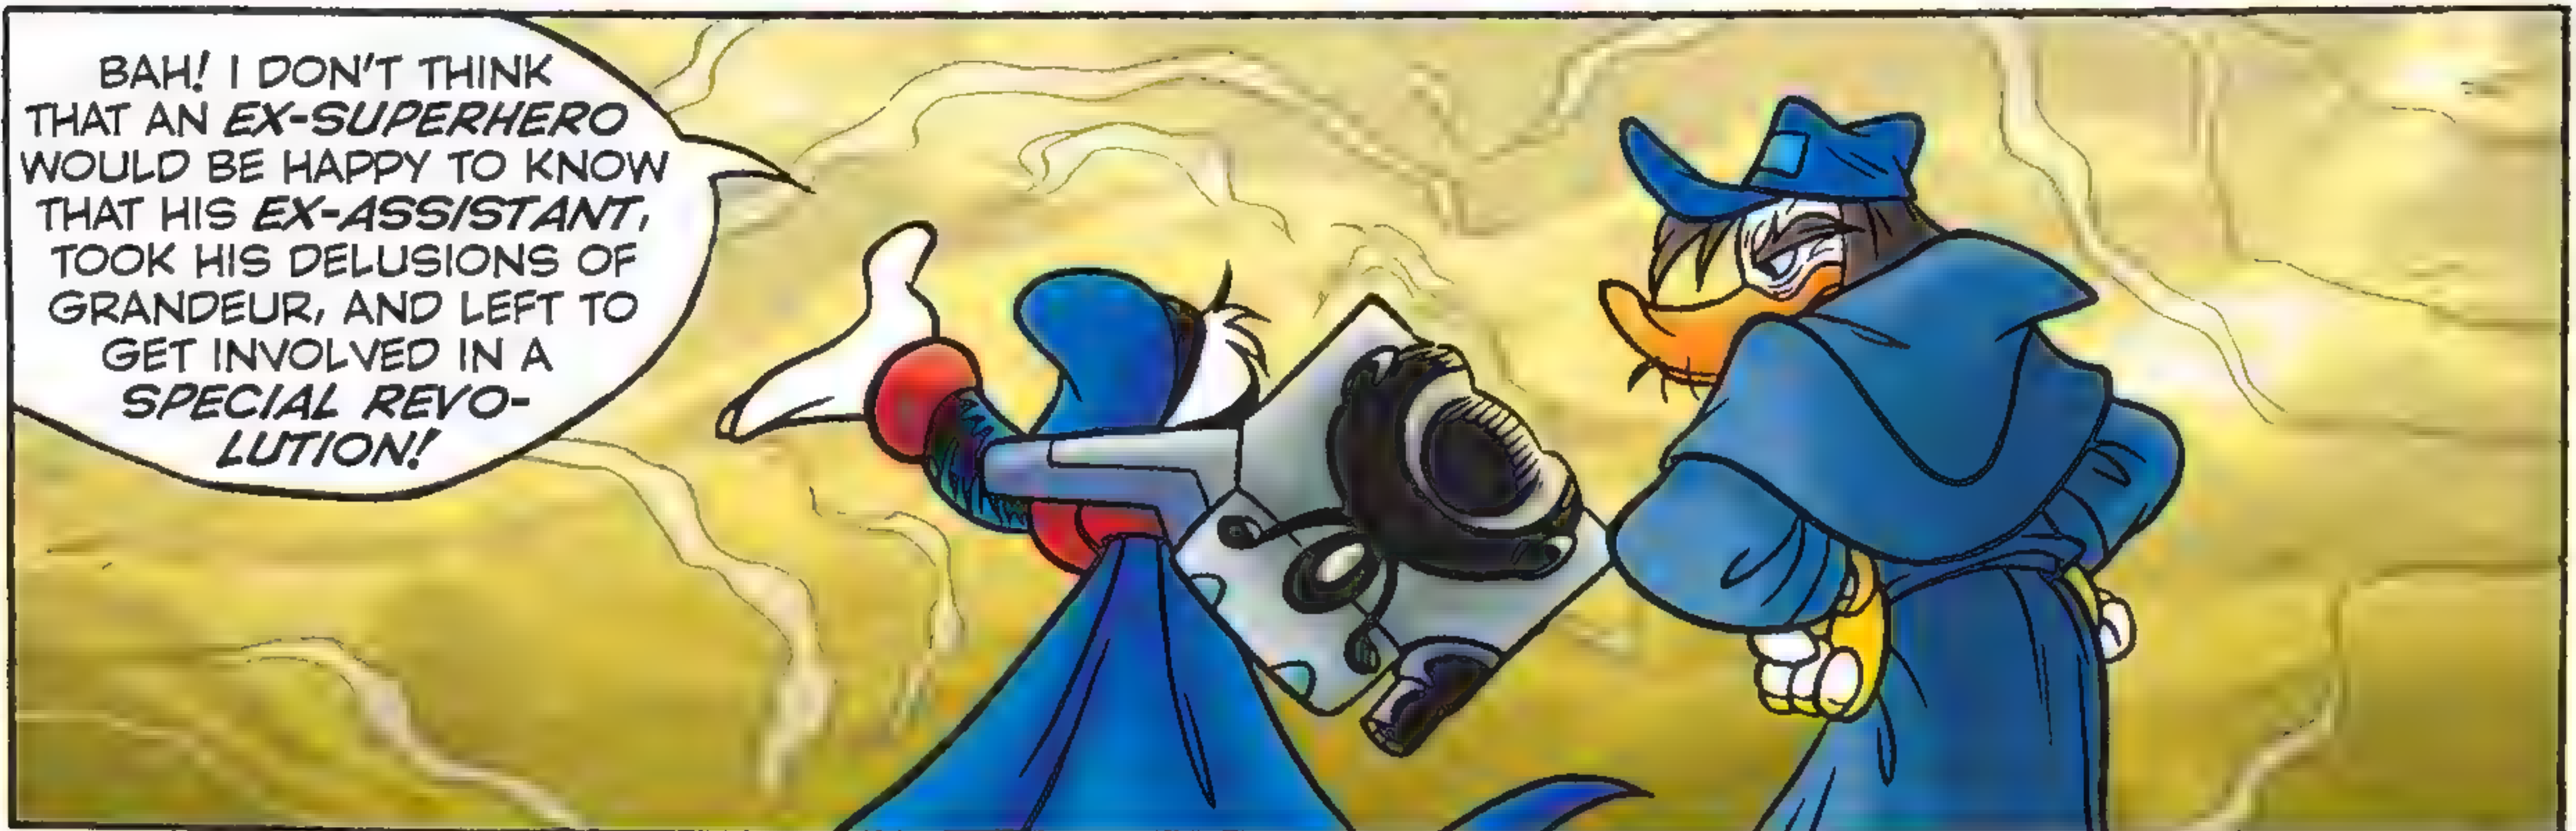

TO BE TRUTHFUL, THEY THOUGHT OF IT THEMSELVES. I JUST *SUGGESTED* MORE EFFICIENT STRATEGIES.

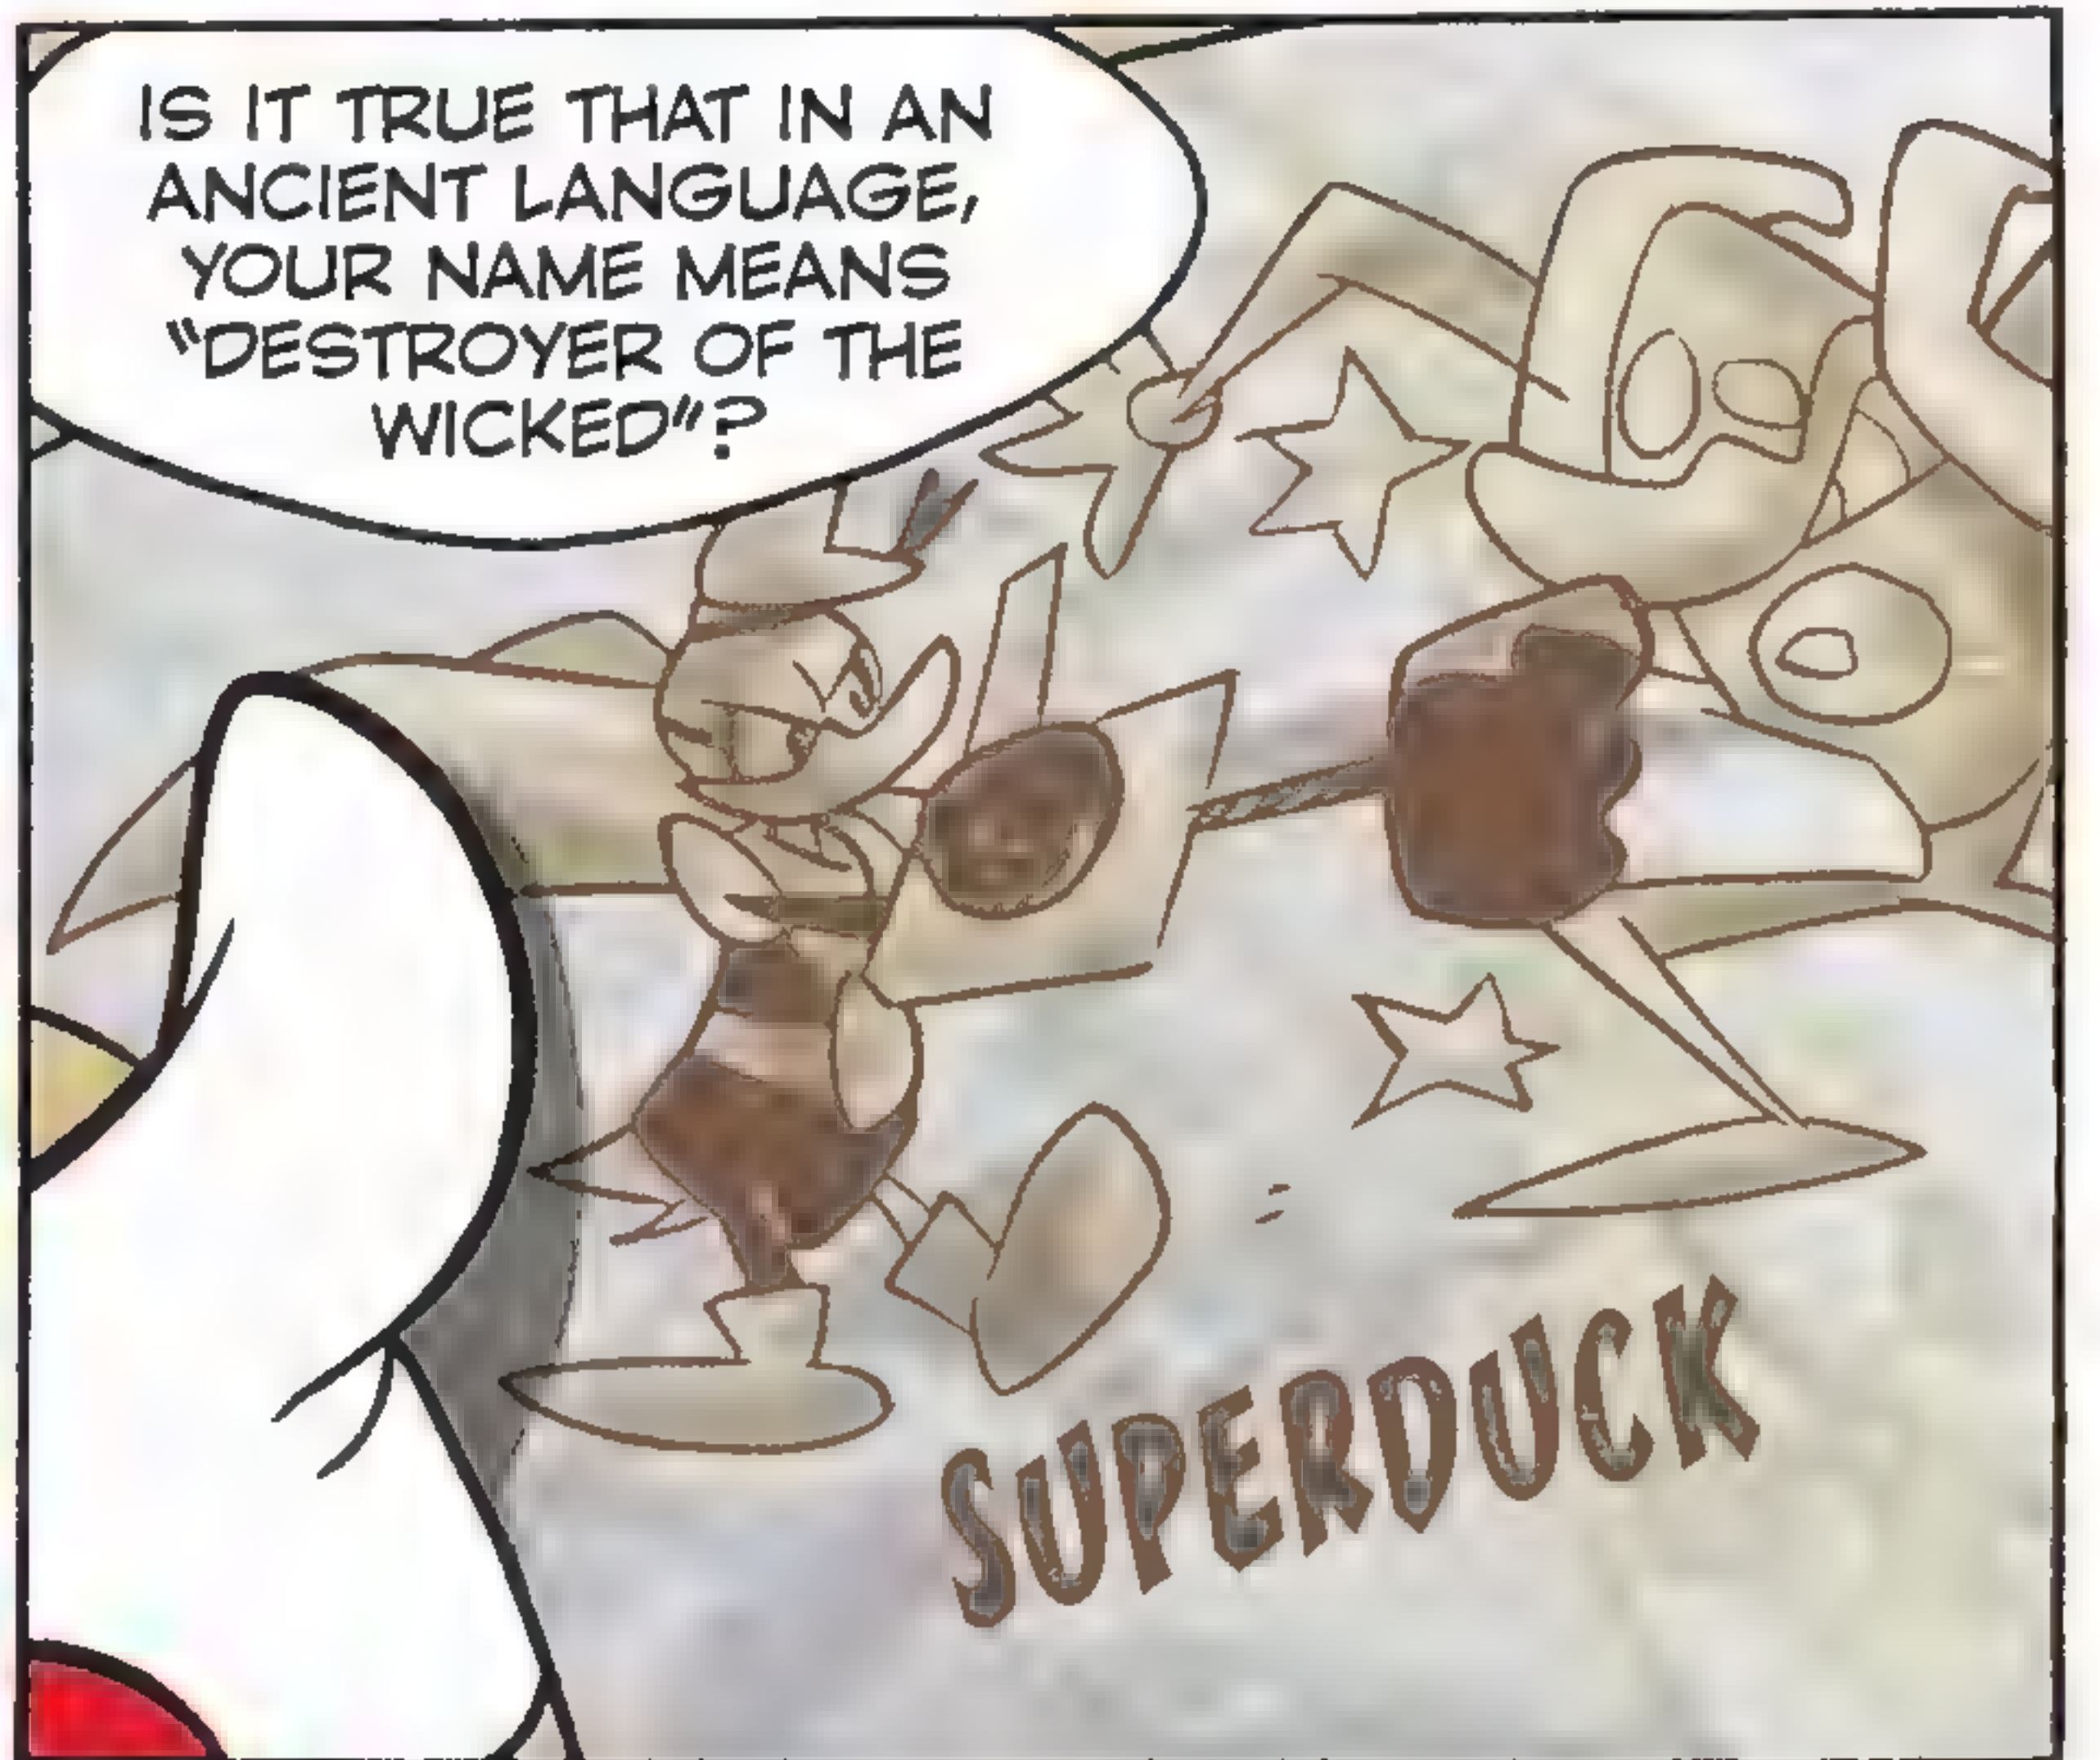

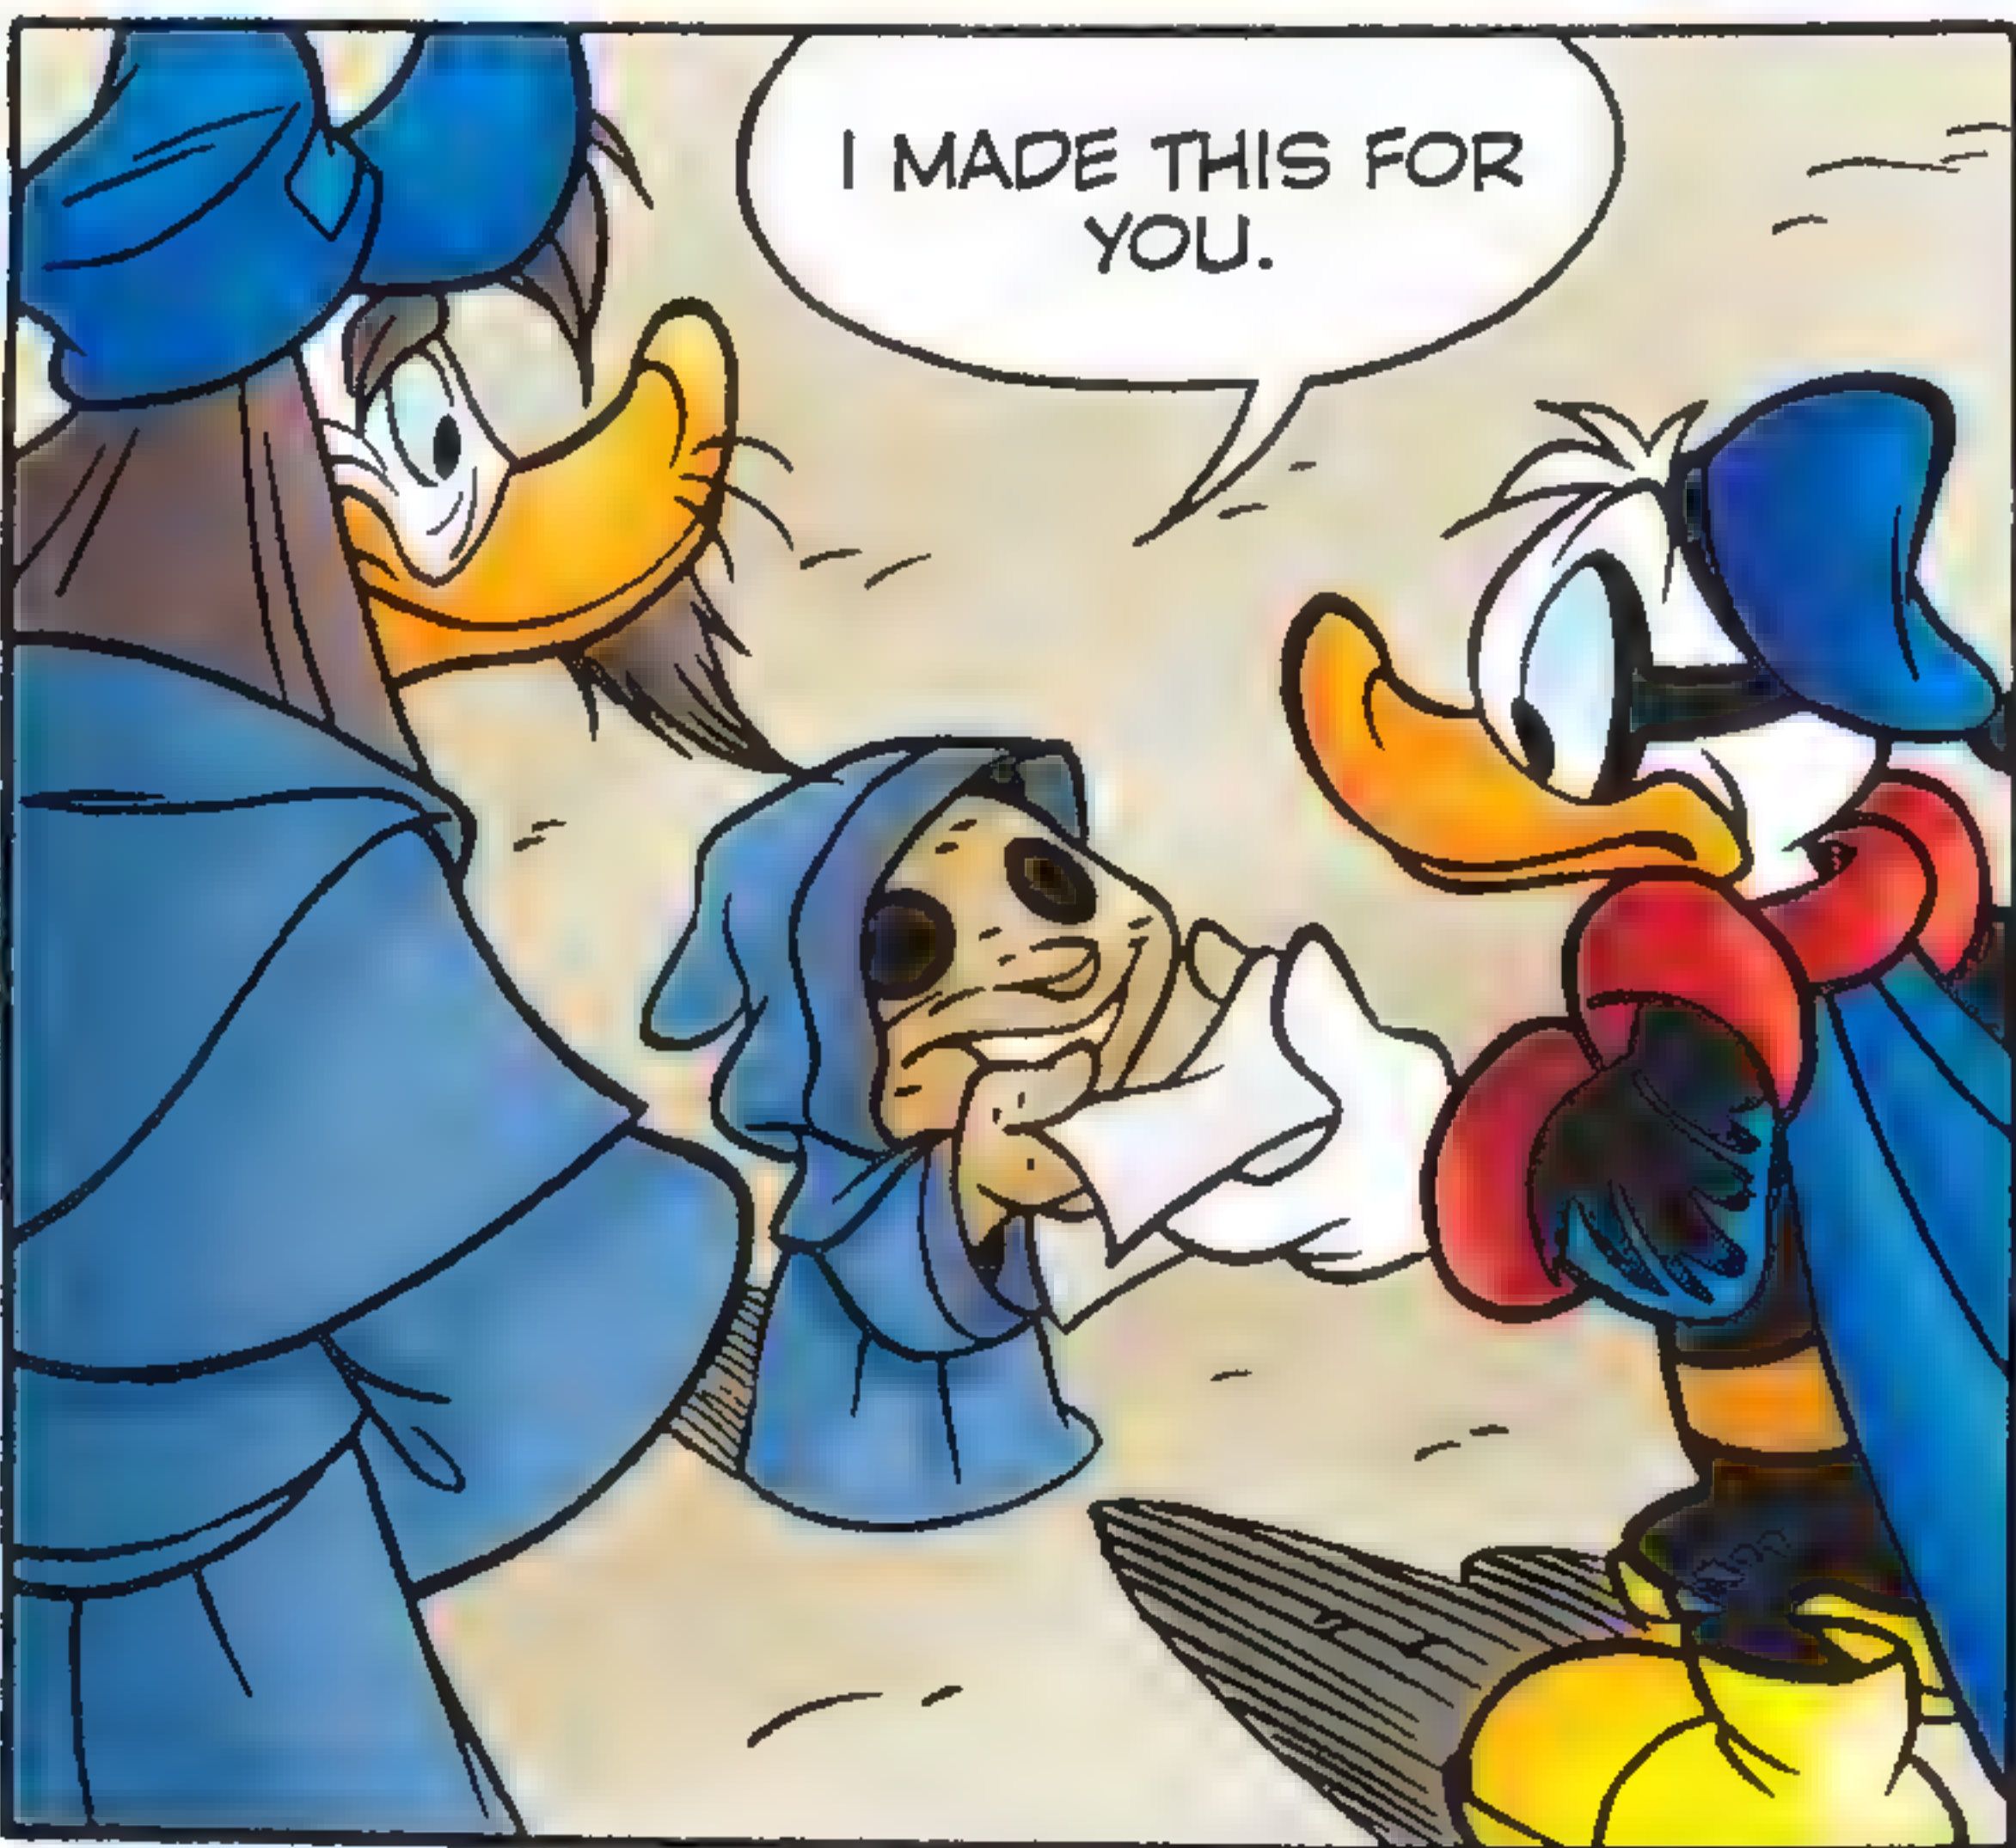

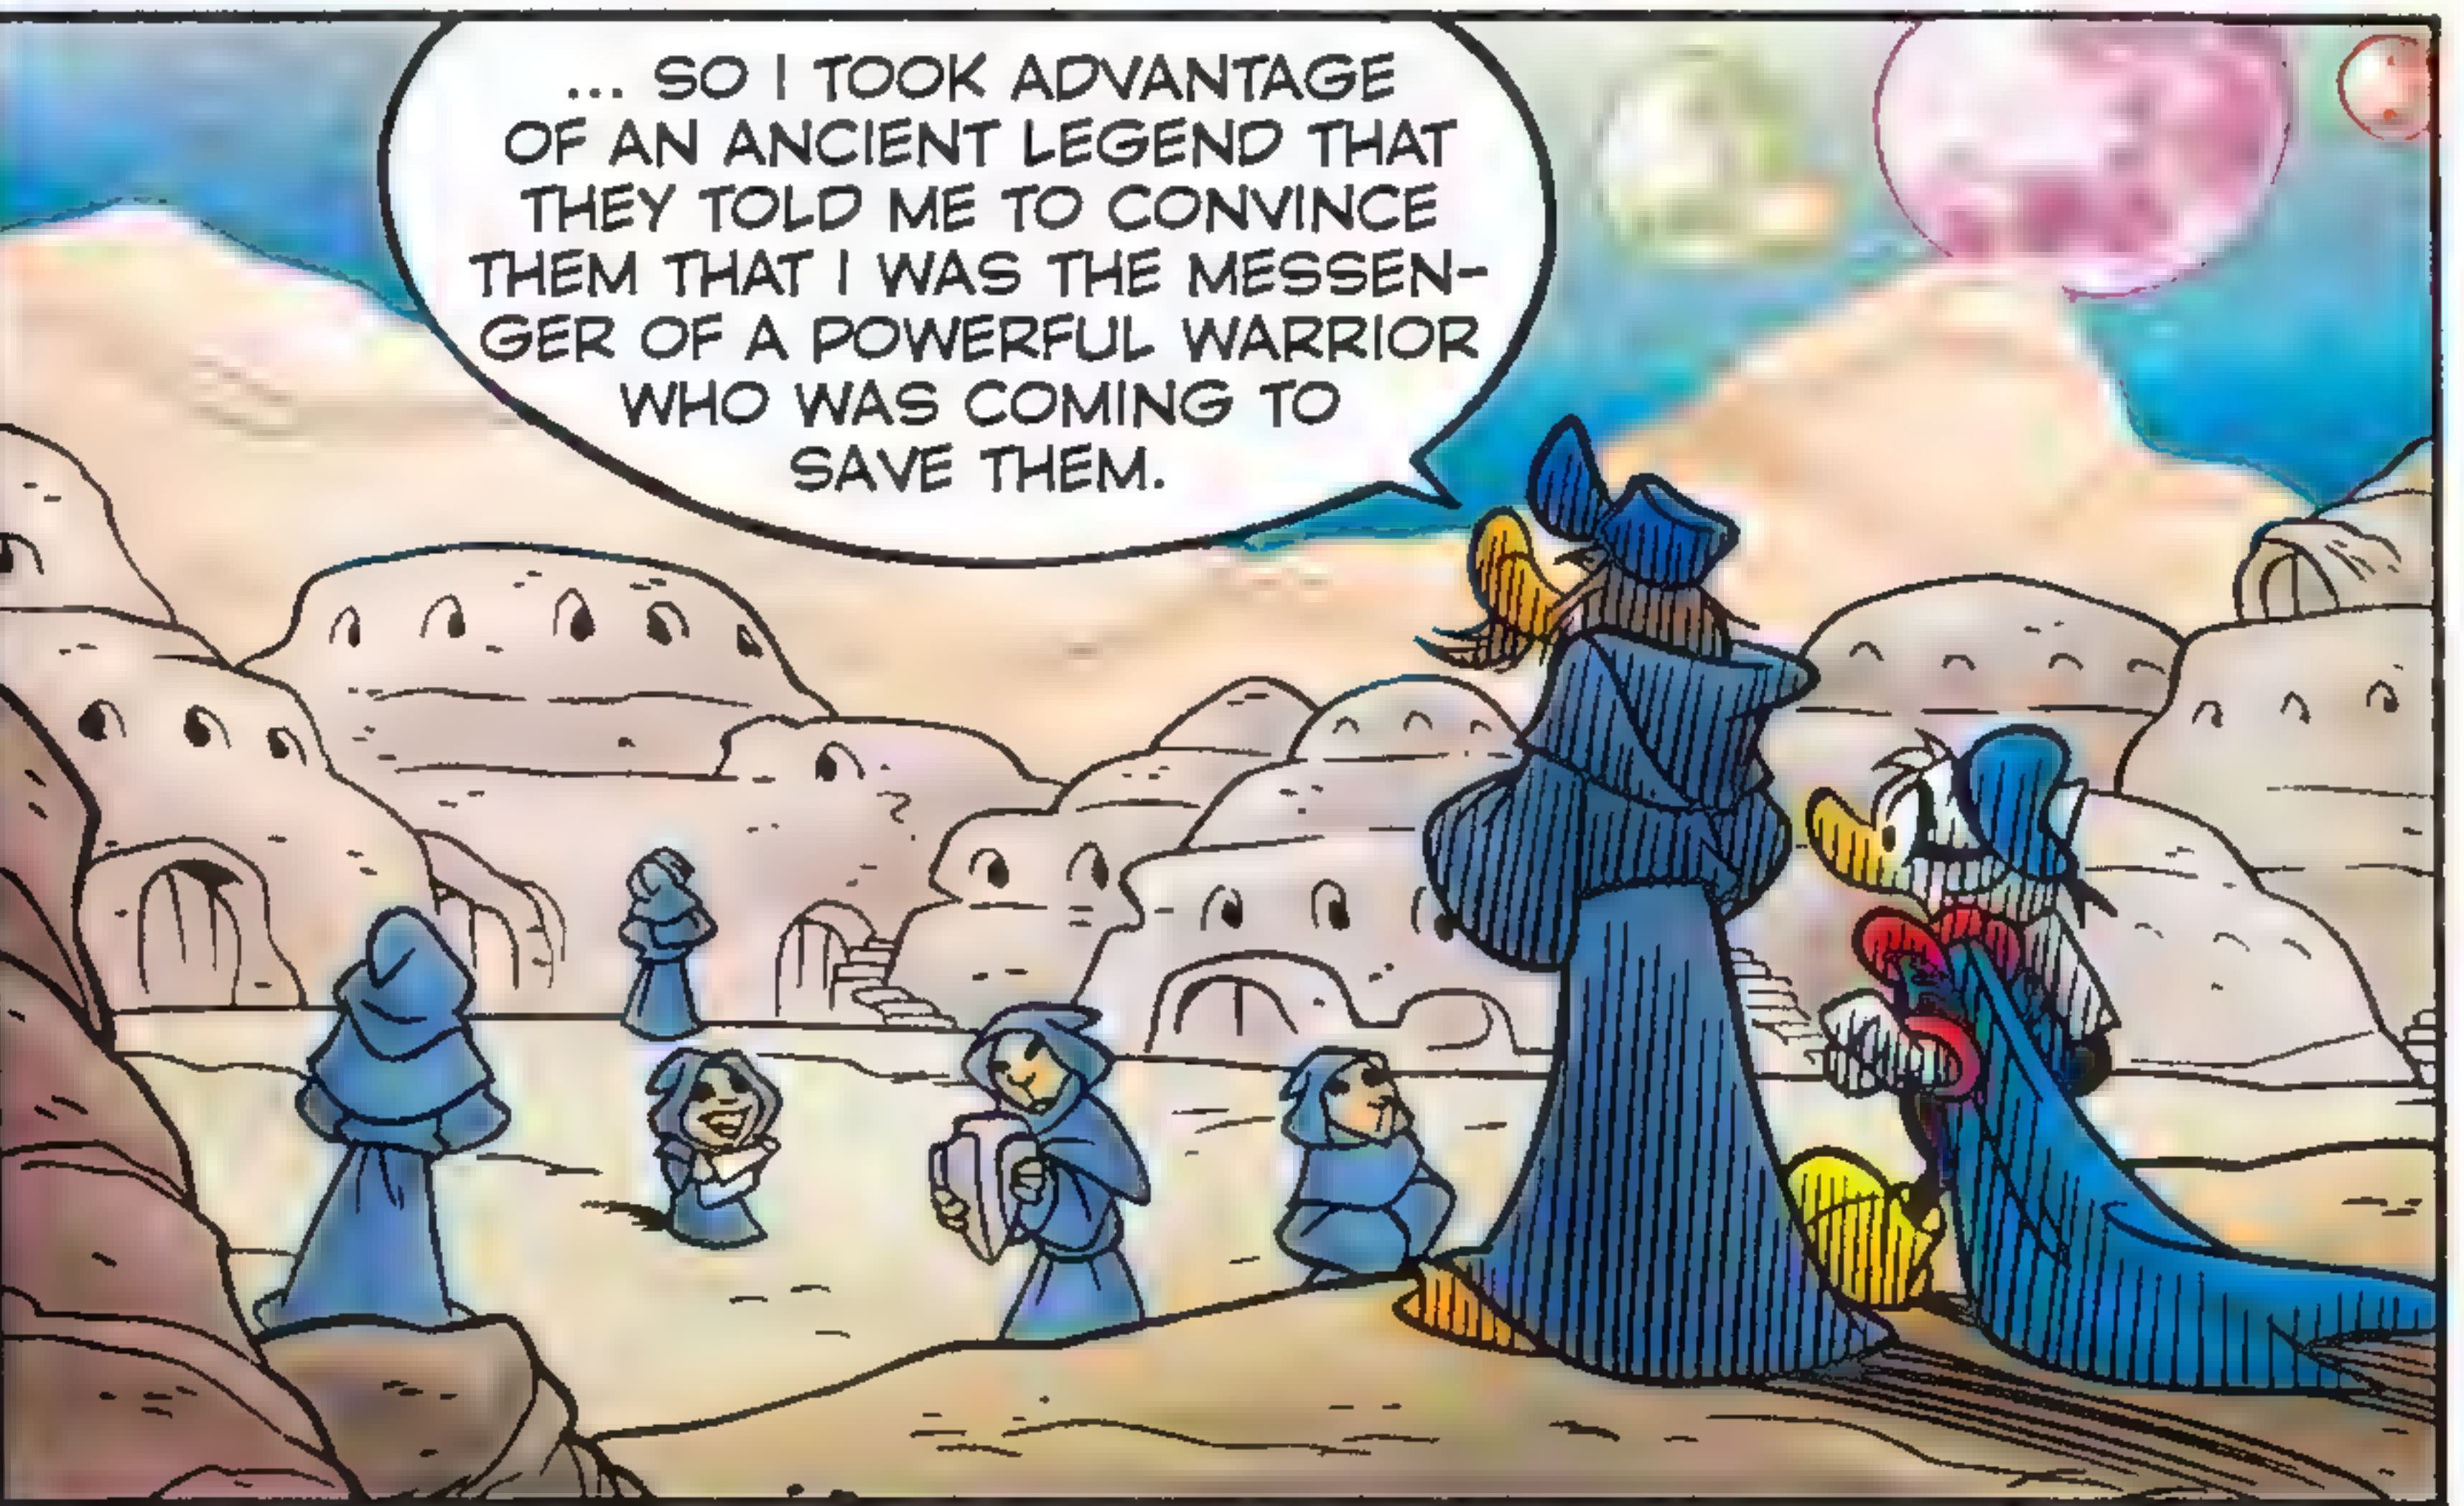

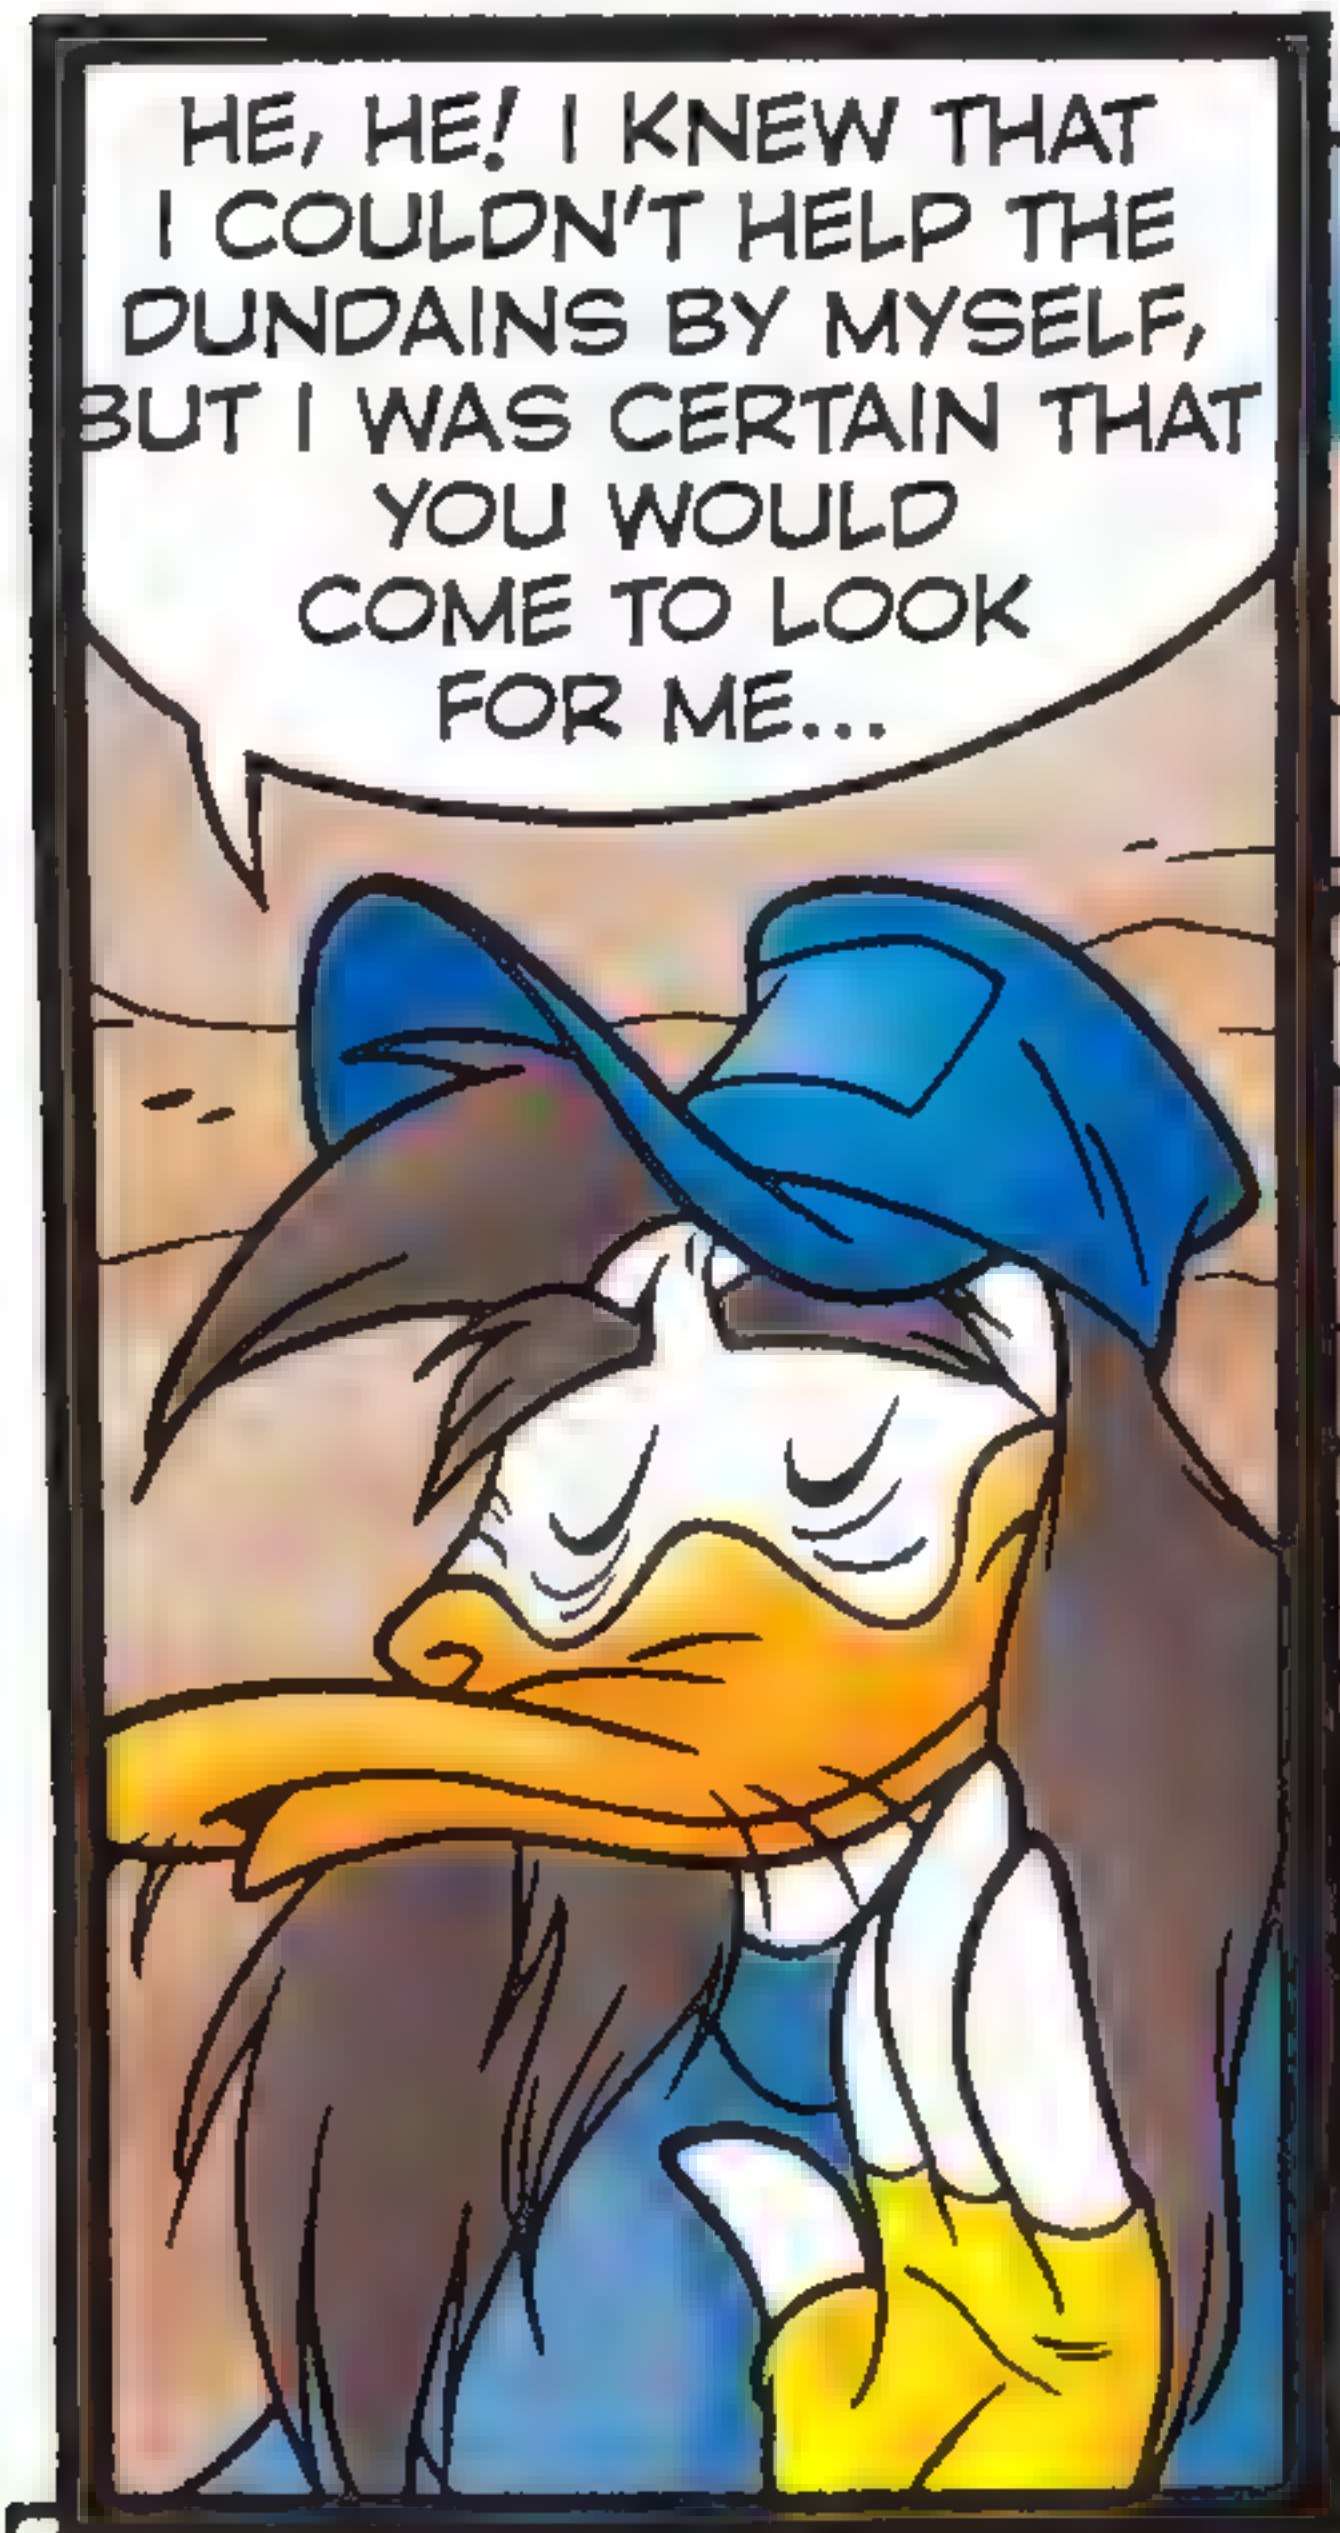

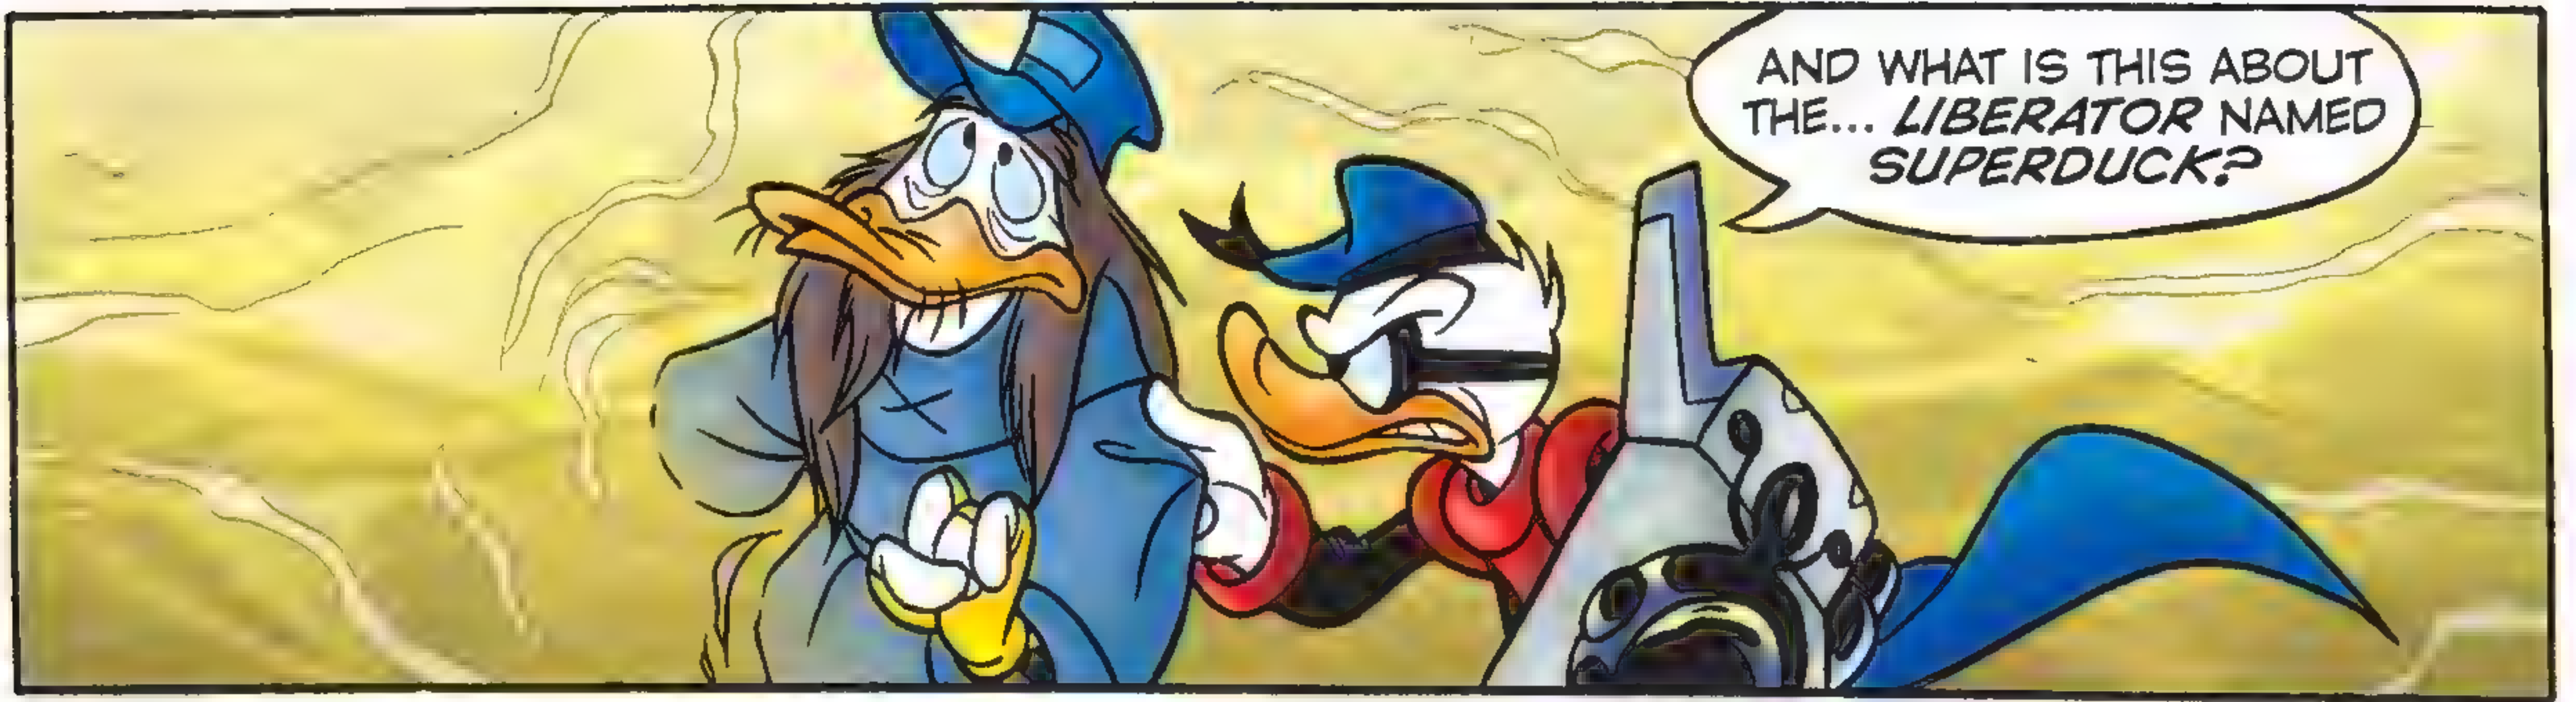

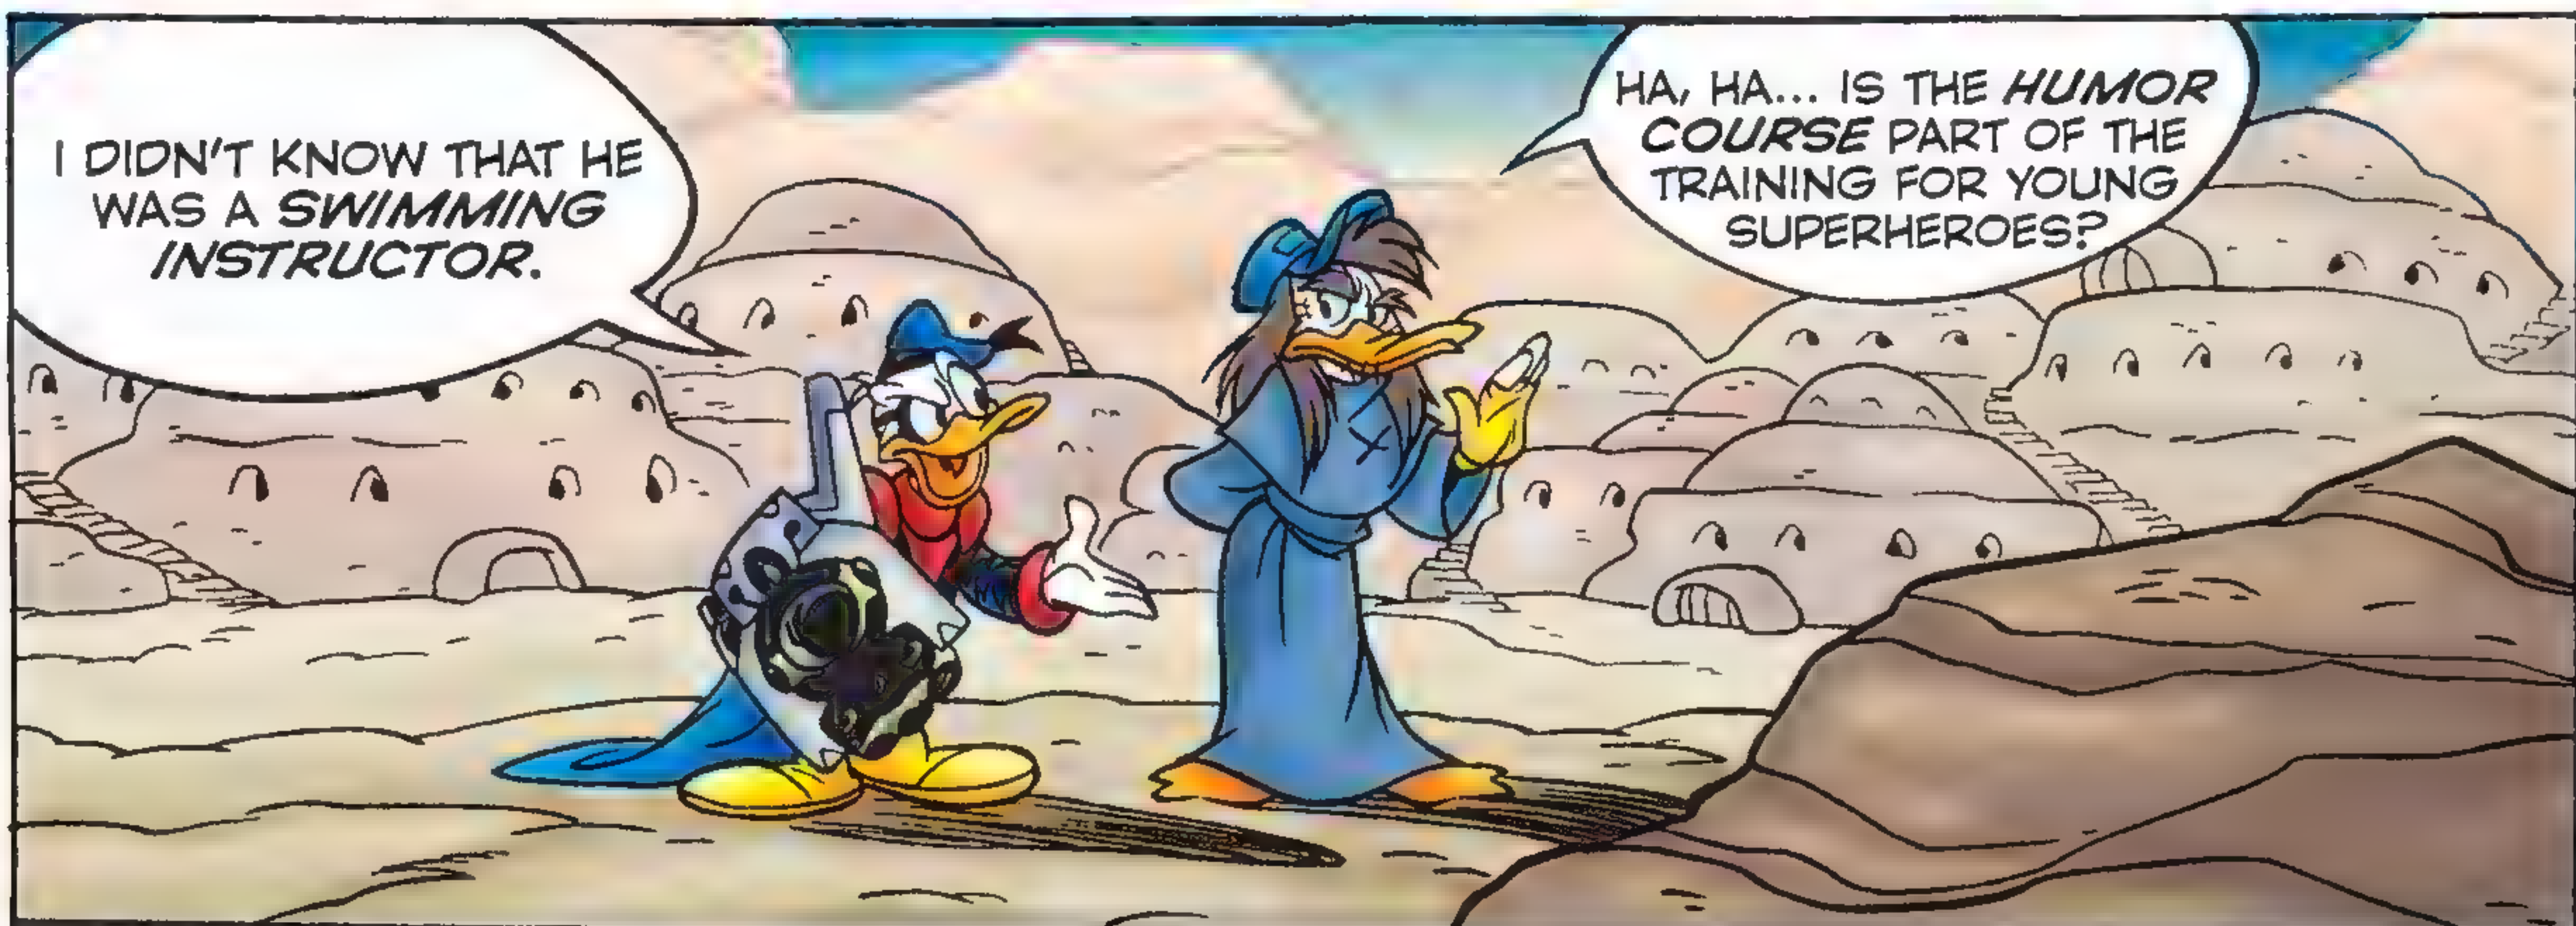

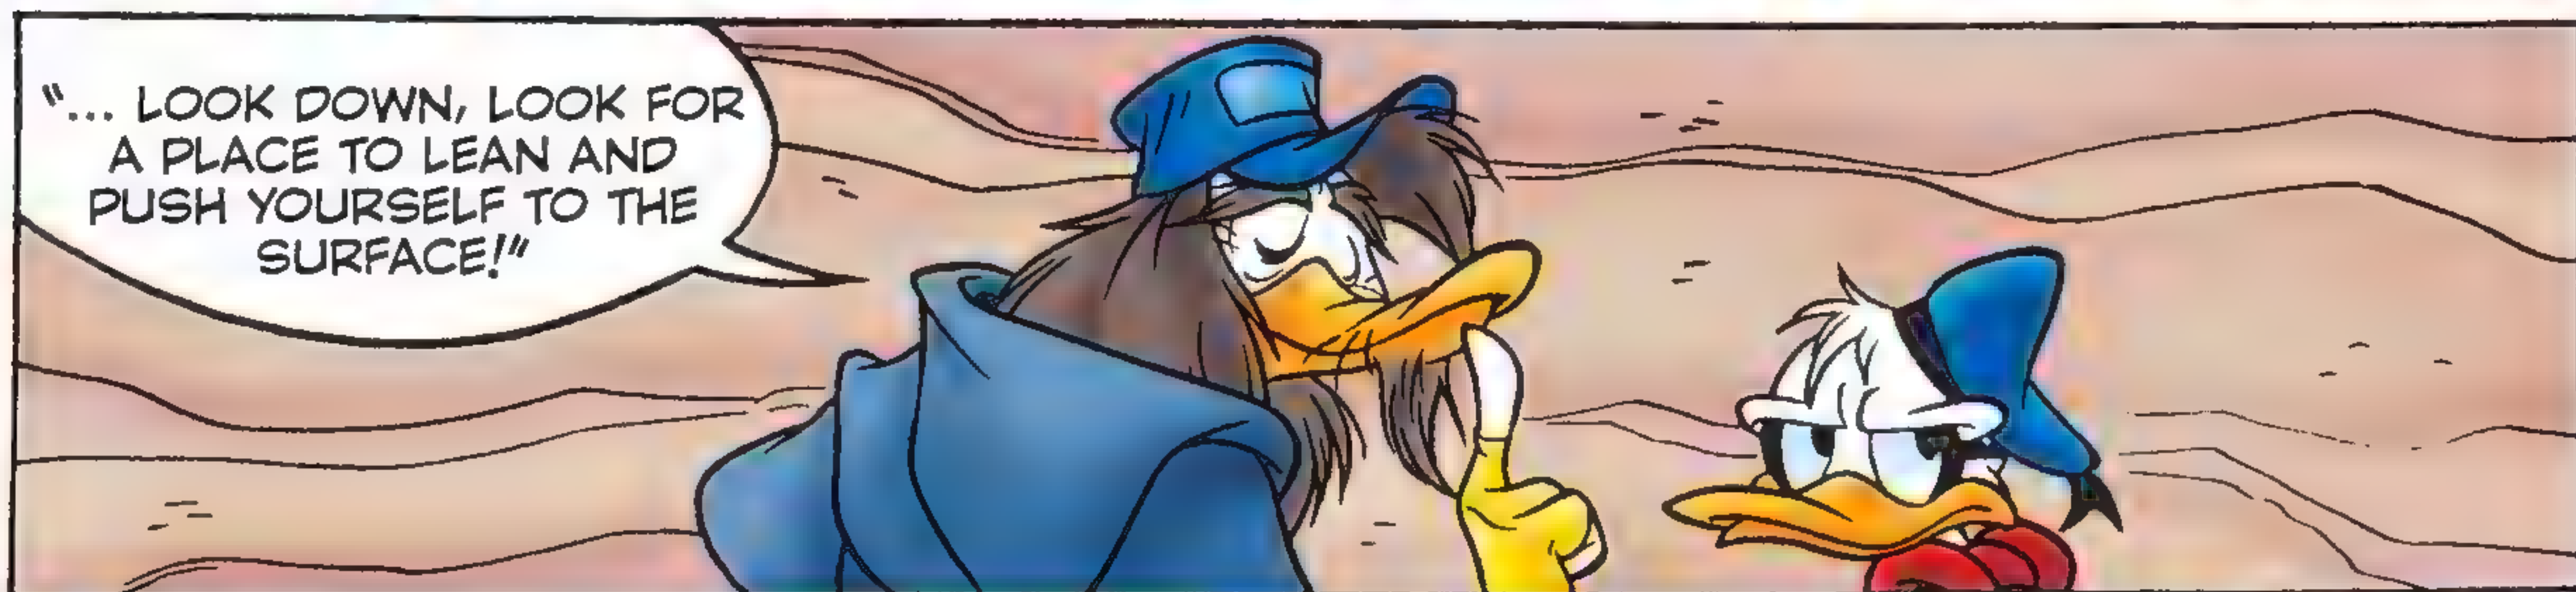

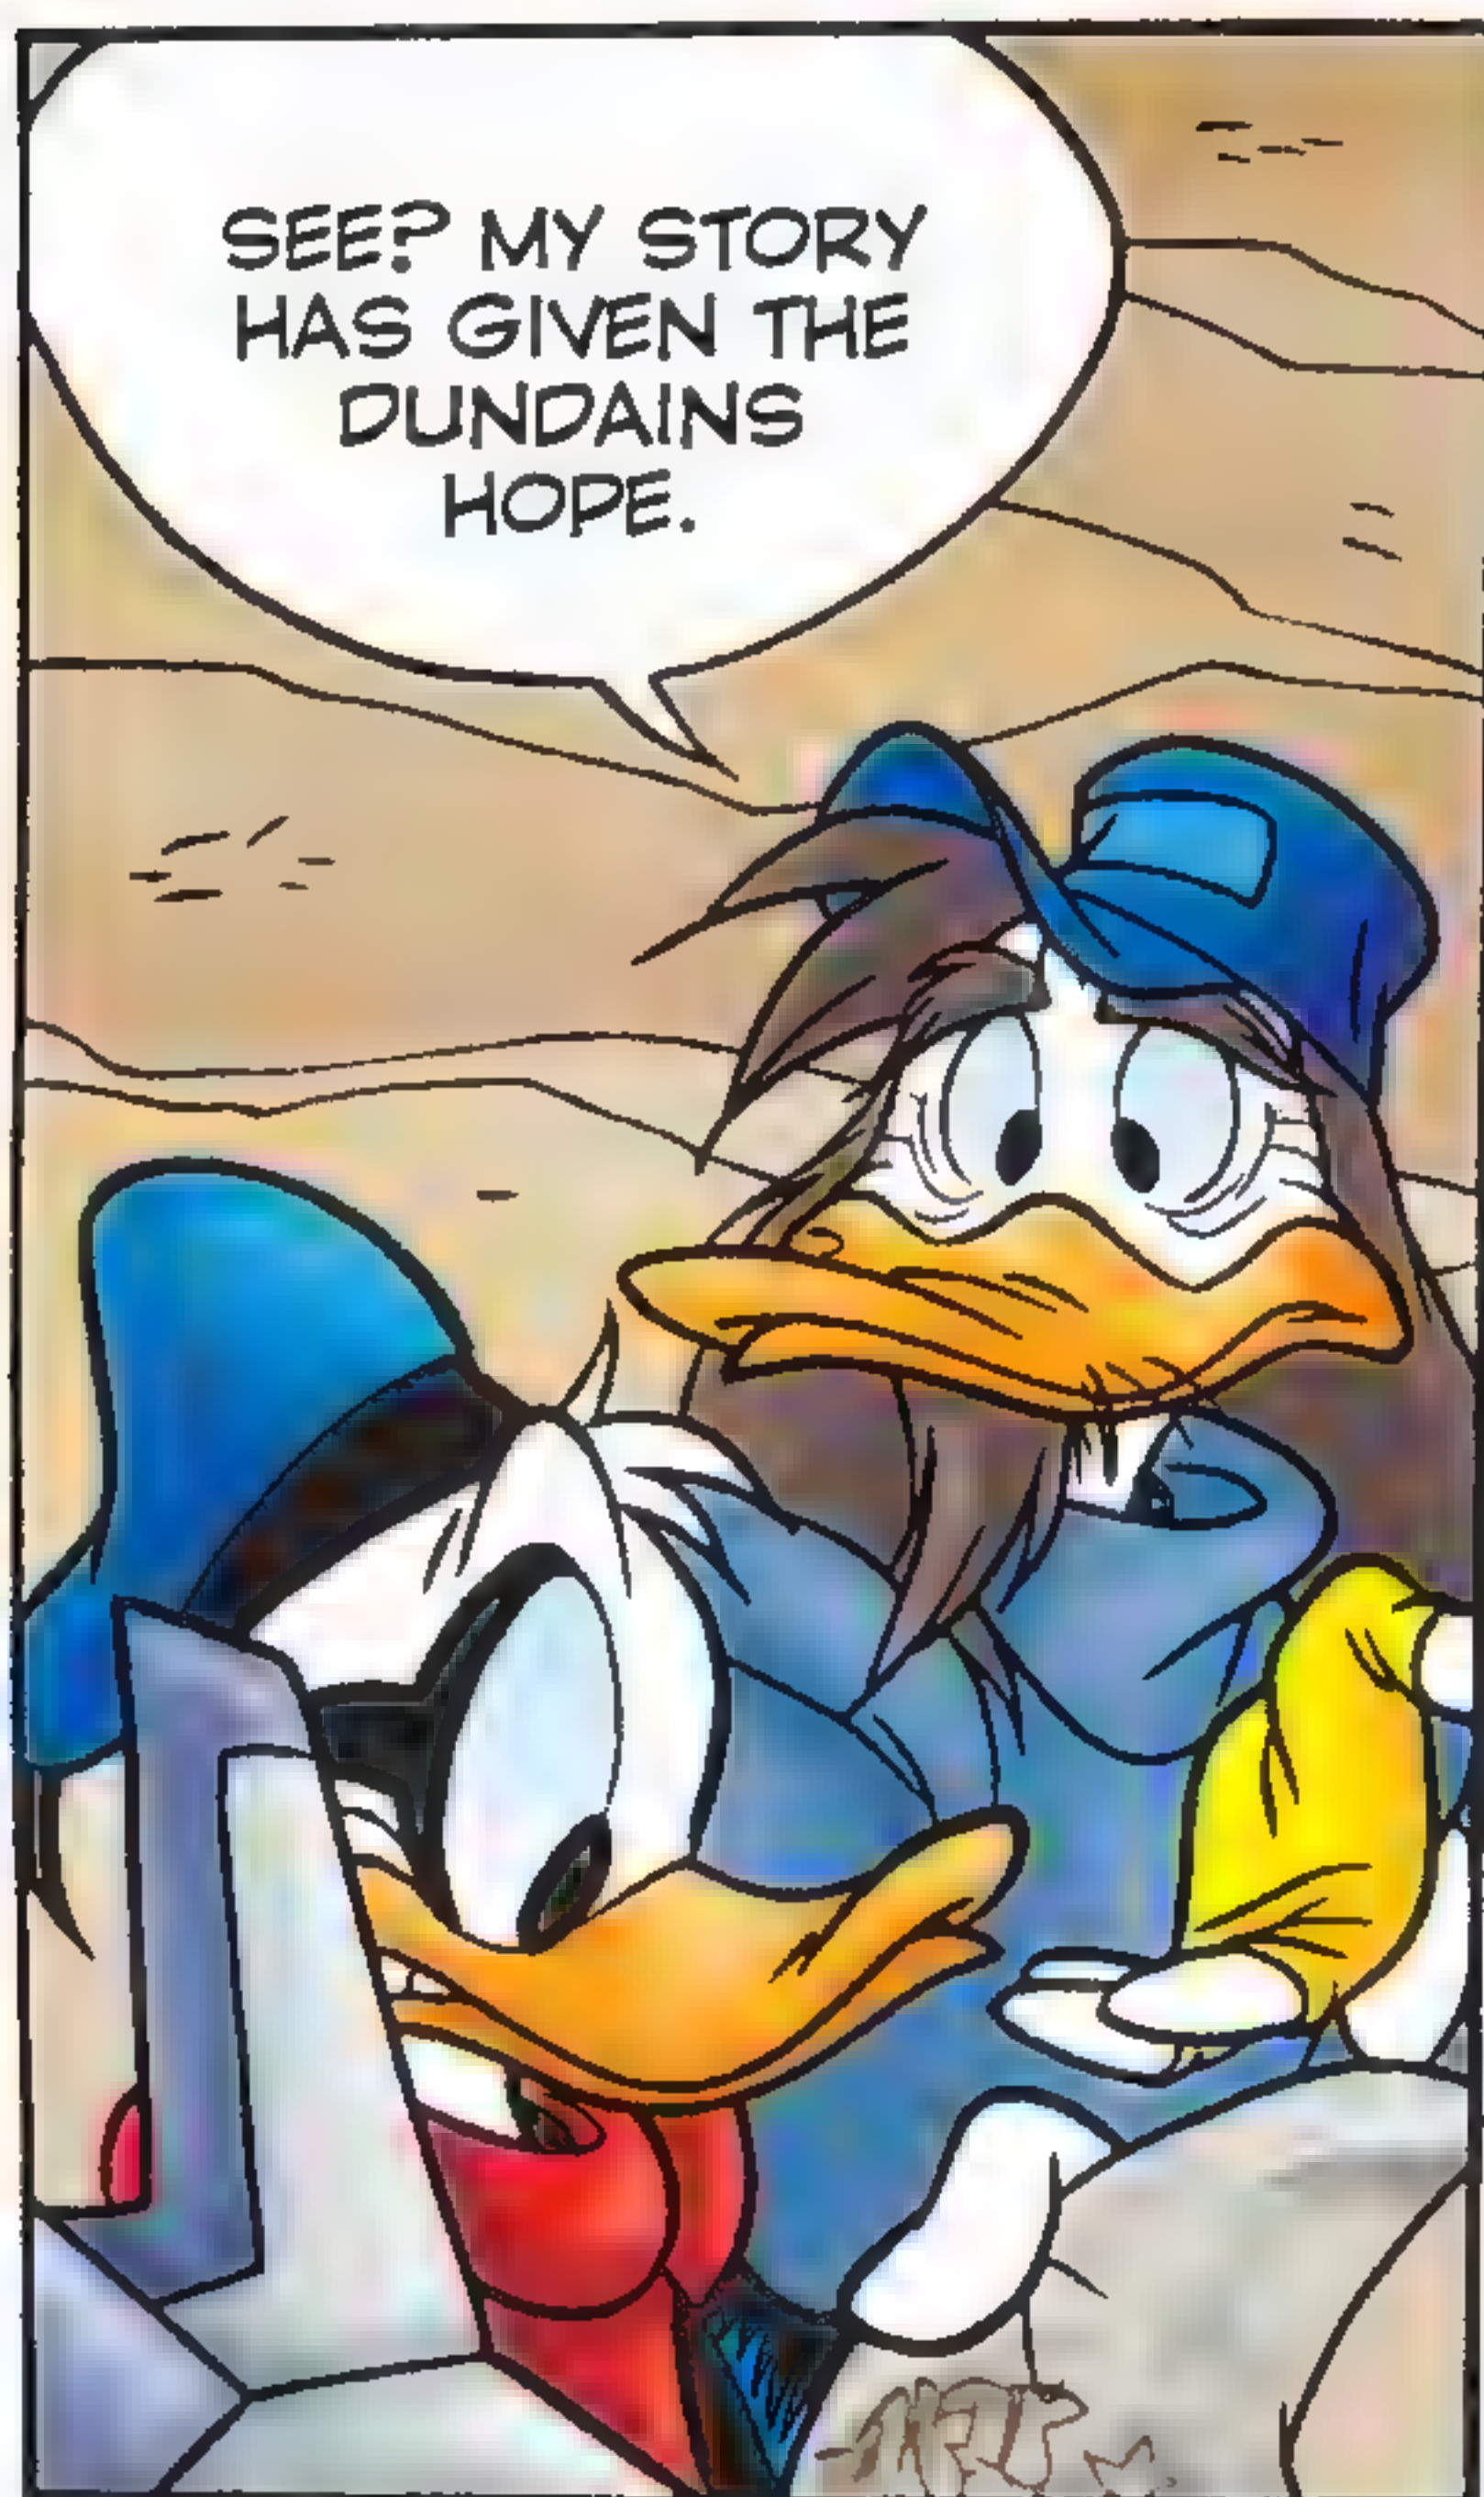

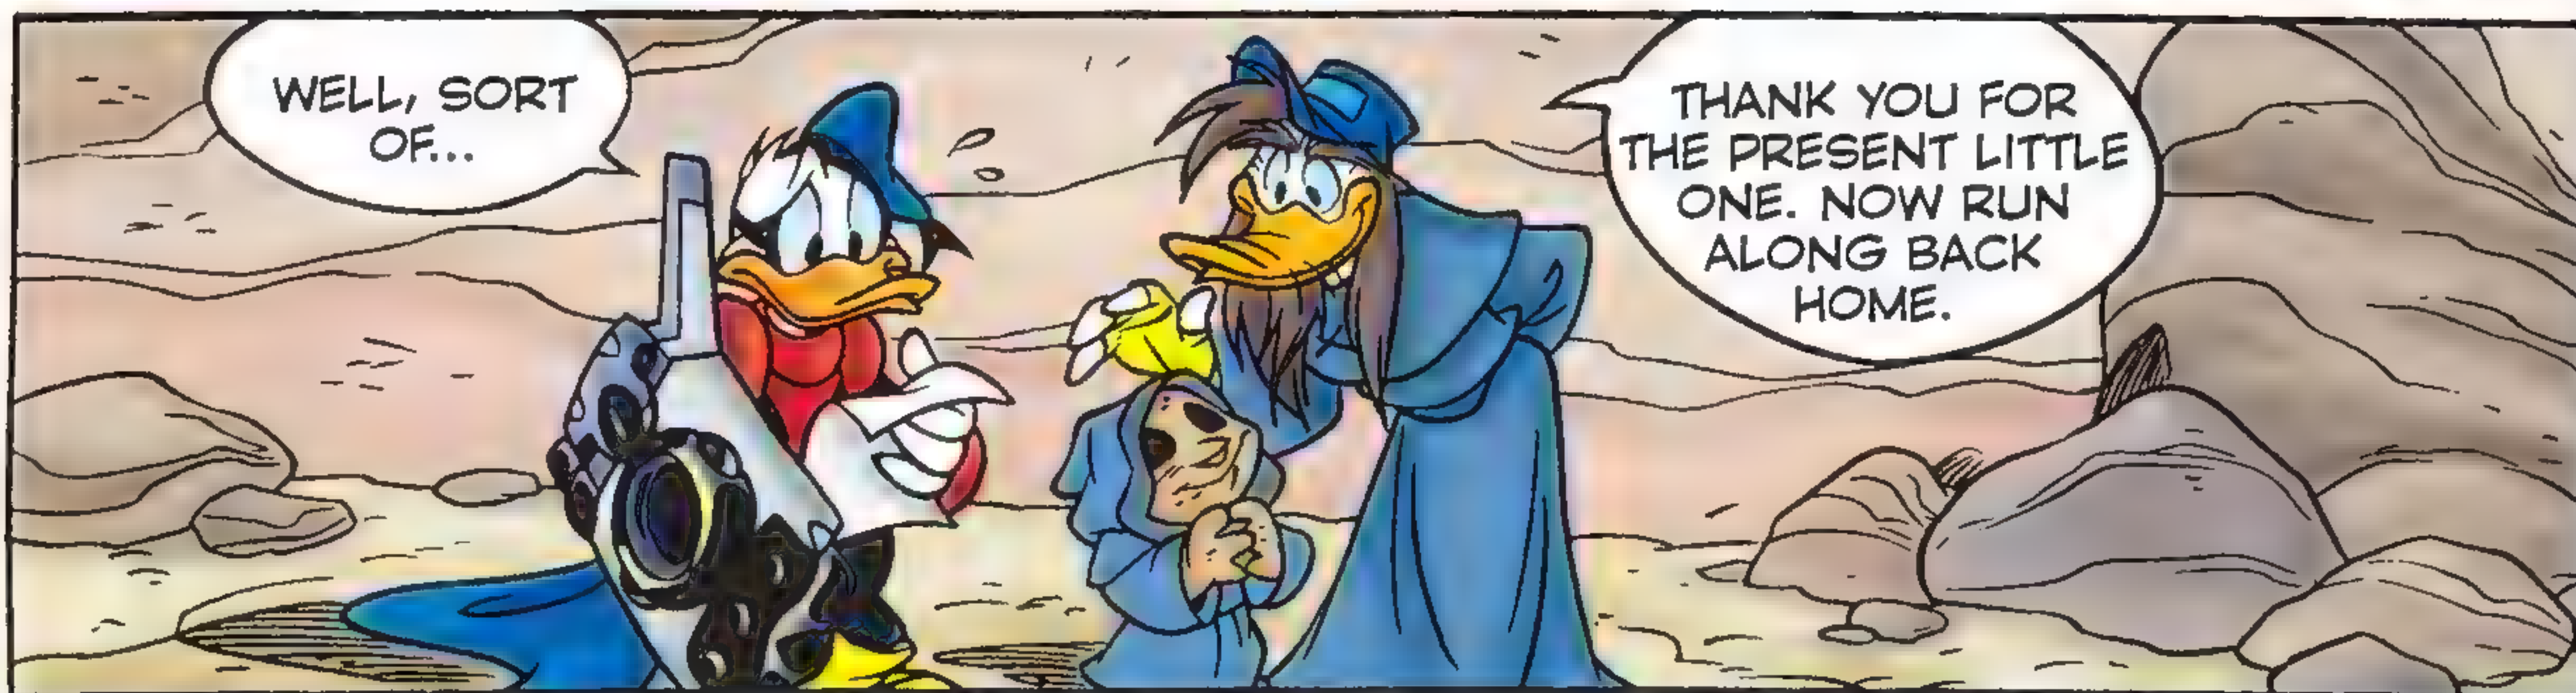

THAT'S HOW YOU GOT YOUR TITLE OF THE GREAT LEADER, EH?

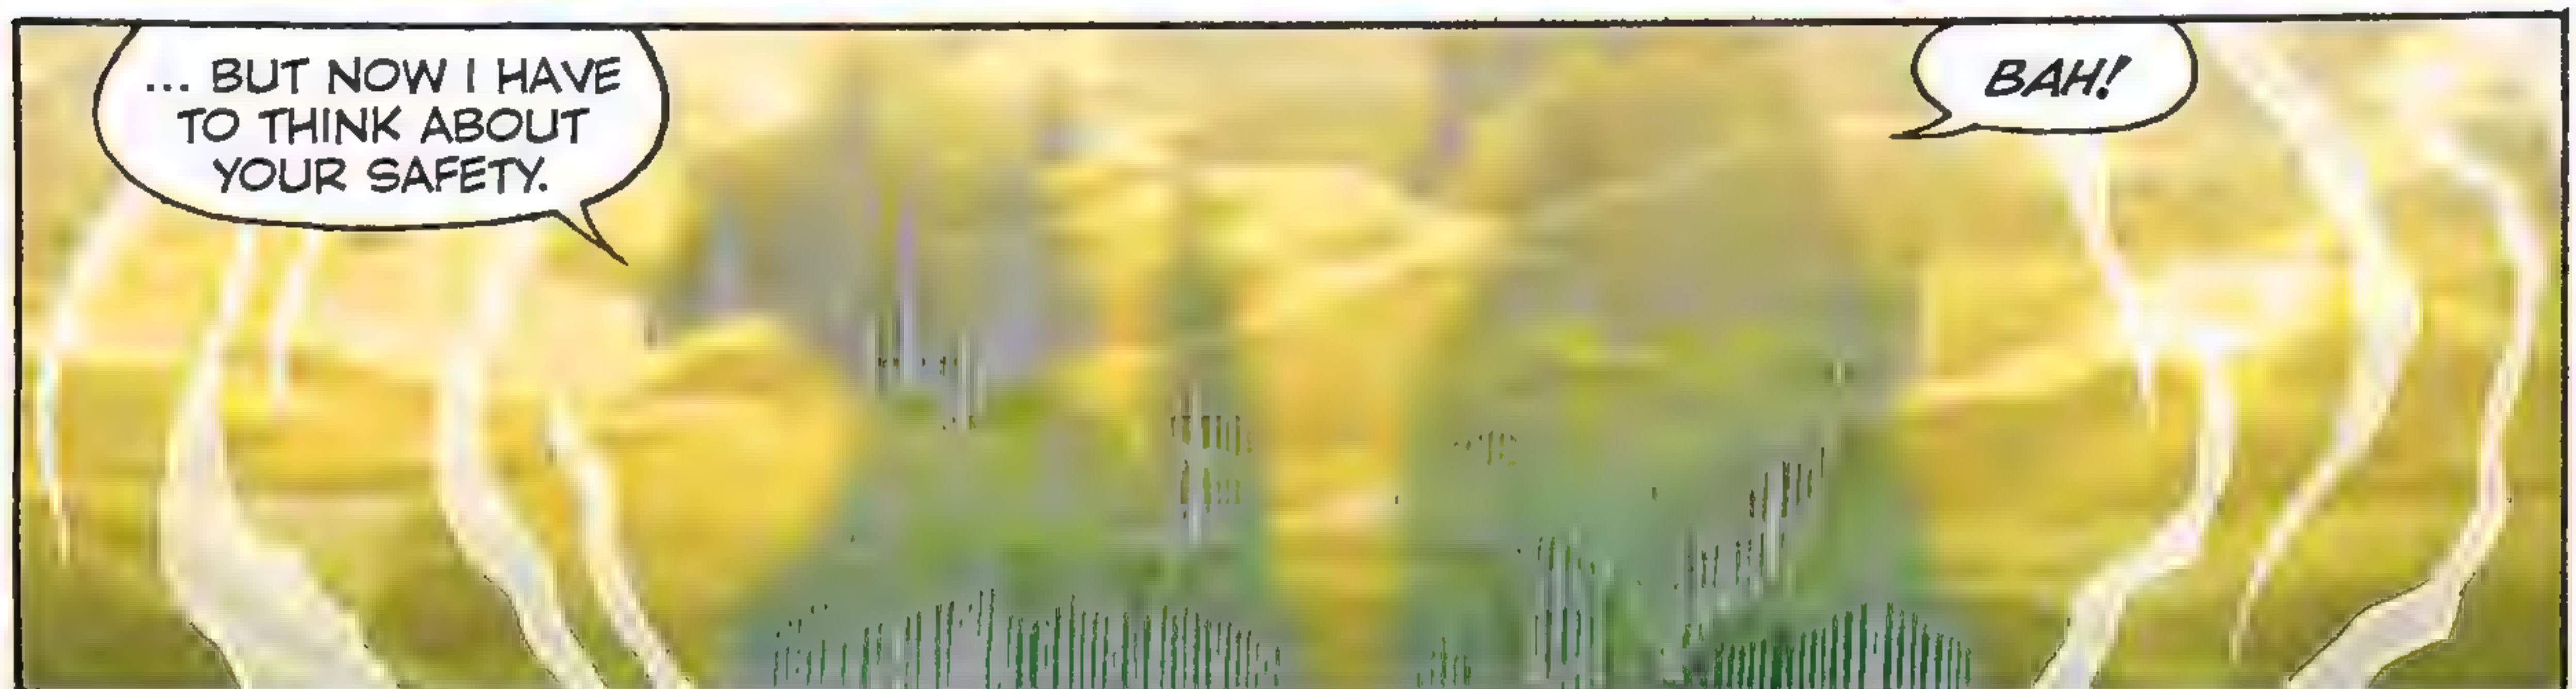

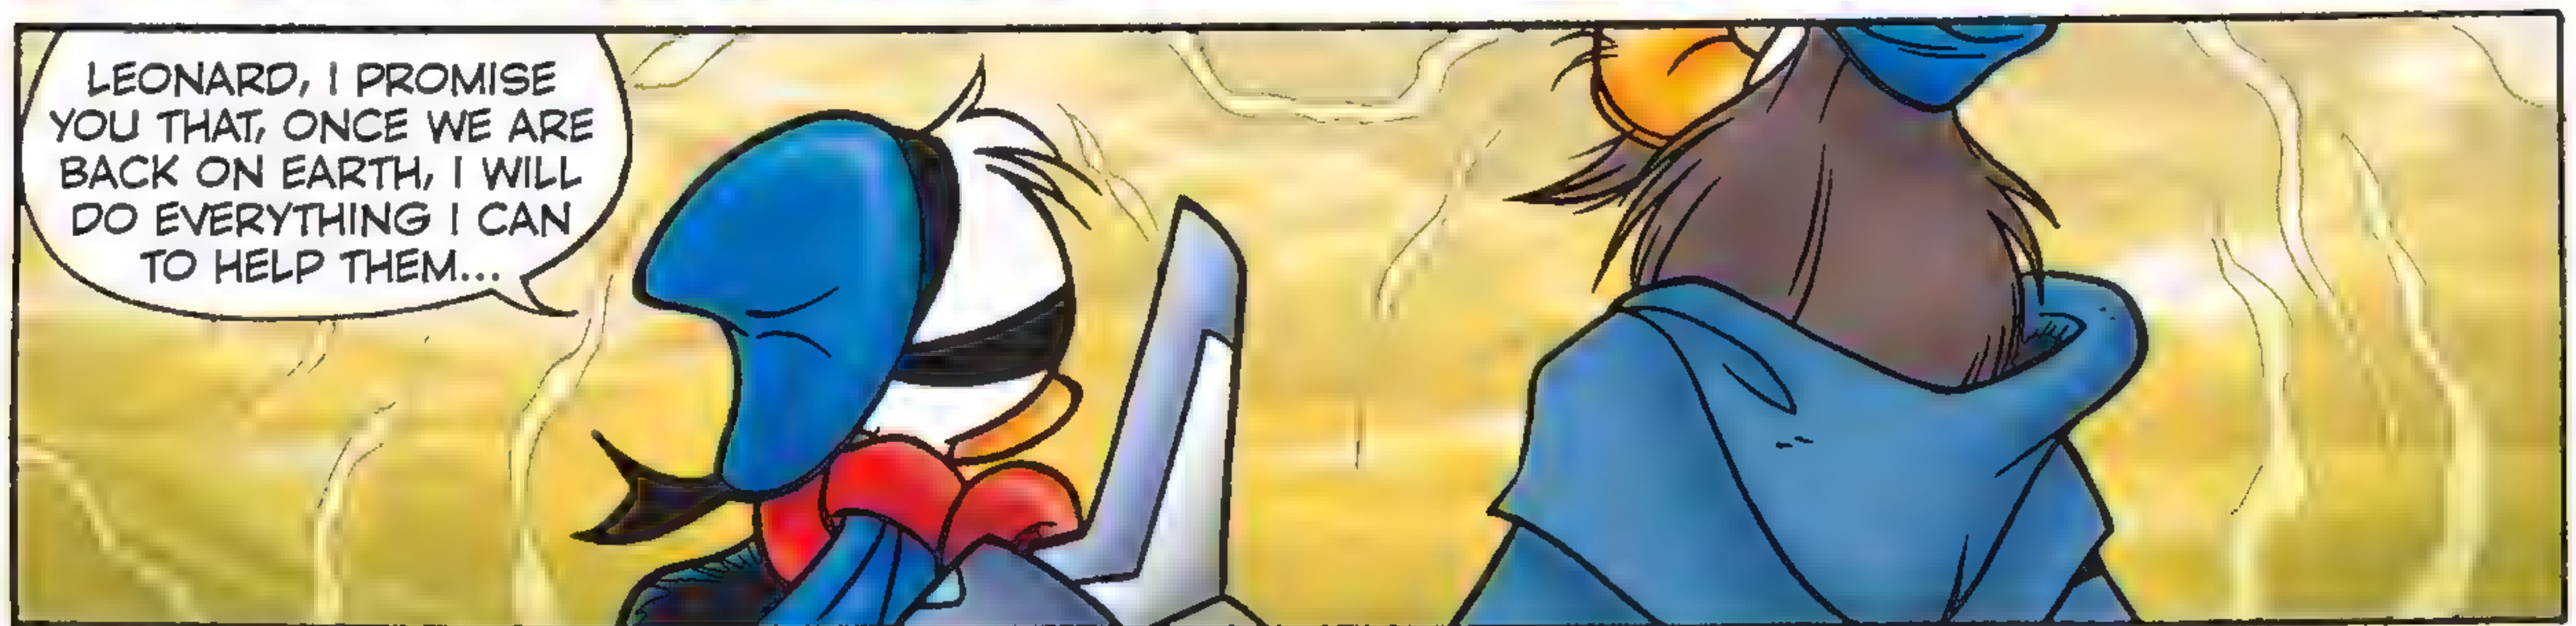

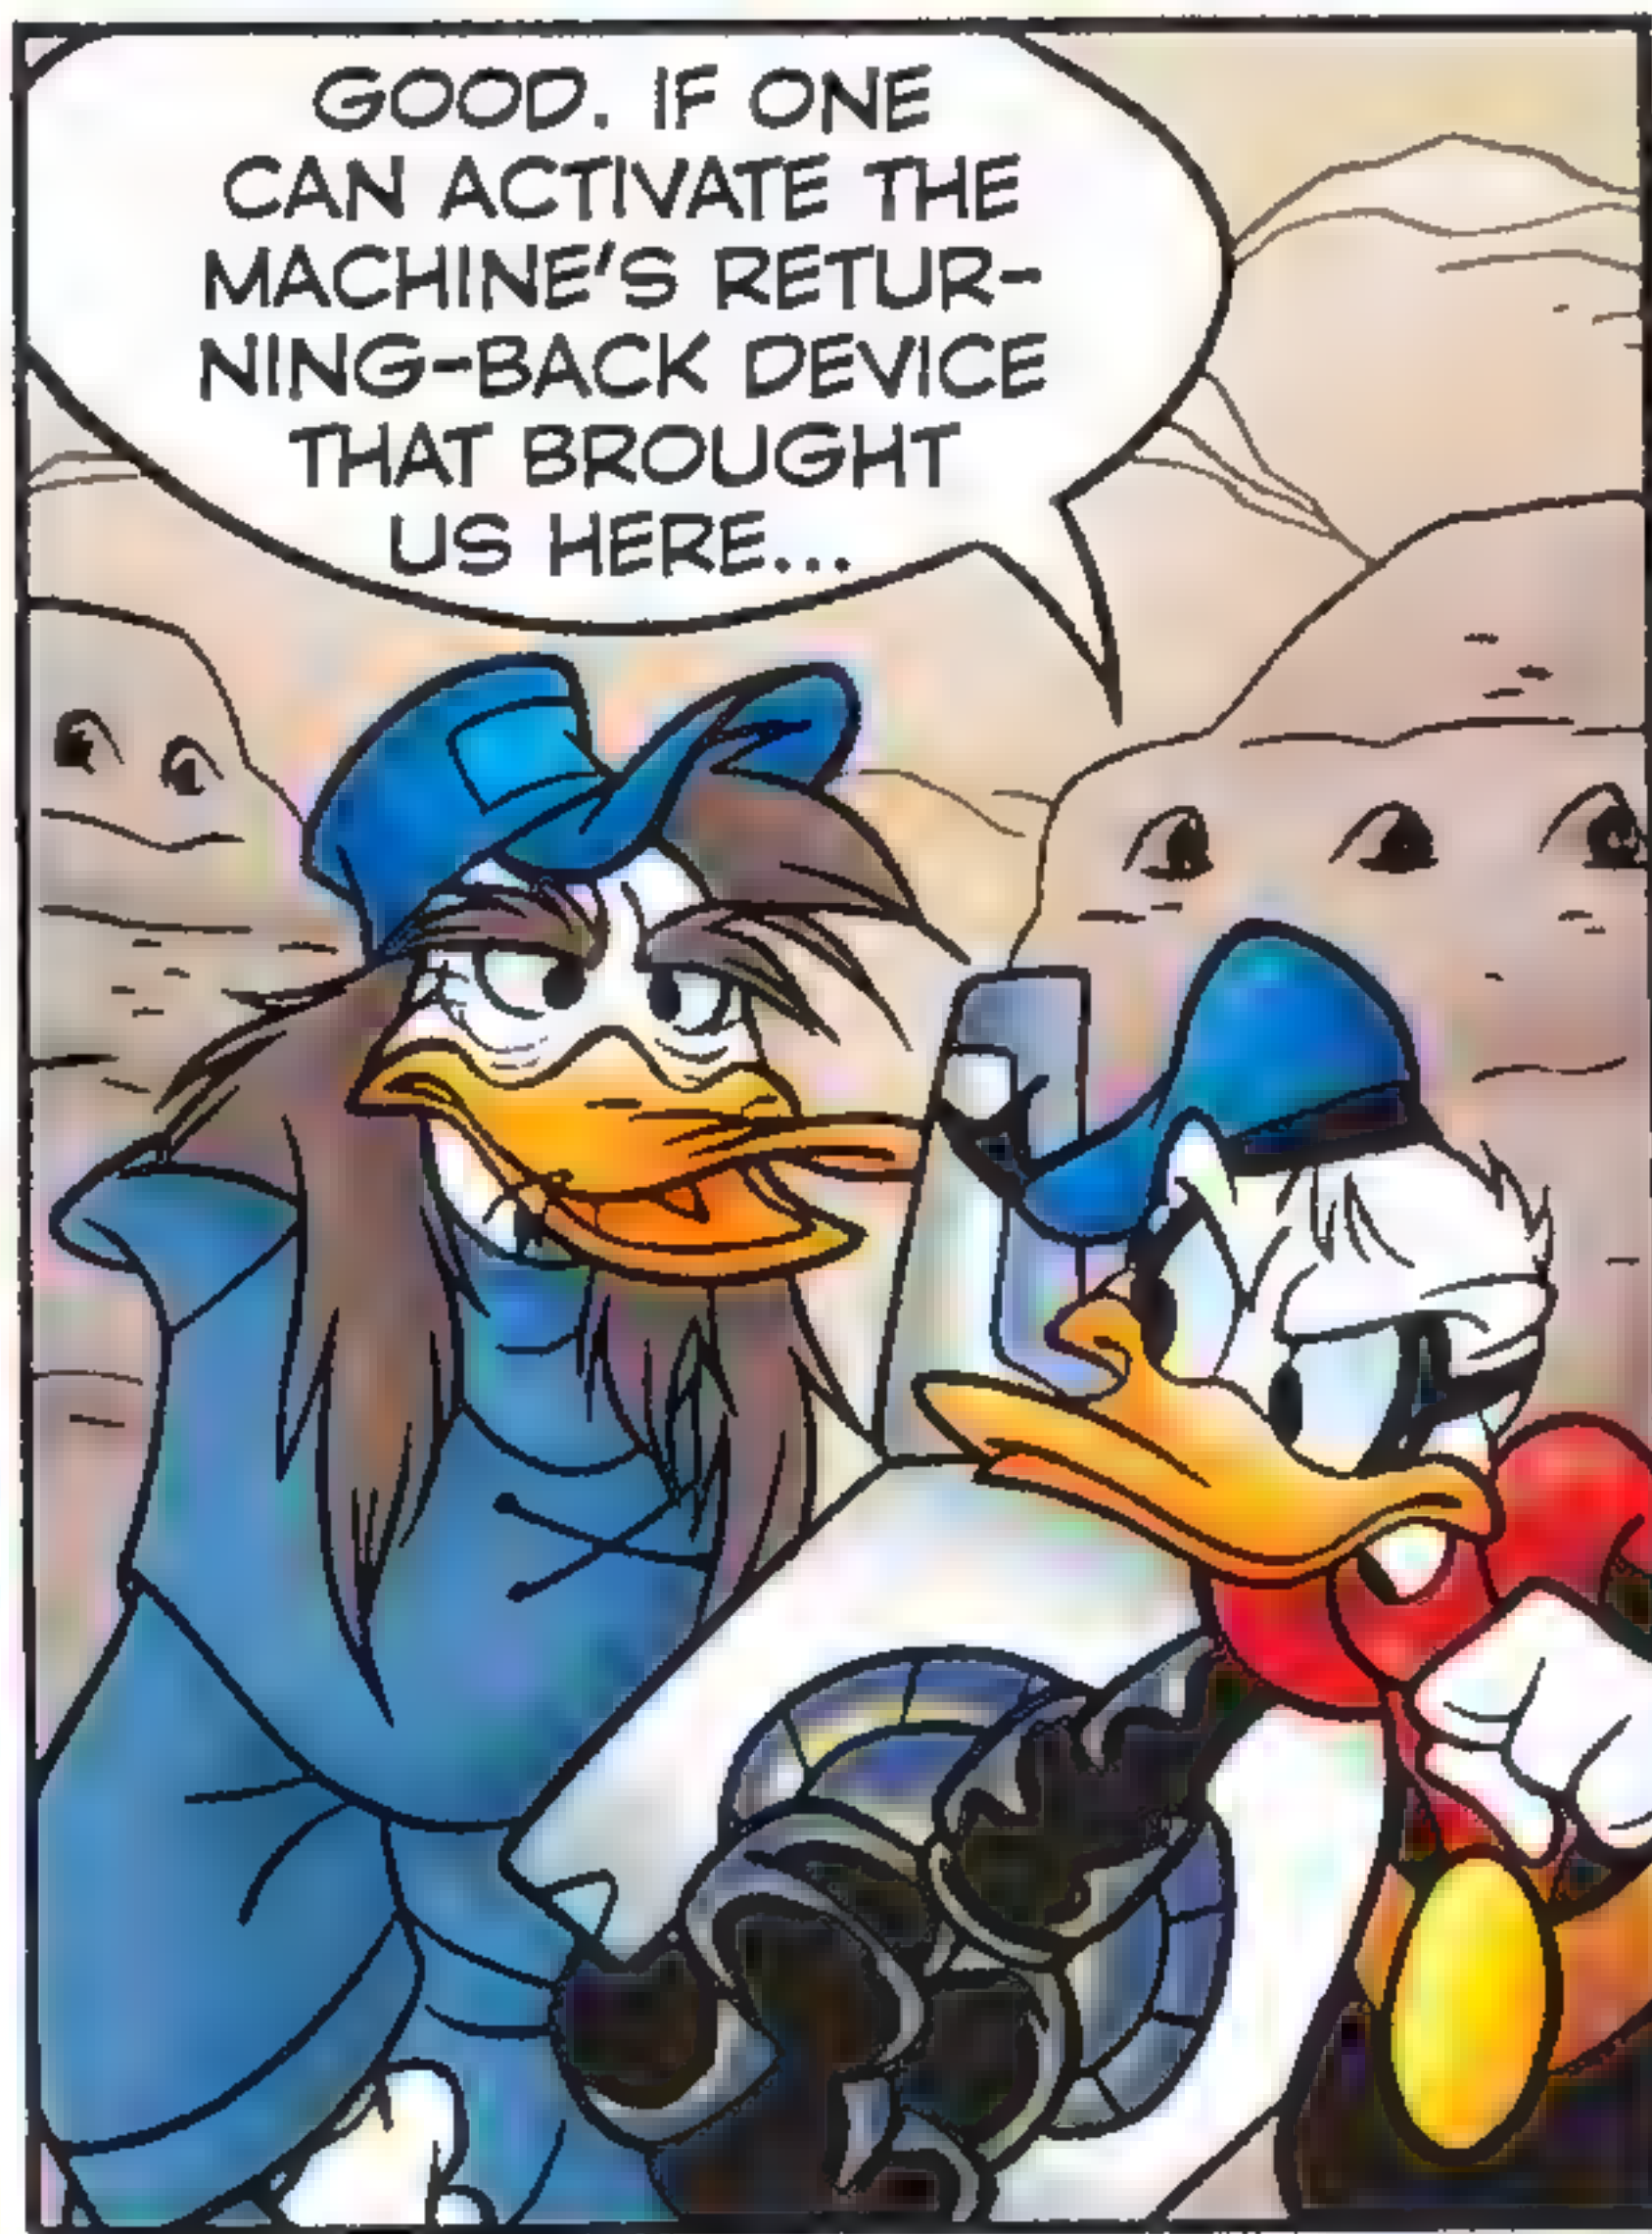

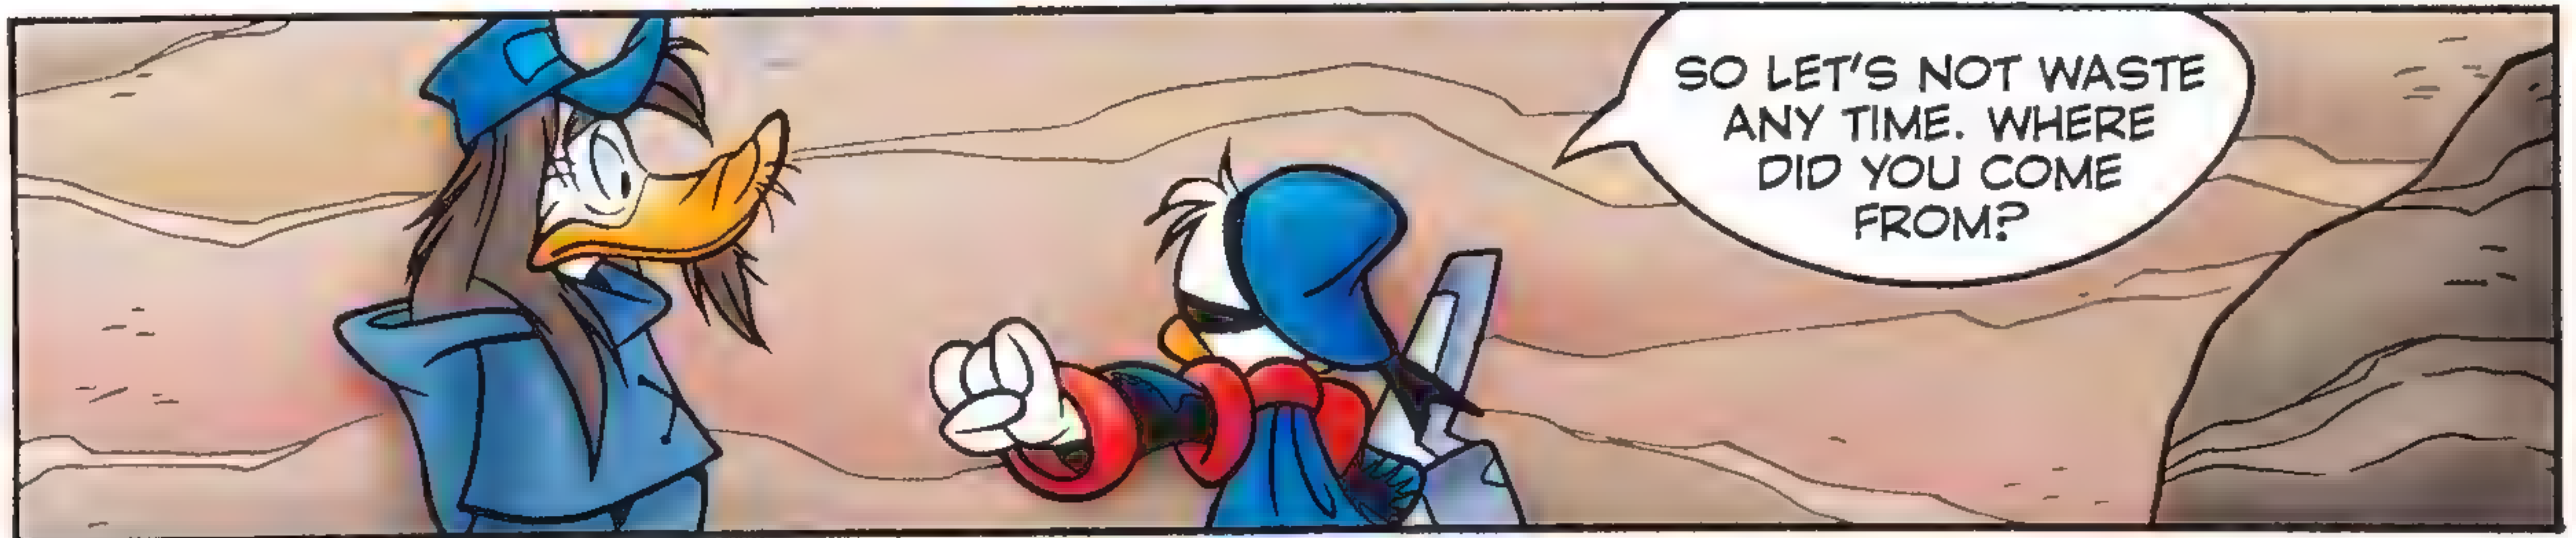

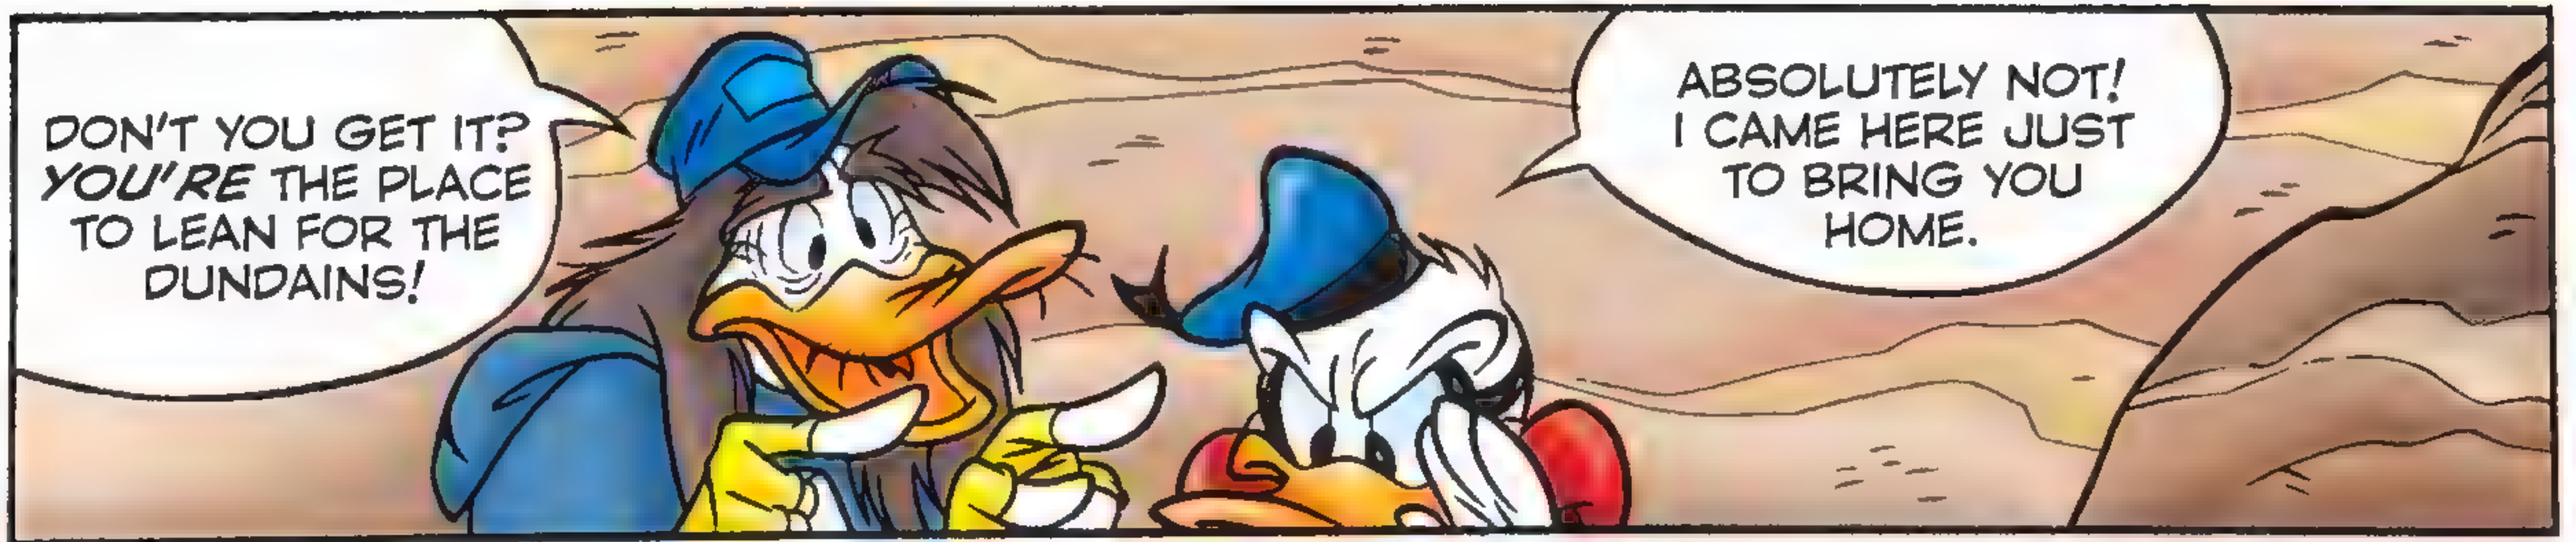

NICE, RIGHT? DESTROYER DUCK WOULD BE PROUD OF ME!

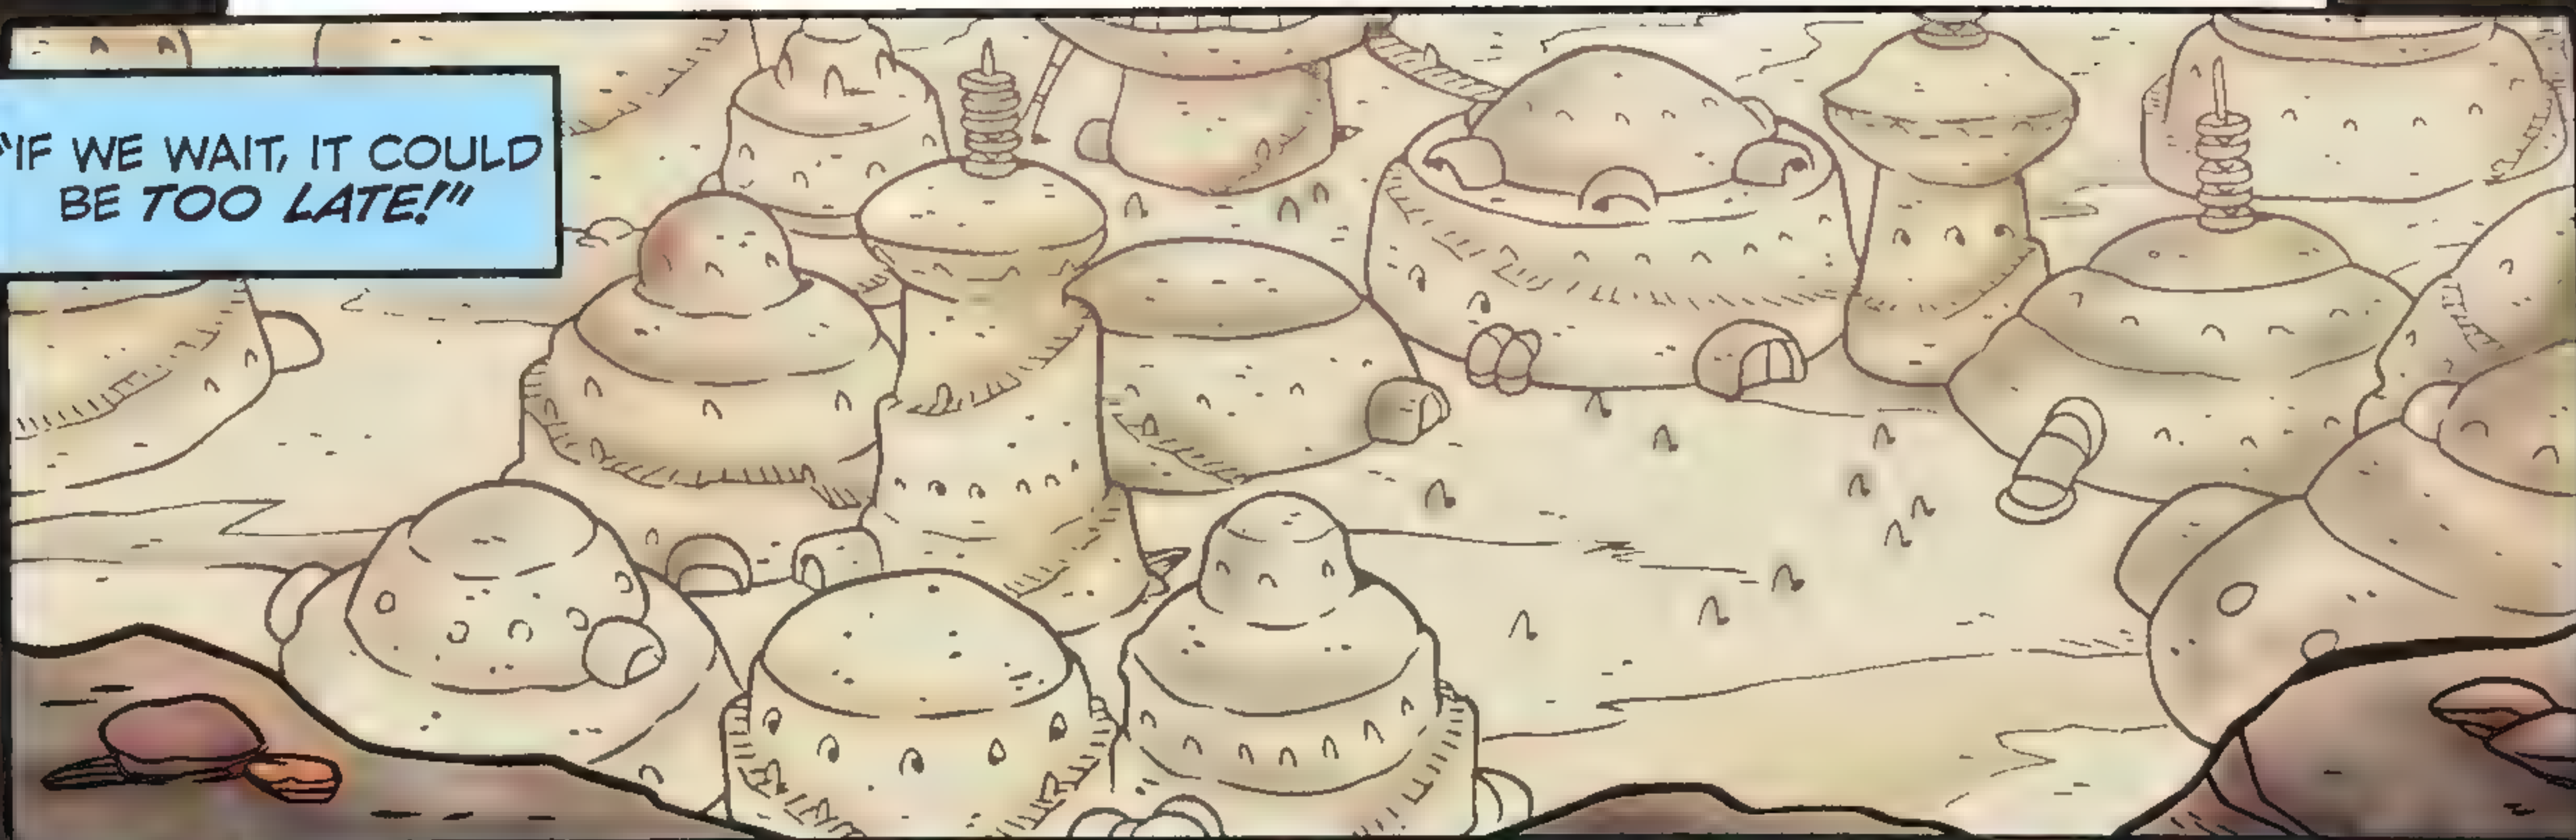

BAH! I DON'T THINK THAT AN *EX-SUPERHERO* WOULD BE HAPPY TO KNOW THAT HIS *EX-ASSISTANT*, TOOK HIS DELUSIONS OF GRANDEUR, AND LEFT TO GET INVOLVED IN A *SPECIAL REVOLUTION!*

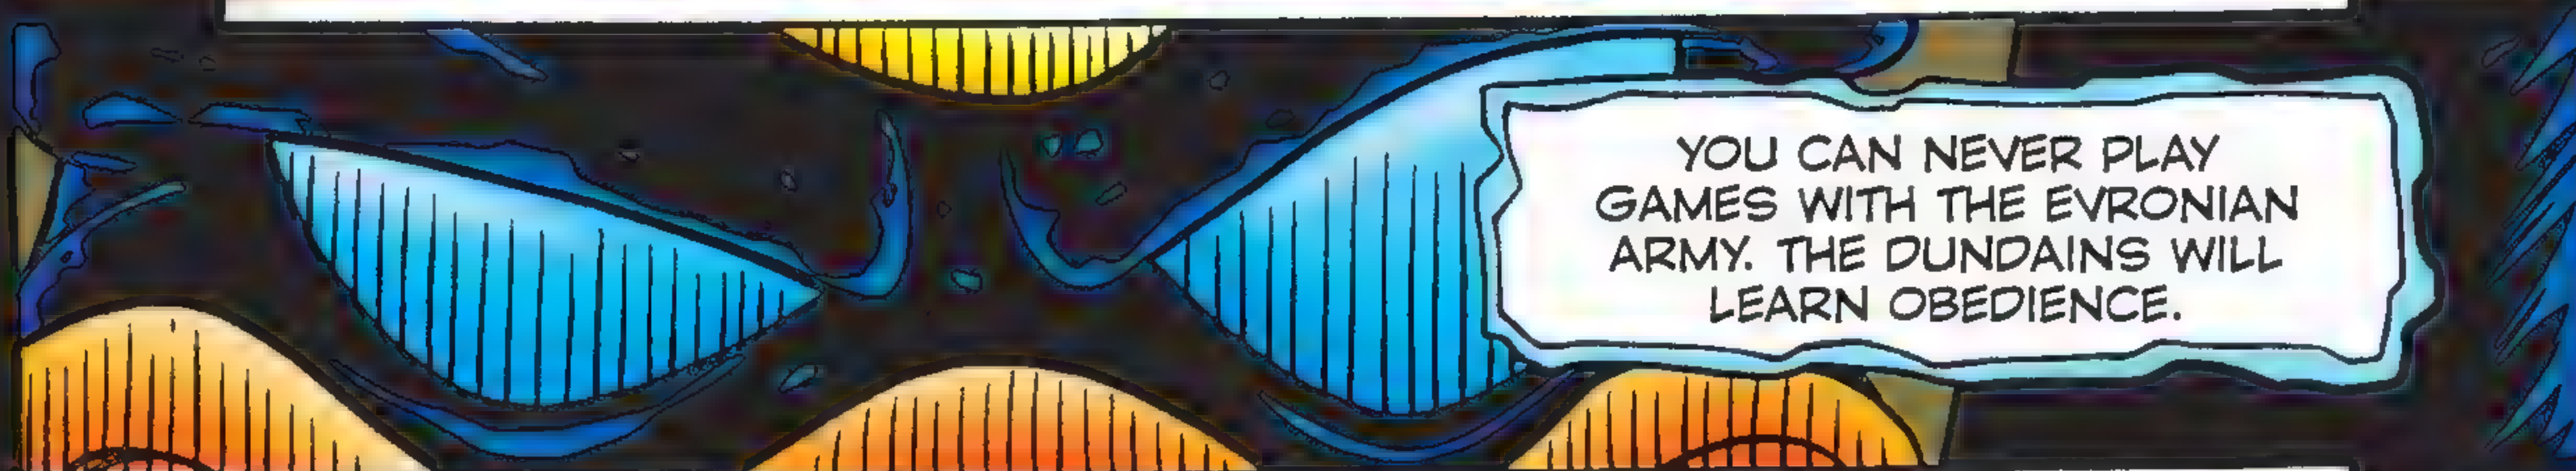

"IF WE WAIT, IT COULD
BE TOO LATE!"

WEAPONS
READY.

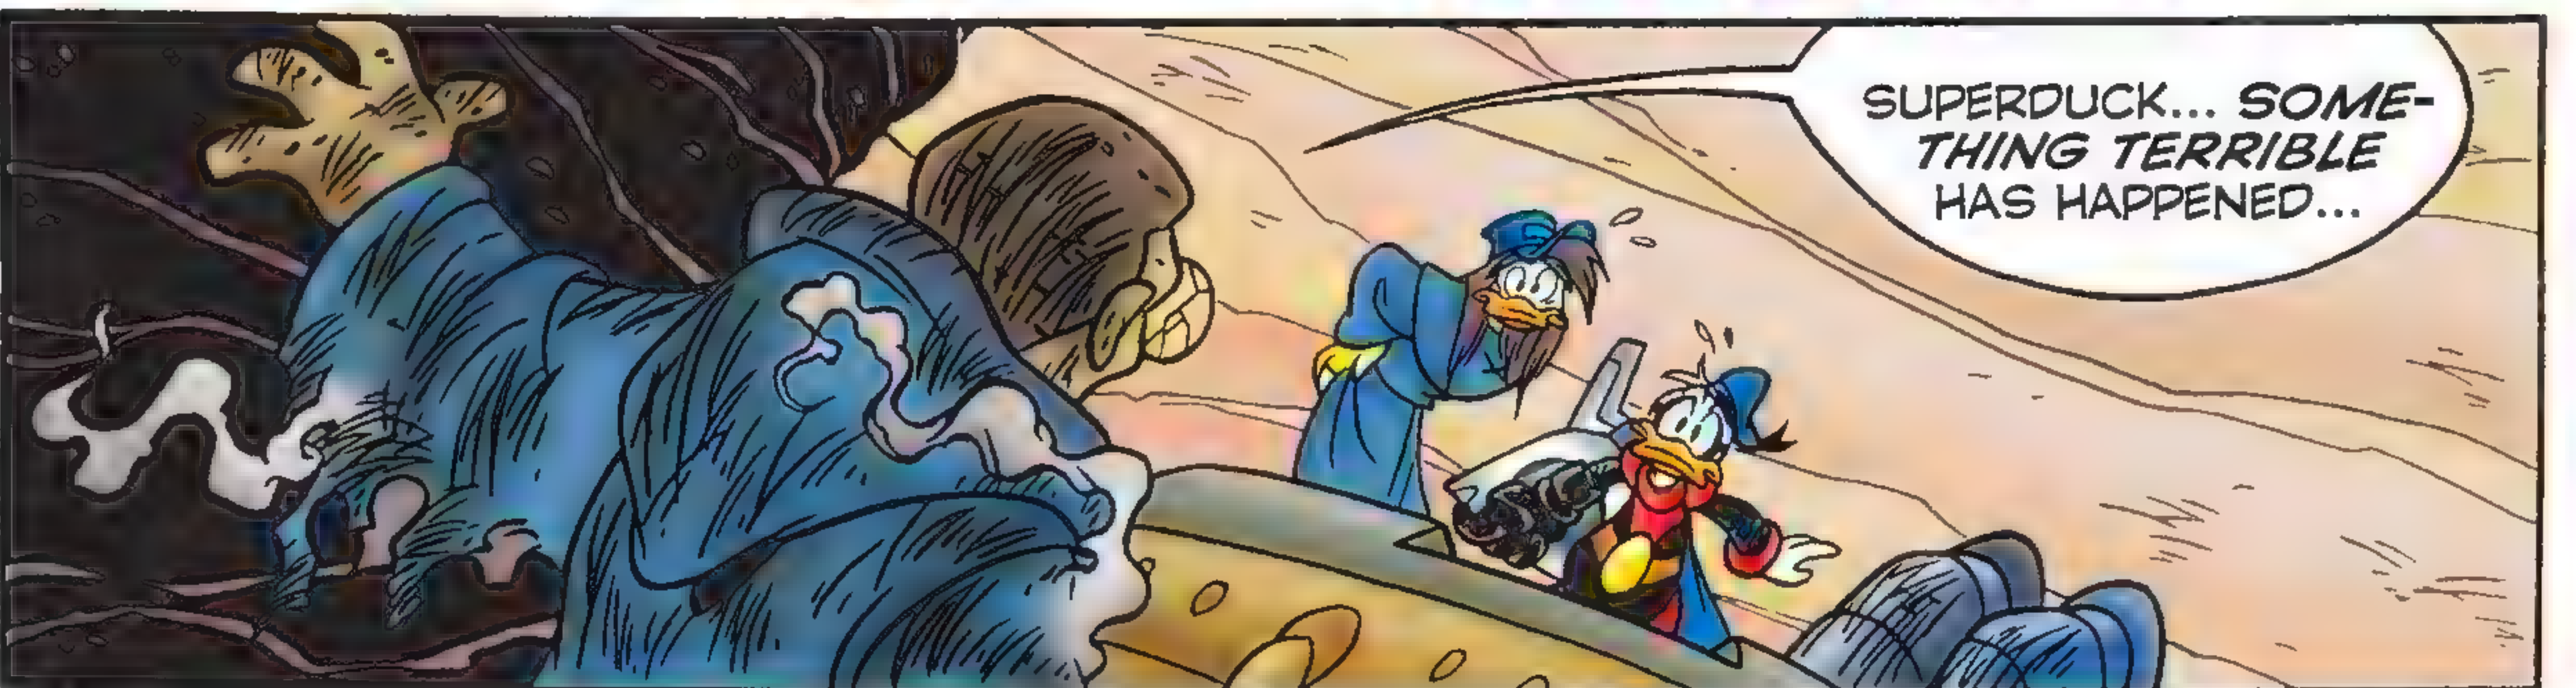

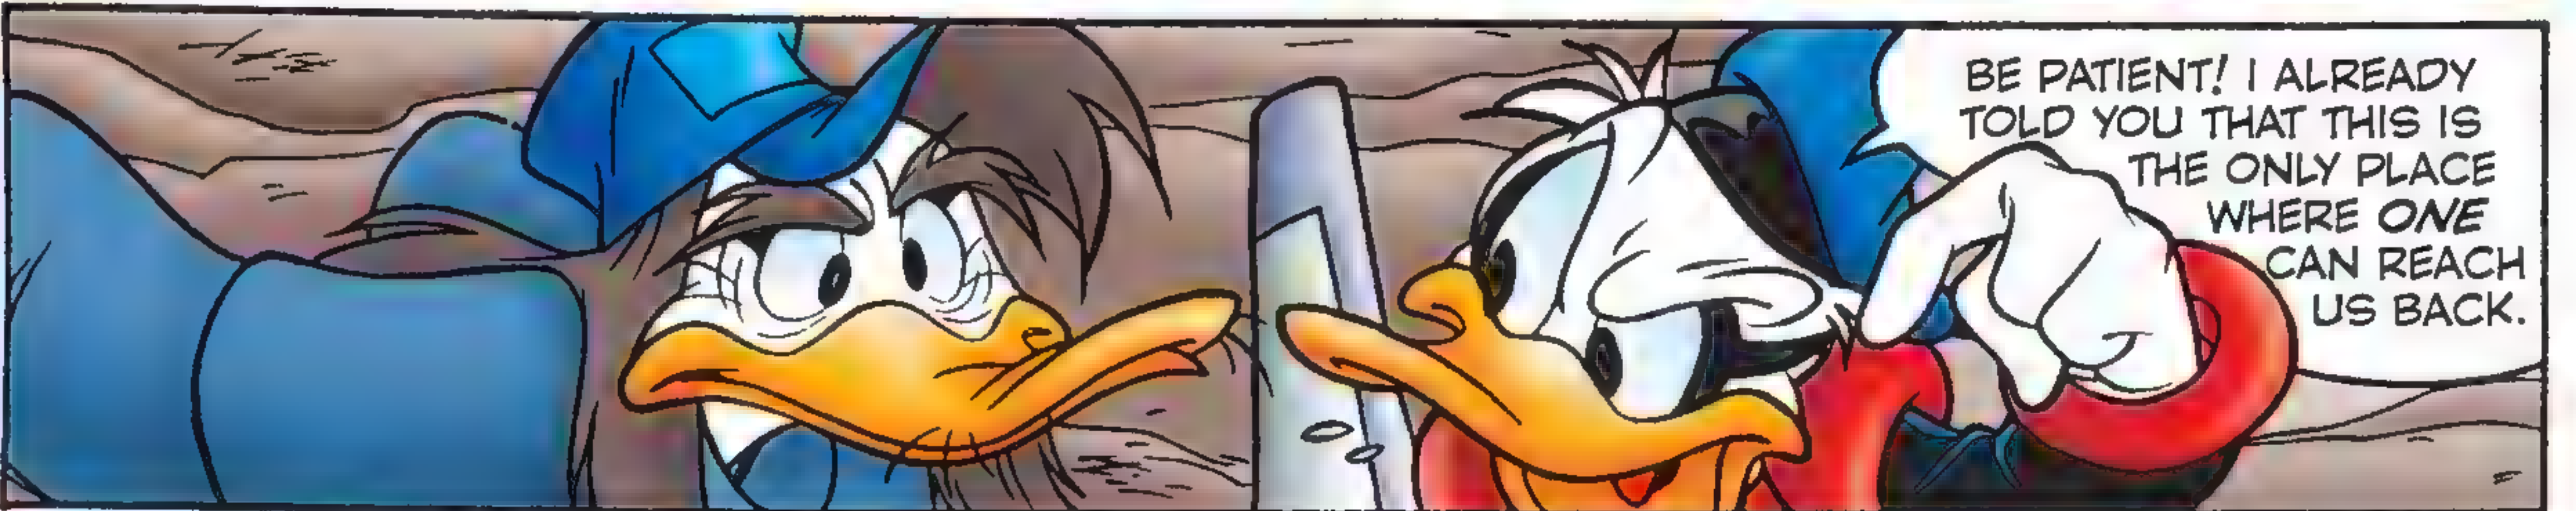

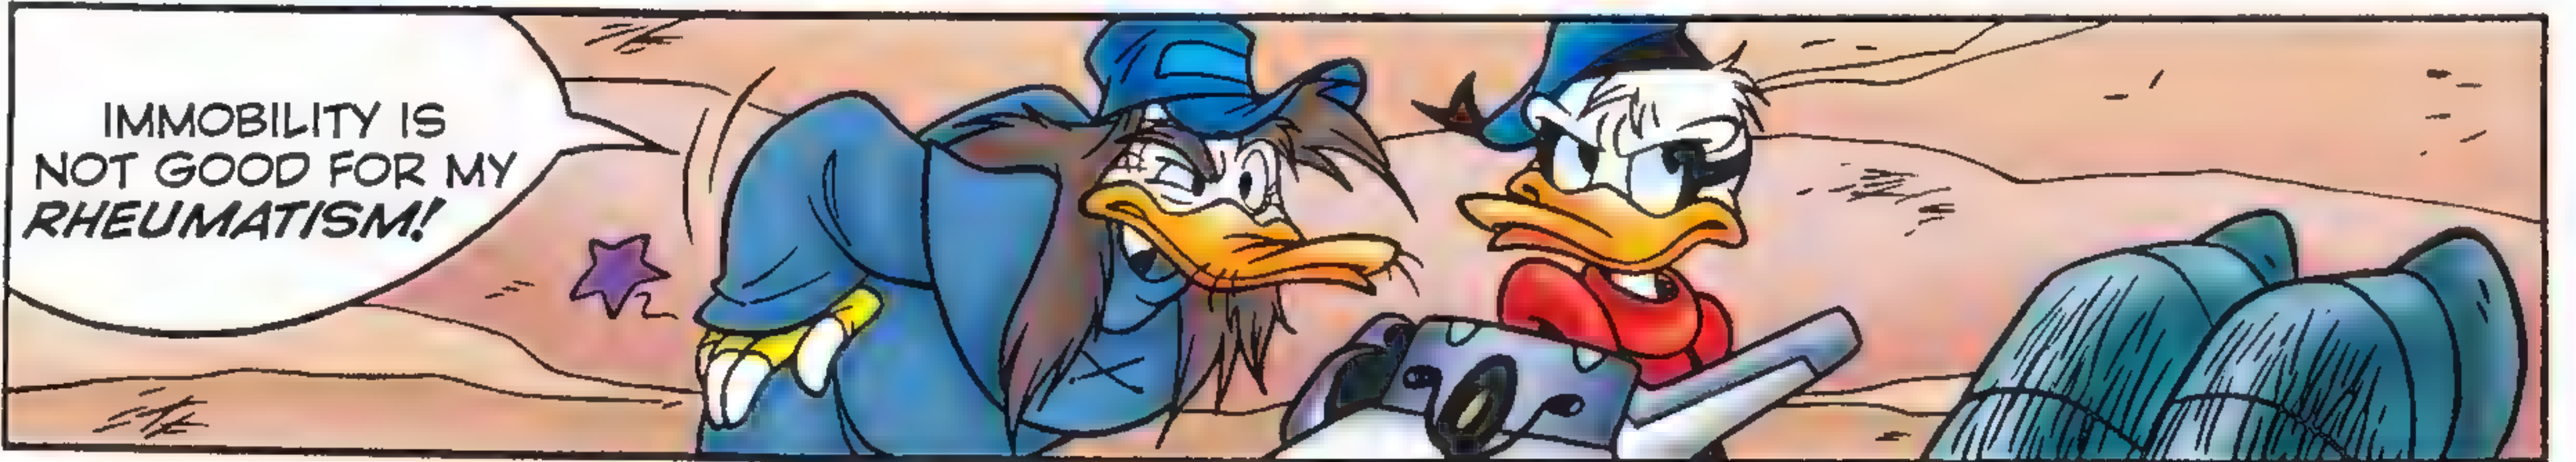

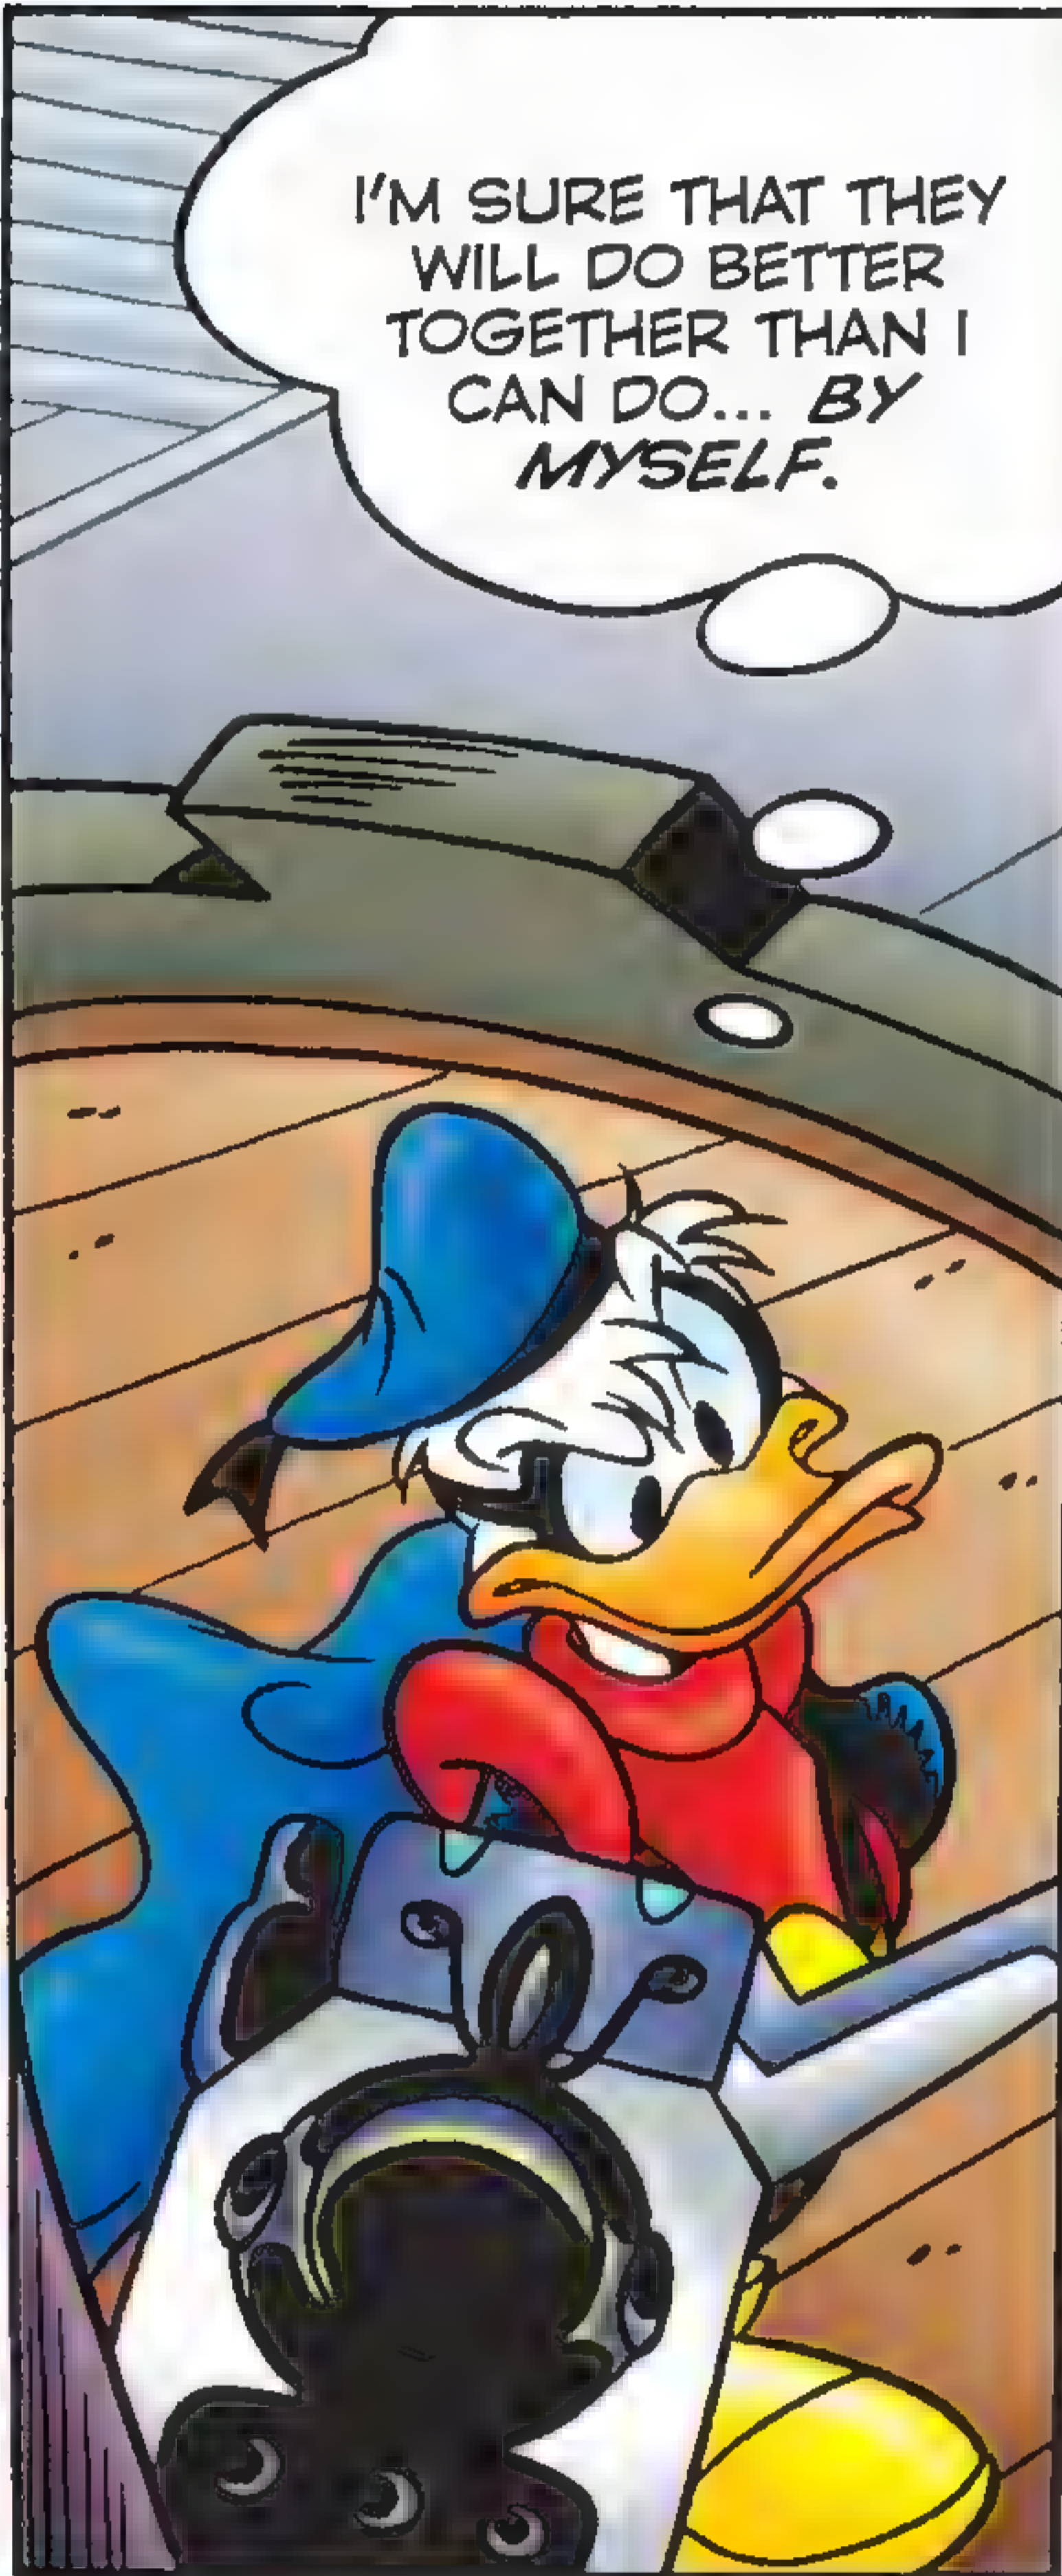

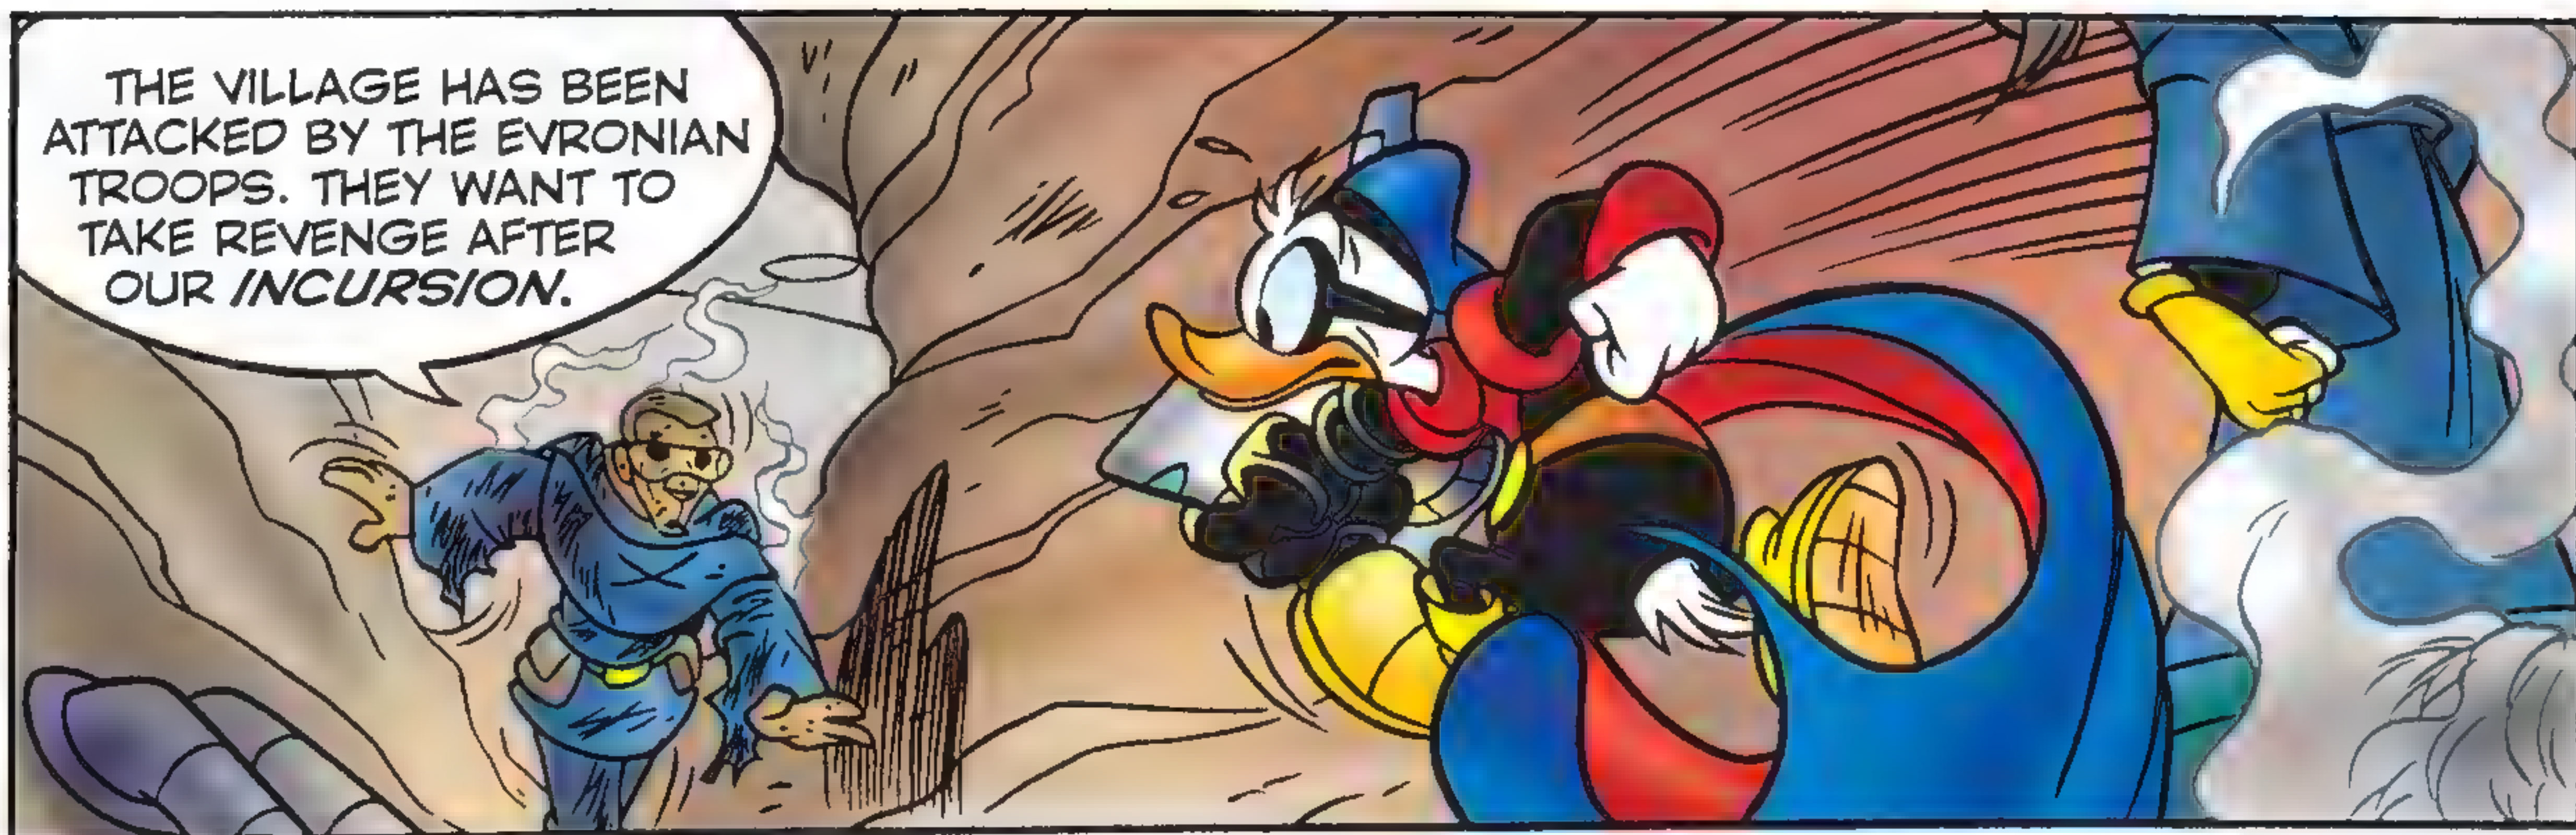

YOU CAN NEVER PLAY
GAMES WITH THE EVRONIAN
ARMY. THE DUNDAINS WILL
LEARN OBEDIENCE.

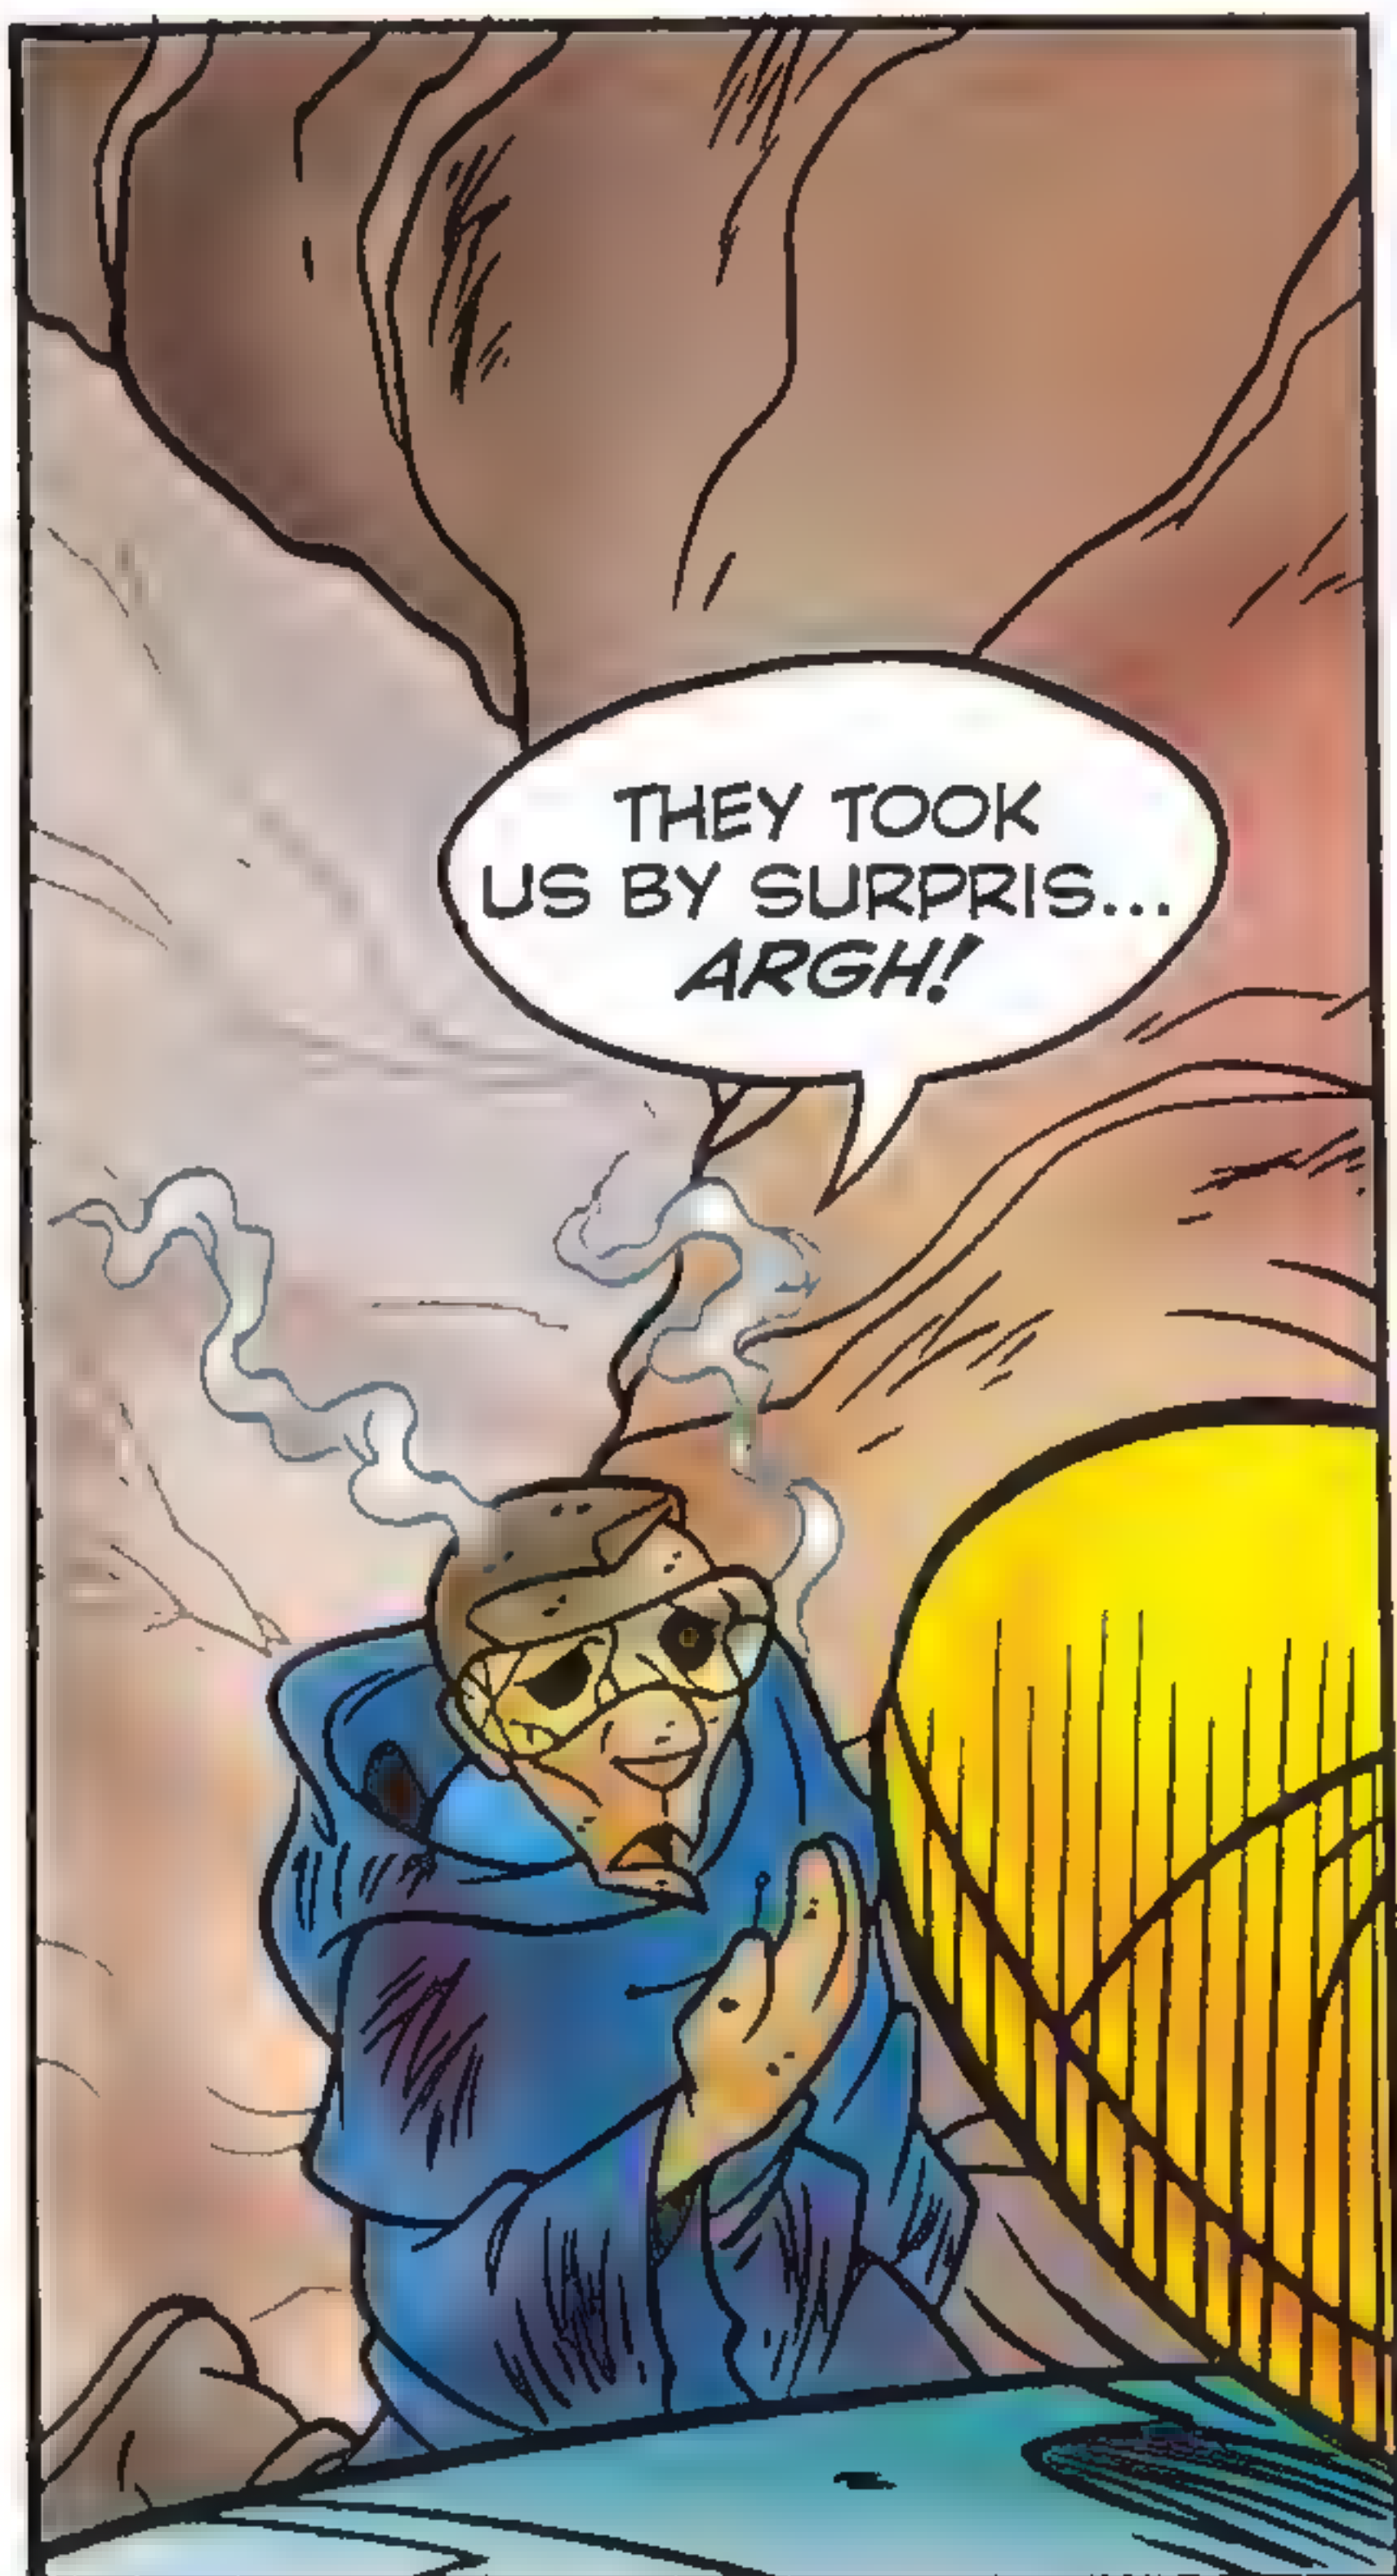

ATTACK!
COOLFLAMATE
THEM ALL!

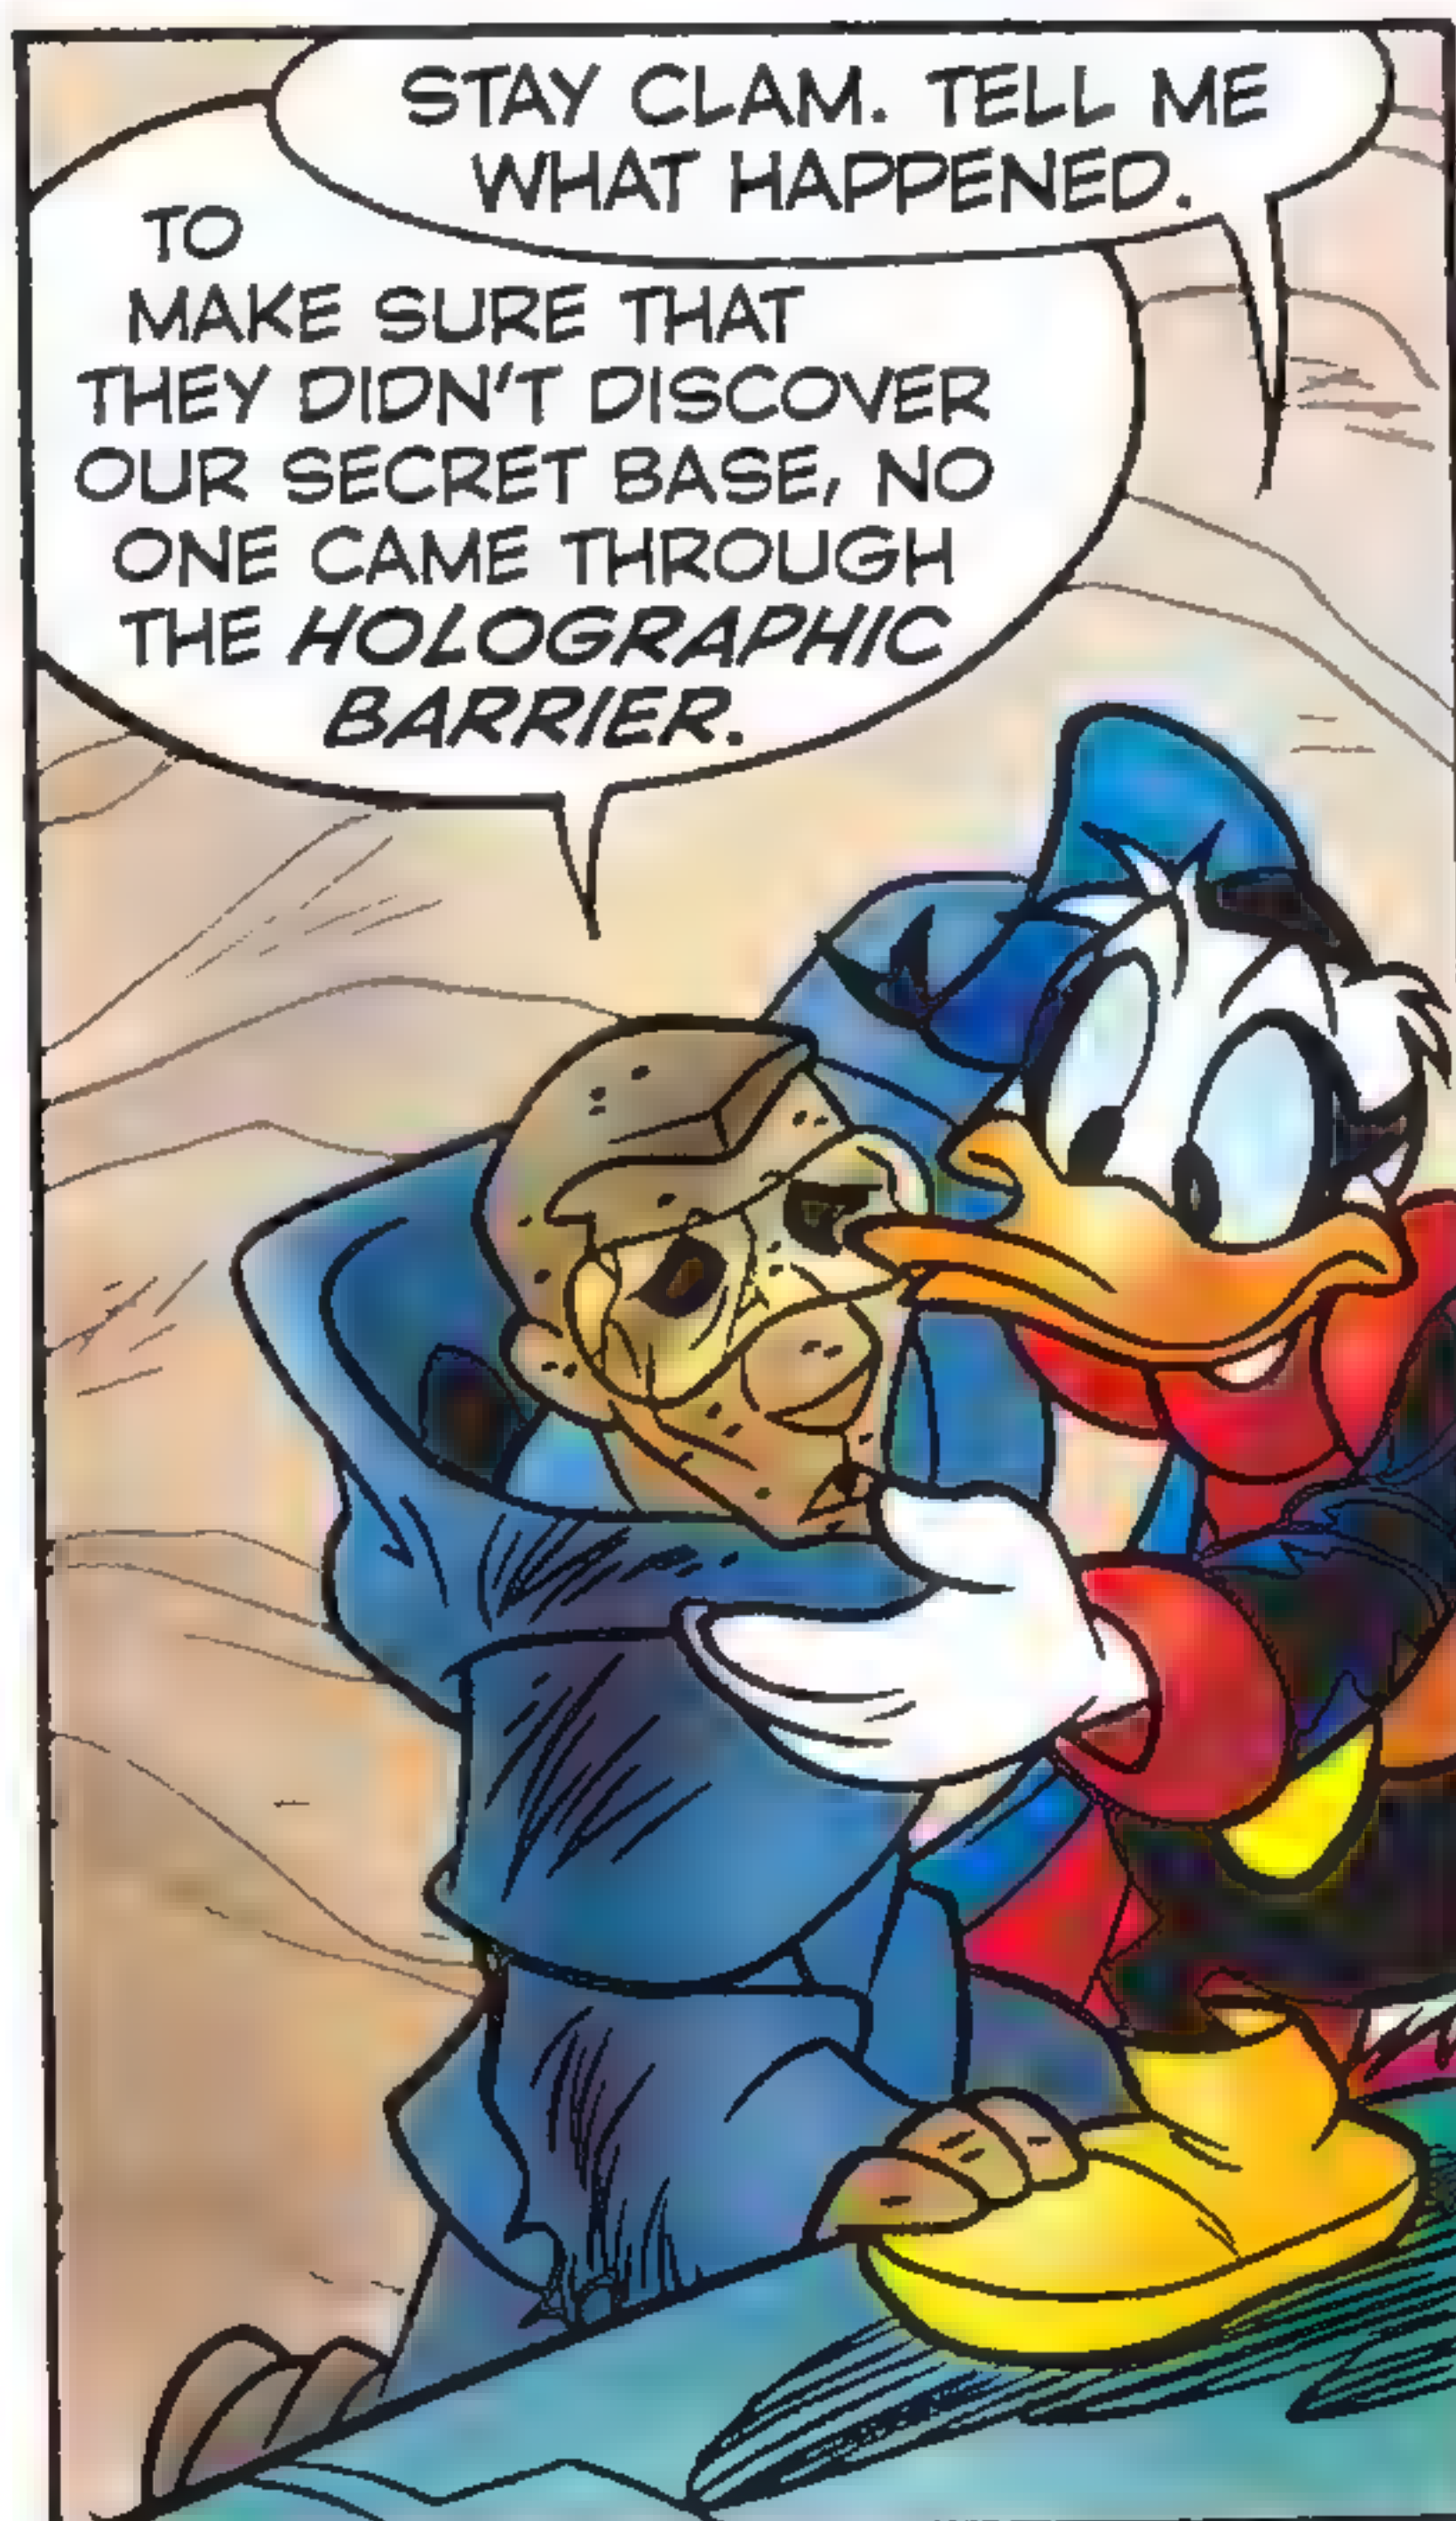

THE VILLAGE HAS BEEN
ATTACKED BY THE EVRONIAN
TROOPS. THEY WANT TO
TAKE REVENGE AFTER
OUR *INCURSION*.

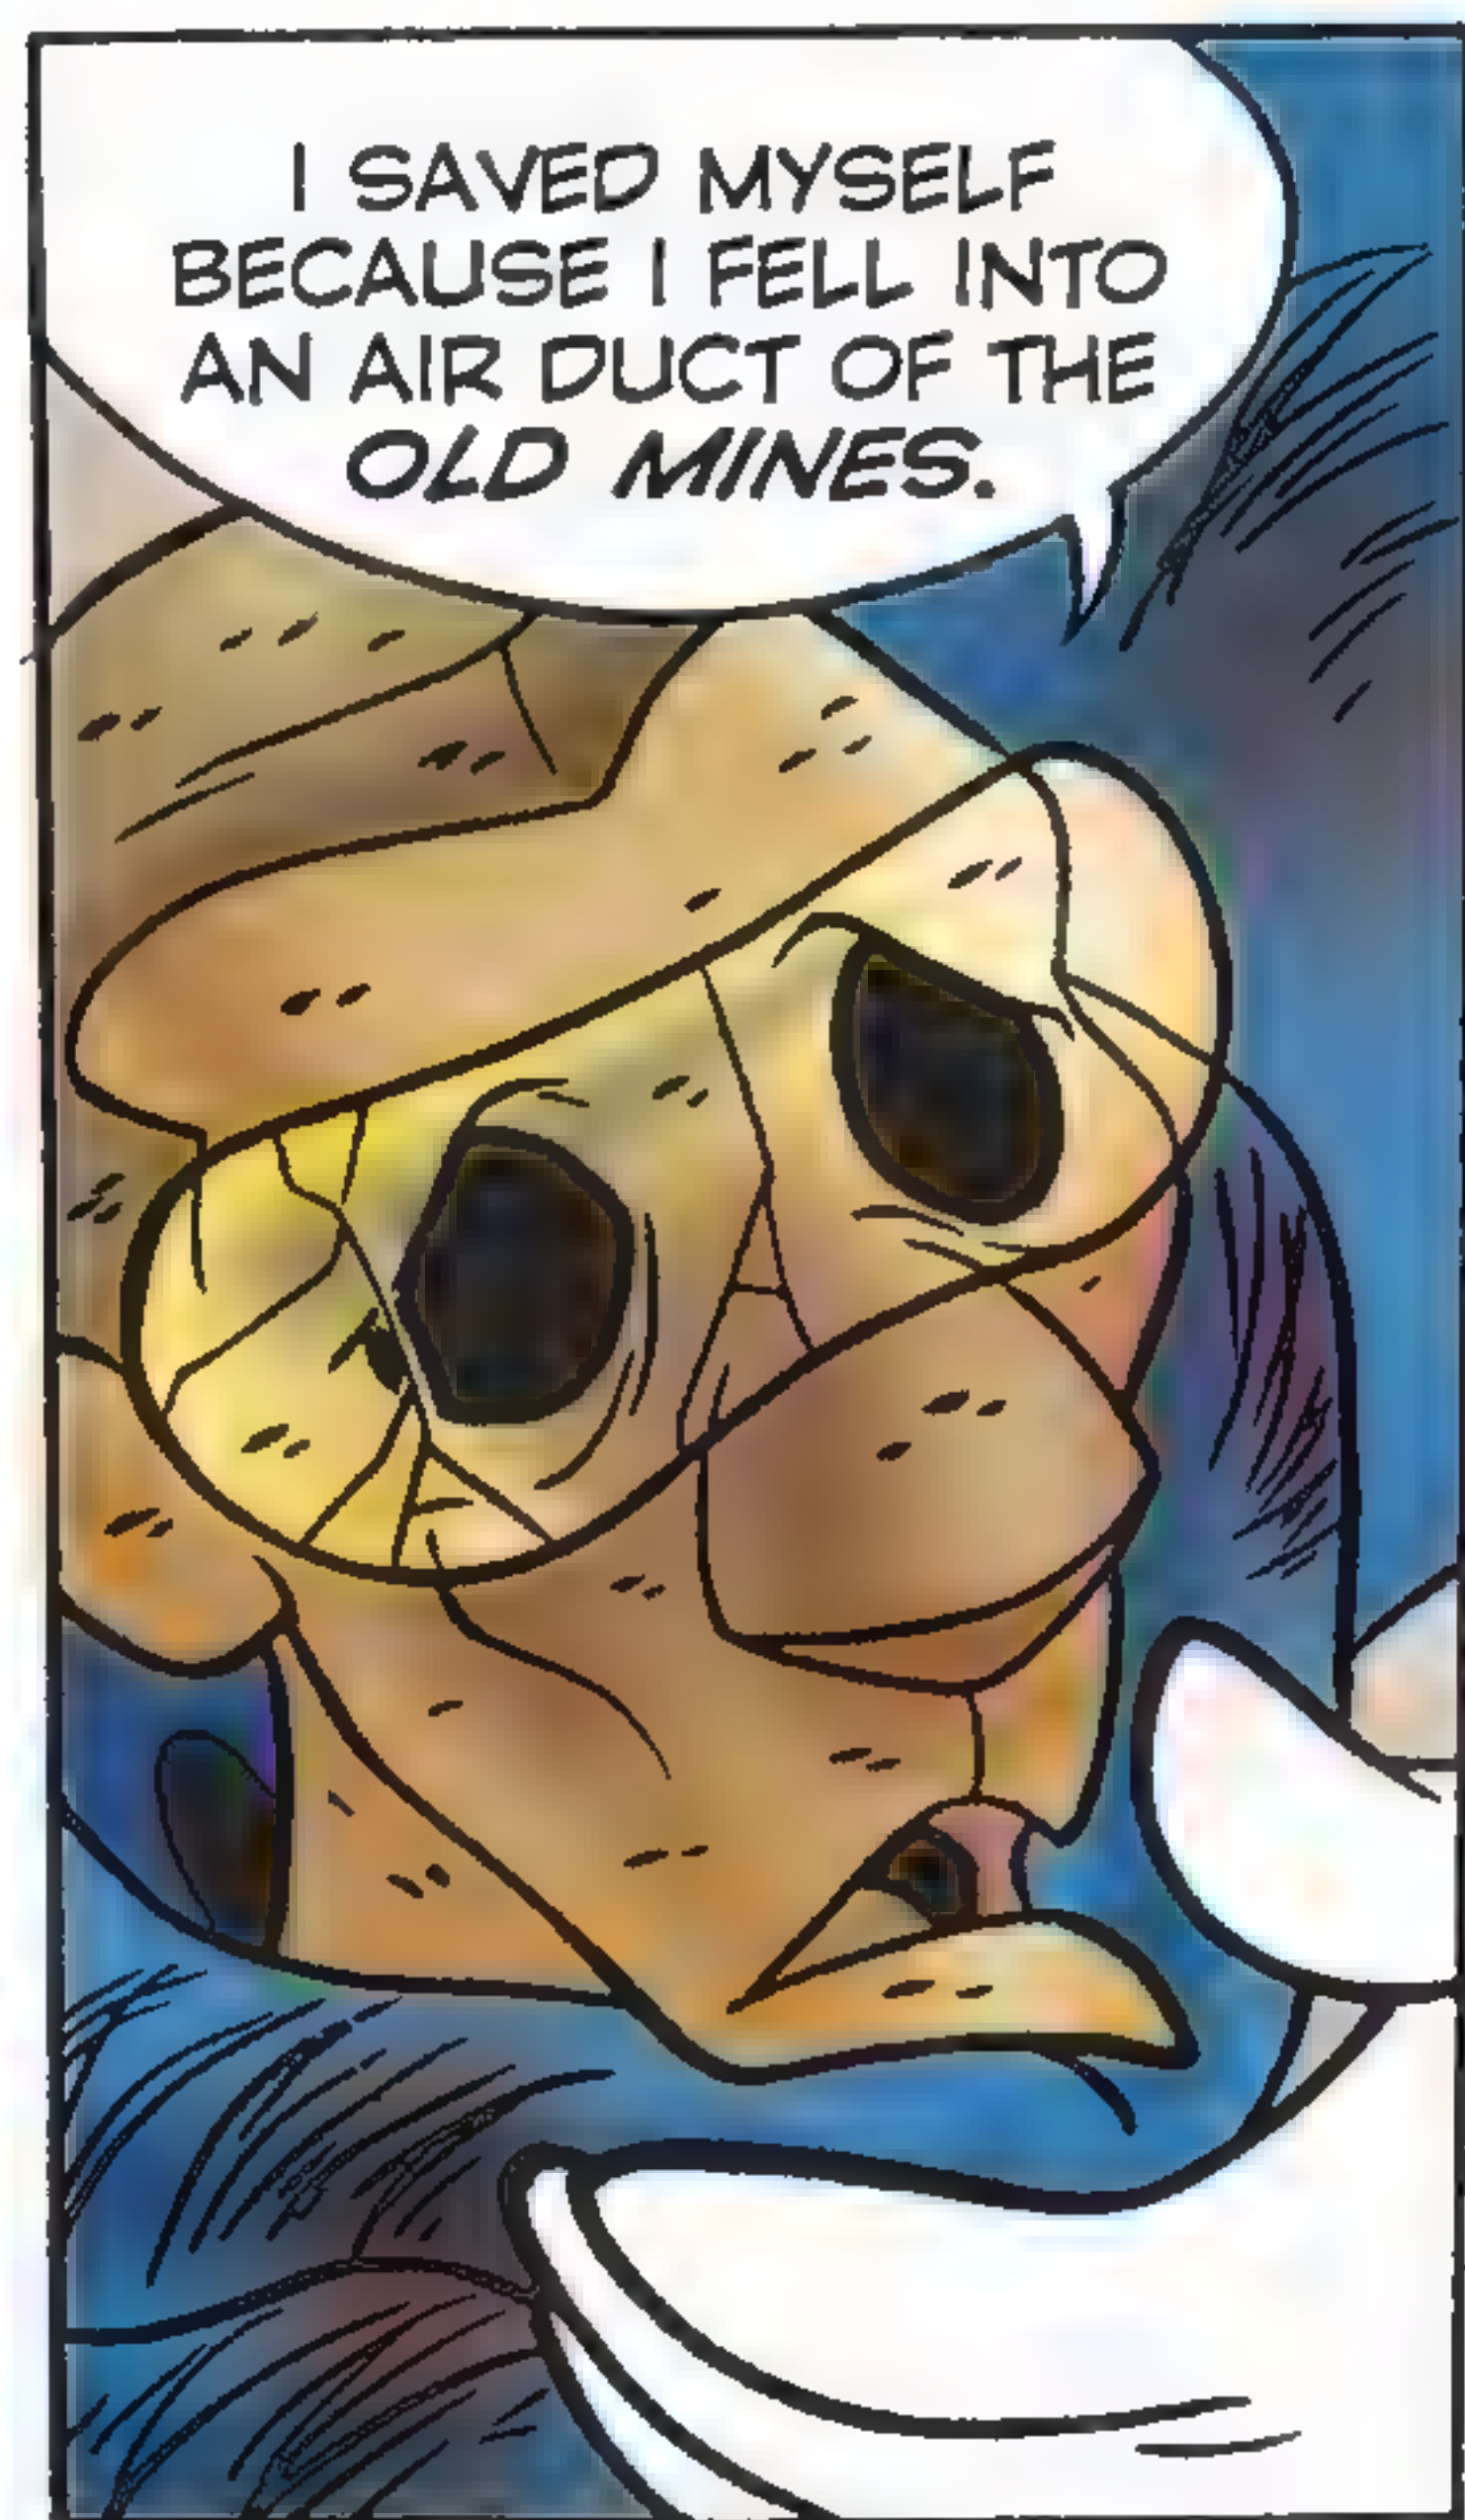

THEY TOOK
US BY SURPRIS...
ARGH!

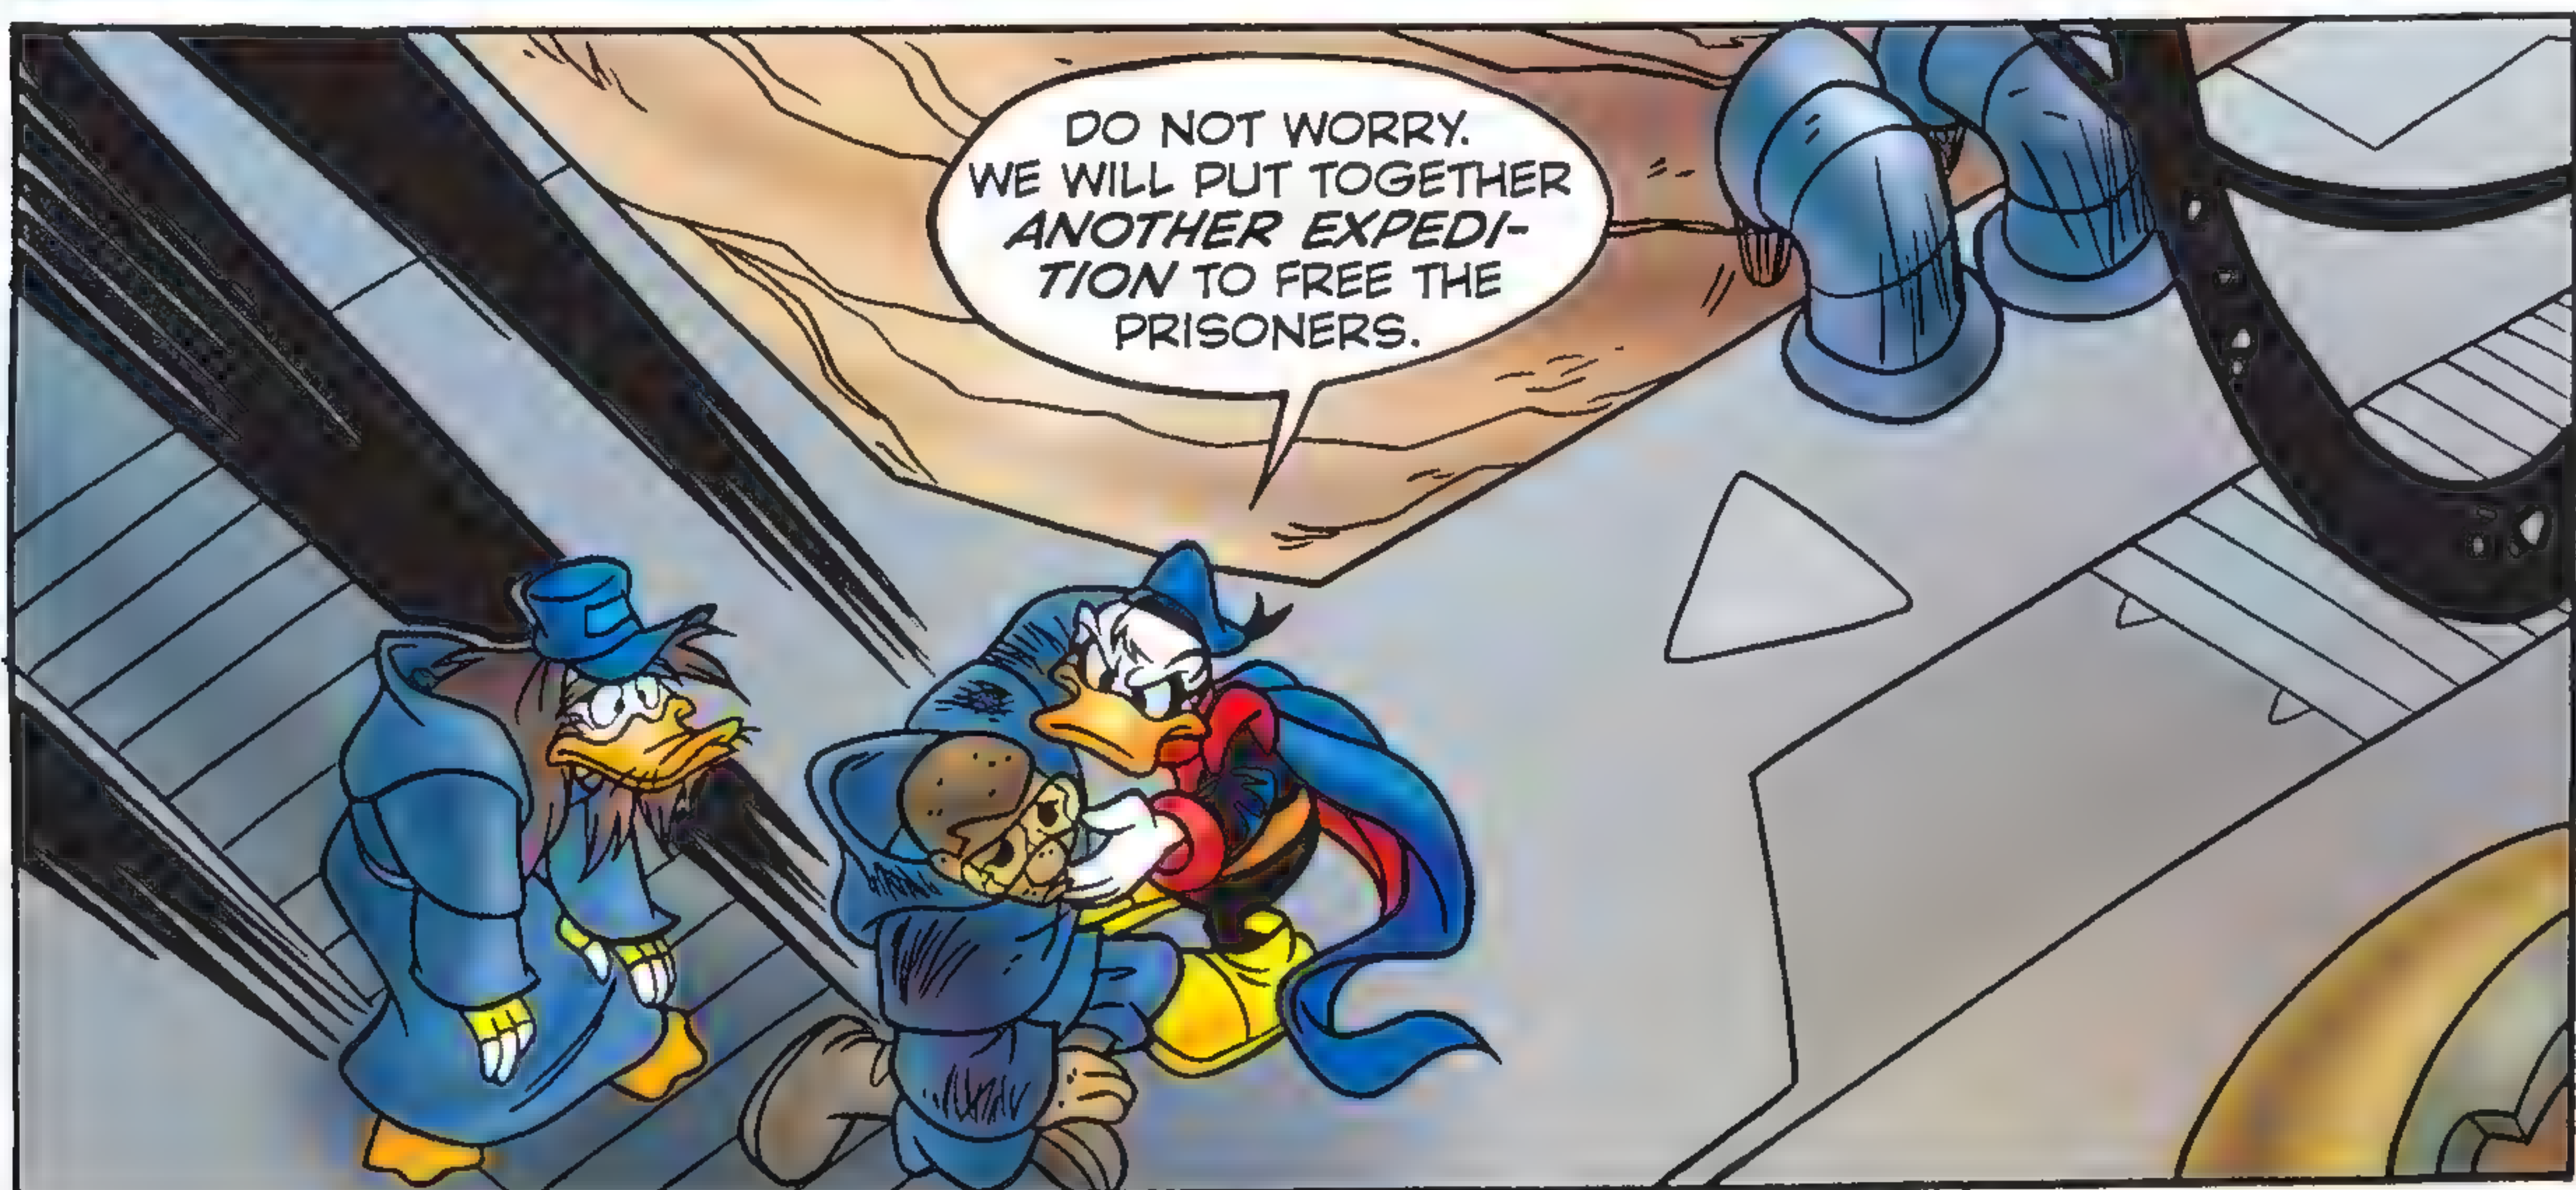

STAY CLAM. TELL ME
WHAT HAPPENED.

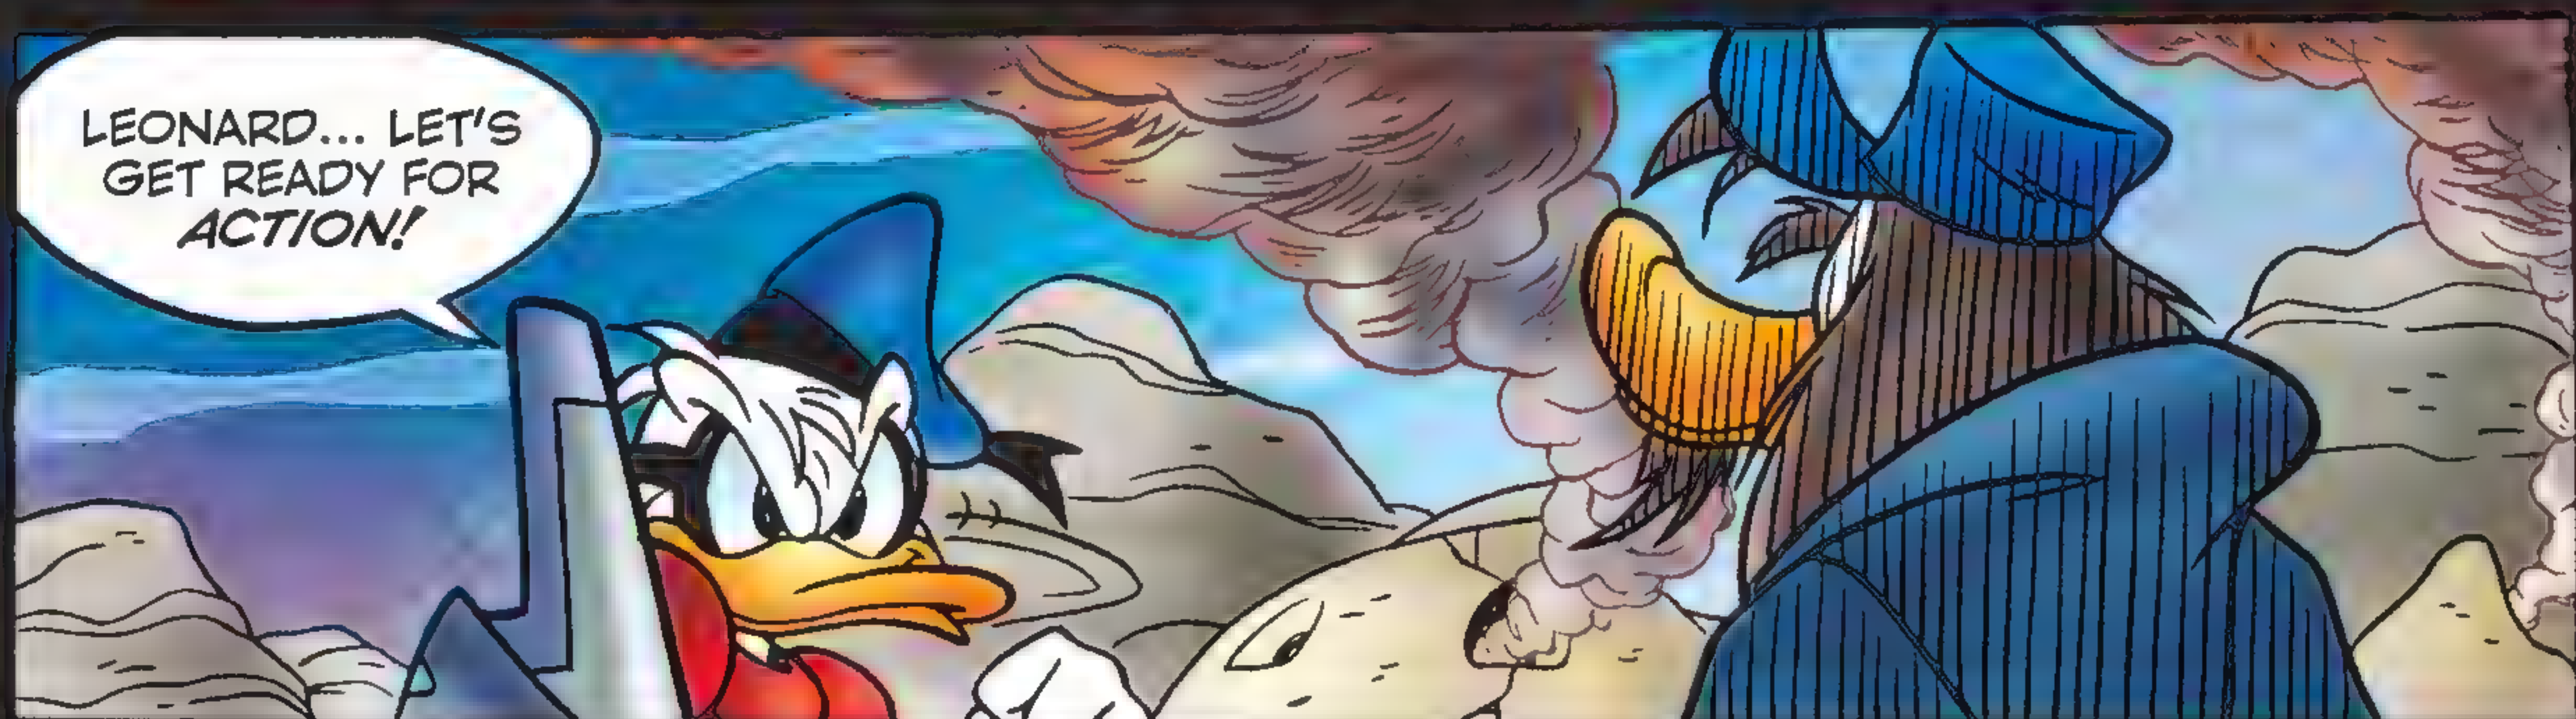

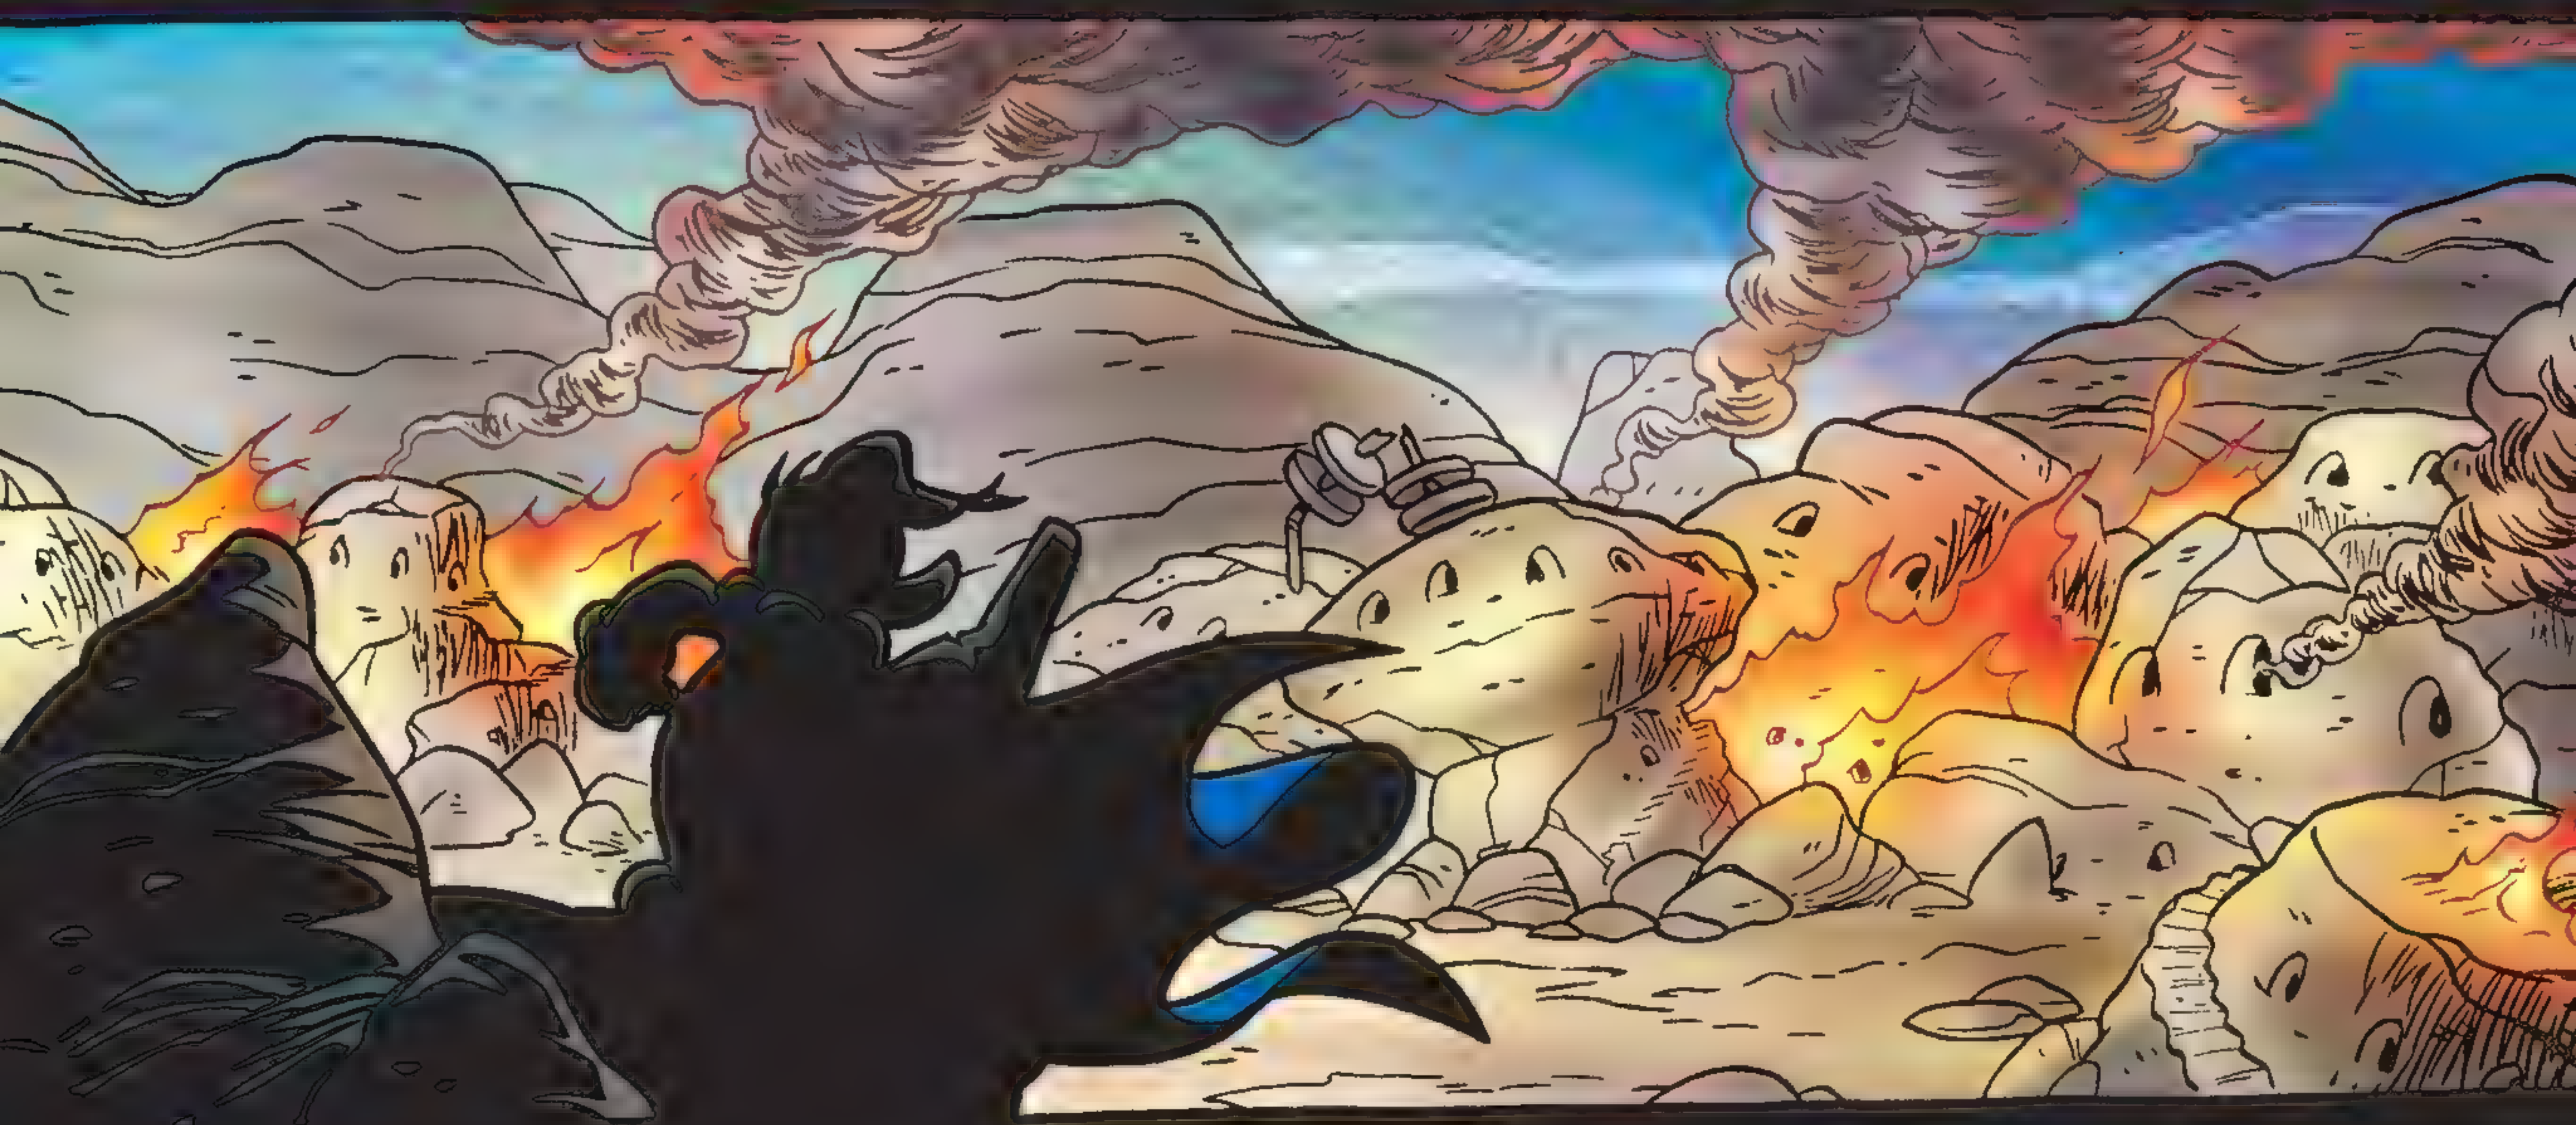

TO
MAKE SURE THAT
THEY DIDN'T DISCOVER
OUR SECRET BASE, NO
ONE CAME THROUGH
THE *HOLOGRAPHIC*
BARRIER.

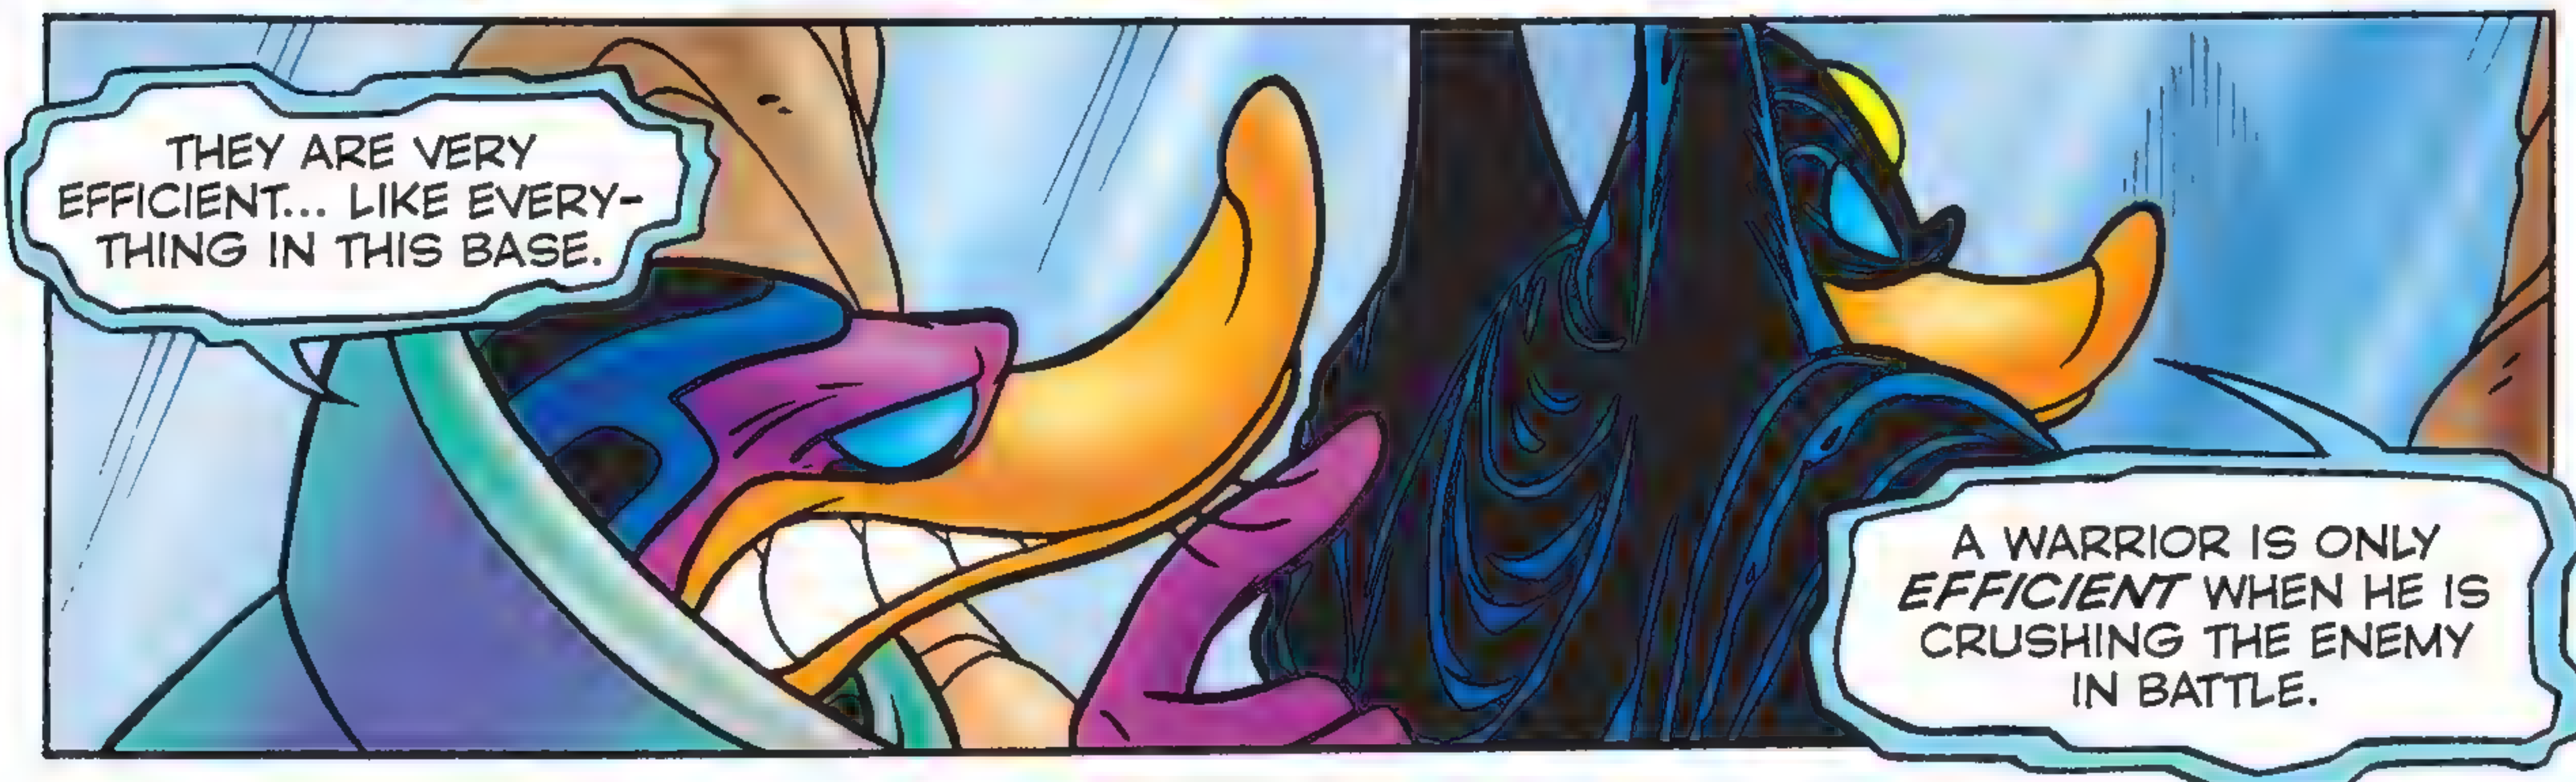

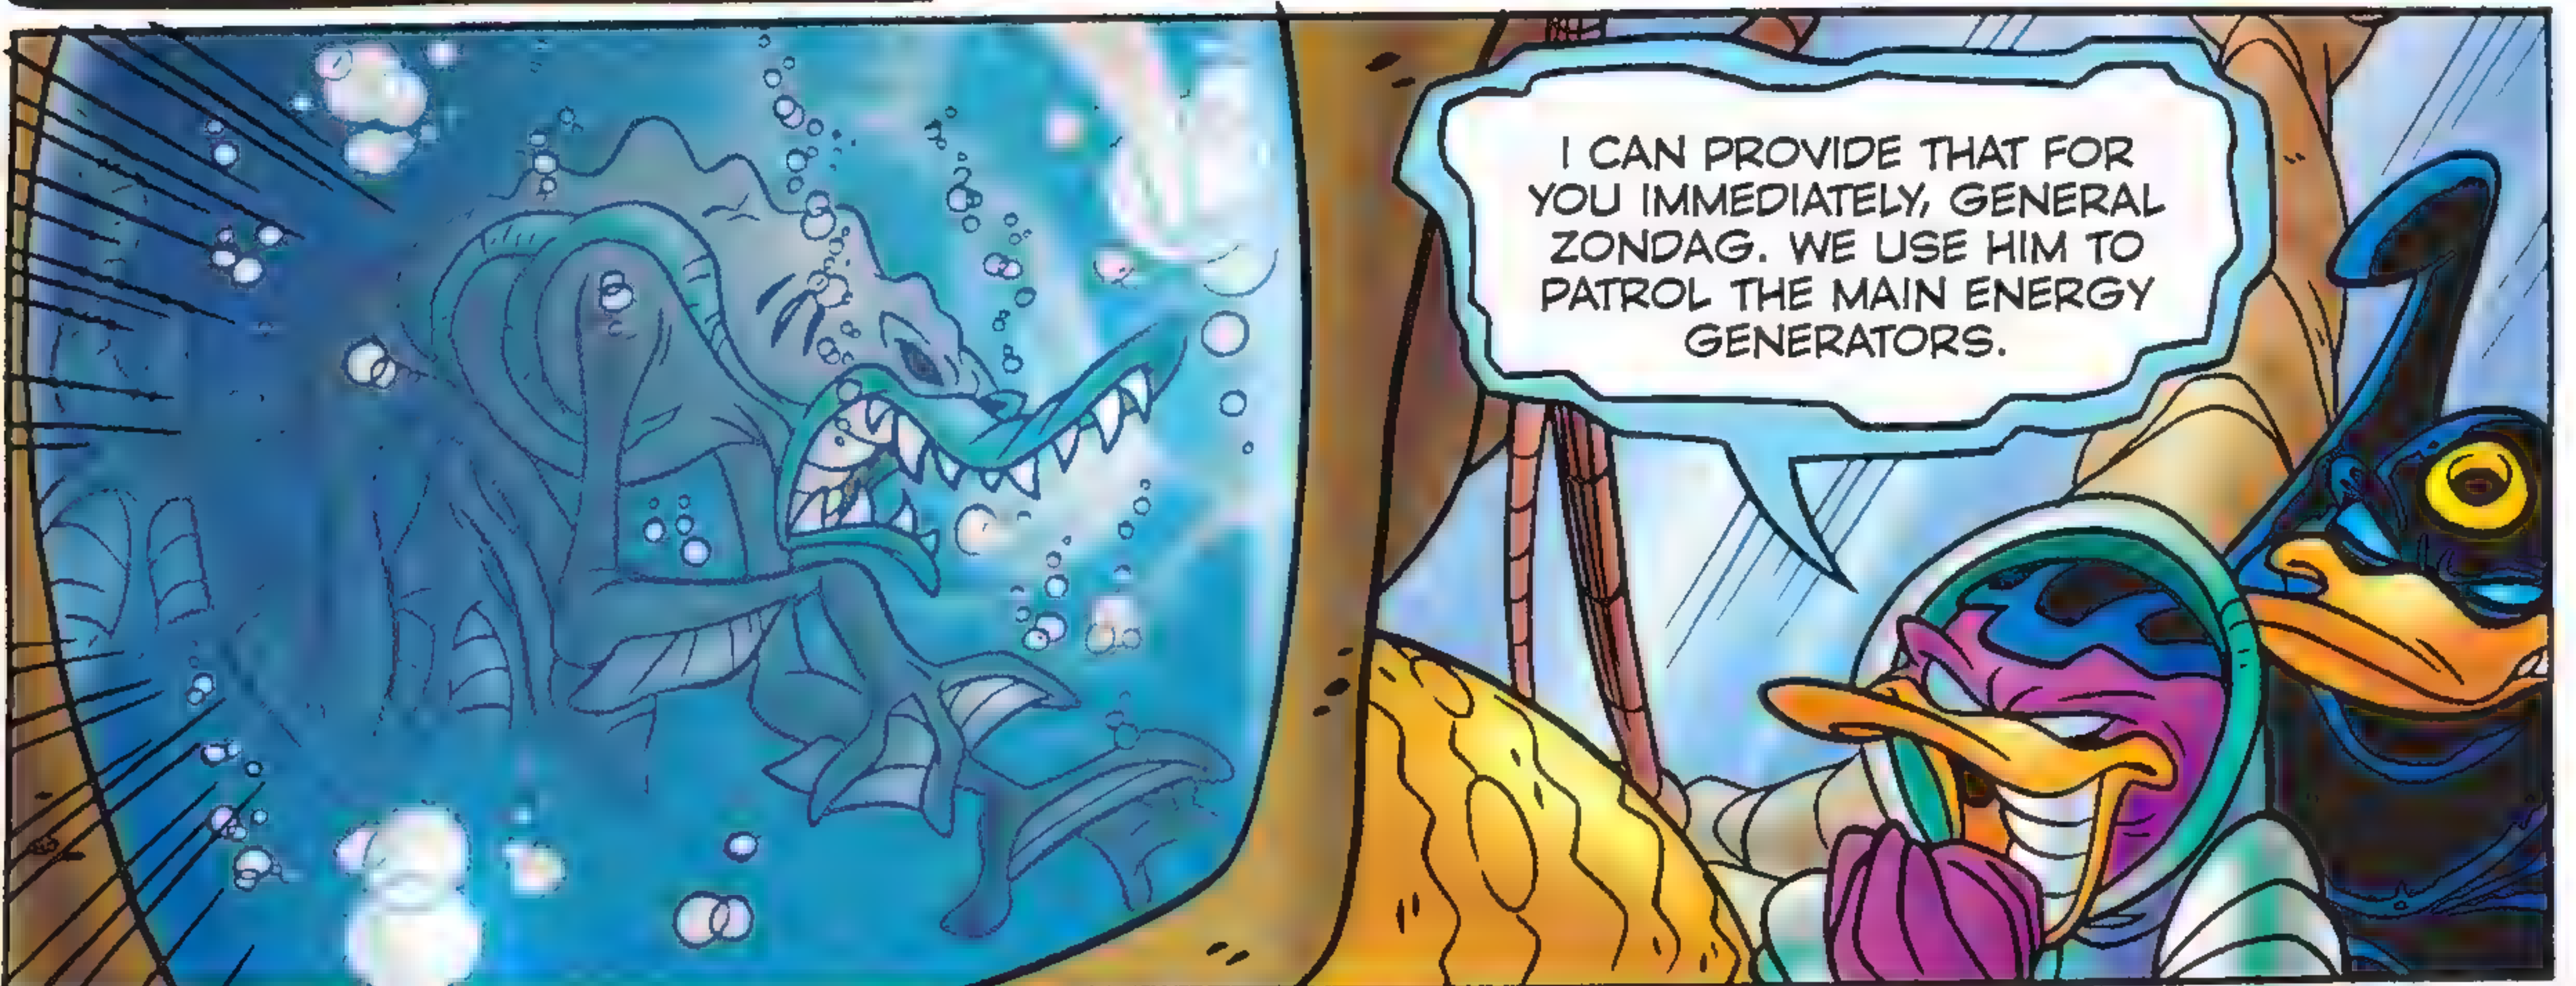

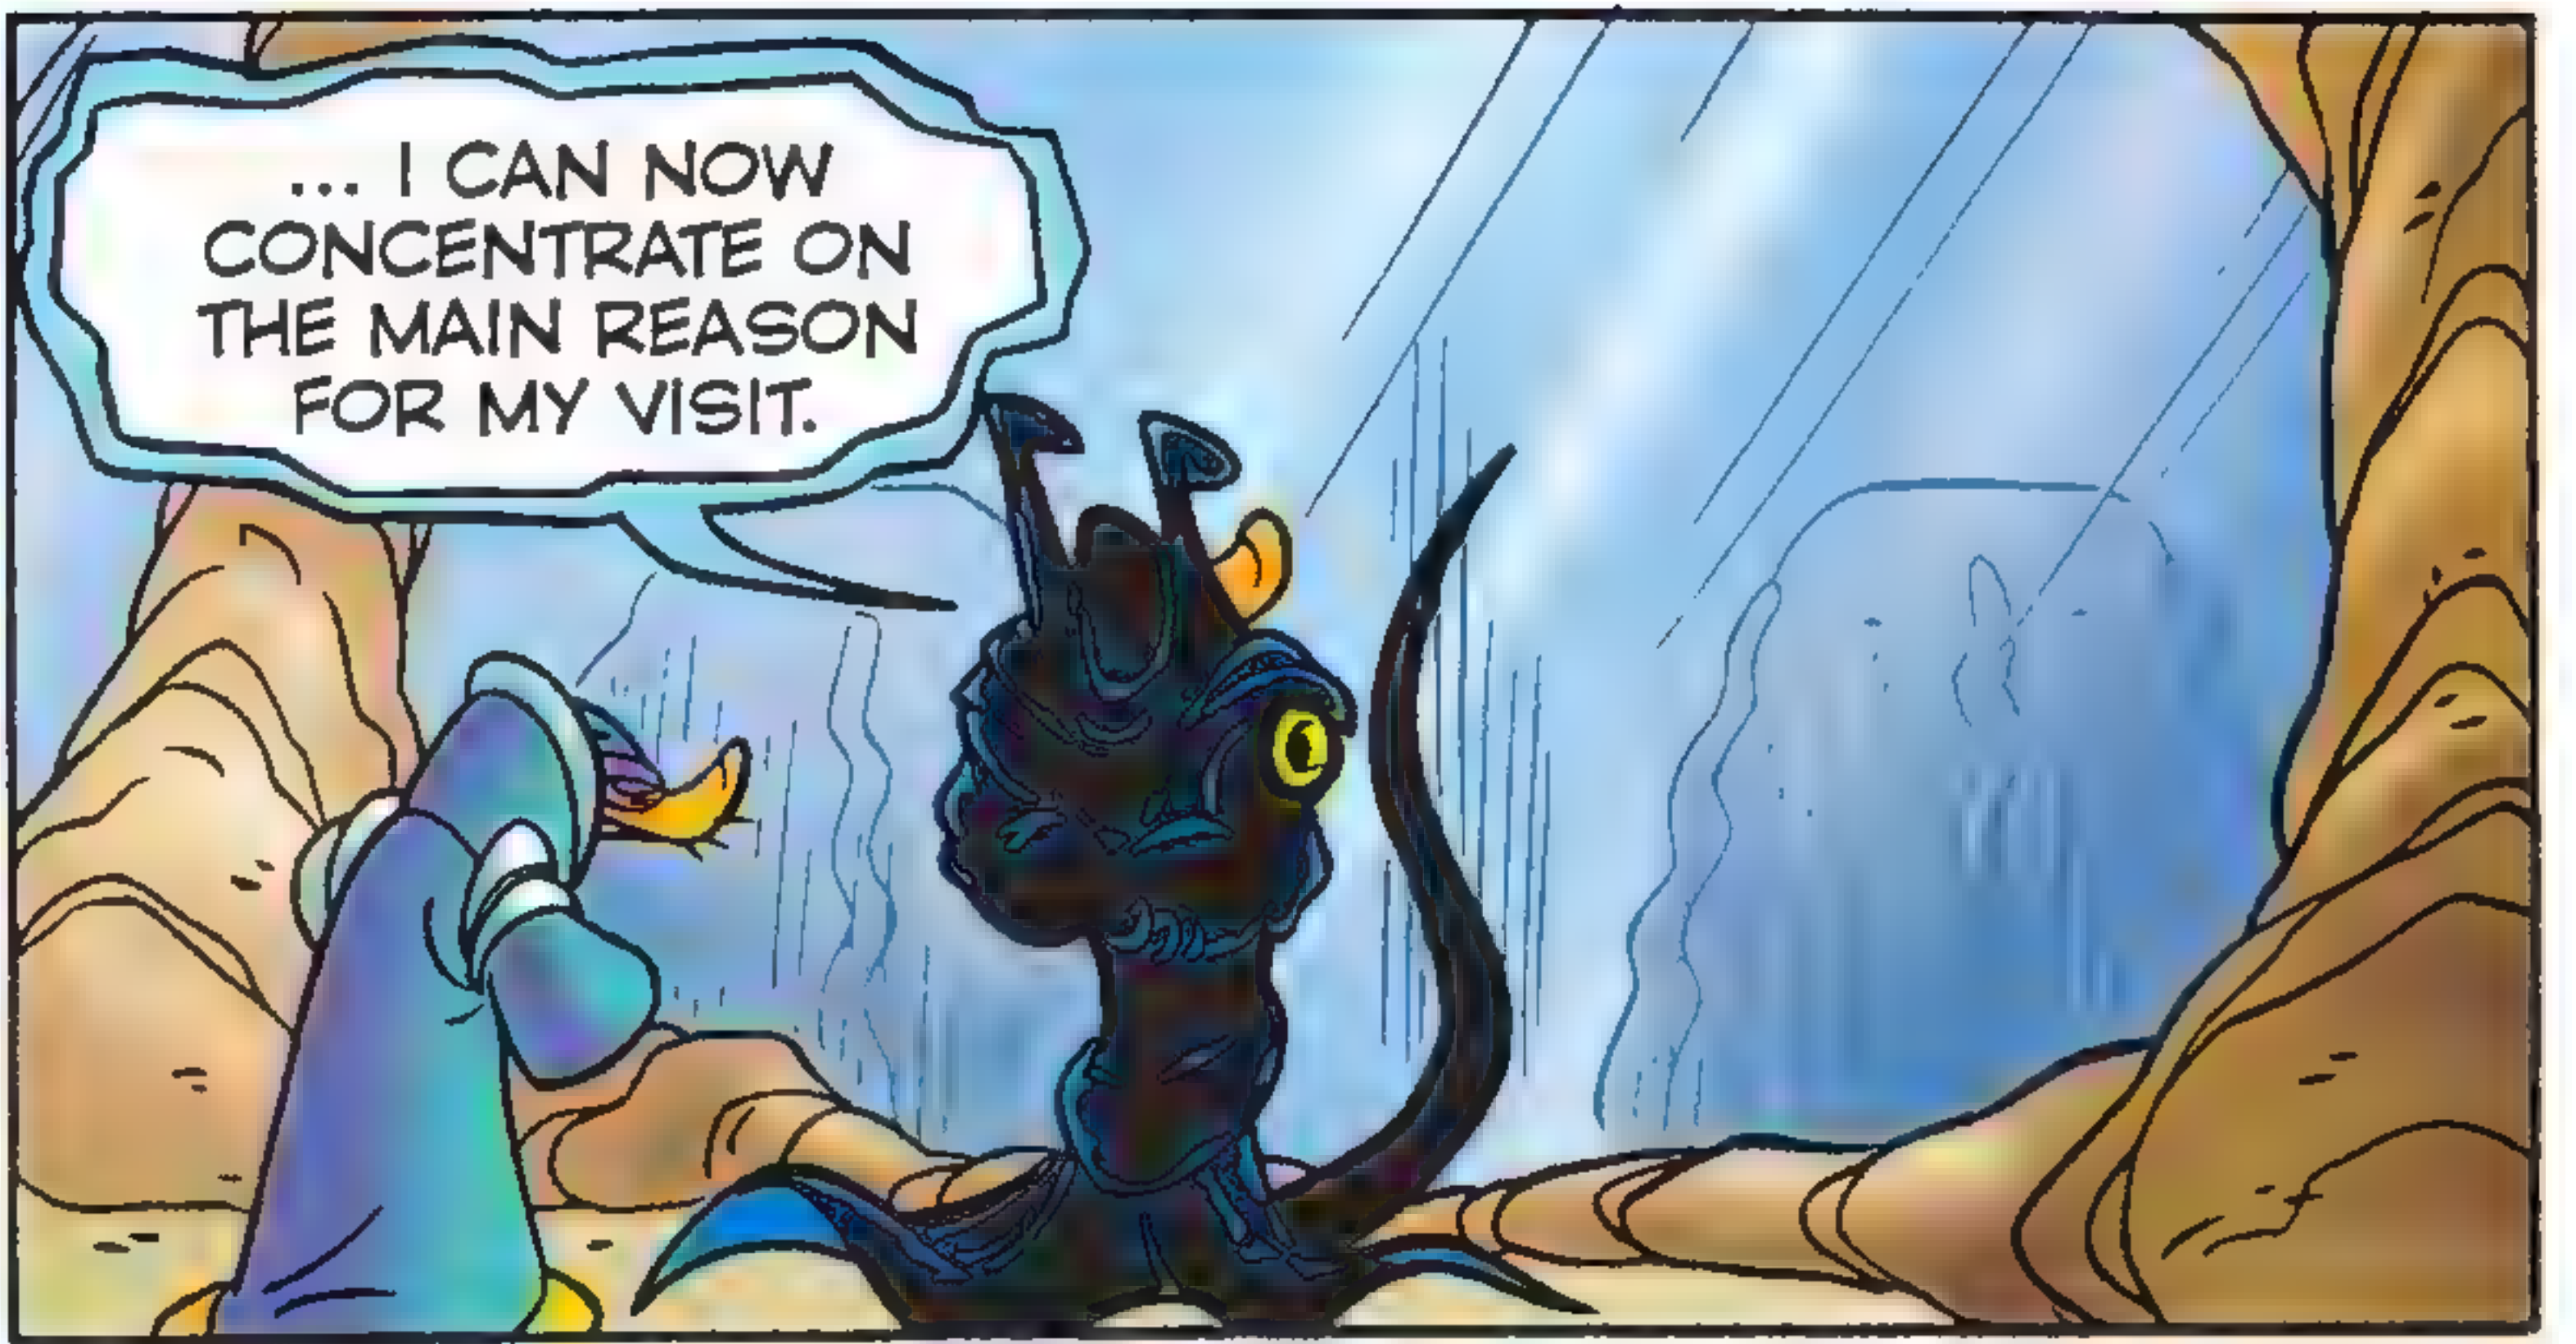

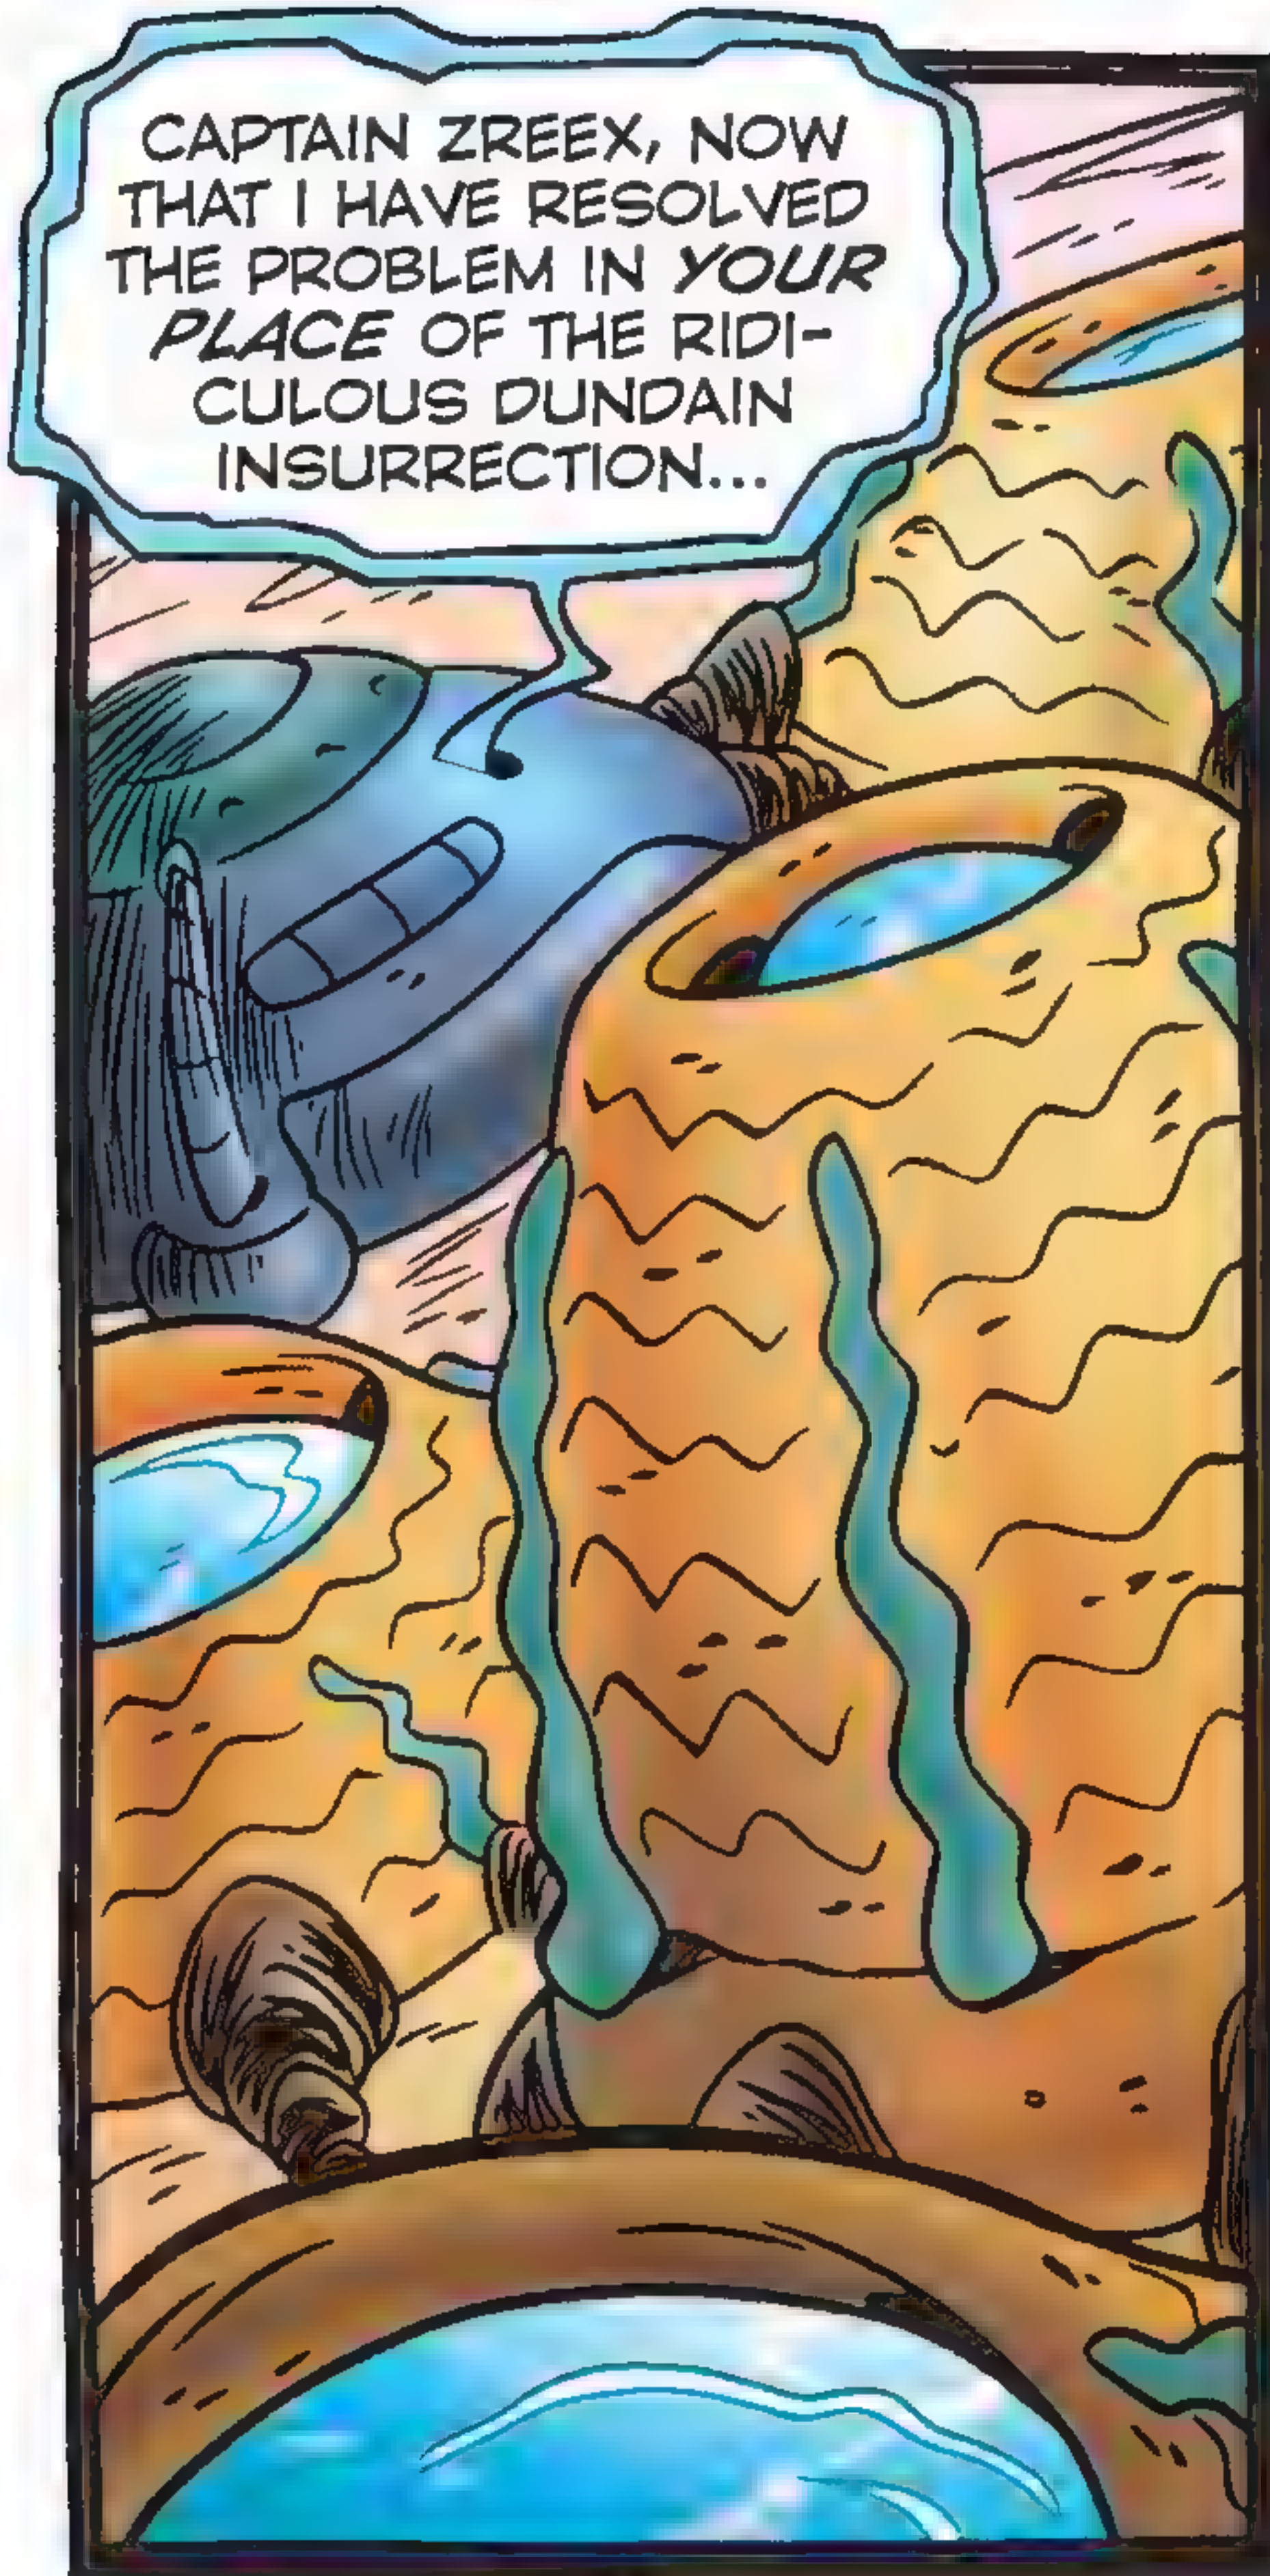

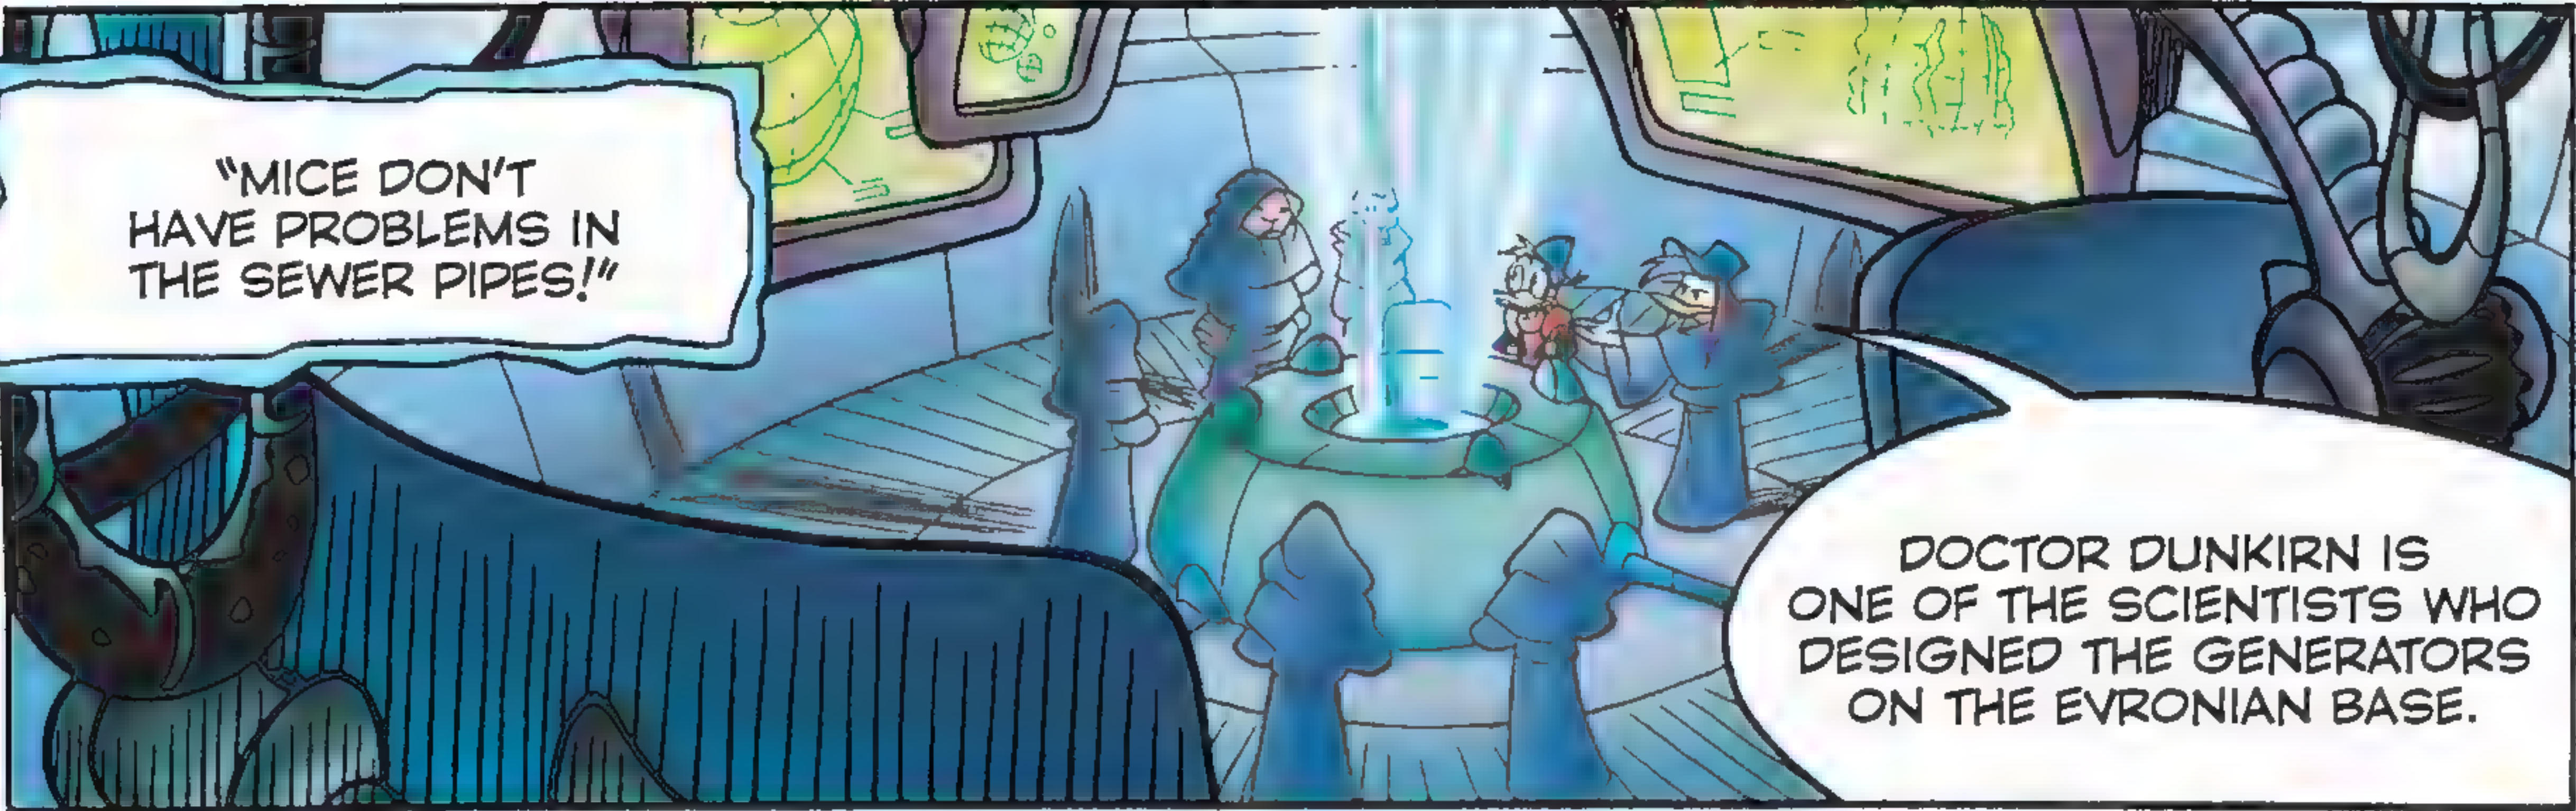

I SAVED MYSELF
BECAUSE I FELL INTO
AN AIR DUCT OF THE
OLD MINES.

DO NOT WORRY.
WE WILL PUT TOGETHER
ANOTHER EXPEDI-
TION TO FREE THE
PRISONERS.

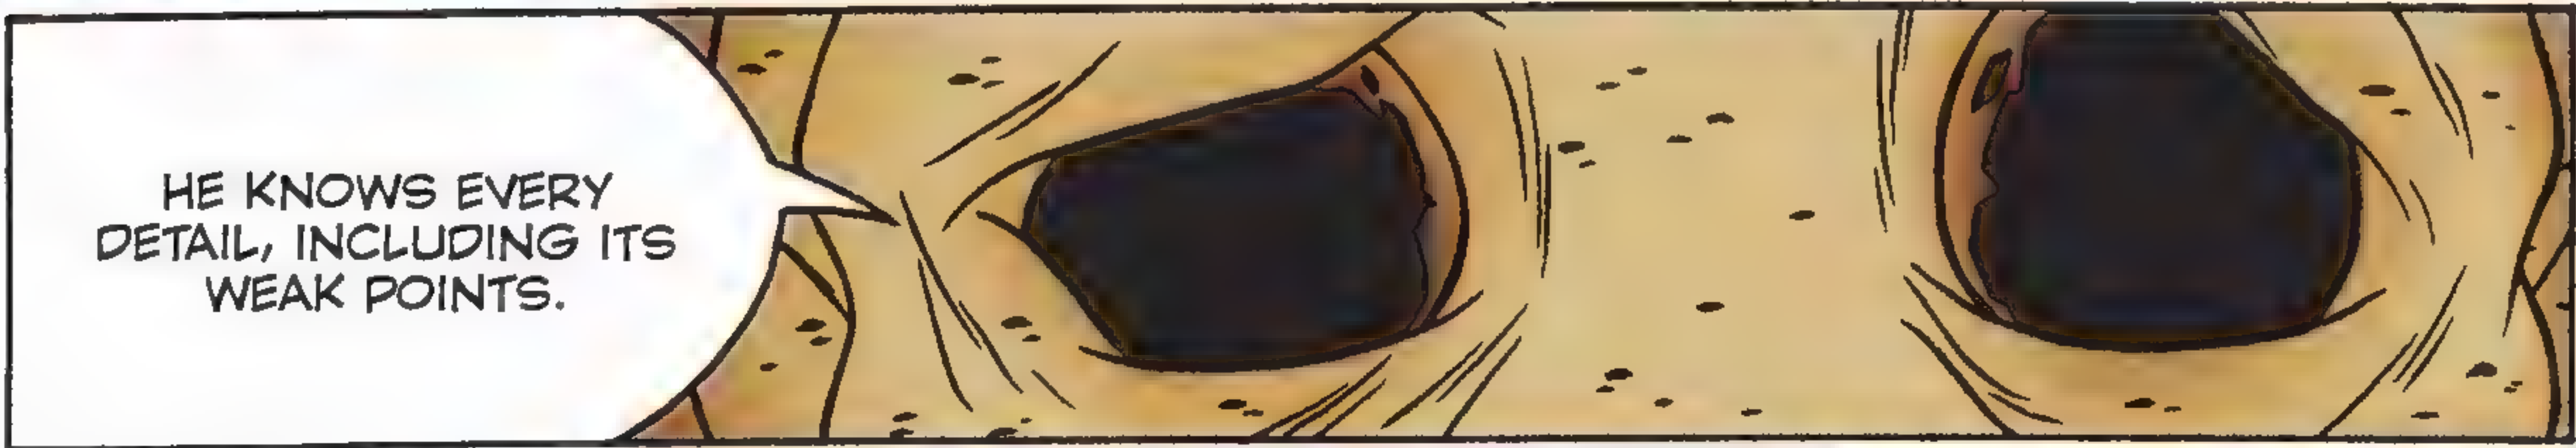

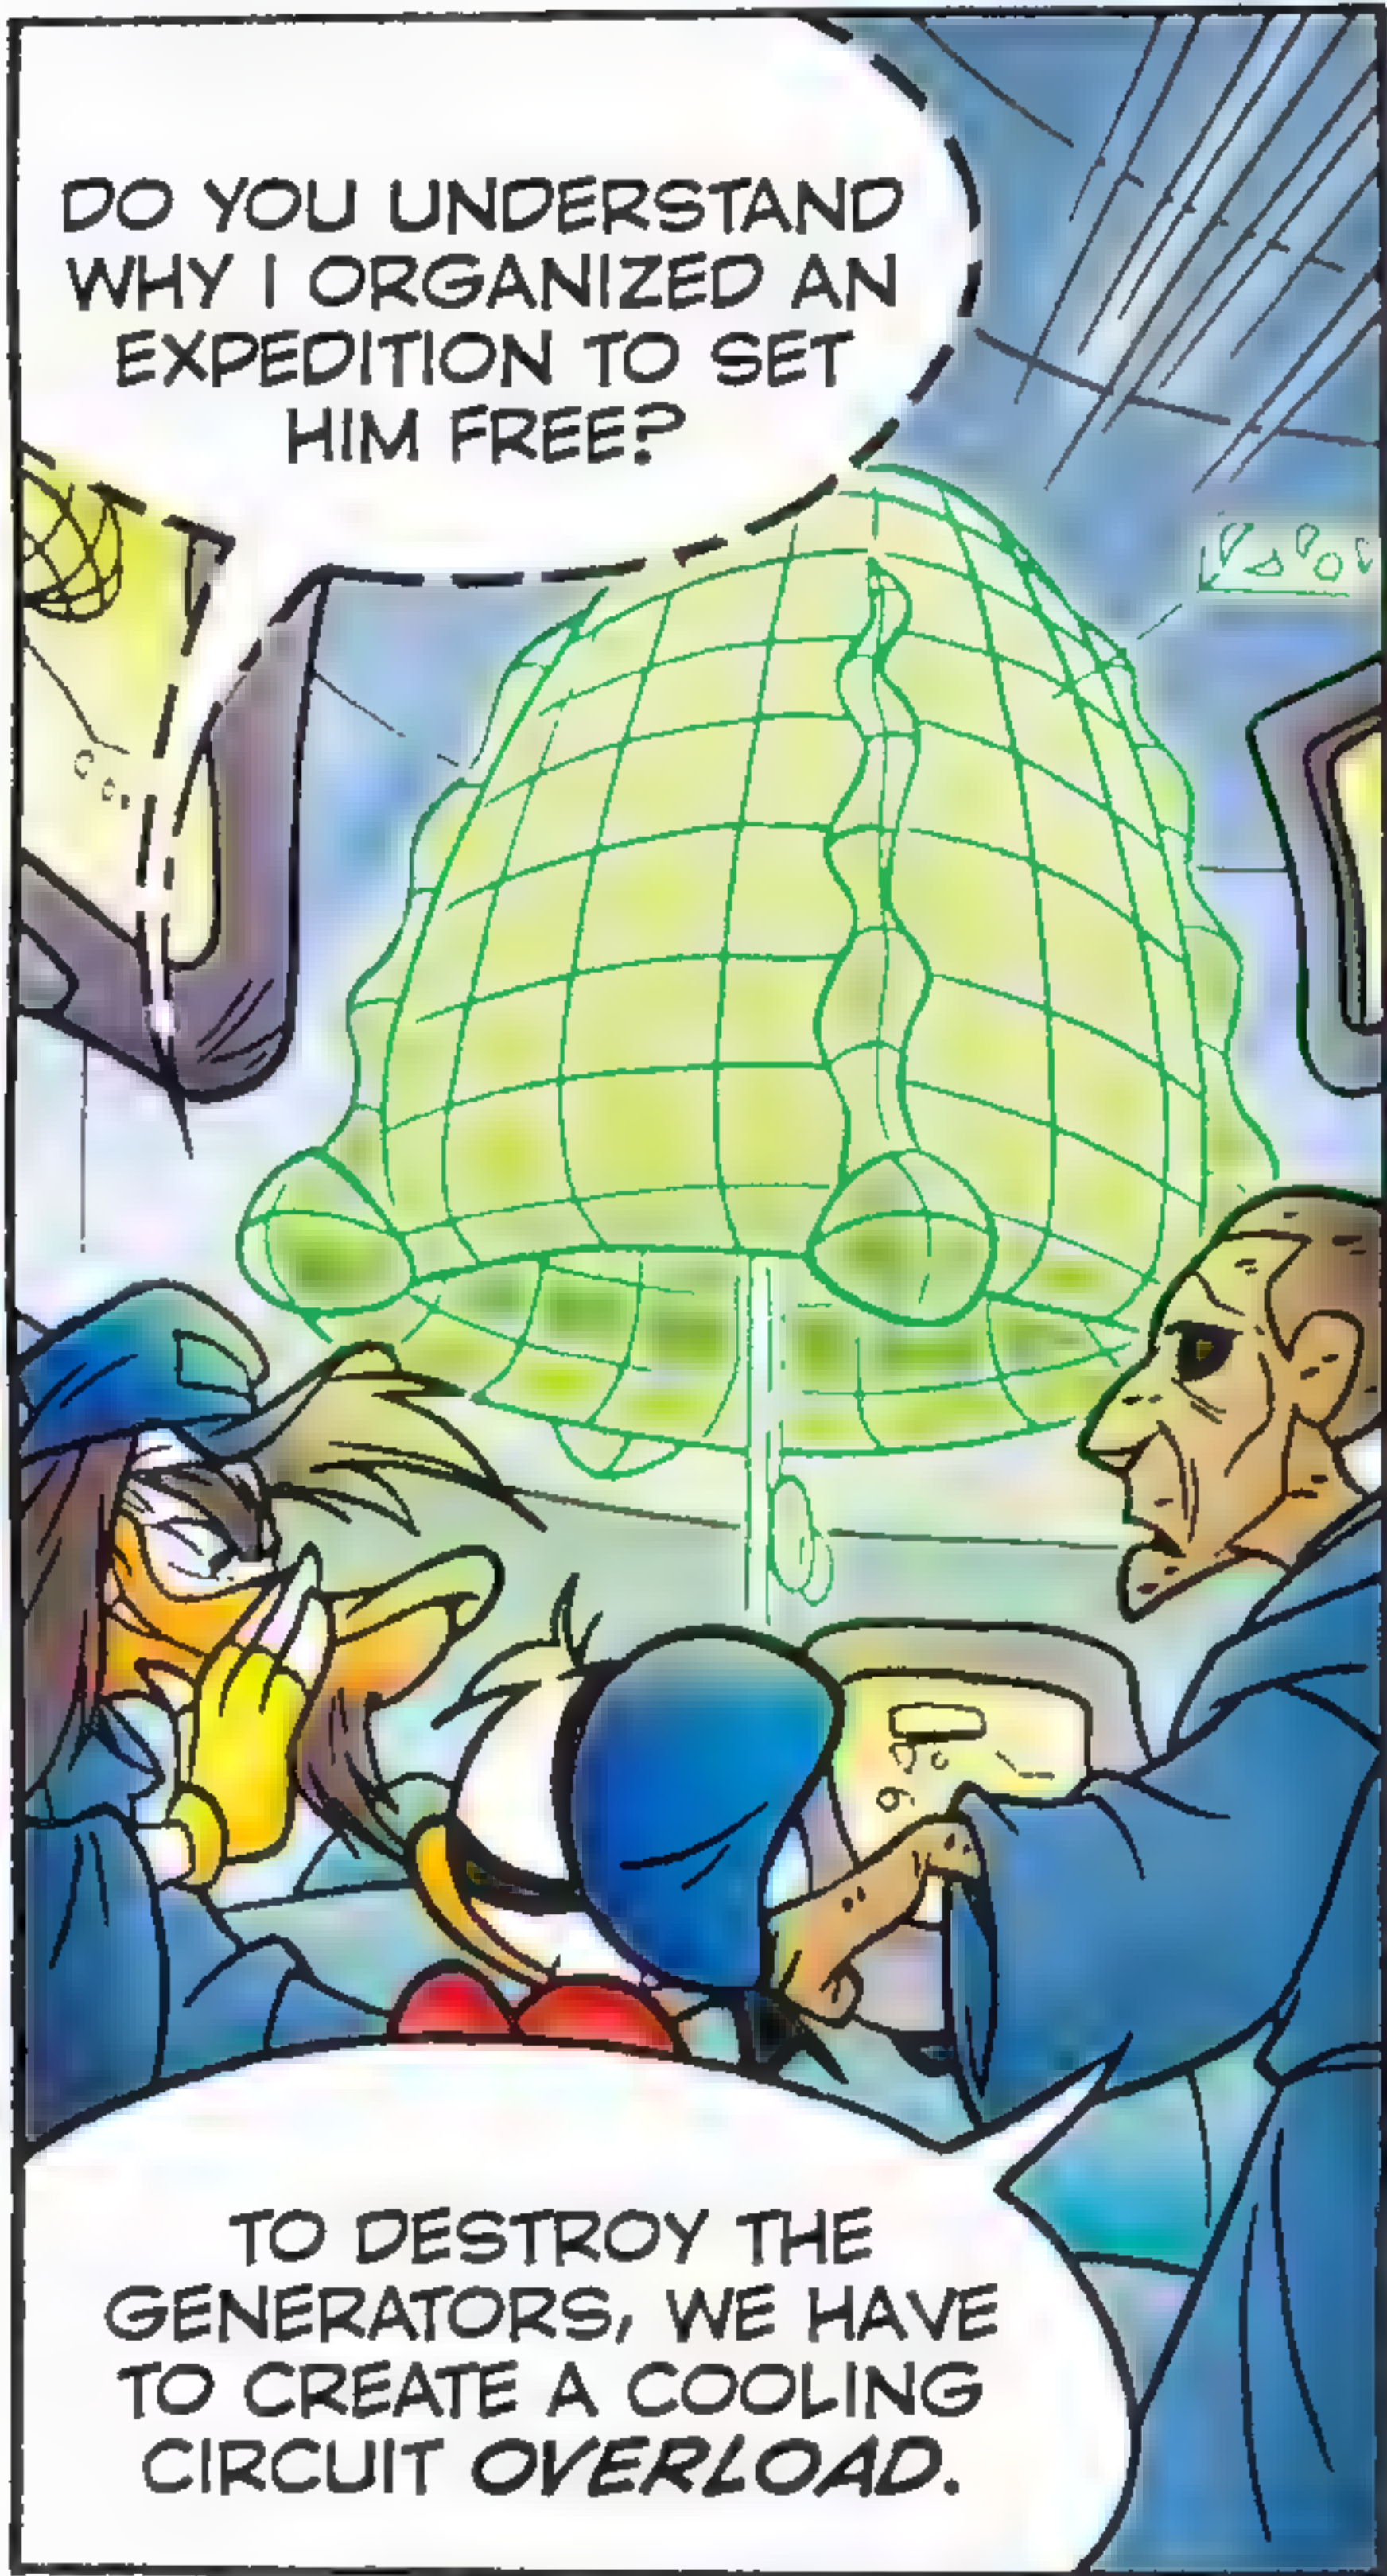

"MICE DON'T
HAVE PROBLEMS IN
THE SEWER PIPES!"

DOCTOR DUNKIRN IS
ONE OF THE SCIENTISTS WHO
DESIGNED THE GENERATORS
ON THE EVRONIAN BASE.

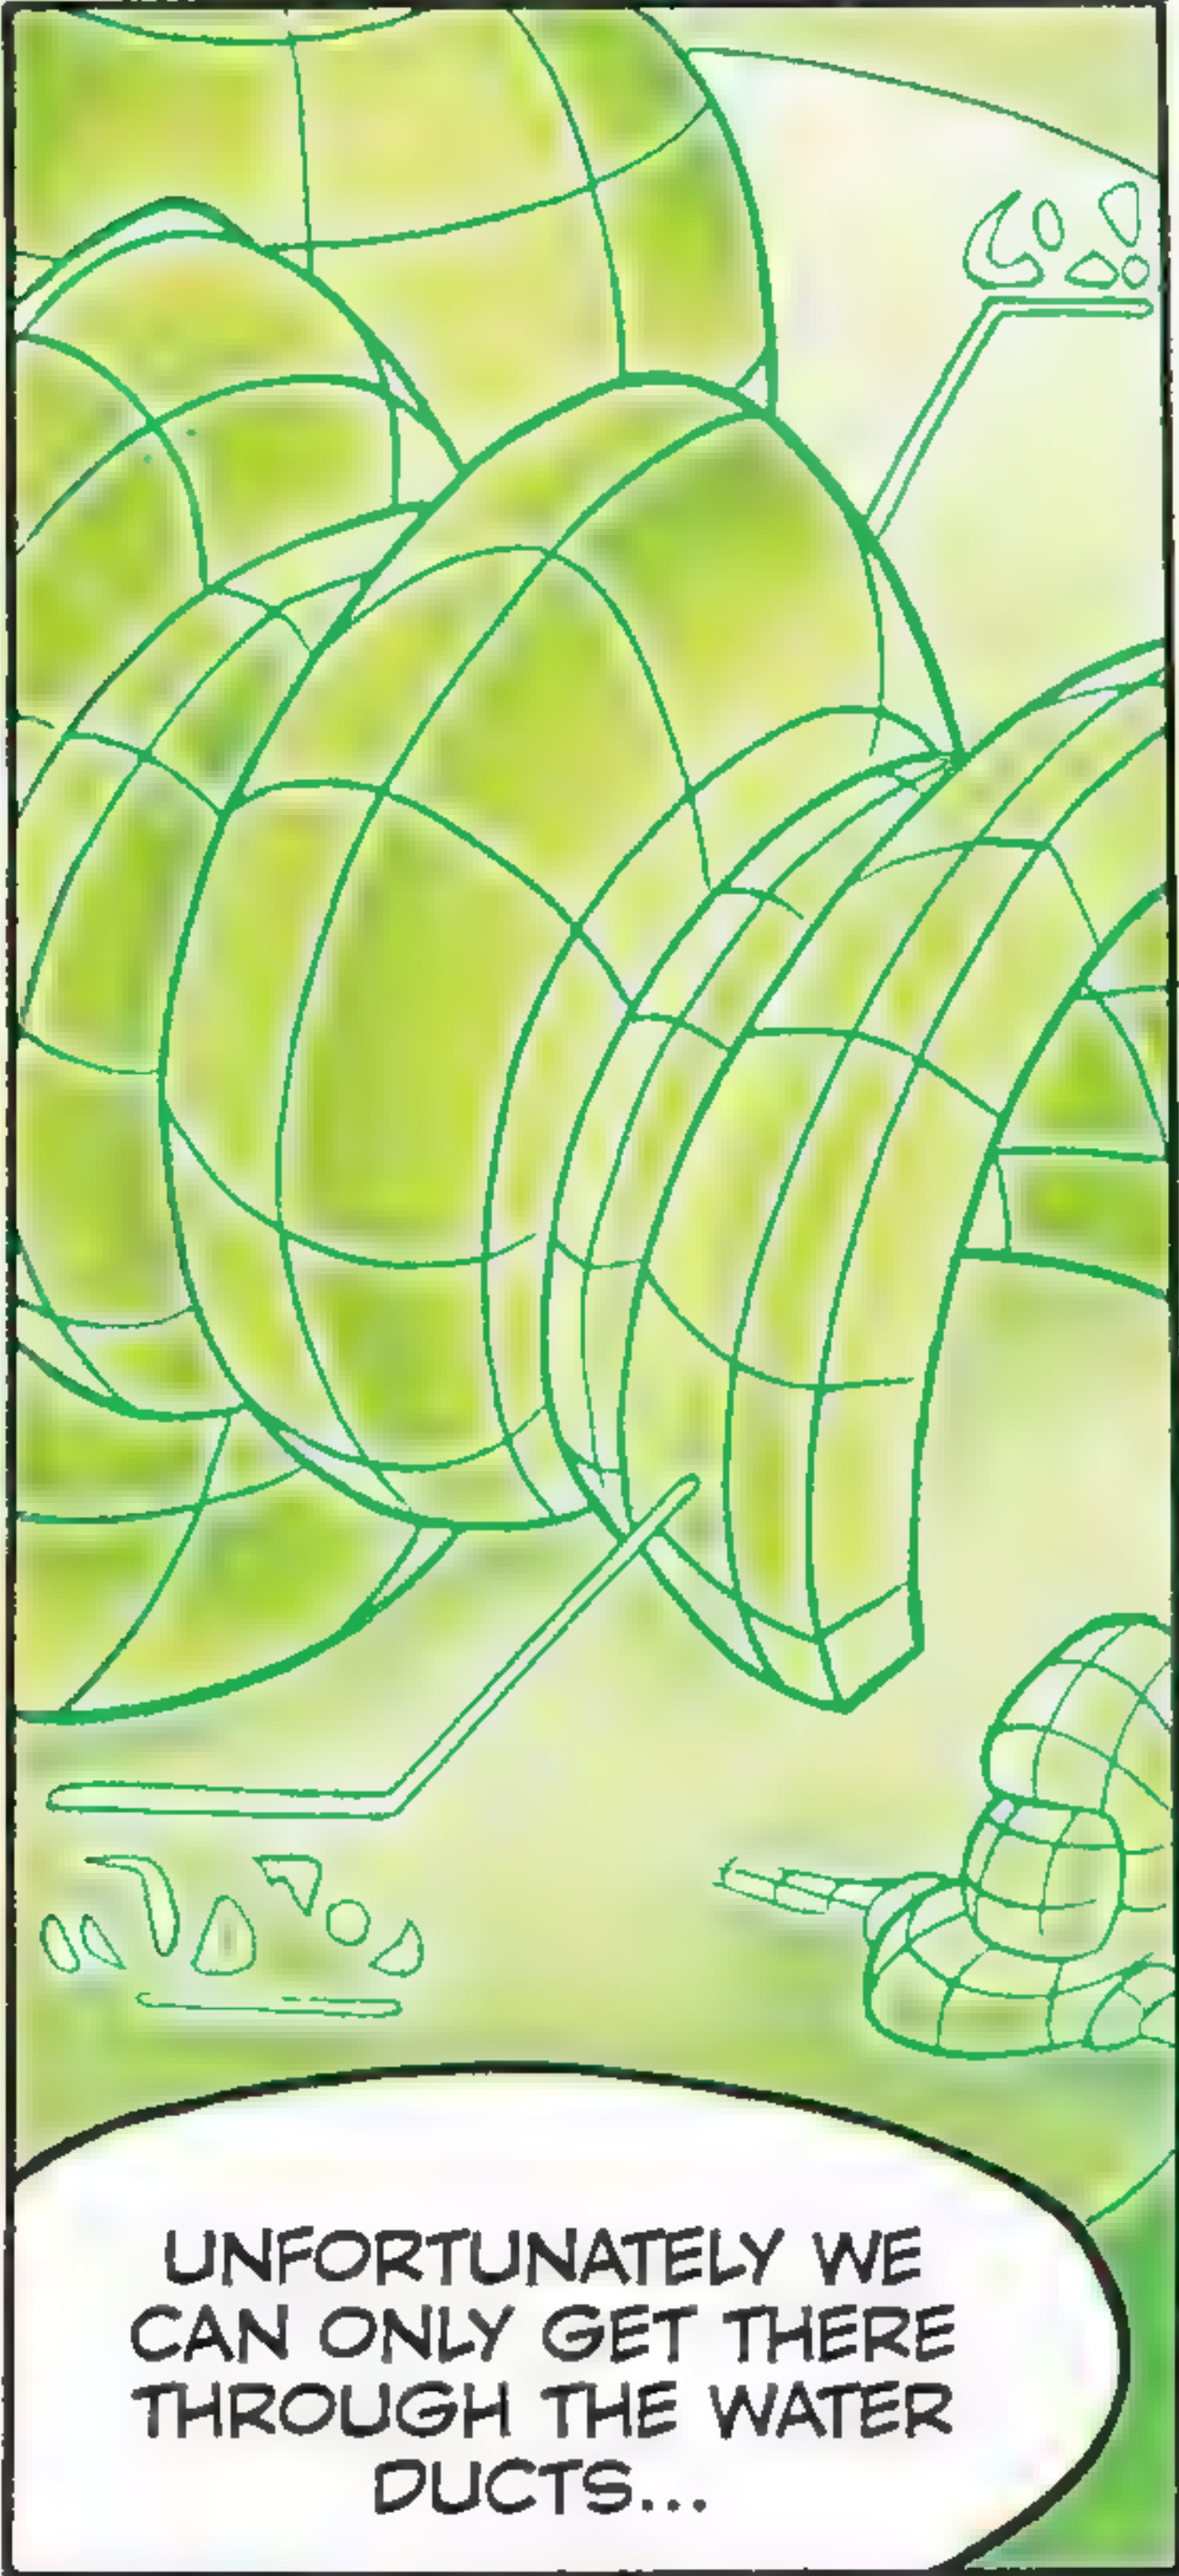

HE KNOWS EVERY
DETAIL, INCLUDING ITS
WEAK POINTS.

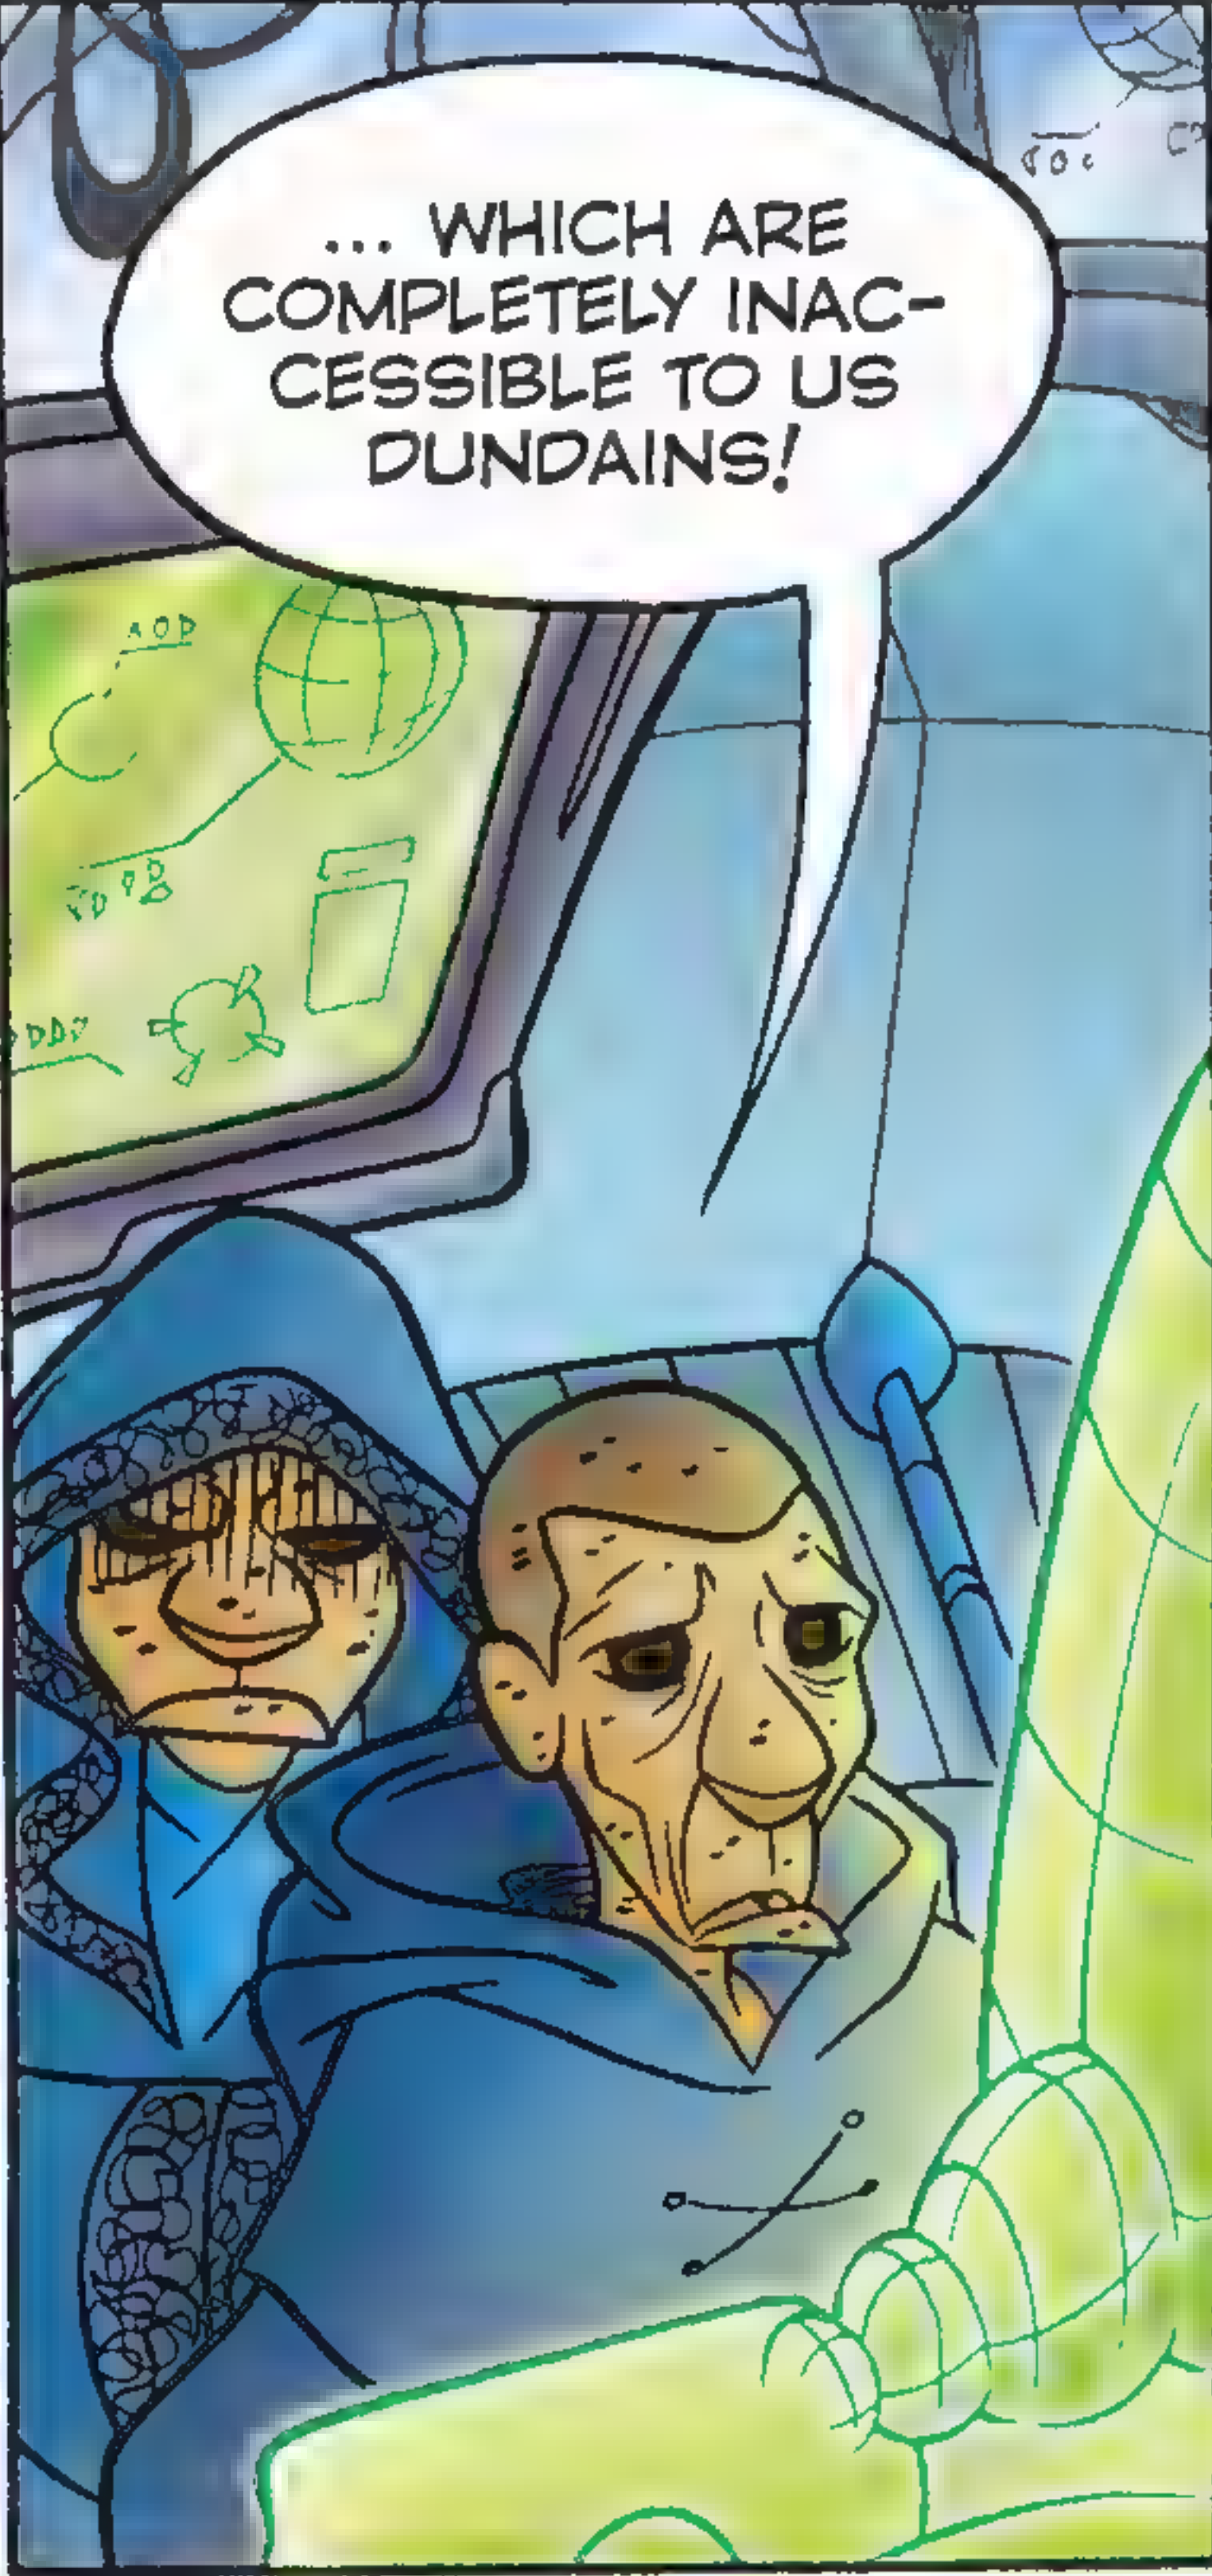

DO YOU UNDERSTAND
WHY I ORGANIZED AN
EXPEDITION TO SET
HIM FREE?

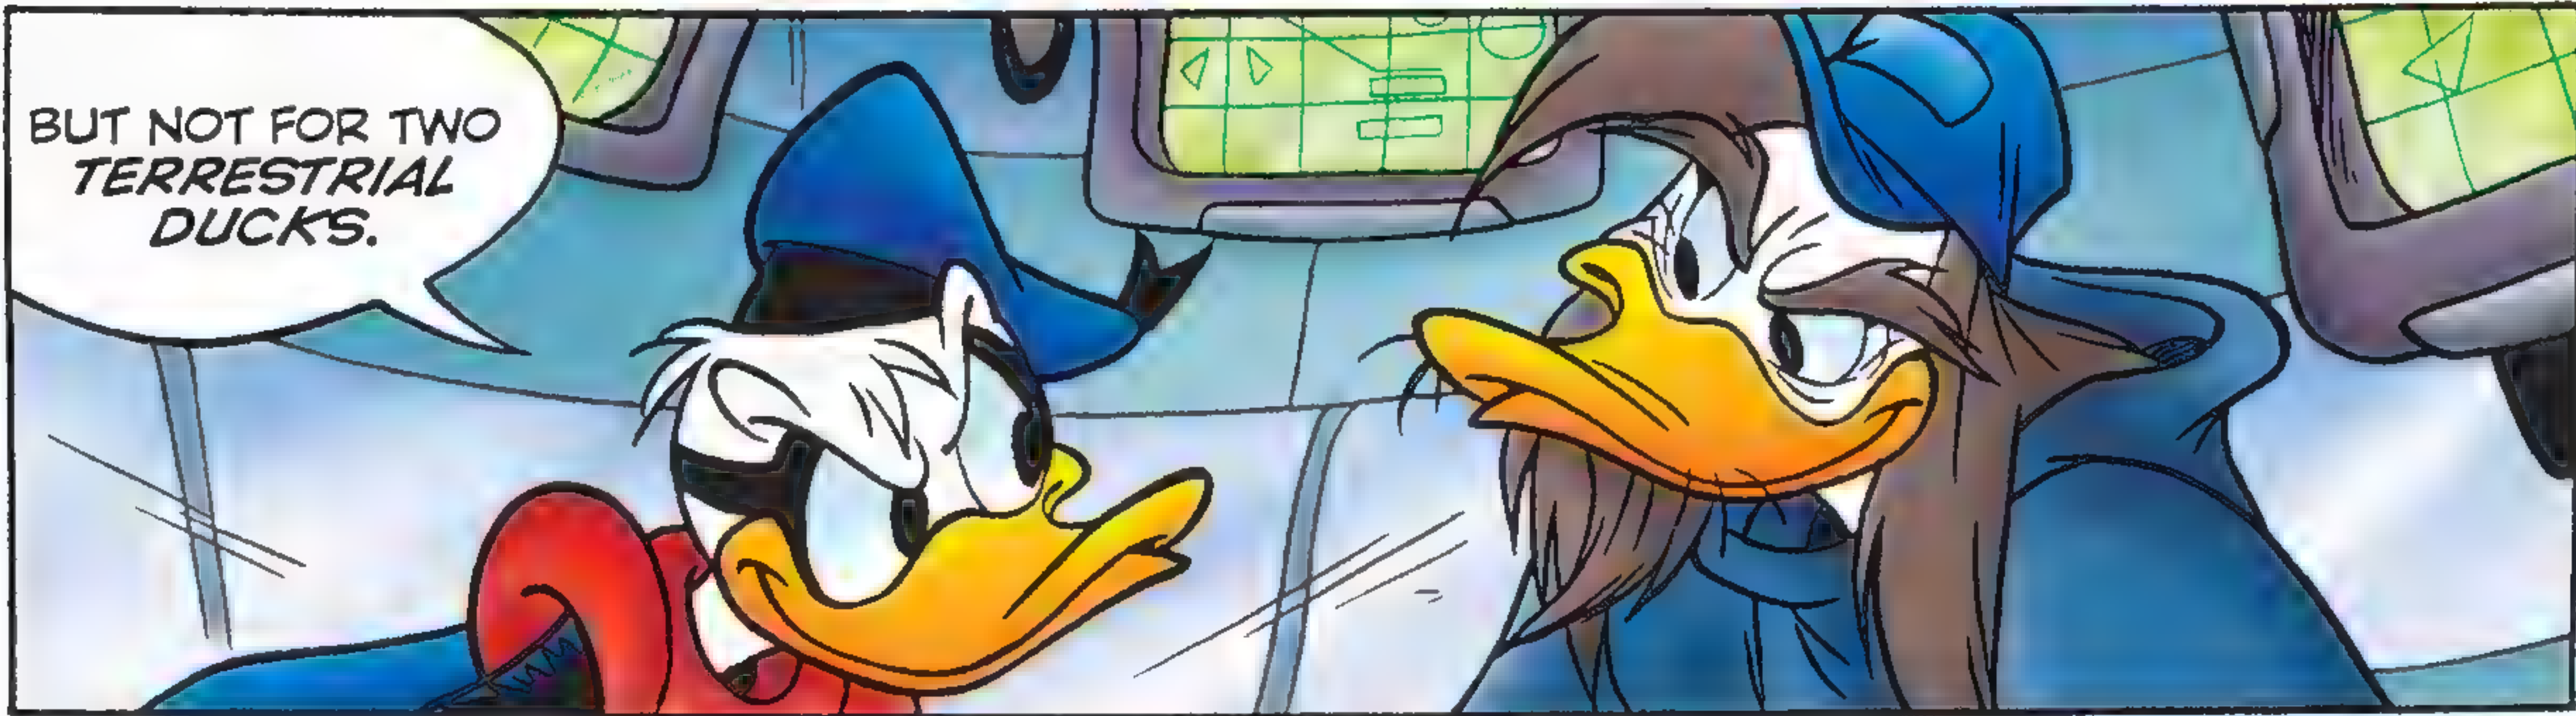

TO DESTROY THE
GENERATORS, WE HAVE
TO CREATE A COOLING
CIRCUIT **OVERLOAD**.

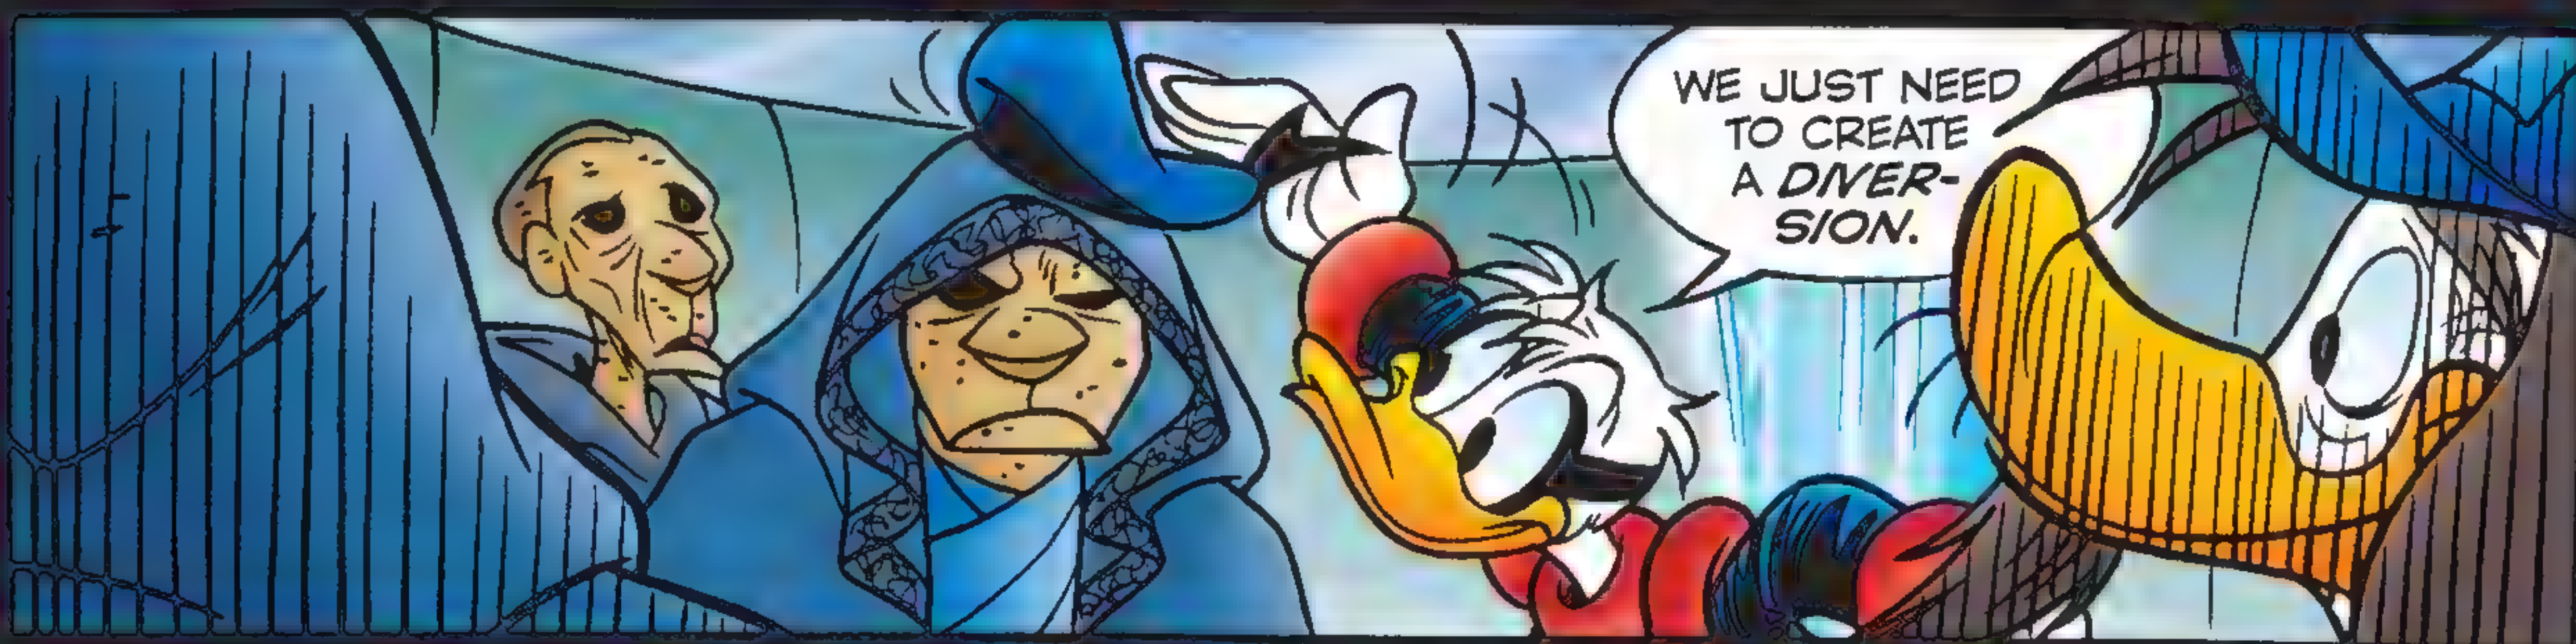

UNFORTUNATELY WE
CAN ONLY GET THERE
THROUGH THE WATER
DUCTS...

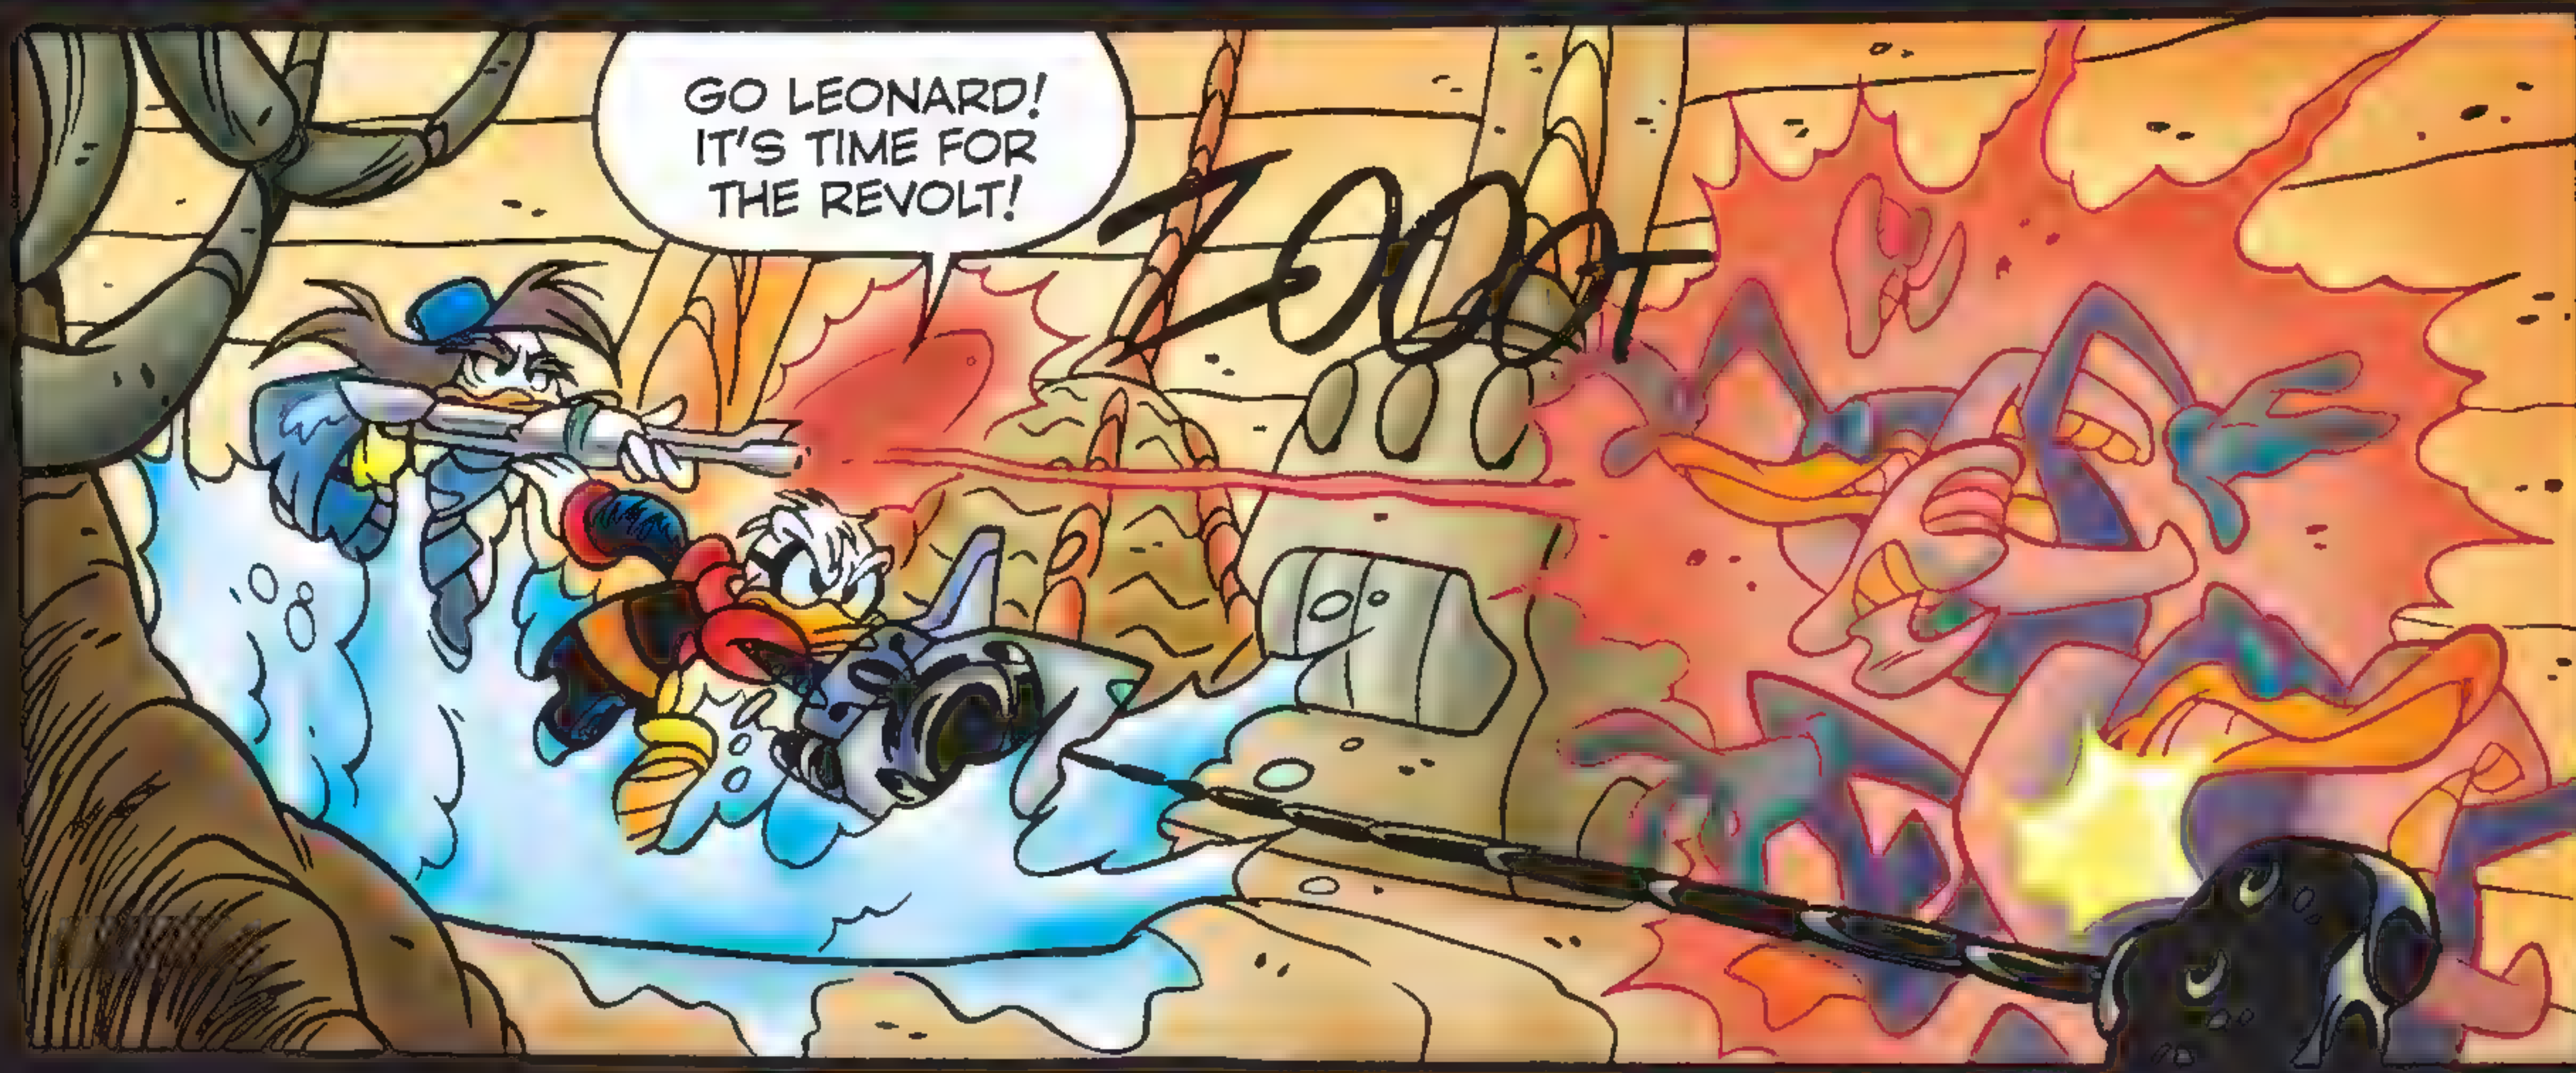

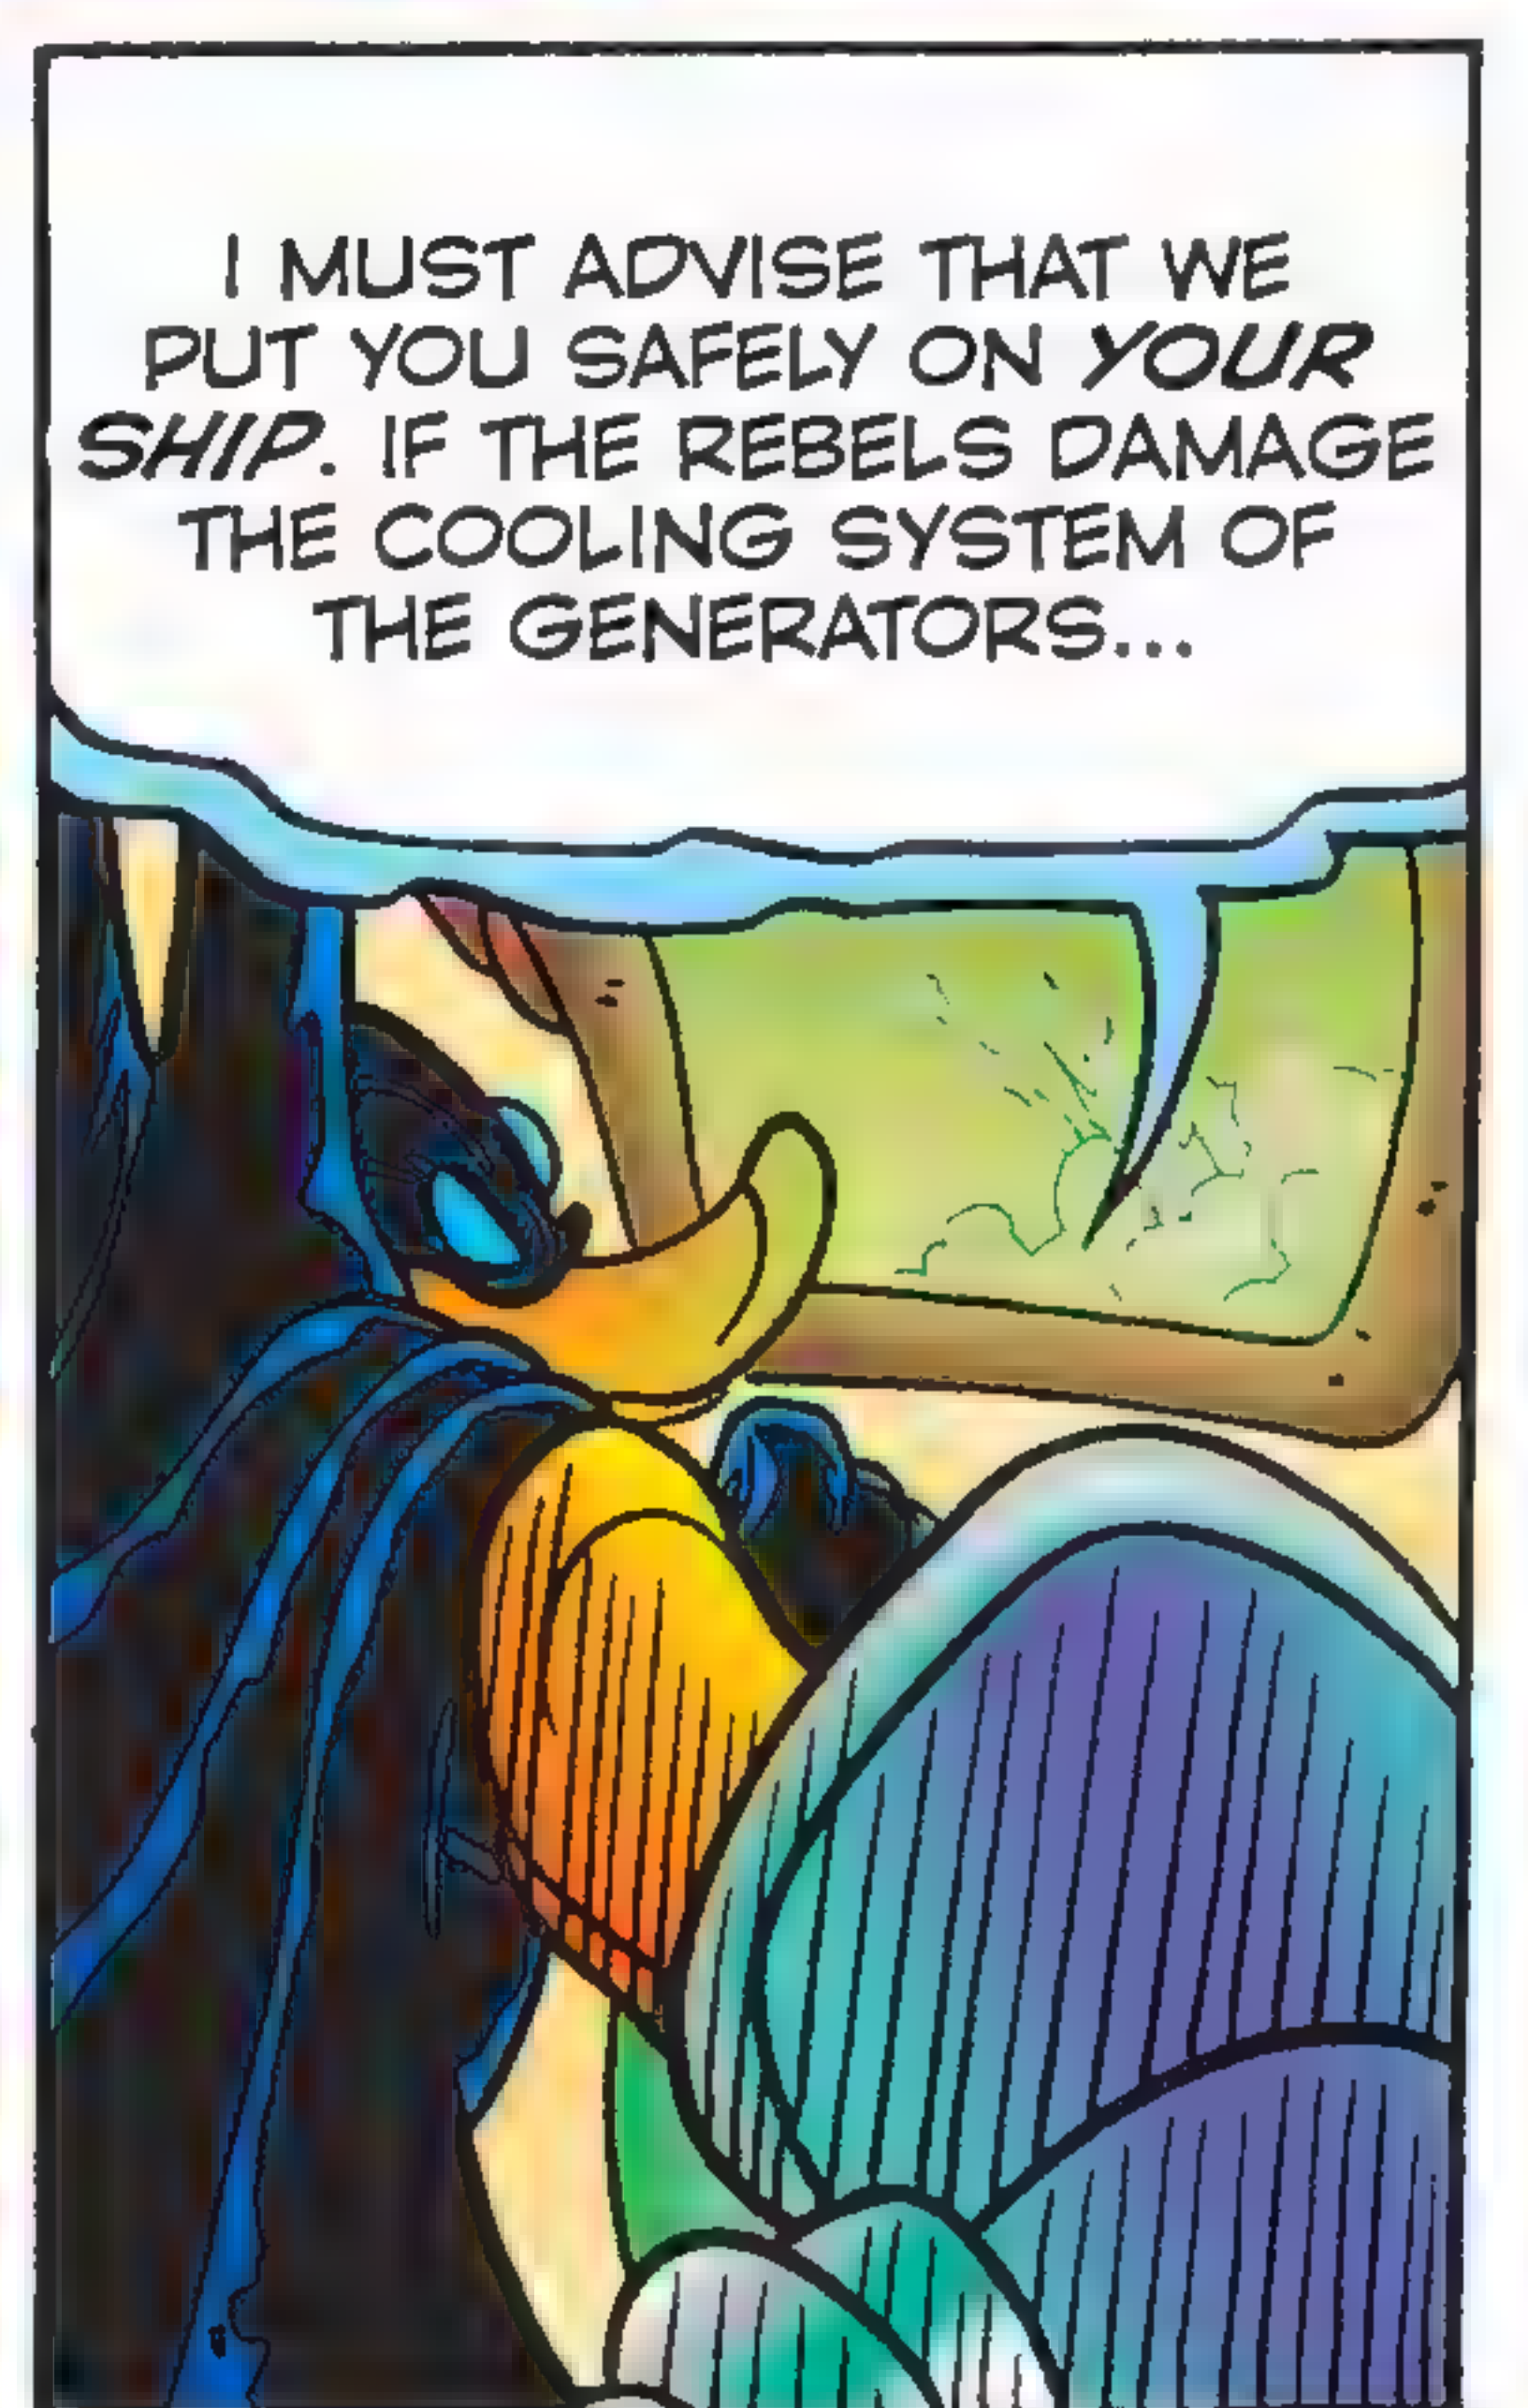

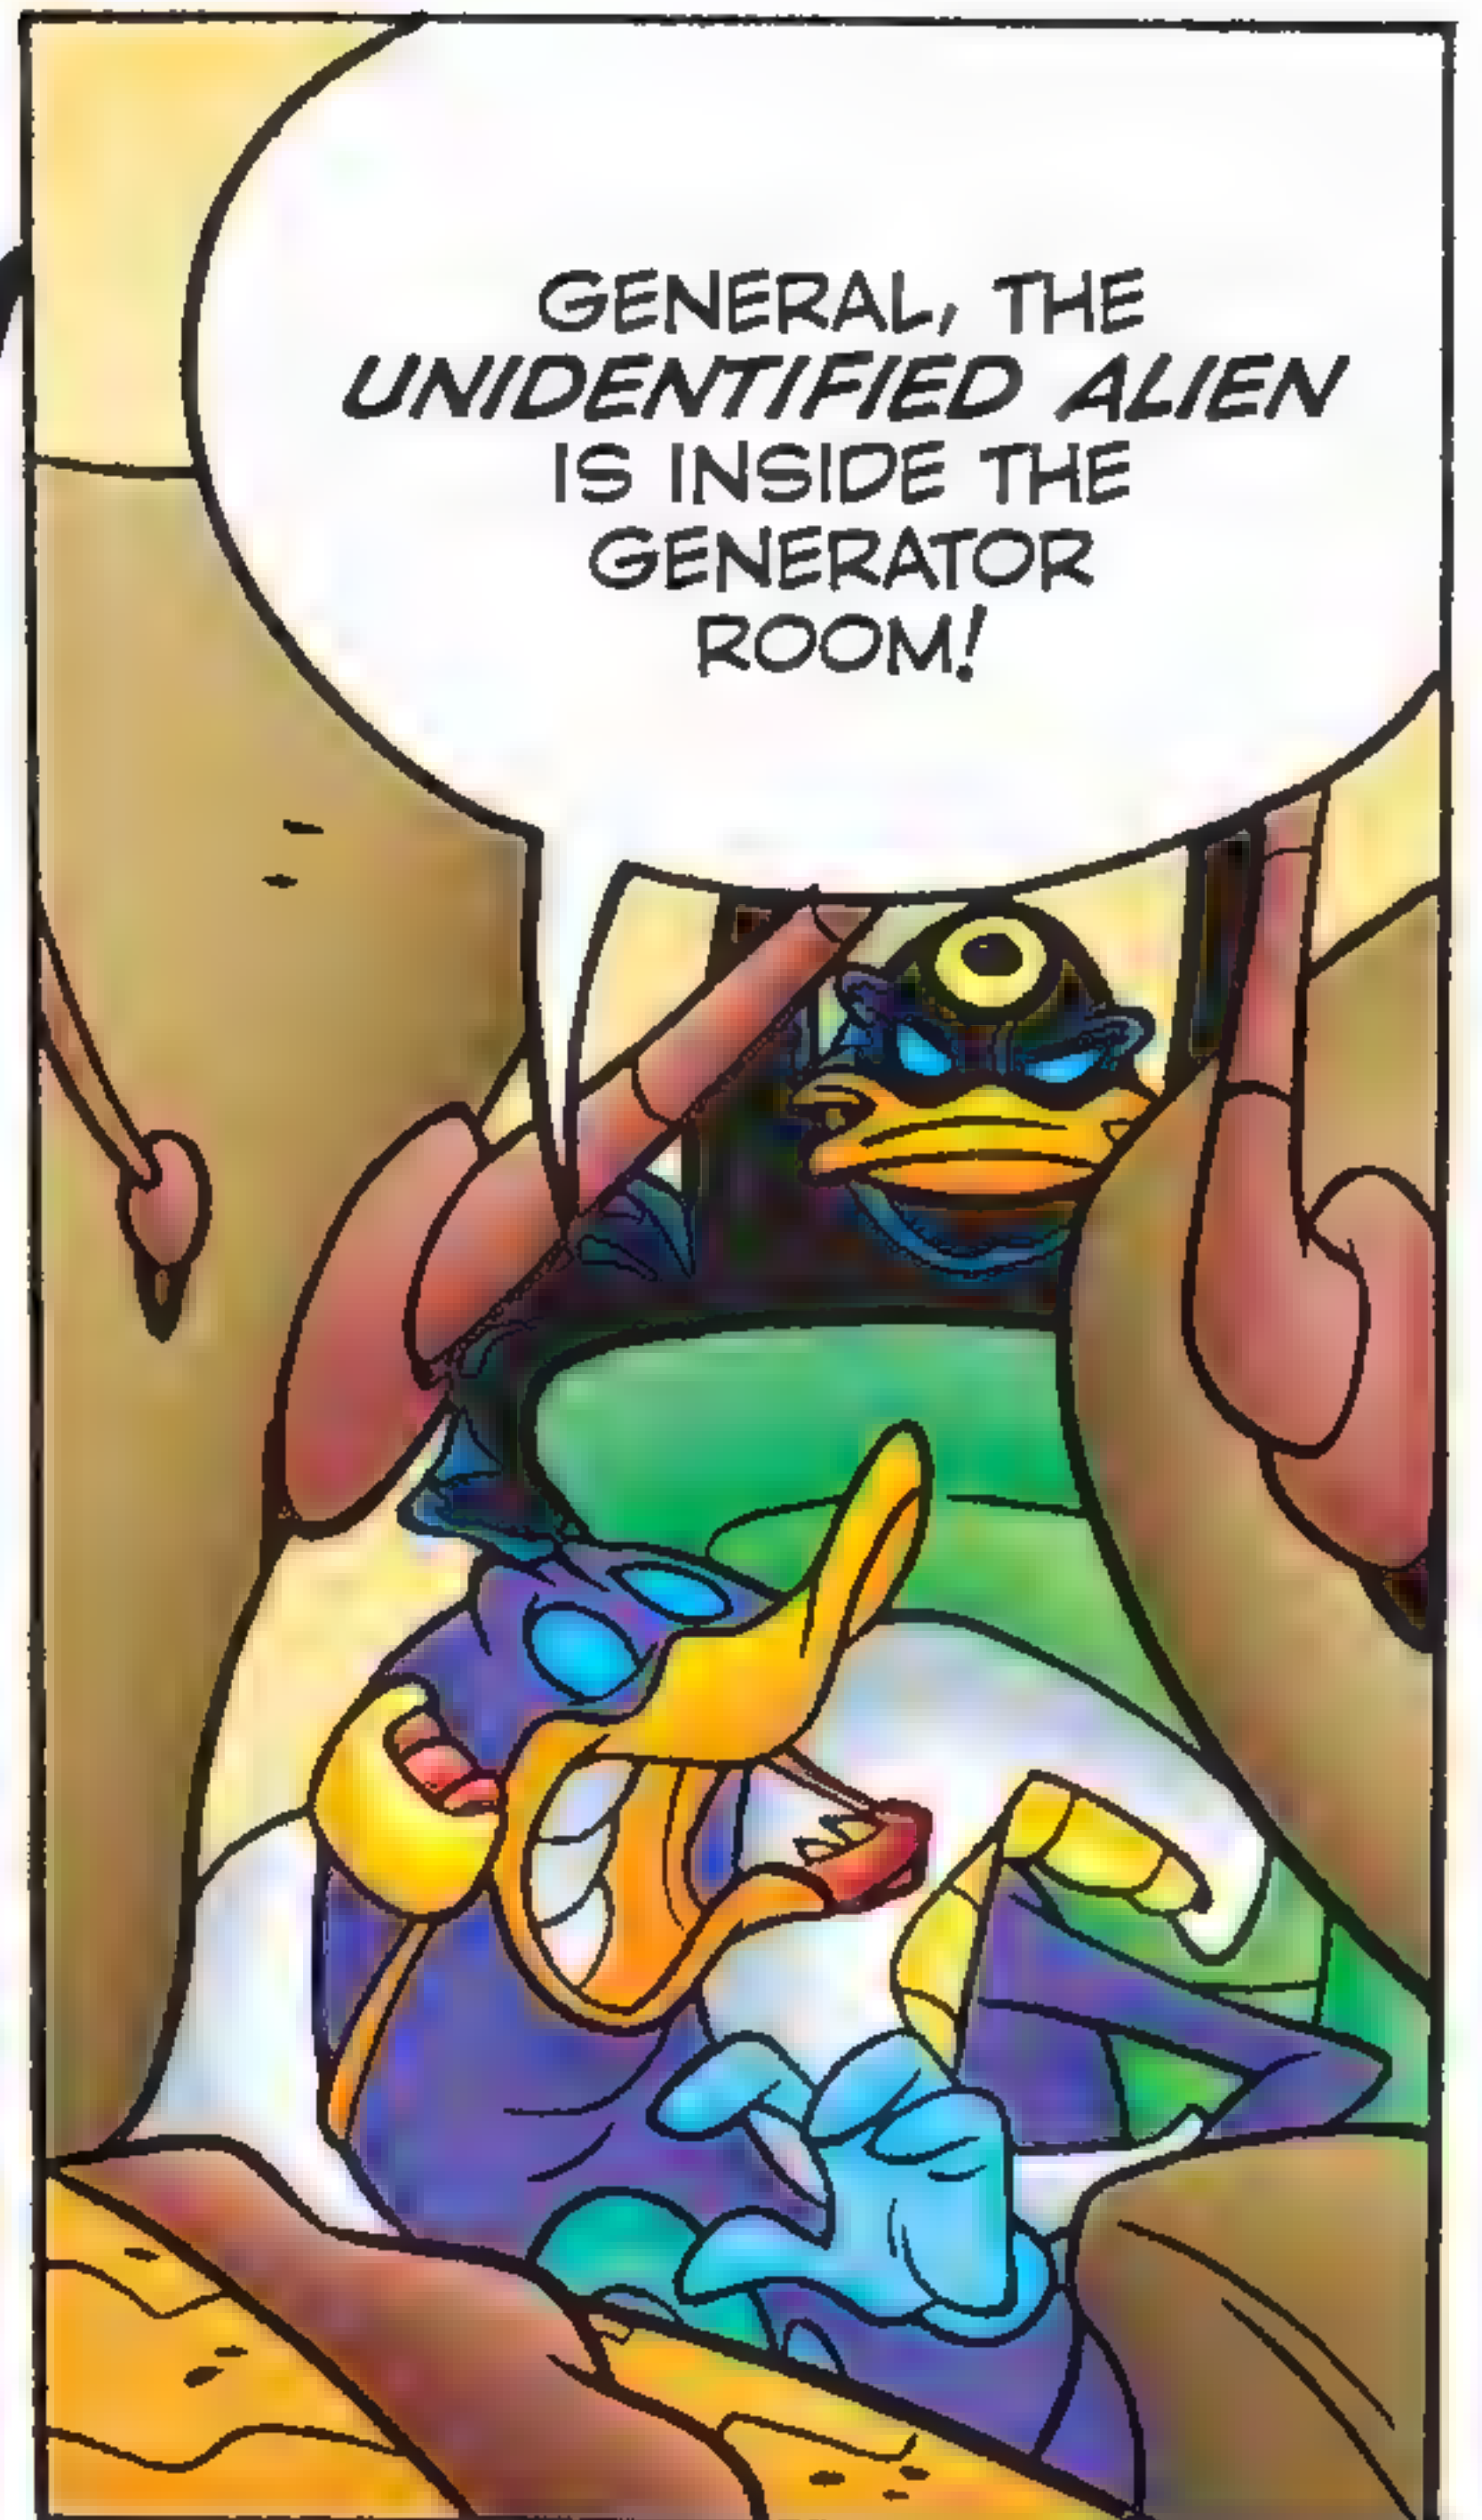

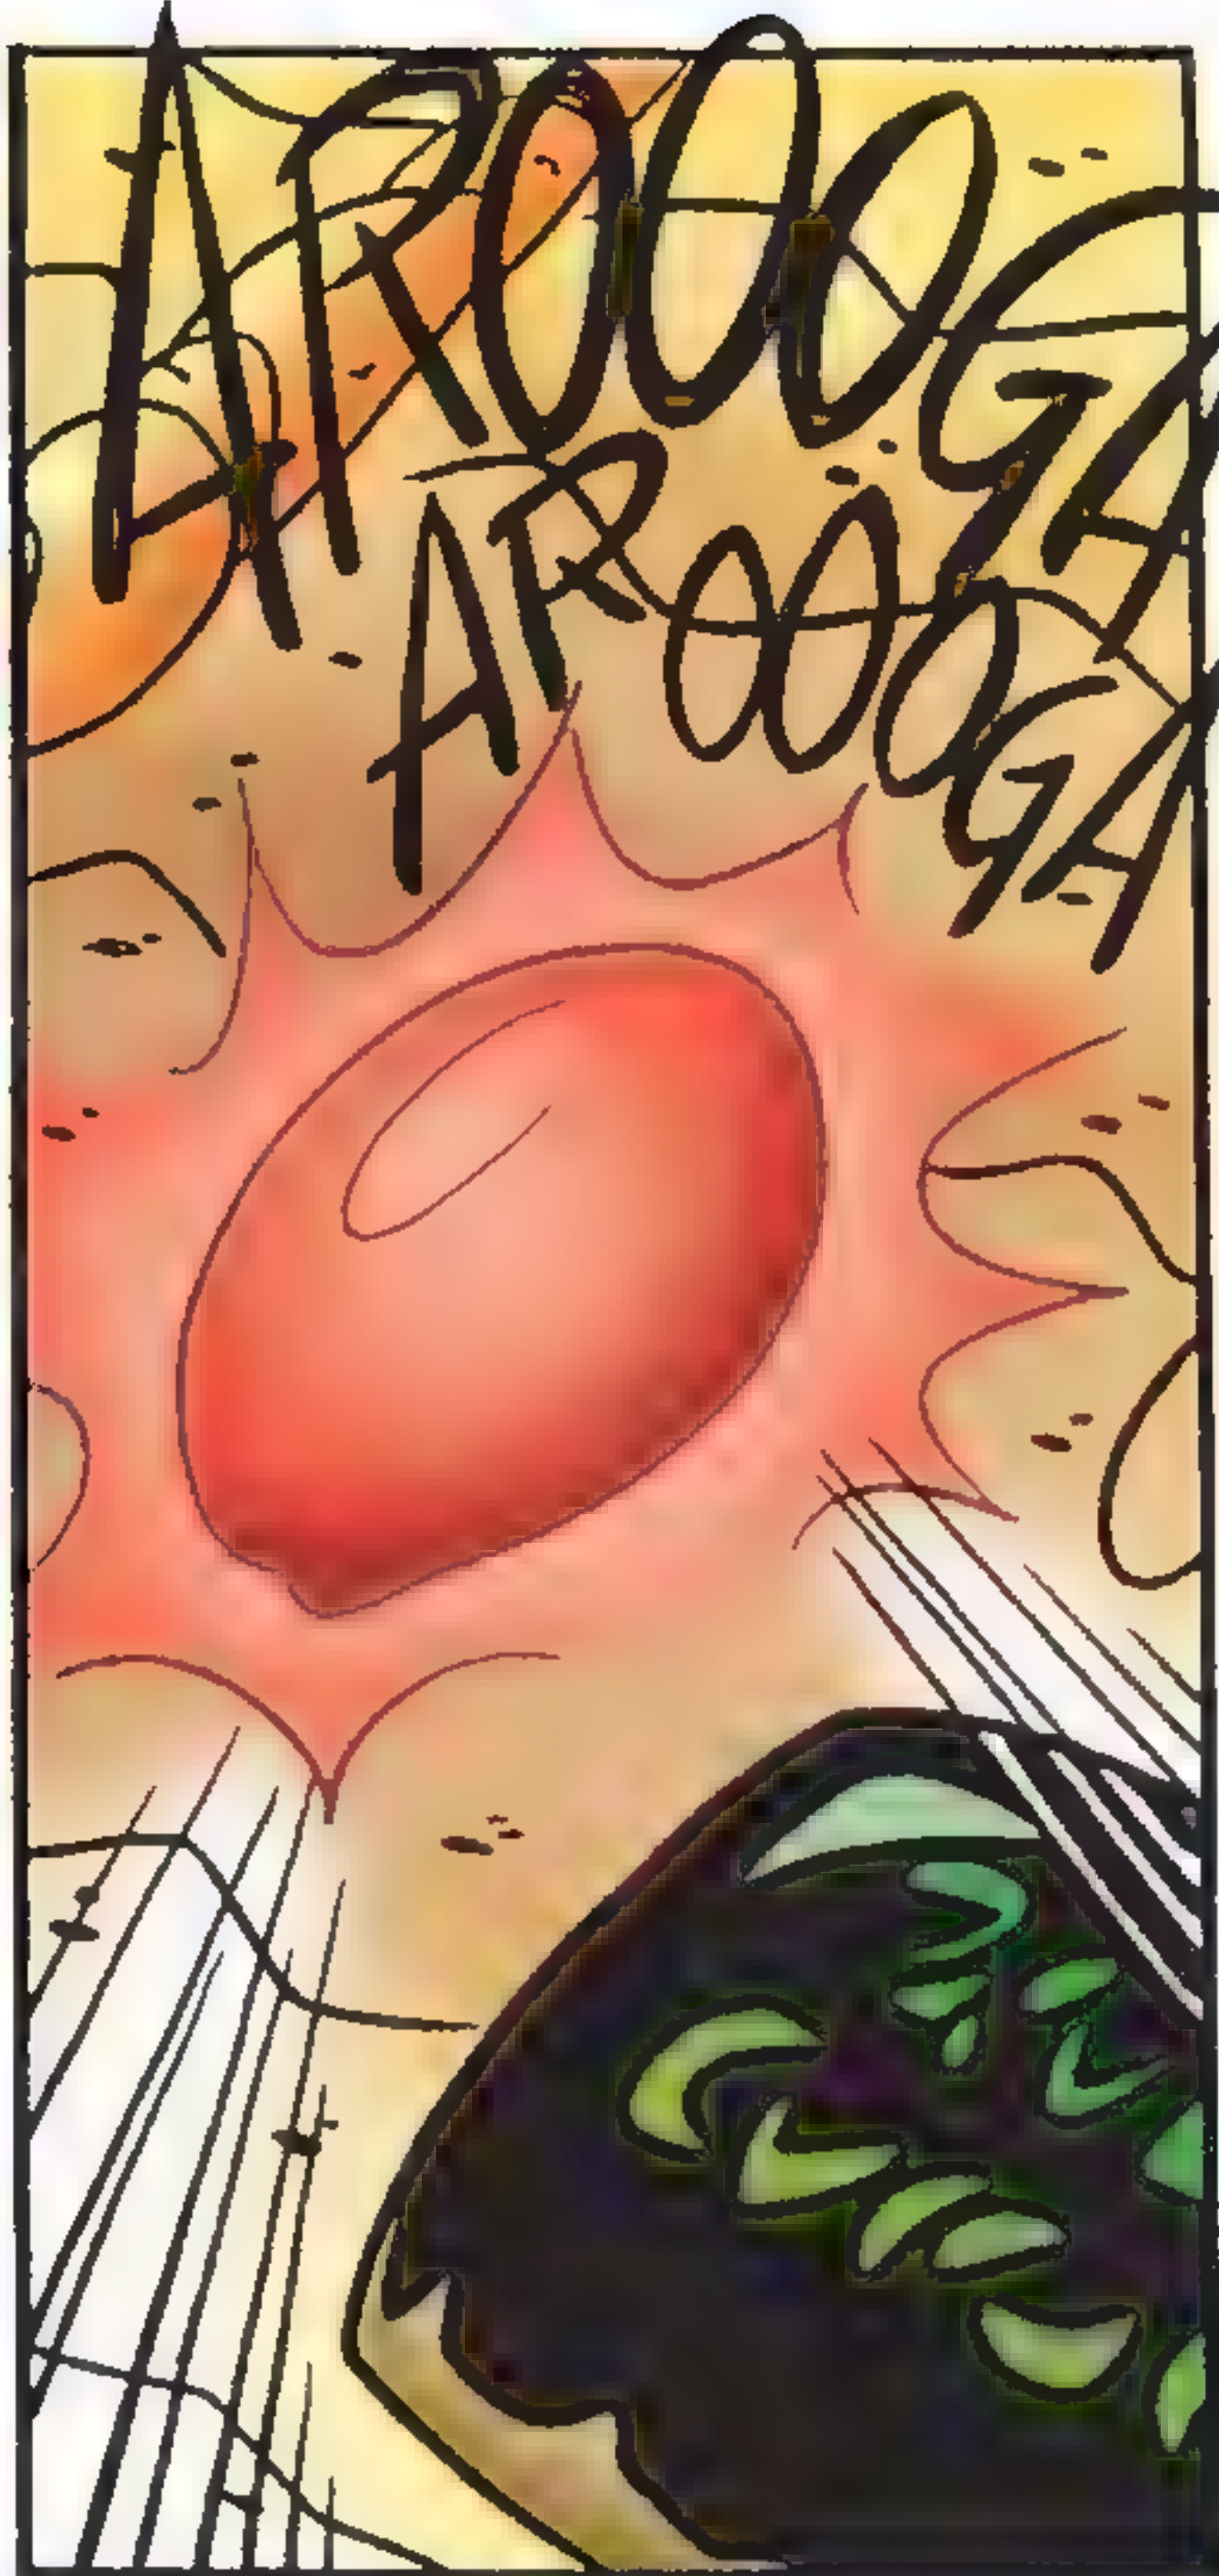

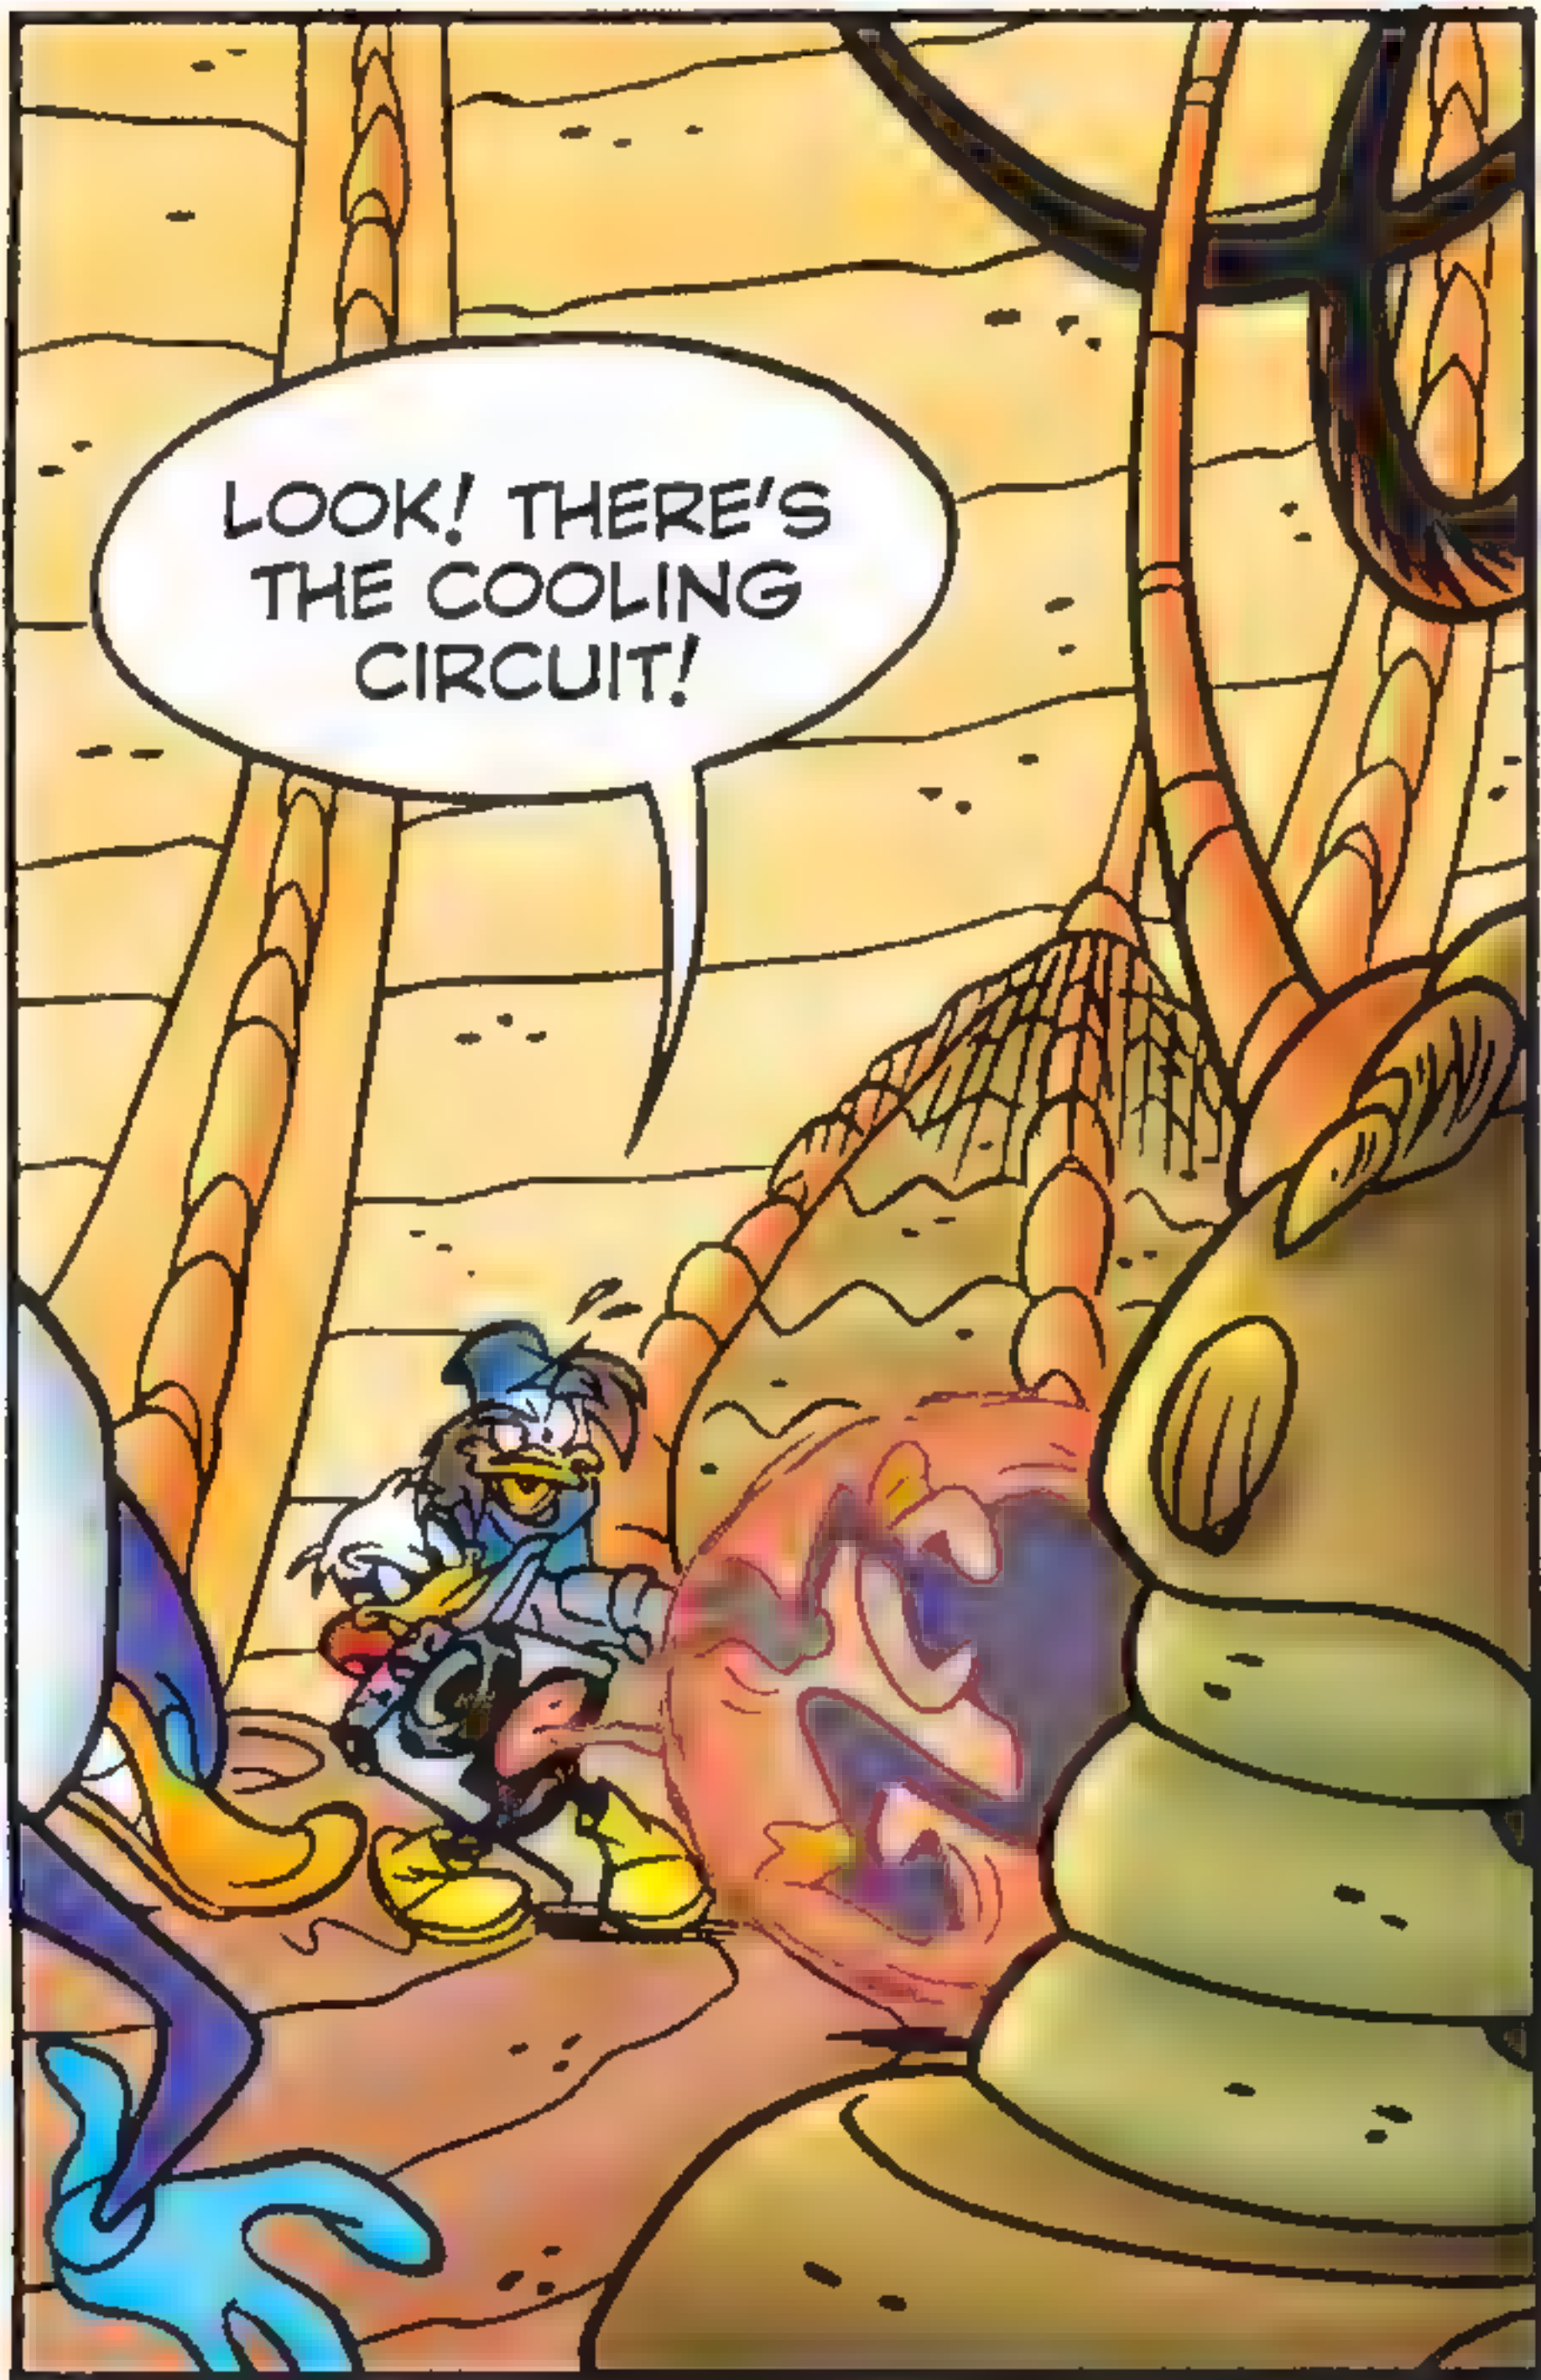

... WHICH ARE
COMPLETELY INAC-
CESSIBLE TO US
DUNDAINS!

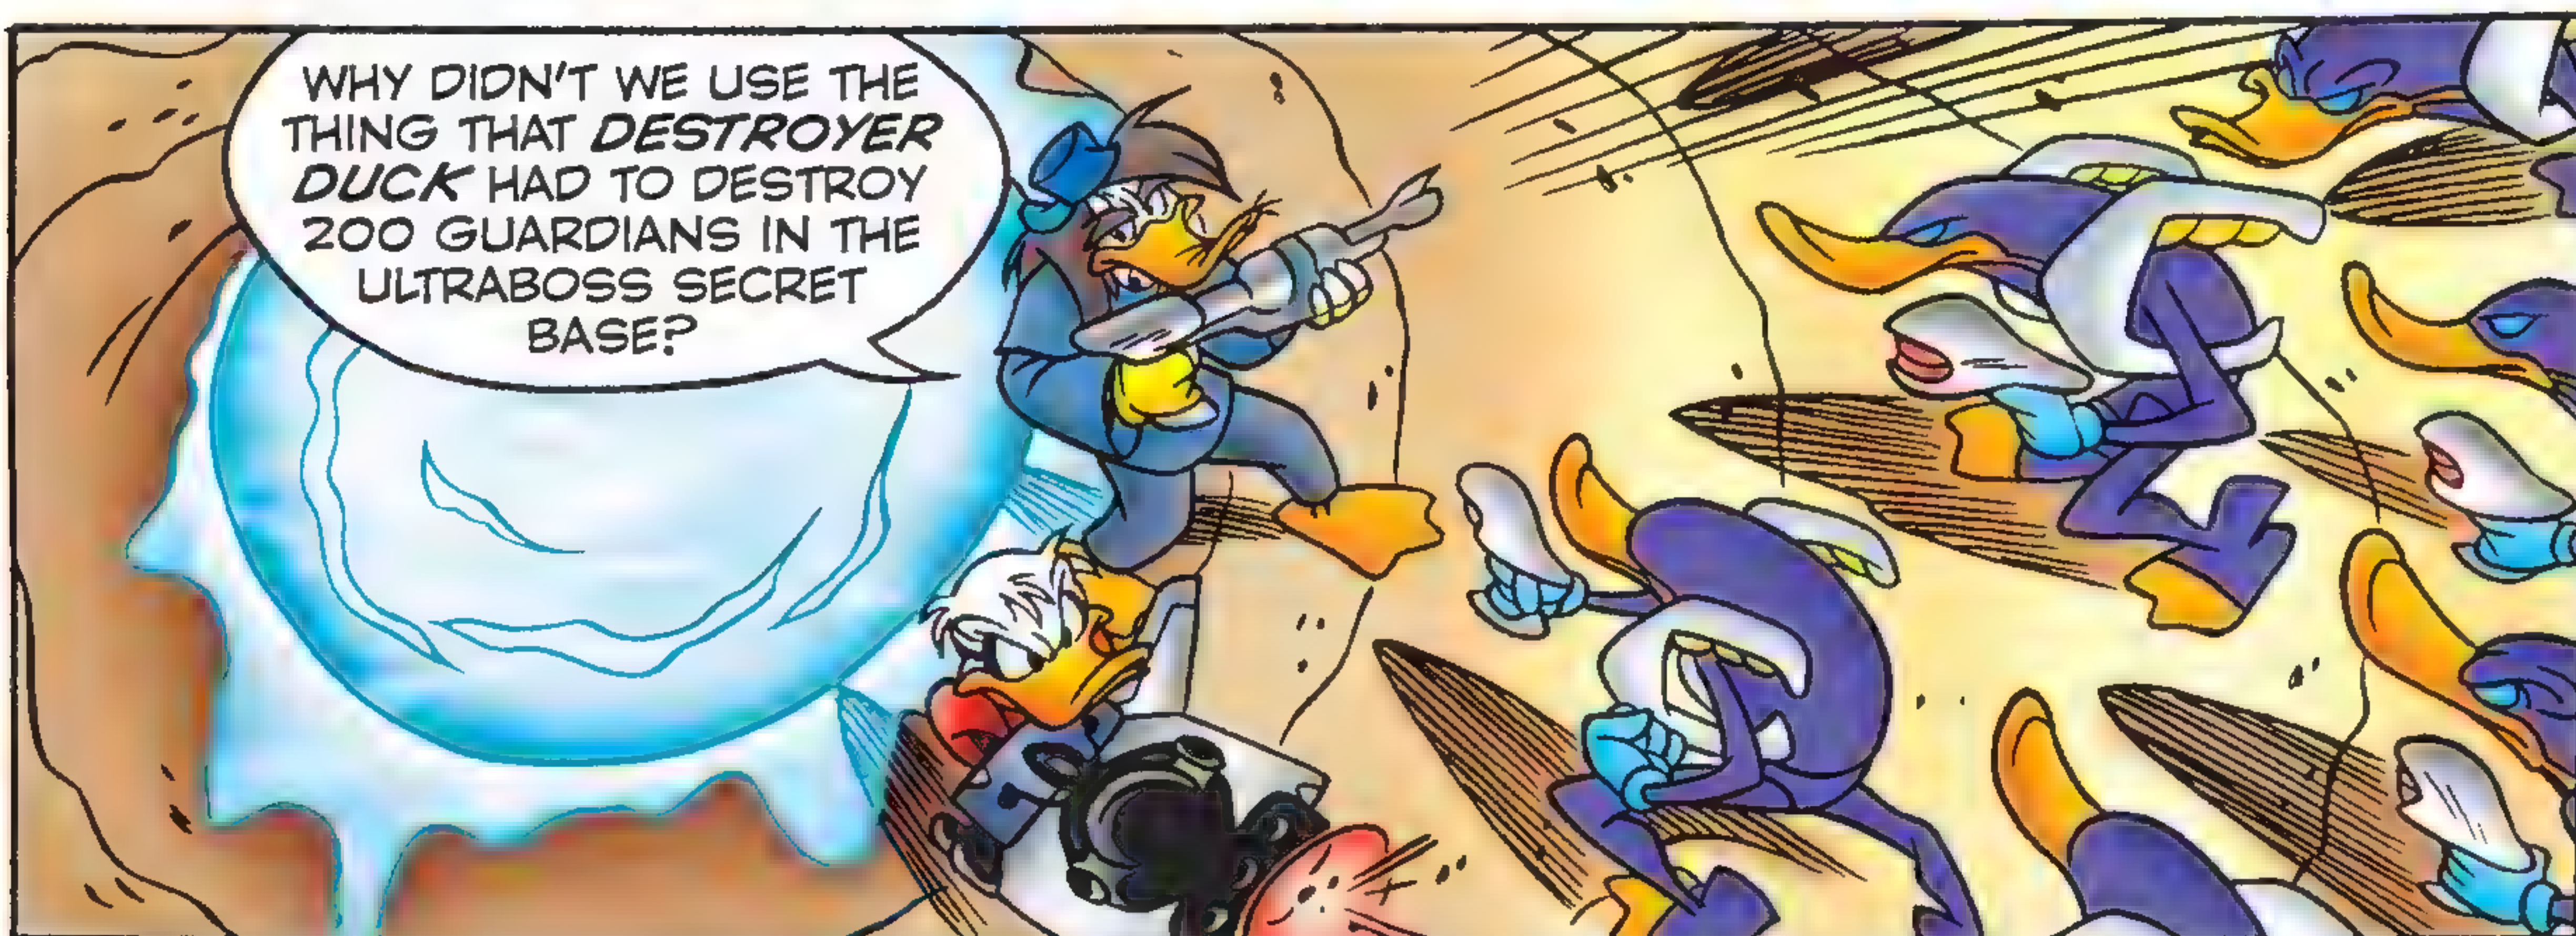

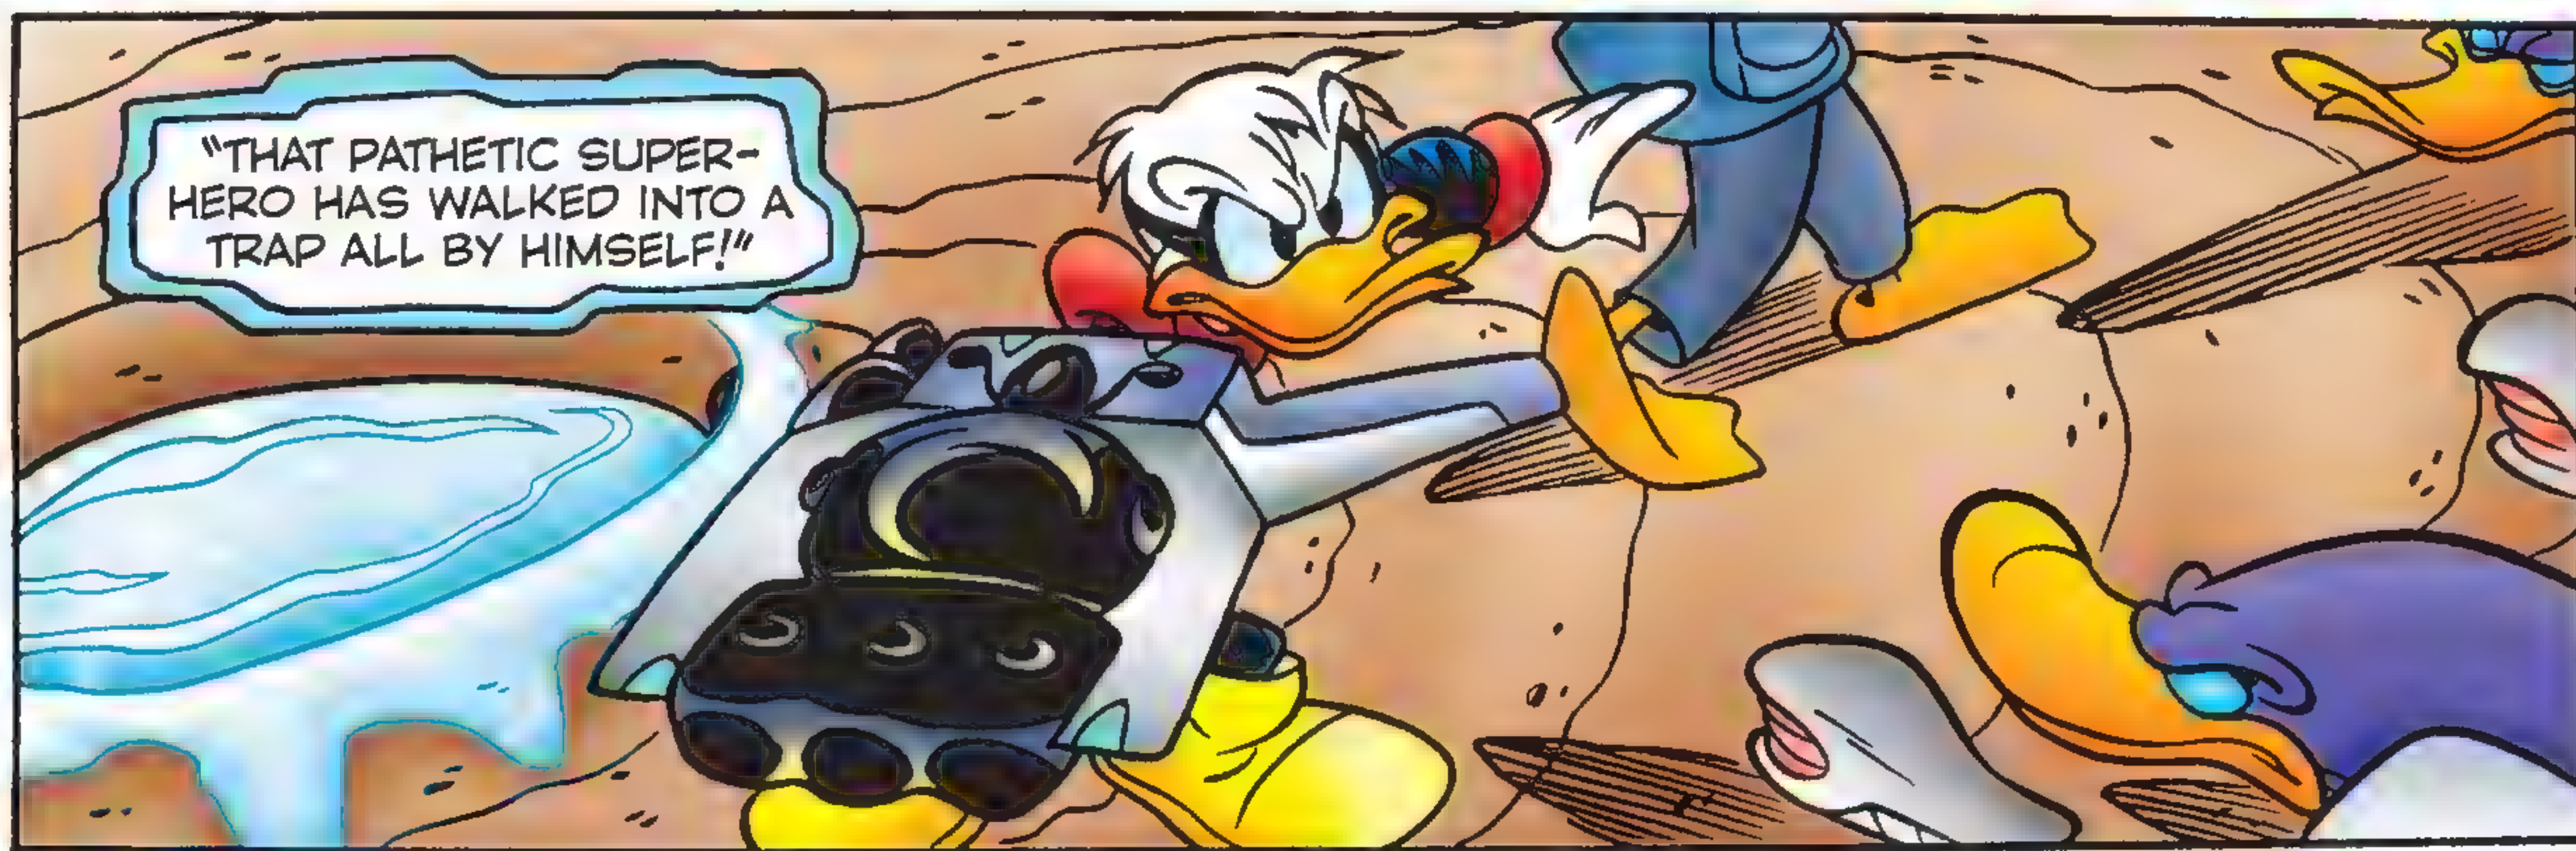

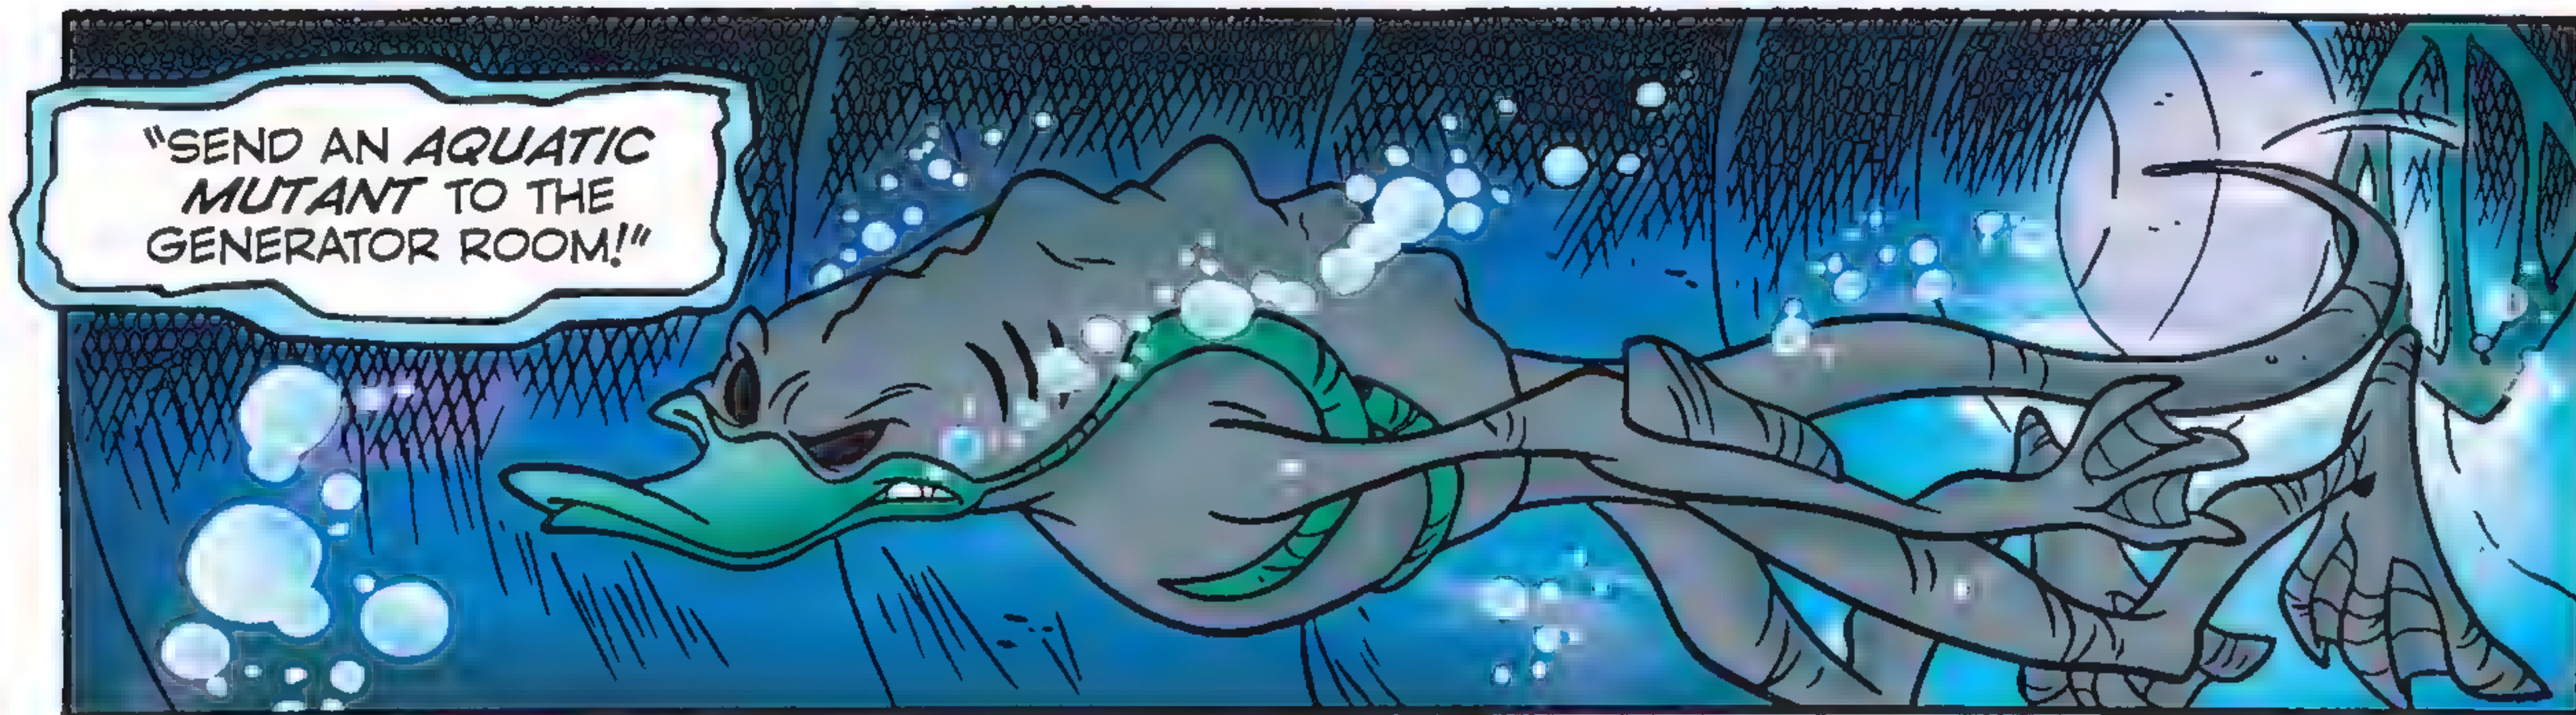

BUT NOT FOR TWO
**TERRESTRIAL
DUCKS**.

BECAUSE
YOU DIDN'T TELL
ME ABOUT IT!

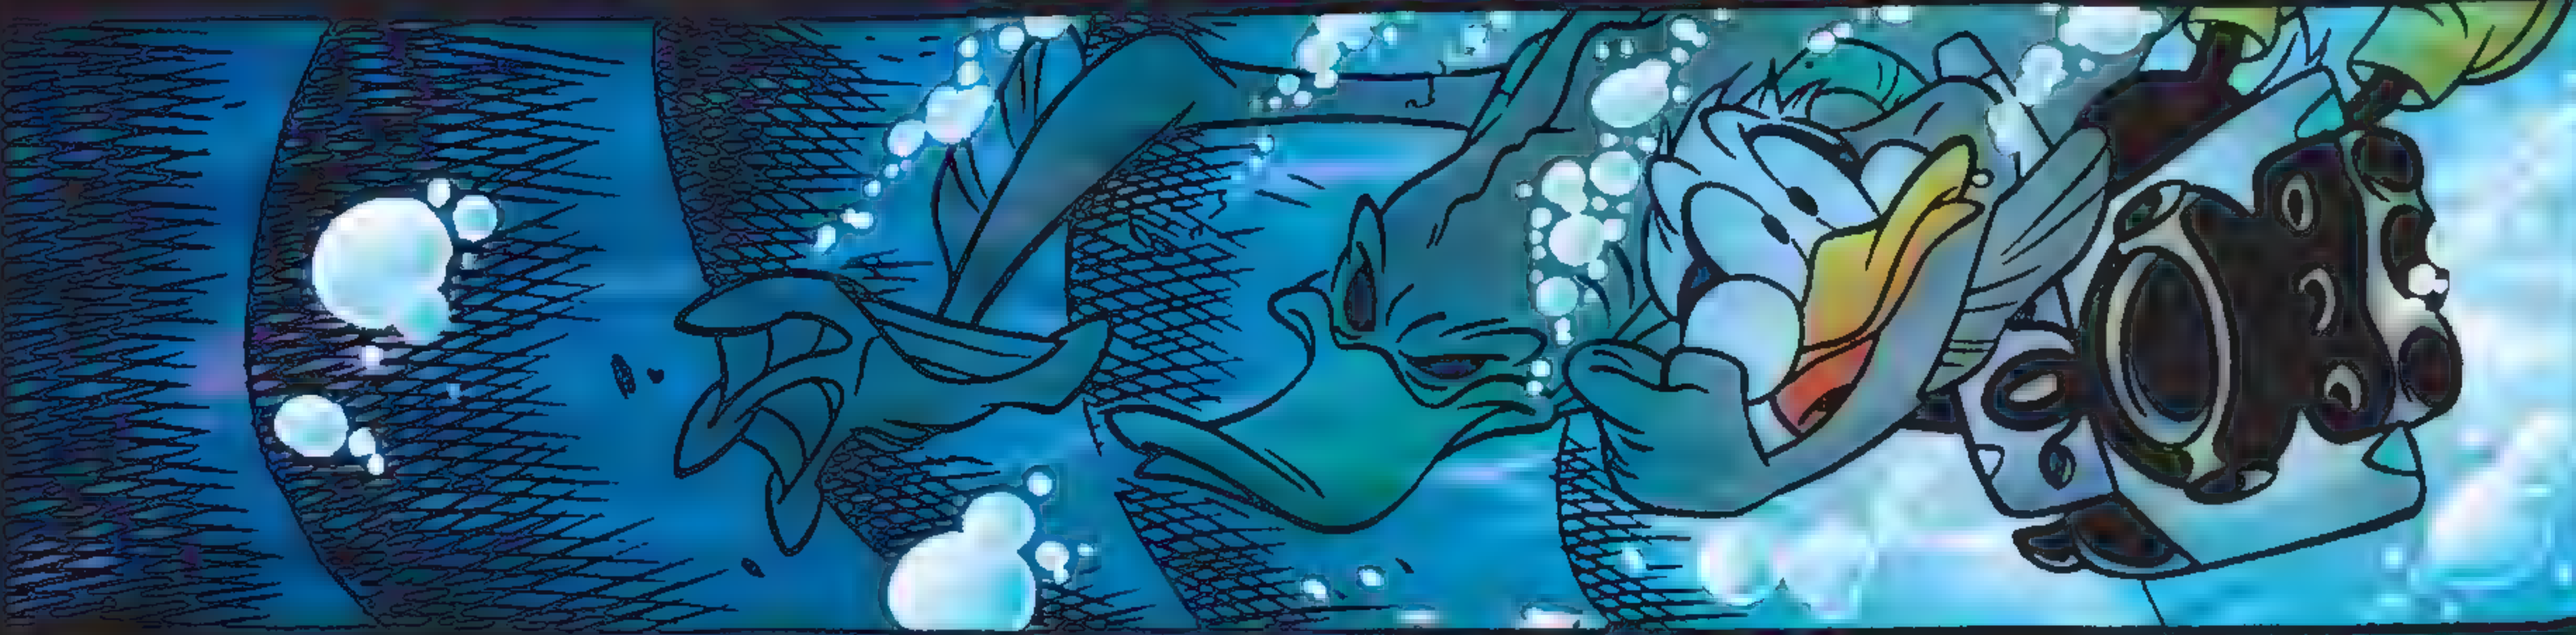

WELL, I JUST
REMEMBERED IT NOW.
THE BATTLE FERVOR
MADE ME REMEMBER
OLD MEMORIES.

TELL IT TO THE
EVRONS, MAYBE
THEY'LL *FALL*
ASLEEP!

ARE YOU
JUST SO
FUNN... GULP!

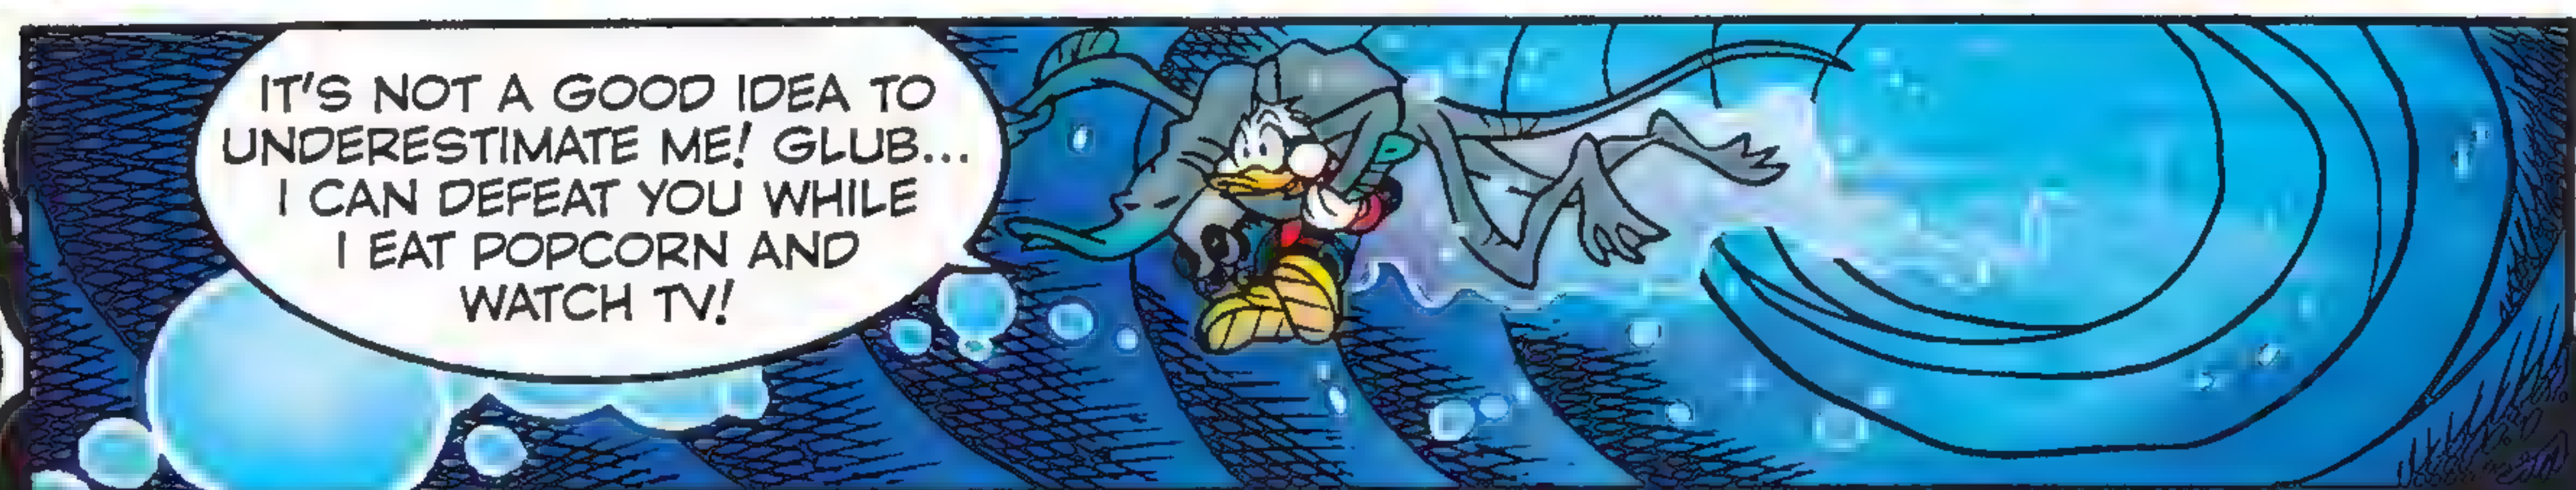

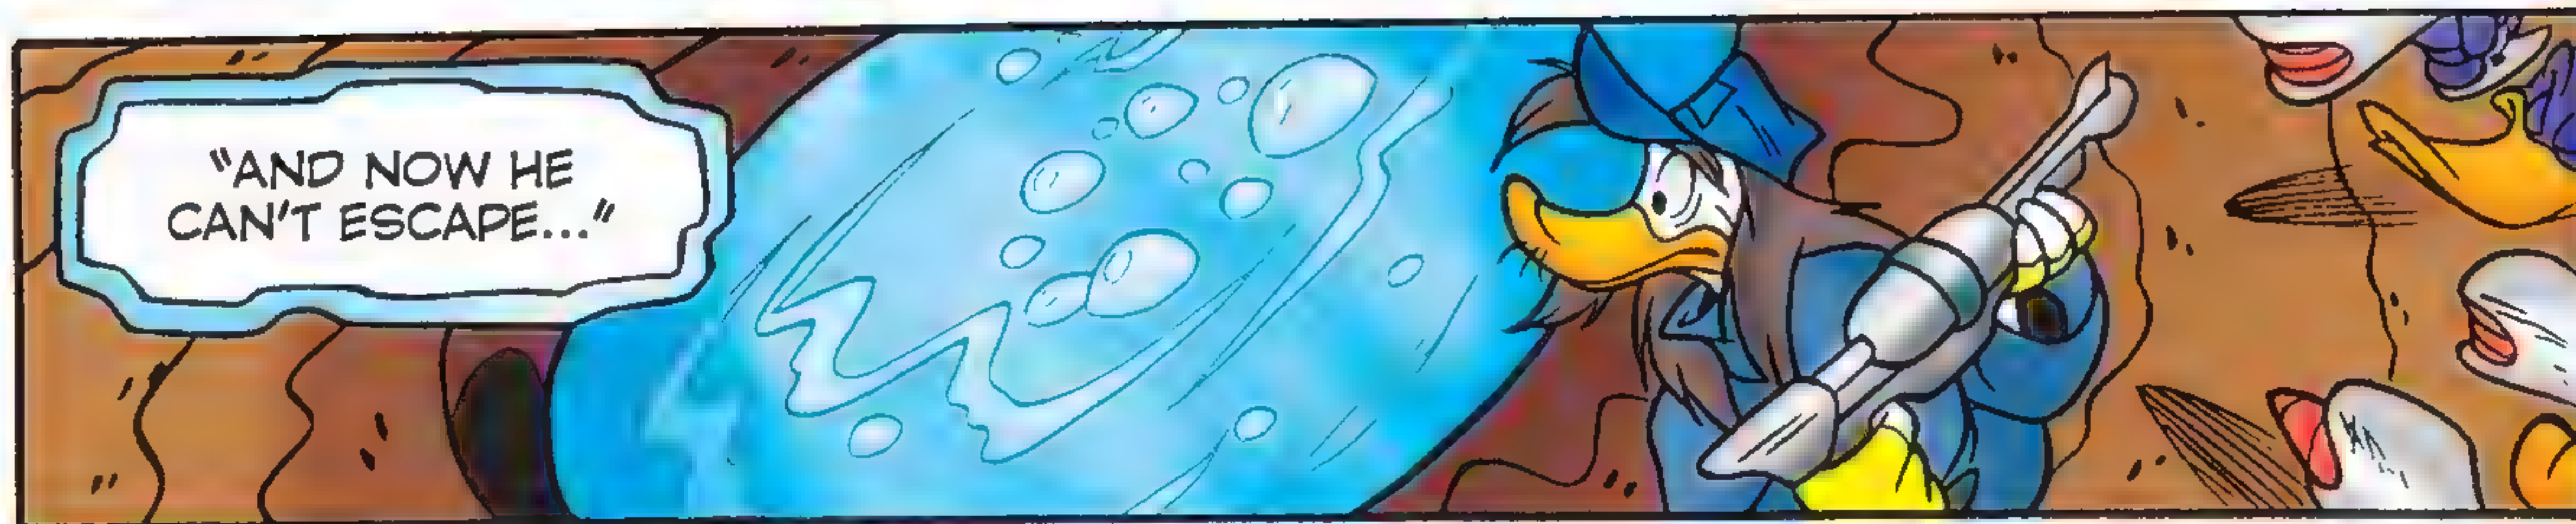

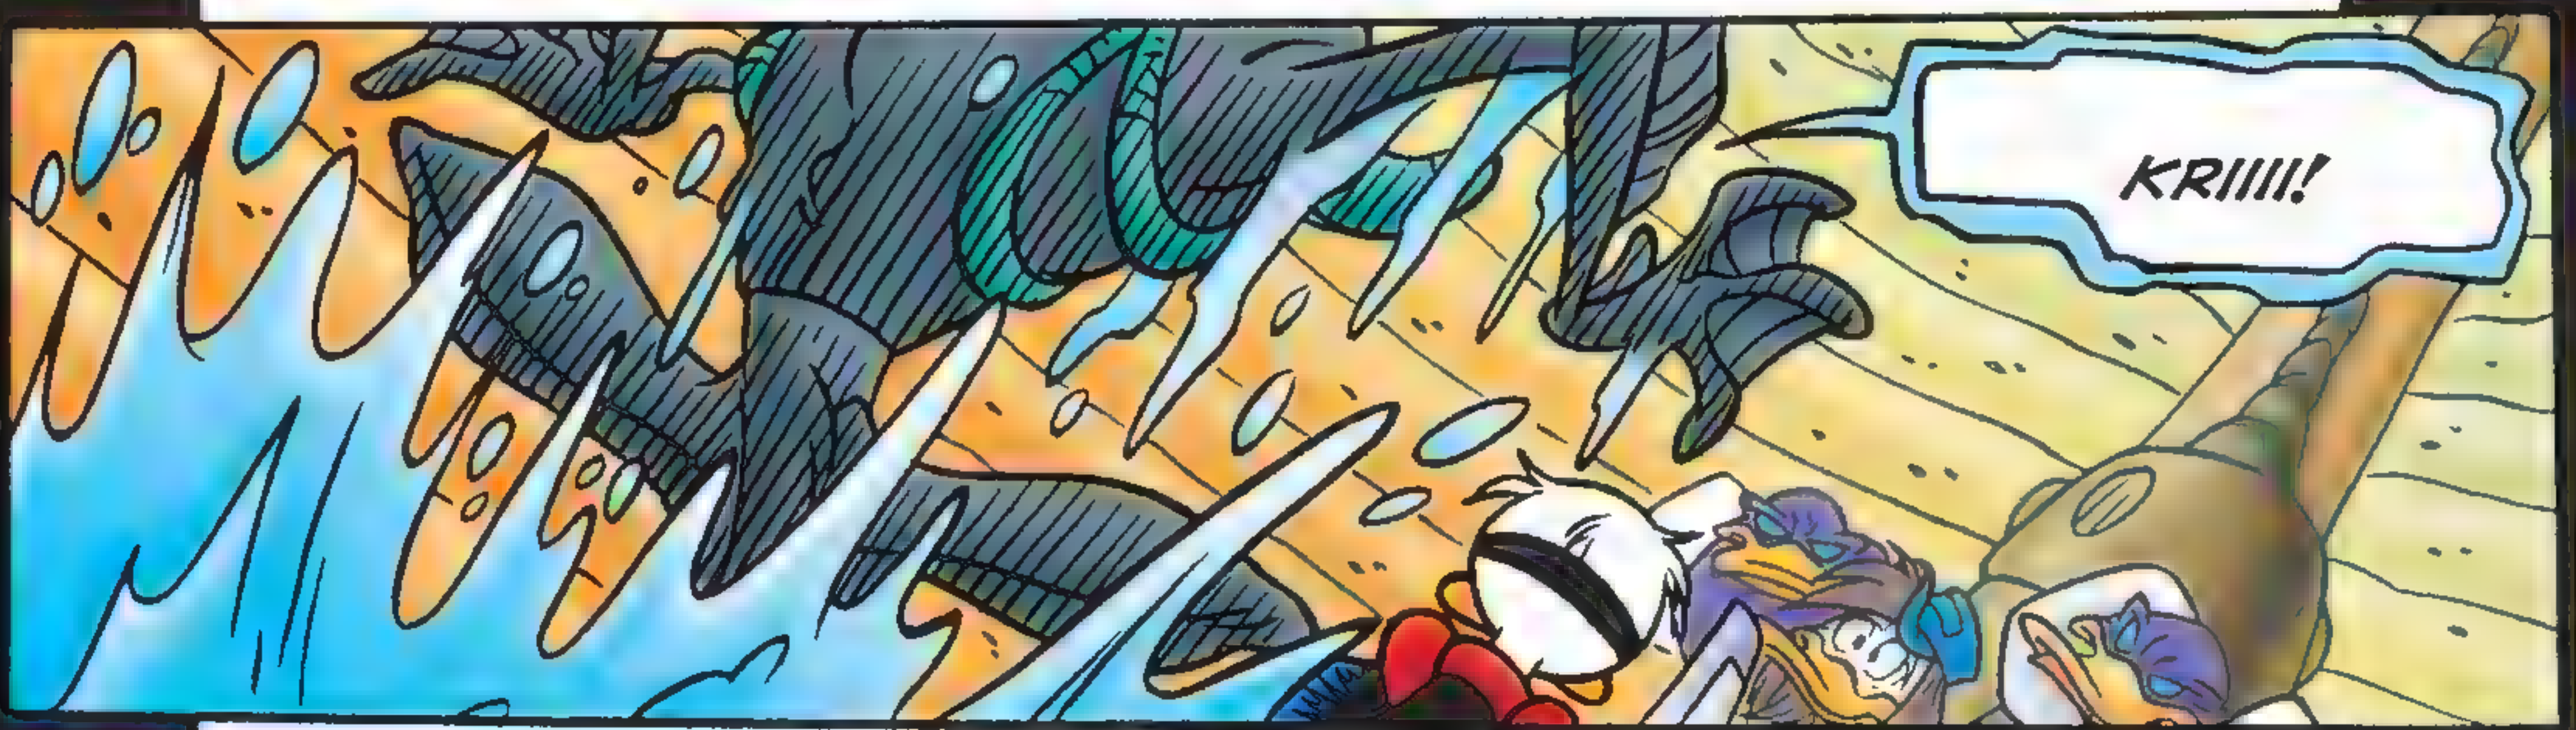

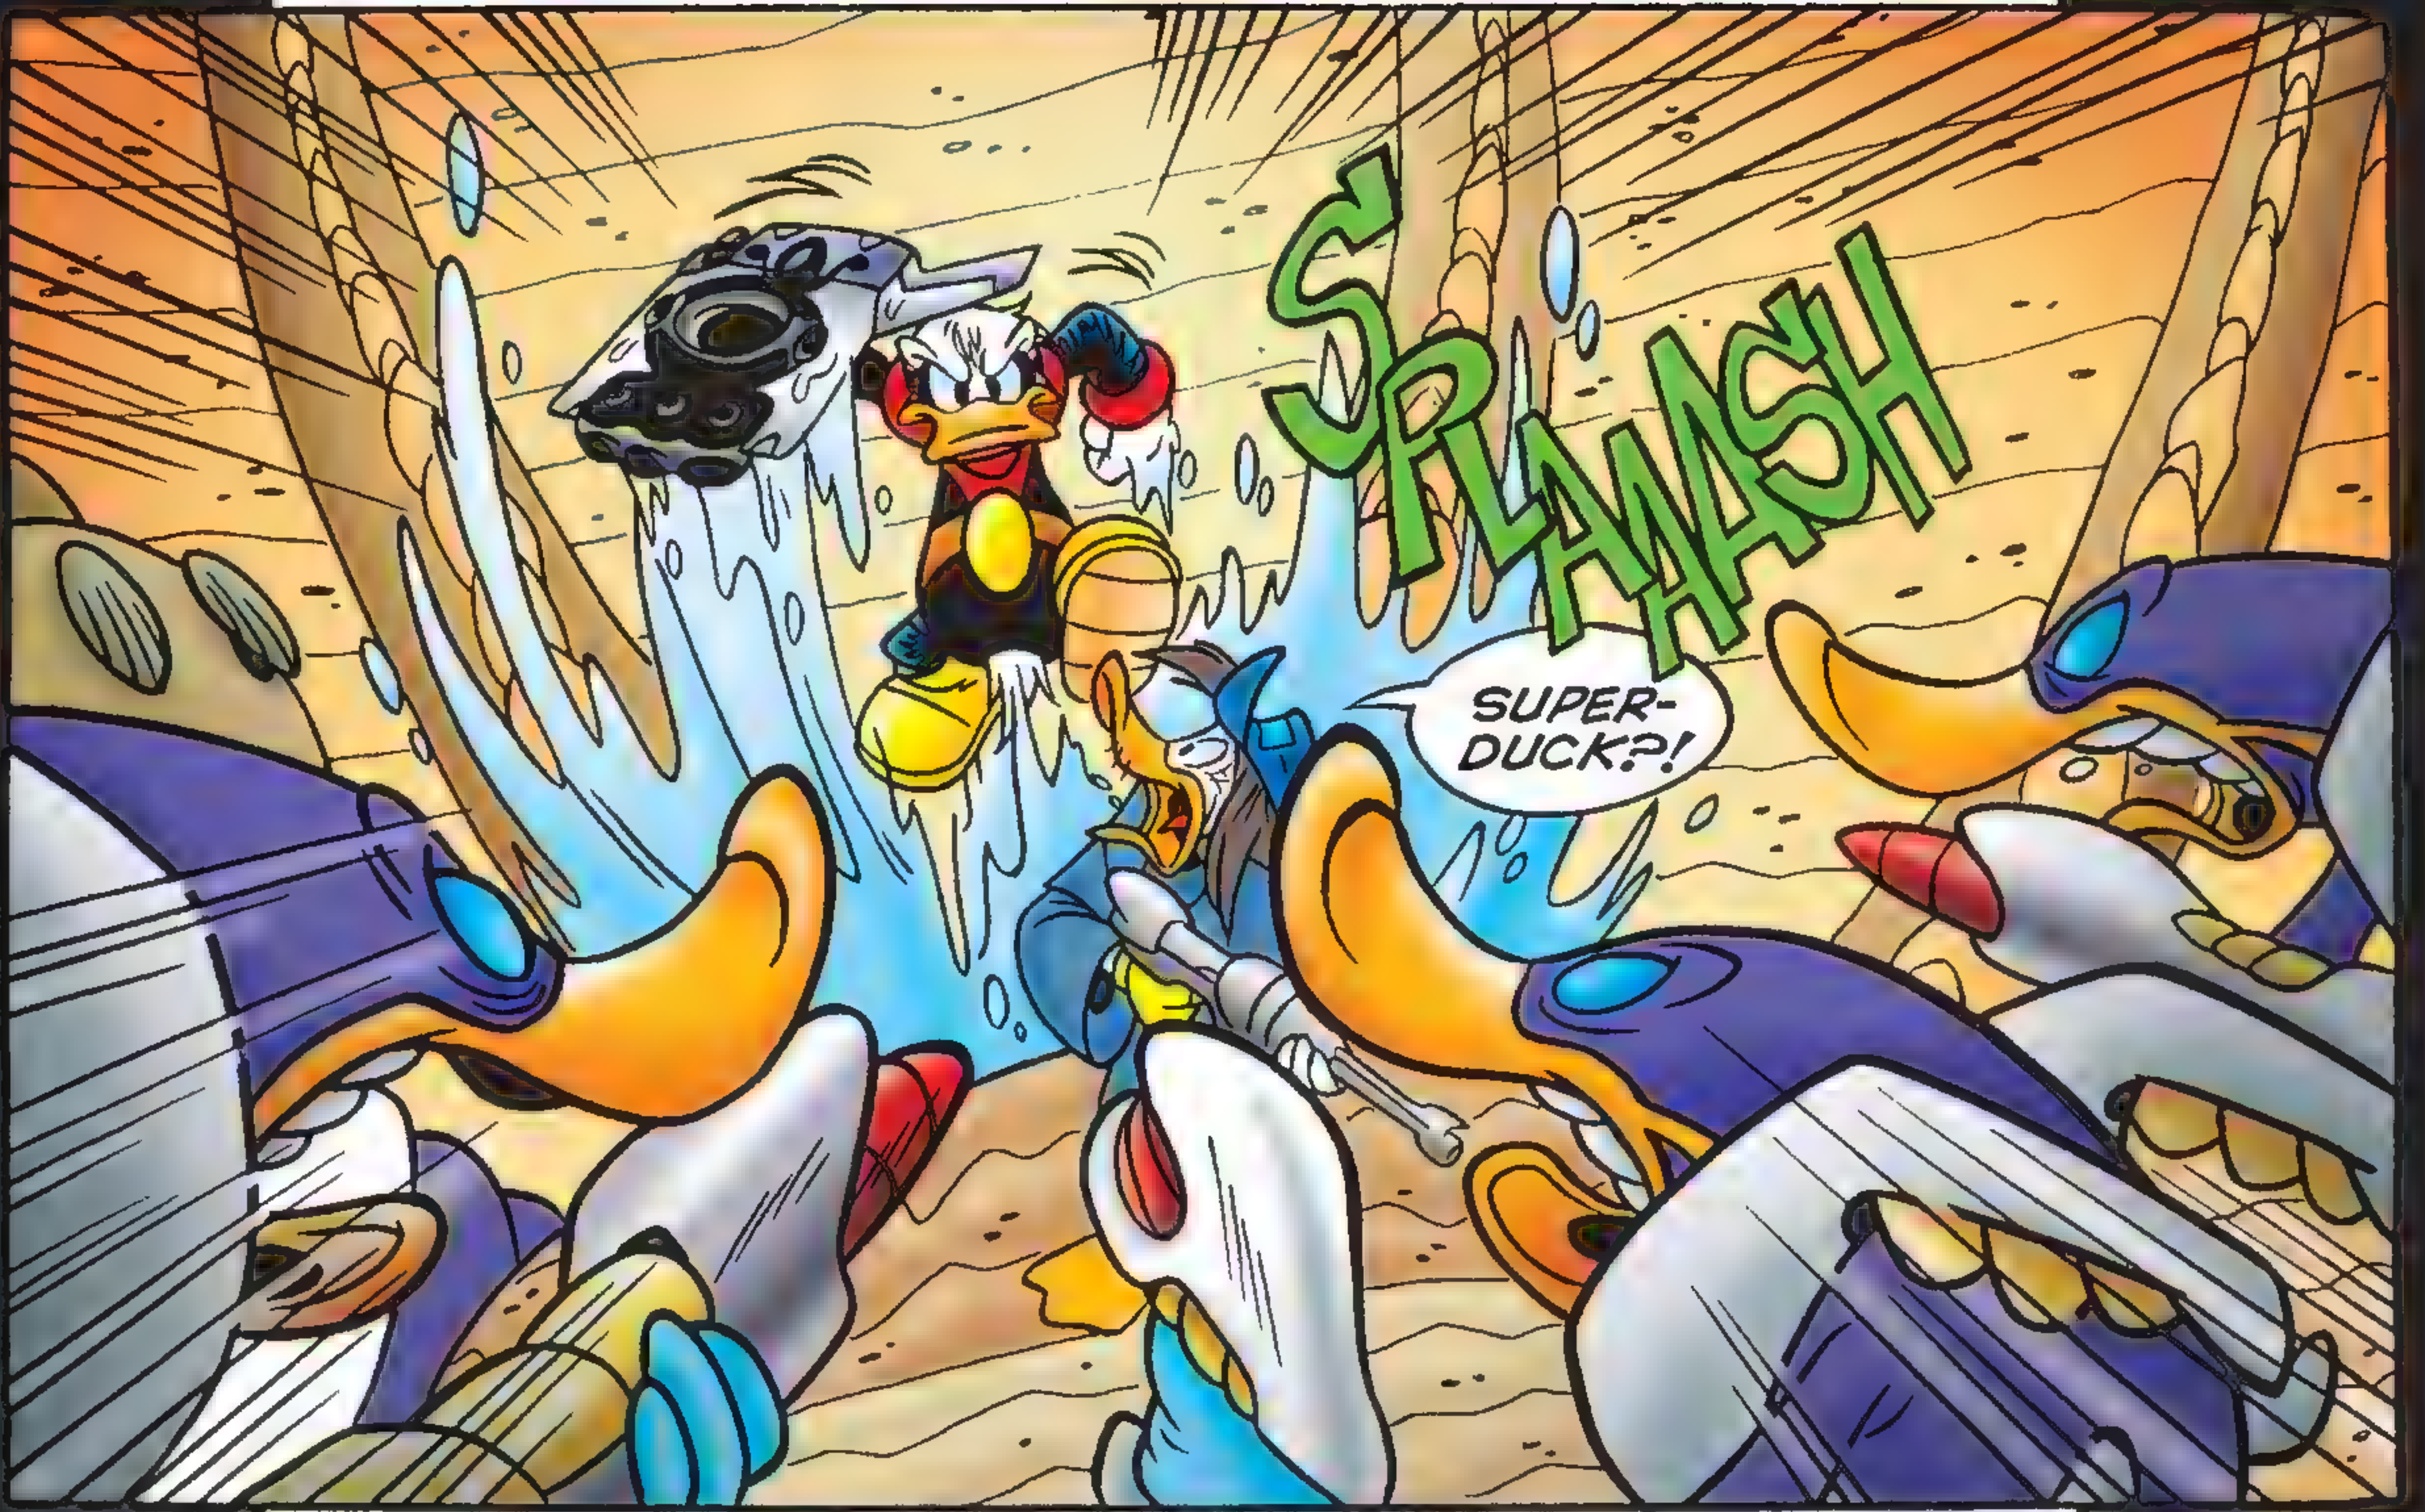

HA, HA! WELL
DONE, SOLDIER.
KEEP HIM UNDER
WATER!

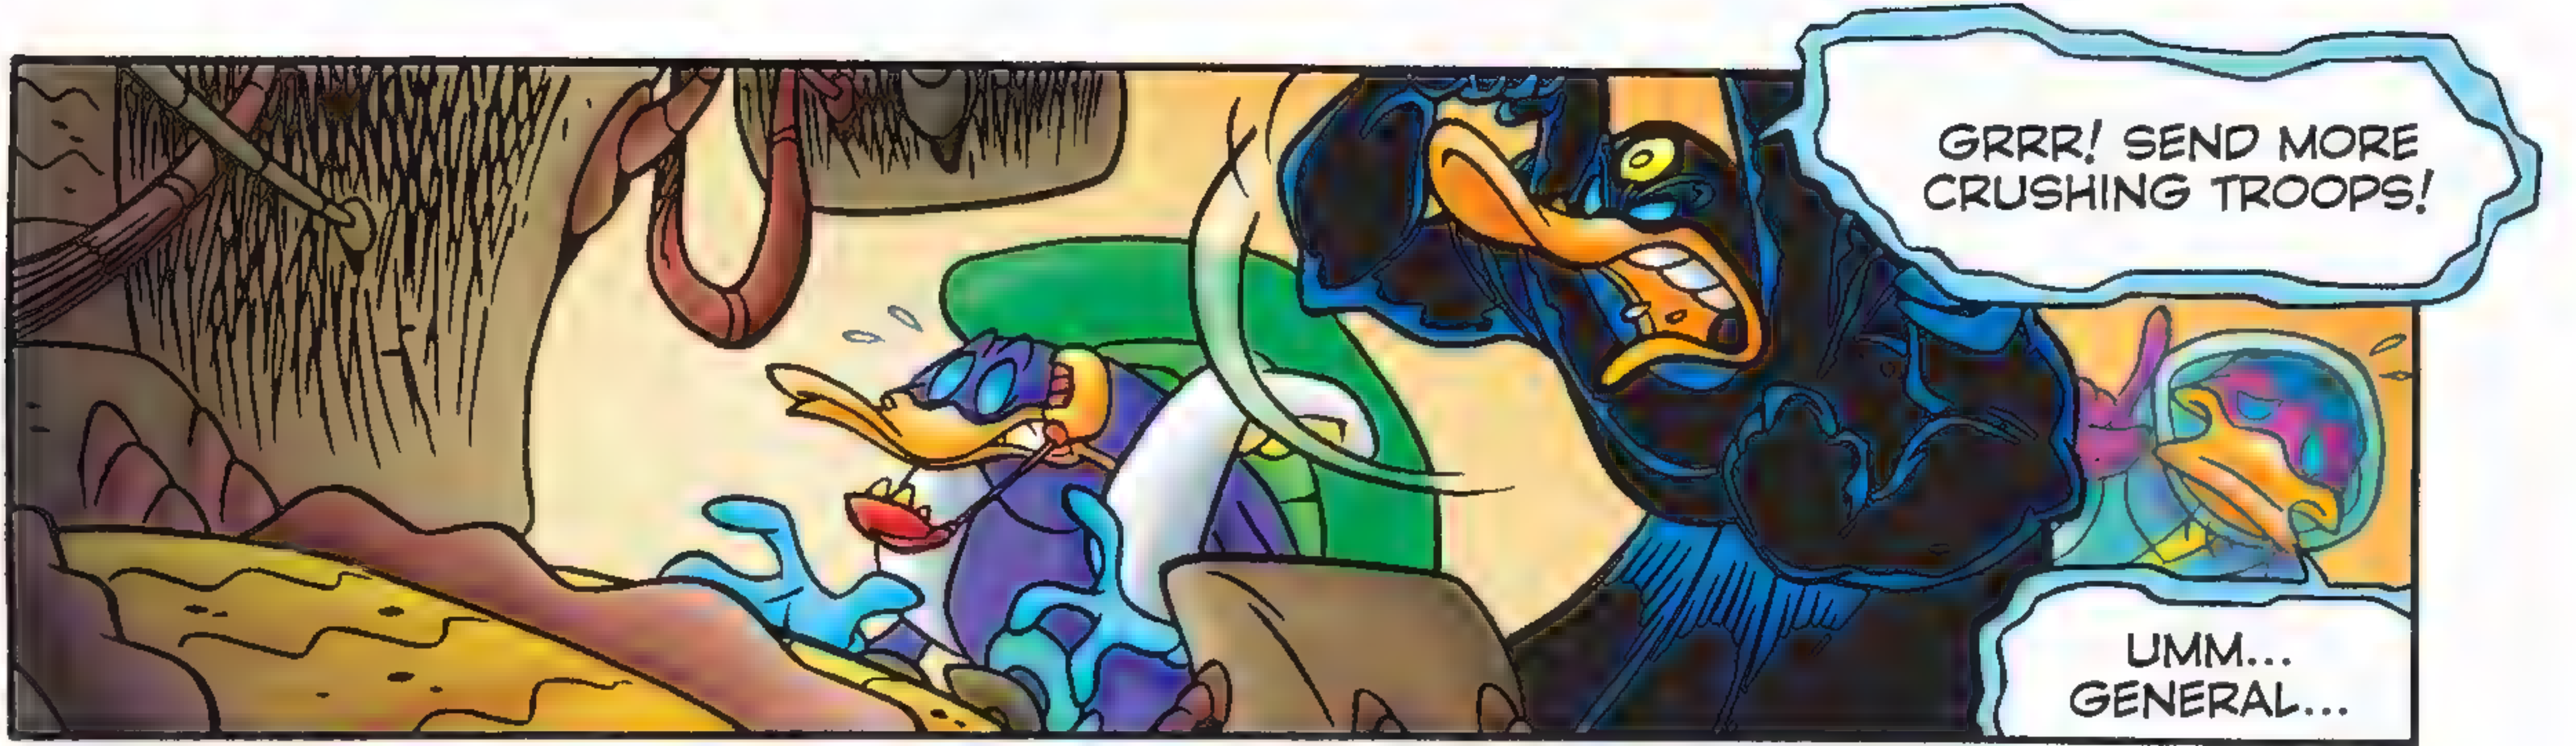

"ZOSTER WAS RIGHT.
SUPERDUCK IS NOT TRAINED
TO *FIGHT UNDERWATER.*"

BLUB...

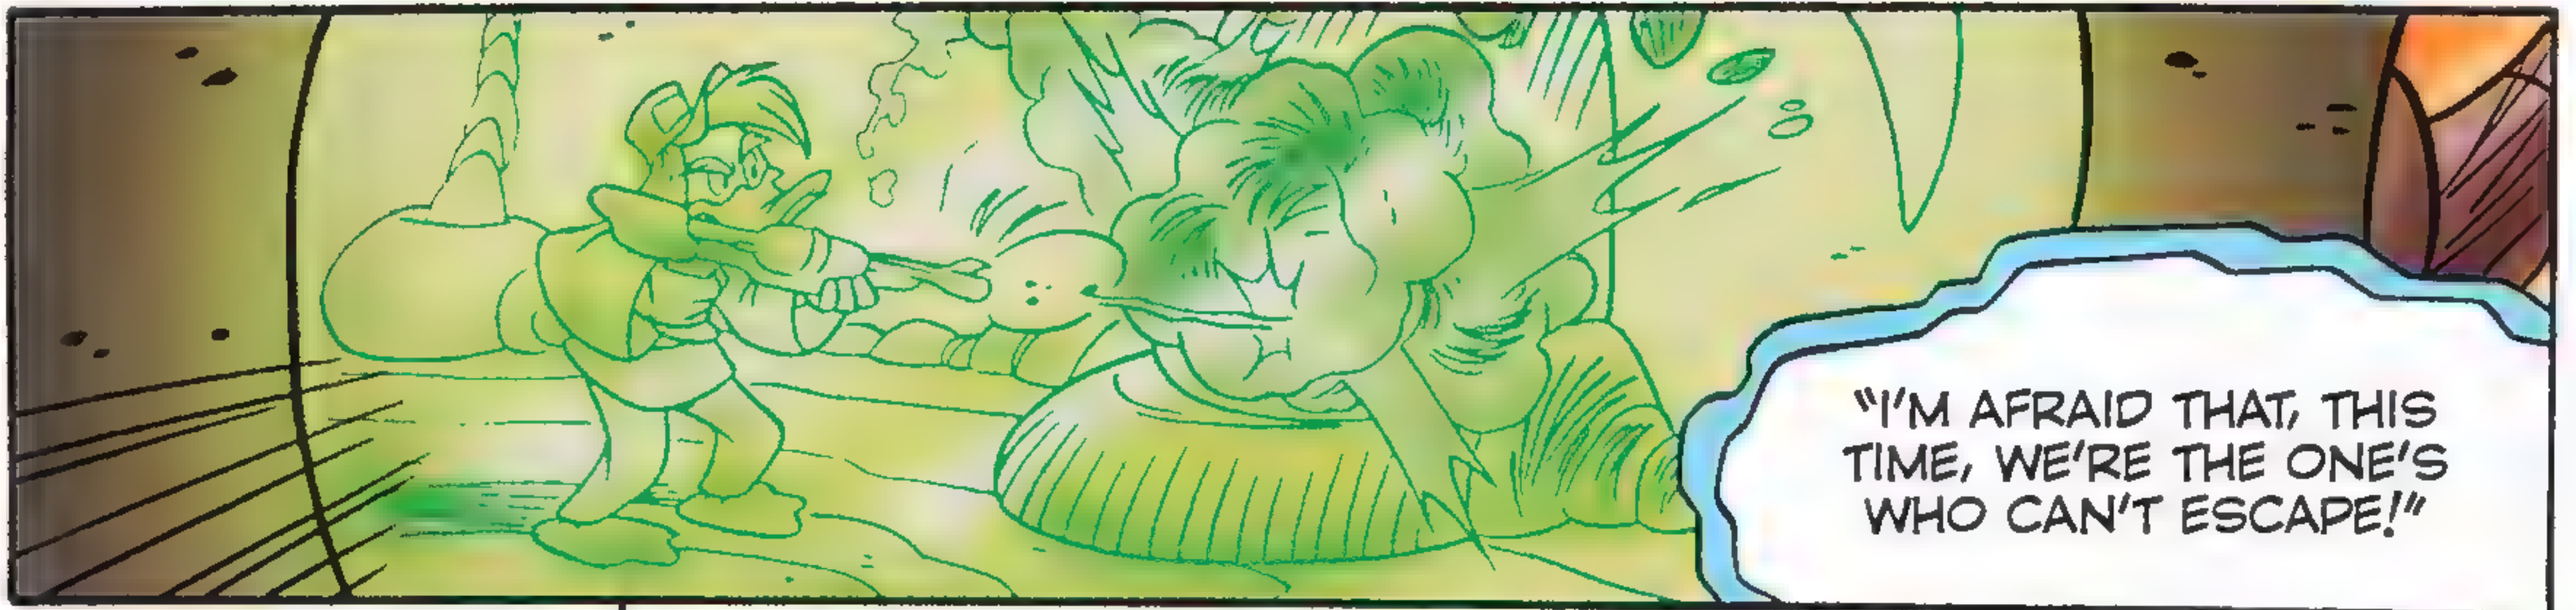

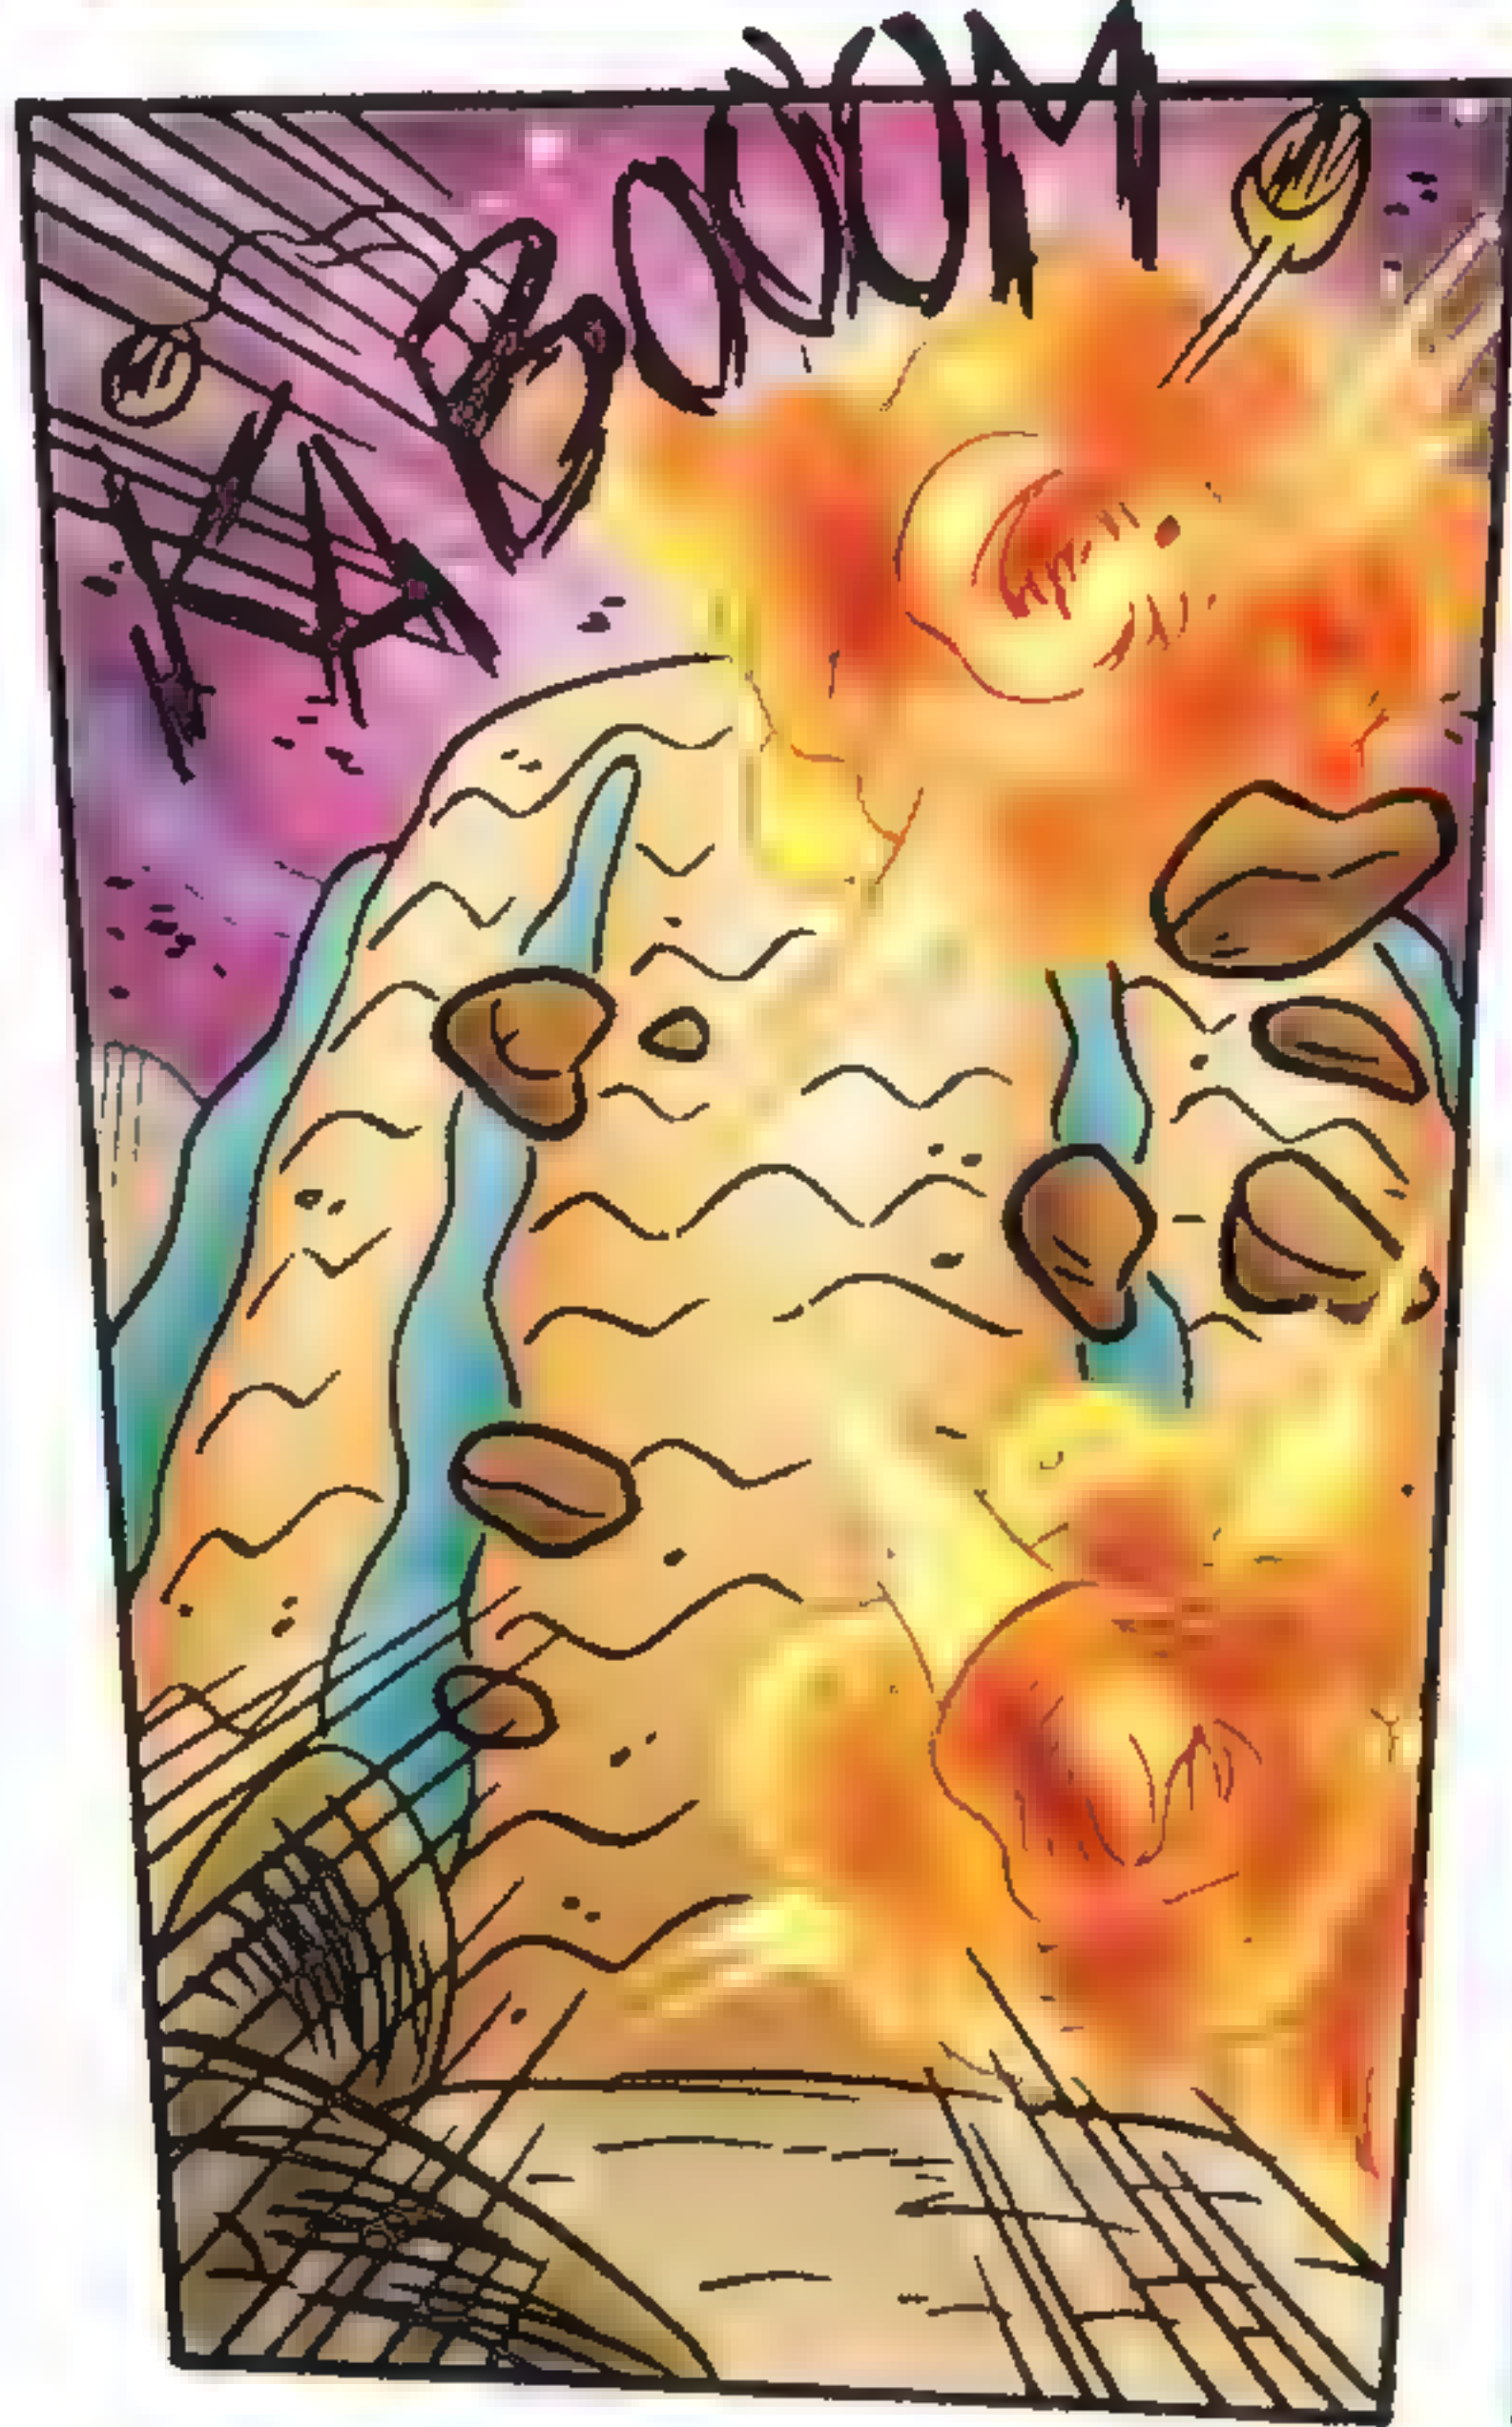

GRRR! SEND MORE
CRUSHING TROOPS!

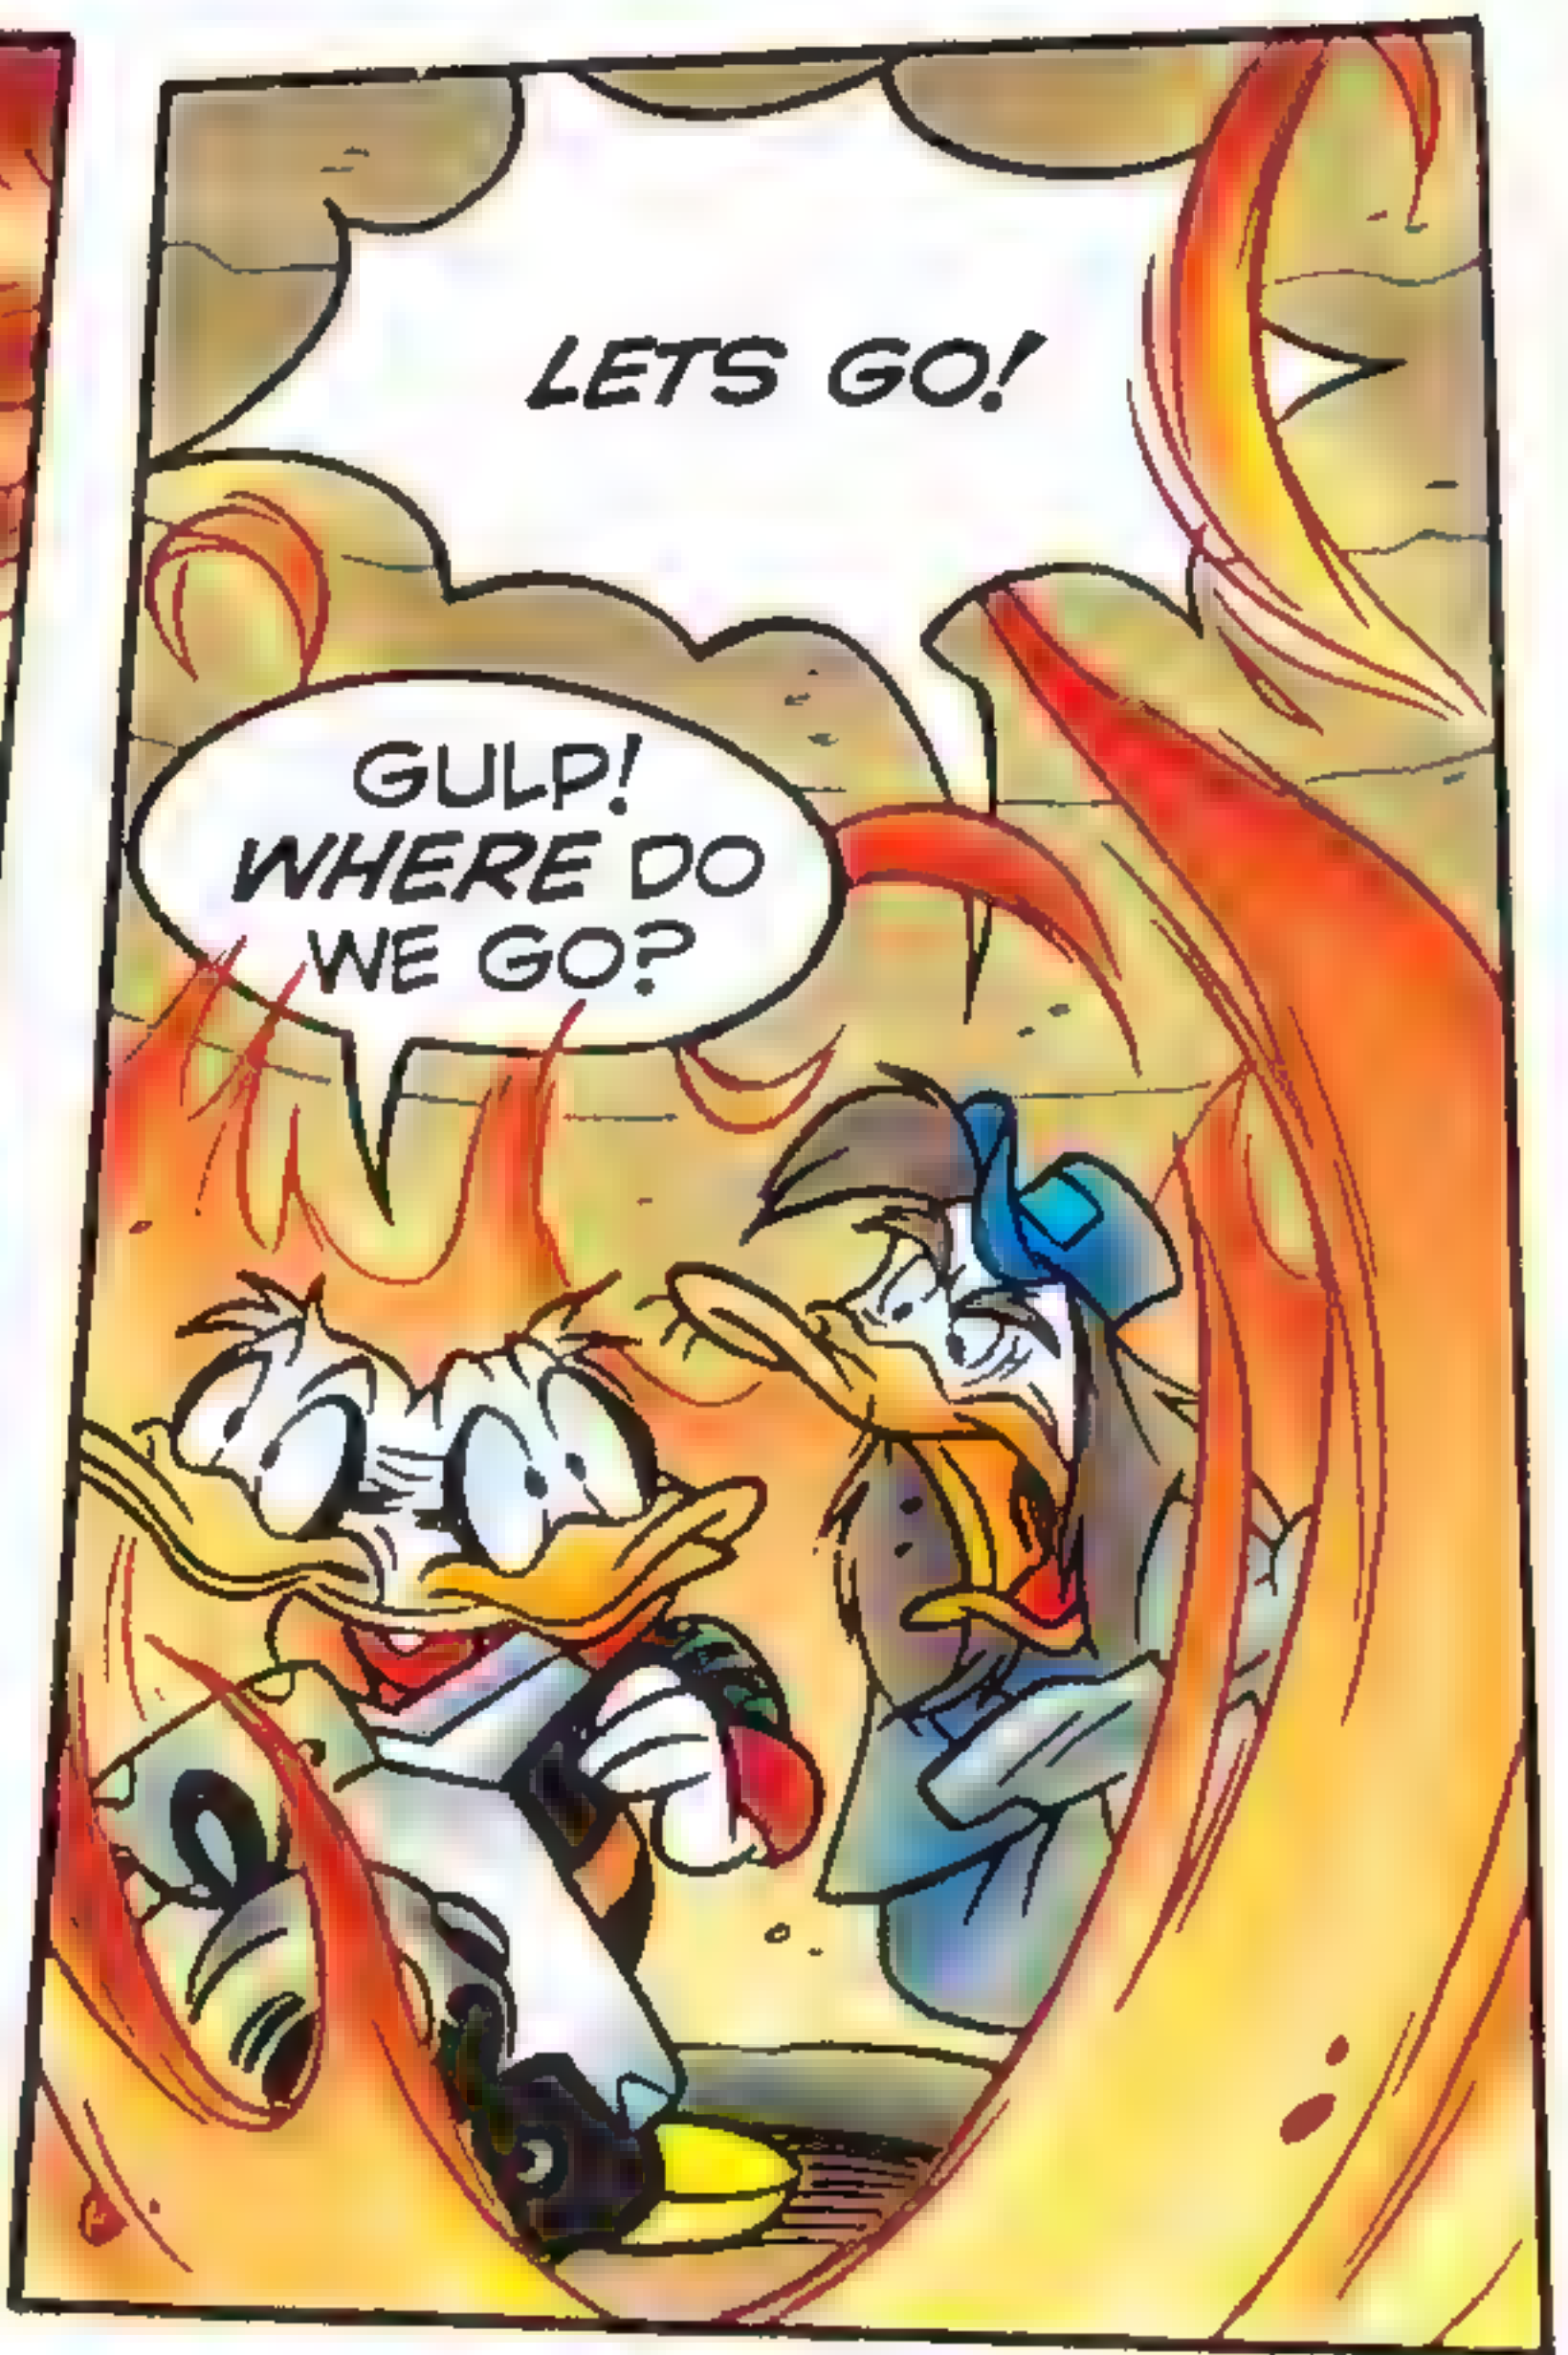

UMM...
GENERAL...

"I'M AFRAID THAT, THIS
TIME, WE'RE THE ONE'S
WHO CAN'T ESCAPE!"

HOORAY!
SUPERDUCK
DID IT!

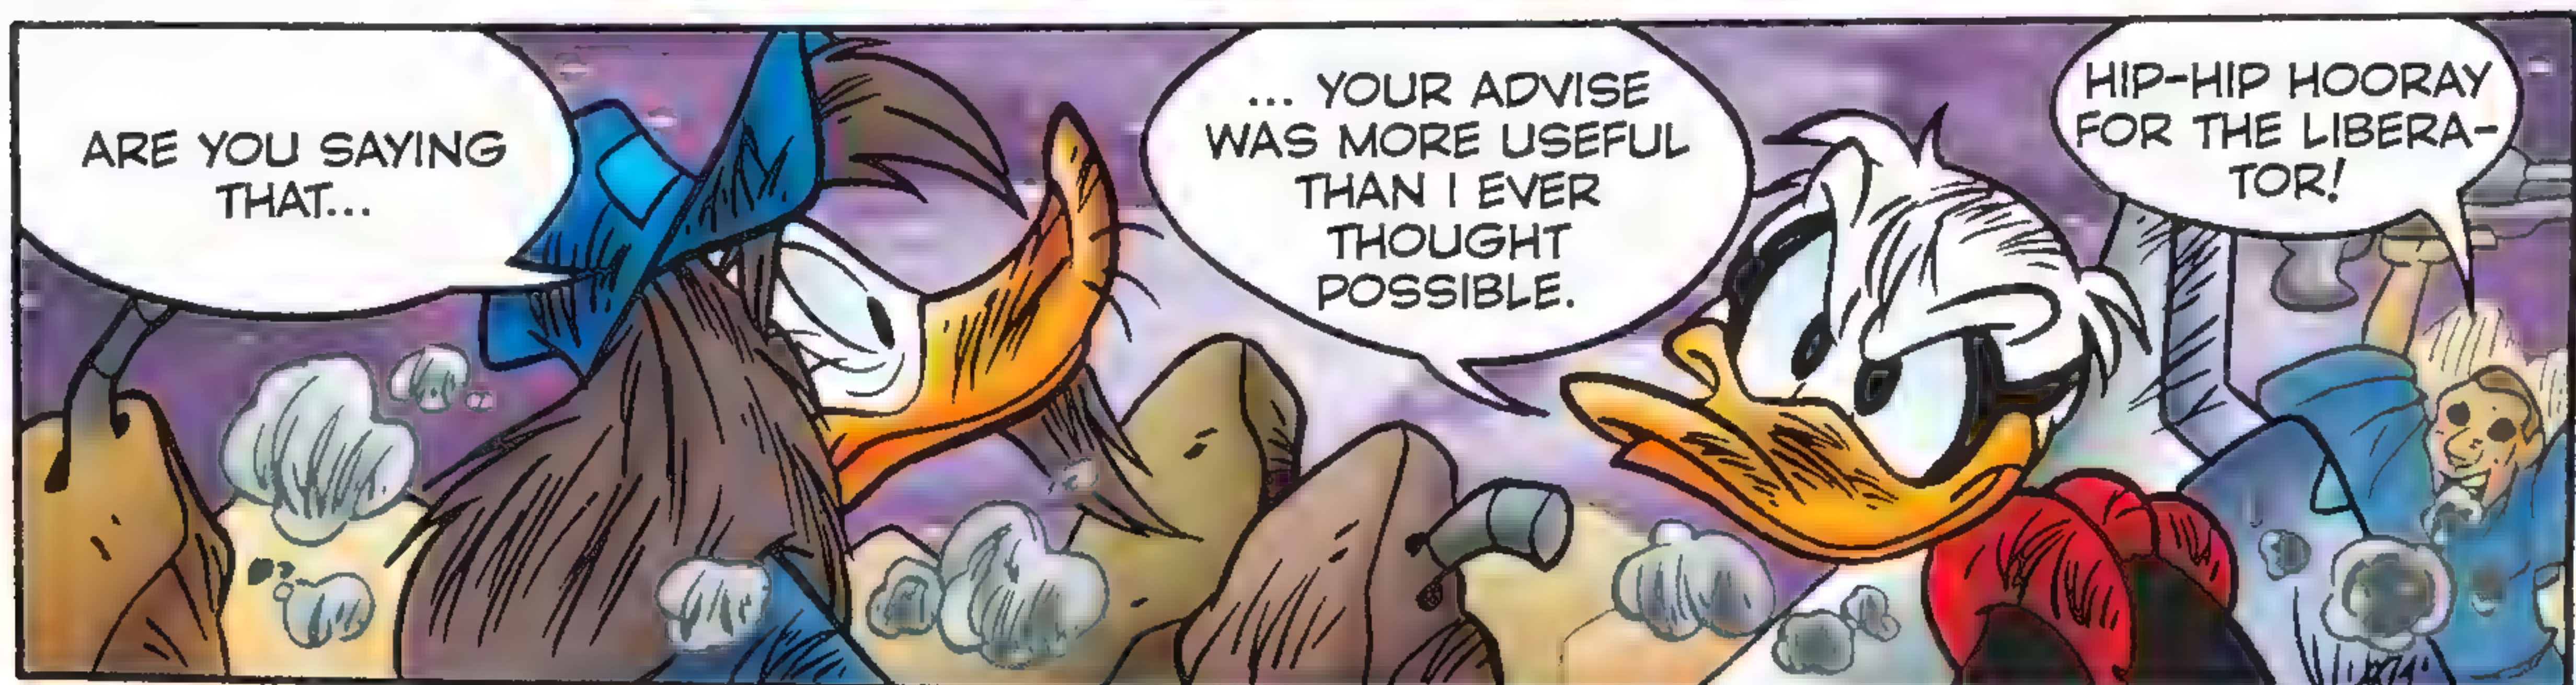

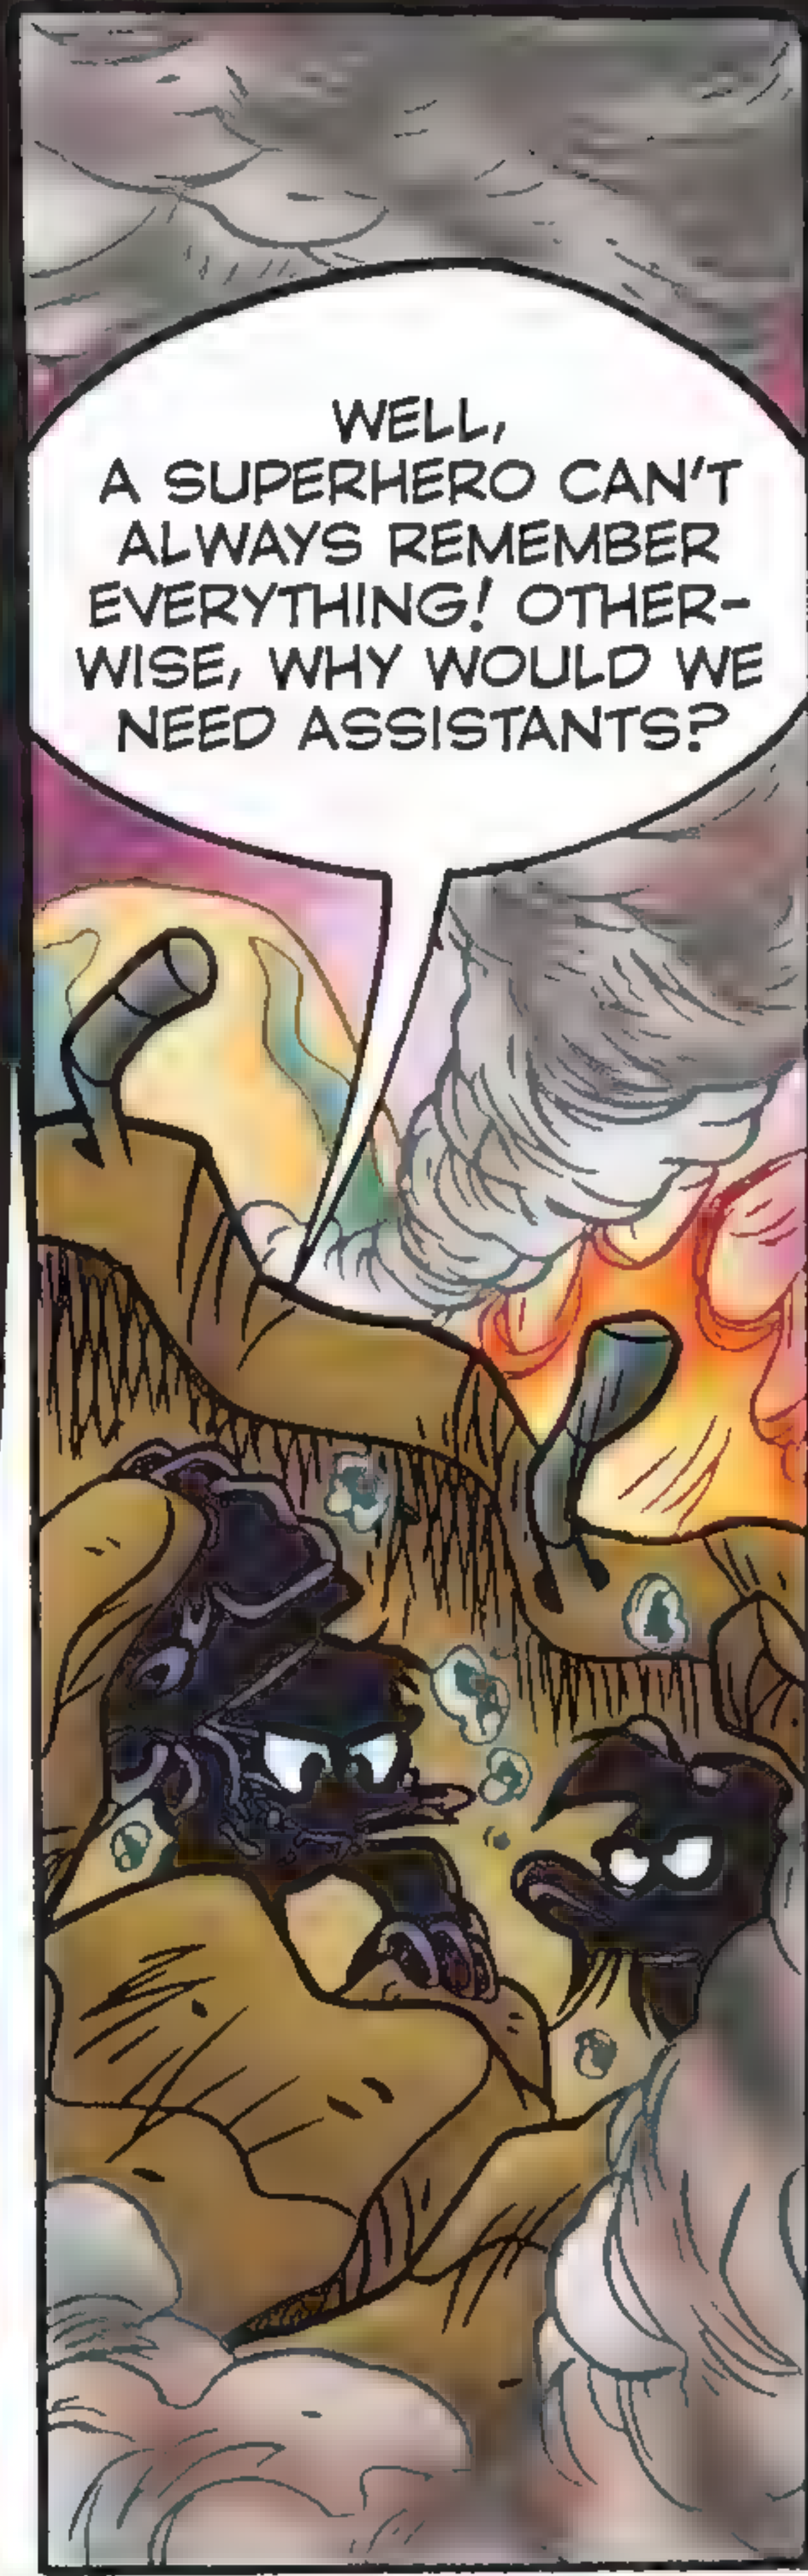

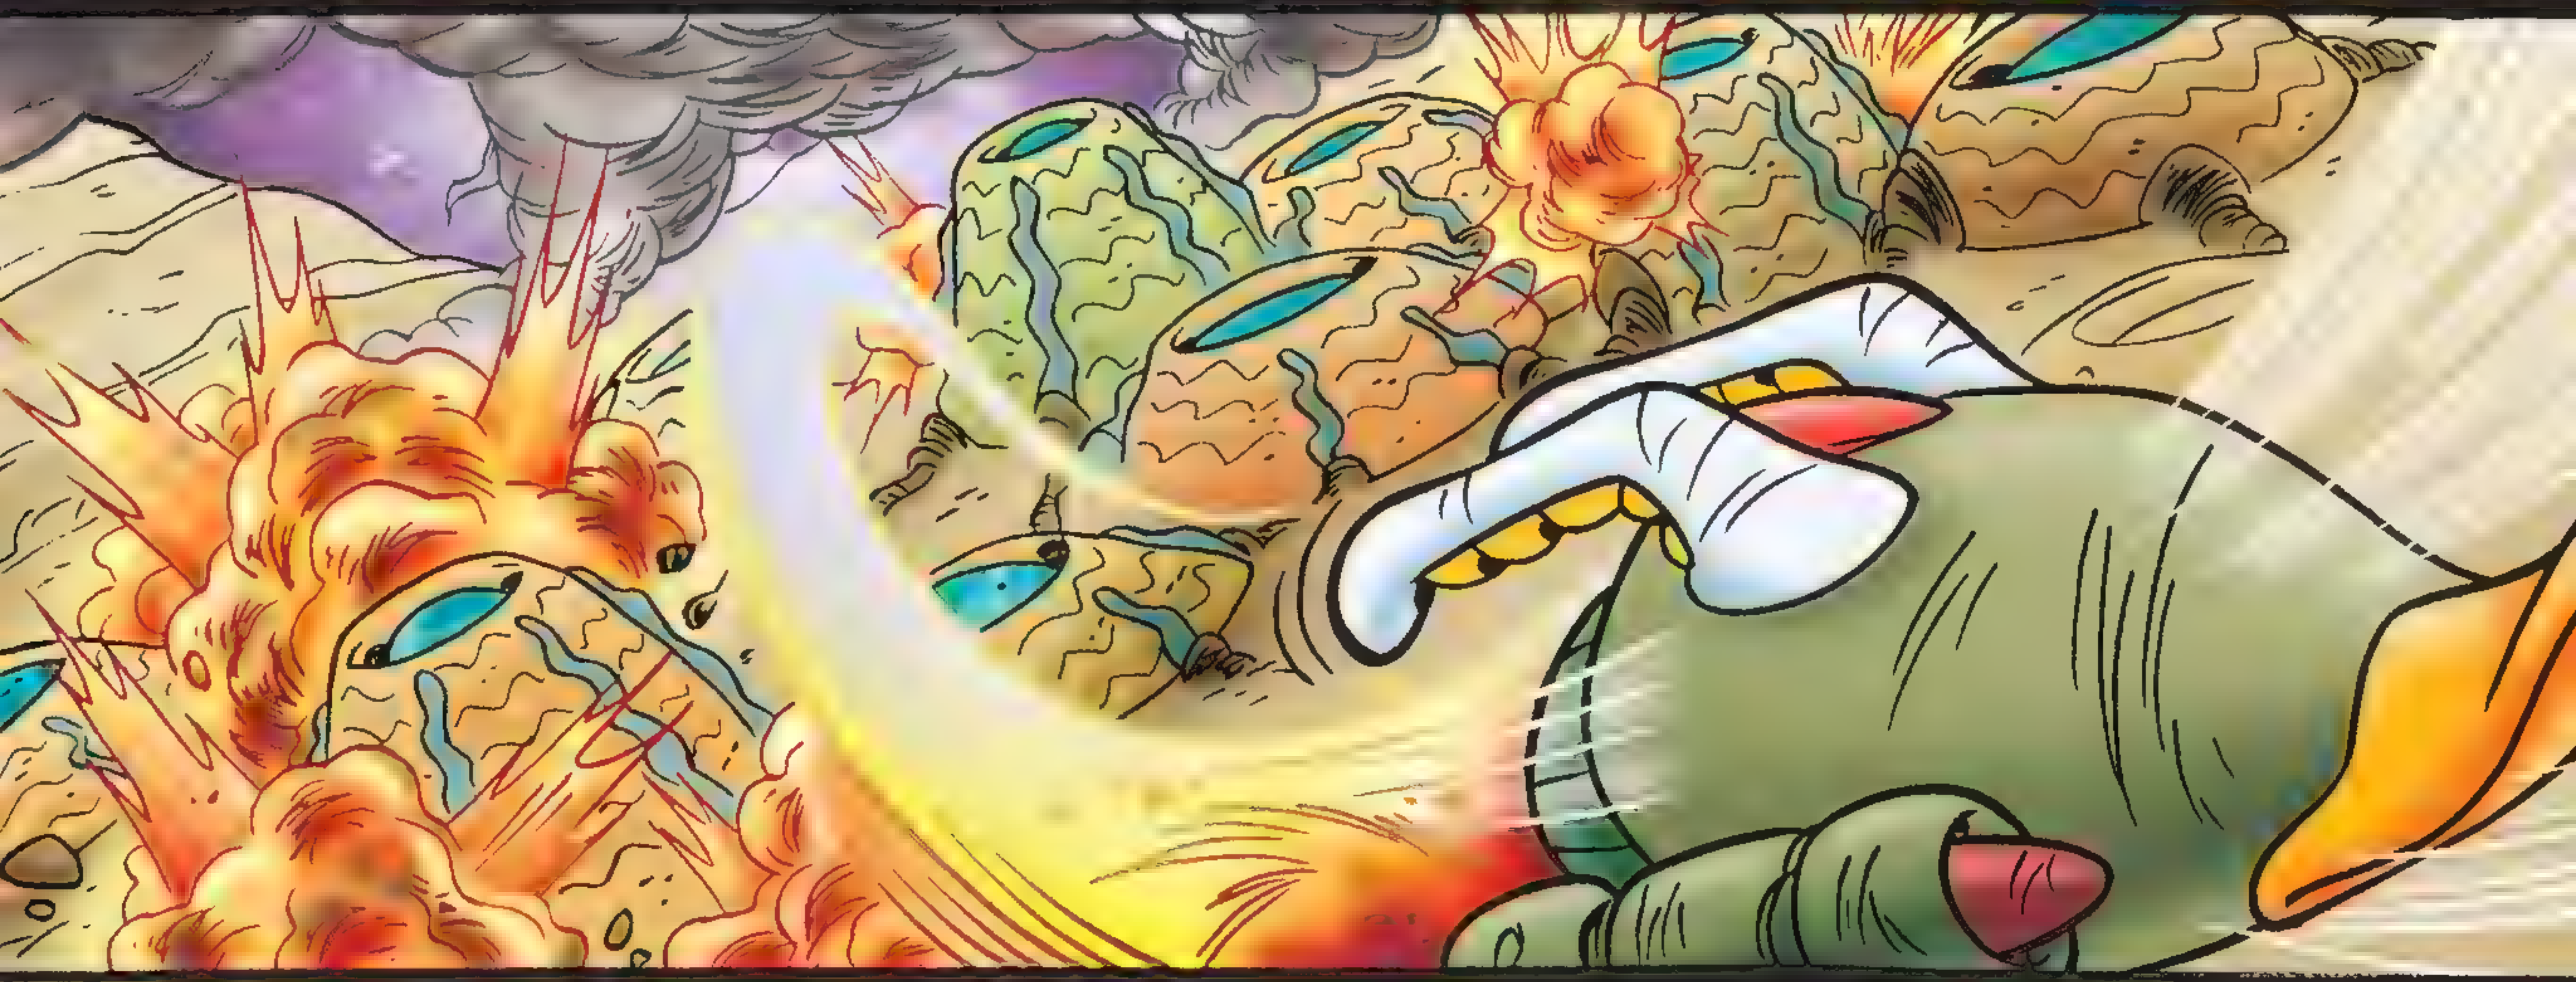

LET'S GO!

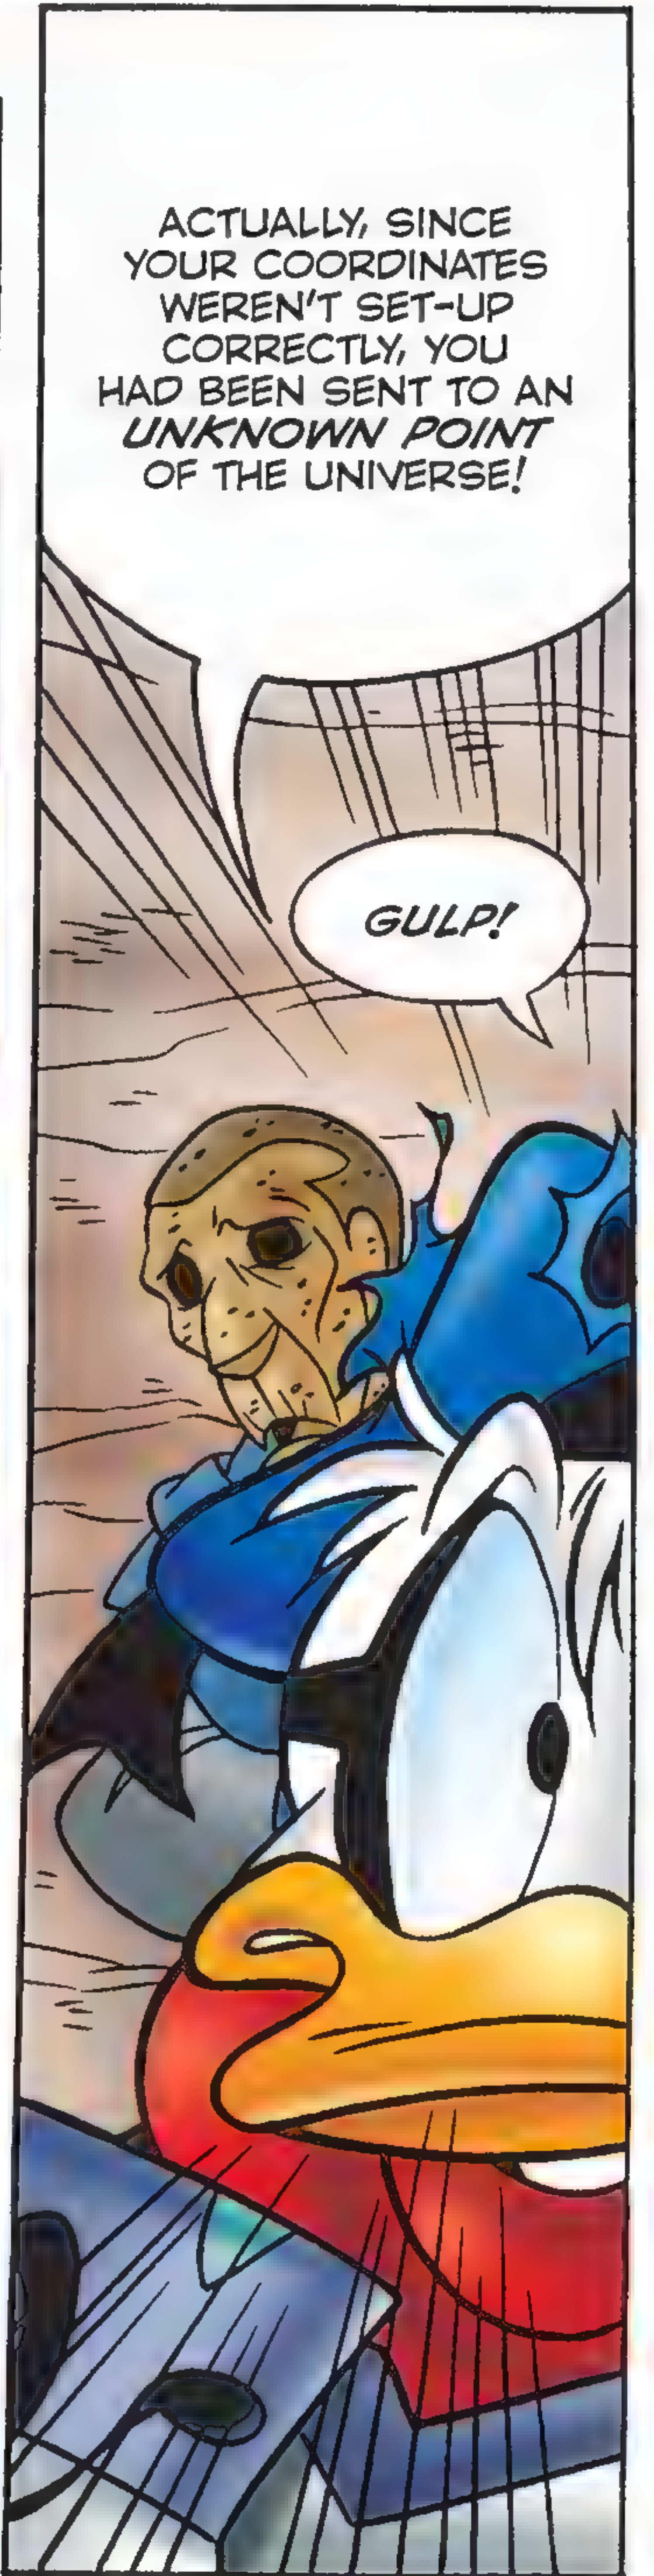

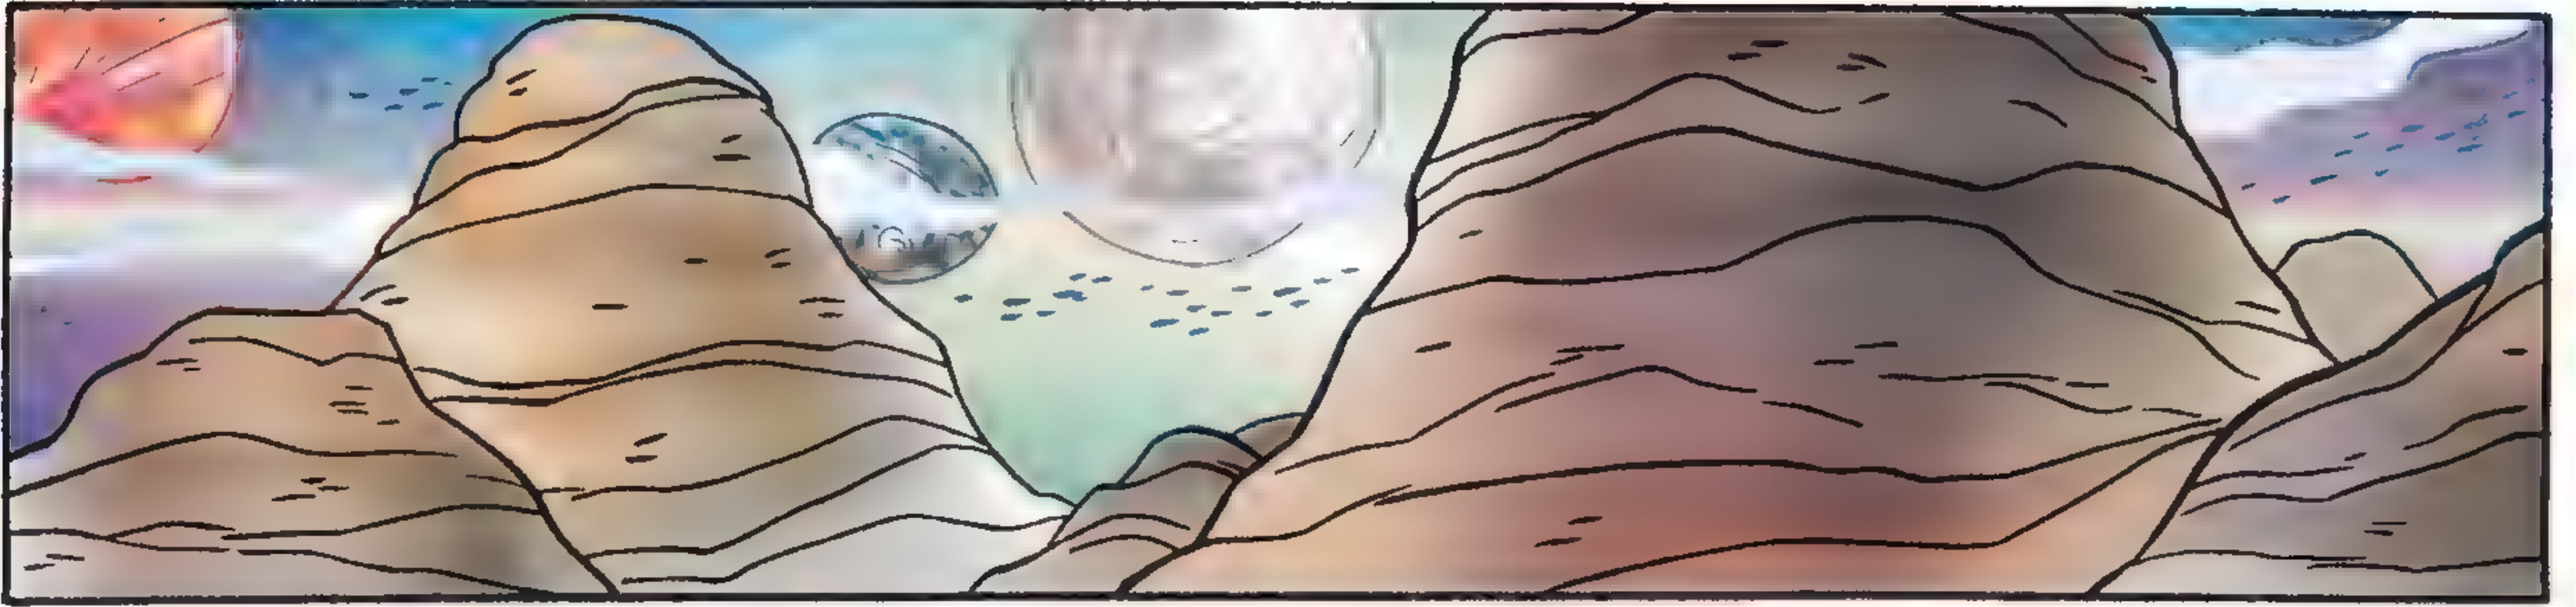

GULP!
WHERE DO
WE GO?

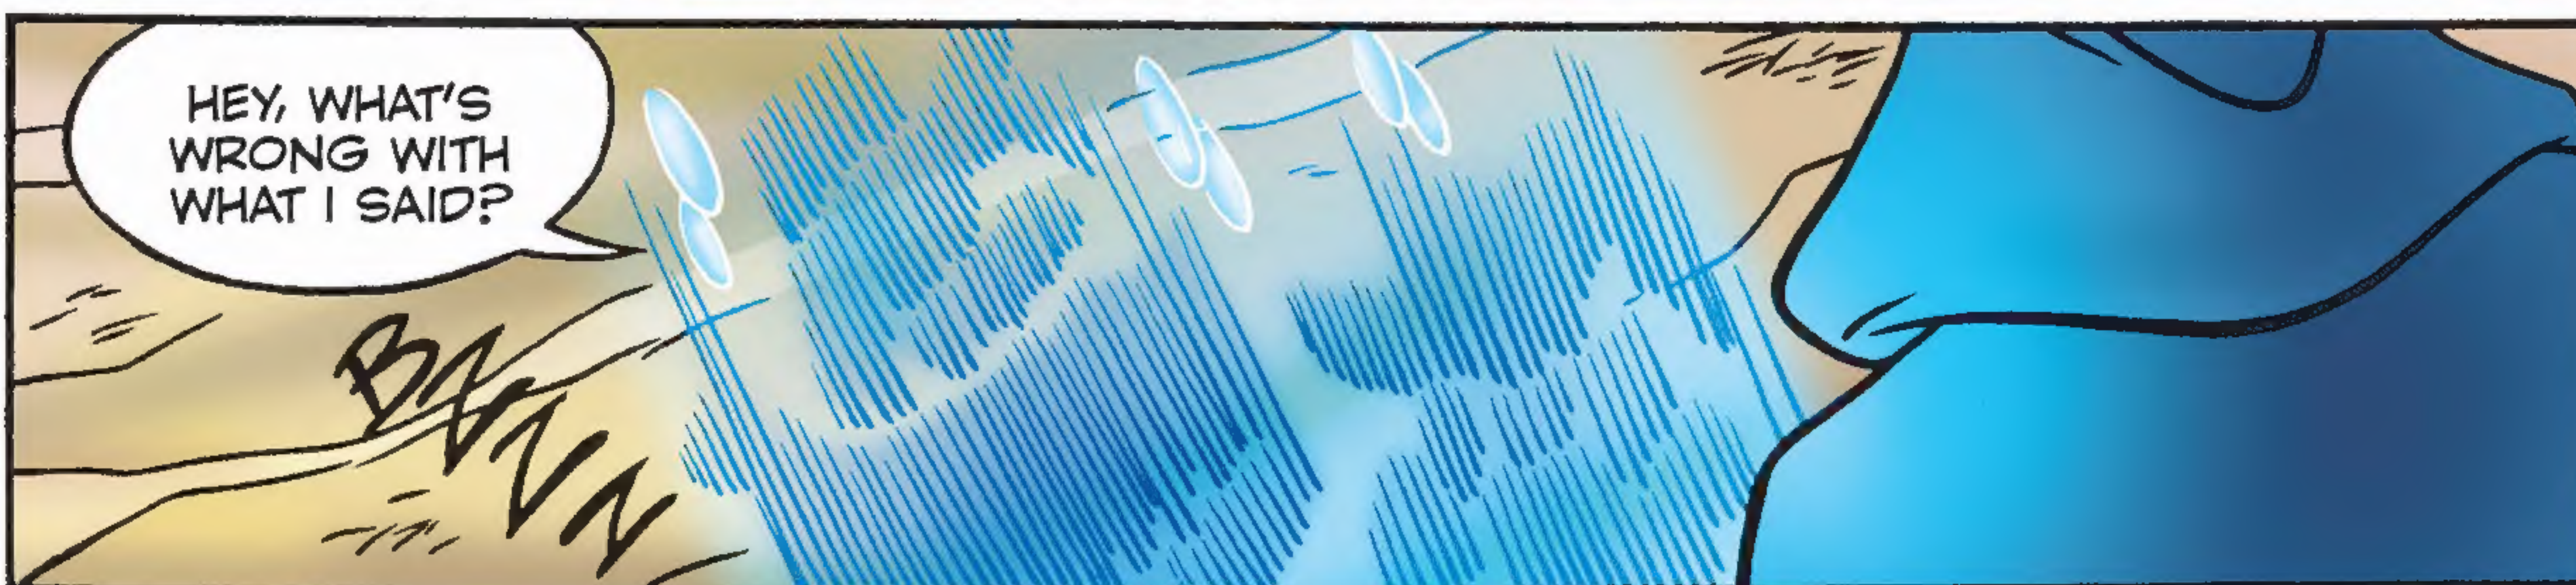

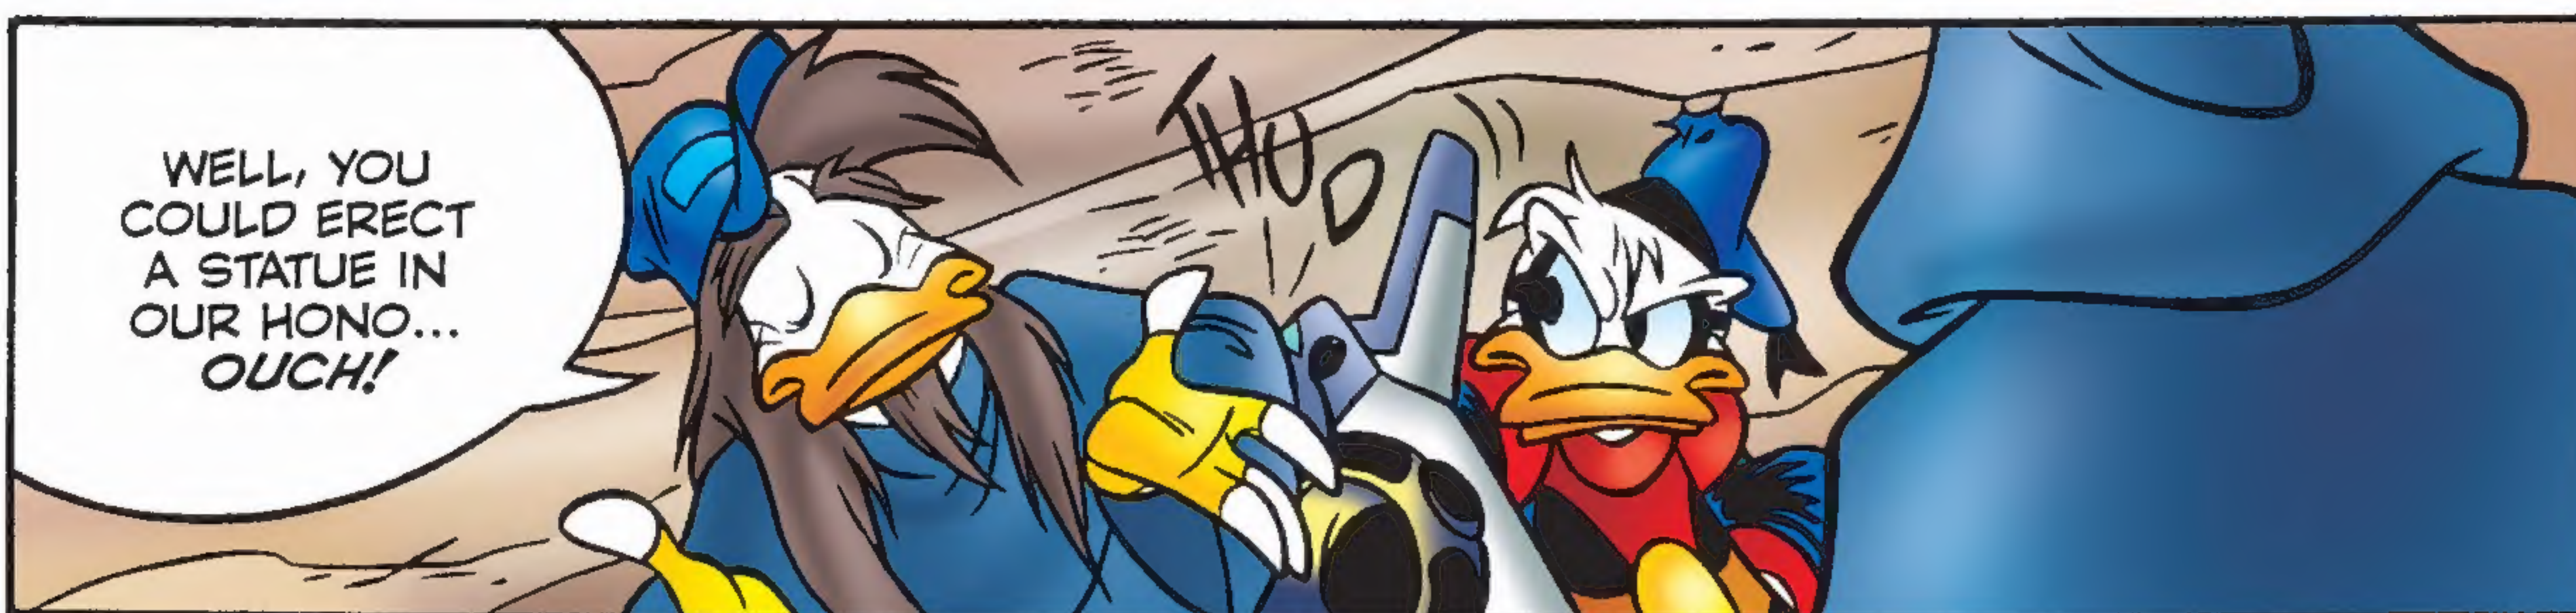

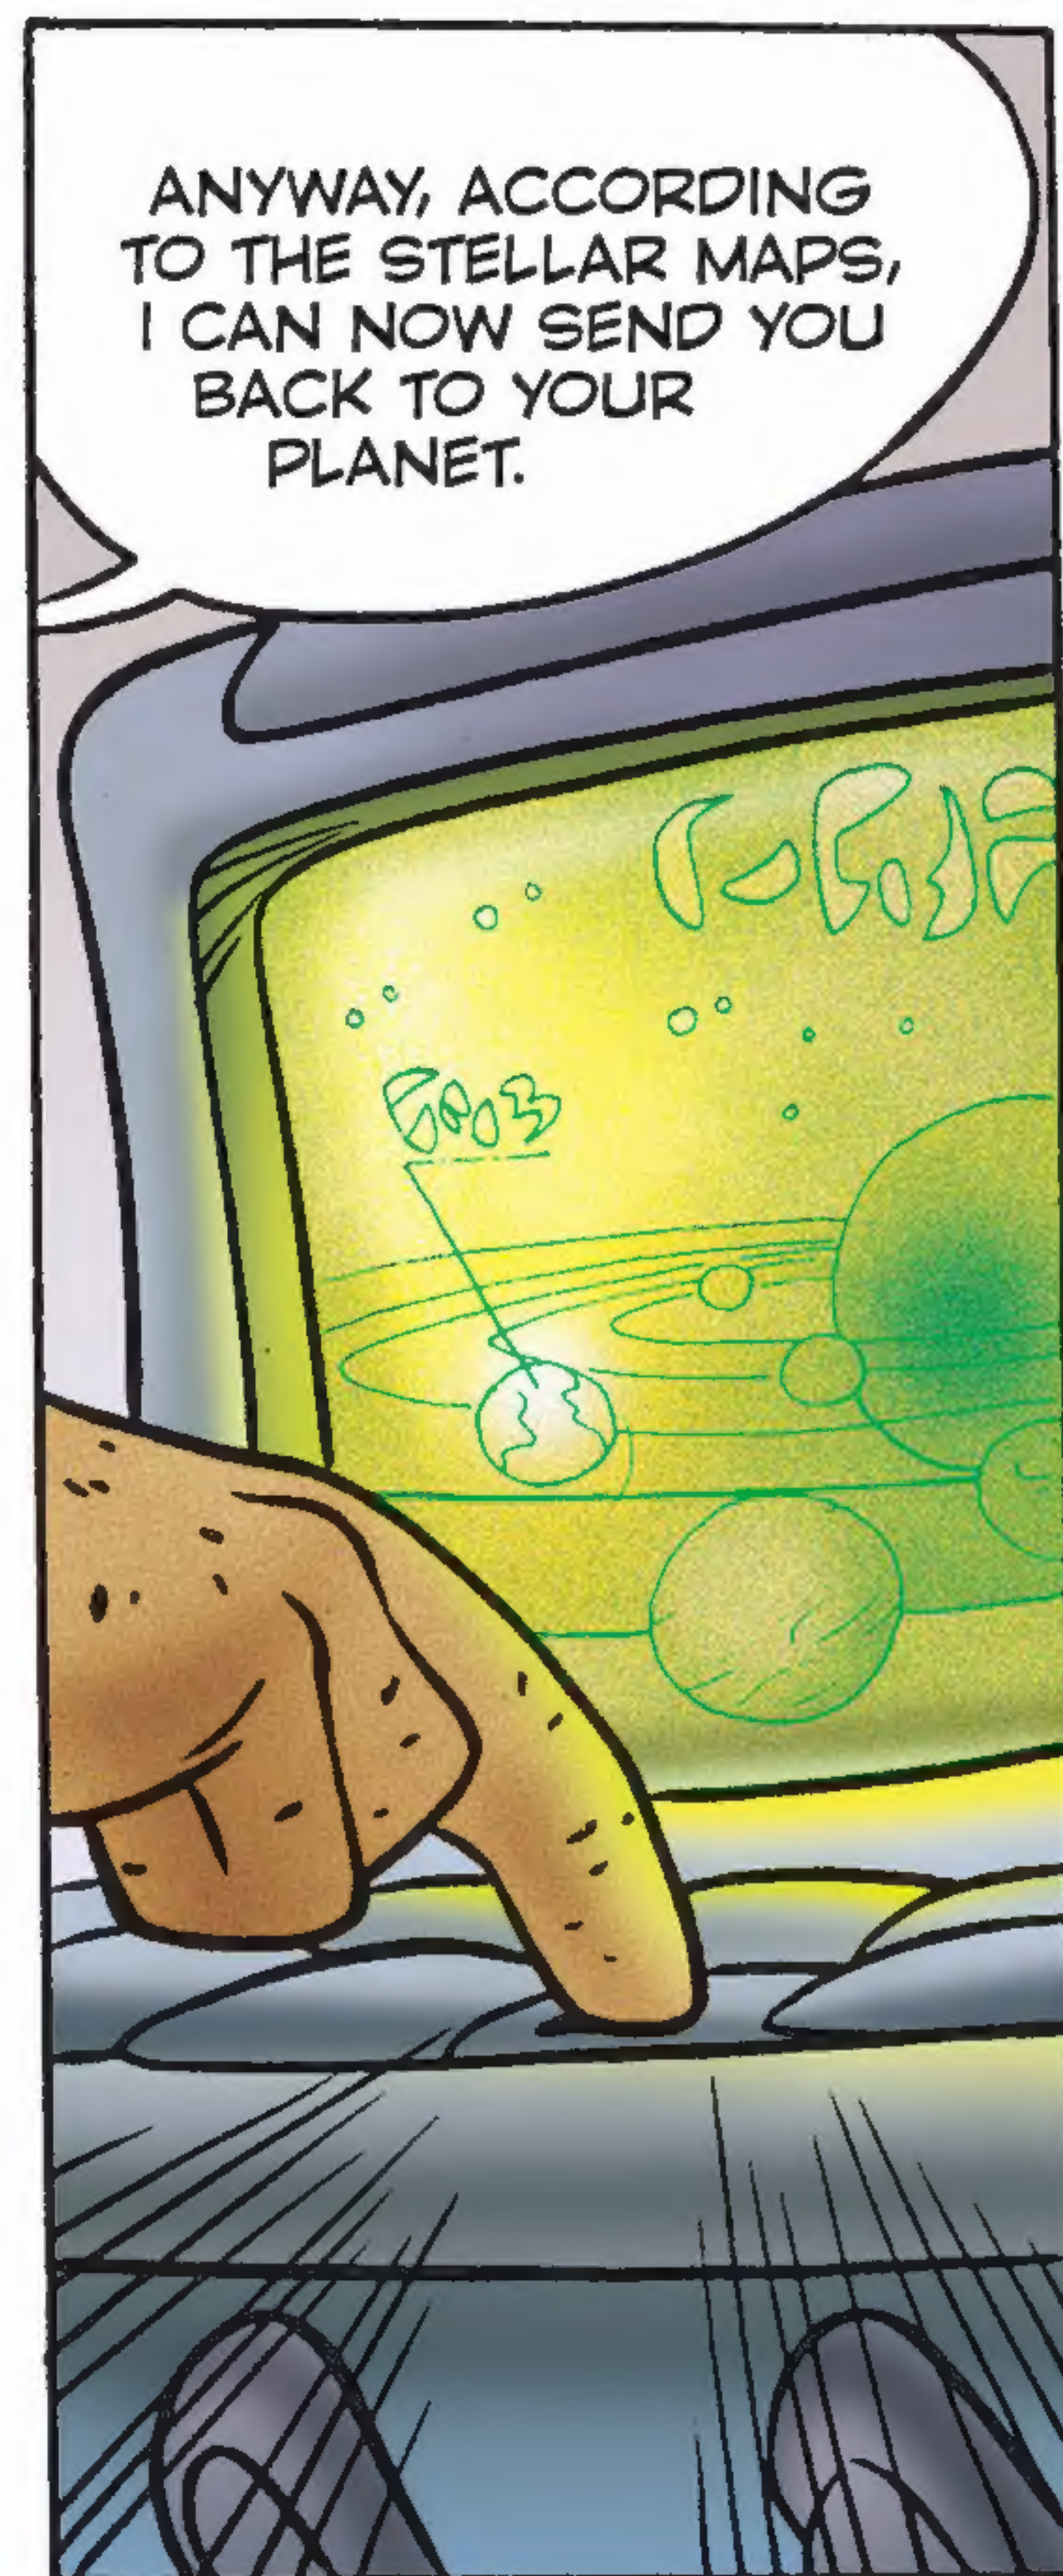

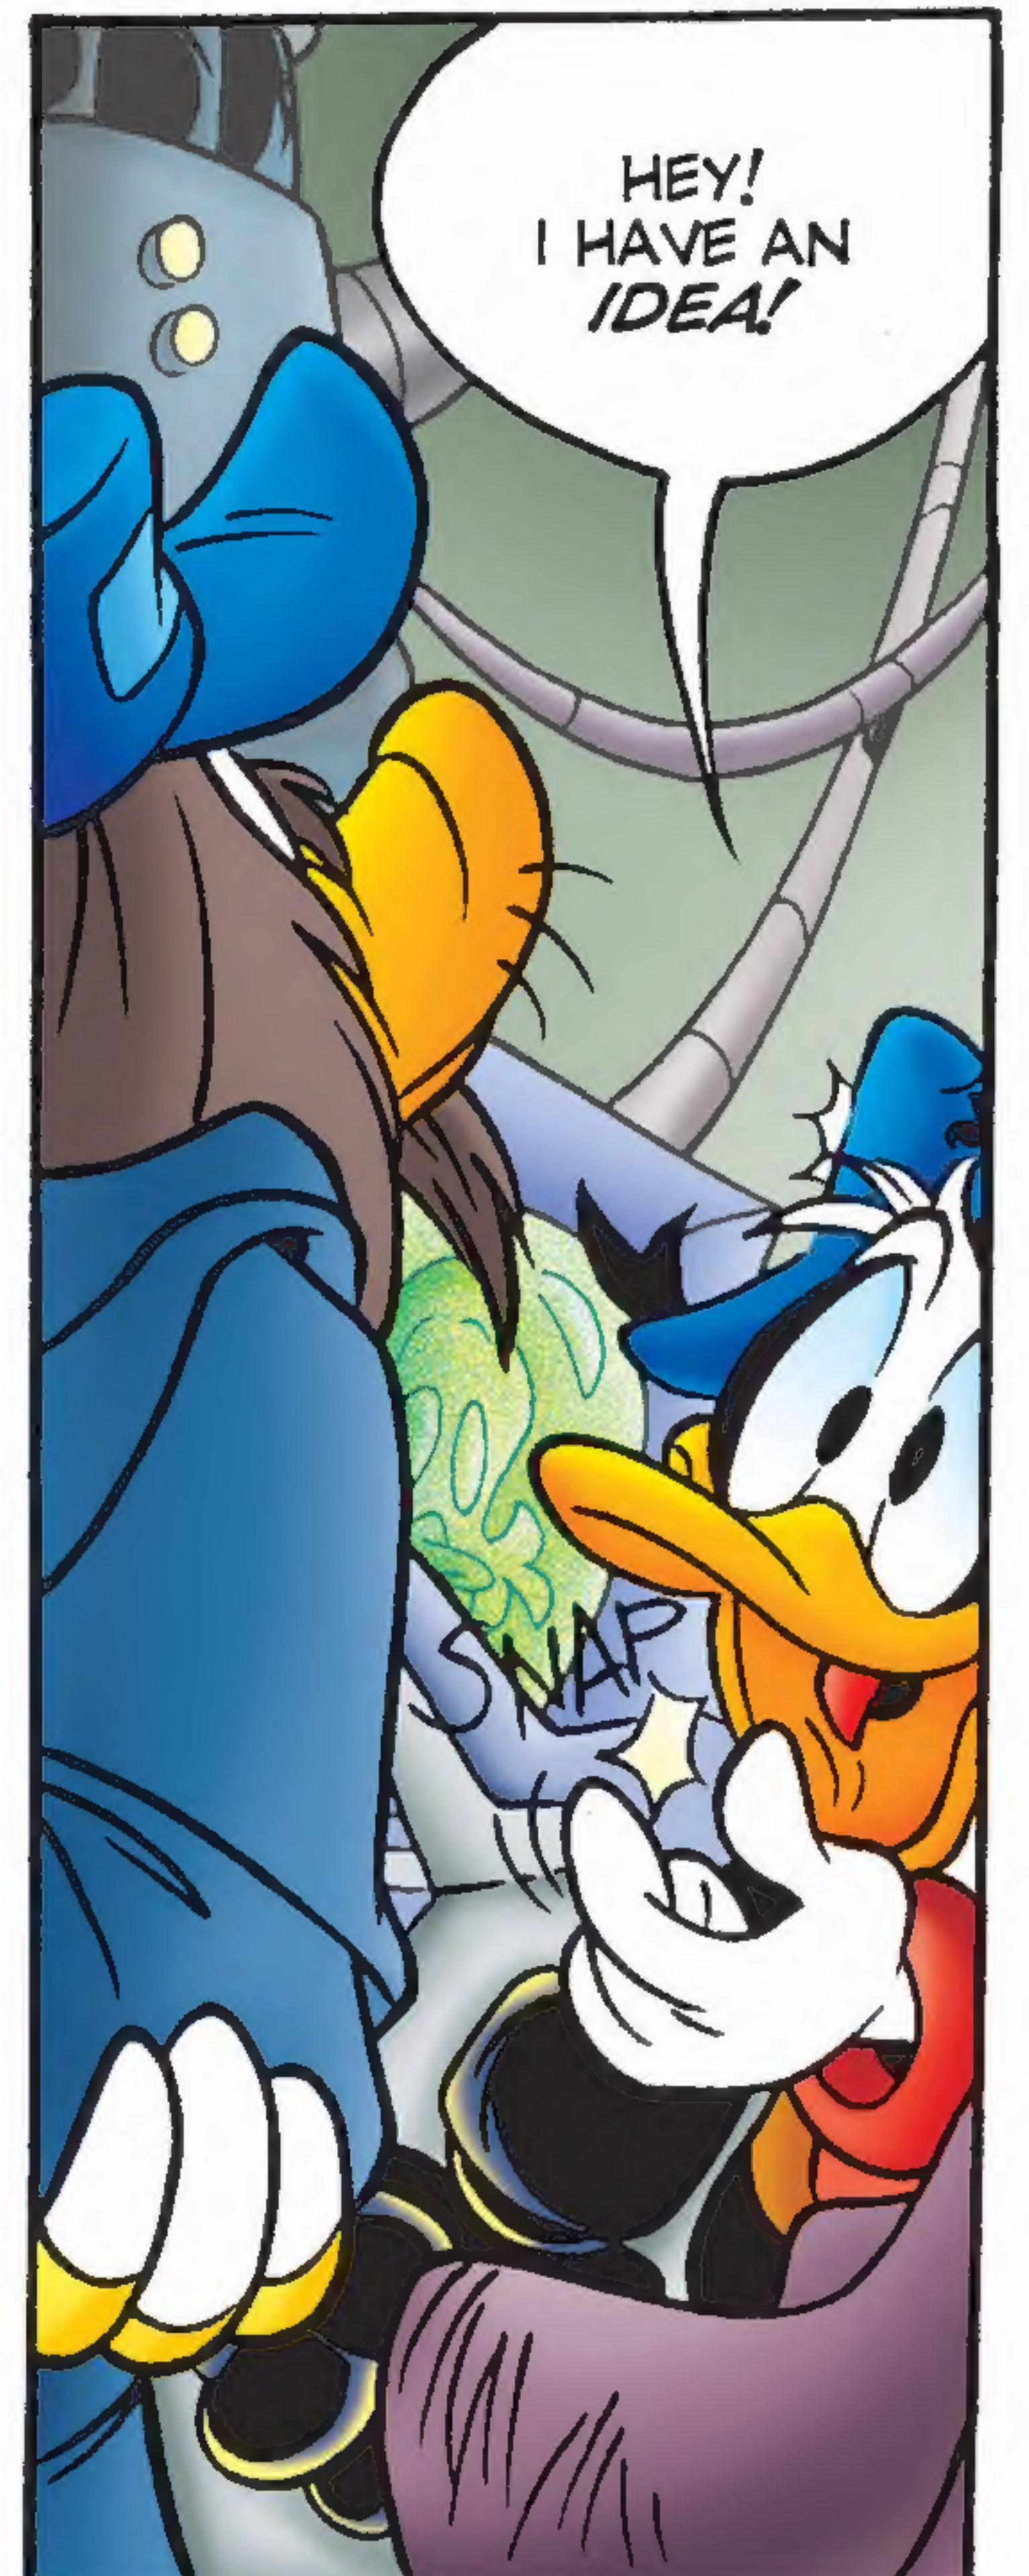

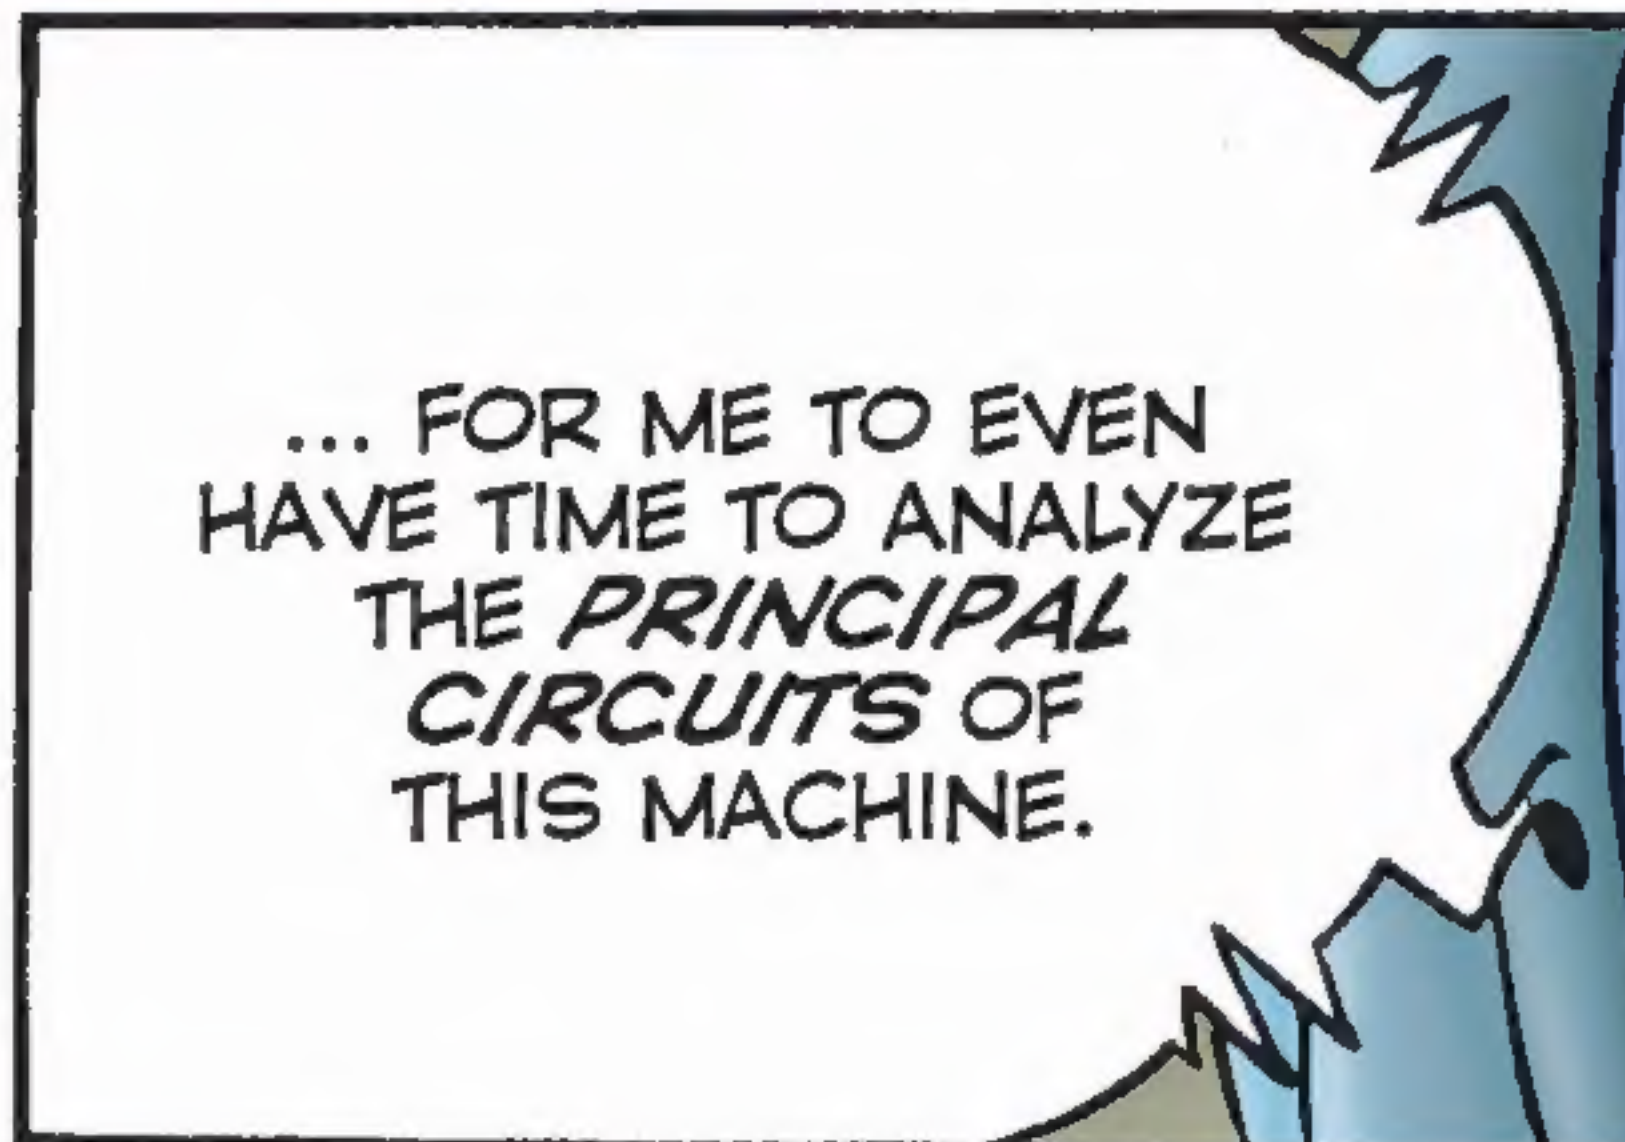

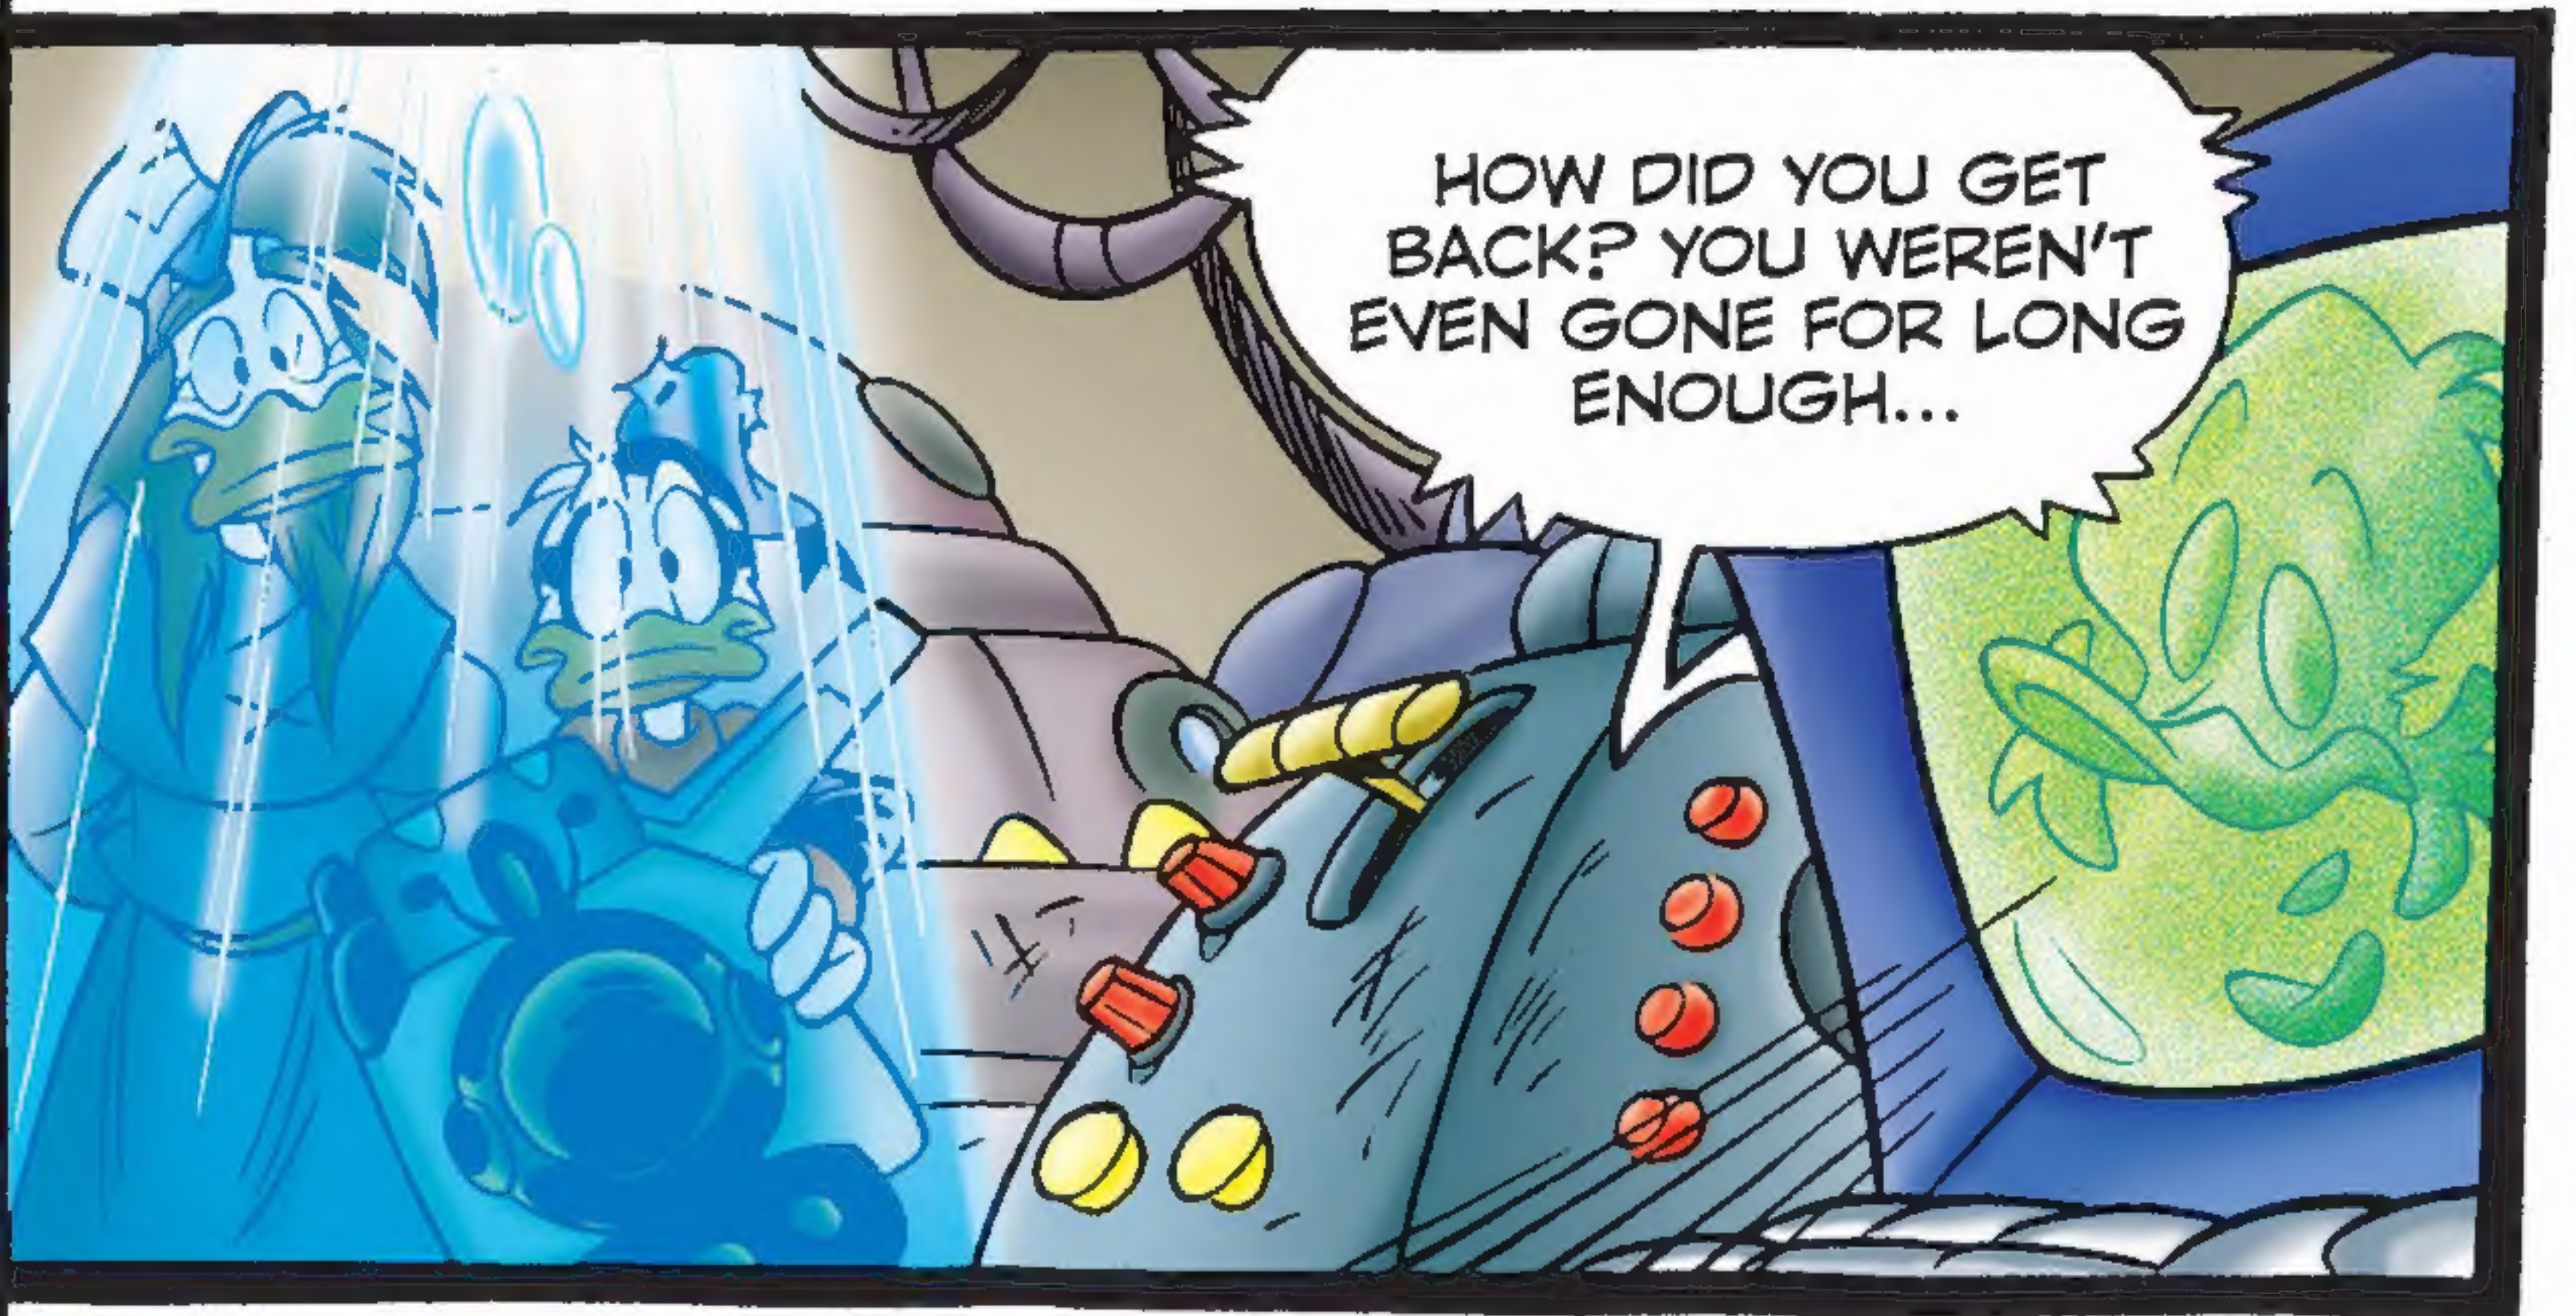

EMERGENCY
TELETRANSPORTER,
QUICK!

BZZZ

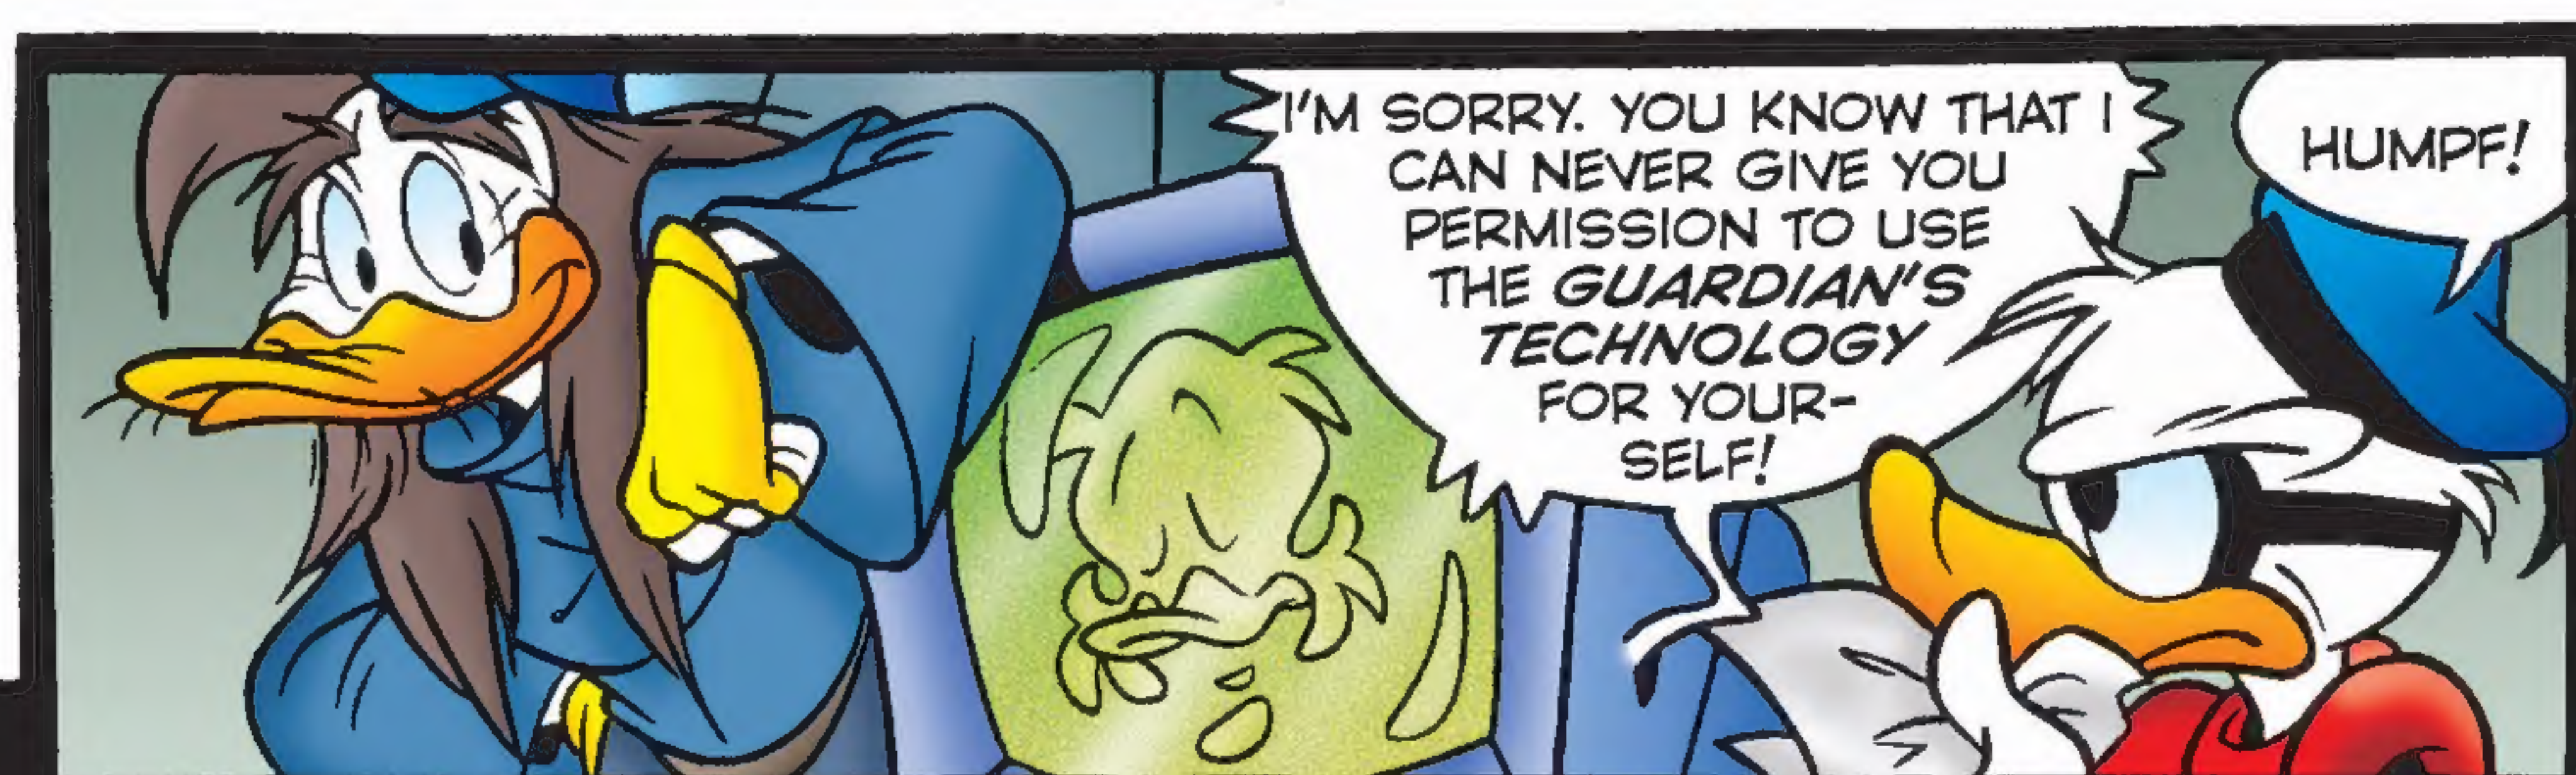

IF YOU MODIFY MY COMPUTER TO DUPLICATE THE SAME PHENOMENON, I COULD STAY CONNECTED TO *DUCK-NET* FOR HOURS, WHILE SPENDING VERY LITTLE...

... BECAUSE, APPARENTLY, ONLY A *FEW SECONDS* WENT BY!

I'M SORRY. YOU KNOW THAT I CAN NEVER GIVE YOU PERMISSION TO USE THE *GUARDIAN'S* TECHNOLOGY FOR YOUR-SELF!

HUMPF!

HEY, YOU DIDN'T FINISH TELLING ME ABOUT WHAT HAPPENED. WHERE ARE YOU GOING?

TO LOOK FOR A *JOB*, SINCE I'M THE ONLY SUPERHERO WHO HAS TO WORRY ABOUT PAYING BILLS!

HA, HA!

THE END
